The DIXIE SQUARES of Daytona Bch. give Wedding Reception.

Two members of the Dixie Squares were united in marriage Sat. evening, Oct. 8th, at Grace Lutheran Church of Ormond Bch. when Miss Alice Skogen became the bride of Mr. Saul Austin, the Rev. Ralph V. Birk officiating. Their only attendants were Mr. Walter Driscoll and Mrs. Edith Seymour.

Immediately following the ceremony a reception was given by the Dixie Squares Club. About 150 members of the club and their friends were present. A huge colored banner across the stage inscribed, "Congratulations! Alice and Paul!"

After an evening spent in dancing with twelve squares on the floor, the happy couple opened the many shower gifts from those present. At midnight, the newlyweds left for their new home.

1. The Konvention was the best ever-
2. All dancing facilities under one roof was a definite improvement.
3. Missed the choice of changing halls and caller.

MESSAGE FROM THE PRESIDENT

It seems that along with a gavel and various boxes of old letters and mimeographed forms, comes the opportunity to voice a few choice thoughts each month in Bow & Swing. Here are our initial thoughts (Naomi's and mine combined).

Have you been dancing more and enjoying it less lately? If so, maybe you have reached the stage in your Square Dancer life when you need to GIVE Twice in the last few weeks I've had someone say to me "Square Dancing has given me so much, I would like to give it something back". One was a caller and one a Dancer- that's an unbeatable combination I believe. A caller and a Dancer both wanting to give the activity something. No one person, or organization, can improve our activity alone, but if we all realize that we need each other, and a common goal, THE BETTERMENT OF SQUARE DANCING, then there is nothing that we can't accomplish.

If somehow in this next year we can heal some old wounds, open new lines of communications, and understand one another better, then I will have given my something.

Sincerely

Chuck Durant

The ROUNDETTES of Lakeland are very pleased with the turnout on Mondays since Byrdies back in the swing.

The Roundettes would like to take this opportunity to express their appreciation to all those who responded to the Byrdie Martin Fund. It now stands at about \$2150. This is beyond our wildest hopes and we are deeply grateful to all of you.

And, most important our gratitude to God that Byrdie is still with us. You have only to look upon her smiling face to know with her, all's right with the world.

Merry Christmas to all from the Roundettes.

SQUARES & PAIRS hopes your Thanksgiving was a wonderful get together with family or friends, and that you all enjoyed your share of the feast.

We are looking forward to Fred Christopher calling the dance in Dec. and Roger Chapman. Ed & Kay will do the Rounds. Roger Chapmans Dance will be our Christmas party, and as in the past it will be a party night and refreshments will be served. At this dance each dancer is requested to bring a toy, the ladies will bring a toy for a girl and the men will bring for a boy. These gifts are given to the Salvation Army to help stock Santa's toy shelves, so the parents of deserving children may select just the right toy for their child so bring the gifts unwrapped - this helps the Salvation Army, and saves you the job of gift wrapping. Our wish to all members and friends is for the Merriest Christmas ever.

The **ALLEMANDERS** of Satellite Bch. had a Halloween Costume Party Oct. 31. Guest caller Jim Baker pleased the crowd with his calling, while Mary & Howard Hughes and there fantabulous committee kept 'em in stitches. Old Rufus the doll never learned to dance. J.D. Davidson won the prize for his interpretation of Frankenstein. Glen & Ceda Mills were hilarious for the "Funniest" prize, & Franz & Juanita Brett were the "Prettiest" with their German

costumes. If the Tokareffs and the Ammons practice real hard maybe next year they can walk on eggs without breaking any.

John & Betty Jones the committee promises to bake you a real cake soon not one of styrofoam and shaving cream. Thanks to the Huthmachers, Halls and the Mossmans for being willing workers. An enthusiastic committee means a successful party.

We even had tables on the floor without legs and we sat on pillows and ate. The winners on the Limbo contest were Vera Kelley and Dallas Aldridge also John Sherley and his law Dawn were guests. We had to do a little coaxing but he called a tip for us. We enjoy having them visit us.

Open Letter To The Palm Swingers

I would like to thank the Palm Swingers for asking me to be their regular caller and hope that we can have as much fun as we have been having the last few times I have been asked to call for your club.

