## Callers of the Month:

# Cliff Hendricks

The Hendricks have attended Square and Round Dance Festivals and Institutes for Teachers and Callers in seven States and Canada.

They took part in the Square and Round Dance program at the National Convention in Indianapolis. Chairman of the program and conducted Lake workshop for the Florida Round Dance Leaders at Kissimmee. Annually they conduct two basic Round Dance Classes and two Square Dance Classes. In 1968 they have two full weeks at the Rainbow Lake Lodge, Brevard, North Carolina June 25-July 5 Square Dance Week and July 6-July 12 Round Dance Week. Ted Ector of Miami and the Lecturers from Bradenton are on the staff. The Hendricks are active in the Suncoast Callers Association, Round Dance Council of Florida and Cliff is also the Treasurer of the Florida Callers Association.

Cliff attends each of his classes in the Square Dance field to the following program, which may be helpful to other readers. 1½ hour class, 1½ hour fun level, 1½ hour intermediate this makes six hour program for the evening but it also doubles or triples your attendance on dance night and adds incentive for the dancer as follows. On the fourth night of class they dance one-up with the fun level group and every two weeks after that they dance one-up with the fun level group, so that on the twelfth week, graduation, the class dances full the hours with the fun group for a total of three hours. The same procedure is used for the next twelve weeks classing them into the intermediate group.

By having two dances each week of this type one evening and one Saturday afternoon maintaining the same program in each class, then if a couple must miss the regular class they can attend the other and not fall behind. This also makes it possible for those who learn slowly to attend both classes and maintain class progress, thus cuts down on the dropouts. These two groups are leaders for the Henricks "Claverfoot Square Dance Club" which dances every week.

Lorraine is the Head Dance Instructor and has one group in a basic class weekly and one intermediate group of Head Dancers.

The Henricks devote full time to dancing and are always planning new ways to make their dance programs interesting and enjoyable and never forgetting our most important word,

## Dear Bow & Swing

We want to add our congratulations to the many you have already received about the fine new look of *Bow & Swing*, as well as the editorial contents. The pride and enthusiasm shown by members of the Florida Callers Association, fortifies the expert and smart that *Bow & Swing* can expect in the future.

We will be happy to take a packet of *Bow & Swing* to the 10th National Square Dance Convention being held June 25, 27, 28 at Seattle, for display at the Organized or Officers Hospitality Room. The Room at Seattle will be centrally located, convenient to all convention delegates, and has been provided with tables for the display of all square and round dance publications, educational material and any promotional material which will further the square and round dance movement.

We know we have a fine new Square Dance magazine, let's show it off to the rest of the country.

Sincerely,

Harry W. Eskin, M.D.  
Executive Committee

National Square Dance Council

Here are a few more ideas for the next *Bow & Swing*. I hope we can increase the interest in *Bow & Swing* through the Northeast Florida Square Dancers Association and the Gateway Callers Association as time progresses. You are off to a good start and I know it will be a good magazine. For the time being the dance's Association has asked me to be the contact with *Bow & Swing* in this area so if I can help you in any way please let me know.

It's time for the new Editor of **Box & Swing** to take another well deserved bow!! So far, each succeeding issue has surpassed the one before - also like the new 'pocketbook' size.

All Florida Square Dancers should be proud of the Florida Callers Association, for **Box & Swing** is their Official Publication. They have made a very good beginning but they do need a lot of help in the way of new subscriptions, renewals and also as much advertising as possible.

May I suggest that each club designate one person, possibly the Publicity Correspondent, to solicit new subscriptions from their club members? In this way we could really increase subscriptions and also show our new Editor and the Callers that we are backing them 100%.

Marge Brown  
Club reporter  
Ray West, Fla.

Just a few comments to the complainant of the "Noise" dancers who dance with exuberance (he calls it showing off). Square dancing is fun for the young, old and in-between ages and we all pay the same admission. The "Noise" referred to is not made during a call but rather at the conclusion of a successful movement.

