CALLER OF THE MONTH

ROGER CHAPMAN

Born in Georgia but moved to Florida at age of six weeks (considers himself a Florida Cracker.)

Roger and Mary Jane learned to square dance in 1958 and after a year of dancing and 5 nites a week Roger decided to try his hand at calling. Gathering together a group of his friends as "students" Roger became their "teacher", both learned very well, Roger becoming one of Florida's top callers and the students became his first club, the Suzy Q's.

The past six years Roger has traveled extensively in the South-eastern part of the country currently is calling 5 or 6 nites a week. He keeps himself pretty busy in his spare time with his own ceramic tile business and 3 lovely children, Debby, Denise and Tiger.

Roger has worked on Staff of many festivals, most recent, **FUN FEST of Fontana and Florida Winter Fest** in Miami. His deepest interest is to continue to improve local program which has been very successful for past 6 years. Teaches at least one class every year and graduates them into his **Sunshine Swingers Club**.

Dear

Bow & Swing

Dear Editor:

Thousands of words have been written, endless discussions held and countless hours spent on drop-outs. Needless to say, during classes and the first few months of club dancing there are things we must do to make the new dancers feel at home. But after that they should be able to join us and need no special attention.

Reasons for dropping out are many and those of health, business, children etc. are probably good. But what of those concerning the unkind word, the thoughtless act or the apparent snub, reason or excuse? These persons would have to resign from the human race. At places where more than one caller and club are within easy reach, too many new figures or the club is not friendly, reason or excuse? To these it isn't worth the effort. The dropout has been exposed to Square Dancing, they know who to contact when they are ready to come back.

The philosophy of something for nothing is false! The Square Dancer makes the effort to understand the apparent snub or thoughtless act. He makes the effort to learn a new figure. He makes the effort to be friendly and courteous. He makes the effort to offer help where and when needed. He makes the effort to be **nice people**, thus the expression "Square Dancers are the Nicest People" is so often heard. The Square Dancers made the effort, the dropout did not, so let's quit worrying about the dropout!

An Editorial:

Henry Purcell

This month just a few lines from me. As you see, there has been response to my past editorials of the past. **GOOD!** but not enough. **GROAN.** There are many good thoughts in the letters I have published this month. Some I agree with, some I don't. However, good or bad, they all show one thing - an interest in square dancing. (Pause for reflection) I keep saying and writing "Square Dancing". Can anyone coin a phrase or word that would mean Round dancing and Square dancing together? Being a caller, I somewhat naturally say Square Dancing, but in my mind I am saying Square and Round dancing. I feel that Round dancing is an integral part of Square Dancing and the two should never be separated, at least in thought. Yet I find myself excluding Round Dancing when speaking or writing about Square Dancing. To all of you Round dancers - this is not a deliberate oversight on my part, I will try to correct this in the future - personally and Editorially.

In the November issue, the answers to a set of questions placed before Dave Taylor and Singin' Sam Mitchell in an interview, at the recent Knothead Konvention, will be published. The questions include what do you do about drop-outs? What can club callers and dancers do to improve Square dancing? Questions on the "Basics program". Should be quite interesting. Don't miss it.

TED AND LOIS MACK

Ted & Lois Mack, BOW & SWING'S October Instructor of the Month

Ted and Lois Mack effect a unique combination as round dance instructors. Their beginners class; the **Holiday Rounders** (intermediate) the **Holiday Steppers** (advanced) and the **Mack Dancers** (exhibition) involve them in all phases of round dance leadership. They present to all their groups a stimulation and challenging format.

Both Ted and Lois have enjoyed unlimited exposure to the dance picture including squares, folk, ballroom and rounds. Lois had training in ballroom technique and Ted is a past instructor for Gene Kelly Studios. They have been members of the Florida Round Dance Council for almost 11 years and have been active in various conventions, State and National, and served on the staff of a number of Round Dance Festivals in the Florida area. Most recently they taught at the Fall Festival of the Florida Round Dance Council at Lehigh Acres in November 1967 and they taught at the Spring Festival of the same Council in Lakeland in March 1968. They were chairmen of

the Round Dance Council's Spring Festival (April of this year) at the Governor's Club in Ft. Lauderdale. June this year, was a very busy month for Ted and Lois as they taught at the State Convention in Tampa and one week later were teaching at the National Convention in Seattle, Washington.

