Message from the President:

Conventions Have Value

WE HAVE spoken before in this column of the American penchant for organization as it applies to square dancing. Part of this love of organization is the habit of gathering together in periodic conventions to discuss mutual problems and have a little fun while doing so. In square dancing, this desire is reflected in our area, state and national festivals and conventions. On June 17 and 18, Florida dancers will be gathering in Orlando for their version of the annual convention.

I have heard dancers ask why do we do this and of what use are conventions anyway? There is no one answer to this question. Part of it is certainly found in our love of meeting together and talking out the problems that beset the movement. Americans are a free people and their desire to communicate with one another is part of that freedom. Out of this exercise of communication comes a lot of useless wind, yet often out of all of that wind comes something good, whether it is in politics, business or square dancing.

Out of this communication comes the invaluable contribution to square dancing of the formation of new friendships. We get to know one another better, not only as square dancers, but as people; and when we know a person it usually results in including him as a friend. Dancers who have never been to a convention will probably find this experience of making new friends the most rewarding of all at the convention. However, a word of caution at this time is that you will not be able to accomplish this aim if you gather in one corner of the hall with dancers from home and spend the convention with them. Only by mixing with dancers from all corners of the state can you make new friends. You will come away from the convention physically tired from the dancing but at the same time you will be rejuvenated in spirit from the good times you will most certainly have had.

For those who have been to conventions in the past comes the additional joy of renewing old friendships as well as forming new ones.

All of you will be able to dance to the finest callers in the state—and Florida has some of the best. They put in many hours to teach us to dance in classes and in clubs throughout the year and individually and through their organization, the Florida Callers Association, make this convention possible.

State Convention To Blast Off June 17 and 18 in Orlando

ALL SYSTEMS are go for the State Square and Round Dance Convention in Orlando June 17 and 18.

Registrations are pouring in, dances and callers have been programmed, committees have been working together smoothly, and all that remains is the most difficult task of all—the dancers must wait until the big weekend.

The scene of all the dancing activity will be Orlando's Exposition Park, known to most area residents as the fairgrounds. Exposition Park is located downtown Orlando.

Registrations Pass 600 Mark

Advance registration chairmen

Al Cody, here with his wife Dorothy, is general chairman of the 1966 State Convention.

Bob Brown, president of the Central Florida Association, is acting as liaison with Orlando officials in planning the Convention. Bob is shown with his wife Bette Jane.

George and Helen Everett of Maitland said that by May 22, 650 paid Early Bird registrations had been received. George Everett commented that this was possibly the largest number of early bird registrations ever received for the convention, and that attendance at the 1966 affair might easily reach the 2500 mark.

Although the date for making early bird registrations has passed, dancers are being urged to make advance registrations now. Headquarters hotel is filled so dancers should indicate preference of other hotels, he said.

Square Dance Program Gets OK

The Florida Callers Association Executive Board met April 24 to put the finishing touches on the program of square dances for the convention. Committee members Joe Johnson, Mel Clark, Colin Walton and Joe Johnson assigned callers "spots" on the program, following the pattern used successfully at past conventions.

During the daytime, three square dance areas will be in full swing: a fun-for-everyone section, a hot hash group, and a teen section.

At the trail dance on Thursday evening, and the Friday and Saturday night dances, two callers will handle each tip. Each tip will be followed by a round dance.

Round Dance Programs are Set

Round dancing will have full emphasis during the convention and round dance chairmen Lora and Ray Bookmiller have provided special MCs for the evening dances as well as leaders to staff the three halls with morning and afternoon instructional sessions to satisfy needs of beginners, fun level dancers and advanced dancers. In addition MCs will be provided for the teen hall to provide music for request rounds.

New dances will be taught by Mildred Uterhardt of Tampa, Bill and Ruth Fleshman and Helen Crout of Jacksonville, By and Lou Markle of Venice, Bill and Joe and Ruth Curtis of Orlando, George and Helen Everett of Maitland, Art and Dorothea Brammeier of Melbourne, Harold and Myrtle Eicher of Sarasota, Hazel Armstrong and John and Betty Gammer. The Armstrongs have con-

Florida Federation of Square Dancers President Virgil Green and his wife Elsie will be top FFSD officials attending the convention.

