CALLER OF THE MONTH

COLIN WALTON
"The Tiny Limey"

A Little Guy With A Big White Hat!

Have you ever really taken a good look at the little British immigrant in our midst? Now where in these great United States can you find a guy with a Love for one's Country, like he holds for this one he has adopted? Needless to say you will never hear him emit a line such as "This is my own native land" but did you ever see how tall he is when you face our Flag and play the National Anthem? What's it like to be an American? Don't ask unless you're ready to become a patriot. "I believe" just isn't a song to him. He's one of those guys who give so much and ask so little. He might not be a Nathan Hale or a Patrick Henry but he is our Colin Walton.

Colin was born in Birmingham, England and began his stage career at the age of three, as a performer in his parents dancing school. He was introduced to Square Dancing in August 1949, when he lived in Highcliffe, Hampshire and called his first dance in December 1949. For about three years he called and taught dancers in this area of southern England, without contact with other callers except for occasional trips to London for Jamboree dances and Festivals.

The formation of the Callers Club of Great Britain and the British Association of American Square Dance Clubs served to promote more interest in Square Dancing and Colin Served as Secretary to the Callers Club and was President of the Association during the year of their First Festival at Beaulieu Abbey in 1959. He had also attended the Labor Day Round-Up Festivals in Chiemsee and Wiesbaden, becoming a Charter member of the European Association of Square Dance Callers, Teachers and Leaders.

In the Spring of 1959, Colin moved from Southampton area north to St.

Dear Bow & Swing

Dear Henry;

First let me say we have been subscribers of **Bow & Swing** for years and want to add our congratulations on your new look and wishes for success.

I may be a little late with comments on your editorial, page 6 August issue, but my husband is retired, 17 years, and we have been **Air-streaming** 15 years, and only receive our mail about every two weeks. We, like thousands of other people, leave Florida by May 1st and usually return by mid November. Therefore, we miss the Florida S/D Convention and the Knothead Konvention. Your suggestion to change the convention date to mid-April sounds great and I feel sure the attendance would show a marked increase. Many tourists and retired dancers would delay leaving Florida in order to attend the convention. We are also in complete accord with your other suggestions in the editorial.

We are from Daytona Beach but our mailing address is Baton Rouge, La. Squarely;

Ed and Vera Farris

Dear Henry;

I hate to be so easy to get along with, but I find I heartily agree with all the proposals put forth in your August Editorial. We felt the lack of good club level dancing in the daytime, also missed panel or talk sessions which could be held in late mornings. We are very much in favor of changing from June to an earlier time. We're agonizing now over how to make both the State and National Conventions next year. I think an earlier date might avoid conflict with other kinds of vacation plans too.

An Editorial:

Henry Purcell

Once again, I have gone and upset somebody. This time, the Publisher (Stanley Printing) of **Bow & Swing**. I apologize, however, I did want to wait until after the Fall Clinic and Business meeting October 17-19, to write this article and have it printed in the November issue. (This is 15 days after deadline!) However being a very nice person, Stan agreed to hold the space for me. Sooooooo here goes! The new officers of the **FCA** are: Neal Blanchard, President; Chuck Durant, Vice-President; Roger Chapman, Secretary; Cliff Hendricks, Treasurer. These officers were elected at the meeting held at the Colonades Beach Hotel, Riviera Beach on October 19th. Vern Johnson outgoing President, was given a long sustained standing ovation by the **FCA** members for the magnificent job he performed while in office.

Frank Lane was the Moderator for the clinic, attended by more than 70 callers from all over Florida (one from Georgia). Frank touched upon many facets of calling techniques and tried to illustrate the importance of each caller being well prepared for his class, workshop and/or dance. 25 squares of dancers enjoyed the calling of Frank at the Saturday night dance.

Many important items of business were on the agenda, one item brought forth was the pressing need for more subscriptions and ads for **Bow & Swing**. The new look for **Bow & Swing** was discussed. (More about this later). Three tentative dates were picked for the State Conventions. 1. Memorial Day Weekend. 2. The third weekend in April. 3. A date earlier than April. **YOU**, the readers of this article, are invited (urged) to write Chuck Durant, Vice-President of the **FCA** (address in Callers Guide) and express your opinion and desires on this all important matter. Your letters will be one of the biggest determining factors of this change. **PLEASE WRITE NOW - DON'T DELAY.**

Teaching the Round of the Month:

"You're The Cream In My Coffee"
Grenn record 14123

There are several parts of this dance that you may want to repeat in order to give your newer dancers practice. An old singing call record can give them the beat until they get the footwork. Round Dances consist of beats of music and groups of beats called measures. The beats are separated by comma's and the measures (meas) by semi-colons. A meas. would have,,; with directions between the comma's and semi-colon. The footwork for this dance is opposite, meaning the man (M) starts with his left (L) foot and the woman (W) starts with her right (R) foot. The directions are for the M, usually the W does just the opposite.

