THE 8TH Florida Knothead Konvention at Clearwater's Jack Tar Harrison Hotel over Labor Day weekend is the major square dance event during September. Harper Smith, the programmed caller, will be joined by Knothead staff callers and round dance leaders. A Trail's End Dance to the Konvention is slated for Friday evening preceding the Konvention's official opening.

During the same Sept. 5-7 weekend, St. Petersburg's Ox Bow Hall will stage a three-day "Spectacular" dance program. Conducting the agenda will be Chuck Durant, Ed Newton, Jim & Noriene Pearson and John & Betty Gammer.

In West Palm Beach on Sept. 5, the Promenaders Club plan an All-Nighter dance at Palm Coast Plaza. Ralph Otis and Ernie Bass will handle the calls.

A popular event upcoming for Friday evening, Sept. 11, is the root beer party sponsored by the Sandspurs of Winter Haven. The evening of dancing and entertainment is booked for Auburndale Civic Center. All dancers are invited.

FFSD Meeting Boosts Understanding Of Federation and B&S Techniques

PRESIDENT Harold Jenkins believes that the results of the Federation's meeting Aug. 2 at Orlando will be beneficial to state-wide square dance relations.

The morning session of the meeting, held at the Cherry Plaza Hotel, was devoted to Federation business and included a report by Chairman John Sullivan of the Federation's By-

Laws Revision Committee.

Sullivan suggested changes in the by-laws that would clarify the tenure of office of an appointed delegate. A question was raised at the Miami Beach meeting in June as to the right to change delegates in mid-year. The revision would provide for the term of office to be from one annual meeting to the next—October to October of each year.

A request was made, also at the Miami Beach meeting, to have additional delegates appointed from each area association to provide for greater representation. Chairman Sullivan offered a resolution that would provide for the appointment of a fourth delegate from each area association. This delegate would be appointed by the Federation Chairman with the approval of the Board of Directors.

This method would permit a delegate who has become an elected officer of the Federation, and who has properly conducted the affairs of his office, to continue as such, if desired. Thus, the individual is not compelled to withdraw by virtue of his not being re-appointed as a delegate by the area association he represents.

President Jenkins states that this procedure change is most necessary if capable workers are to continue in Federation activities.

Editor, Bow & SWING:

I am interested in promoting square dancing in our town. I am going to learn to be a caller, since most records with calls are too advanced for beginners to follow. I am starting with Girl Scouts and am going from there to teen clubs, then adult groups. Would appreciate any suggestions from B&S readers as to what records to get for use with beginner groups.

Federation Plays Vital Role In State Convention Plans

AT OUR JUNE meeting at Miami Beach, part of the discussion concerned the proceeds split between the Federation and the association hosting the convention.

During the discussion a question was asked by a member of the Southeast Association, the hosting organization. "Just what part did the Federation have in the convention?"

Now that query came as a surprise. Little did I realize the lack of information between the Federation and area associations, and between the associations and the dancer.

Let me say that the Federation and the Florida Callers Association sponsor the state convention as a joint venture and any financial loss is assumed by both groups.

Let us look back to the beginning of our state conventions. The first convention was held in Orlando by the Florida Callers Association. Later conventions remained under the FCA sponsorship until Central Florida formed the first association.

Other associations throughout the state were then formed, followed by organization of the Florida Federation of Square Dancers. After the Federation was formed, the annual convention became a joint venture of the Federation and callers group.

Since the conventions were small, arrangements were handled by members of the Federation. Growth of square dancing throughout the state also increased attendance at the conventions.

What originally started out small has grown to a huge annual production needing administration at the local level. Thus, the last two conventions have been handled by the area associations.

To compensate the host association, it was agreed to give the association part of the proceeds of the convention. The host association has no financial responsibility; in fact, the Federation advances money to the local group.

I hope this answers the question of the Federation's role in state conventions. Close observation of the past two conventions has convinced the Federation that standard convention procedures be designed so that each participating group will know the part each shall play in the convention.

These proposed procedures will be acted on at the Federation's October annual meeting. Harmony is the keyword of square dancing. Let's all promote harmony!

Floridians square dance atop Caesar's Head while vacationing at Rainbow Lake Lodge near Brevard, N.C.

Caesar's Head Badge Worn by Floridians

SEVERAL Floridians recently spent a square dance vacation at Rainbow Lake, near Brevard, North Carolina. Bob Rust of Daytona Beach and Tex Brownlee of Odessa, Texas, furnished the calling and Lou and Ann Calhoun of Shelby, N. C. handled the rounds.

