Caller of the Month

Jack Lasry

Jack Lasry - married, wife's name is Carolyn, three children. Jack is a native of Miami, Fla. He first became interested in Square Dancing in 1954 while working for the City of Miami Beach Recreation Dept. The Superintendent of Recreation, Jack Woody, was an avid square dancer and from time to time conducted recreational square dancing clinics with Ed Durlacher, the founder of 'Honor your Partner' records. This led to the development of a Square Dance program with local callers doing the teaching and calling. As a recreational leader, Jack, became interested in learning to call so he could use it as an activity for the children. Thanks to George Campbell, who loaned him a few records, he soon learned a few easy dances and George gave Jack the opportunity to call a tip at the dances. For several years Jack called for many one-night stands and square dance parties gaining experience in teaching and handling crowds. During this time the Lasry's

OFFICIAL NOTICE

NOTICE: All members of the Florida Callers Association. Effective October 1969, all dues to the Association will be \$10.00 a year. This increase was passed unanimously by all members present at the June Business meeting. Members are urged to make every effort possible to attend the Fall Clinic at West Palm Beach in October. Frankie Lane will conduct the clinic. For the newer members of the FCA, this clinic is combined with the major yearly business meeting of the Association. New officers will be elected at this meeting. All area Directors are asked to have their reports on new callers, in their areas, up to date and to make sure these reports are at the meeting. Bring 'em or send 'em, but please have the reports there.

Dear 
Bow & Swing

Dear Bow & Swing:

You'd be surprised (maybe) if you could hear of the people who complain about the Round Dances that are played to a record where someone is singing. If it is an instrumental it is much prettier and so much easier to understand if it is cued. On some, with singing, cueing and music, it's just too much. How about making it a new Policy - **no more singing on Round Dance records?**

Sincerely,
HARRIET PRICE

Dear Bow & Swing:

Since we have been Square dancing for only two years we were somewhat uncertain about our readiness for dancing at Conventions. But we took the plunge at the 4th of July shindig at Miami Beach and came up smiling. We feel that our easy adjustment to the fine callers at this convention was due in large part to our home club's instructor and caller, Fred Christopher, who taught us well and keeps us up-to-date with the new figures. We certainly appreciate the fine job he does week after week.

Sincerely
KEN AND HELEN REED

Francis H. (Skinny) Hall, Past President of Freelancers, Sarasota, passed away August 2 in Grove City, Pa. Skinny was always the spark to improve the Square Dancing picture and bring about participation by more dancers. He was an outstanding leader and a teacher of many groups. His sphere of influence was widely extended. Skinny proved square dancing can be fun for all ages. His memory will be cherished by those to whom he gave so much.

SARASOTA COUNTY FAIR ASSN.
Responds to Community Needs in
the Structure of Exhibition Bldg.

With the presence of national square dance callers and the ever-increasing popularity of the recreation of square and round dancing in the Sarasota area, the Sarasota County Fair Association took into consideration the needs of its community in the design and construction of an exhibition building. Ken Clark, Sarasota County Agricultural Agent, and Secretary to the Fair Association (and incidentally a square dancer.) set about the planning of a multi-purpose building. It would need to exhibit well the projects of the 4-H club members, the crafts of home-makers and the wares of commercial booths at Fair time - so why not also serve the community year round?

As a result of careful planning the exhibition building which is attractive both inside and out, graces the entrance to the Fairgrounds. In addition to its use at Fair time, the Agriculture Building is used for garden clinics and flower shows held periodically, and every night, except Tuesday, it comes alive to the rhythm of music with a country flavor. With the swish of petticoat and the stomp of a western boot, the square and round dancer can participate in a healthy past-time, the reward of which is good exercise, lots of fun and the making of many friends. See photos.

Especially nice for dancers, the exhibition hall has kitchen facilities and adequate rest-room areas and is divided into 2 identical auditoriums, Separated by a movable partition. See photo. Thus an over-flow crowd can spill over into the opposite auditorium which provides exactly the acoustics, wood floors and same excellent air-conditioning. Sarasota dancers need only to travel outside the area to fully appreciate that which has been made available to them in their own community.

Bow & Swing as Clearing House for
the Basic (or experimental) monthly
Movement.

As suggested in previous meetings
and Editorials of caller, a committee
(of caller) would select one basic or
experimental movement to be given
the dancers each month. The move-
ment, along with full description,
would be published in **Bow & Swing**
and would be worked, called and
taught through-out the State for that
month. No other movement (other than
ones already in use) would be used.
All callers would be assured of
receiving the movement as all the
callers of the Association receive
the **Bow & Swing**.

NEW DEADLINE FOR ALL
MATERIAL AND ADS EFFECTIVE
OCTOBER 1 WILL BE 5th of MONTH

This would be a giant step toward
better inter-club relations and improv-
ed dancer reaction. After a few
months, dancers would no longer fear
visiting other clubs because they
don't know the newest movements.
The **occasional dancer**, who dances
only once or twice a month, would be
able to dance the newer movements
as they would be exposed to them
once or twice during the month.
This, I believe, would result in keep-
ing more dancers dancing and happy.

Readers, dancers and callers reaction
to this proposed plan is needed and
suggestions from all interested
persons would be most helpful, so
take a few minutes and drop me a
line and tell me what you think of
this plan.

R/D INSTRUCTOR of the MONTH:

K.O. and Phyllis Williams

The year was 1964 when **K.O. and Phyllis** agreed to love, honor and obey, what followed was a natural chain of events as they combined their unrelated backgrounds with their mutual love of rhythm and music and joined the FAMILY of round dancers in Central and Eastern Florida.

K.O., a North Carolina Tarhell, grew up in an area where a turn at the mike for a little "patter" was as normal as cornbread and blackeyed peas. His deep bass was at the quivering stage in those days, but what he lacked in quality was made up in volume as he came forth with a singing call or a quadrille. His throaty "Yeh Man" still rings out loud and clear when a 'honky-tonk' melody with a good downbeat is played in the hall.

Phyllis, from the tall corn country of Iowa, wouldn't have recognized a microphone if one jumped at her, having spent her girlhood years as a student of the Rose Berk Toe and Ballet Studio. As she grew she found her niche assisting her Dad in his duties as the Physical Director of the Dubuque YMCA. Her assignments ran a full range of setting up boy/girl tumbling routines, to refereeing lady wrestlers to performing folk dances,

the Schottische, Polka, Quick Steps, etc., that are associated with the midwest.

