CALLER OF THE MONTH

CHUCK DURANT

Chuck and Naomi Durant started Square Dancing in September of 1956, when at the urging of Naomi's Father, they attended their first dance. No lessons, no warning, just shove and tug, the hard way. Six months later, with encouragement from local callers, found Chuck practicing calling technique in his garage.

In 1958 Chuck and Naomi assisted in the organization of the **Dixie Squares of Daytona Beach**. Chuck called their first dance, and after 11 years is still the Club Caller.

Chuck became a full-time Professional in 1961, and since then has called an average of 5 nights a week. At this time, 5 clubs are a part of Chuck's regular schedule, plus at least 3 classes per year with occasional week-end festivals in between. Future plans call for more working out of the state, including regular Spring Staffers at Fontana Villages Rebel Round-up, starting in 1971.

Having served two terms on the Board of Directors of the Florida Callers Association, Chuck was elected Vice-President of that organization at the October Clinic held at the Colonnades.

The Durants' have three children, Mike and Kathy, 15 year old twins and 7 year old Missy. For the Durants Square Dancing has become a way of life, and "we feel that we are indeed fortunate to be part of such a fine activity".

Dear
Bow & Swing

AN OPEN LETTER
to readers of Bow & Swing

The actual time it takes to put an "idea" onto paper seldom reflects the greater amount of time spent in the planning stages. This has been true in the case of the **Sets in Order American Square Dance Society**. After looking at the completed "idea" for the Society we see that the thoughts of a great many men and women have played a part in the final outcome. Perhaps one reason that we are so optimistic in this project is that it reflects the experiences of the past and includes the lessons we have all learned over a period of 21 years. The one sincere hope shared by all of us is that in the **Society** we are finding a way of all working more closely together. The challenge that comes with the sharing of years. The one sincere hope shared by all of us is that in **The Society** we are finding a way of all working more closely together. The challenge that comes with the sharing of ideas will only bring us more closely to the goal of a healthy and prosperous program of American Square Dancing, everywhere.

Fondest regards,

Bob Osgood

An Editorial:

**Henry
 Purcell**

We've rambled ourselves into another Holiday season! Dottie and I and all the wonderful people who help us in making this magazine possible, wish all of you Square and Round Dancers a Very Merry Christmas and the Happiest of New Years. May you enjoy the fullness of Christmas and the expectations of the New Year in your Square and Round Dancing activities for years to come.

There is an article by Sets in Order reprinted in this issue. Please take time to read it. I think Bob Osgood and his staff have come up with an excellent idea. One that is needed and necessary at the present time. All of us callers and dancers are like the big bird that sticks his head in the sand when trouble approaches. Square Dancing is in trouble. If it isn't why do we have the tremendous number of Dropouts? Why are our present classes so small and so hard to start? Why, when we the participants, know that Square and Round dancing is the one ideal activity for families to enjoy as a family? The ideal activity for making friends; the ideal activity for exercise and health; the ideal activity for the soothing of everyday tensions.. Why can't we bring more people into the world of Square dancing and keep them dancing for more years than they do? I am hoping (and helping) that a leader like Bob Osgood has found a way to answer and help overcome the problems which beset all square and round dancers and the activity as a whole.

On January 11th, there will be 5 separate dances held throughout Florida sponsored by the Florida Callers Association. The proceeds of each dance will go to Bow & Swing to assure the magazines existence. The top or the most well known caller in each area will call

(Continued On Page 7)

(Continued From Page 6)

for the dance in his area. This will not be a subscription dance although subscriptions may be obtained if wanted, at each dance. Your attendance will help and be greatly appreciated. Plan now to attend! Your club caller will have all the details in plenty of time before the dance. The event will be an annual affair known as the **Bow & Swing Benefit Winter Festival**.

I again urge you club reporters to get your news report to me before the 5th of the month. I need more people sending in more material about more things and happenings. Send pictures (black and white). You callers, at the October meeting send me your autobiographies **PLEASE!** The pictures taken at the meeting are absolutely beautiful, even tho in black and white. If you callers wish a copy of them (3 x 5) send me a \$1.00 for each copy wanted (include name and address).

Again, Dottie and I wish all of you the **Merriest of Christmases** and the **Happiest of New Years**.

