Sympathies

Word has just been received that Caller Lenny Newberry has suffered a major stroke. He is currently hospitalized in Massachusetts but is beginning to show improvement.

If you would like to send messages, his email address is lennynew@mail.com. His wife's email address is mnewberryrounds@yahoo.com. You might want to copy Margaret on the messages in case Lenny is unable to check his email.

Lenny and Margaret are from the Central Association area. Lenny is one of the callers at Palm Bay Promenaders in Melbourne and Margaret is one of the cuers at Orange Blossom Squares.