Some "Senior" dancers make serious work of their dancing, complaining of others mistakes and also the mistakes of their partners and the callers and resent the fun and gaiety enjoyed by so many dancers. Fortunately, the intelligent dancer is in the minority.

Many dancers work at a job all day and are dancing to relax and forget the cares of the day. Square Dancing is fun for all and if this is not one's objective, perhaps it is time to "take to the rocking chair".

An Editorial:

# Henry Purcell

This Editorial is being written not to complain or gripe about a situation but rather to try to point out a problem that has plagued this magazine since it first began.

Everybody wishes the magazine well and hope we can succeed in up grading and improving the format, etc. Thanks for the kindly wishes, but how's about some help!!! In checking thru rather extensive files, I find less than one letter per month from Dancers and are mostly about personal pet gripes of the Writer. No Editorials, No Helpful suggestions (except minor ones). A lot of criticism (not constructive). Nothing that if printed, would or could help the overall picture of Square Dancing.

Letters have been written to Callers, Round Dance Instructors and other Leaders in Square Dancing, literally begging them to send in some kind or type of Editorial. The response has been awfully poor! The few editorials I have printed have been given by officers of the **Florida Callers Association** and the **Round Dance Council**. Why?? Because by telephoning and writing, I asked, no demanded, help from these people. In some cases, the people I have asked have expressed their eagerness to help **BUT** nothing was forthcoming. I have expressed a need for Dancer Editorials at various dances, I have attended. Lots of questions, but no results. **WHY??** Frankly, I don't know.

Trying to formulate a magazine, well balanced, with material from all facets of Square Dancing cannot be done without help and information from all of the facets. The magazine can quite easily become lop-sided and appear to lean toward one area more than others, simply because of lack of cooperation from all areas. A couple of examples: I have received personal letters from Square Dancers who wondered why their area was never written about in **Bow & Swing**. Simple answer. News is rarely re-

ceived from many areas. "Can't print news, without news". Or, "We never see anything about Round Dance activities". Answer, same old story-- "Can't print news without news". **Classic Example:** I personally and publicly made this statement in front of about 200 people at a recent gathering. Quote, "The **Bow & Swing** is your magazine as well as anybody's and if I receive enough material, I promise you at least a 50/50 magazine". End of Quote. Everybody seemed enthused at that time. HOWEVER, I have received a magnificent number of **exactly 3** letters since making the above statement in April of this year.

As Editor of **Bow & Swing**, I could probably sit back and take the majority of material from other Square Dance publications and grind out the same old magazine month after month. I feel sure you, as a reader and as a Square Dancer, don't want this as I am sure I wouldn't. So in picking up the challenge of trying to publish a magazine that the majority will enjoy, I find that I must throw this challenge to all people who read **Bow & Swing**. Either PUT UP or don't gripe about the future magazine- It's in your hands as well as mine, or the **Florida Callers Association**. **SEND YOUR MATERIAL NOW.**

## Callers' Corner

With this issue of **Bow & Swing**, the official publication for the **Florida Caller's Association**, the **Round Dancer's Council** and the **Dancer's Association**, the printing, financing and editing can be credited to the **Florida Caller's Association**.

With the help of Henry Purcell and his lovely wife Dottie, we intend to improve and enlarge this publication. This can only be achieved with the help of all clubs sending in their news and pictures. In this regard we are expecting an extra effort from each caller. We feel certain that all

beginners and club members will be anxious to have **Bow & Swing**. Particular emphasis will be placed on the round dance section with special articles and pictures, with the hope that only those who round dance will want **Bow & Swing** also. In other words, we are hoping to increase the writing talent of the publication, as well as having many more pictures.

As you know, the **State of Florida** has one of the strongest **Caller's Associations** in the United States and I'm sure that with a little effort on the part of every Caller, Club Association and officer, we will be able to increase the circulation, as well as the ties of all subscribers.