In addition to their round dancing, **K.O.** has a second hobby - acoustics. His electronic gear covers every room of their home, their car, even their backyard, in an envelope of pure distortion - free music. With his assortment of recorders, speakers, tape mechanisms and the like, **Phyllis** has discovered that he can tame down her Yankee brogue to the point that she comes through smooth and easy as she cues the round dances.

K.O. and Phyllis started the **Rhythm Rounders** round dance club in 1966. Joined the **Round Dance Council** and started the 4th Sunday Rounds at the Orlando Utilities building, Indian River Plant in 1967. Their first Chairmanship is the **Florida R/D Council 10th Anniversary Festival of Rounds**. They sincerely hope that their efforts will result in a successful and enjoyable weekend on October 18 - 19, 1969, at the Cape Kennedy Hilton Motor Lodge in Cape Canaveral.

Dancer's Editorial

After about four or five years of square dancing many people find themselves becoming disenchanted. Not with the dancing itself, mind you, but just with the problems involved in clubs and people. During this time they will have run into just about any kind of situation. Maybe a discussion of a few of these things will help us to evaluate ourselves, as dancers and as club members. Who knows, some of the problems may be our own fault.

First of all, let's talk about 'cliques'. All of us know that a club that cliques is doomed eventually, and I have been a fighter of cliques for years. Yet I can understand how they happen, and how one can find themselves in that category without half trying. Most clubs have only a few members who are willing to go visit other clubs. These people get used to dancing together since often when they visit a club already cliqued, they wind up dancing with their own square or they don't dance. Or if they personally try not to clique they wind up having to dance with the poor dancers because of the selfish few who won't mix. I think it should be a persons private rule not to dance with the same ones more than once or twice an evening. **Self discipline** will cut down on cliquing.

Another thing, Callers can reduce cliquing if they will. Several times an evening a caller should mix up his squares by sending two of the couples on to other squares, or some other manner. Nine out of ten won't object (you can't please them all), and will wind up in the long run meeting more friends than otherwise.

Next, there's the work involved in a successful club. It's always a few who are willing to take the responsibility of coordinating special events and regular club work. Too many dancers want just the fun of dancing.

Surely they realize a good dance just doesn't happen — someone has worked hard, and that 'someone' isn't paid to do the job. The work is done by club members, **active club members**. Have you lately offered to help? Maybe just by making a few phone calls, the refreshment committee, or club news. Sometimes it takes one person several phone calls to get a square together to go after a banner, or to set up a special event, or work with beginners, etc.

Or, have you offered to go with some others on a visit to another club? This brings visitors to your own club, and visitors sometimes become members, if they enjoy themselves at your club and are made to feel welcome. Personally welcome every visitor to your home club and dance with them at least once during the evening. If everyone does this, the visitor just has to have a good time.

Then there's the gripers. Do you voice your displeasure every time you dance with a poor dancer or a caller calls a number you don't like? There's bound to be some bad with all the good, and you can set a mood by being pleasant and keeping silent when things don't go your way. Each dancer and each caller has bad nights, and sometimes a combination of these things can change the whole atmosphere whereas if you laugh at mistakes and smile, pretty soon the right combination comes together and you're having such a good time you forget to gripe. Square dancing is such a fun sport, it's a shame we have just a few who want to be grouchy and perfect. I have just as much fun in a square that breaks down now and then **and laughs** as a precision dance where everyone is afraid to make a mistake.

And how many 'teachers' have you run across? It's one thing to help a person out **if they ask you**, but quite another to tell them they did something wrong and proceed to tell them how to do it. That's not your right, and you won't make friends doing so.

Finally, do you do everything possible to make people want to dance with you? Are you pleasant and friendly? Do you refrain from talking when the caller is talking to the floor? Do you swing or twirl too hard? Do you flirt? Do you shower before each dance and wear a good deodorant? If your answers are appropriate people will want to dance with you rather than avoid you. Square dancing **is what we make it** — if we go to have fun, are fun ourselves, we will have fun!

R/D Council of Fla. News

By: Dorothea Brammeier

The Tenth Annual **Holiday for Rounds** will be held at the Cape Kennedy Hilton Motor Lodge on October 18th and 19th, 1969. A reception room for get-togethers, get-acquainted or re-acquainted, will be open on Friday night, October 17th. We hope many former members of the Council will be with us to help celebrate the completion of the first ten years of our organization. The Round Dance Council has done much to spread "round dance fever" among the Square Dancers of Florida. Witness the 3 circles on the floor for Fraulein in Tampa on Saturday night. Ten years ago we were lucky to get 3 dozen dancers on the floor for any round dance at a State Convention.

A Ten Year History Souvenir program will be given each round dancer registering for the festival. Registration fee will be \$2.00 per person for the full program, or 75 cents per person per session, as at other festivals of the Round Dance Council. A real bargain for a dance week-end. New Rounds will be taught at Saturday morning, afternoon and evening sessions and the Sunday afternoon session, with programmed dances, including the Rounds of the Month, Classics, Golden Oldies and Demonstrations. An after party is planned for Saturday night.

Reservations are coming in; there are some other motels a few miles away, **But no other motels in the immediate area so send in your reservation card as soon as you receive it.** If you are not a member of the Council and have not received a card, see the Ad on another page of this issue of **Bow & Swing** for the address of K.O. and Phyllis Williams and write them for a reservation card. This is the first time a State Round Dance Festival has ever been held in the Central Florida, Eastcoast area and offers you a rare opportunity to combine a dancing week-end with some sight-seeing in the Cape Kennedy area.

NOTE: Plans for the 10th Annual Holiday for Rounds are in the final stages of development. To you who sent in material after the deadline, we'll try to get it in. Pages will have to be re-done and this means extra work for those doing the work and extra cost to the Council. If material comes in too much too late, it will just have to be left out. If you have been given a deadline from the committee, please recognize it and cooperate by answering promptly.

