Competitions Suggested for Square Dancing

WHY NOT put competition into squaredancing?

Although it has been officially frowned upon generally throughout the country, there is much publicity value in staging competitions for square dancers, round dancers, as well as every club and every caller.

Why not have prizes awarded at a banquet or some other appropriate function? It would indeed be an honor to be named the outstanding square dance couple in Florida.

Would you not be proud to be a member of the Number One club in the state? The top caller and round dance teacher would need larger halls to dance the additional dancers that such publicity would bring.

The rules should be simple. Anyone could pick a candidate. (In such a contest new dancers and club would have an advantage for they

are still busy exploring and enjoying this wonderful world of square dancing.)

Oh sure! We all know it would be impossible to hold such a contest. Everyone would have a candidate and be firmly convinced that their candidate should win. But what have we got to lose? For the next few weeks run your own personal contest. Best of luck for your choice.

Here are the rules: Give points for smiles, enthusiasm, friendliness, helpfulness, club spirit, attitude and any other attribute you think helps to make the ideal dancer, caller, club or instructor. Rate dancing ability last and least. Many times the older and more experienced clubs and dancers will rate lowest in the other categories.

Well, anyway, here's wishing you all the best of everything for the New Year.—FRANK CORNWALL.

More Space for 1965 Knothead Meet

THE FLORIDA KNOTHEADS Executive Board met on November 11th and re-elected all 1964 officers for the coming year. Jim Galloway has done such an outstanding job that he is again the chairman, Kay Mack, secretary, Helen Galloway, treasurer, Ed and Kay Mack, round dance coordinators and Bill 'n Ruth Muench, square dance coordinators.

Plans for the 1965 9th Annual Florida Knothead Convention in Clearwater are now underway. There will be almost double dancing space available in the Jack Tar Hotel and it has a wooden floor for better dancing. Since prices are sky-rocketing,

everyone will be happy to note that one of our favorite conventions has no increase in registration fees.

For all out-of-towners, there is a dance on Friday, September 3, 1965. This is free for all Knotheads, or those fulfilling necessary requirements to become Florida Knotheads, who come to Clearwater ahead of time for extra fun and wish to attend the local club dance.

TAMPA'S CURTIS HIXON Convention center will be officially opened with square dancing during the 1965 Square-O-Rama February 12-13.

Hollywood Dancer Heads Nomads; Red, White, Gold Badge Designed

HAVE YOU NOTICED one of the newer badges being worn around South Florida? It is a handsomely designed white on red, with a dancing couple in gold.

No city is their home, no hall is their own. A caller?—they have! His name?—he has many! One of the most common is, 'Hi Mitch.' In reality it is Ed Clark of Miami.

The Florida Nomads were the dream-child of 'Mr. Nomad,' Jim Kier of Hollywood. They came into being with a charter group from the Hollywood-Miami area. Since its inception, the membership has grown to other parts of the state.

The basic idea of the group is to travel as groups to different club dances. In order to be eligible to become a Nomad, a booklet of ten forms must first be secured from Jim Kier. These forms are then taken with you when you visit other clubs. The club caller or club president will sign one. After you visit ten club dances, no more than two a week, send the completed forms back to Jim Kier, who will see that a badge is sent your way.

Two Nomad dances have been held to date; one in August and one in October. The next dance will be a Nite Owl dance on the fifth Saturday in January. All area callers are being contacted to participate in what is building into a jamboree-type

all-niter, with Caller Ed Clark handling the M.C. spot.

Connie Clark of Miami says, "If we interest you—you join us. Come join us—we'll join you."

You Can Help !

HERE IS A "Do It Yourself Kit" to help get names on a petition to send the Postmaster General asking him to issue a "Square Dance Stamp." Cut the article below out of Bow & SWING and paste it on a page of writing material and ask your friends to sign it. Then send it to the Postmaster. Roughly 2,400 January Bow & SWINGS, 100 names on each petition, equals 240,000.

Postmaster General
John Gronouski
United States Post Office
Washington, D.C.

Dear Mr. Gronouski:

We, the undersigned Square Dancers and Friends of Square Dancers, do hereby urge and petition you to issue a stamp commemorating the art of AMERICAN SQUARE DANCING.

Square Dancing is our only truly American Folk Dance and is a heritage of our founding fathers—a most wholesome, healthy activity currently enjoyed by over six million active, fun loving American citizens.

If first day ceremonies could be arranged to coincide with the 14th National Square Dance Convention in Dallas, Texas, June 24, 25, 26, 1965, more than 22,000 dancers would purchase thousands of sheets on the spot —plus being pleased beyond words.

Your interest, consideration and compliance is therefore sincerely requested and appreciated. This stamp will be publicized in more than 100 Square Dance Publications in every area of the country. IT WILL BE A REAL WINNER!