I have enjoyed these last dances and you have made me feel so welcome I look forward to calling these nights as I can not help but enjoy calling to such a great bunch of dancers.

Thank you and squarely,
Pete Sansom

KEY KICKERS NEWS FLASH

Caller, Henry Purcell was officially made a "HonoraryConch" and was presented with the "Key to the City" by Gerald Saunders, Mayor of Monroe County, at the American Legion's Boys and Girls Staters meeting. This was truly a momentous occasion for both caller and club.

Prizes for the best costume at the Hal-O-ween party were awarded to Bill Saddler for his unique "Out-house"--1st prize and caller, Henry Purcell dressed as a "Lady"--2nd prize. Many games were played and everyone enjoyed the calling of our Lady Caller. This night was also a celebration for Birthdays and Anniversaries of club members Terry Weiche, Jim & Nelda Cunningham & Bob & Harriet Randall. The traditional Congratulation Kissing line was formed for all five. Refreshments for the evening included a cake in the shape of a Witches head decorated. Contribution by Little Foot Div. member Lori Felix.

The club really enjoyed dancing for the Key West Players at their meeting. It was a great experience and trill to dance "On stage" at the Waterfront Playhouse. Our thanks to Ann Carleton for making this possible.

The WHIRL & TWIRL CLUB of Orlando had a number of great callers while our own Danny Robinson was gadding around on a Northern Tour. Danny says, Its good to go away...It makes you appreciate your Home Club even more" and we say "You sure slobbered a bib full, Danny Boy!" Oct. 27 was a really great night for the club. Our fall class started off with a bang! over 50 new class dancers and wonderful support from the club dancers.

Oct. 30 Halloween Dance was enough to raise goose pimples on a gargoyle. Whitchy-Poo was there and her feinfish mate. Dracula was wheeled onto the Dance Floor in a big black coffin..twas a gastly sight to behold! There were, Vampires galore and even a beguiling snake and the apple from the Garden of Eden.

Thanksgiving Dance. Turkey Trot, Nov. commenced with a covered dish dinner... wow what chow! throughout the evening The Tenderfoot Div. recently elected new officers:

Bob & Agnes Gaddy, Vice President
Jerry & Anna Bunch Treasurer
Many thanks to the outgoing officers.

NORTH OF THE BORDER NEWS

The SWINGING SQUARES had two wonderful dances this past month. The 1st dance with a guest caller. Jim Taylor, St. Petersburg, Fla. did the chores and the group really enjoyed his calling. Jim was in fine voice and the dancers really enjoyed his little brog. Our second dance was called by our own Bob Bennett and this was a girl ask boy dance and believe me no gent got up out of his chair until a girl asked him to dance and this was really fun, because there wasn't ever a gent not dancing, guess what? the girls like to dance with different gents, just like the boys do. The Swingin Squares danced at the Lakeview Nursing Home and the senior citizens really did enjoy this. It's wonderful when folks will do these types of things for someone who can't do for themselves.

My New Record - Vaccination for the Blues is now out and I hope you enjoy it.

KISS-A-ME SQUARES celebrated their 4th Anniversary with a free dance. Among the visitors were: Flying 8's, Whirl & Twirl, Wagon Wheels, Orange Sqrs. and several from out of state.

New Officers:

President, Clarence & Marie Steinhoff
Vice President, Milo & Joanne Forsmoe
Secretary, Mel & Del Caddell
Treasurer, Fred & Edith Clancy
Rec. Director, Herman & Lena Mae Sheppard

Out going president couple had birthdays this month. Howard never brought his glasses with him so the club bot him a real MOD pair about 4" in diameter and Marion was presented a "Computer Gadget" to take shopping with her.

The club started a new class Oct. 25 and hope to have the Square Angels dancing with us by Christmas.

Merry Christmas and come dance with us.

STRAWBERRY STROLLERS gave their caller a birthday party on their regular dance night.

The Cokers and the Bastons returned from their vacation with bells on. They had bells tied to their ankles and as they danced the bells would ring and they would let out with an Indian cry to. They couldn't master the mt. style dancing so they went to Franklin, N.C. and danced to a live band. Their little S/D Flag helped them meet the nicest people.

Thanks to all the callers and dancers who helped make the Halloween/Benefit Dance a huge success. John & Joyce Matelski won 1st prize in Halloween Contest and Rusty Lisk the "Hippie" and Connie Martin (our little witch) won 2nd and 3rd prize.

