## Letters

I WOULD like to mention that last month's figure "Curlique" was incorrectly spelled—not by your coordinator but by whoever gets the material ready and printed up at Cody's. I wish whoever gets the copy ready would accept the spelling of square dance terms set in and not change them because they "appear" incorrect. Curique is always spelled with a Q not a C.—Jack Lasry.

*A great many liberties have been taken with the English language by sign painters who made it BAR B Q instead of spelling it properly (BARBECUE) that Cody's proofroom and office style manual require changing of BARBECUE and other crudities to conform to the style. After consultation it was agreed that "curlique" should be pronounced CURLY-CUE and if so should not be spelled to rhyme with "physique." We'll admit our fight should be with the original author who has the right to spell his proper name any way he wants to.*

THROUGH *Bow & Swing* I would like to thank all the dancers who attended the benefit dance held in my behalf. My special thanks to the callers of the SEFCA who gave of their time and talent to make the dance the huge success it was.

I have finished with the cobalt treatments and have been back to work, and back to square dance calling since the middle of the month. I feel I am on the road to complete recovery and it has been made much easier through the prayers and assistance of the many friends I have in the square dance world. —Johnny Walter, Marathon.

# Joe Curtis to be Honored in Orlando With Appreciation Dance March 31

THE MARCH 31 Joe Curtis Appreciation Dance, sponsored by the Orlando Western Square Dance Council, will give dancers an opportunity to honor this veteran caller.

Area callers will participate in dance to be held at the Orlando Municipal Auditorium.

Curtis celebrated his 74th birthday last December. He and his wife, Ruth, have been married for twenty years. He has one daughter, Mrs. Carl Horwich, who lives in Bedford, New York with her husband and two children.

Beginning his long career in square dancing in Oklahoma City in 1943, Curtis called at American Legion Saturday night barn dances. He learned to dance in 1944 and called for clubs and taught classes until 1954. He and Ruth then moved to Tennessee where he continued to call and teach there, as well as in Arkansas, Mississippi and Alabama. They came to Florida in March, 1957.

He helped to organize square dance clubs in Sanford, Winter Park and Orla Vista, turning out some of the most qualified dancers in the state. With Ruth's help, he has also taught round dances for the past 15 years.

In his earlier calling years, Curtis attended callers' clinics in Texas and New Mexico; attended and participated in several national square dance conventions.

For several years Joe has suffered with duodenal ulcers. In January of this year he was hospitalized for surgery and spent five weeks in the hospital. Back at home now, he is doing well, learning to eat again and has just been allowed to return to his bookkeeping job for a couple of hours a day.

All square and round dancers who wish to show their appreciation for all the hard work and time that Curtis has devoted to their favorite pastime won't forget the date, March 31, and be on hand to wish him a speedy recovery.

## Arky Stars to Publish State Directory

THE ARKY STARS Square Dance Club of Satellite Beach, have found a need for a Square Dancers Directory and feel others may have also. They would like to hear from other dancers on the subject.

In their traveling from dance to dance around the state, it has sometimes been difficult to contact members of the clubs they wish to visit in advance, for directions, etc.

*Bow & Swing* publishes its Where to Dance column, of course, but not individual members, and the names published are not always easily contacted.

Arky Stars are offering to attempt publishing such a directory. It would contain the names of officers and members of a club, their addresses and phone numbers, location of their dances, nights they meet, time, caller and his address and phone number, as well as any annual club events. The "Stars" would like to know if dancers would support this by purchasing a book for about \$2. The directory would give the club publicity by listing it.

Club and dancers wishing to support this venture for the convenience of all dancers are requested to send the above information (and any information they may also have on other clubs or members) to Pat Harris, P. O. Box 2608, Satellite Beach, phone 773-2267.

# Will All Squares Please Stand Up?

By Paul Harvey

"SQUARE," ANOTHER OF the good old words, has gone the way of "love" and "modesty" and "patriotism."

Something to be snickered over or outright laughed at.

Why, it used to be that there was no higher compliment you could pay a man than to call him a "square-shooter."

The adman's promise of a "square deal" once was as binding as an oath on the Bible.

One of those admen, Charles Brower, says he's fed up with this beat generation distorting and corrupting our time honored vocabulary.

Some of what I'm going to say next he said first, but I second the motion.

Today's "square" is a guy who volunteers when he doesn't have to.

He's a guy who gets his kicks from trying to do a job better than anyone else.

He's a boob who gets so lost in his work he has to be reminded to go home.

A square is a guy who doesn't want to stop at the bar and get all juiced up because he prefers to go to his own home, his own dinner table, his own bed.

He hasn't learned to cut corners or goof off.

This creep we call a "square" gets all choked up when he hears children singing, "My Country, 'tis of thee . . ."

He even believes in God—and says so—in public!

