*Last night (Nov 3), my husband of 43 years Chuck sadly passed away after a lengthy battle with leukemia. He has been surrounded by his family and friends throughout his illness. He was lucky enough to be in the presence of his loved ones during his passing, Chuck was an amazing husband, a patient and kind father and a dedicated provider. He enjoyed camping, round dancing, fishing and especially loved to share his profound knowledge and love of dance with his family and friends. He was a patient and gracious round dance instructor and cuer for the last 30 years. We will miss Chuck's enthusiastic love of dancing, his addiction to coffee and his sarcastic wit.*

*Memorial service will be announced at a later date. Our family would like to express our extreme gratitude to Treasure Coast Hospice for taking exceptional care of our husband and father.*

Chuck was the cuer for the RoadRunners Square Dance Campers #193.