About 30 people from the Lodge went to Caesar's Head, altitude 3,227 feet, and danced on the rock jutting out over the valley. This same group also danced on top of a water tower, 60 feet high.

A Caesar's Head badge has been originated and Troy & Lisle Harre of Tampa, Ira & Margie Russell of Plant City and Cliff & Lorene Parnell of Miami will soon be wearing them.

Guest callers, one night only, were Singin' Sam Mitchell of Phenix, Arizona, and Walt Wentworth of St. Petersburg.

An interesting sidelight is the fact that The Toppers of Tampa are now the proud possessors of the Thunderbird Club banner of Odessa, Texas. The Thunderbirds have vowed to take the Topper's banner home with them from the 1965 National Convention in Dallas, providing The Toppers get to Dallas with one!

Over 15,000 Dancers Attend 13th National

THE 13TH National Convention held during July at Long Beach, Calif., drew over 15,000 square and round dancers, according to Ken Parker, publicity chairman. The parade set the tempo, and the callers' list read like "Who's Who" in square dancing, reports Parker.

The 14th National is booked for Dallas, June 24-26, 1965, with Cleve & Bee Cooper as publicity chairmen.

Florida Knotheads Dedicated to 'Fun and

by Kay Mack and Ruthe Muench

"To PROMOTE fellowship among square dancers in Florida . . ." is the expression coined in an early bulletin of the Florida Knotheads. Fellowship, fun and merriment—all these are synonymous with Knothead membership that goes to square dancers who travel 100 miles or more to attend a dance.

The Florida Knotheads originated several years ago when Bill Muench of Tampa read of a Knothead trip made by Washington state square

dancers. A letter to Ray Lang of Washington clarified the term "Knothead." Lang said the Knotheads originated in Wyoming and that Knotheads also were organized in Montana. The Knotheads of Washington used wood for their badges, since Washington was a timber state.

Requirements for Knothead membership were simple: four couples must travel 100 miles or more to a club or an open dance; dance one full tip together and let it be known the purpose of the visit; get the caller to sign the membership application.

d Fellowship' All for Square Dancers

Bill Muench and his wife Ruthe goth together with Jim & Helen Galloway, Ed & Kay Mack, and Mac & Pat McClumpha to form the original charter square of Florida Knotheads.

The group's first qualifying trip was to a dance in Fort Myers arranged by Dr. Ed Saunders and called by Frankie Lane. The second group qualifying as Knotheads were dancers from Fort Myers who traveled to Treasure Island.

The original Florida Knotheads obtained a charter and elected Bill

Muench as chairman, Kay Mack as secretary, and Helen Galloway as treasurer. The Knothead badge is a black plastic rectangle with stick figure which is registered and belongs solely to the Florida Knotheads, Inc.

At the end of the first year, 360 dancers applied for membership. During the group's second year, a newsletter was published and the first Knothead Konvention was held at Clearwater with Jim Faulkenberry of Blue Springs, Mo., as caller.

Knotheads . . .

(Continued from page 9)

ed publication of Harold Emery's Bow & SWING, the new publisher agreed to carry news of the Knot-head organization.

Faulkenberry returned to Florida to call the second and third Knot-head Konventions. Jim Livingston of Speedway, Ind., was booked for the fourth Konvention, Ruy Camp of East Point, Ga., for the fifth, and Jack Jackson of Columbus, Ohio, for the sixth and seventh. The 1964 Konvention will see Harper Smith of Celina, Texas, as featured caller.

First major promotion project was in 1959 when the Knotheads underwrote the first Holiday of Rounds in Clearwater. From this festival the Round Dance Council of Florida was formed.

Another promotion effort of the Knotheads, in 1961, was distribution of 20,000 pamphlets on the history and purpose of square dancing.

The Knothead Trail Dance preceding the Konvention is an annual function open to all Knotheads free of charge.

During the Konvention the Lions Club of Clearwater has charge of the refreshment booth, with proceeds going to their Eye Fund.

Knotheads promote subscriptions to Bow & SWING by offering a six-month subscription with each membership.

Knothead officials report that membership is near the 10,000 mark. 1025 registered Knotheads attended the 1963 Konvention. Dancers attending five years in succession receive a pin showing five stick figures. For the sixth consecutive year, a number bar is issued. An exchange desk is planned for the '64 Konvention where dancers can exchange their sixth year bar for their seventh.

To date, 54 dancers have attended the Konvention for seven years in a row. 30 dancers have their six-year bars, 26 have five-year badges, and 40 have four-year badges.

