FLORIDA KNOTHEADS AMEND REGULATIONS

On Oct. 6, 1956, the charter members of the "Florida KNOTHEADS", as the governing body, agreed to amend the regulations as follows:

"Extra couples may accompany a square on the one hundred mile trip and become KNOTHEADS." That is, there must be one full square, then, any number of extra couples are also eligible.

BOW & SWING has had a number of inquiries on this point which we could not answer. Now it seems to be cleared up.

TAMPA AND CLEARWATER DANCERS VISIT LAKELAND "BUTTONS AND BOWS"

On Saturday, Oct. 27, Bill Muench, president of the Florida KNOTHEADS, accompanied by his wife and a group of Square Dancers from Clearwater and Tampa, journeyed to Lakeland to dance with the Buttons and Bows Square Dance Club.

Making the trip were Paul and Delight Trent, Ed and Kay Mack, Charley and Olive Walker, Paul and Virginia Snyder, Ed and Ethel Hogarth, Ruthie and Sid Starr, and Ruthie and Bill Muench.

The hall was decorated for Halloween, even to the frosting on the doughnuts.

During the evening, they initi-

ated another set of Buttons and Bows Clubbers into the Florida Knothead. Initiated were Paul and LeClaire Noble, Pete and Arlene Hempstead, Bob and Thelma Williams, and Lloyd and Gertrude Gribble.

Helen Strickland, Buttons and Bows secretary, says, "Everyone enjoyed the evening, which was jumping with square and round dances."

THE 3RD ANNUAL SHORT COURSE SET FOR JULY 3-6 AT GAINESVILLE

The dates of the third annual Square and Folk Dance Short Course at the University of Florida have been definitely set for July 3-6, 1957.

Prof. Ernest R. (Bart) Bartley writes: "The faculty is not yet definite, but the situation looks good for really top outside instructors."

"The place is the same-- the University of Florida air conditioned student service center. The outlook is much better than any so far. We already have received inquiries and had people tell us they plan to attend."

"There is no doubt that this will be the biggest course to date and that the short course is on its way to becoming an established institution."

More on this later.

EDITORIALLY SPEAKING -

PRE-GASPARILLA FESTIVAL COMING IN JANUARY

Each year in February the cohorts of the famed pirate, Jose Gaspar, re-enact the taking of the City of Tampa. With cutlass, pistol, and cannon this colorful crew swarms ashore, demands the surfender of the city, and then leads a gala parade through the streets. The event is witnessed by thousands of spectators who have gathered from all over the country for it.

Again this season the Florida Gulf Coast Callers and Teachers Association is co-operating with the City of Tampa's Recreation Department to sponsor a pre-Gasparilla Square Dance Festival. It will be held in the city auditorium on January 18th and 19th. The Friday night program is geared so as to enable children and beginners to participate. The more experienced dancers join in the fun and many new friends are made for square dancing.

Workshops and clinics for both square dancing and round dancing are held Saturday morning and afternoon. The big dance Saturday night is programmed for adults of all dancing levels and the area callers are given a chance to run the gamut of their calling repertoire.

Visiting dancers and callers are invited to attend and seating sections are reserved for spectators.

William Muench, president of the Florida Gulf Coast Callers and Teachers Association, and Miss Emille Moore and E.C. Ammerman, the co-chairmen of the Pre-Gasparilla Square Dance Festival, have much of the responsibility of planning for the event.

SEVERAL NEW CLASSES
IN SQUARE AND ROUND DANCING
GET UNDER WAY AROUND STATE

While we have nothing like a complete report, it is a pleasure to hear reports of several new square and round dance classes getting under way over the state.

Besides these, many open dances devote a half hour or so at the beginning or before the dance to instruction for beginners.

Clearwater

Another beginner class will start soon (or perhaps has started by this time) at Clearwater High School in the air-conditioned visual room. This class will be under the Adult Education Program of Pinellas County and taught by Bill Muench of Tampa. The course continues for ten weeks. Couples only are eligible.

For information contact Louis H. Meeth, Jr., Director of Adult Education in Clearwater or St. Petersburg, or Bill Muench of Tampa.