Some of the old squares were Nathan Hale, Patrick Henry, George Washington, Ben Franklin.

Some of the new squares are Glenn, Grissom, Shepard, Carpenter, Cooper, Schirra.

John Glenn says he gets a funny feeling inside when he sees the flag go by. Says he's proud that he belonged to the Boy Scouts and the YMCA.

How square can you get?

A square is a guy who lives within his means whether the Joneses do or not, and thinks his Uncle Sam should, too.

He doesn't want to fly now and pay later.

A square is likely to save some of his own money for a rainy day, rather than count on using yours.

A square gets his books out of the library instead of the drugstore.

He tells his son it's more important to play fair than to win. Imagine!

A square is a guy who reads Scripture when nobody's watching, prays when nobody's listening.

A guy who thinks Christmas trees should be green and Christmas gifts should be hand-picked.

And he wants to see America first—in everything.

He believes in honoring father and mother and "do unto others" and that kind of stuff.

He thinks he knows more than his teen-ager knows about car freedom and curfew.

Will all gooney birds answering this description please stand up? You misfits in this brave new age, you dimly disorganized, improperly apologetic ghosts of the past, stand up!

Stand up and be counted!

You squares . . . who turn the wheels and dig the fields and move mountains and put rivets in our dreams.

You squares . . . who dignify the human race.

You squares who hold the thankless world in place. END

## DiLido is Convention Headquarters

TIME for the 15th annual Florida State Square and Round Dance Convention is drawing closer. Dates set for this year's fling are June 13, 14 and 15 in Miami Beach.

The DiLido Hotel will be headquarters for all square and round dancers planning to be on hand for the convention that seems to surpass itself each year.

Registration fee is \$2.50 per square dancer before May 15, after which it will be \$3. There can be no cancellations or refunds after that date—and no charge for children who do not square dance (but they must all be registered).

Checks for registrations should be made payable to 15th Annual Florida Square Dance Convention and mailed to William Martin, 6819 S. W. 15 Street, Hollywood.

Hotel reservations may be sent to the DiLido Hotel, Lincoln Road Mall and Collins Avenue, Miami Beach, or any of the others participating in the convention. All hotels participating offer the same reasonable rates; the Shelbourne, DeLano, Shore Club, Nautilus and Sagamore. Rates are \$8 per day, single; \$10 per day, double. There is no charge for children under 12 years occupying the same room as parents.

Get those registrations and reservations in early for that savings and be safe (and be eligible to attend the Early Bird Dance to be held at the DiLido on Thursday, June 13. It's free to all who register prior to May 15).

CORRESPONDENTS, get on the ball and send your club news to *Bow and Swing*. We need you . . . you need us (we hope).

## Weilers Offer Workshops to WC Dancers

CHAR AND LEE WEILER, an internationally known man-wife team, square dance callers and round dance teachers from Chicago, are offering workshop instructions to intermediate and advanced dancers at Beal Auditorium, Bradenton Trailer Park.

Square and round dance workshops will be held every Thursday morning from 9:30 until noon and evening dance and workshop every Saturday.

In 1959 the Weilers received an achievement award from the square dance magazine *Around the Corner* in recognition for their outstanding contribution to square dancing. They have very recently arrived in Bradenton with their modern Air Stream trailer and may settle on the West Coast.

The golden wedding anniversary of Mr. and Mrs. Howard Chambers, Zephyrhills, was celebrated in a grand and special manner at the Social Square Dance Club, Land-O-Lakes, March 3, by more than 140 friends and relatives... Lois Reazak, as mistress of ceremonies, gave a recitation of the events of the Chambers' 50 years... beautifully decorated cakes, ornaments, floral and place decorations, pictures and news clippings from earlier years made a most unusual table arrangement for the honored guests... an orchid corsage for Melba, a carnation boutonniere for Tim, and a cornucopia of "gold" coins for both, with many messages and letters have been added to the Chambers' memorabilia... a most impressive feast was followed by two hours of square dancing... Ray Kennedy and Cliff Reazak called the affair... Reazak and wife, Lois, were the hosts, aided by a very capable committee.

A belated, but very sincere expression of sympathy is extended Kay Halvorson, whose husband, Archie, died in a construction accident in December... Archie and Kay danced in the Tampa, Lakeland, Arcadia-Wauchula area for five or six years.

The Cloverleaf Square Club, Clearwater, was formed in November, 1967, with callers Cliff and Lorraine Hendricks... their regular schedule is a fun-level dance each Tuesday night at 8 p. m. and a work-shop each Saturday at 1... this session is divided into a beginners session, followed by one for intermediates, and later the advanced dancers... group dances at the air-conditioned American Legion Hall, 541 Phoenix Avenue... club will have a group of six or seven squares traveling to

## Parks Dept. Shows Interest In Dancing

A LETTER from Lee Price, Miami, to the director of Florida State Parks, Tallahassee, stressing the benefits and pleasures derived from square dancing and the need of a recreational activity of this type in our state parks, has brought favorable response.

