Dear Bow & Swing

Dear Henry;

Let me start by saying it was good to see you folks again and how much I enjoyed the convention with my family. We enjoyed the opportunity to work in the program and I personally think the planners and programmers did a wonderful job. I was real pleased at the crowd and I think the conduct was just great. I think the hall was superb in every respect. The City of Tampa was a real host and we will be back down there in November calling again and visiting the sights.

BOB BENNETT

Dear Editor:

Mention in several letters to **Bow & Swing** as well as comments from visitors from out of State prompts this letter and suggestion regarding the "cliques" encountered in many clubs.

One solution would be for every caller to call some sort of mixer at least one time each and every night, thus splitting up couples and squares with no hard feelings.

As to visitors - how many of us make it a point to see that all visitors are included in every dance unless they choose to sit it out? In the long run, all of us would have more fun and that's what square dancing is for, so how about it?

EDITH CLANCY

GREETINGS!

The Tampa Convention was wonderful! The hall was tops for size, coolness, floor and sound. What more can square dancers require? All the comments I've heard have been favorable and those of us who enjoyed the week-end are indeed grateful to the callers and organizers of the convention.

GEORGE ZEINER

BOW & SWING

Editor, Bow & Swing:

Besides congratulating you on your new "Bow & Swing" we have another message. We would like to gratefully and humbly thank the many dancers, callers and instructors, who through their patronage, made our "Square Dance Corner" booth at the Tampa Convention so very worthwhile for us. Also, we would like to say a word in praise of the committees and workers who handled the Convention Hall. Cooperation was 100%. We are proud to have been a part of another successful Florida State Square and Round Dance Convention.

Sincerely,

BILL AND LOUISE ROUNDTREE

"YOUR BASIS GUIDE"

In a recent (April) issue of the South Pacific Square Dance Review this article caught my eye. Under the 10th National Convention news was this suggested "List of Basics", as a guide for visiting Callers attending the Melbourne (Australia) Convention. Alamo Style Balance, Cast off, Centers in, Circulate, Dixie Chain, Eight Chain thru, run, Slide thru, Spin the Top, Substitute, Swing thru, Swing Star thru, Turn thru, Wheel and Deal. The following article was also found in the magazine and it expresses my thought about Cross Trail and how it should be taught and standardized. It was headed "Your Basis Guide" - (Ed.)

CROSS TRAIL: Have you ever noticed dancers reacting in various ways to the command to Cross-Trail Thru. We have all been brainwashed more or less - to cross-trail to a left allemande or a U Turn back. Actually, the command has been loosely used in the past. It should be made clear to the dancers exactly how the movement is executed and what results should technically be.

A sample call could be:

An Editorial:

Henry Purcell

First let me add my congratulations to the City of Tampa Recreation and Convention Departments for the wonderful people working in those departments. The outstanding facilities furnished the Square Dance Convention and the conscientiously helpful attitude of all the personnel involved in making the 16th Annual Square Dance Convention a TREMENDOUS SUCCESS.

I enjoyed the convention immensely, yet there was a few things that bothered me. I saw and met a lot of old friends but there were numerous old friends who were conspicuous by their absence. Friends, who have not missed a convention for the past five years. At this edition I am in the midst of writing inquiries to these people, asking WHY? (I hope all were and are in good health) Another worrisome happening at the convention was the lack of dancers at the HOT HASH hall and the WORK SHOPS. I have seen the attendance at these events steadily going down-hill for the past four years and after researching the problem came up with this conclusion. One, the "Hot Hash" sessions are not really "Hot Hash". Two, the Workshops are not really workshops. Three, the dancers are being given too much dancing and too many choices of participation. Recommendations: One, eliminate "Hot Hash" sessions and substitute "Challenge" sessions. Limit these sessions to those dancers of at least two years of experience, who have been exposed to the more difficult movements needed to dance this type of calling. Two, Workshop only those movements which are considered "Basics" and not the movements which are merely experimental. Three, eliminate all morning dance sessions and start the dancing at 1:00 P.M. and stop at 4:00 P.M.

Further Recommendations: One, establish a club level session for those dancers who do not wish to Workshop or dance in the "Challenge" session. This session would offer "something for everyone", where good plain basics are used to furnish "Fun for Everyone". Two, advertise the mode of dress at the daytime sessions as "informal". Three, here comes the 'bombshell' change the convention date from the third week-end in June to mid-April.