The introduction (Intro) gives the dancers a chance to get ready. In this dance you are in open position facing (OP facing) each other with the M's R and the W's L hands joined- The M is facing the wall. Wait 2 meas or 8 beats then step apart (M on L, W on R), and hold one beat

ART AND DOROTHEA BRAMMEIER

Art and Dorothea Brammeier of Melbourne, Florida, are the Round Dance Instructors of the Month for November.

Art and Dorothea Brammeier started round dancing in 1955 on the same night they started square dancing, because their Minnesota caller believed that square and round dancing belong together.

After moving into the house Dorothea designed, and Art built in Melbourne in 1957, they continued their round dance training by attending the leaders training short course at the University of Florida in Gainesville in the summer of 1958. In 1961 they attended Frank Hamilton's Round Dance Teacher's Institute at Bottsford Inn in Michigan.

Their Round Dance Club Stars in Orbit was started in 1960 and for several years danced one night in Melbourne and one night in Eau Gallie each week. In 1963 they started working with the Eau Gallie Recreation Department and since then have taught only in Eau Gallie, dancing Saturday night at the Adult club until April 1968 when they changed to Teen Center and Monday night. They

teach basics early, with Club dancing starting at 8:15 the same night.

Art and Dorothea attended the first **Holiday for Rounds** in 1959 in Clearwater after which the Round Dance Council was organized. They have been members of the Council since March 1960; taught **Catwalk** at the first Annual Holiday for Rounds of the Round Dance Council held in Lakeland in 1960 and have never missed one of the Council's Festivals.

Together they have spent 4 years as officers of the Council, having served as Vice-President 1962, President 1967, besides the two years Dorothea served as Treasurer 1965 and 1966. The past two years Dorothea has spent researching and writing the history of the Round Dance Council which has been compiled into a souvenir booklet with the program of the 1969 Festival, to be given to Council members and to visitors attending the Tenth Annual Festival of Rounds held at the Cape Kennedy Hilton in 1969.

One of the biggest thrills of Art's teaching years was in 1963 when he opened the round dance teaching program at the National Convention in St. Paul with the teaching of Hi Lili Hi Lo. With all convention round dancers in one hall, before they were divided into 2 halls for easy and advanced teaching, there were four circles around the room leaving only a small oval space in the center for Art and Dorothea to demonstrate. It was difficult to see space between the circles of dancers, but when that **Human Sea** of dancers started to move in the waves made by the rhythm of that waltz, it was a beautiful sight to behold. Art and Dorothea are still meeting people from many areas, whom they have never known before, who were on that floor that day and remember the dance.

No, Art is not retired, he still works full time at Patrick Air Force Base and Dorothea has been selling Avon since October 1960.

(Continued from Page 3)

Albans (near London). A casual visit to the nearest local square dance in Harrow proved most eventful. Here he renewed acquaintance with various fans including one named Peggy. They were married in October 1959 and about a month later sponsored a flight to Paris with 36 dancers who thoroughly enjoyed the Festival in spite of delays through foggy weather.

In October 1960, Colin and Peggy flew to New York as immigrants, sponsored by square dancers in Pa. Colin's first Florida calling date was for the City of Miami Beach Recreation Department at their 10th Street Auditorium on New Year's Eve, 1960. Since that time he has been featured regularly all over the State of Florida, including the Chairmanship of the Exhibitions at the National Convention in Miami in 1962, four years in office for the Florida Callers Association, (currently Director at Large). Out of State Festivals include the Star Spangled Banner Festival in Baltimore and Rainbow Lodge in Brevard, N.C. Colin and Peggy are Chairmen

of the 1970 Reunion of Overseas Dancers which will be held at the Colonades Hotel, Palm Beach Shores.