NEWS A-ROUND FLORIDA:

Round dancers met at the Fourth Sunday Rounds in Titusville, Fla. on July 27th and danced from 2 to 5 p.m. in the Auditorium of the Orlando Utilities Indian River Plant on US 1. Among those attending were: The President of the Round Dance Council, Bill and Pat Bliss of Ft. Lauderdale, and Council Past-Presidents, Dorothea and Art Brammeier of Melbourne, and Bill and Ruth Fleshman of Jacksonville. The group danced 26 programmed dances of easy, intermediate and advanced levels with an additional period for request rounds. **KALUA SHAG** taking top honor for the most requested dance. Others requested were; Walking to Kansas City, Tango Maya, Let's go Latin and Quintango. Two dances were taught by K.O. and Phyllis Williams, a rumba "Love Me Forever" and a two-step, "Fooled Again". The Fourth Sunday Rounds is open to all round dancers and will meet again on August 24th.

Mary Vollmer sends a report from Ted and Lois Mack's **Holiday Rounders Club**. This club dances on Tuesdays at the Holiday Park, in Ft. Lauderdale. This delightful group turn on at 8 P.M. They are work-shopping **Fooled Again** and taught **Candy Kisses**. Dances for the evening were Sleepy Time Gal, Makin' Eyes, Dancing Shadows, Because of You, Makin' Whoopee Cha Cha, Mystery Melody, Columbus Blues and others. A very special treat it was to see Mary and Paul Smith do an exhibition of Columbus Blues. They're great, this young couple, smooth and nice styling too. Paul conducts a R/D workshop and cues the rounds at the **Rythmaires Square Dance club**. Ted and Lois particularly emphasize styling in this young club and it really shows beautifully. They are very proud of their **Holiday Rounders** and were very happy to see Hugo and Rose Berns, Chuck Moorefield, Edwina Karch, George Majors, Joe and Marge Kisela as guests. Ted workshopped the Waltz Quadrille and will have this group ready for the

Fall Festival at Cape Canaveral on October 18-19. You'll all come.

What wonderful people these dancers are - Buddy Fletcher sells Avon Products at the many dances, not for herself, but for a gal who is not able to go out, an amputee, Florence Gardner. Buddy not only takes orders but also picks up the merchandise and delivers. (This is a true friend.) Buddy's phone number is Pompano 942-1379.

Mary Leitheuser's **Starlighters of Lake Worth**, were busy entertaining Guests, Bea and Pop Woerner, Owen and Helene Whitehead from the **Fiddle-A-Rounds of Rochester, N.Y.** and Walter Isom and Marge Starr from the **Gay Nighters in Riviera Beach**. The Whiteheads taught the cute Columbus Blues. Walter Isom and Marge Starr showed Blue Dancing Shoes. The **Starlighters** are currently doing Holiday Rag, Tamara Waltz, Shy Violet, Somewhere My Love, Rockin' Ida, Bicycle Waltz, Think, Dancing Shadows, Sleepy Time Gal, Neopolitan and Tango Mannita. Mary Leitheuser is now working on Moonlight Romance at her Tuesday nite workshop. Saturday is the **Starlighters** regular dance nite and dancing starts at 7:30 P.M.

The **Holiday Steppers** were happy to welcome back teachers, Ted and Lois Mack, from the Florida Convention and the National, way up in Seattle. They taught I Will at both and know they were well presented and received. They enjoyed the "after" dances and parties in the beautiful Ballroom of the Olympia Hotel. Spent much time with the Irv and Betty Esterdays, loved the Quick Step Clinics by the Palmquists and dance exhibitions. They really brought back a bundle of wonderful ideas from the Convention and the **Holiday Steppers** will be the happy recipients. Betty and Lefty Roffelson took charge of the Sunday dances in their absence and a fine job they did. They showed and taught Walkin' To Kansas City with Betty doing the cueing and she is really terrific. Ted and Lois taught Fooled Again and

Columbus Blues, Sunday, and work-shopped Fascination. The **Holiday Steppers** were happy to have as guest Rose and Tony Gebell of Royal Oak, Michigan, Bea and Pop Woerner, Helene and Owen Whitehead of Rochester, N.Y., Edna and John Roullette, Gene and Maynard Cutlip, Phil and Dot Carey, George and Louella Caldwell, the Rumballs and Broomes.

Mary Vollmer, reporter of Round Dancing visited the **Does and Bucks** at Pioneer Park in Deerfield. Pat and Bill Bliss taught Sunshine Wine and Tango Maya, very nice. They have a request list so everyone was happy. Helene and Owen Whitehead, Guests, did an exhibition of Sweet and Gentle Cha Cha from the Dance-A-Cade, very nice. It was wonderful to see the Bonars, Hermans, Brendels, Obromos, Averills, Gossoms, Kastners and so many new people in Round Dancing. They did The Gang, Somewhere My Love, In The Gloamin', Tango Maya, Happy Feelin' and many more.

Bill Bliss, President of the R/D Council says the Fall Festival at Cape Canaveral will be advanced from the previous date to the 18th and 19th of October. See you there.

Starlighters go "Gay Nighters". It was surely a gay night for Mary Leitheusers **Starlighters**, when they all visited the **Gay Nighters Club in Riviera Beach**. Gals all dressed in their best, everyone chatting, introductions etc. These two R/D clubs really blended. Mary showed and taught Columbus Blues. Walter Isom taught Blue Dancing Shoes with partner Marge Starr. Walter called Mixers, the Grand Square, Dancing Shadows, Feelin', Fraulein; Tango Mannita, Mystery Melody, Snowflake, Not Enough Indians, Columbus Blues, Tango Maya, Blue Dancing Shoes, Japanese Sandman, Green Alligators, Alabama Waltz, Rosita etc. Intermission and coffee and home made cakes were served, those **Gay Nighters** gals sure can cook. Walter Isom said that this was so much fun that his **Gay Nighters** would visit the **Starlighters** soon.

Highlight of the National Convention for Ted and Lois Mack was their carrying Florida Round Dance Council badges and the pleasure of presenting them personally to Bud and Lil Knowland of the Round Dance Magazine, Tuscon, Arizona. Am certain all the Council members of Florida would have loved to have been present. Congratulations Bill and Lil.