With the increase in circulation we should have an increase in advertising and eventually **Bow & Swing** will be self supporting. —Neal Blanchard

More than 180 dancers attended with representation from Georgia, Florida, South Carolina, North Carolina and Alabama. The dance was held in the Langdale Ford Showroom in Valdosta and the dancers wish to thank the company for the use of the Showroom. Bob is Recreation Director of the City of Los Angeles, California and is well known and respected for his tremendous clinics, as well as being a leading National Caller. I had the pleasure of attending the Lehigh clinic and can report that Bob held one of the most enlightening clinics I ever attended).

**An error was made and a correction is in order--The Jekyll Island Jamboree** is on the 15th, 16th and 17th of August instead of previously printed date.

The **Merry Twirlers** of Wilton Manors, accompanied by Bill, Louise and Dennis Roundtree, visited the **Sunshine Shufflers** of Naples, May 17th, where 16 dancers qualified for their "Knothead" badges. They took advantage of their trip to earn Square Ducks, Dolphins, Sand Fleas and other badges. Neal Blanchard, who was the **Shuffler's guest caller**, and his wife **Ruth**, joined the **Twirlers** for an Idiot Party and a surprise Birthday party for Louise Roundtree. The **Twirlers** dance every Saturday night at Hagen Hall, Wilton Manors, at 8 P.M. and visitors are assured of a warm welcome.

The Canaveral Squares new Officers: Top row, left to right: Robert Kniprath, Jim Johnson, Frank Smith. Bottom row: Mary Ellen Kniprath, Meredith Smith, Ruth Johnson and Janeen Smith.

**Canaveral Squares** of Cocoa announce their new officers: Frank and Janeen Smith, President; Jim and Ruth Johnson, Vice-President; Meredith Smith, Secretary; "Knip" and Mary Kniprath, Treasurer.

The **Key Hoppers** gave an Exhibition dance for the Moose Lodge in Marathon on May 17th. Johnny Walter, caller for the **Key Hoppers**, put two squares of dancers through the routines. Bernice Shone, reporter for the **Key Hoppers**, reports that Dick Puto has recovered from a recent operation and with his wife Diane is back dancing with the club.

The **Key Hoppers** of Marathon's caller Johnny Walter called a dance for the **Lamplighters** on May 30th and the following night three couples, the J. Gollars, the M. Nairins and the G. Scotts from the **Lamplighters** returned the visit. Also visiting was H. R. McCarty, Coast Guard, Key West.

The **Ocean Waves** of Miami Beach recently celebrated their **Seventh Anniversary** with a party attended by 40 couples. The affair was catered by Marcella with Italian goodies. Bob Markley, reporter for the **Ocean Waves**, says advance sales of tickets for the August 23rd Extravaganza are moving real good. The program calls for three dances with callers Jack Lasry and Frank Bedell. Admission \$1.50 per person. The **Ocean Waves** Guest caller schedule for July is: July 7th, George Campbell; July 14th, Jay Fenimore; July 21st, George Campbell and July 28th Frank Bedell. The club dances every Monday night at the North Shore Teenage Center, 72nd St. at Byron Avenue with Guest callers.

The **Nautical Wheelers** of Key West will Host the **First Annual Southernmost Mid-Summer Square Dance Festival** on July 19th. The dance will be held in air-conditioned comfort at the Old Mallory Square in Key West at 8 P.M. Sam Allison and Henry Purcell are callers for the evening. Sam is being accompanied by a bus load of his dancers from the West Coast area. Dancers from other areas are invited. Knothead badges, Southernmost Mariner badges (dancing aboard a ship) and numerous other events will be featured. Now is the chance to see the Historic City of Key West and to ride the "Road that goes to Sea". For motel and dance reservations contact Dottie Purcell 872-2593, Big Pine Key, Florida 33043. Deadline on reservations is July 15th. On May 23rd the **Nautical Wheelers** held graduation and initiation ceremonies for the new dancers of Henry Purcell's class. In addition to the graduation diplomas, Henry presented several faithful club members with "Arch Angels Certificates", a token of appreciation for their help with the class.