The Walton's have one child, a daughter named Wendy, who considers all square dancers as Kinfolk with a special feeling for club members of the **Cross Trailers of Deerfield Beach.**

Colin's trade is Industrial Electronics and Control Engineering. Formerly an employee of Honeywell and I.T.T., he now operated his own Electronics business and will shortly put on the market, his own PA system for callers.

FUN EVERY FRIDAY

R/D Council of Fla. News

Ted and Lois Mack have a real program scheduled for Sunday October 5th at **Holiday Park, Ft. Lauderdale.** They are taking their new Travel Trailer along so as to relax between sessions. Their new beginners class starts at 2:30. The **Mack Dancers**, an exhibition group, practice at 7 p.m. and the **Holiday Steppers** dance from 8 til 11 p.m. A very busy day. The **Holiday Steppers** had as their guest Tom and Lucille Ferguson of Bradenton and they did an exhibition of Real 'True Lovin' and real nice. Good to see so many of the **Steppers** returning from vacation. Ted and Lois had a letter from the Holemans, Jimmy and Vi, and they said the Mack's Dance group Harper Valley Cha Cha is going real big in Texas. Same thing in Corpus Christi and everywhere else they danced it. They said the dance is just plain **FUN** and they received so much applause. Holiday Rag, the **Holiday Steppers** theme dance, is becoming more popular now since it's on the flip of the latest Frenchy Brown release. The dance for Holiday Rag is Wall St. Rag. When I hear comments against POP recordings for Round Dances, I think we should just keep dancing and enjoy wonderful music, pop or otherwise. Ted and Lois recently taught You Knew All The Time, All Night, and the Carters' Symphony at **Holiday Steppers Club.** They also do Let's Dance, Moonlight Romance, It's Almost Tomorrow, Tango Maya, The Gang, In The Gloaming, Because Of You, Fascination, Walkin' To Kansas City, Forever My Love, Lazy Quick Step, Feelin', Bicycle Waltz, Fooled Again, Riviere De Lune, Broken Dreams, Moonlight Brings Memories and others.

The Mack's **Holiday Rounders Club** are enjoying the new Rounds Ted & Lois taught them this month from One Of These Songs, It Had To Be

You, and Like I Love You. Frank and Kitty Hamblin have asked Ted and Lois to take over their Rhythm Rounders Club as they have decided to give up teaching. They asked the Mack's to conduct the dance as they have in the past and including their Request List. We sincerely hope **Kitty and Frank** will visit this group often as everyone misses them. Ted and Lois conducted the dance Wednesday from 7:30 to 10 P.M. at Oakland Park Recreation Center, Ft. Lauderdale with about 20 couples attending.

Mary Leitheusers "**Starlighters**" club has re-opened and the cute Walkin to Kansas City was taught and well received. The Starlighters are preparing for an exhibition at the Cresthaven Condominium. They will do the old but lovely Coconut Grove, Blue Dancing Shoes, Tango Mannita, Fraulein, The Waltz Quadrille, Tango Maya, Mixes and square dancing. Guests visiting the **Starlighters** last week were Tom and Inez O'Brien.

Fourth Sunday Round Dancers met September 28th at the Orlando Utilities Indian River Plant, South of Titusville, Fla. Dancing commenced at 2 P.M. and along with Let's Swing and Latin Lovers, taught by K.O. and Phyllis Williams, a program of new and old Rounds were danced throughout the afternoon. Among the dances programmed at the September meeting were Kalua Shag, Walkin to Kansas City, Kon Tiki, Like I Love You, Columbus Blues, Candy Kisses, I Get The Blues, Real True Lovin, Feelin and others.

We are sorry to note that Margaret Baumbach is in Halifax Hospital, in Daytona Beach, undergoing surgery. We hope she has a very speedy recovery and is able to join us again soon.

Due to the recent death of her husband, Andrew, teacher Mary Leitheuser has cancelled all dances at the **Starlighters club** in Lake Worth.

DANCE GOES THRU TWICE - THEN STEP APART AND ACKNOWLEDGE

Over the past 25 years, American Round Dancing has developed a terminology of it's own. At each National Square and Round Dance Convention, panels meet and discuss what terms shall be accepted as standard. For the most part, Round Dance cue sheets conform to those descriptions.

Let's take the Round of the Month for October, **It Had To Be You**, and break it down according to standard terms. The dance is written by Phyl and Frank Lehnert. Footwork - opposite throughout, directions are for man. This is important, as it indicates that when the man is stepping on his left foot, the Lady is stepping on her right. In this dance, the weight is always on opposite feet for the man and the lady.

