Square Dance Coordinator:

Star Prowl

JACK LASRY, square dance coordinator, reports an old timer, Star Prowl, is the feature for August.

It is a member of the Grand Square family and gives dancers and callers a change from the usual. Many will already know the figure, but a quick teaching job will give everyone a relaxed break during summer dances.

Call will be, sides back to back, Star Prowl. Figure for heads: heads forward 4 steps, star thru; back out 4 steps, turn back on partner, walk forward 4 steps, turn corner; walk forward 4 steps toward head position and star thru—repeat.

Figure for sides is: sides back to back with partner, walk forward 4 steps, turn corner, walk forward 4 steps toward head position and star thru; walk forward 4 steps and star thru, back away 4 steps, turn back on partner—repeat.

Figure takes 32 beats and dancers will be returned to home position.

In teaching star prowls callers may wish to teach only the heads part while sides rest. Reverse situation and finally put them together. It is suggested you walk heads slowly, then call figure for heads without music, followed by call with music. Repeat for sides and put the different parts together and walk and call the figure. It is a smooth flowing call, so try it for summer relaxation.

Jake Shelmut sends a figure aptly named Round and Spread, combining Roundoff and the "spread" portion of Wheel and Spread. Dancers first do a roundoff and the outside squeeze in to form a line. (This can be called directionally to dancers by calling "roundoff-outsides in"). Examples follow:

Round and Spread
Heads lead to the right, circle to a line, pass thru, roundoff, outsides in, cast off 3/4, cross trail, left allemande.

Colin Walton's record review follows:
Who's World?/Blue Star 1832. Caller: Al Brownlee—This tune was unfamiliar to me. There is very little about this record that I could recommend.

Baby That's Living/Hi Hat 361. Caller: Ernie Kinney—Another piece of unsuitable music from Hi Hat. Ernie Kinney sings his way through it.

In Your Heart/Hi Hat 362. Caller: Dick Weaver—Apart from a couple of bars of music this sounds like a very poor version of "Freight Train." Dick Weaver sings it nicely.

Foggy Mountain/Red Boot 107. Caller: Don Williamson—I don't whether it was the only copy I received but this was a very poor quality pressing, which doesn't help to sell a record. This is very 'country music' in flavor.

Little Green Apples/Wagon Wheel 114. Caller: Don Franklin—Don is obviously a Roger Miller fan (so am I for that matter) but this one would have been better left on the 'pop' charts. In any case, Don should have stayed off the instrumental side as only he could successfully harmonize with his own voice.

L. David Sloane/Green 12103. Caller: Earl Johnston—Another 'pop' which Earl Johnston calls very successfully, but the club caller is

going to find the music side very boring.

Falling In Love/Windsor 4899. Caller: Dick Hoffman—This has been done before. A nice gentle piece of music and dancing on which Dick Hoffman does a nice job, but it won't be a big seller.

Let 'Er Ride/Windsor 4900. Caller: Bob Van Antwerp—This is a hoo-down from Windsor and it ought to be their best seller in this field for some time. It's a delight to call to and to a new caller learning how to patter call, learn from Bob Antwerp on the reverse.

Bertie/Scope 511. Caller: Tommy Cananagh—My old pal, Tommy, was looking for another "Coconuts," but this tune, although well-known in England, is not so well-known over here. Well-timed, well-called dance by Tommy, but it won't be as much of a hit as "Coconuts."

Whispering/Balance 403. Caller: Ed Gilmore—Ed Gilmore's figure is, as usual, well thought out and is designed, I'm sure, to make the dancers do a full court turn in a ladies chain, but when a dance has to be walked through it forfeits the chance of being a really big hit.

Round of the Month:

Crazy Cat

CAB Driver was runner-up for second month when popular "Crazy Cat" won out by one vote at July 7 Round of Month Dance, report Bill and Pat Bliss, coordinators.

"Crazy Cat" was composed by June and Ed Temple, recorded on Winsor 4731.

Position is open facing for intro: footwork opposite, directions for men except where noted.

Caller Chuck Raley Killed

CALLER Chuck Raley, who was scheduled to call at annual Knothead Konvention in Clearwater Labor Day weekend, was killed in an automobile accident June 30.

From Lakewood, California, Raley was enroute between calling dates with his wife and family when the accident occurred. His wife was also seriously injured in the collision.

A benefit dance for the Raley family had been planned for August 3, sponsored by Orlando Western Square Dance Council. This dance has been postponed until further notice due to a conflict of dates with another area club.

Deepest sympathy is expressed to Mrs. Raley and children, as well as the many square dance friends who will miss him.

Les Gotcher will substitute for Raley at the Knothead Konvention.

Fla. Callers Clinic Set for October 18-19

PLANS are nearing completion for the Florida Callers Association's fall clinic being conducted by Jerry Helt at Colonnades Hotel, West Palm Beach, October 18-19, for callers only.

It is the hope of the education committee that clubs regularly dancing either of these two nights combine and hold an area dance with an out of state caller so their caller may be free to attend the clinic. They request no club engage a member of FCA to call a dance on these dates.

A further suggestion for clubs to consider in support of their callers attending the clinic, would be to pay him his regular fee, or a portion of his expenses in connection with it, providing he attends. Most callers do not receive a paid vacation (do any?), but why not consider pay while he attends the clinic to provide better dancing for all square dancers.

All dancers, clubs and callers can help make sure this 1968 fall clinic is by far the biggest and best ever in Florida.

Alright you Knotheads, Square Up!