Jim Galloway of Lutz now heads the Knotheads, taking over in 1961 from Bill Muench who served for five years. Kay Mack and Helen Galloway serve as secretary and treasurer, respectively.

Knothead history wouldn't be complete without giving thought to Mac McClumpha who passed away in 1958. We are sure that he would be gratified if he could but see the results of his efforts in helping get the Knotheads underway. His memory will always be respected.

Walter Stoltz Elected President Of West Coast S/D Association

WALTER STOLTZ of Bartow was elected president of the West Coast Square & Round Dancers Association at the group's July 31 election meeting and dance at Lakeland. Stoltz succeeds Matt Bryan of Tampa.

Elected to serve with Stoltz were Ira Bivans of Clearwater, vice president; Margaret Johnson of Bartow, recording secretary; Esther Stoltz of Bartow, corresponding secretary; and Troy Harre of Tampa, treasurer.

The Bryans told the dancers, callers and teachers how much their cooperation was appreciated during the past year. "We regret that we didn't have an opportunity to do more in the way of advertising square dancing during the past year," stated Bryan.

The retiring president cited limited financial resources in the association's treasury as reasons for a curtailed promotion program. He explained that association membership was only \$1.00 per couple and that members danced for 50 cents per couple at all Fifth Friday dances.

However, this year dues were increased to \$2.00 per couple with admission at Fifth Friday dances upped to \$1.00 per couple.

"This should allow a vigorous promotion and advertising campaign, particularly for new beginner classes," Bryan added.

"Here's wishing a very successful year for our new officers. I appeal to all clubs and callers to help support the West Coast Association to make this coming season the most successful on record," Bryan concluded.

September is the month for beginners' classes to get underway. . . recently announced classes on the West Coast include the following. . . St. Petersburg—Saturday, Sept. 12, 7:30-9 p.m.; Ox Bow Hall, Jim Pearson, St. Petersburg—Wednesday, Sept. 16, 8:00 p.m.; Grand Park Recreation Center, Bill Muench. . . Clearwater—Thursday, Sept. 17, 7:30 p.m.; Clearwater High School, Bill Muench.

Square dancing will be offered in New Port Richey on Tuesday nights starting Oct. 13. . . dances will be held at the Eastern Star Hall, Sunset Road, New Port Richey. . . Uncle Walt Went-

worth will provide the calling.

The Squares & Pairs of St. Petersburg's YMCA will resume club dances in September. . . calling on Sept. 4 and 18 will be J. P. Jett of Tampa.

The Clearwater T-Kuppers, a new square dance group, are meeting at Hillside Mobile Home Park, 123 Haines Rd., Clearwater, every Tuesday with Bill Muench calling.

The Dixie Swingers Club of Clearwater are meeting on second and fourth Saturdays at Searstown Community Hall. . . Bill Muench calls for the group.

The Suncoast Callers, West Coast Association, and the City of Tampa Convention Center have scheduled two days of square dancing Feb. 12-13 at the opening of the new Tampa Convention Center. . . 'grand opening' ceremonies will run for two weeks.

The July Inter-Club dance at North Blvd. Recreation Center, Tampa, was attended by nearly 200 squares. . . local callers Major Carter, Bill Muench, John James and J. P. Jett provided the program, with guest calls by Dick Randolph and Ernest Tillis. . . the next Inter-Club dance will be held Sept. 30.

Uncle Walt Wentworth, popular St. Petersburg Caller, is on an extended calling tour through the New England states. . . his itinerary includes 24 stops and he will call at the World's Fair on Sept. 15 before returning to Florida during the first week of October.

Sugar Coated Baby

BOW & SWING's Square of the Month for September introduces a "shuffle style" motion that will delight both dancers and callers. The name of the dance is Sugar Coated Baby, a Wagon Wheel (#104) by Don Franklin.

"I heard George Campbell doing this one recently and was very impressed with the novelty of the record," states Square Dance Coordinator Jay Fenimore of Hollywood. "The rhythm changes to shuffle style in the middle of each sequence and it was lots of fun dancing to this as well as noting the caller's change of pace."

Wagon Wheel recordings has incorporated an added feature in their records which should be of interest to callers. A strobe card is printed right on the label and turntable speed can be checked in an instant.

The called side of Sugar Coated Baby by Don Franklin is well done and is "smooth" all the way through, according to Fenimore.

Alameda left, the ladies star, men run around you go,
Alameda left, the men star, girls run around you know,
Alameda left your corner, right hand around your girl,
Alameda left, grand right and left, go around the world.
I'm just like a kitten, playing with string,
When I
do-as-do my baby, and give her a swing,
Promenade your lady, all the way around,
She's sugar-coated, all the way down.