I would like to hear from you dancers and callers regarding this last recommendation. None of this editorial is meant to cast reflection, nor should any be inferred, upon the wonderful job done by all the people who worked so hard to make the convention a most successful event and, above, all no aspersions are meant to be cast on the dancers, without whom the convention would have been a dismal failure. However, in these changing times, established precedents must be overthrown for the good of all Square Dancing activities. Readers, Callers and Dancers please take a few minutes of your time and write me your recommendations for future conventions. All correspondence will be confidential unless permission to publish accompanies your letter. ED.

GATEWAY CALLERS ASS'N.

The Gateway Callers Association of Jacksonville elected Frank Clements to be their Chairman for the next six months. We want to thank Bobby Keefe for a job "well done" as past Chairman.

The Educational Committee, composed of Johnny Robbins, Scotty Thomas and Harold Pillmore presented their program of instructions for new callers. Their lesson plans would last six months with one lesson each week making a total of 26 lessons. Anyone interested in learning to call will be asked to join the GCA and follow their plan but there will be no charge for lessons.

Each caller will be responsible for teaching a certain phase to the beginner caller. The learning caller would agree to call only at meetings of the GCA and will not call at any organized dance. We hope to be able to put this program plan into effect by this fall.

The Northeast Florida Square Dancers Association has asked the Gateway Callers Association to program their Friday night dance for the Fall Roundup to be held November 7th and 8th. Marshall Flippo will be the caller for the dance on Saturday night.

There was a discussion of the Gold Ribbon report and the article written by Henry Purcell concerning this. A committee composed of Frank Clements, James Maxey and Harold Pillmore was appointed to evaluate the possibilities of using this plan in this area. They will make a report at the July meeting after discussing it among their dancers to get their opinions.

Helen Maxey, Reporter...

The Callers' Corner:

Swap Around

AUTHOR UNKNOWN

Swap around can be done from lines of 4, or 2 couples facing, i.e. heads Swap Around, the ladies will walk straight across and take the opposite mans place, but stay facing out, as the ladies are moving across the man will turn 1/2 to the right taking his original partners place, but facing out. At this time the active are now both facing out. The movement amounts to 2 ladies chain and a calif. twirl. However the movement can be called with 2 men and 2 women as partners, the right hand person walks across and the left hand person turns half to the right, again all people are facing out.

Mr. & Mrs. Bob Bennett. Bob is Liaison Reporter for Bow & Swing from North of the Border.

The **Swinging Squares of Valdosta, Ga.** will host a dance on September 9th at the City Auditorium with C. O. Guest of Texas as caller. Visitors are welcome. Donation \$2.00 per couple. Bob Bennett, caller for the **Swinging Squares**, says "Y'all come, heah!"

The **Paxton Prancers of Jacksonville**, accompanied by dancers from other clubs in the Jacksonville area, brought 11 squares to Valdosta to visit the **Swinging Squares** on July 11th. Every one had a lot of fun with a Treasure Hunt while making their 'Knothead' badges.

The **Swinging Squares of Valdosta, Ga.** are having a wonderful time dancing since we have Air conditioned. We have planned several things in the future dances that will be interesting to all. We have planned a swimming party along with a covered dish supper in July at Camp Tygart, north of Valdosta. (This is a Methodist Camp and real nice.) The **Swinging Squares** have planned a fine party of tricks and gimmicks for the visiting group from Jacksonville, Fla. on the 11th of July. We are looking forward to this group as we always do. Valdosta has been host to a lot of people wishing to make 'Knothead' trips for their badges and we are more than delighted to have folks come. Bob Bennett and the **Swinging Squares** invite all of the folks coming through to stop by and have coffee (if there isn't a dance) and just chat a while. The club is located at the Garden Center (corner of Patterson and Gordon Streets) and dancing starts at

8 P.M. on the 2nd and 4th Fridays. Valdosta, Georgia is located 22 Miles north of the Florida Line and on Interstate 75. The **Swinging Squares** are using a system to mix squares and hide and seek to create some extra fun in the club so that things will continue to swing.

The **Swinging Squares** are hoping that a lot of the folks can make the Jekyll Island Jamboree on the 15 - 17 August 69 and enjoy the fun. Things get started at 8 P.M. on Friday night at Stuckey's Carriage Inn.

They'll be missed by the **Twirl-A-Ways**. Gene and Dot Garner have been elected to serve on the board, replacing the Rounds.

