RHYTHMAIRES of Ft. Lauderdale held their annual Christmas party, on Dec. 18. Jay Fenimore did the honor of us calling for us that night, and did a terrific job as usual. At intermission a delicious Buffet was set out for all to enjoy. An exchange of gifts took place. Plans for our Big New Years Party are all in order and it looks like all who are coming are in for a really big evening.

Happy New Year to all and come dance with us.

Happy New Year at all Square Dancers.

The **SUNSHINE STATE CHAPT. 018, NS-DCA** enjoyed a wonderful week-end in Nov. at their Barton Lake Camp-o-ree with 8 aquares dancing on Sat. A magician provided intermission entertainment, and fire-side after parties around the campground for fellowshiping were well attende until the wee hours! The Sunday morning Texas breakfast was " something else", with the smell of sausage and bacon cooking and a foodf a plenty, along with other "goodies", bringing the hungry members out of bed early to eat.

The **MODERNAIRES** of Ft. Lauderdale want to wish everyone a Happy New Year. Phyl Tucci, our entertainment chairmen is always coming up with new ideas and how else do you celebrate Thanksgiving than by sharing with others so we invited Neal's beginners class to join us for a night of food and fun.

Our Christmas Party was enjoyed by all. A few disappointments because Santa didnt bring everything we wantedbut then it always leaves you something to look forward to.

We are sad to report that 2 of our charter members, Bill & Sally Fleming, have been transferred to Tampa. We will miss them. I'm sure they will keep up their square dancing and come back to visit us.

SAT. JAN. 30, 1971 - 8-11 P.M.

EUSTIS, FLORIDA

Another year is almost upon us, so let's make this the time of the year to stop for awhile and reflect on the past year and the year to come.

What a great feeling to know that we may have a chance to learn and profit from mistakes that we made in the year past. As I reflected on not only the year past, but all years past it struck me that the thing I remember most is the fun and fellowship of Square Dancing. In this fast changing world of ours, what a comfort to know that something remains steady. The smile of welcome, the warm handshake, and maybe most of all the laughter when a square falls apart - from who's mistake - it really didn't matter. We all go back home and try to do better the next time. Not a bad attitude to take to your next Square Dance, or for that matter to your New Year. What do you think? We can't think about the past year without realizing that thanks and appreciation should go to Neal and Ruth Blanchard and his board, and to everyone else, Callers, R/D Leaders, and Dancers, who worked to make the past year the success that it was.

Naomi and I would like to take this opportunity to wish each and everyone a very Happy and satisfying New Year.

Sincerely
Chuck Durant

The YELL-O-ROCKERS of Zephyrhills will celebrate 4 years of Fun, Fellowship and Friendly dancing at our Jan. dance. Round dancing is on the program. A special invitation to all area dancers and past club dancers who have contributed to the club's fine reputation of pleasureable dancing over the years is being extended.

The club's new officers will be introduced who were elected Jan. 3rd.

Cliff Hendricks called a lively dance to 10 squares at the club's Thanksgiving Dance where we were honored with the presence of our Bow & Swing Staff. Food a plenty was served from a festive table to the dancers from all area clubs and some as far away as Canada, New York & Indiana.

This month finds us looking back over all the fun and good times we had in 1970. The fun we had planning the the wonderful anniversary dance---The fun we had at all the conventions & special dances we went to---The fun of all the picnics and outings we had as a club---The fun of all the good friendships we have made thru square dancing--Yes 1970 was a good year for us at Left Allamanders, and we are looking forward to making 1971 just a little bit better---So come dance with us and meet all these wonderful visitors winter from the north. The NEW HAGEN HALL - WILTON MANORS

The **MERRY TWIRLERS** of Wilton Manors have been busy as usual. Members went to the airport to welcome back, Chuck Wernicke, and while there entertained the sleepy ticket agent by dancing at 1 am & earning Airport Badges.

We'd like to share another badge idea: Long Distances Badges, given to the couple who has come the longest distance, (at least from out of the county) and danced with us. Ours is a small rectangular badge with our club name and "Long Distance Dancer" on it. When our guests return home they have a souvenir of their evening with us and others hear about us So far we've had the pleasure of awarding badges to people from as far as New York & New Jersey.

We recently had the pleasure of welcoming John & Dawn Shirley into our club as honorary members To our knowledge this is an all-time first to have a great caller and his wife as honorary members.

Around Halloween we started a fund for the Silver Spinners; decorating a coffee can. Even our club members donated, and we sent our collection to them as our admiring Christmas present. SS: hope it helps you make it to the 20th National!

Santa Claus visited our club in full dress at our Christmas Party. He brought goodies for the kids, and ho-ho'd his way thru a tip ot two. For such a fat old soul, he dances rather well! (The Devil made me say that, Bob.)

Our New Year's Eve party was another happy evening. Added a few more Kangaroos to our roster, and we had fun to the wee hours.

We look forward to a joyous 1971, with dancing, new badge creations and new friends. The Merry Twirlers wish all of you a healthful, truly Happy New Year and invite you to dance with us and our caller, Bill Roundtree.

The Happiest of New Years to all of you from all of us. Our youngest guest to date is the beautiful new daughter of Eugene & Lucille Aldrich. She's a little angel. We're sorry to report we are losing 2 of our couples. Al & Dianne Bush have been transferred to Germany and Wayne & Edna Lundberg, who are charter members, are moving down to Ft. Lauderdale. I'm sure that both of these couples will fine dances wherever they go, but we certainly will miss them. We went to the Camp-O-Ree at Barton's Lake and the weather was made to order for a week-end of fun. We also visited the Yell-O-Rockers & the Tanglefoots. We sure have fun.