This little idea came along several weeks ago and really why it had not been thought of before I'll never know...

We always circle four to a line facing in, Yet the two face line is as easy to arrive at in a similar way. As a strong part of our choreography the two face line is usually arrived at by having the couples swing thru-CENTERS RUN....

TEACHING CIRCLE TO A TWO FACE LINE-----

Have the heads lead right--circle 1/2 way--tell both men to drop left hands (break) now have each couple slide to the left to form a two face line. Explain that the slide to the left is just for them to see the end result---Now have the heads lead right CIRCLE TO A TWO FACE LINE and the natural lead out flow will bring the dancers into a real smooth two face line. It is easy to teach and even easier to use as I will now show.....

From any eight chain thru position a circle to a two face line is the exact same as saying swing thru-boys run,.....

A circle to a two face line--followed by a wheel & deal is a zero.....

-It is not the exciting type of an idea like relay the top was but it is a handy choreography tool and could easily become a standard basic fitting into the circle to a line family.....

Moving dancers from a line to an eight chain thru position or to a double pass thru position is quite common with the use of star thru. I would like to pass along some that I use that seem to be a little different and again add that little change we look for and the dancers appreciate.

PIERSON'S PONDERERS

Hi again, we've now put out 5 issues of the Bow & Swing and we hope you are enjoying it as much as we are publishing it.

This would be a good time to express our thanks to all the clubs we have visited so far. The welcome you all gave us at your clubs makes this venture we've entered into worthwhile, again THANKS

Now for a little business, we are putting the addressing of the book on a computer. We hope this will stop some of our problems we have had in the mailing of the book. Now remember all the subs. will be typed on IBM cards and if any of them are wrong to start the computer will not fix this. therefore if you do not receive your book, write us and include your complete address (Zip, Apt. No., etc) and we will mail the book promptly. It should not take to long to shape up this mailing problem.

In our first issue we had a column called, ODDS & ENDS, quite a few of your letters indicated to me this would be worthwhile to continue, so Emily Leach has consented to continue this and we hope you will enjoy it. So if anyone has any ideas that would be suitable for this column, please send them to me.

We welcome Jack Lasry as our Square Dance Coordinator. This promises to be a column of interest for everyone, callers and dancers alike.

We have acquired a banner for the B & S and with this banner in hand we visit your clubs, so if you see some strange person hang this banner in your club you will know the staff of this magazine is visiting your club.

So long for now.

HARBOR CITY SQUARES really had a ball for a Halloween Party everyone thought we were at the Playboy Club when a Bunny Girl walked in with her tight suit and fuzzy tail and bunny ears she was accompanied by he drunk boyfriend who brought his own bottle at unmasking time "she" turned out to be our own Bill Johnson & the boyfriend, his wife, Evie - Needless to say they won the funniest prize.

The decorations were spooky the food excellent and George Hinkel was in rare form so a good time was had by all 8 squares.

The Sing-A-Long nite as usual was a nice change of pace and our "Singin George Hinkel" had a well paced evening lined up for us-Guest and members alike seem to enjoy this kind of evening.

We were happy to welcome Roger Chapman and fans for an evening of good dancing.

Lots of subjects were discussed and more
foundations laid for the future. With this
many people present at this meeting lots
of new items come forth, and things can
be discussed with more thought. Thanks
again from Pee Wee and all of the Square
and Round Dancers in our area for giving
your time to the betterment of the associa-

Round Dance Instructor of The Month

ROY & OLIVE SPRAGUE of Miami first square danced in North Dakota, with their fathers doing the calling. The music was generally from a squeeze box, a fiddle, or just a mouth organ. The only rounds in those days were The Rye Waltz and The Butterfly Waltz, with some schottisches, humbolts and polkas. It wasn't until they moved to Miami that they were introduced to modern square and round dancing. They took their first round dance lessons from Bill Casio and Hazel Bennett.

For several years they taught square and round dancing at the Biltmore and Sunny-Trailer Parks, before going to work for the Miami Recreation Dept. in 1963. Roy joined the F.C.A. in 1962, and in 1965 they became members of the Round Dance Council of Florida, of which Olive has just finished a year as treasurer.