Kitty and Franc Hamblin's Rythym Rounds met Wednesday at 7:30 P.M. and they work-shopped Fooled Again. A walk thru was given on the old, but nice, Lonesome Mama Blues, it's becoming real popular again. They have a request program, as well as Franc's list and this makes a well rounded evening of dancing. Kitty's home-made confections and coffee are a real treat. Kitty and Franc are taking a well earned vacation for the month of August and will reopen the first Wednesday in September. Have a good time you'all, and hurry back. We'll miss them and their friendly dance at the Oakland Recreation Center in Ft. Lauderdale. Let's all be on hand to welcome them home.

ROUND DANCE HALL AT STATE CONVENTION WAS BUSTING AT THE SEAMS!

At the State Convention in Tampa, Real True Lovin', taught by Ed and Kay Mack got 69 couples on the floor for the teach. Dream A Little, taught by Chuck and Kathy Heiss, I Will, taught by Ted and Lois Mack and Fooled Again, taught by Bill and Bertha Leonard all had excellent attendance, although a count was not made, Tanglefoot, taught by Pat and Bill Bliss had a nice attendance. At the Saturday Early Birds several dances got a full circle, which was amazing considering the size of the hall.

North of the Border . . .

Mr. and Mrs. Bob Bennett. Bob is Laison Reporter from North of the Border.

On July 19th, the **Swinging Squares of Valdosta, Georgia**, had an old fashioned swimming party and covered dish supper, along with a watermelon cutting and games by the dozens. Everyone enjoyed the outing and plans are being made to repeat the picnic next year. The event was held at Camp Tygard Methodist camp and the **Squares** wish to thank those responsible for allowing the club to use the wonderful facilities. The next out-door event on the club's busy schedule is an old fashioned Bar-B-Que at the old New Lois School in September. The club and their caller, Bob Bennett, firmly believe these types of outings are good healthy events for the club, also as a family type recreation.

The **Squares** will start their Fall class in the middle of September. For more information call or contact Bob Bennett of Valdosta, Ga. (See Directory.)

The **Squares** entertained Vern Johnson and wife, Wanetta, from Ft. Lauderdale, President of the **Florida Callers Association**, who were accompanied by Bob and Frances Snyder also of Ft. Lauderdale at their July 26th dance. Mr. and Mrs. George Williams from Lakeland, Ga., were also visitors and expressed their possible return to active square dancing. On August 22nd, the club was visited by Henry and Dottie Purcell, Editors of **Bow & Swing**. Henry informed everyone present of his earnest desire to do all he could

toward helping square dancing through the format of **Bow & Swing** and stated "We'll print anything sent us that will benefit the cause of Square Dancing."

The South Georgia area is rightfully proud of the new organization being formed in that section. The organization will probably (not fully decided yet) adopt the name of the **Dixie Federation Round Dance Council**. Couples representing Albany, Bainbridge, Thomasville, Quitman, Ga., and Tallahassee, Florida, held their first meeting August 3rd at Thomasville. They selected the Rounds to be used at the Dixie Federation Dance August 23rd. Harry Lackey, Caller. The group also selected the Round of the Month for September, Sleepy Time Gal, and October, Dream of You.

The **Rebel Round-up** was held Friday and Saturday, August 8th and 9th in Albany, Georgia. Jim "Keep Smiling" Brower from Texarkana, Texas, was the caller for the event and Sudie and Clara Lowe of Quitman handled the rounds. A very good crowd attended and there was lots of fun for all.

The **Jekyll Island Jamboree** is really shaping-up and many interesting happenings are being planned for this event, Bob Bennett, Laison reporter for **Bow & Swing**, sends this statement for all. "We hope the dancers attending the Jamboree will stay and enjoy the dance, the after party and the wonderful skits planned for this dance. We hope to see Y'all there, Y'all come, Heah!"

CLUB NEWS from around the State: Panhandle . . .

The **Capital Squares** sent many dancers to the Dixie Federation Jamboree in Valdosta July 4 & 5, and had a grand time to the calling of Allen Tipton. Many door prizes were won by the dancers from the **Squares**.

The **Squares** latest graduates have turned out to be great club members. They have traveled all over the area stealing banners and due to their en-

thusiasm we have had some real fun dances and many visitors. The club caller, Flunk Goff, resigned and our new caller is Randall Musgrove of Tallahassee. The **Capital Squares** always extend a cordial welcome to all square dancers.

The Friendly Squares of Panama City danced July 26 to the calling of their caller Kent Bartlett and Lee McNutt, Lee assisted Kent in beginning his calling career 'way back when.' Lee presently hails from California and is here on a visit. Future events for the **Friendly Squares** include a picnic at the Bartletts beach house; appearance of Kent Bartlett and Dorothy Fawcett, Publicity Chairman, on Betty Wright's noon program on WJHG-TV on Aug. 26; open house for those who are interested in learning to square dance to follow this appearance, classes beginning in mid-September; and the club-sponsored annual Pirate's Dance which is to be held Nov. 15 at 8 p.m. at the Square Dance Center, 110 W. 6th St. in Panama City. John Donley of Winter Park will be caller for the dance.

With sincere apologies to Shakespeare and all other poets both old or new, I'd like to dedicate the following to our new class, who have inspired all of us to greater things!

Graduation '69

No more lessons — puzzled looks
Doubtful dancers, or basic books.
Two left feet or are the right?

I never thought I'd make tonight.

Circle left and then you swing,
Star by the right and do your thing!
Box the gnat and swat the flea,
Is this square dancer really me?

Thought I knew that teacup chain,
When does class begin again?

People say I've flipped my lid,
At this time tho it ain't been did.

But if Bill calls it, I'll sure try,
I'll even smile when I pass by.

Ain't had such fun since I been big,
Friday Square Dance — Man I dig!

A square until the day I die,
On swingin' wings to the gates I'll fly.

If St. Pete says 'pass on by,'
I'll circle right for another try.

But when he calls 'you pass on thru',
I'll know exactly what to do.

I'll join my friends both new and old
In square Dance Hall of purest gold.

On Friday nignts I'll keep the date
With Heavenly Square; I'll not be late.

Well Bill get callin', school bells rung
We're all square dancers now by gum!

The First Friday Squares of Auburn-dale will cancel their Sept. 5 dance while their caller Roger Chapman is on tour. Regular dancing will resume on Oct. 3.

