FFSD Year Closes, But Dancing Goes On and On

As the Florida Federation of Square Dancers official year of 1964-65 comes to a close, it is a good time to count our blessings and make New Year resolutions. What blessings you may ask? All you have to do is count the many happy hours of square dancing you have enjoyed the past year, plus the wonderful square dancers who have shared this pleasure with you.

If this is not enough, figure out what life would be without square dancing. Also remember that square dancing grows because dancers want to give something in return for the benefits they get from it. Florida's square dance population would double, even triple if each couple would bring another couple to beginners class. I said triple for we have good folks that just naturally do more than is asked of them.

As Marion and I count our blessings this year, we think of all the new friends we have made as well as our old friends that we have met and danced with throughout the State. It has been a privilege to work with the officers of the Florida Federation of Square Dancers and the regional Associations.

Square dancing has had a good year in Florida and will continue to grow and prosper as long as it is fun for the dancers. Some dancers get their kicks from all the new experimental material, others like to take a slower pace. Let's not knock the other fellow's pleasure—you may join his crowd some day.

Let's join hands and circle left, circle right, circle left, circle right, look Ma I'm doing the twist. Have fun.

—FRANK CORNWALL

SEPTEMBER 23 is a day which club officers, dancers and delegates to the Florida Federation of Square Dancers should mark on their calendars as "very important." That's the day of the FFSD election meeting in Orlando.

The event is set for the Robert Meyer Motor Inn beginning at 2:00 p.m. The meeting is open to all square and round dancers.

Important business will be taken up at the meeting, including the election of new officers for the FFSD, voting on the Federation charter, and discussing plans for the 1966 State Convention. Officers, leaders and dancers are urged to bring their problems and their reports of successes.

Roundup of Events for October:

Fall Season In Full Swing This Month

SQUARE DANCING will get a real lift this month from beginners who are getting into the swing of things through their classes and drop-outs who are being encouraged to return to active dancing. And there will be dances galore all over the state to keep dancers busy and enthusiastic throughout November.

One of the month's most exciting events will be the NEFSDA Fall Roundup with Johnny Creel at the Jacksonville City Auditorium. The event will get off to a blast-off beginning with a dance called by visiting and Northeast area callers the evening of November 19. The following morning a program for teens and children will be followed by dancing for everyone and a hot hash session. The afternoon of the 20th a round dance workshop will precede a workshop of squares with Johnny Creel. At 7:45 that evening a grand march will begin the dance called by Johnny Creel. An afterparty will wind up the evening.

A second Northeast event of interest is the Grand Slammers' Thanksgiving dinner and dance with John Saunders November 24. This affair will feature a menu of ham, chicken and beef in a dinner that begins at 6:30, to be followed by dancing at 8:00.

Central Florida will see the Round Dance Council hold their annual meeting at Kissimmee November 14, with Cliff and Lorraine Hendricks as chairmen. Round table discussions, a Latin American workshop, and an evening dance will be the order of the program. Popular round dance leaders from all over the state will attend, including Joe and Nancy Johnson, Jim and Noriene Pearson, Arthur and Dorothea Brammeier, Russ and Mabel Ayrton, John and Betty Jones, Ed and Kay Mack, Fran and Verne Junkin and many others.

Down Southeast way the Fort Lauderdale Rhythm Squares will present Frank Bedell and Jay Fenimore on the 13th, and the Miami Sun Dancers have booked Colin Walton, Frank Bedell and Eric Sohn for a gala evening November 14. The Sundancers' affair is set for the Surfside Community Center at 7:00 p.m. Tickets

Square Dance Week Activities Net Publicity All Over the State

FROM JACKSONVILLE to Miami, Florida Square dancers put on their dancing shoes to promote their favorite hobby during Square Dance Week.

As soon as Governor Burns signed the proclamation which made the first week of October official Florida Square Dance Week callers, club Presidents and Association officers put on their thinking caps to come up with ways to tell people about square dancing.

In Miami caller Colin Walton and National Association Executive Committee member Harry Moore were guests on WIOD's Larry King show. Larry King interviewed both Colin and Harry, asking them question after question about square dancing. Colin called "King of the Road" for the audience, and Harry talked for several minutes about square dancing in general.

Jay Fenimore gave square dancing in the Southeast area a big boost by calling for a crowd of over 1,000 people at the City Bandshell. Area dancers put on an exhibition which was received by the enthusiastic on-lookers.

Newspapers in Fort Lauderdale and Hollywood carried publicity items about square dancing in Southeast Florida.

The NEFSDA kicked off Square Dance Week with a bang on Monday, October 4 when approximately 450 square dancers from the surrounding area qualified for their Flattop Badges by dancing on the carrier Shangri-La as guests of the Navy at Mayport. Dancers from as far away as Eustis and south Georgia participated in the gala party. Acting on a suggestion from Mary Keiffer, Association President Wally Lightfoot, assisted by retired Navy Commander Bill Flesman, contacted Navy authorities several weeks before the event and obtained permission for the party from the officers of the Shangri-La.

Several skits were put on by various clubs under the direction of Mary Keiffer; some of the participants were crew members of the carrier. Dancing was on the hangar deck with calling handled by Herschell Lee, Floyd Hazen, Bill Camp and Bob Reynolds. The Navy served lunch to the participants. All of the dancers as well as the large number of crew members who watched the dancing agreed that it was a very

enjoyable evening.

On October 7 a square from Fun and Frolics appeared on the WFGA TV's "Today in Jacksonville" show, with Jack Griffiths doing the calling. Bill Flesman was interviewed by Ed McCullough and Warren Hull.