(Continued from page 12)

The **Flying Eights Square Dance Club at McCoy AFB in Orlando**, are having Rod Copeland call for them on the 2nd of August. Dick Bishop will return on the 16th of August. Dick called for the 'Welcome Home' dance of the **Flying Eights** in April and everyone had a real swinging time. The club elections will be held on August 16th and all members are urged to be present.

The **Starlight Promenaders of Sanford** recently had a night of visiting. First, they drove to Daytona Beach and stole the **Highland Squares Banner**. After the dance the 'gang' (led by Joe and Martha Braun, congenial escorts from Daytona) paraded into a newly opened restaurant for refreshments to sustain them for the hours to follow, completely catching the restaurant personnel 'shockingly' off-guard. Everyone went to Joe and Martha's home and changed into

P. J's. Shortly after midnight, the 'gang', some 21 strong, pounded on the door of their callers home until sleepily, Chuck Durant let them in.. "IDIOT PARTY"!!!!!! For three hours the order of the evening was Fun and sheer Pandemonium. (See Photo elsewhere). Nom and Chuck proved themselves to be wonderful sports. (Aside from the Editor: 'gang', a small bird told me to warn you about a possible Cuckoo Party in the near future. It's later than you think!!)

Buttons and Bows of Lakeland installed these new officers for the coming year: Jack and Betty Mellott, President; Buddy and Carol Ireland, Vice President; Bernarr and Elizabeth Clifton, Treasurer; and Harry and Vivienne Porch, Secretary. Roger Chapman called for the club while Mel Clark, regular club caller, was on vacation. Thanks again Roger. 14 couples journeyed to Naples over the 4th of July weekend on a Knothead trip, where they danced with the **Sunshine Shufflers** and caller Fred Christopher. The club would like to publicly thank the **Shufflers** for the hospitality shown the visitors during the brief stay in Naples.

The **Happy Hoedowners of Leesburg** and Eustis will have Bill Shell on the 1st Friday in August and Oscar Erwin on the 3rd Saturday as guest callers. Both dances will be held at the **Leesburg Community Center**. The Club recently visited Sanford and retrieved their Traveling Banner. "Grandpa" Bob Rust calls for the club on each 2nd and 4th Friday at the Eustis Community Center. Reporter G. Fishers announces that George Jarvis is recovering and will soon be back dancing.

Central Florida Square and Round Dance Association sends the report that the May 30th Election Ball was a tremendous success, with over 200 new members registering and dancing to Colin Walton. The new officers for the coming year: Joe and Dottie McGregor, President.

Twirl-A-Ways presidents, Curt and Karen Whitman, are vacationing in Wisconsin. Club member, Elinor Neely, is touring Europe while visiting her daughter. Bob and Voncell Haggard are back home after spending several weeks in Texas and Missouri. The Crannels and Garners report a wonderful time at Fun Fest in Fontana Village, North Carolina.

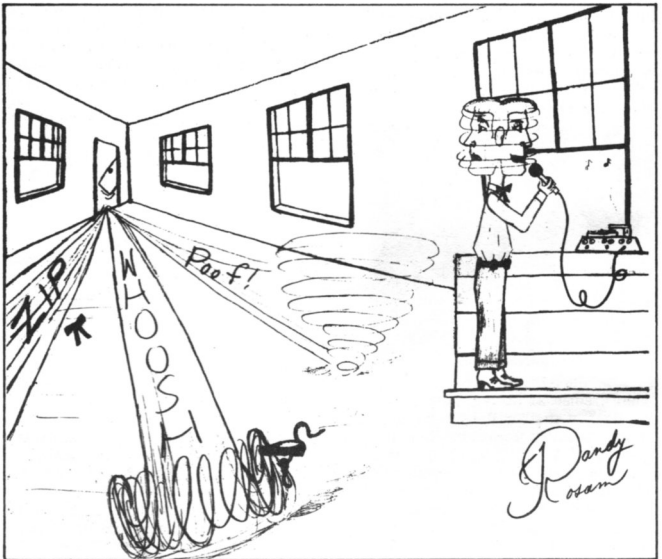

The **Starlight Promenaders** are graduating 7 couples from Chuck Durant's class. Above is a photo of the newly installed officers of the club. Bob and Dot Shook, Vice President; Bill and Loretta McAdam, Treasurer; and Charles and Vanna Rudd, Secretary.

Vi Cihak and Lee Wood of the **Mr Sun Sets Club** arrived with dolls to let the dancers know a 'Kids Kaper' party night was being planned with the Beaux and Belles Club. The event is set for Tuesday, July 29th.