In 1963, Ted and Lois were recruited by the Ft. Lauderdale Recreation Department to teach Rounds in Holiday Park and from this encounter they have gone on to foster one of the most complete programs of Rounds in the area.

Dances choreographed and published by Ted and Lois are; Holiday Rag, Wheel of Hurt, Comin' In the Back Door, Dream Street Rose, and Harper Valley Cha Cha.

A semi-annual affair that is looked forward to by Round dancers is the Day of Rounds sponsored by Ted and Lois. The Day of Rounds are held to acquaint seeded round dancers with the newer dancers in the area and to learn two or three Round dances on a Sunday afternoon or evening. The Days have been very successful.

The schedule of this fine couple sounds like the name of the first group they founded in 1960. Carousels. Starting on Tuesday night Ted and Lois meet with the **Holiday Rounders**. On Sunday afternoon (as of October) will be their brand new beginners class. Then Sunday night they are on hand for the **Holiday Steppers**. A lot of this couple's recent effort has been directed to the **Mack Dancers**, their exhibition group, slated to make their debut at the Fall Festival of the Round Dance Council in Cape Canaveral City in October.

The sincere versatility of this talented couple is set forth by Ted's own words, when he said "We are pleased that Round dancing encompasses all rhythms, we enjoy teaching together and we hope it shows to our Best friends, the people with whom we dance"

WORKSHOP NOTES

SPIN THE CLOVER: Joe Prystupa
Feeding Hills, Massachusetts

A combination type movement in which the Heads Spin the Top and and Turn Thru while, the Sides divide, Star Thru and Calif. Twirl; then without stopping, they also execute a Cloverleaf. The entire command equals a "Lead to the Right"

Sample Figure: ALL EIGHT SPIN THE CLOVER, CIRCLE FOUR, HEADS BREAK TO LINE, PASS THRU, WHEEL AND DEAL, ALL EIGHT SPIN THE CLOVER, SUBSTITUTE, PASS THRU, LEFT ALLEMANDE...

ROTATE 1/4 - 1/2 - 3/4 - Jim Davis, Pittsburgh, Pa.

On command to Rotate, couples designated promenade distance indicated and stop in that facing direction (they do NOT wheel to the center of the set). On the command

Turn, each dancer individually faces the center of the square. Rotate is counter-clockwise - Reverse Rotate is clockwise. Can be called from a static square, double pass thru, eight chain thru, clover, etc.

Single Rotate: Designated dancers promenade single-file outside, counter clock-wise (from static square): from double pass thru or similar set-up they promenade inside. On command to Turn dancers face individually to the center and once more become a couple.

A Reversed Single Rotate moves dancers in a clockwise direction.

DANCE GOES THRU TWICE - THEN STEP APART AND ACKNOWLEDGE

As with many square dance clubs, the Dixie Squares of Daytona have a refreshment interlude at 10 P.M. during which two couples have volunteered to act as hosts and hostesses for one month. However, these volunteers are deprived of the fun of dancing for the time they are behind the food counter and it became a problem of securing "volunteers" to act. This was solved by compiling a list of all club members arranged alphabetically A to Z and going down the list starting with the A's and automatically these couples are "it" for two weeks each. The couples are "staggered" so that every week a new couple comes on and the couple who have served their two weeks goes off. In this way there is always a knowledgeable couple in charge to instruct the newcomers on what to do! Coffee making, menu planning etc. Now our problem is solved. Everyone knows when their turns are coming up. The work no longer falls on the few willing workers who were serving more than their time.