SETS IN ORDER

American Square Dance Society

Your new Society membership status requires nothing of you beyond the interest you have expressed in the past by being a subscriber. It is our sincere hope that through our increased dedication to the activity, you too will become even more enthusiastic over the prospect and possibilities of American Square Dancing.

Second, the opportunities to be of service appear to be unlimited and the **Sets in Order Square Dance Society** pledges its every effort toward the **Protection, Promotion and Perpetuation** of this great activity. Its many projects started in the past and new projects slated for

the future are all designed to fulfill this pledge.

Third, the scope of editorial coverage in **Sets In Order** is being considerably increased. Starting with the January 1970 issue, more indepth articles devoted to the square dancer, to the caller, to round dancing and to the other related segments of this activity will be receiving greater prominence than ever before. This is a worthwhile project. It is a dedicated move to unify, not organize, the American Square Dance activity. It included **everything**. It involves **everyone**. No phase is unimportant. The **Sets in Order American Square Dance Society** will augment what existing groups are now doing successfully. It will in no day replace your area square dance association, your callers association, or any other group now in existence. Its aims through its various projects is to bring these groups into closer contact with each other and to generate ideas for more meaningful operation. It pledges its support to every group that has proven to be beneficial to the best interests of American Square Dancing.

NEWS A-ROUND FLORIDA:

NORTHEAST FLORIDA NEWS

The holiday spirit will soon have the dancers in this area in its grip. Most clubs are planning Christmas Dances and Parties to be held at various times during the month of December. Most classes will be advanced far enough to join their prospective future clubs and join in the fun. There is something about the Christmas holidays that are particularly appealing to most square dancers probably because the spirit of Christmas is natural to us who enjoy the fun, love and cooperation that is so necessary to a successful square dance club.

The **Gateway Callers Association** will be celebrating their second Anniversary this December and plans are under way for an Anniversary Dance, perhaps combined with a **Toys for Tots Dance** on the

Mary Leitheusers "**Starlighters**" did an exhibition at the Cresthaven Condominiums and it was a huge success. They did the lovely Waltz Quadrille, Square Dancing, Tango Mannita, Candy Kisses, Blue Dancing Shoes and many other beautiful rounds. The audience just loved it all and as a result there were more than seventy who signed for lessons the following week. Beginning Tuesday at 7:30 p.m. there will be both square and round dancing at Cresthaven. Again on the 24th of October there was another exhibition of round and square dancing at the new Century Village Condominium. Mary Leitheuser will conduct the **Starlighters** and some of the **Gay Nighters** in their dances. We look forward to this event as it is wonderful to see the smiling faces of the audience and still more rewarding when they ask to participate in several of the beginner steps in rounds and squares. Mary also has a Ballroom class going at the Cresthaven with her **Starlighter club** and Ballroom classes at the studio in Lake Worth.

Walter Isom's "**Gay Nighters**" are workshopping the popular Waltz, Feelin'. Also the Waltz Quadrille, Candy Kisses, Columbus Blues, Like I Love You, Tango Mannita, Coconut Grove and they do all the Rounds of the month. Last week they had as guests Joe and Marge Kisela and Kurt and Catherine Zarnecke of the **Starlighter club**. Marge and Joe Kisela are doing their thing at the Palm Beach Care Hospital. They entertain the patients with a Bingo game on Mondays and head a group from the Lake Clark Gardens Condominiums who bring much cheer with gifts on birthday cakes to these lonely people.

Walter Isom and partner Marge Starr attended the Callers Clinic at the Colonnades Hotel and several of his club members were up at Cape Canaveral Festival of Rounds.

The **Holiday Steppers** new and growing beginners class had 25 couples this second week. The **Mack Dancers** had a full dress rehearsal and those who looked on were amazed. One of the guests was from a Ft. Lauderdale Ballroom club and he was so enthused he invited the group to perform at his club. Pictures were taken of the dancers then a quick change and the **Holiday Steppers** were on. Everyone was so happy to welcome Byron and Jane Wilson who have returned from the summer in Conn. Jim and Aline Infantino just came in from a trip to Vermont.

This Sunday's dance had a festive air and know that Ted and Lois were so happy over the rehearsal, the sociability of the group dinner.