Figure
Head (side) two ladies chain across, turn her with a left around
Lead to the right, circle four and you go half-way around
Dive through, pass through, split two, around one you go,
Into the middle with a right hand star, turn it once around.

Alameda your corner, do-as-do your own,
Back and swing your corner, you promenade her home.

She's as sweet as honey, all the way around
She's sugar-coated, all the way down.
Alternate break
Alameda left your corner, right hand around your girl,
The men star left, it's once around that world,
Turn your partner by the right, your corner by the left
Do-as-do your partner, then weave around the set.

"I HAVE had a number of requests to include 'progressive' and 'exploding' squares in our monthly workshop material in BOW AND SWING," reports Fenimore. "The following are some of the progressives and exploding squares I use regularly at club dances, as written by Ed Gilmore and myself."

Note: If you are presenting progressive or exploding squares to dancers for the first time, it is important to instruct them to do an automatic "California twirl" at any time they find themselves facing the wall on the outside and unable to execute the given call. Alignment of squares

both down the hall and across the hall also is essential.

Progressive: basic example.
Heads to the right, circle to a line
Pass thru, walk straight ahead, right and left thru
Two ladies chain, chain them back
Pass thru, walk straight ahead
Everybody cross trail, look for the corner
Alameda left

Note: This basic pattern may be expanded upon to any degree by using equivalents and varied basics in sending your key couples (using sight calling technique) all the way down the hall and back. This is especially good, too, when you have an odd number of squares and must confine your progression to a line of squares.

Another progressive.
Heads to the right, circle to a line
Pass thru, walk straight ahead right and left thru
Square thru 3/4, on the next
Star thru, do a half square thru
Walk straight ahead, right and left thru
Square thru 3/4, walk straight ahead
All cross trail, left allemande

More progressives . . .
Everybody California twirl
pass thru (those who can to new squares)
Four ladies chain, chain 'em back
Sides, right and left thru
Heads, right and left thru
Four ladies chain
All California twirl
Two ladies chain (wherever you can)
Same two couples, right and left thru
Two ladies chain again
pass thru (those who can to new squares)
Heads move on, right and left thru
Side two right and left thru
All California twirl
Pass thru, allemande left

Exploding Squares: Note that the same basic rules apply for exploding squares as for progressive excepting that the lines of squares must have like numbers in both directions; ie, two across and two down the hall, (total 4 squares) or two across, three, four or five deep, etc.

Or; three across by three deep, four or five deep, etc. In the case of two by two exploding, the result of exploding them will be one square in the center of the hall with a ring of dancers forming a wall around the outside.

Exploding square example:
All California twirl
Star thru—pass thru (to new squares in center)
Four ladies chain, chain 'em back
California twirl (active squares)
Star thru, right and left thru
pass thru, look for the corner
Alameda left

Another exploding square:
A1 California twirl
Square thru—four hands
Walk straight ahead (to new squares in center)
Four ladies chain
New Heads, right and left thru
New Sides, right and left thru
Four ladies chain
California twirl
Half square thru (to new squares)
Four ladies chain, chain 'em back
California twirl
Square thru, four hands (to new squares)
New Heads, right and left thru
New Sides, right and left thru
California twirl (active squares)
start thru, pass thru
allemande left

R/D Spectacular Upcoming for Jan. 17

ROUND DANCERS who plan ahead should make note of the upcoming annual Florida Round Dance Spectacular planned for Sunday, Jan. 17, at Sarasota's Municipal Auditorium.

Hosts and hostesses will be members of the Round Dance Council of Florida and the local All-A-Round club. Dance sessions will run from 2 to 8 p.m. with a short intermission for supper.

Various round dance leaders will demonstrate some of the old classics, and then will cue them for the rest of the dancers. Two current dances will follow each exhibition. Dancing will be continuous throughout the afternoon and evening.

Harold & Myrtle Eicher, dance coordinators for the Sarasota Recreation Department, will MC the event.

Helsel Featured At Callers Clinic

LEE HELSEL of Sacramento, Calif., will conduct the workshop, clinic and dance sessions at the annual meeting of the Florida Callers Association Oct. 30-Nov. 1 at Sarasota.

Dances are planned for Friday and Saturday evening, with the Saturday, Oct. 31 dance open to all square dancers.

The FCA's first session will begin at 2:00 p.m. Friday. There will be additional workshops Saturday morning and afternoon.