The **Intro** is short for introduction. It is often included in a dance to give the dancers a chance to pick up the beat. In this case, you wait two measures or 8 beats before starting the intro. In the fine print, it says you are in open position facing (OP-facing) man (M) facing the wall. This means that the M is facing the Lady (W) and the wall with his right (R) hand and her left (L) hands joined. From now on in the large print, you will notice a series of words or dashes (-) separated by comma's and semi colons. Every 3 comma's are followed by a semi colon. This indicated one measure of music. All Round Dances are broken down into series of steps (beats), phrases (measures) and sequences (combinations of steps). Now back to the intro. After waiting two meas (measures); on the first beat you step apart, hold (-) the second beat, point on the third, and - (The - indicates hold) the fourth; The M's weight has been on his L foot all this first meas. and he pnts (points) with his R foot. Now in the second meas he steps toward the W on his R -, Tch (touches) his L to his R but

Mr. and Mrs. Bob Bennett. Bob is Laison Reporter from North of the Border.

First of all let me start out by saying that our trip to **Texas, Oklahoma, Arkansas and Tennessee** and back home was a real success. We had some real good dances and met some of the finest folks anywhere. I will tell you this, there are many miles of miles in Texas and Oklahoma, but some beautiful countryside. This country of ours sure does have some beautiful sights to see, if one gets the chance to travel around and see them.

The Swingin' Squares had a wonderful dance with C.O. Guest Dallas, Texas and wish that more could have attended. C.O. was his fine usual self and did some fine calling.

The dance at **Sears** was a real success and lots of people enjoyed seeing our style of Square Dancing and made a lot of comment. The management was very pleased and we hope to be back dancing there again.

At a covered dish supper, the **Swingin' Squares** enjoyed more food than anyone could ever hope to dispose of. There was a wonderful crowd and lots of good dancing. We did some old and new, as we had visitors who had not danced in quite some time and we just all **had fun**. We had some visitors from Jacksonville and as always we enjoyed having folks visit with us and wish more could make their way here.

The Swingin' Squares started a beginner class on October 7th. The class will be conducted at the Car-

den Center, starting at 8 P.M. The **Swingin' Squares** enjoyed their dance on September 26th with Audie Lowe doing the calling and it was reported to me that he did a **bang up job**. We appreciate having folks around like Clara and Audie Lowe. They do a wonderful job with Rounds in our area and they are starting a new class of Rounds in Waycross, Ga. on Monday, October 6th at the Auditorium. We hope them all the success possible. The **Squares** Halloween dance is scheduled for October 24th.

The Kat Kickers Club of Valdosta, Georgia, started a new class of beginners on September 16th at the Loundes Country Welfare Office.

Don Franklin from Colorado will be at the National Guard Armory in Albany, Ga. on October 21st.

The Bob Van Antwerp Callers Clinic looks like it will be a real success. More about **that** later.

The Dixie Federation Callers Association had their regular monthly meeting on Sunday, September 28th at the YMCA, Thomasville, Ga. At this meeting they decided to have Willard Orlich conduct a Caller Clinic in Albany, Ga., on March 27th and 28th, 1970 at the National Guard Armory. We hope that all callers can make this one. In the Fall the Association is planning on having Jack Lasry of Miami, Florida, conduct a clinic on October 10th, 1970, place to be announced later.

Governor Lester Maddox declared October 4-11 as Square Dance Week in Georgia with a Proclamation to this effect. We hope all will join in making this a successful week.

club celebrated their 6th Anniversary on October 3rd with a buffet supper and dance called by Ernie Bass. Callers for the month of November for the **Rhythmaires** are: Ernie Bass November 7th; Jack Lasry November 14th. Visitors welcome.

Westernaires of Miami are reporting on November 22nd a Thanksgiving **Pot-luck** supper which proved to be a very successful event last year. The club will furnish turkey and members and guests will bring casseroles and desserts. Tickets will be sold and the person holding the lucky number at the drawing will receive a free Thanksgiving turkey. Supper will be served at 6:30 P.M. followed by dancing at 8 - 11 P.M. at Trails End 18160 N.W. 2nd Ave., Miami. The **Westernaires** have been visiting area clubs each week and always extend a friendly welcome to the many guests who attend their club dances.