(Additional news on pages 6 and 14)

THE WEST COAST Square and Round Dancers Associations are jointly sponsoring the "dry run" for the State Square Dance Convention in June at the Hixon Auditorium on February 12 and 13, so everyone keep these dates open and help make this a success.

The Florida Round Dance Spectacular on January 17 will be held in Sarasota's Municipal Auditorium from 2 to 8:30 p.m.

Harold and Myrtle Eicher, John and Betty Gammer, Byron and Louella Markle, and William and Bertha Leonard will be M.C.'s for the Spectacular, which is designed to promote round dancing throughout the state. "This big event will help to make Florida unsurpassed in the round dancing field," Mr. Eicher told Bow & Swing. Square dance callers and their wives are ex-officio Spectacular members . . . specially invited guests . . . identify yourself at the door and "you're in."

This is expected to be the largest "exclusively round dance" event ever held east of the Mississippi, he said, adding that last January almost 200 attended. There is also

available a balcony seating 350 at no charge; friends, relatives and kids are invited to come along.

□ February 12 and 13 are the dates for the 5th annual Squar-O-Rama Festival to be held at New Curtis Hixon Convention Hall in Tampa. . . this promises to be a real treat and Square and Round dancers throughout Florida are asked to help make this an outstanding affair. . . it will be a real trial run for the State Federation dance on June 17, 18, and 19, 1965. . . much work has been done by Chris Christopher, J. P. Jett, Ed Newton, Hink Smith, Ira Bivans and Matt Bryan programming this festival. . . all dancers are requested to make advance registrations as soon as possible. . . callers are requested to fill out information sheets and return quickly.

□ State Federation Square and Round Dance Convention committee meetings will be held in January and again in February during the Squar-O-Rama Festival. . . all dancers, callers and teachers are requested to begin talking about this convention in hopes of making it a huge success. . . get those reservations in early and don't forget the slogan, "25 in 65 - 2500 that is". . . all clubs who have not sent in names of their representatives should do so in order that they will be invited to the

Lakeland Held 6th Annual Holiday for Rounds

THE 6TH ANNUAL Holiday for Rounds, held at Lakeland, Florida on November 28th, was attended by dancers from all over the State, and from all appearances, everyone had a good time. Much thanks is due the Lakeland Convention Bureau for making the Holiday a success, especially to Mr. J. A. Brown.

Four dances were taught during the day. "I Remember you," on a Grenn label, was taught by John and Betty Gammer and "I Could Have Danced All Night," on a Grenn label, was taught by Paul and Delight Trent. In the afternoon, "Honeycomb," (December Round of the Month), on a Hi Hat label, was taught by Art and Dorothea Brammeier, with Clare and Frances Malhiot teaching the classic, "Blue Pacific," Windsor record. Several demonstrations were put on by the Trents, Phil Betts, the Markles and the Eichers, with Joe Johnson rounding out the afternoon by calling a Contra, just to give us a change of pace. Joe handled the Sound for the entire program.

At the afternoon meeting, election of officers was held and the following slate of officers was elected: Russ

Ayrton, President; Frances Junkin, Vice President; Ruth Curtis, Secretary; and Dorothea Brammeier, Treasurer.

John Jones gave a report on progress of plans to have a National Round Dance Leader or Teacher in Clearwater at our Spring meeting and Frances Junkin reported on the first meeting held for the State Convention, 1965, in Tampa. Two new members were greeted by the President: Bill and Ruth Fleshman, of Jacksonville, and Mildred Uterhardt of Tampa. Bill and Margaret Tuzynski attended as representatives of the West Coast Square and Round

Dance Association, Bill being the new Vice President for Hillsborough County, for this organization.

Those who stayed for the evening dance had a ball. There were those good squares called by Joe Johnson and during the evening the Simcic's from Orlando brought in their guest "C. C. Computer." While C. C. stood there and rolled and flashed his eyes, Joe did all the work, calling Computer Squares and a number of the dancers earned their Computer Badges. Those who did not dance this Square, sat around and waited for us to goof. (P.S. We did, but it was a lot of fun.)

LETTERS

Editor, **BOB & SWING**:

We would like to thank you for sending us issues of **BOB & SWING**. We found them most helpful in locating dances while on our vacation in Florida during August.

Sincerely hope we can repeat these dances and attend others at a future date.

EVELYN & LYLE SULLIVAN

Editor, **BOB & SWING**:

We attended the Square Dance Vacation Weekend in Hollywood sponsored by **Fenimore-Bedell Enterprises**. Everything went so perfectly and we had such a wonderful time we want your readers to know about it. The hotel's excellent accommodations, good food and excellent service combined with **Jay's** and **Frank's** calling made this a weekend to be remembered.

Hurry, Hurry

HURRY, HURRY, written by Dick Leger of Warren, R.I., and called on a flip record (Top 25090) is the January Square of the month. Dancers like it because it's a little different (ladies in, men sashay, by that corner go) and voted Coconuts a close second.