The **Key West Squares** of Key West were host for more than 70 dancers, May 31st, at a **Graduation Dinner-Dance** at the Boca Chica Chief's Club. Bob Andrews of Homestead will be the caller at a dance hosted by the **Squares** on August 2nd, at the Old City Hall. Area dancers are invited. Jim Morrison, a past President of the **Squares**, was back in town and showed up at several dances. Bob Finegan, a recent graduate of Steven Stevens, climbed all those steps at the Old City Hall, broken leg in a cast. Loyalty!!! Mary Post, reporter for the club, says before this issue is printed she and hubby Dewitt will have been "Back home in Indiana"

The **Star Promenaders** of Miami were visited on May 31st by 2 couples from **Boots N' Bows** with their caller and his wife, Vern and Wanetta Johnson and a square of dancers from the **Lamplighters** with their caller, Bert Bennett and his wife. Frank Bedell and the two visiting callers joined their talents and a wonderful dance was had by all. Ernie Canler made a new flyer with map and directions on how to find the **Star Promenaders**, who dance every Wednesday. Ernie reports the last week in August and all Wednesdays in September will be Guest Callers nights. Read the **Bow & Swing** for the announcement of the Guest callers.

The **Allemanders** of Satellite Beach reports they are quite perturbed with **Bow & Swing** as they are not listed correctly in the "Where to Dance" section. For this I wish to apologize and promise to do better after the magazine settles down from the changing of Editors, publishing firm, computer changes and all the other routine-upsetting incidences.

For the record: The **Allemanders** of Satellite Beach dance at the Satellite Beach Civic Center, Cassia Blvd. Guest Callers, S-V-OV-I-AC. Howard Hughes, President. 356 Dover St., Satellite Beach, 262-7408.

Charlie and Madeline Lovelace

R/D Instructor of the Month:

## Charlie and Madeline Lovelace

Charlie, Vice President of the **Round Dance Council of Florida** and Madeline Lovelace from Tampa started round dancing nine years ago with Ed and Kay Mack. Their first teaching experience came a few years later when they became members of a round dance group called "**Ten Little Indians**". Each of the members took turns teaching a dance but before long Charlie was doing most of the teaching.

When Fran and Vern Junkin joined the **Vista Program**, they asked the Lovelaces to take their place as Round Dance Instructors for the **Tampa Recreation Dept.** They have been working for the Recreation Dept. in Tampa for three years holding classes and cueing rounds for square dancers three nights a week.

Charlie, who is a former National and World record holder at racing Hydroplanes, now spends all his free time

sailing. Their three children, Sheila, Susan and Alan are looking forward to a week-end cruise if their parents can find a free week-end!!

Charlie and Madeline have taught rounds at the **Okefenokee Square Up** in Waycross, Ga., **Dance-A-Day** in Lakeland and **Ancient City Squares** in St. Augustine plus the **Beachcomber Weekend** in Daytona. This year they are in charge of the Round Dance Program for the **Florida State Square and Round Dance** convention being held in Tampa. ### News A-Round Florida:

Byrdie and Marty Martin's Basic Round Dance class held at the Woman's Club, 59 Lake Morton Dr., Lakeland, Fla., graduated 17 couples on June 12th. Mel Clark's recent class sponsored the set of ten lessons and were joined by couples from Auburndale's **Sunshine Swingers**, Plant City's **Strawberry Strollers** and Bill Kegley's **Swinging Gingham**s. Nobody knows who enjoyed the set of lessons the most, the instructors, the class or the cheering section of **Lakeland Round Dancers**. The Martin's announce a series of ten dances to be held at the Woman's Club starting Thursday, July 24th, to continue every Thursday thru September 25th to bring these beginners to intermediate dancer status. All Round dancers of the area are invited to come and dance, enjoy and encourage this fine beginner class. New basic Round Dance class to start on October 2nd at the Woman's Club. These lessons will continue every Thursday thru December 11th. Here after the Martin's plan only one basic class in Rounds each year. Information can be obtained by writing A.R. Martin--P.O. Box 575, Plant City, Florida 33566.