Joe Johnson, president of the Florida Callers Association, heads up the committee of callers for the convention.

Round Dance Council President Bill Fleshman and his wife, Ruth, will attend the Convention.

sented to present a demonstration of Sunset.

The beginner program will be held in the Chess Club room in the building adjoining the Exhibition Hall. Two sessions on waltz basics and two sessions on two-step basics are programmed.

The advanced rounds will be presented in the Bridge Club room near the Exhibition Hall, and the easy rounds are programmed for the parquet-floored city auditorium across the street from the Exhibition Hall.

Ray and Lora Bookmiller will coordinate all round dance timing on Friday, and Tom and Sue McRorie will serve as coordinators on Saturday.

Exhibitions and Extras Planned

A program of exhibitions for Friday night has been announced by chairman C. J. Coladonato. The program will feature demonstrations by the Orlando clogging group, Floyd Hazen's Young Folks quadrille, the Square Wheelers of Miami and the international folk dance teams directed by Ann Robinson of Orlando.

A second extra in the planning stages is an unusual method of transportation between the dancing and the hotels. A committee is trying to arrange for a horse drawn buckboard to take the dancers back and forth.

The Orlando chapter of the American Red Cross has agreed to man the first aid stations.

T.V. Highlights Publicity

Convention publicity will get a big boost when square dancers and callers appear on WLOF television, Channel 9 in Orlando. May 26 a group of dancers and caller Jack Jackson of Maitland will appear on the Bill Herson Show at 7:30 a.m. A second television appearance for dancers and a caller is set for June 16, also on the Bill Herson Show.

Making arrangements for the television appearances are publicity chairmen Ed and Joan Sincic.

Suppliers to Stage Exhibits

In addition to dancing, visitors to the convention will have an opportunity to see displays by square dancing supply stores. The exhibitors will be housed in Building B at Exposition Hall.

Store owners interested in staging an exhibit should contact Barton at 106 East Church Street or telephone 241-4581 in Orlando. B. E. Purcell Company, Orlando, will provide state decorations in the Exhibition Hall.

For those who have not registered

in advance the procedure will be only slightly complicated by the need for collecting money and making change.

Tickets are available for Friday only, Saturday only, daytime only, and for the complete program.

Easy Routes to The Convention

THE DRAWING above is a diagram of Orlando's principal streets, not a complete map. Its purpose is to show the main routes into Orlando and the Convention site and to the headquarters hotel, the Robert Meyer.

The main routes dancers will be using to drive to Orlando are highway 50, highway 441, highway 17-92, and Interstate 4, the limited-access expressway. Dancers driving up from the Southeast on the Sunshine State Parkway can exit at the Orlando South exit (between Kissimmee and Orlando), drive north on 17-92, and enter Interstate 4 as they near Orlando.

Downtown Orlando begins east of Interstate 4. Orange Avenue is the "main street" and is a one-way street going south. Magnolia Avenue, downtown Orlando's second principal street, is a one-way street going north.

Fifth Friday Dance With Bedell Is Bang Up Affair at Lakeland

THE ENTHUSIASTIC crowd at the West Coast Association's April 29 Fifth Friday Dance almost didn't let caller Frank Bedell quit, reports correspondent Larry Clevenger. Bedell finally ended the evening on a high note with "Saints Go Marching In."

OVER 35 squares from the Northeast area were in the swing at the Fifth Saturday Northeast Association Dance in the Lake City Armory. Rod Blaylock from Georgia handled the calling duties, giving the group an evening of smooth dancing.

The next association dance is set for July 30 in the air-conditioned Mayflower Hotel Ballroom. Bob Reynolds of Jacksonville and Dick Gonzales of High Springs will do the calling. The event will be a farewell appearance for Reynolds, who expects to be transferred by the Navy during August.

Square dancers in the Northeast have expressed concern over the illness of popular caller Herschell Lee of the Friendly Frolics. Late reports from the hospital indicate that he is progressing satisfactorily, but will be unable to work or call for several weeks. Current club plans have Frank Clements and Myron Samson filling in.

