Roundup of Square Dance News for November:

It's Fort Myers, Clewiston, Sanford for Square and Round Dancers in November

NOVEMBER LOOMS as one of the biggest months for square dancing in Florida history with virtually every weekend occupied by at least one event of state-wide interest.

Jack Livingston, Ed Gilmore and Max Forsyth as visiting callers will draw many dancers to their very limited number of appearances, and Forsyth is booked for the Florida Callers Association

annual meeting and clinic in Sarasota the last weekend in October.

Jack Jackson calls in Jacksonville on Nov. 1 and the following night in Miami Beach, and on Nov. 4 Central Florida association dancers will hold a jamboree in Winter Garden in recognition of Bow & Swing. Following day will be a meeting in Miami of all committees concerned with the 11th National convention.

Les Gotcher appears in Lakeland Nov. 11 prior to opening his four-week Dancers Institute at the Crown Hotel in Miami Beach and on the weekend of Nov. 16 Fort Myers' fabulous Lehigh Acres Audi-

torium will resound to the calling of a dozen callers for two days (three nights) of the Fort Myers Jamboree sponsored by the Kriss Kross Squares.

Third weekend finds the annual Sugarland Jamboree at Clewiston and the Round Dance Council's third annual Holiday for Rounds at Sanford. On the eve of the one-day round dance workshop and Ed Gilmore dance has been booked by the sponsoring Sanford Starlighters. The program for Saturday includes two workshop sessions in the morning and one in the afternoon, interspersed with

Dancers Become Publicity-Minded All Over the State

SEVERAL FLORIDA dancer groups were gearing up for a cooperative effort to publicize square dancing and it appeared that November would be a month in which western-style square dancing gets in the public eye.

In Tampa, President Warriner J. (Hink) Smith of the West Coast dancer group called together dancers, callers, round dance instructors and others interested for a meeting in the Hotel Hillsboro Oct. 22. Objective: a unified program of publicity aimed at recruiting new beginner dancers.

Square dancing in the Orange Bowl at Miami was planned as a half-time feature of the Freshman football game Oct. 20, according to the Southeast Florida Square and Round Dancers Association. Nine squares were sought for the event by Ted Barton.

In Orlando, the city recreation department kept under wraps their plans to use local callers in a series of 20-week beginner courses at various points throughout the city. A set course of study was prepared by the department, accepted by the

OUT-OF-STATE registrations are running 20 to 1 ahead of Florida registrations, 11th National General Chairman Harry Moore told BOW & SWING at deadline, and Floridians are urged to get their registrations in as soon as possible. Advance registration is \$1.25 per day (\$3.75 for the entire convention), as agreed at last November's meeting of the national executive committee in Detroit, and registration at the door will be \$1.50 per day (\$4.50 for the entire convention).

Advance registrants who designated their choice of hotel accommodations will not receive confirmation of their hotel until after February 1, under terms of the 11th National's contract, Moore says. "We are telling those who wish early confirmation of their accommodations to contact the hotels direct," he added, explaining that the hotels under contract will not confirm any contract rooms, but that they inevitably have extra rooms set aside. The extra rooms may not be at convention rates, however.

"As of October 20 there were plenty of rooms still available under our contract with the Miami Beach hotels," and except for the Shelbourne, DiLido and White House, registrants stand a good chance of getting the accommodations they desire.

H. F. Cordes, retired president of Burdine's department store in Miami, and for many years active in civic affairs in the Miami area, has been added to the committee for the souvenir program. Other committee members include Al Cody, Kissimmee, Frank Cornwall and Bert Bennett of Miami.

A delegation of 320 have already signed up for special railroad cars from Oklahoma to attend the 11th National and Howard B. Thornton of Oklahoma City, a member of the national executive committee, has asked for copies of BOW & SWING to keep him informed on Florida plans for the convention. The itinerary will include a number of stopovers at such attractions as Silver Springs and Cypress Gardens.

Moore has emphasized that all workers on the 11th National clear activities through the four district chairmen—Hink Smith in St. Petersburg, Art and Dorothy Brammeier in Melbourne, Bill Flesman in Jacksonville and Clyde Garrison in Pensacola.