Your attention is called to the ad appearing in this issue on the 16th Annual Fall Round-up sponsored by the Northeast Florida Square Dancers Ass'n. It will be held on November 7th and 8th at the City Exhibition Hall, Jacksonville, Fla. The festivities will be kicked off on Friday night at 8:00 P.M. with dancing under the programming of members of the Gateway Callers Ass'n. Dear Editor:

Dancing has been a part of life ever since the beginning of history. It helps folks get their minds off their problems. Square Dancing is considered a Recreational Hobby. What is Recreation? Webster defines Recreation as refreshment in body or mind, as after work, by some form of play, amusement, or relaxation. What attracts most of us into Square Dancing? We are generally told it is **FUN**. In my opinion it is more than **FUN** and includes many elements. It is one thing to dance by moving your feet in rhythm with music in response to various calls. It is another to experience the pleasure of dancing with friends. It doesn't matter if these be old friends or folks you have just met for the first time. Someone once said - True Square Dancing is friendship set to music.

We attend a dance with the expectation of a good time. If there is an attitude of genuine enthusiasm on the part of all, you can't help but have a good time, **FUN**.

I feel dancers can find satisfaction and happy dancing without being exposed to every new movement the instant it is brought into existence. A much greater satisfaction can be attained with the combination of smooth movements to the beat of the music in response to the callers direction - coupled with the atmosphere of friends whose company you enjoy sharing. Square Dancing should be like a good meal - it must have variety. For example, varying the tempo, an occasional Contra, a Quadrille, Double Square, Hexagon, Progressive (after all) any caller can stop a floor with the simplest material.

Today we look for Hot Hash, fast and racy creating an atmosphere of competition between Caller and Dancer. In many areas dancers are getting more than they can handle and still have fun. In the busy rush of today's living everything is getting

into a rat race with the emphasis placed on speed rather than dancing ability.

However, I might ask how the two year limit on participation in Challenge dancing can be enjoyed. I think you know as well as I that the first hall many dancers head toward is the Challenge or Hot Hash hall. They want to try their wings and unfortunately some callers encourage their own dancers to try these sessions. As a result, the Challenge session is often skipped by the better dancers as he is forced into spending his time waiting for the Allemande Left unless he has set up a square in advance which is also frowned upon.

Why eliminate the morning session entirely, couldn't this be left open to fun level or open dancing on a catch as catch can basis with whatever callers are willing and available? In most cases the halls are paid for anyway so they may as well be used even if the crowd is small.

I agree 100% with the suggestion to have more club or fun level dancing available. In the first convention held in Jacksonville about six years ago, we had such a hall and turned out to be the most heavily used hall during the day.

As for the change to the April date, it may work in the Southeast area but I have reservations up here. Both as to weather (it may be cool and wet) and to use of facilities. Many schools use up the weekends during the April - May period with their proms. It probably could be overcome but it would have to be carefully explored. Another thought is that the use of the last weekend in May, providing the observation of this weekend as Memorial Day Weekend ending on Monday. So far it has passed Congress and if most people observe it in this fashion, it may prove to be our best bet.

The **Yell-O-Rockers of Zephyrhills** will feature Bob Bennett of Valdosta, Georgia as caller for their Halloween Dance on October 31st. Costumes are optional, however, prizes will be presented for the best in Halloween theme. Ed and Betty Abernathy and Bob and Luella Hutchinson were recently voted into the club as new members. **Congrats!**

The **Sun City Swingers** invited Square Dancers to a party, October 7th. Non-Dancers may attend the "**Try it-Yourself**" parties on October 7th and 21st at 6:30 P.M. There is no charge for the parties. Fred Christopher, regular caller for the **Swingers** will instruct the class in basic square dancing.

The **Essex Downs Squares of Tampa** dance the 4th Sunday of each month at the Essex Downs Mobile Home Park. Art Springer is the club's caller and Ed and Kay Mack handle the Rounds. The 4th Sunday affair has become an anticipated event from month to month- September 28th is next, then the Goblin Gambol on October 26th. Costumes optional. Dancing begins at 1:30 P.M.

The **Brandon Tanglefoots' Square Dance Club** is planning a big Halloween costume dance Thursday October 30th. Everyone is invited, so paint up your face, throw some old rags together, tie them with a sash and come and join the fun. Regular admission. We'll do the whole bit. Dunking for apples, prizes for costumes, witch hunts, punkin pie and a real fun dance.