It was just contagious all round. Still another surprise when Bea Rae, of the fabulous Chez Bea Creations, brought in a beautiful decorated cake. It was the occasion of Bea and Dick's Anniversary, also Dick's birthday. More delicious refreshments, Happy Birthday was sung and the Anniversary Waltz was played for Bea and Dick while they danced. At 11 everyone said goodnites.

CAPE CANAVERAL

On entering we first met Oscar and Fran, our Westcoast reporters. The sound was handled by Gene Baylis. The Twilight Waltz exhibition was beautiful. The Waltz Quadrille was cued by Jim Infantino. The **Mack Dancers** entertained at 10. A most colorful entrance, gals in their orange dresses, shoes, bouffants matching. Partners in black and white with black brocade vests and bow ties. A circle was formed and the beautiful "Medley of Dances" was on. Fascination, Tango Bongo and Blue Danube. What an ovation. Compliments from everywhere and invitation to the Sarasota Third Sunday Rounds by the Markles. The **Mack Dancers** plan on a Bus trip. Teachers, Ted and Lois Mack were so proud of this group and let me say the dancers were just as happy and proud of their teachers **Happiness is Round Dancing and Round Dancers.**

fifth Saturday in November. A definite date and place will be announced in the area when the plans are firmed up. Newest full members of the **Gateway Callers** are Bill Bishop of Jacksonville and R.J. Hogan of Gainesville. This organization has come a long way in its efforts to improve calling in this area and we as dancers should congratulate them. Their efforts toward self improvement automatically mean better dancing for us.

The **Friendly Frolics** are saddened by the loss of two of their old friends and club members as Willie Gray Bowman and Clyde Mixon both passed on. We will miss them.

The **Friendly Frolics** will sponsor their annual New Years Eve Dance on December 31st.

By the time this comes out the 16th Annual Fall Roundup will be History. If the advance sale is any criteria it should be the largest ever.

Special events of interest in the next few weeks are the Fall Festival sponsored by the **Westside Orange Park Promenaders** on December 5th. Learners Hoedown

sponsored by the **Palatka Kaper Kutters** on East Palatka, Fla. on December 6th. Tex Brownlee will call for the US 441 Club in Gainesville in the 19th. The **Paxon Prancers** will sponsor their annual P.P. Dance for holders of this badge at their Thanksgiving Dance. In January Frank Lane will appear in Jacksonville at the Joseph Lee Youth Center.

On January 10th Harper Smith will be calling at the National Guard Armory in Lake City. On February 14th the **Jubileers Club** sponsor their 6th annual Valentine Dance with Bill Wilson of Aiken, S.C. at the mike.

still counting their blessings in their 10th anniversary year. Due to the good reciprocal relations between the **Nautical Wheelers** and the **Key West Squares**, the two clubs have been able to swing a seven night Marathon for the Eager Beaver badge. Dancing on October 24th was to the calling of Henry Purcell with the **Nautical Wheelers** as Hosts. Saturday night Steve Stevens called with the **Key West Squares** as Hosts. Sunday night Steve called. Monday night Steve called for the Eager Beavers before beginning the instructions for his beginning square dance class. Tuesday night Henry took time out from his teaching and workshop to call two tips for the Eager Beavers. Wednesday a Guest caller Ray Turcotte, U.S.O. Director, called following a Masquerade Grand March and Co-operative dinner. On Thursday, October 30th, Steve called two tips during his round dance class. This Marathon was arranged by the Executive Boards of the two clubs and the clubs voted to cooperate. The two clubs have been invited to ride a Conch Train and participate in the Armed Forces Day parade. The dancers meet at the Conch Train barn at 6:30 p.m. on November 11th. With the advent of cooler weather, the **Nautical Wheelers** moved back into the **old City Hall** for their Friday night dances. As always, the welcome mat is out for all their Northernmost friends. So, why don't you all **come on down**? Caller Henry Purcell is still holding classes and workshop at the Key Wester Convention Hall on Tuesdays.

On October 24th the **Nautical Wheelers** in conjunction with the **Key West Squares** began 7 consecutive nights of dancing - purpose to earn their Eager Beaver badges. After 7 very rainy nights, there were still over 2 squares of **die-hard Nautical Wheelers** and **Key West Squares** remaining. Some of us thought we should change the badge to read **eager duck** instead. Some even agreed **eager idiot** would be much more appropriate.