St. Petersburg

The City Recreation Department is sponsoring two classes, both meeting at Sunshine University, 8 to 10 P.M.

Monday evening is class night for beginners, with Jim Pearson as instructor.

On Tuesday night there is a progressive class--Advancing in Dancing-- at the same place, and again with Jim Pearson as instructor and caller.

Ft. Myers

Gordon Blaum has, or did have at last account, about 12 squares of seventh grade students at Fort Myers Junior High on Monday afternoon.

Tampa

A new Beginners Square Dance Class at the Tampa Recreation Center began Nov. 20, with Don Armstrong as instructor.

A new couple dance class at Clearfield Community Center was started on Wednesday, Nov. 23,

again with Don and Marie as instructors. Both are eight week courses.

Hypoluxo

Tex Cole is conducting an open round dance class at the Ridge Grove Clubhouse each Thursday night at eight o'clock.

Largo--DANCELAND

Beginners square dance nights start Tuesday, Dec. 4, with Hal "Dad" Brundage planning a dance program with needed instruction each Tuesday night except Christmas. (Maybe this shouldn't be listed as even an "open" class, though.

T H I S A N D T H A T

Sam Livingston has moved to Ft. Lauderdale, where he is calling. Sam is the brother of Jack Livingston, well-known Indiana caller.

Jim Sutton, of Criss Cross fame, is another new Florida caller, living and calling in Ft. Myer

In our list of classes, we missed the beginner class at Ft. Myers Armory on Wednesday night, with Jim Sutton as caller and teacher.

Don't know whether any of the Ft. Myers dances are open or not. They all seem to be club dances.

Mon.--Gator Ironmaders, at Ft. Myers Shrine Hall, with Gordon Blaum.

Sat.--Ft. Myers Armory-- Advance dancing, including Hash and Breaks Jim Sutton, caller. (This may be open. Don't know.)

Sat.--Florida Sandspurs, with Bill Muench.

Also another club, the "Royal Palmaders", Dr. Ed Saunders in charge.

Meant to give some space to the coming NATIONAL CONVENTION, 1 St. Louis next June 13, 14, and 15. It'll be a great centrally located Square Dance event, and a great many will attend.

"CLEARWATER CRACKERS"
INITIATE EIGHT

The "Clearwater Crackers" initiated eight new members at their early November meeting in the Crystal Ballroom at the Fort Harrison Hotel. Big whips cracked as they went through their ordeal, then were led to the punch bowl to be revived.

It was all in fun and the "Crackers" are happy to have Ethel and Ed Hogarth, Dr. and Virginia Nichols, Naomi and David Perkins, and Dotty and Kenny Williams join them.

Guests were Lester and Carlotta McMullon, Betty Jean and Jimmy Johnson, Clare and Frances Malhot, Paul and Delight Trent, Walt and Dotty Baragry, and Pat McAlumpha.

Bill Muench calls for the "Crackers".

NEW DANCES SCHEDULED
AT VARIOUS FLORIDA POINTS

Among new dances listed in the Calendar or reaching us too late for inclusion is one beginning Nov. 24 at the Lion's Club Hall in Dunedin. This is an open dance for beginners, and will continue on the 2nd and 4th Saturdays of each month. Newer dancers are especially invited. There will be squares, rounds, contras, and folk dances, called and directed by the Muenches and the Macks.

Charley Chaney writes of a new dance he is calling at the Community Center, in Edgewater.

Stuart is the setting for a recently opened dance at the Civic Center, sponsored by the city and called by Herb Cassell.

STRANGE FACTS:--There are now (or were at last count) 324 Knotheads included in the population of Florida.

Say "How cool you look" and it pleases a woman. But say, "You don't look so hot!" and dodge.

ANOTHER SQUARE DANCE CRUISE

The price of the cruise (\$49.00 minimum) includes everything out tips, sightseeing (optional), and Cuban Tourist Card. (Some accommodations may run more than the \$69.00 minimum)

THIRD ANNUAL NORTH FLORIDA ROUND-UP

Sponsored by "Y" Squares of the
Jacksonville Y.M.C.A.