The **Westcoast A & O Dance Association** elected the following officers for the coming year. Barney and Joan Weatherford, President; Howard & Olive Shinn, Vice-President; Don and Bonnie Haugen, Treasurer; Ben and Hazel Hamilton, Secretary; Skeeter Chauvin, S/D Laison; Emma Jean Parker, R/D Laison; Ron and Mary Lee Von Valkenberg, Editors of Westcoast Dance Magazine.

The **Tanglefoots'** made another Knothead Trip to Daytona to visit the **Beachcombers** and Bob Rust. Those folks sure know how to show folks a good time, and we want to thank each and every one for being so nice.

The **Left Allemanders of St. Petersburg**, gave a fish-fry and square dance in honor of Lt. and Mildred Thomas. Johnnie Everett from Tallahassee was guest caller on August 22nd. Tom Bush will call his last dance for the club October 1st, after which time he will leave for the West and retirement from the Air Force. Don Kennedy, the club's new caller, will be guest at a Welcome Party on October 3rd. Everyone is invited to attend.

CENTRAL FLORIDA NEWS:

The **Flying Eights of McCoy AFB, Orlando**, elected the following officers for the coming year. Roger Theroux, President; Martin Taylor Vice-President; Bob and Sue Mc Master, Secretary and Treasurer. The **Flying Eights** wish to announce that their October 18th dance is cancelled and postponed till the following Saturday, October 25th. Chuck Durant will do the calling. Recently a group of **Flying Eights** visited the **South Orlando Squares** and Jim Stinson of the **Squares** lost his pants to the visitors.

The **Orla-Vista Firehouse Squares of Orlando** had a Welcome Home Dance for their caller, Bill Ford, on August 16th with a lot of surprises pulled on him as he arrived at the dance. The **Squares** are having a surprise caller on October 18th, substituting for Bill who will be away for that night. Everyone is invited.

The **Highland Squares of Ormond Beach**, with caller John Saunders, visited the **Swinging Squares of Mims**, and the **Starlight Promenaders of Sanford**, returning home with the Banners of both clubs. Everyone enjoyed the dancing and hope the retrieving of the banners will take place real soon.

The **South Orlando Squares** are cancelling their October 11th dance in favor of the **Orlando Western Square and Round Dance Council's** dance with Harry Lackey from North Carolina, L.H. Weise of Orlando is scheduled caller for October 25th and John Saunders of Daytona is scheduled for November 8th. Jim Stinson's class of Teenagers will graduate October 2nd at the Roque Club. Visitors welcome.

Report from **Orlando Western Square Dance Council**:

John Beger, Chairman, Charley Rudd, Vice-Chairman; Jean King, Secretary; Wm. McAdams, Treasurer.

The Council is working on establishing one set of rules concerning the proper method of banner stealing. Several conflicting rules are prevalent throughout the state at present, which makes for a sometimes embarrassing moment. The suggested new rule, when formulated, will be published in **Bow & Swing**.

The Council has acquired the services of Harry Lackey, as caller, for their Square Dance Jubilee, October 11th at the Municipal Auditorium in Orlando. Bob Rust and area callers will share the mike for the Council's Charity Ball on November 9th from 2 to 5 P.M. Everyone is invited.

The Starlight Promenaders of Sanford on two occasions ran into a streak of wet weather during out-door events. The first, a dinner-by-the-lake party at the home of Dick and Barbara Lelly. The second, a beach party at New Smyrna Beach. In spite of the inclement weather, a large group won their "Beach Badges" with Chuck Durant, club caller, doing the calling.

The Happy Hoedowners of Leesburg and Eustis announces that L. H. Weise of Orlando will call on the first Friday and John Saunder of Daytona, will call on the third Saturday night for the month of October at Leesburg Community Center. Bob Rust will be the caller for the second

Dear **Bow & Swing**:

I have just finished reading my second issue of **Bow & Swing**, and wish to say I enjoyed every page. My husband and I just made "Knothead" and didn't know about this wonderful, enlightening booklet until now.