The Key West Squares started their new class on October 30th with caller Steve Stevens. Steve began his Round Dance class on October 9th. An **Eager Beaver** week was danced by the club with visitation to the **Nautical Wheelers** on October 24th. The highlight of the week was a Masquerade party. The **Die Hard** badge was also earned by the dancers. **The Nautical Wheelers of Key West** did it again!!! Yep, sore fingers and thumbs time again. On Sept. 28th 17 members of the **Wheelers** gathered at **Stanley Printing in Marathon** and collated the October issue of **Bow & Swing**. When finished, all workers, (and they really worked) went to Dottie and Henry's (Purcell) abode where a buffet supper was enjoyed by all...a seemingly woeful and inadequate **THANKS AGAIN GANG!** **The Nautical Wheelers** will hold their Annual Christmas party on December 19th at the Holiday Inn, All Square dancers in the area are

The caller bookings for the month of November for this club are; George Campbell November 3rd; Jay Fenimore November 10th; George Campbell November 17 and Colin Walton November 14th.

The Key Hoppers of Marathon drove up to Homestead a few weeks ago, to dance with the **Florida Crackers**. At the end of the evening Walter Shone, club President, stole their banner and the **Key Hoppers** are hoping to see the **Florida Crackers** in Marathon real soon.

Good Luck and Best Wishes go out to **Key Hoppers** Bud and Madonna Thomas, Armond and Murielle Peltier, who on Friday October 10th opened a new grocery store **Market Basket on Big Pine Key**. Also **Best Wishes** are in store for Linda Shone of the **Key Hoppers** who on November 7th will become Mrs. Michael Lueders. The **Key Hoppers** are hoping that Michael will be among the new dancers in their fall class as they sure would hate to lose Linda as a Square dancer.

We had a big dance the 20th of Sept. with Jim Rice and a **live band**. We had 20 Squares shuffling and swinging. October 17th our 3rd annual Football dance (Bigroot Hosts) at Slovak Gardens with Bob Rust doing the calling. A great time was had by all.

EASTCOAST FLORIDA NEWS

For November, the **ECD** dance will be replaced by the Melbourne **Missile Twisters Annual Harvest Moon Ball**, this year held at Indialantic Beach near Melbourne. The Daytona Beachcombers held their 8th Annual Beachcombers Weekend on September 18th and 19th. Sally Rhodes, reporter for the club sent pictures of the affair. (see photos) and reports the event was a sell out. Bob Rust and Bobby Keefe

were the featured callers for the event, which is becoming quite an affair. Plans are being made for next year's week-end, which will be bigger and better than ever. (When formulated the plans, callers, dates etc. will be published and you can say "I saw it in the Bow & Swing"..Ed.)

On a rainy Sunday afternoon in Sept. the **Allemanders** chased away the gloom for the patients at the Caregie Gardens Nursing Home in Melbourne. Bill Maryuis, class instructor for the **Allemanders**, did the calling. It was a wonderful feeling to see those wasted fingers tapping the arms of wheelchairs in time with the music and to see those faces light up. What joy it would give these forgotten Senior Citizens if more clubs would participate in dancing for the pleasure of others as well as for ourselves.

Titusville Twirl-A-Ways have been busy with exhibition dances at the shopping malls during the past month, as part of their Annual Membership drive. Special activities, visiting dancers and visitors who were eager to learn how made for an exciting evening at Open House on Friday, September 26th, at South Lake School. keeps weight on R, and -; It says that at this point they blend to semi closed position (SCP) Facing Line of Dance (LOD). LOD is an imaginary circle counterclockwise around the hall. In SCP the M's L and W's R hands are joined extended comfortably for the W about even with her eyes. The M's R hand is resting on the W's back, just below the shoulder blade. The W's L hand is resting lightly on the M's shoulder. The M is facing diagonally (Diag) towards LOD and the wall. The W is facing Diag center of hall (COH) and LOD.