Jewish Center Auditorium
8:00-11:00 P.M. November 10, 1956

Two hundred and fifty people attended the North Florida Round-Up, held in the Jewish Center Auditorium in Jacksonville on November 10, 1956. It was truly a gala affair. The hall was decorated with streamers of fall colors and autumn leaves with a large banner on the stage proclaiming a hearty WELCOME to all square dancers from the "Y" Squares. In the entrance foyer posters were displayed by the following local clubs - Fun and Frolic, Circle Eight, Swinging Squares, Dip & Dive Club, "Y" Squares and YMCA Dancers of St. Augustine.

DINNER preceding the dance a dinner was held in the Cactus Room of the Corral Restaurant at 11th and Liberty Streets. About seventy people gathered for this pre-dance get-together and a good meal. A great many had met us here the year before and it was to welcome them again. Daytona Beach is always very well represented.

SQUARE DANCE Promptly at 8:00 P.M. the Grand March started, led by officers of "Y" Squares. With the entire group assembled in squares, Phil Cook Chairman of "Y" Squares welcomed the guests and introduced Harold J. McNary, Acting General Secretary of the Jacksonville Y.M. C. A. It is largely through the interest of Mr. McNary that we have such a grand group dancing at the YMCA. Bill Camp of Jacksonville was MC for the first half of the evening and Al Hixon of Daytona Beach was in charge for the second half. The After-the-dance session from 11 - 12 was a regular club dance and we hope some people make Knotheads at this session.

CALLERS Nine out-of-town callers contributed to the evening's fun - "Cubby" Whitehead, Bradenton. George Hoyt and Al Hixon, Daytona Beach. Bill Muench and Howard Miller, Tampa. Robbie Robinson, Stone Mountain, Ga. Herb Cassell, Jupiter. Charles Chaney, New Smyrna Beach. We regret that Bill Embry and Bill Tusynski, Jr. who sent in calls would not be with us. Local callers were Edith Ford, Duane Fullerton, Jack Griffith, Ralph O'Neil, Bill Camp and Fred Boska from St. Augustine.

KNOTHEADS

A special feature of the evening was the initiation of eighteen square dancers into the FLORIDA KNOTHEAD group. Bill & Ruthe Muench and Ed & Kay Mack, Charter Members of the original square, assisted by other KNOTHEADS conducted the initiation. Jackson - ville group who became eligible by attending the Florida Fall Ball at Clear- water - Eddie & Willie Gray Bowman, Bill & Nora Camp, Phil & Ruth Cook, Shannon. Ethel Perry, Tom Eggleston, Boh Pringle. Also initiated at this time - Herb & Hazel Cassell of Jupiter.

Dancing is on an intermediate level. Out-of-town visitors wishing to meet with "Y" Squares may contact any of those named above for information.

FAREWELL

BREAKFAST

A Dance is never really over until after the farewell breakfast the morning after. Bill & Nora Camp were host and hostess to departing guests - and a few die-hards stayed until 2PM on Sunday discussing (you guessed it) - SQUARE DANCING.

P.S.

"Y" Squares will again be host to square dancers on January 17th at the Jacksonville YMCA, 221 Riverside Avenue, when Frank Lane, internationally known caller will be with us for an evening of fun.

See you there.

CHATTER WITH MY CORNER

Charley Chaney of New Smyrna Beach sent a nice, chatty note along with his subscription.

Charley has been in Florida about two years and has called at Melbourne, Orlando, Daytona Beach, and other places. Before coming to Florida, he called and taught for several years in Huntington, West Virginia.

Right now he is calling regularly at the Edgewater Community Center, Edgewater, Fla., for a Saturday night open dance.

From his note, I gather that Charley is one of those free to travel, at least to some extent, which might interest some in areas where callers are hard to find.

"Bart" Bartley's work is allowing him to get around a little more this year than in the past, it seems. So Ruth and he are doing a bit of traveling about the state

Thursday, Nov. 15, he called for the Pioneers Club in Orlando. Saturday, the 17th, they called for eleven squares of high level dancers in Clearwater. This was at the Bill Muench and Ed Mack dance at Roebbling Hall.

Friday before the Georgia Tech game in Jacksonville, Bart called for Bill Camp's Y-Squares Club at the YMCA. "Six sets of very wonderful people and a terrific evening he says.