Figure:
Head two ladies chain across and couples one
Lead to the right and circle four, make a line, you see;
Go forward up and back with you and then pass thru,
California twirl and the same two ladies chain. (straight across)
The same four crossstrail, a brand new corner swing,
Join your hands and circle left, we've got a brand new ring,
*Ladies in, men sashay, by that corner go, Ladies in, men sashay, walk on your heel and toe,
Allemande left your corner girl, grand right and left the ring,
When you meet your lady fair, do so do and them,
Take your corner lady and you promenade her home,
You'll better hurry, hurry, hurry, hurry home! Break;
Four little ladies chain across and turn them left hand,
Join your hands and circle left, go walkin' round the town,
*Ladies in, men sashay, walk on your heel and toe,
Ladies in, men sashay, you go, man go!
Allemande left your corner girl, grand right and left the ring,
When you meet your corner lady, well, there isn't time to swing,
Promenade your honey, go walkin' right back home,
You'd better hurry, hurry, hurry, hurry home! (For vote in this, use "Men in, girls sashay, to the LEFT past one men, etc.")
Sequence: Figure twice (heads); Break; Figure twice (sides).
*Gents walk by corner (four counts) as ladies go forward to the center and back (four counts).

Eddie Gaut's Swing Back Star Thru is a modification of Swing Star Thru. Here are his instructions:

From a conventional Ocean Wave (two couples, men on the ends, alternate facing):
Girls let go in the center; right arm swing with the men, half way. Men, in the center, left arm swing, full around, going back to the same girl they just left to do a Star thru.
Upon completion, we have an exact equivalent to a full square thru. This movement may be substituted for any conventional square thru to give a new interest to old dance patterns.

By **EDDIE GAUT**, San Diego, Calif

Holman Judspeth of Detroit has this explanation for Spin the Top:

On the call to Spin the Top, facing couples, or lines, starting with a swing thru, turn opposite sides in the front half way around, and now the centers will swing by the left forearm three quarters around, at the same time the ends will swing one quarter, joining hands with the centers, ending up in an ocean wave position, in a line of four at right angles from the line they started in.
Left Spin the Top. . . The same as Spin the Top except that you start it with the left hand.

Junior Membership Details Given

PRESIDENT ED NEWTON of the FCA included several items in a news letter to members this month.

A set of requirements for "Junior" membership were adopted by the association. Junior members may not vote, hold office, or serve on committees, but otherwise receive all membership benefits.

At the November 1 meeting, the Education Committee recommended the F. C. A. Business meeting for June each year be held on *Saturday afternoon, 3 to 6 p. m.* followed by a "Dutch Treat" dinner. Whether the annual fall clinic will be held on the third weekend in October each year remains up to the executive board, which would appreciate comments from members, Newton says.

The State Square Dance Convention dates are June 17, 18, and 19, 1965, at Curtis Hixon Convention Auditorium, Tampa, Florida. The Hixon Auditorium will be used as a "dry run" on February 12 and 13, 1965. The Suncoast Callers Association and the West Coast Square and Round Dancers Association are jointly sponsoring the February Dance. All F. C. A. members are invited as guests for the "Dry-Run."

Liaison Officer Appointed to FCA and FFSD

VERN JOHNSON of Fort Lauderdale has been appointed as liaison officer between the Florida Callers Association and the Florida Federation of Square Dancers, it is announced by Ed Newton, president of FCA.

Other appointments announced by the new president include Joe Johnson, Windermere, chairman of the education committee, and Sam Prescott, Winter Haven, librarian.

"Joe will announce the members of this committee," Newton states. "Any request for material ads, books, beginner caller tips and tapes, and the like, may be addressed direct to Sam; they are available only to members of FCA on a no-charge basis." Other appointments will be announced as soon as confirmed.

In a letter to members, Newton called for the effective cooperation of all concerned to provide a worthwhile program for the year.

"You have elected a good board for 1964-1965 and we follow a board which has done an outstanding job," Newton says. "Some of their plans and projects are only partially completed, and we will be able to take advantage of the work they have done on such partially completed jobs and carry them out to completion. We plan to continue and put into effect a program which will enhance the image of the Association and to make it more worthwhile belonging to the F. C. A."

Gordon Blaum has been appointed as Square Dance Co-ordinator for the coming year. "Please fellows, let's all resolve to send material to Gordon. I am sure we *all* have been a little lax in the past." The material does not have to be original, just anything you come across and use yourself, and has favorable dancer reaction. Send all your ideas direct to the Square Dance Co-ordinator and be sure to give "credit" to the author, when know."

The Education Committee, has been requested to work through Dr. Ernest Bartley in an attempt to acquire the use of the Public Schools for square dancing functions. Newton said that there is now available a "faw badge" for associate members, which may be ordered from Colin Walton, 632 Riverside Drive, Palm Beach Gardens, Lake Park, Florida 33403.