JACK LASRY SPEAKS OUT

An Editorial gives the author an opportunity to "Sound Off" about a particular subject or problem. I would like to express a few thoughts on the "Guest Caller" at your club or the caller at your Association dances and festivals. These special dances add a bit of spice to your yearly club program. Gives you, the dancers, an opportunity to dress up and enjoy the festive atmosphere of a large crowd and enjoy the dance called by a caller who you do not dance to on a regular schedule. As a dancer you know this should be a real big fun dance with the opportunity to enjoy dancing with members of other clubs in the area and cementing together the feeling that we can enjoy the open dance level even if we are not members of a "Hot Rod" club, or even if you are.

Now, how does the caller feel when he is a guest caller in your area? After all when all is said and done, he is the one on the spot! But the caller has concern. Will the sound be good? Will the hall be air conditioned and the dancers comfortable?

The latter two play a big race in the success of the dance and the crowd response to the caller. Beyond the physical condition of the hall, what does the caller concern himself with? The guest caller is usually hired because he has "something to offer" you, the dancers. No matter what, the caller wants to see the floor dance. He may "push" you to the limit of your experience but with the use of standard and often directional basics he works to reach an interesting level of dance that the newest dancer can enjoy and the "old timer" will have to "listen up" and be kept on his dancing toes. This is not always easy to do. However, in all cases you can be sure the caller is going to keep the floor moving. The reaction of the dancer on the floor has a great deal to do with the caller in turn really reacts to his floor. A whoop and holler crowd that is

having a good time usually brings out the best in a caller. A quiet crowd may be enjoying themselves just as much - but when a caller puts together a bit of cute material and there is no response when the left allemander is called..he begins to wonder if they are enjoying the dance.

In doing quite a bit of traveling, I have learned to judge the reaction to my dance by how many are left for the last tip! This is usually a pretty good way because in some areas the styling of the dancers is such that they do not show any enthusiasm to the left allemander, while other areas whoop and holler. Another criteria is when you start the music - do the dancers fill out the squares quickly? Speaking about filling out squares, the June issue of **Sets in Order** has two letters to the Editor written from Florida and remarking about pre-made up squares - Fellow Callers - this is the fastest way to kill a club. To allow the squaring up to become prevalent. If the caller will take the initiative and break up the squares two or three times a night with a quick mixer, this problem will soon vanish.

Dancers and clubs alike are always talking about too many basics and the careless use of them. I feel one reason we seem to have less visiting between clubs of intermediate level is because people don't like to be embarrassed by a call they don't know how to do. I would like to suggest a solution to the problem: I suggest the **Florida Callers Association** select several callers who have the respect of the callers and dancers in their various areas and as new experimental material is tried out, these callers will report back to the callers Workshop Editor of **Bow & Swing** and each month one figure is featured. Now every caller in the state calling intermediate club and open dances should teach and call the figure at every dance. In a short time the newer calls will be danced by all groups and the level of dance will be growing closer and closer in all clubs around the state.

News A-Round Florida:

The beginner class of Ted and Lois Mack have reached a nice smooth intermediate level, so reports Mary Vollmer, reporter for the **Holiday Steppers of Ft. Lauderdale**. The class recently invited the **Holiday Steppers** to join them in a 'Pot-luck' dinner and dance. Ted and Lois started the evening with a R/D Mixer. During the evening Gladys and Carl Wioskill gave an exhibition of a German Folk Dance, "Dillenthaler Lander" which was well received. Ted's new class is now known as the **Holiday Rounders** and will dance at Holiday Park in Ft. Lauderdale every Tuesday night at 7:30 P.M. Visitors are always welcome.

The **Starlighters of Lake Worth** are learning 'Tango Maya', taught by their instructor, Mary Lietheurer. This dance was selected as the number one dance at the recent 'Dance-A-Cade.' The **Starlighters** invite visitors to join them in the popular rounds. The club recently held a surprise Birthday Party for their instructor, Mary Lietheurer, at the home of John and Blanche Everett in Delray Beach. Mary was presented with a card and gift from the club members.

The **Stars in Orbit Round Dancers of Eau Gallie** had visitors from Ft. Lauderdale at their Monday night dance on Mosswood Avenue, -this week. The new dance taught was "Yours": a real nice rhumba on a Dearborn record No. 127278, written by Harve and Marge Tetzlaff of Brookfield, Wisconsin. Last week they had company from Gainesville. Round Dancers do get around and our dances of the month have made it possible for them to travel to different clubs and take part in a major portion of the program of the evening.

