CLARIFICATION for new readers: this newsletter is issued on Sundays with info for the coming week. It lists days of the week starting with the Monday immediately following the Sunday of issue. Under each day of the week header there is a list of the dances offered that day, complete with location (street address and town), caller/cuer, contact person's phone and/or email, times plus other info such as dance level(s), attire, bring food to share, etc as applicable. In order to emphasize changes, special events, etc, the very first section of the newsletter, **Highlights for this week**, only lists changes to regular dances of the week or reminders of special events. Similarly, the **Looking ahead** section lists advance notice of events to take place later. For full information on any dance mentioned in the **highlights for this week** section please scroll down to the appropriate day of the week header to find the info you are looking for. The end of the newsletter is reached when you see a small cartoon and the words "**Squares and rounds go hand in hand**". I guess we are adding "line dancing" to the mix.