"Each district should make plans for one big pre-convention dance to provide money needed to pay expenses that occur before advance registrations are large enough to do so," Moore said in his message to the annual meeting of the Florida Federation of Square Dancers in Lakeland. "The money will be regarded as a loan if the convention shows a profit," he said, adding that excess funds in club treasuries would also be appreciated as a loan to 11th National.

"This is the first time the National has been in the South and we need the sup-

Administrations Running 20 to 1, Says Moore

Members of active committees for the 11th National Square Dance Convention are scheduled to present complete written reports of their activities to date and their projected activities until convention time in mid-June, at a meeting called for 2 p.m. in the Hotel Shelbourne Sunday, Nov. 5. It is announced by General Chairman Harry Moore.

port and help of our neighboring states; we need some kind of a slogan or theme to tie these dancers in with us."

A joint meeting of dancers and callers concerned with the 11th National, held in Fort Lauderdale Sept. 17, revealed smooth planning on the part of Jay Fennore, president of the Florida Callers Association and chairman of the 11th National committee on square dancing and music. Gordon Blaum was appointed to head a "swap shop" department and Lew Green as after party chairman. C. S. and Madge Orr have accepted chairmanship of the spectator committee, and Shirley and Mac McIntyre have been named in charge of the fashion show.

Fennore announced that provision would be made at the convention for "un-interrupted hash."

Federation Gears for National; Pensacola Council Joins State Body

ELECTION of officers of the Florida Federation of Square Dancers was deferred until after the 11th National Square Dance Convention, and Harry Edwards of Gainesville will continue as chairman for another year, it was agreed at the annual meeting held in Lakeland Oct. 7. Other officers, including Wes Lawson of Winter Haven, vice president, Al Cody, Kissimmee, secretary, and J. Warriner (Hink) Smith, Jr., of St. Petersburg, treasurer, were included in the motion by Al Fenton of Miami as amended by Harold Jenkins of Sanford.

New members to the board of delegates include Fenton and Bub Bowman, together with Dick Rae, area president, representing the Southeast Florida Square and Round Dancers Association, Virgil Green, area president of Jacksonville, and Jenkins (area president) and John Bratton of Melbourne, representing the Central Florida association. Holdover members include Wilfred Flesham, Jacksonville, and Bert Willard, Tampa.

Floyd Hazen of Jacksonville was seated as liaison from the Florida Callers' Association.

The Pensacola Square Dance Council's application for affiliation with the state federation was accepted, giving the Florida body representation and official status in the panhandle area. The secretary is to work out details with C. M. Garrison, Pensacola council president, as to the exact geographical description of the area to be assigned to the new body.

An effort to discourage advertisers of alcoholic beverages from depicting square dancing in connection with their advertising was discussed and a resolution aimed at Ballentine was requested from a special committee made up of Rae, Jenkins and Flesham.

(Bow & SWING notes with approval the recent color page by Coca Cola in *Reader's Digest*, featuring a square dance scene.)

The federation board heard a report from Frank Cornwall of Miami, publicity chairman of the 11th National, which included an appeal for each area association to hold at least one big pre-convention dance for the purpose of raising money for use in financing the convention.

It was generally understood that these

funds would be regarded as loans to be paid back by the 11th National before any disposition of profits is made. Local clubs which have dormant funds are also invited to lend money to the 11th National committee.

A report by the treasurer indicated that \$2123.64 had been advanced from federation treasury to the 11th National committee. The federation treasury had \$85.75 on hand before dues from member associations had been credited for 1961-62. Federation receipts for the year included \$1099.83 as profits from the 9th annual Florida State Convention at Miami Beach last May.

The income statement for the state convention indicated registrations grossed \$2715.50, spectator admissions \$351.50, syllabuses \$32, concession space \$224, and advertising in program \$402, plus \$3.50 from sale of programs. Larry Schroll of Coral Gables was treasurer of the state convention.

New Constitution Adopted By Southeast Association

A NEW constitution and by-laws adopted August 13 by the Southeast Florida Square and Round Dancers Association establishes a governing council composed of two-couple representatives from each club having 51 or more percent membership in the association, and two-couple representatives at large to represent member dancers not affiliated with a club. Clubs desiring representation on the governing council may apply to the secretary. Usual officers, plus the past president, constitute the board of directors. All officers may succeed themselves in office except the president.