Square dance clubs in Lakeland celebrated Square Dance Week with a joint exhibition dance at the Seastown Shopping Center. Mel Clark, Howard Parrish, Bill Williams, and Phil Reed called for the group. Lakeland's lovely mayor Lois Searl proclaimed Square Dance Week in Lakeland and was awarded a certificate as an honorary square dancer.

Clubs participating in the exhibition were Buttons and Bows, Pals and Gals, Red Hot Trotters and Moosehead Squares. Club presidents

Fall Roundup Plans At the Popular

By Virgil Green

THE SITE was the Pythian Center in Jacksonville, the caller was Bill Camp and the date was November 13, 1954 when one of the oldest square dance festivals in Florida came into being. On the program that memorable year were such numbers as "Take a Little Peek", "Birdy in a Cage", "Arkansas Traveler" and "Smoke on the Water". How many dancers of today could go through these? Round dances included Black Hawk Waltz and Jessie Polka. There were 153 dancers in attendance at this first Fall Round-up. In subsequent years this quickly grew to over 250 dancers from South Georgia and North Florida.

In 1955 and 1956, the second and third Roundups were held in the Jewish center and featured callers from a large surrounding area. Both of these dances were under the leadership of Bill Camp who along with his law Nora have done much to promote square dancing in the Northeast area.

In 1957, Bill Camp turned the Roundup over to the Northeast Florida Square Dancer's Association, which had just come into existence. This dance also featured area and visiting callers as programmed by Bart Bartley and M.C.'s Al Hixon and George Hoyt. The Northeast Florida Square Dancer's Association

of the groups organized the dance and arranged for county-wide newspaper and radio publicity. Twelve squares of dancers showed a traffic-stopping crowd that square dancing is fun.

Up Tallahassee way a city-wide Square Dance Week was proclaimed by the mayor, and the Dixie Federation Fall Dance climaxed the week's activities. Bill Wilson, who hails from Aiken, South Carolina and who has won fame at Jekyll Island, called for the event. The dance was held in the Florida State University Ballroom.

Plans are even in the making for next year's Square Dance Week. At a recent meeting of the West Coast Association, Walt Stoltz, Matt Bryan and Chuck Johnson recommended to the group that a coordinated effort be made to hold area festivals next fall to publicize square dancing in every part of the state. Tentative date was set for September, 1966.

Prompt a Look Event's History

has either by itself or in co-sponsorship with the Northeast Florida Caller's Association had the responsibility for the Roundup ever since.

In 1958, a departure from the traditional dance with area callers came as Jim Pearson called the dance in the Garden Center. However the three Roundups in 1959-61 were again handled by area and visiting callers.

In 1962, the Roundup was moved to its current site in the Exhibition Hall in the City Auditorium. This dance featured Jack Jackson and attracted 45 squares, the record attendance to date. In 1963 and 1964 the callers were Louis Calhoun and Ed Merrick respectively.

With the exception of a couple of years, most Roundups have been held on the weekend of the Georgia-Florida football game as a tie-in to give square dancing football fans a chance to get together for a big dance after the game. However, this year, which will mark an even dozen consecutive years for this festival, it was felt another date would be more satisfactory to give the area more flexibility in obtaining callers, etc. Therefore the date this year will be November 19-20.

The N.E.F.S.D.A. Fall Roundup had a long and successful run and this year promises to be the best yet.

Dance Council of Florida. Text of the article follows:

The round dance council of Florida is a busy group of people. Its activities include participation in area and state square dance conventions and festivals; the sponsorship of an annual leaders and callers round dance clinic; a Holiday for Rounds, held each year in a different section of the state with the thought of stimulating interest in rounds (This year's "Holiday" will be held next month in Kissimmee); monthly meetings of leaders, callers and dancers to select a Round of the Month; and a current project to work closely with the Callers Association to provide workshops where the callers may learn techniques for teaching rounds in their classes. Yes, it certainly can be said that this is an up-and-doing group.

Obviously the Council is fulfilling its purposes as stated in its Constitution (1) To promote and correlate American Round Dance activities in association with, as well as in addition to, Square Dance activities in the State of Florida; (2) To act as a clearing center for the receipt and dissemination of current Round Dance news, information or any items of interest to Round Dance teachers and leaders; (3) To foster and promulgate a spirit of friendliness, cooperation and non-competitiveness among leaders and participants in Round Dance activities; (4) To encourage and provide motivation and sponsorship for both area and state-wide participation in Round-ups, Festivals and/or Conventions, both in connection

The officers of the Council include a President, Vice President, Secretary, Treasurer and Board of Directors, the latter consisting of the former officers and the immediate Past President of the Council. Officers are elected for one year and take office at the annual Fall meeting. Elections are handled by a majority vote of those present and voting, with no mail ballot allowed. All officers, with the exception of the President, may succeed themselves in office.

Membership in the Council is available on three levels: Active Membership (limited to persons currently engaged in the instruction and leadership of round dancing); Honorary Membership (awarded to persons the Council wishes to honor for their contributions to the growth of round dancing — such persons not necessarily to be a round dance teacher or leader); Associate Membership (extended to persons not actively engaged in the instruction and leadership of rounds but whose qualifications and/or interest would assist in achieving the purposes of the Council). Only Active Members are eligible to hold office and vote. In order to maintain this membership, persons must attend at least one of the 4 yearly meetings of the Council. Annual dues for Active and Associate Members are \$2.50; no dues are assessed to Honorary Members.

Of particular interest in the paragraph of the Council's constitution entitled: Ethics. It reads, "Members of this Council bind themselves to maintain high moral standards and to act in accord with the highest ethical practices of professional persons."