The annual meeting and election of officers is programmed for Sunday morning, Nov. 1. All clinic sessions and meetings will be held at the Holiday Inn, Sarasota.

Helsel is a recording artist with an excellent teaching background. He and his wife Mary began square dancing in 1946. Since he worked for the Los Angeles City Recreation Dept., it was natural that he learned to call and teach square dancing.

From 1946 to 1951 Helsel participated in the dance "caze" by averaging six nights per week of calling. In 1951 Lee accepted a job as chief of the rehabilitation services with the State of California at Sacramento.

New Bow&Swing Formatted Underway

(Continued from page 1)

Jenkins presented a list of procedures that he stated are necessary in the management of the state's conventions. It was his belief that in view of the tremendous increased attendance of recent conventions, that guide lines must be established to assure proper conduct of convention affairs.

Jenkins stated while the last two conventions were the first managed by area associations, and even though they were conducted in an excellent manner, there were indications that certain changes should be made in future activities. The convention conduct procedure plan was presented to the delegates for discussion within the area associations and will be voted upon at the annual meeting in October.

The suggested by-law revisions are also to be returned for action at the October meeting.

The afternoon session was devoted to the discussion of the Federation magazine. John Weber, managing editor of Bow & Swing was present and offered many ideas that could be developed to help increase circulation and revenues.

Jim Rankin of Sarasota offered a forceful presentation of the desirability of obtaining state and national advertisers. The necessity of having

increased advertising income was realized and plans will be made to establish procedures along the lines suggested by Rankin.

One of the main thoughts projected other than to increase advertising income, was that of providing adequate and proper news coverage. In discussion it was the feeling of the delegates that each area association should assume the responsibility of naming correspondents to arrange for the forwarding of news items pertaining to the club and association activities. Each delegate was urged to see that these representatives were appointed and became active.

Many other ideas were suggested; i.e., a Ladies corner, a column of Letters to the Editor, and new art front page in color, cartoons, etc. These news items will appear as rapidly as the necessary changes can be made.

It was also pointed out that photos are very desirable and are a great asset in news coverage. The meeting was informed that all photographs will be returned after use.

The help of all dancers is solicited by the committee by having club news items forwarded before the cut off date of the 10th of preceding month. If this is done there will be no difficulty in having an in-mail date of the 25th preceding.

Roundup . . .

(Continued from page 1)
cal Tourist Center. This is another event open to all dancers.

Ruy Camp of East Point, Ga., is booked at the Palatka Recreation Center, Ravine Gardens, for a Saturday, Sept. 19, dance. Another North Florida dance on Tuesday, Sept. 22, will see Bob Page calling at Lake City Armory.

The Daytona Beachcombers plan their Beachcombers Weekend for Friday and Saturday, Sept. 28-29, at Daytona's Riviera Beach Hotel. This dance, it is reported, is sold out and no tickets will be sold at the door. Dancers will follow the calls of Chuck Durant, Bob Rust, Harry Lackey and Fred Rowe.

The Tampa Dancers Association and the Sandspurs of Winter Haven plan to co-sponsor a Friday, Sept. 25, dance at Lakeland's Civic Center. Frank Bedell is slated to call.

Another Interclub dance is programmed at North Blvd. Recreation Center in Tampa for Wednesday, Sept. 30.

For Florida square dancers planning Fall vacations out-of-state, there are four events of special interest. The Jekyll Jamboree at Jekyll Island, Ga., is set for Sept. 17-19. Stuckey's Carriage Inn will be headquarters for all programmed dances and entertainment fun. Taking charge of the jamboree will be the Lackeys, the Eliases, the Chapmans and the Macks.

In the Blue Ridge area, the 4th annual Gatlinburg Hoedown is upcoming for Sept. 25-26. Site is the Civic Auditorium at Gatlinburg, Tenn. More than a half-dozen well known callers and round dance leaders will conduct the two-day program of squares, rounds and workshops.

Many Floridians are expected to fill the ranks of dancers at the Fun Fest and Swap Shop sessions at Fontana Village Resort, Fontana Dam, N. C. The Fun Fest is slated for Sept. 5-13 and the Swap Shop for Sept. 26 Oct. 4.

Both programs offer package deals for the entire family. The Swap Shop has a minimum registration of three days, but the Fun Fest can be attended for one or more days.

Many callers and round dance leaders are staff members at Fontana. Included in the Fun Fest program are the popular Ed & Kay Mack of Clearwater Beach. Other staff members come from Georgia, Tennessee, Alabama, North and South Carolina, and Ohio.