Some of the favorite dances of **Stars in Orbit** right now are: Feelin', Making Whoopee, Tango Maya, Black Orchids, Fooled Again (Loess version), I Get the Blues, Rhumba Magic, Green Alligators and the Classics Green Door, Neopolitan Waltz and Moon over Naples.

R/D Instructor of the Month:

Ray and Lora Brookmiller

The Treasurer of the **Round Dance Council of Florida**, is Lora, wife of Ray Brookmiller of Orlando. This is the second year she has served the **Council** as Treasurer, having taken over from Ruth Curris in November 1967.

The Brookmillers started Ballroom dancing together in their teens in Western New York State. They learned about Western style Square Dancing and Round Dancing only after coming to Florida from New York late in 1950. After studying Round dancing with several Florida teachers, who were members of the **Round Dance Council**, they joined the **Council** and became instructors for the **Klassy Kats Round Dance Club of Orlando** and will celebrate their 5th anniversary with them in September. They limit their basic classes to one a year and are currently teaching a beginners class of 17 couples. Lora and Ray are due to receive "5 year stars" (five years continuous membership) for their R/D Council badges at the annual meeting of the Council when they meet for the **Holiday for Rounds** at the Cape Kennedy Hilton in Cape Canaveral in October 1969.

Round Dance

OF THE MONTH

Jubilee Joe is the Square Dancer Round of the month for August. This dance is to Columbia record 4-44764. This dance also fits **Jubilee Joe** on Metromedia 104 with these alterations:

1. Add standard introduction during a 4 measure introduction.
2. Dance would go through twice instead of three times.
3. Add standard 4 measure tag. The intro is open position, facing line of direction, and the dance starts in open position. Footwork is opposite throughout, directions are for the man except as stated.

President's Corner

In the past several months I have received several complaints from dancers about callers who are not actively calling for a club or teaching classes, who are using their **FCA badge** as a means to attend dances **free**. In the past it has been more or less the custom to let active callers in to any dance free of charge and quite often he was asked to call a tip. This was and is a courtesy extended by the host club and/or caller. I might add here that it has not been, is not now, and I hope never will be a request of the **FCA** to let all callers go to dances free of charge.

All members of the **FCA** receive for their dues the privilege of attending two clinics a year at no additional cost, plus a subscription to **Bow & Swing** as well as free registration at the State convention if they participate on the program. This seems to me ample return for dues paid.

I would agree that any caller actively teaching and/or calling regularly for a club or workshop should in most cases be admitted free because more than likely he is out with a group on a night when he might be content to stay home for a change. I would think that a benefit dance where several callers are on the program, everyone, caller and dancer alike should be expected to pay.

I would ask that any club officer who is or has been confronted with a situation described above, please feel free to let me or one of the other officers know so that we may take the matter up with the offender. All information will be held in the strictest confidence, and only the FCA officers and the offender will be involved.

around, Cross Trail thru, go on to the next,

Cross Trail thru, go on to the next, Cross Trail thru, U turn back, Cross Trail thru, to the corner, left allemande".

If the call is given to pass thru, the dancers do not turn back. However, as soon as they hear Cross Trail Thru, they start to fudge and end up back to back with their partners instead of alongside of them, half sashayed, facing out.

The "On to the next" part of the call should be executed as a bend the line motion to keep the centre people from getting ahead of the end who might be galloping wildly on the outside trying to keep up. The Cross Trail Thru should be taught and executed to be a pass thru and half-sashay to remain facing in the same direction the dancers had been moving in until the next command is given. Dancers should never Cross Trail before the pass thru. The confusion is overwhelming to say the least and the dancers' noses get bent a bit in the process.

Breaking down the above commands into dancer movement, it should be done as follows:

"Promenade, Heads wheel around (sides hesitate).

Pass thru, half-sashay (men slide step right behind the ladies as they slide step left in front),

On to the next (bend the line, centres step slightly back),

Pass thru, half-sashay, bend the line.

Pass thru, half-sashay, all about face,

Pass thru, lady go left, gent go right,

Find your corner, left allemande".

The term, Cross Trail without the "thru" part should mean to Cross Trail with partner, ending up back to back or thereabouts. An example would be from a squared set, have everyone California Twirl, Cross Trail to a left allemande. There is no way to go "Thru" so you just Cross Trail.