PART "A"

In SCP the dancers do two fwd two-steps down LOD. That is a step, close, step,-; step, Cl (close), step,-; At this point the M turns to face the wall and the W turns to face COH retaining same hand positions as in SCP. The dancers are now in CP (closed position), M facing the wall In this position they do a full box. Side, Cl, fwd,-; Side, Cl, Back,-; In the next two meas the M will do a Side L, Cl R, Side L, Tch R; Side R, Cl L, Side R, Tch L; (at the same time the W will make a R face twirl under the M's L hand, R, L, R, Tch; and then a L face reverse twirl, L, R, L, Tch; returning to where she started) The dancers are now back in CP facing wall, ready for two turning two/steps. If your dancers have never done a turning two/step, it is easier to teach it to them without their knowing it. Have them stay in CO facing wall and do a Side L, Cl R Side L,-; and a side R, Cl L, Side R,-; a few times back and forth. After a while suggest that they vary it a little by doing a Side L, Cl R, Turn L (be sure to stress that this turn is towards the R,-; and a turn R, Cl L, turn R,-; After a few tries they will be able to complete R face turn in two meas to end facing the wall. After they have done it, you can startle them by telling them what they have done. You have just completed Part A. In this dance Part A is done twice, so you do everything over again, except the intro, which is only

done once.

PART "B"

The dancers are again in SCP facing LOD. They now do what is called a 4 count hitch, which consists of: fwd L, Cl R, Back L, Cl R; You will notice there is no hold in that meas, which makes it a little sticky for beginners. To relieve the pressure after the hitch, they have called for two slow walking steps indicated as; walk,-, 2,-; We now have another sticky sequence. The M takes 3 small steps L, R, L, Tch; to end facing LOD slightly Diag to the wall, (The W does a R face twirl in 3 steps R, L, R, Tch; to end facing RLOD reverse line of dance slightly Diag to COH). Both hands are joined immediately, and for a very brief time the dancers are in Bfly (Butterfly) position Retaining both hand holds and keeping the M's L hand high enough for the W to get under it, the M does 3 steps and a Tch in place, (The W makes a L face ½ turn wrapping herself into the M's arms. The W is on the R side of the M and both are facing Diag LOD and wall. You might have to try this a few times before you can do it to the music. To unwrap, let go of the M's L hand and W's R and let the W spin out to face the M. It is done in 3 steps and a Tch; While the W is unwrapping the man turns slightly R to face the wall. They are now in OP facing M facing wall. The next series of steps is called a scissors. There are several kinds of scissors, this one is called a scissors Thru side R, Cl L, Cross R in front of L,-; Both cross in front (XIF) on the third step which makes it a scissors thru. To finish "B" the dancers blend to CP facing wall and do two R turning two/steps. Part "B" is also done twice.

The sequence of the dance is: Intro A A B B A A B B Tag The Tag for this dance is very easy. The M steps apart on L and Bows, the W steps back on R and curtseys, which is the description of a standard acknowledgement. Both smile.

President's Corner

FCA PRESIDENT SPEAKS

A new fiscal year has begun for the **Florida Callers Association** with some new officers who are looking forward to serving you in the best manner that we know how.

It has been a real experience for me to be an officer of the **FCA** for the past three years, and with Past President, Vern Johnson living just a few blocks from me, it has made it easy and convenient to discuss any **FCA** business.

Your officers are now distributed around the state so that most discussions will take place over long distance wires, but I am sure we will get the jobs done.

If any caller is picked for an officer's post I do hope that he will graciously accept and give it all he has. The work that these jobs entail is far offset by the experience and the lasting friendships that he will make.

Keep smiling and keep them dancing.

... Neal Blanchard

PAST PRESIDENT SPEAKS

As you read this Editorial, I will no longer be in office as President of the **FCA**. I would like therefore to recap the year and ask that each of you get behind the present officers with your wholehearted support and keep Square Dancing on the upswing.

Our **biggest** venture of the year of course, has been the takeover of **BOW & SWING**. Many changes have been made in the magazine and many more will be forthcoming in the months to come. A **special Thank You** to Dottie and Henry Purcell for a job extremely well done. I ask that you support the magazine as much as you can. We the callers have spared no expense

or effort to bring to you the type of magazine you deserve, and I'm sure the current officers will continue in the same direction.

Another Editorial carried the suggestion that clubs dancing on Friday or Saturday declare the third weekend of October each year a "**Callers Holiday**" to enable callers to attend our clinic at this time. My suggestion was to also consider paying your caller for the dance he would have normally called so he would have no reason not to attend. All callers should plan to attend at least one of our clinics each year. I still ask each club to consider this suggestion. You as well as your caller have an obligation to do what you can to promote square dancing.

In closing, let me say it is my hope that I have made all the right decisions, although I realize this is not possible, and if I have done or said anything to offend anyone please accept my humble apology. I will also stand ready to help when and where I can to further square dancing.