Smith Succeeds Self as President of West Coast

J. WARRINER SMITH, JR., of St. Petersburg, was re-elected president of the West Coast Square and Round Dance Association at the group's annual meeting held in conjunction with a fifth-Friday dance at Zephyrhills Sept. 29. Other officers re-elected were Harold Tyler, Tampa, vice president, Charles Young, Eagle Lake, recording secretary and William Grant, Tampa, treasurer. Marian Smith of St. Petersburg, was elected corresponding secretary.

Representatives of 24 clubs were present for the meeting. Afterwards 30 squares danced to the calling of Hal Ham of Sarasota and Howard Parrish of Lakeland.

The association agreed to forego the usual fifth-Friday dance Dec. 30 in favor of a day-and-evening workshop event sometime during the month of January.

The association approved changes in constitution and by-laws permitting appointment of vice presidents for each county, classifying past presidents as officers, and providing for an executive board.

Virgil Green Elected to Head N.E. Florida Dancers

1961'S FALL ROUNDUP was regarded as "the greatest crowd and best dance we've ever had," by enthusiastic officials of the North East Florida Square Dancers Association. The event, held Sept. 30 in the Skyline Room of the Mayflower Hotel featured callers from all over, round dance workshops, and exhibitions by such children's groups as the Dixie Twirlers of Floyd Hazen.

Virgil Green of the Western Cutters was elected president of the association, succeeding Wilfred Fleshman, and other officers include Donald Brooke, Gainesville, vice president, Alette Register, Jacksonville, secretary, and Jim Brandel, Jacksonville, treasurer. Fleshman and Harry Edwards of Gainesville will serve with Green on the board of delegates of the state federation.

At a bi-monthly meeting Sept. 13, Secretary Ann Eggleston reported 211 association members. The organization heard of the Channel 4 show on Sept. 2, approved a booth at the Greater Jacksonville Fair, discussed needs of the 11th National convention. All clubs were urged to put on fund-raising dances to help underwrite the convention. Beginners classes by Herschel Lee, Myron Samson and Harold Pillmore were noted.

The Jimmy Strickland TV show Sept. 2 featured a square of dancers representing the Northeast Florida Square Dancers Association. Included in the group were Bob and Neva Donaldson, Tom and Ann Eggleston, Joe and Margaret Joyce and Joe and Margaret Smith. Myron Samson called.

Bow & Swing Jamboree is Set for Winter Garden Nov. 4

A BOW & SWING Jamboree dance is planned in Winter Garden Nov. 4 with Joe Johnson of Windermere as master of ceremonies and Art and Dorothy Brammeier of Melbourne in charge of the rounds. The dance will be in the community auditorium under sponsorship of the Central Florida Square Dancers Association. Proceeds from the dance will be used to underwrite extra cost of Bow & Swing subscriptions for members of the association.

The Brammeiers will teach a round, My Baby Just Cares for Me, beginning at 7:45 p.m.

callers, and endorsed by representatives of active clubs dancing in the Orlando area. Department personnel emphasized that the program must be self-liquidating, but promised a publicity campaign on a broad front to interest beginning dancers.

It was not known whether an Orlando Square Dance Council had been formed but representatives of most of the Orlando area clubs were in on conversations leading to development of the program. It was emphasized that responsibility for initiating the campaign rested with dancers.

In the Ocala area, demonstration dances before civic organizations have proven effective in recruiting new dancers, and in Jacksonville demonstrations at neighborhood shopping centers, and at the annual fair, have called for repeat performances, and as BOW & SWING went to press an effort was being made to bring in three name callers for an evening of street dancing to herald the holiday shopping season Nov. 30.

At Melbourne, Oct. 27 Don Armstrong and his band had been booked to call a street dance for downtown merchants, exposing square dancing to thousands of potential beginners.

Orlando dancers continued with plans to provide special event color for the mammoth garden show scheduled in the municipal auditorium during the Central Florida fair in February.

In Fort Lauderdale the Flamingo Swingers—a new club—have been able to get on the program for various parties, including one at the Jolly Roger Hotel for the Hotel Greeters, and at the Moose Hall Fun Night program. "At both places we picked up members for our class, which Caller Big Daddy Loveless says is the best he has ever had," according to Pat Russell. Loveless and the club are now booking applications for his next class starting January 2.