The Sunshine Swingers of Auburn-dale will dance to the calling of Bill Shell from Orlando on Sept. 3, while their regular caller Roger Chapman is on tour. Everyone is invited to visit and dance to Bill. Ammy Dolbow has been appointed reporter to Bow & Swing from the **Swingers**.

The Sun City Swingers are inviting non-dancers to try some of the easy square dance movements at parties on Oct. 7, 14 and 21 from 6:30 to 8 p.m. A class to be instructed by Fred Christopher will begin the last week of Oct. in Town Hall, Sun City Center. The regular weekly dance is called by Chris every Tuesday at 8. Visitors are heartily welcomed. Skeeter Chauvin conducts a workshop on the 2nd and 4th Fridays.

The Left Allemanders of St. Petersburg had a good turnout for their cookout at Gulfport Beach July 23. Tom & Billie Bush attended and Tom called a couple of singing calls. A second cookout was planned but was rained out. The club is looking forward to dancing to Paul Lamb on Aug. 8. Paul used to be the club caller and is now stationed in Mobile, Ala., and is here on a visit.

Fred Christopher's 'Summer Squares' is near the end of the first summer session of enjoyable square and round dancing at the A/C Harbour Heights Civic Assn. Hall. Many year-round dancers will return to their local clubs in Oct., glad of their fellowship during the summer.

Jeff Flash, caller, will instruct an Intermediate class, to start in the Fall at the new a/c Port Charlotte Cultural Center hall. Many former students want Jeff to bring them, as a group, up to Club Level in order to enjoy all the dances at local clubs of long standing, plus State and National Conventions. Their motto: 'Learn here' — Dance everywhere.

The Richey Squares of New Port Richey are reactivating their club, with Joe Strzelczyk of New Port Richey as caller. Starting with the Sept. 5 dance the club will dance every Friday night 7:30—10:30 p.m. at the Shuffleboard and Tourist Club House on Boulevard Ave. (2½ blks south of Main St.). The Hall has a beautiful wood floor and is a/c.

The Squares and Pairs Square Dance Club of St. Petersburg will open their Winter season at the St. Petersburg YWCA, 680 Mirror Lake Dr., on Sept. 19th with Eris Sohn as caller. The **Squares and Pairs** have changed from a regular caller and guest caller to All Guest callers for the 1969-70 season. The schedule will be published as soon as completed. Ed and Kay Mack will handle the Rounds for the club and a lot of good square and round dancing will be had by all visitors and members during this coming year.

The **Yell-O-Rockers of Zephyrhills** will have Eric Sohn as caller for their September 26th dance at the Municipal Building, everyone is invited to attend. The club reports a capacity turn-out for their dance featuring Manny Amor in July. All present had a wonderful time.

Roger and Bertha Pruitt of Jacksonville and Don and Bonnie Haugen of Tampa, members of the **Square Dance Campers - Sunshine State Chapter 018**, attended the National Square Dance Camp-O-Ree at Pecatonica, Ill. They reported a wonderful time and would like to see more attend this Annual event.

The Sunshine State Chapter 018, will hold their next **Camp-O-Ree** at **Nature's Campground at Homosassa**

Springs on Rt. 490, west of US 19, on September 19th and 20th. Caller Tom Bush will call for the campers for the last time as the Bush's are moving to California, where Tom will retire from the Air Force. Edith Peterson, reporter for the campers, reports rain dampened their Camp-out in July but a 'sumptuous' Pot-luck supper and home-made ice cream bolstered the spirits of all who attended and many stayed to watch the Moon Walk and enjoyed an extra day of camping on Monday. Anyone who is interested in camping and can call for the club on the third week-end every other month, please contact Judy Shearen, Rt. 2 Box 426, Tampa, Fla. 33610 or the President Clyde Hensley - 1501 77th Avenue N. St. Petersburg, Fla. 33702. Phone 526-7903.

Sunshine Swingers of Auburndale had 20 couples attend the July-Get-Together in Lakeland and enjoyed square dancing to their club caller Roger Chapman of Winter Haven and callers John Saunder, Daytona and Louis Calhoun, Kentucky. Round dancers were treated to the smooth dancing of Charlie and Madeline Lovelace, Tampa.

A few 'Kuntry Kuzins' of the Bay Area Twirlers of Tampa and their Caller Bob Rust at a recent Hawaiian Luau.

The Swingers were visited July 23 by ten couples of Tampa **Kuntry Kuzins**.

The Swingers boast of a 'brand new' potential square dancer... a daughter Lea Luree, born July 18 to Bonnie & Leonard Poole.

Roger is on the 'Fun Fest' Fall Guest Staff and will be calling at Fontana Village Resort, N.C., the week of August 30—Sept. 7. **Sunshine Swingers** will have a guest caller to be announced September 3.

The Boynton Beach Castoffs report the club is enjoying guest callers. The club dances Friday nights at the Civic Center from 8-11 p.m. Visitors are always welcome.

Vice-President Joe & Delores Guy of the Boynton Beach Castoffs greet 'Swang' Danny Robinson at the refreshment table.

The Nautical Wheelers of Key West wish to thank Bill Houston, manager of the Key WesterMotel in Key West, for the use of the Convention Hall at his motel. The hall, beautifully appointed and well air-conditioned, has given a boost to the heat-fatigued dancers of the club. Clubs wishing to come down and dance with the **Wheelers** will be shown consideration and should contact Mr. Houston for reservations. Henry Purcell, caller for the **Wheelers**, has been holding open work-shop at the motel and reports a substantial increase in the number of dancers. Thanks Bill!!!

The Nautical Wheelers of Key West and the **Key West Squares** recently held a family picnic at the Naval Station picnic area. Henry Purcell did the calling and a number of dancers earned their Grasshopper, Sand Flea and Square Duck badges. On July 19, Henry Purcell of Key West and Sam Allison of Port Charlotte held their first Annual Midsummer Square Dance Festival at the Key Wester. Before dancing began, dancers had the opportunity to earn the Southernmost Mariner badge by dancing on the deck of the USS Bushnell. Some of the men attached to the ship tried out a few basics. After a very enjoyable evening of dancing the dancers were treated to a dip in the pool. More Square Duck badges were earned.