Henry Purcell's suggestion on the basic to be taught each month sounds fabulous as we just love to visit other Club's dances. The Editorial said everything "just right". We have only been club members for 7 months, since February, but have already taken in the State convention Knothead Konvention and many area Clubs. Enjoyed all of the dances. We have so much enthusiasm for square dancing we wish everyone would learn now. We shall always give credit to our teacher and caller and dear friends who asked us to take up square dancing and encouraged us all during the classes.

**An Open Letter To
"Knothead" Parents**

I think we will all agree that the past weekend at the Knothead Konvention in Clearwater was great -lots of good dancing, fun and fellowship. However, I do think we owe the Jack Tar Hotel some kind of an apology. **WHY?** Because of the way children were allowed to run around wild and into the wee hours of the morning without supervision.

An elevator is not a toy and it was disgraceful the way they were playing around on them, jamming them, pushing all floors and jumping off, etc. At one time we had a full elevator and the door wouldn't close. Once we finally got it unjammed and started up, there was speculation as

to whether we would make it. We understand they had to put a policeman on duty one night because of it and also keep the elevator girls working later than usual. This is not the image that Square Dancers try to command.

I did not take my children along this trip, but if I had, you can be assured that they would have been in bed at a decent hour (not running all over at 2 A.M.) or at least I would have known their whereabouts instead of turning them loose.

Am I alone in my gripe, or do others feel this way?

SQUARE DANCING MOTHER

Dear Editor:

First of all I want to offer my congratulations to you and the **FCA** for the wonderful job you are doing with **Bow & Swing**. It is a really fine magazine.

Now I would like to offer some comment on your editorial in the August issue. I will have to agree with at least 90% of it. To me one of the finest things that a convention can offer is a well run workshop. Unfortunately many of them are very poor. All too often the caller either in an effort to impress the dancers or other callers will workshop some far out figure that the average dancer will never see again outside of that session unless he happens to belong to a challenge or experimental workshop group. I believe the caller will benefit the dancer more if he will take some of the standard, by that I don't mean elementary basics, figures and explore them from every possible angle he can work out. All of us from ten year plus dancers down to new graduates can benefit from this type of workshop. Dave Taylor did a masterful job along these lines last year at the **Knothead Konvention**. I agree with you that more stress should be placed on challenge than on so called hot hash which always seems to degenerate

ROUND DANCE NEWS STATEWIDE:

Round Dancers are packing their dancing shoes and heading for VIP treatment at their Festival of Rounds weekend being held in honor of the Florida Round Dance Council's Tenth Anniversary. This event of October 17th, 18th and 19th, 1969 will take place at the Cape Kennedy Hilton, in Cape Canaveral, Florida with a program designed to stimulate experienced and beginning dancers alike.

In place of a trail's end dance on Friday night, a Hospitality gathering will be held in the Hilton's Red Room - or poolside if weather permits. Knowing the family of round dancers is ever growing, this social evening is planned to welcome and become better acquainted with new dancers while allowing senior members to reminisce, picture-swap and catch up on news of friends and old acquaintances.

Dancing will begin at 10 o'clock Saturday morning in the Convention Hall of the Hilton with a full schedule of current hits and favorites to golden oldies of yesteryear - all with ques. A special tribute to ten-year council members is in store for Saturday night when the eight couples receiving this recognition will be singled out for particular honors and acknowledgment. The after party is programmed from 11:20 P.M. to who-knows-when Sunday morning. With the close of festivities late Sunday afternoon it is expected that foot sore and spent the dancers will make their trek homeward amid happy recollections, with lasting memories in their hearts of the Council's Tenth Anniversary.

The **August Buckeye Poll** as reported by Phyl and Frank Lehnert is: Feelin', Walkin To Kansas City, Japanese Sandman, I Get the Blues, Bicycle Waltz, Sunshine Wine, Who, Tango D'Ann, Hold Me, Candy Kisses, in that order.

