MANY HOLIDAY ACTIVITIES, LITTLE NEWS

December, with its many holiday activities, was a month of little news. Everybody was so busy with Christmas and New Years preparations that nobody had time to write, it seems.

We know there were many special dances and parties--Christmas party at Danceland--Christmas party at Mary's Dance Studio in Lake Worth--Various New Years Eve events, such as the one sponsored by the Promenaders here in West Palm Beach...But we've nothing like a complete, or even reasonably complete list. Many dances were cancelled or thrown off schedule because their regular date fell on Christmas Eve or Christmas Day, or perhaps on New Years. Those will be back on their regular schedules now.

Sometimes we have combined the January issue with the December, due to this news shortage. This time we are getting out a short, bulletin style issue, without even the regular masthead.