The Merry Twirlers of Wilton Manors are looking forward to a fun-filled Labor Day weekend at Clearwater. They are planning a visitation program where they will visit different clubs each week. They had a most welcomed visit from the **Silver Dollar Club of Hollywood** on Aug. 2, and on Aug. 6, the **Merry Twirlers** returned the visit. Congratulations are in order for the Roundtree's son Mike who was married to Key Mulford on July 11 in Rensselaer, N.Y. An Open House was held for them on July 27 at the Roundtree's in Wilton Manors. The club wishes to say thanks again to Phil DeFoe of the **Seminole Chiefs** for calling at the club dance while the Roundtrees were at the wedding. The **Merry Twirlers** extend a most cordial welcome to all visitors. Club dances are every Saturday from 8-11 p.m. at Hagen Hall, Wilton Manors, with Bill & Dennis Roundtree alternating calling every other week.

The Roadrunners of Palm Beach were mostly on vacation this month but had a big Pool Party at Mr. Sonthworth's home in Lantana and stole a Banner from the **Southernaires** at **Haverhill** and then the following week stole the Banner from the **Rhythmaires** at Ft. Lauderdale.

The Pompanaders of Pompano Beach announce their new officers for the coming six months: President, Russ & Laona Cline; Vice-President, Chuck & Carole Leaman, Secretary, Gen & Ivan Copeland; Treasurer, Er & Norm Dumbaugh; Hospitality, Cal & Hilda Gray; Past President of the club, Larry & Clea Eick.

The Silver Dollars of Hollywood have been visiting around. In July they visited the **Shufflin' Shoes**, the **Merry Twirlers** and the **Pioneers**. They plan to continue this policy for they find that those clubs visited in turn visit the **Silver Dollars**, which makes for much good old fashioned fun and camaraderie. On September 17 the club is holding a 'Swap Party.' If you don't know what this means - come on out and see.

The **Shirts and Skirts of Ft. Lauderdale** had thirty couples at their July "Pot-luck" supper and a tremendous spread was enjoyed by all. The club is planning a steak "cook-out" on September 14th, in conjunction with their Annual business meeting and election of officers. In July, Jerry Seely and Frank Bedell called for the club during the club's caller, Vern Johnson's vacation.

Mark and Edna Nairn, members of the **Westernaires** and **Dixie Twirlers** were given a surprise party in celebration of their 25th Wedding Anniversary on Sunday night, July 27th, at the Ponderose Square Dance Hall. Johnny Walter from Marathon was caller for the 10 plus Squares who had a real good time.

The **Star Promenaders of Miami** are planning an "All nighter" square dance on Saturday, October 18th, beginning at 8 P.M. Frank Bedell will lead a number of callers who will participate in the dance to be held at Grapeland Heights, 1650 N.W. 37th Avenue, Miami. The **Promenaders** guest caller schedule is as follows: Vern Johnson, August 27th, Robert Andrews, September 3rd; Colin Walton, September 10th; Robert Andrews, September 17th and Colin Walton, September 24th. The proceeds from the "All Nighter" will go toward new curtains for the hall to improve accoustics and appearance.

The **Key West Squares of Key West** are having Open-house on October 6th and 13th with the beginners class starting on October 20th. Steve Stevens, caller for the Squares is starting a Round Dance class, which will be held every Thursday night at the Old City Hall on Greene St. On July 26th, Steve held a house warming in his new apartment. Among those present were Mary Crossno and Janice Clements of Key West, Mrs. Paul Brown, Hamlet, N.C. and Frank and Thelma Sanchez, President of **Boots and Bows Square Dance Club of Ft. Lauderdale**.

The **Modernaire Workshop of Fort Lauderdale** sends the report that their new graduates are blending nicely with the club and have danced to many guest callers who have filled in for Neal Blanchard. Neal has been recuperating from his recent surgery. He is expected to return to the mike by the first of September.

The **Weekend Warriors** camper dancers held their second weekend outing of square and round dancing at Holiday Out Travel Trailer Resort on the ocean at Jensen Beach (Stuart) Aug. 1 and 2. Eight squares of dancers made the trip from the Southeast area to enjoy the fantastic facilities of Holiday Out and the calling of Frank Bedell, Ernie Bass and Joe DiNatale. In contrast to the previous outing in May, at the same place, we had perfect weather. Pot Luck supper was enjoyed by all Saturday night in the air conditioned recreation room, as was the midnight beach party, complete with hot dogs and bonfire, after the dance. The young folks particularly enjoyed their own recreation room and the pool. The next outing is planned for sometime in Nov. in the Florida Keys. Watch your local club bulletin board and Bow & Swing for the announcement. Bob Chapman of Ft. Lauderdale, and wife Ginny deserve credit for the wonderful job of coordinating the outing.

Bernice Shone, reporter for the **Marathon Key Hoppers**, reports that on the July 30 workshop they had square dancing friends Mr. & Mrs. John McAllister visiting from Rhodes Island, Greece. They didn't join in the dancing because they dance the 'old style' square dancing. They will try to get records to take back so they can learn the Western Style dancing. Greek people like to dance and watch the Americans over there dance and after a few nights are seen dancing square dance steps out in the street. The McAllisters were fascinated with Johnny's calling and his dancers.

The **Dixie Twirlers** present their coming schedule of dances at the Ponderosa Square Dance Hall, 3180 N.W. 36th Street, with Lew Green as caller. September 12th, Welcome Home Dance October 31st, Halloween Dance and November 21st, Harvest Moon Ball.

The **Seminoles of Miami** had as their guest caller, Ernie Bass, from West Palm Beach, for their Aug. 8 dance while Gordon was up at Camp Dixie. Coming up on Sept. 12 is their 'School Days Party' and Initiation for all their new members. Come one and all and join in the fun!! The **Seminoles** will celebrate their Halloween dance on Oct. 24 and instead of a Christmas Party they will have an After Christmas Party on December 26.

Fun at the Convention! The group shown here are members of the Nautical Wheelers Square Dance Club of Key West.

Neither the record July heat, nor vacation time, stopped **North Miami's Westernaires** from drawing about 14 squares to their 'Christmas in July' dance. The 'bring a gift, get a gift, upside down Christmas' and the excellent work by the club's committees made the event the area's best mid-summer affair. The Fall schedule of new events will be announced in the next issue of Bow & Swing, after the new officers have been elected, but there will be exciting square dancing, special events and up-to-date rounds every second and fourth Saturday at the **Westernaires** club.