Carl Law, association president, has announced that plans will be discussed to schedule open air dancing at Dallas Thomas waterfront park during the late summer in an effort to give publicity to square dancing and spur attendance in fall classes.

Other plans call for obtaining space at the Greater Jacksonville Fair for square dancing exhibitions.

The *Grapevine*, Northeast Association publication, will join the computer age. Carl Law has announced that printing of address labels will be

done on IBM computer equipment.

□ The third weekend in October has been set for a special event in St. Augustine. . . . **John Saunders** and **Oscar Erwin** plan to hold a two-day affair October 14 and 15. . . both callers hail from Daytona Beach.

□ June 4 and 5 has been slated for the **Friendly Frolics'** family outing at Camp O'Leno. . . the Jacksonville club recently held its Miss Friendly Frolics contest, with so many "lovelies" vieing for the title that the judges were hard put to choose the finalists. . . after much head-scratching, the following winners were selected: Miss Friendly Frolics, Dexter Hughes; first runner-up, Carlton Pierce; second, Ronnie Nelson; and third, Jim Smith.

□ **Fun and Frolic** club members celebrated the club's tenth anniversary in March. . . twelve squares attended and saw Bill and Ruth Fleshman crowned King and Queen of the dance. . . runners-up were Aliette and Reggie Register and Frank and Marge Parker. . . a highlight of the event was a skit. Lost and Found: \$1130

Dear Editor:

Please print a correction of your statement on the back page of Bow & SWING (April issue, Letters to the Editor) saying "a check for more than \$120.00 will be sent to . . ."

It should have read more than \$1250.00. People want to know what happened to the other \$1130.00!—**JIM KIER**, Southeast Association President.

(Jim's lost \$\$'s were collected at the Keokuk Swing Ezy Benefit Square Dance held Sunday afternoon, February 6 at the Tiger Den in Fort Lauderdale. The money was sent to the disaster fund in Keokuk, Iowa.—Ed.)

We Get 'Thank You's'

Dear Editor:

The Allemanders were so surprised and pleased to see their past presidents on Bow & SWING's cover (April issue) and the nice writeup inside. Thank you so very much.—**DORIS STONE**, Melbourne Allemanders,

(Bow & Swing is happy to honor the Allemanders—and any club—who have weathered ten years and are still going strong.—Ed.)

Dear Editor:

I'm real pleased that you selected one of our numbers to appear in your fine page of fashions in the May issue. Thank you. I appreciate it.—**BILL BETTINA**, Miami.

Dear Editor:

Thank you for the May issue. Sure looked good!—**ROSE FLASH**, Punta Gorda.

(Rose is the wife of caller Jeff Flash who is conducting the square dance programs at Port Charlotte "U".—Ed.)

Clubs Can Sell Copies

Dear Editor:

Thank you for your words of welcome.

Many of our guests are winter visitors. As many conversations end with "It's in Bow & SWING," the inevitable question comes up, "Where do you get it?" As these people are

not here long enough to use a subscription yet want to know where to dance while here, may we have 10 or 15 copies each month to sell at our regular dances? At what price, please? This is to accommodate our guests and, of course, the full price will be forwarded to you. Sincerely—**BERTHA KIRKEY**, Deerfield Beach Crosstrailers.

(Copies of Bow & Swing may be sent to clubs for sale at 25 cents a copy. At the end of the month, money collected from the sales and covers of unsold copies should be sent to Bow & Swing. Requests for a definite number of copies should be sent to Circulation Manager Marie Berry.—Ed.)

Information Requested

Dear Editor:

Haven't written to Bow & SWING in some time. Have been thinking about an idea for several weeks, so I thought that you might be the one to bring it out and see what response we get.

Bow & SWING has come a long way since Cody Publications first began publishing the monthly edition. However, we do know that there are a few local publications that are published throughout the state. Wouldn't it be an interesting item to get into the state mag and let the dancers know there is more than one source of information. I think it would be real interesting to ask that anyone having such a publication send the name and address to be written up in one of the coming issues of Bow & SWING.—**NORIENE PEARSON**, Ox Bow, St. Petersburg.

(A good idea! Bow & Swing would be interested in hearing about publications and regular newspaper columns.—Ed.)