From the **Dixie R/D Council**, the eleven dances which got the most action for teaching or reviewing were: Lazy Q Step, Candy Kisses, Feelin', Ka Lu A Shag, Japanese Sandman, You Wanted Someone to Play With, Dancing Shadows, Hot Lips, Columbus Blues, Bicycle Waltz, Walkin to Kansas City. The first two tied. The third, fourth and fifth and the last five tied.

FLORIDA'S FRIENDLY FROLICS:

This is the Heading of a new service feature, beginning in November, in which **only special dances** of individual clubs will be listed. Please notice wording **SPECIAL DANCES**. This listing will not carry schedules or listing of a club's regular dance. The **SPECIAL DANCE** must relate to a **Holiday, Special Theme or Purpose, Out of area caller, etc.** Anything which is not a regular club dance. It makes no difference how far ahead you wish to announce your dance, however, I will not publish any listing which does not reach me at least 30 days prior to publishing date. For example, If your club wishes to list a dance in December, the information must be in my hands no later than November 1st. Please, I can make no exceptions due to the necessity of editing, preparing proper copy for the printer, etc. There will be no charge for this listing. You may include your information in your club's news or under separate letter. When received, the information will be compiled into the listing as follows: **DATE: YOUR CLUB: ADDRESS: EVENT: CALLER OR R/D INSTRUCTOR:** (Note: **The calendar of Events is for area functions and events only and will be kept as such. Ed.)**

(Continued From Page 32)

and Mary Snodgrass, Treasurers. The club's new Fall class will begin in October. For information Don Black at 267-9172 may be contacted. The **Swinging Squares** celebrated their 3rd Anniversary September 27th.

The **Dixie Squares of Daytona Beach** have a new President, Ed Bragg who is replacing Joe Braun. Joe is being transferred by his company, to Indiana. A watermelon feast was enjoyed by over 100 members of the club at the home of Joe and Dorothy McGregor in Holly Hill. On Sept. 11th, open house was held for those wishing to join the new class.

"You're at home anywhere with Square Dancers" say Mary and Howard Hughes, CO-Presidents of the **Allemanders of Satellite Beach**. The Hughes recently enjoyed a three week camp-n-square trip throughout New England. They found square dancing in Conn. and Maine just as friendly as in Florida.

The **Allemanders** are busy with their beginners class, taught again this year by "Mr. Patience" himself, Bill Marquis. Bill turned out a great class last year and the **Allemanders** look for more of the same.

New Chairmen for the **East Coast Dancers** are Bob and Joanie Woznick of the **Harbor City Squares, Eau Gallie**, Bob and Joanie were chosen along with other officers Ray and Mae Cramer, Secretaries; Frank and Mary Medford, Treasurers; and Al and June Straner, publicity for the coming season which begins with a dance called by John Calhoun on October 3rd, 8 P.M. at the Eau Gallie Civic Center.

Purpose of the ECD is to bring National Callers to the area, and to promote closer fellowship between area clubs and dancers.

Other dances for the season include Ramblin' Bob Dubree from Knoxville, Tennessee calling the New Years Eve Dance, and Jim Brower of Texarkana, Texas in April 1970. John and Betty Jones of Melbourne will handle the Rounds at all dances.

Club representatives are needed and may contact Bob and Joanie at Palm Bay, Fla. Phone 727-7685.

Our local square dance club, the **Dixie Squares of Daytona Beach**, caller Chuck Durant, has initiated a feature which I believe to be unique in square dance clubs. At each dance, held weekly in City Recreation Hall, we have many visitors

Open letter to all Dancers and Callers

As the October meeting of the **Florida Callers Association** is fast approaching and my term of office nears an end, I would like to pause a moment to reflect not only the past year but of the four years I had the privilege of being an officer of this Association. The past four years have given me an insight on Square Dancing and Calling that I'm sure I would not have without the opportunity to have served.

First, I'd like to thank those officers preceding me that I had the pleasure of working with - Joe Johnson, Mel Clark and Colin Walton, as well as the present officers, Neal Blanchard, Sam Allison and Cliff Hendricks.