On October 24th the **Rhythmaires** of

Ft. Lauderdale, gave a dance and buffet in honor of Kitty and Francis Hamblin's retirement from Round Dance teaching. Approximately 150 round dancers, teachers and square dancers from Deerfield to Miami attended the dance. Jerry HayM.C'd **This is your Round Dance Life, Kitty and Francis**. The girls from **Rhythmaires** put on a lovely buffet and a beautiful 3 tier cake was made and decorated by our kitchen hostess, Pat Spanziani. Kitty was presented with a corsage from the Spanziani's and a money tree was given to the couple. Bouquets to Jean and Wayne Shallenberger and Buddy and Lloyd Fletcher for gathering the leaves for the money tree. Kitty and Francis were Square Angels from the **Rhythmaires** first class. They will be a loss to the Round dancers but they have our best wishes in their retirement.

The Star Promenaders of Miami will not hold dances on December 24th and 31st.

The Merry Twirlers of Wilton Manor had a real bang-up Halloween party, October 25th, with hosts Bob and Joyce Kleedorfer and Rocky and Dottie Simpson. Everyone was in costume and the **Belle** of the evening was **Miss Merry Twirler**, alias Dean Younger,, whose divine form complete with balloons astonished everyone. Bill Roundtree, caller for the club, has announced the Christmas project will be the collecting of canned goods and money for Turkeys for baskets to be given the needy at Christmas.

North of the Border . . .

Mr. and Mrs. Bob Bennett. Bob is Laison Reporter from North of the Border.

The **Swingin' Squares** are off to a good start for the fall. They had a wonderful dance on October 10th with several visitors and as always we enjoyed having visitors. The **Swingin' Squares** started their class night with 12 couples the first night and we are hoping for many more. We believe that interest is picking up and with good cooperation from all square dancers we can set the woods afire again. We sure hope that it can be done. As the old saying goes, "A small acorn grows into a large oak tree," and this we hope will happen in our area, as well as all others. As everyone knows New Years Eve isn't very far off and the **Swingin' Squares** would like to invite every one traveling and in our area, to attend our New Years Eve dance to be held at the Garden Center on December 31st. The dancing will start at 8:30 p.m. until ?, we get tired, after midnight, and there will be fun for all.

The Bob Antwerp Clinic held October 3-5 was one of the best clinics ever held. We enjoyed all that Bob did, timing, beat, techniques, etc., we could just go on and on. He gave every caller the chance to see what he could do and then gave him the wonderful advice he is so capable of doing. The clinic started on Friday night with a wonderful Trails End dance and then on to the clinic Saturday morning and afternoon. The dance Saturday night was a full house. The Round dance session was a wonderful success with Edna and Tommy Thompson out of Savannah, doing the rounds. They did a beautiful

job and are just as smooth as silk. All the **Dixie Federation Callers** did a superb job on Friday night calling to different tunes and the crowd responded just the same. We had clothing firms out of Miami and Albany available so that folks could browse around and pick up needed items in the square dance line. One real interesting point in our clinic was that we had a couple that was traveling from Hawaii and they made it a specific point to stop and be with us in our clinic and we just enjoyed this the most. We had lots of states represented and a great bunch of dancers. We thought the Mayor of Valdosta did a great job of welcoming the folks and Congressman Bennett welcomed the folks in behalf of Governor Maddox. Governor Maddox designated the week of October 4th as Square Dance Week. Rev. Wade S. Bell, Pastor of the First Presbyterian Church, Valdosta, gave the Invocation.

The Round Dancers meet in our area and have organized a **Round Dance Council**, to be known as the "**Dixie Round Dance Council**". Audie and Clara Lowe, Quitman, Ga. was named President and John and Elizabeth Cotter, Thomasville, Ga., was named Secretary-Treasurer. Meetings will be held the 2nd Sunday beginning in January 1970 and every month there after. Places will be selected from meeting to meeting. Round of the Month will be decided at each meeting. They will be keeping in line with the going round as much as possible. Selection for November - Columbus Blues December - It Had T o Be You. January - Shenandoah Waltz. We, the **Dixie Federation Callers Association**, hope them all the success and will give them all the help we can and we know that we speak for many other clubs, associations and councils.