Banner Stealing Rules

Editor:

Would you please send us the official rules on club banner stealing? I have read them in a back issue of Bow & Swing but have been unable to find them after looking thru back issues. We would certainly appreciate it if you could send us this copy. Thank you so much. — VIRGINIA WHITESELL, Capital Squares, Tallahassee.

(We looked through quite a few back issues of Bow & Swing, too, and finally found the banner stealing rules in the April, 1964 issue. They were originally sent to us by Mrs. Charles Kuhn of Cocoa.)

1) Banners are not to be reserved for any visiting club.

2) Banners to be taken by the visiting club with first full square attending or representing their club in cases where two or more clubs come to steal your banner. Make your presence known immediately. Sign in.

3) In order to steal a banner, one or more squares shall attend your club dance for the evening.

4) A couple who belongs to two or more clubs cannot represent one club and steal from another club to which they belong.

5) Clubs may not call ahead to find out if banner is available. And no reserving.

6) All clubs should have but one banner to be stolen.

7) In cases where a club travels a distance of 30 miles or more one way to steal a banner and the banner is stolen by a local club, the traveling club should be given an I.O.U. or a secondary banner. Only in this case should a club have more than one banner out.

8) A secondary banner would be considered a traveling banner which could be taken only by a traveling club referred to in paragraph 7. In other words, a club can have one banner for the local clubs to steal and one banner for the traveling clubs to steal, but no more than one for each case.

9) A club can steal a banner or retrieve a banner on a visit to a club, but not both at the same time, it takes a visit to steal and a visit to retrieve.

10) If you are going to be a thief, be a good one and abide by the rules. What is fair for one club should be fair for all clubs participating in the art of being a good thief or banner stealer.—Ed.

Lasry suggested that the callers form a committee to evaluate all the basics currently being danced and classify them according to degree of difficulty. . . open dances could then be advertised as specific level dances in terms standard throughout the area. . . **Colin Walton** conducted an open critique of the newer singing calls, with the callers dancing to get the feel of the calls. . . it was decided to hold the May meeting on the 15th.

Ed Newton, Colin Walton and Bill Beattie posed for cameraman in the Matador Room at Lehigh Acres.

Heartaches

Bow & SWING's Round of the Month for June is a cute, swingy little number that the dancers seem to like very much. Heartaches was written by Lee and Rita Kenney of Hazardville, Connecticut, and is recorded on a Decca label 25642. The flip is the popular Velvet Glove.

Position is opening facing, with man's back to the center of the hall for the introduction. Footwork is opposite, directions for the man.

June to See State Convention

THE STATE Square Dance Convention at Orlando the 17th and 18th dominates the June dance calendar. Many clubs have written to say they have cancelled their dance for the week to encourage members to attend the state-wide affair.

A quick look around the state's calendar sees such events as the Pan Am SqAirs Jamboree in Miami with Frank Bedell, Jay Fenimore and Ted and Lois Mack. One Central Florida dance expected to attract many visitors is the Flying Eights' Joe Johnson dance at McCoy Air Force Base. This will be the new club's first "big dance" venture.

On the West Coast, June may see the Lakeland Square Dance Center become the scene of a series of Fifth Friday Dances.

Northeast clubs will be continuing their weekly programs, possibly blessed with cooler weather than the rest of the state will have.

The month's most publicized event in the Northeast will be the 14th Square Dance Festival at Pensacola Auditorium, expected to draw a big attendance.

Nationally-known callers and instructors who will appear at the event are Johnnie Wykoff and Johnny Barbour, and Carl and Clare Bruning. The festival gets underway June 24 and ends June 26.

President's Message

(Continued from page 2)

For the round dancers, you will find the best in this field also. The Florida Round Dance Council along with the other two organizations, the Florida Callers Association and the Florida Federation of Square Dancers go all out to provide the best for you at Orlando.

You will see colorful clothes on display, fine exhibition dancing and perhaps learn a new basic or two but these are an incidental part of the picture. The real values are in the making of new friends and renewing old friendships. These are basic to all square dancing, and are available to all in Orlando. Hope to see all of you there.

—VIRGIL GREEN, Chairman