The **Round Dancers Clubs** from Jacksonville area have chosen for the month of July, the dance "Tango Myra" as the Round Dancers Round of the month, and "Makin Eyes" as the Square Dancers Round of the month. "Tango Myra" was written by Bunnie and Nello Bondi of Gordon Grove, California and "Makin Eyes" was written by Bob and Evelyn Supko of Clearfield, Pa.

The **Rythmaires R/D club** of Jacksonville dance every Tuesday night at the Southside Youth Center. At present the club is working on the dance "Feeling". Harry Radvansky, club President and wife Dottie, along with Helen Grout, reporter for the club, were guests at a party given by the club in honor of their Birthdays. Also honored were Lucius and Thelma Nelson on their 30th Wedding Anniversary at the same party.

The **Roundoleers R/D club** of Jacksonville dances every Wednesday night at the Woodstock Youth Center. Joan and 'Footy' Reynolds recently taught the club "Enchantress"

The **Rythmaires** and the **Roundoleers** are planning a joint Camp-out at Orange City on July 19th. All dancers are welcome. There will be a workshop on styling and a lot of Rounds.

This Editor received the magazine "The Dancer Magazine" published monthly at Portland, Oregon. Upon opening the magazine, the first thing I saw was Charlie and Madeline Lovelace's new dance "Bring Me Sunshine". For you dancers who wish the Lovelace's new dance, it's on RCA Victor No. 47-9684-Bring Me Sunshine-Willie Nelson. Note aside to Charlie: I'm not much of a "tippie-toe dancer but the next time we meet, the first thing you must do is teach me the dance. It looks good--Congratulations, keep 'em coming. Ed.

The FCA President Speaks:

## President's Corner

Are Callers being paid sufficiently for their services? This is a question I'm sure we as callers have asked ourselves many times and find it difficult to come up with an answer that fits all situations.

Let's take the situation of a caller who calls regularly for a club on a weekly or bi-monthly basis. Assuming he is married it is probable that his wife goes with him most all the time, the club then actually gets the services of two people since the wife is expected to help out at many spots during the night. In addition, the caller is usually expected to furnish a PA system, records and mike. It has been estimated a caller will have spent approximately two hours somewhere along the line, practicing, researching, studying notes or attending clinics, all at his expense, for each hour spent at a dance. This then would make approximately 9 hours of work involved for the caller alone for each dance called. Add this to the time spent by the wife at the dance, not to mention the many errands and phone calls handled during the week, and you come up with a total of 12 - 14 hours total

work involved for the caller-wife team. Let us assume a good PA system rents for a minimum of \$15.00 per night. (Remember the caller delivers, sets up and removes the system in addition to furnishing the records and mike). Add to this the travel expense at a minimum of 10¢ a mile and we begin to get a picture of the revenue needed to break even, that is to cover expenses and put something aside for future equipment replacement. Let us now take a look at a hypothetical case. Caller "A" travels regularly 30 miles one way to call for club "X" weekly, and is paid \$45.00 each dance. 60 miles at 10¢ per mile---\$6.00, equipment rental---\$15.00 totals \$21.00 leaving a fee for calling services of only \$24.00 for approximately 12 hours work for the caller-wife team.

Is this enough? Hardly the standard of a professional. To the dancers and club officers I say It's time we did some serious thinking and consider paying the caller well and in return expect a dance in proportion to the amount he is paid. I do not mean a hot rod, old Buster type dance but one that all dancers can enjoy. Pay him well and let him know you expect him to have good equipment, be on time and use variety in his dance. Also ask him when he last attended a clinic to improve himself, no one has yet become so good he need not improve. If your treasury wont stand an increase in your callers pay, you might check your dues and guest fees. Are they the same as they were 5 - 10 years ago? If so something should be done now to correct the situation, Everything else has gone up in price, how can we expect to stay down and survive and grow? I ask each and every club officer to stop and think, analyze your situation and be fair to your club and your caller. Let's upgrade Square Dancing not hold it down. **Why not pay your caller better and expect a better caller.**

Vern Johnson  
President FCA