Roy M. Brooks, assistant director, advised Price that buildings were available in or adjacent to the camping areas of Collier Seminole, Highlands Hammock, Hillsborough River, Jonathan Dickinson, Tomoka and Torreya State Parks. He stated these buildings are available for campers to use, and they encourage them to do so. Most of the structures in the parks listed are adequate for square dancing up to as many as 12 squares. Brooks said, "I am confident that our Park Superintendents in areas where there is an adequate structure, would be most happy to assist any camper who wishes to organize a square dance. I am afraid, however, his assistance would be limited to moral support, for we do not have record players and allied equipment."

Al Cody, your *Bow & Swing* publisher, was forwarded copies of Price's and Brook's correspondence and promptly sent the Florida Board of Parks additional information they requested giving ways in which these facilities might be utilized to promote square dancing.

Square dancer-campers that have experienced this need in our state parks could contact the board and if enough interest is shown, there may be another avenue paved for the promotion of our favorite recreation.

THE SUNSHINE STATE Chapter of National Square Dance Campers Association will hold a Camporee on May 17-18 at Royal Park Camp Ground, Riverview. All square dance campers are invited. Anyone desiring information may contact D. C. and Artie Taylor, Rt. 2, Box 454-B, Seffner, Florida 33584.

## CFSDA Circus Dance Set for June

MEMBERS of Central Florida Square Dancers Association can look forward to "a really big show" when President John Donelly uncorks a unique circus costume dance June 29 in the Orlando Municipal Auditorium.

It will be the organization's annual election ball and new members who join in June will enjoy membership through to June 30, 1969, the board of directors have agreed. Prizes for costumes and special acts by those attending are included in plans.

At a meeting held in February, a committee consisting of James McDow, Syd King and Bill McAdams of Orlando was named to settle on dates and callers for the organization's 1968-69 season.

A treasurer's report was presented by King and a motion directed the officers to determine that the organization's building fund be maintained under the control of the treasurer.

After discussion of a matter tabled from the previous meeting, it was agreed that out of area dancers could be admitted to association functions upon payment of a temporary membership fee of \$2. Dancers from within the area are expected to hold membership in the organization in order to participate.

Dancers joining in June may attend five association dances and will receive a year's subscription to *Bow & Swing*

# Special Events Slack as Spring Fever Grips the State

SPECIAL square and round dance events have slowed down a bit as spring creeps upon us, giving everyone a breather before they take off for those vacation resorts, beaches and mountains. Let's hope they keep up on their square dancing as they travel about.

There will be the 5th Anniversary Dance of the Castoffs Square Dance Club, Boynton Beach, on April 5 with caller Bob Rust. This dance will be held at 128 East Ocean Avenue.

Next on the April calendar of special events is the Jim Brower Dance in Lakeland, April 19, sponsored by Buttons and Bows. Tickets to this event are limited.

Also on April 19, Lew Green's Dixie Twirlers are holding a Shipwreck Party at the Ponderosa. Dress in costumes, dress up, or dress down, club claims you'll be most welcome.

Again on the 19th, the Square Dancers will close their season with caller Dave Taylor from Grosse Pointe Farms, Michigan. This dance is also in Miami.

The East Coast Dancers will hold their special April dance on the 20th in Eau Gallie; while on the same night down in Miami Springs the Palm Swingers are featuring a Bunny Hop.

April roundup winds up the 30th at the Ponderosa with Infantino's Dixie Bows Round and Square Dance Party and Show.

### Square Dance Coordinator:

## Spin a Web

YOUR square dance coordinator, Jack Lasry, has chosen a real experimental figure for April. It's Spin a Web, and "experimental it is!", stated Lasry.

The figure is akin to Spin Chain Thru, but yet quite different. "I feel it will be liked by the dancers if it is well taught and understood. I strongly urge all callers to get acquainted with Spin a Web in a small workshop in order to understand its' mechanics before presenting it to the Rhodie Island. Set it up from a double pass thru position; lead couples in an ocean wave. The ocean wave can be left out later after positions are well established.

On the call Spin a Web, the ocean wave couple starts the figure by the ends swing-ing half—new centers turn  $\frac{3}{4}$  and form a three-hand right hand star with the inactive couples. Turn the star one full turn and a little more to allow the dancer behind the active one to move into the center and turn  $\frac{3}{4}$  to re-form an ocean wave in the center. The outside couple face to the center awaiting the next call.

The following are some examples by the author:

Heads star thru, do an ocean wave, spin a web, (swing  $\frac{1}{2}$ —boys turn left  $\frac{3}{4}$  to a right hand star, turn once around and a little bit more, side men turn left  $\frac{3}{4}$ , balance).