The "Gadabout Club" was organized with friends who liked to travel and included dancing on all of their trips. The Spragues average over 40,000 miles a year and have danced around the world, dancing on three other continents: Europe, Asia and Australia.

Their list of places danced is impressive, 4 Nationals, 9 Fla. State Conv., Mich. & Ohio Conventions, 7 Knotheads, 7 RDCF Festivals, 7 Washington Spring Festivals, (just to mention a few) as well as overseas.

In 1971 they plan to go around the world again, with a stop off at Sydney Australia to attend a Nation Convention at Perth with some friends.

MISSILES TWISTERS of Melbourne welcome back our one square of "Snowbirds". Really great having you back. We celebrated our 9th Anniversary dance with a Pot Luck and the calling of Ocsar Erwin. The Civic Center was packed thanks to the visitors. We canceled our regular dance for a campout at Lake Family Campgrounds for a weekend of relaxation. We started something new something special for each and every dance. Our 1st try was "Lucky Ducky" on Oct. 24. It was a success.

The CROSSTRAILERS NEWS

Our New Years Eve Party has a few tickets available. Our committee has some good fun planned. We enjoyed our Halloween Dance and had difficulty selecting the winning costumes, they were all so good. Our Christmas Dance and Party will be the 19th.

Frances Langston

The WESTERNAIRES of Miami, plans have been made for a gala New Year's Eve Dance and tickets are now on sale. Pete Sansom will join Bob Cook in handling the calling chores.

Bill and Betty Beattie were hosts at the Round-Up for the Halloween Masquerade Dance sponsored jointly by the Westernaires and Palm Swingers. Among the prize winners were Westernaires Guy & Lorrie Bradley for the most original costumes and Ken & Lillian Bonaparte for prettiest costumes. All who attended had given great effort for originality in their dress, and a wonderful time was had by all.

CALLER OF THE MONTH

PHIL DEFOE (TAW DOROTHY)

We have been in Florida only 2 years, coming from the great corn state of Iowa, where we lived nearly all of our lives in Ft. Dodge. We have been in the Square Dance movement for fourteen years & in the calling and teaching end for 9 years. We are proud to say we are well known throughout the State of Iowa and surrounding border states. We have instructed over 500 couples in square dancing and a sizeable amount in Round Dancing. Three large clubs in that area were originated by us and are still going strong. Other news clubs in the surrounding area were formed and we are proud that we had a hand in helping them to get started. In Iowa we were members of two caller's associations, and we are presently members of the Florida Caller's Association. Since coming to Florida we have taught ten squares of dancers and have our present club the "Seminole Chiefs". We also do entertaining in Condominiums & Country Clubs, and are in the process of forming our second club in this area. Sets & Order, State and Local Magazines have picked up our articles for publication.

We are the proud parents of three children and the prouder grandparents of five lovely granddaughters.

All dancers in the area are welcome to dance with us.

ODDS AND ENDS

BY EMILY LEACH

Ladies, here's a chance to pep up your husband's wardrobe of ties plus matching them to your dresses. It's a very simple pattern and can be done at a nominal cost. Fold a piece of paper and cut to the dimensions shown, these include a seam allowance of $1/4$ ". Machine stitch to about 2" from top, on reverse side of material, then pull thru to right side, push out edges and steam press. Lay out the two pieces according to the sketch with fold to the inside of neckline. Pin securely and hand stitch from underside. Avoid any stitching showing on top side. Neatly fold in top edges, press and hand sew, adding a 7" or 8" piece of 1" elastic on left side. Check your husband's neck size and add hook and eye for closure.

For the extra touch, dress it up with a jewel of some kind. I've used odd earrings, pins, etc., by snipping off the pins and clips and sewing them on securely to avoid hanging or bounce.

GOOEY BARS

The origin of this recipe is unknown and was given to me by a friend in California, who also named them. They are a moist cake slice and will keep moist if stored in a covered container.

1/2 cup Butter or Oleo
1 cup Brown Sugar
1 Cup White Sugar
4 Eggs

1-1/3 cup Flour
2 tsp. Baking Powder
2 tsp. Vanilla
1 cup Nuts, Pecans or Walnuts

Melt shortening, add sugars & mix well. Add eggs and mix. Then add the balance of the ingredients and mix. Use shallow baking pan and bake about 25 minutes at 375 degrees, or until springy to touch.