Northeast Florida . . .

The **Dixie Chain Gang** have elected the following as officers for the coming year: President, Lois & George Stanton; Vice-President, Trudy & Elmo Brown; Treasurer, Inga & John Tyson and Secretary, Marilyn & Jim Stone. Election was held at the 3rd Anniversary Dance on June 28. Frank Clements is caller for the club.

The **Orange Park Promenaders** have reorganized and have elected new officers as follows: President, Tom & Anne Darby; Vice-President, Rob & Linda Roy, and Secretary-Treas., Elmer & Margaret Hilbrant. Bill Camp is the regular caller. They have moved the location of their dances to the West Side J.C. Building at Lakeshore Blvd. and San Juan Ave., where they will meet every Friday.

Chet Vetter of Gainesville and Paul Lane and Ray Wixson have been appointed as nominating committee to present a slate of officers for the **Northeast Florida Square Dancers Assn.** by Bob Sinn, President. Election will be held at the next regular Assn. meeting on September 14. The **Swinging Swampers**, a newly organized club in **Folkston, Ga.**, have applied for membership in the NEFSDA and their application was approved at the regular meeting on July 15. Dick Barker is caller for this group. They became the second Georgia club to become members, joining the **Golden Isle Swingers of Brunswick.**

Coming events in the Northeast will include: The Cam O'Leno Hoedown sponsored by the **Starlite Shufflers** on Sept. 27-28 at O'Leno State Park. C.O. Guest will call for the **Swinging Squares of Valdosta, Ga.**, on Sept. 9. A grapevine subscription dance will be held at the Joseph Lee Center on Sept. 18. On October 10-11, there will be the Fire Dance sponsored by the **Allemandarins.** Then Nov. 7-8 the NEFSDA Florida Fall Roundup will take place with Marshall Flippo on the 8th. Flip is the country's top caller based on record sales.

(Reporter: V.A. Green, Jacksonville.)

Tom & Mariann Hidding of Jacksonville announce the new classes in Square Dancing as follows: for the **Calico Swingers**, Sept. 14, Westconnett Civic Center. For the **Western Cutters**, Sept. 11, Westconnett Civic Center. For more information, contact 'Big' Tom or Mariann, 771-6272.

Central Florida . . .

The **Flying Eights of McCoy AFB, Orlando**, have had a busy month. On the 5th of July the **Starlight Promenaders** went home with the President's pants. The 16th, five couples helped retrieve the pants and enjoyed dancing with the 'pants-snatchers.' Couples were: Bill & Helen Johnston, Mac & Roberta McGiveney, John & Helen Flacquer, Bob & Sue McMasters and Roy & Marge Freshwater.

Harold & Phyllis Green, President of Starlight Promenaders of Sanford, with Caller Chuck Durant and his wife Naomi. A happy group!

A square of **Flying Eights** did an Exhibition dance at the McCoy Officers Club for a Squadron Western Night Party on July 19 with caller George Hinkel. Dancers participating were Roger & Joyce Theroux, Martin & Nancy Taylor, Earnie & Gretta Planck and Roy & Marge Freshwater. Another exhibition is planned for the Service Club Sadie Hawkins Dance on July 29.

On September 6, Danny Robinson will be calling. September 20, Jim Rice and his bank are booked for a workshop from 7 p.m. to 7:30 p.m. and then regular dancing from 7:30 to 10:30 p.m. Come on and swing with us to 'live music.' Bill Shell's calling date was changed to Oct. 4. The **Flying Eights** dance the first and third Saturday nights each month at the McCoy Service Club. All visitors are welcome.

The **Brandon Tanglefoots of Brandon** are making plans for two big Holiday dances during the coming season. Visitors are urged to make plans now for the gala affairs on Thanksgiving and New Years. The new officers of the club are Roger & Fran Heath, President; Wayne & Frances Morris, Vice President. The club wishes the best of luck to Bob George, the outgoing president. The **Tanglefoots** made a Knotheadtrip to Daytona Bch. to dance to the calling of Bob Rust on August 9.

The July 'Get Together' in Lakeland was a huge success, according to the report from that area. Plans have been made to repeat the dance next year. The same staff of callers will be on hand. Louis & Ann Calhoun, John & Linda Saunders, Roger & Mary Jane Chapman and Charlie & Madeline Lovelace on the Rounds. The entire schedule will be forthcoming in a later issue of Bow & Swing.

The **Happy Hoedowners of Leesburg** and **Eustis** announce they will have Ray Cunningham calling on the 1st Friday of each month and Skeeter Chauwin on the 3rd Saturday. The 4th Friday night dance will be cancelled in Eustis. The club dances at the Leesburg Community Center.

The **South Orlando Squares of Orlando** enjoyed the hospitality of Henry & Edith Wikel on June 15 for a Corn Roast and Pot Luck supper. The new officers of the **Squares** are Jim & Wanda Stinson, President; Ed & Jean Przybla, Vice President; John & Phyllis Atkinson, Secretary-Treas.

John Saunders called for the **Squares** July 12 and Bob Bennett of Valdosta, Ga., called July 26. Bill Ford called for the club's first dance in the new Ben White Recreation Hall on August 9 and Johnny Everett of Tallahassee called August 23. Art Springer of Tampa will call on September 13 and Roger Chapman calls on September 27. The **Squares** welcome all visitors.

The **Strawberry Strollers of Plant City** with their caller Howard Parrish and his wife Evelyn, were joined by a square of dancers from Plant City and one square from Lakeland on a Knothead trip to Naples on July 26. The **Sunshine Shufflers of Naples** met the visitors at the Coves Inn with coffee and doughnuts at the poolside. Saturday night they all danced to the calling of Sam Allison. Dancing continued at the Inn with many badges being earned. The **Strollers** wish to thank the **Shufflers**, Sam and his lovely wife Mary, for a wonderful time.

The **Tavares Squares of Tavares** will start a new beginner class on October 2, with Danny Robinson as caller and teacher. The **Squares** dance every Thursday night except the fourth one each month... they dance on Saturday night of that week. At the recent election Ralph & Grace Wood were elected President. Information may be obtained at 343-7728.