Spin a web, (swing  $\frac{1}{2}$ —girls turn left  $\frac{3}{4}$  to a right hand star, turn once around and a little bit more, side ladies center turn  $\frac{3}{4}$ , balance), right and left thru, pass thru, left allemande.

Heads swing thru, spin the top, spin a web—spin a web—, step thru, left allemande.

It will take a little work on the part of caller and dancer to enjoy it, but try spin a web and determine for yourselves.

Colin Walton's record review for April follows:

I'm a Swinger/Inst. (113A) Caller: Walt McNeel—An acceptable dance to the currently popular western tune. Walt McNeel does a very good job on the called side.

Cincinnati Ohio/Inst. (Hi Hat 358) Caller: Dick Cary—An unsuitable, undistinguishable tune with a nasal western croon on the called side. This is a terrible record.

Two Timin' Gal/Inst. (Sunny Hills 6001) Caller: Earl Neff—This is the traditional style of Sunny Hills complete with vamp piano and two bar break. Competent call on reverse side.

Gentle on My Mind/Inst. (Wagon Wheel 113) Caller: Don Franklin—A good dance set to the Grammy Award winner. Don does a very good job with just the right amount of echo chamber. I like this one.

Texas Plains/Inst. (Windsor 4891) Caller: Bob Van Antwerp—A lightly disguised version of "When Payday Rolls Around." A good dance; listen to Bob Van Antwerp and learn how to deliver a singing call. Key change on this record.

Loves to Swing/Inst. (Windsor 4892) Caller: Dick Hoffman—This is "Last Night on the Back Porch." Dick does a good job on the called side. Standard Windsor fare.

Interstate 35/Jet Stream (Kalox 1077) Hec-downs—Keys "A" and "G". Solid beat. Interstate is a well-disguised version of "Boil the Cabbage." Jet Stream is a quiet chord progression.

## Round Dance Council Plans Fall Festival For November 1-3

NOVEMBER 1-3 has been set for Round Dance Council's Fall Festival, and Jacksonville's George Washington Hotel will be headquarters, council members agreed at their March 17 meeting in Lakeland.

And next year's Spring Workshop Festival will be held in Fort Lauderdale in the fine wood-floored ballroom of the Governor's Club Hotel.

More than 150 people attended the Spring event in Lakeland's Municipal Auditorium which included Saturday morning and afternoon sessions and a Sunday afternoon session. Lora Bookmiller was chairman of the meeting, assisted by Bill Bliss as vice chairman. Helen Danklefs handled publicity and reservations, Lu Markle the program, and Phil Betts was responsible for sound. President By Markle of Venice expressed his appreciation for the work represented.

New dances introduced at the festival include Sweetheart Waltz (McGregor 5000) presented by Charles and Madeline Lovelace of Tampa, and Sweetie Pie (Coral 62547) presented by Ted and Lois Mack of Miami.

Three workshop sessions were presented on Saturday. The Markles' notes on "posture, position, leading and styling" included this advice:

"If you want to look well on the dance floor, stand tall with a straight line going through the ear, shoulder, hip, knee and ankle, feet together, toes pointed straight ahead, weight on balls of the feet, knees relaxed, hips level, chest lifted, shoulders in a free and easy position, head up."

The Macks of Miami presented the national panel recommendations on standardization of terms and cues. In punctuating round dance instruction or cue sheets, it was recommended the diagonal be used only to indicate two steps to one beat. (Run, 2, 3, step/step).

Art and Dorothea Brammeier of Melbourne conducted a Saturday morning workshop on basic steps and common errors.

At the council's business meeting on Sunday morning President Markle reported that the 10th Street Auditorium would be reserved for round dancing purposes on Friday and Saturday during the State Square Dance Convention in Miami in mid-June.

Jim and Aline Infantino of Miami have been named chairman of a committee to represent the council in arrangements for the convention.

The council approved a plan whereby members of the Florida Callers Association would be given advance notice and cue sheets of the square dancers' round of the month. Tom McRorie of Gainesville urged that they can be taught in ten minutes to square dance clubs. Bill Bliss, round dance coordinator, agreed this was the objective.

Dances programmed for the Spring Festival, Markle said, were picked from preferences sent in by members. From the

list he had compiled the "top 20" rounds: Doodley Cha, Marnie and In the Arms of Love headed the list.

Others, in order, include Miss Frenchy Brown (Tetzlaff), I'll take Care of your Cares, Tango Mannita, Hot Lips, Sweet Misery, Dancing Shadows, Lazy Quick Love, Mexicali Rose, Somewhere My Love, Waltz of Dreams, Ballin' the Jack, So What's New, Moon over Naples, Marie (square dancer version), Bon Bon, Hold Me, and Neapolitan Waltz.

"Half of those requested were on pop labels," Markle added.