¶ "Thank you again for including our announcements—Bow & Swing is truly a square and round dancer's right hand in keeping us all up to date. The division of Across the Editor's Desk into geographical sections is a marvelous improvement."
—EILEEN CHRISTIAN, St. Petersburg.

Four Rounds to be Taught at Holiday Event in Sanford

ONLY FOUR new round dances will be taught at the third annual Holiday for Rounds in an effort to broaden the appeal of the all-day workshop set for Sanford's civic center auditorium on Saturday, Nov. 25 under sponsorship of the Round Dance Council of Florida.

Members of the council drafted original plans on Sept. 24 at a meeting in Melbourne, firmed they up later at an executive committee meeting. As in the case of the 1960 meeting in Lakeland, square dancing will be interspersed with the round dance workshops and the evening dance will be in conventional format. The program for the day includes two workshop periods in the morning session, two in the afternoon session, and impromptu rounds prior to the evening dance in the evening session. Admission will be \$1 per person per session or \$2 per person for the entire day.

An Ed Gilmore dance on Friday evening under sponsorship of the Starlight Promenaders will make the Holiday a "weekend."

An opportunity for the annual meeting of the council will be provided at a noontime luncheon, according to plans announced by President Kay Mack.

3000 NEW FACES

to Join Round Dance Groups

We want a survey, dance-wise, of the State of Florida. We ask your full cooperation. Our GOAL is to induce 1500 new couples, 3000 NEW FACES in Florida to take up Round Dancing by January 20th, 1962.

It will cost none of you who cooperate a single penny out of your pocket. In fact, each of you in the Clothing Business, the Record Dealer, all the printed magazines and news letters now circulated in Florida, can gain directly in proportion to your willingness to cooperate.

This announcement is directed to the Square Dancer, and NON-Round Dancer particularly. Those now Round Dancing will have a part also, and far more FUN dancing with a larger group. You will be THRILLED with our Brochure. Write for it **today**. You will find it most interesting.

ALL dance instructors for Rounds and Squares will play a major "First-baseman's Part" in our plan of operation. They will receive "Dug-out" instructions and our beautifully illustrated BROCHURE by a recognized local Artist.

With the National Convention only a few months off, what a boost for our Committees for the Convention to have an accomplishment of this kind completed. They can make it known to thousands through all their publications. We can make them very proud of our effort and join with them and say, "Dancing has no peer as a recreational activity in Florida."

These survey letters we ask you to submit **now**. They will launch the whole proposition within the State of Florida. WRITE yours today.

Our printers have everything ready. We need the STATISTICS to fill in and finish wrapping up the complete instructions to all who cooperate. We want accurate information and want it immediately, please. Our wheels are in motion, our plans are completed. Our objective date is January 20th, 1962.

DANCERS INTERESTED IN ROUNDS: Send for your brochure now. We will mail to as many as three interested friends if you will give us their name and address:

ROUND DANCE INSTRUCTORS: We need a host of Affiliated Round Dance Instructors (ARDIs) to become associated with us. Florida needs scores of additional instructors and we believe this survey will help us correct this problem. Write fully about yourself, and name round dance clubs you are conducting now. Within 10 days we will need about 30 ARDIs who can and will follow our leadership. You will not only enjoy doing so, but you will gain profitably.

SQUARE DANCE CALLERS: There is something for you, too. Write for your brochure and our special proposal for callers. You will like what we have, believe us.

MERCHANTS: If you sell square dance clothing, or records, you realize that the more couples dancing, the greater your potential sales.

HOW YOU MAY Cooperate

It is our hope we will receive from all of you THAT LETTER expressing your earnest desire to take part to the fullest extent possible. We will succeed with your participation assured. Three Thousand NEW FACES by Jan. 20th.

You need only state your answer to the information wanted. However, a short statement from you about the reception our proposition has had, is most welcome.

To most of you, this announcement is the first knowledge you will have had of a program in which you are asked to take an active part.

This brief summary and the complete plan of operation has taken months of conscientious study and close, thoughtful hours of piecing together the many phases it was necessary to explore. Our pleasure will be in proportion to your letters in response and the related comments on the subject matter in this announcement.

Respectfully submitted to all our Florida Dancers,