Many things happen in a four year period, some good, some bad, but the good is the thing we always remember and as a result we have an optimistic outlook for the future.

The good was the fun and fellowship enjoyed by all of us when we got together at our clinics, conventions and various dances.

The good was when we had an opportunity to help someone at a benefit dance.

The good was the knowledge that when help was needed, Callers and Dancers alike were ready when asked.

The good was watching the Callers and Dancers at conventions, particularly this year when not one single Caller failed to fill his spot

without sufficient advance notice and then only two substitutions had to be made.

The good was having someone like Henry and Dottie Purcell available to take the reins of **Bow & Swing** and doing a great job.

The good was being fortunate to have the Vice-President (Neal Blanchard) live nearby so we could work closely together.

The good was having an understanding family during the time spent on Association business.

The Bad? With all the good, who can see any, with all the opportunities and possibilities that lie ahead?

Twenty-five **Westernaires**, caller Bob Cook and Taw, Marilyn, attended the 13th Annual Florida Knothead Konvention at Clearwater, August 30-Sept. 1. A marvelous week-end of Square Dancing, Rounds and lively "After parties" was enjoyed by all.

This reporter, Mary Post of the **Key West Squares**, a year ago was concerned about the celebrating of the 10th Anniversary of the founding of the **Key West Squares**. The first class graduated in April 1959. Jack Fenstermaker, instructor in the Fleet Sonar School, who had learned to dance, call and instruct in his first duty station in Hawaii, was the caller. Charter members of the club still in the vicinity are: Mr. and Mrs. Boyd Hamilton, Mr. and Mrs. Roy Hall of Marathon and "Cowboy Manz". Byron Lowery was a member of the first class to graduate in 1959 and he was President of the club in 1961. The 10th Anniversary years has been filled with many surprises. Among the good things that have come to the **Key West Squares**

are the following very able callers; Ray Turcotte, formerly of Bentwater, England; Jim Brower of Texarkana; Vern Johnson of Ft. Lauderdale, President of the FCA, Sam Allison of Port Charlotte; Ernie Bass of West Palm Beach; Bob Andrews of Homestead; Les Linn of Miami; Johnny Walter of Marathon and last but not least Henry Purcell of Big Pine Key and Steve Stevens of Key West. All of this without even setting foot out of Key West. Thank you all for making it a **BIG YEAR!**

into a faster pace., The recreational fun is gradually fading from the meaning of square dancing. We tend to work as hard at our hobbies as at our jobs. Many dancers are not satisfied unless they have mastered some new basic at each dance. Constant learning, practicing and competition makes for dancers and callers overworking in the activity.

I can almost predict that some caller has already got plans to rush to the Moon and be first to hold the first Square Dance there. Would it not be nice if we could all set a goal regardless of the dance level, to keep Square Dancing as a recreation and have **FUN** again.

from the North, who are vacationing in Florida, who dance with us. Upon arrival, they register in our Guest Book with their home addresses. From the Guest Book our Secretary fills out attractive large bristol board Certificates of Recognition with the names of each visiting couples, getting them ready to present when their names are announced by our President, Ed Bragg, at the 10 P.M. intermission. As each couple's name is called our Host and Hostess of the evening escorts each couple individually, the Host taking the arm of the visiting Lady dancer, the Hostess the arm of the visiting man dancer and walking them to the front of the Hall. When all the visitors have been escorted to the front of the hall, the presentations of the Certificates to each couple is made followed by a short speech of Welcome by the President the expressing the hope that they will dance with us again whenever in Florida. After this, the honored Guests are escorted as a group to head the lines to the refreshment tables. We have found that this little recognition gives much pleasure to the recipients, having their names inscribed on each Certificate which reads: "OFFICIAL DIXIE DANCER" This is to certify that John Doe squared up with the **Dixie Squares of Daytona Beach, Florida, Dated....** Caller, Chuck Durant, President, Ed Bragg. This gives each visiting couple something to take with them when they return home - perhaps on their club bulletin board. Also it advertises the **Dixie Squares** friendliness and it has been very well received.