The Willard Orlich Clinic will be held at the National Guard Armory, Albany, Ga., on March 27th and 28. All callers are invited to come and participate. The **Dixie Federation Callers** will do the Saturday night dance.

Tex Brownlee, Fontana Dam, N.C. will be calling the **Dixie Federa-**

tion Dance at Brinson, Ga., in the old school. This dance is sponsored by the **Dudes and Dolls of Brainbridge, Ga.** Hope you can make this one.

January 31st, Don Williams, Greenville, Tenn. - Hosts **Rebel Squares**, Albany National Guard Armory.

January 8th - Frank Lane, National Guard Armory, Albany, Ga.

There has been a new club formed in our **Dixie Federation of Squares** called the **Webster Wigglers**, Preston, Ga., and Felton Drew is the caller and instructor. They graduated November 14th.

The 2nd Annual Harvest Festival held at Hapeville Recreation Center, Hapeville, Ga., was a real success again this year with the **Fontana Ramblers** furnishing the music and they will again be sponsoring this event next year. There were visitors from several states attending the dance and all the Atlanta callers and visiting callers did the calling and I think the Ramblers are just remarkable to be able to play for so many different callers. We sure hope more square dancers can attend this next year.

The First Presbyterian Church of Valdosta, Ga., has voted to start a square dance group beginning on the 1st Thursday in January. We are hoping this will get other Churches to sponsor such groups in their respective Churches or attend the sessions we are starting. Our Board of Session was very glad to do this so that families could enjoy something together for recreation. This could lead into lots of other square dancing by other groups.

For those in Brunswick, Ga., area who have any interest in square dancing, there is no lack of opportunity. At Brunswick College each Tuesday night, Jimmy Moore has a class for beginners and a review opportunity for those who want to brush up. Each Thursday night at the Recreation Center, Charlie Major has the same with the added opportunity of introduction to round dancing. Charlie will try to help create more interest to compliment the time which Lucius Nelson gives us at each regular dance. Then

from 6:30 to 7:30 p.m. prior to each regular dance Dick has class for the 8-12 year age group. The group size is encouraging but the blend is out of balance- more boys needed. It is hoped that this work with the children will not only provide future square dancers but will also bring out and/or back, some of our inactive dancers.

PANHANDLE NEWS:

The **Friendly Squares** held a half-way Halloween party for their square dance students, who are now being taught the rudiments of square dancing by club caller, Kent Bartlett. A good time was enjoyed by all and the class looks forward to the next half of their course and graduation some time early in December.

Winners for the spookiest costume were John and Jessie Penny of the **Orla Vista Squares**. Working on the committee and doing an outstanding job for this special dance were Vince and Dee Wassmuth, Sid and Liz Waynick, Pat and Jeannette Kelley and Paul and Kathy Vormitag.

Surprise visitors at the **Twirl-A-Ways** for their Halloween party were honorary members Joe and Mart Braum of Michigan City, Indiana and formerly of Daytona Beach. They flew down for the weekend to enjoy the area dances.

On Saturday, November 1st, a group of **Twirl-A-Ways** visited the **Orla Vista Firehouse Squares** to retrieve their banner and earned a few costume prizes as well.

ceive graduation certificates until they have finished and are ready for Club level dancing.

FCA PRESIDENT SPEAKS

Once again our Fall Clinic and Dance demonstrates that this is one of the highlights in the FCA programs. The attendance at both the clinic and dance was the best ever. We are sorry that we did not have room for all those who would liked to attend.

We jotted down notes on some of our observations and some of the conversations and the overall consensus was that most of the people had a bang-up time, with Frank Lane keeping the floor moving with a well called dance.

Frank informed us at the clinic that in his estimation, Square Dancing was going down hill or losing out throughout many pockets of the country, but this seemed to be in direct proportion to the poor teaching of dancers and poor programming for calling at clubs. He had high praise for the square dance picture in Canada. The callers there are teaching huge classes (17 to 25 squares) and the club calling is excellent.

We admit that we haven't found the caller to instruct the perfect clinic to suit everyone - nor the caller to call the perfect dance to suit everyone - nor have we found the perfect hall where it isn't too hot or too cold; music too loud or too soft; floor too fast or too slow; not enough ice water or rest rooms, etc. But cheer up, we are working on these things for next year. Keep em' smiling and dancing.