The following report was received too late for the August issue: the **Orange Park Promenaders**, with Bill Camp, instructor, on June 27 graduated one of its largest Square Dance classes with 56 graduates. The crew in charge of initiation outdid themselves. The stunts ranged from tissue wrapped husbands to invasion by a bunch of Hillbillies.

September is 'Round-Up Month' for the **Titusville Twirlaways**, who are sponsoring two big dances at local shopping malls. The reasons are two-fold: to publicize the club's beginning lessons, which start Sept. 26; and to bring square dancers from the area together for an evening of Fun and Fellowship...perhaps 'roping-in' former dancers to join in the fun. Dates for the two specials are Sept. 5 at Miracle City Mall from 8-11 p.m., and Sept. 12 at Searstown Mall from 8-11 p.m.

Seven squares participated in the **Twirlaways'** street dance held at Merritt Island Shopping Center on August 1. This was a progressive dance with the group eventually ending the evening 25 miles north at the **Twirlaways** regular dancing spot, the South Lake School. Chuck Durant had quite a time keeping up with the progression...he had to carry his equipment each time...

Jack Mellott, President of **Buttons & Bows of Lakeland**, took a square of dancers to Titusville to dance to Chuck Durant on the eve of the Apollo 11 moon shot.

Mel Clark will hold beginner classes in square dancing commencing Sept. 11 at the Teen Midway on Massachusetts Ave., Lakeland. These classes are held once a week until the first week in January. Time: 8-10 p.m.

Newly graduated Square Dance Class of Chuck Durant... Now new members of the Starlight Promenaders of Sanford.

The **Orla Vista Firehouse Squares of Orla Vista**, held a 'Travel Dance' with caller Bill Ford at the mike, in Orlando, June 21. A rip-snorter time was had by all as Bill cut loose with his calling to a crowd of dancers attired in Vacation Clothes. On June 22, nine club members and their families attended a Camp-out with Bill Ford and family at Wickam Park in Eau Gallie. All attended a dance that Saturday night at Satellite Bch. Everyone returned home with sun-burned noses, tired feet and a wonderful feeling toward all friendly Square Dancers.

Another photo of the Sarasota Agriculture Building. Note the movable partition on the right. Colored glass panels and walls of brick are pleasant features of the building.

Proof positive that Square Dancers have more fun! This photo was taken at the new Sarasota Agriculture Building built by the County Fair Assn. See story on Page 5.

The **Orla Vista Firehouse Squares of Orlando** were host to two clubs from Jacksonville, the **Jubileers** and the **Starlight Shufflers**, on August 2, who came down to make Knotheads. Caller Jim Taylor from St. Petersburg filled in for Bill Ford who was away on vacation. On August 4 the **Firehouse Squares** wore their club outfits and attended the Grand Opening dance at Ben White Recreation Center. Everyone came away with tired feet but with memories of a wonderful dance.

The FCA President Speaks:

President's Corner

A year ago a request was made that clubs that dance on Friday and Saturday arrange to get a caller other than an FCA member for their dance the third weekend in October, in order that all callers would be free to attend the clinic held each year at this time.

We have noticed that many of the established callers always attend the clinic and in their absence the club he regularly calls for hires some newer caller for whom the clinic is in part designed.

The FCA each year spends from \$500.00 to \$700.00 to put on a clinic and is presented to all members at no charge.

We feel it is time to set the third weekend of October aside each year as a "Callers Holiday" and ask that all club officials consider either cancelling their dance or possibly getting together with other clubs in the area and getting an out of State caller for a jamboree type of dance. The club might also consider paying their caller his regular fee for the dance he would have called **providing** he attends the clinic. If your treasury cannot stand this expense may we suggest a review of club dues and/or guest fees and upgrade or update them as necessary. No caller has yet gotten so good he can't learn something from a clinic. Why not **insist** your caller go?

We, the callers, and you, the club officials, as leaders, have in the palm of our hands the wherewithal to make Square Dancing grow the proper way. We of the FCA are ready to do our part ...as club officials are you ready to do yours?

Square dance callers found calling regularly are Bob Dawson, George Jabbusch and Bob Norton. Bill Leonard and By Markle are active in calling for round dancers. During the winter season, "Free Lancers" a high level square dance club, which meets Wednesday nights, brings well known traveling callers from all over the country to Sarasota. "Grand Squares Club", dancing on Saturday nights, in addition to presenting fine local callers, is pleased to have Jack Lasry and Roger Chapman as Guest callers, along with other.

The square and round dancers of Sarasota and the surrounding area applaud the members of the Sarasota County Fair Association for their foresight in providing such a fine facility, and especially for remembering us dancers!!

were busy raising a young family, completing college and waiting for the day to get back into club level dancing which they just didn't have time for. In 1960 Jack was asked to call for a little group in Homestead, Florida, when their regular caller went up north for the summer. The group grew into a club and soon was dancing up to club level. He joined the **Florida Callers Association** and called at the State Convention in 1961. The National Convention came to Miami in 1962 and that event gave him a big boost. The same year Jack and Carolyn started another class that grew into one of Miami's most popular clubs, the **Cloverleaf Squares**. 1962 also marked their jump off the deep end by opening their own Square Dance Studio, the Trails End. With a wood floor and plenty of air-conditioning the Trails End soon became a real popular spot for Square Dancing. For the past seven years Jack and Carolyn have conducted a full cross section of square dance programming with classes, workshops and club dances for all interest levels from beginners to high level. As the winter visitors attended dances and workshops they took back tapes and nice comments and soon Jack started traveling North to call for clubs and festivals.

Square Dancing has given them the opportunity to travel and meet hundreds of people whose friendship they cherish. It sure would be a dull world without the fun and friendship they have found in square dancing. Recently Jack was selected by Bob Osgood to be on 'Sets in Orders' Blue Ribbon Committee, involving experimental basics. He has conducted Callers clinics and started publishing notes for callers. This year Jack will be calling at several National Festivals including the Kentuckiana Festival in Louisville, Rochester, N.Y. Dance O Rama and the Labor Day week-end in Conneat Lake, Pa. The schedule has become so demanding that they have devoted full time to Square Dancing.