Please come dance with us.

FEATURE FIGURE FOR THE MONTH OF DECEMBER

THE CALLER'S CORNER

One of the real nice basics that I would like to explore is **Dixie Style To An Ocean Wave**. A very smooth figure and a good tool for the caller as the zero possibilities and equivalents that are easily danced but with variety give the dancer and caller alike good smooth material to work with.

A lot of the smoothness in dancing **Dixie Style** can be lost by the poor choice of a preceding call or poor position of the dancer in relation to getting into the figure. For example: Observe, or better yet DANCE the start of a **Dixie Style** while standing still in a static square, or from lines pass thru on to the next **Dixie Style**. Do get the feeling men, that you are caught up short? Now compare the difference to feel and flow when you first do a right and left thru then ladies lead **Dixie Style**. The courtesy turn allows the men to head the girl right into the call and the man is not caught up short as the girls go forward. Some other good basics to precede **Dixie Style** with are square thru 3/4 courtesy turn (a zero) Calif. twirl - ladies lead works well. Partner trade ladies lead is good. Dixie chain on to the next **Dixie Style** also works well. If you use single wheel with your group it is a natural for a set up..... Think SMOOTH when working our your figures and watch how much nicer the dancers move.....

FROM ANY TWO COUPLES FACING POSITION, IN NORMAL COUPLES, THE FOLLOWING FIGURES USING **DIXIE STYLE TO A OCEAN WAVE** WILL RETURN YOU TO YOUR EXACT STARTING POSITION AND WILL ZERO OUT. Be sure to precede the **Dixie Style** with a good choice of basics to set a smooth flow.

LADIES LEAD **DIXIE STYLE TO AN OCEAN WAVE**

1. Left swing thru-girls run-bend the line
2. Girls trade-boys run-bend the line-box the gnat right and left thru.
3. Boys trade-left swing thru-girls trade-girls run bend the line-right & left thru.

FROM A **DIXIE STYLE** THE FOLLOWING ARE WAYS TO CHAIN TWO LADIES.

LADIES LEAD **DIXIE STYLE TO A WAVE**

1. Boys trade-left swing thru-girls trade-girls run bend the line.
2. Boys trade-boys run-bend the line-box the gnat right and left thru.
3. Boys trade-cast off 3/4 girls run.

The **Dixie Style** sets up left handed waves and the LEFT swing thru is a necessary tool. If your dancers are not very quick with the left, good directional calling can be helpful. Say, something like-- "with a left, left swing thru" the added direction takes nothing away from the dance but can be a little aid to help those who need it to keep dancing.....

The **Dixie Style** to a wave to set up two parallel waves from which to call all eight circulate is also a very handy circle tool as you will see. From two lines in sequence with partner in normal position the waves set up by calling a **Dixie Style** will be in sequence. Calling an all 8 circulate has kept us in sequence and our partner relationship has not changed from the original wave before the circulate. Add any of the basic principals we set up and you can see how easy you can build a good dance.

- Heads lead right-circle to a line. (1p-2p)
- Square thru 3/4-courtesy turn (zero)
- ladies lead-**Dixie Style** to a wave. (in sequence)
- eight circulate (no change in partner or sequence)
- left swing thru-girls run-bend the line-(back to line with partner in sequence)

Special events for the winter months include a Sunday Meeting Dance to acquaint members who have been away all summer, with some of the changes and improvements in the club and a pot luck dinner & dance that will be coming up in the near future.

There is a special dance in January cosponsored by the Castoffs and will be held in the Boynton Civic Cntr. Ck. adds. Best Wishes

BRANDON TANGLEFOOTS

Our Thanksgiving Dance was a great success. We had our floor filled with dancers. The special event of the evening was the teenage group, from the Spinning Wheels, who did the clog dance. We are looking forward to them coming again in the near future. Our evening was climaxed by serving refreshments of doughnuts, coffee & kool-aid.

Sick list:

Had Banfield, still sick but last report he is getting along fairly well.

The 5TH SUNDAY S/R DANCE is a beautiful memory to the dancers of Lake Clark Gardens. More than 159 participated in the Grand March. The Star Spangled Banner was played and sung and the dance was under way..an impressive sight to behold ..a floor full of happy dancers with stars in their eyes....Caller were John Sherley, Pete Samson, Ralph Otis, and Ernie Bass, Walter Vollmer cued the Rds. The Gay Nighters Round Dance Club did an exhibition of their clubs new theme "Love Makes the World Go Round(Oscar Swartzch)" The Waltz Quadrille was done. Our Thanks to everyone who made this a wonderful event. Thanks to Mr. Howard Greenfield for the beautiful auditorium.

Ted & Lois Mack have been host to many couples near and far. They are presently doing their own "Wonder of You" and all love it plus many others. The Macks have a busy day with the new beginners class of 30 couples.

Everyone missed Lynn & Meni Nichols, so sorry to hear of the death of her mother. Jim and Aline Infantino stopped by to thank everyone for their cards and prayers while in the hospital. Miss the Praekelts and the Wrights too..

Work with these until you can incorporate the other equivalent's and zeros and then begin addii. your own. You will I'm sure, find these easy to work with and handy choreography tools..... Extend the use of the basic with BOYS LEAD DIXIE STYLE. Why always girls??? I will give you one simple figure to start with and use it for dancer reaction and acquaintance. More next month.

FLUTTER WHEEL by Don Willialson and Ralph Silvius.

From two couples facing a **Flutter Wheel** has the person on the right (the girl from standard set up) do a right turn thru returning to her original position then make a right about face. She end exactly where she started. The mans position follows his girl thru her turn thru but he continues over to the opposite mans position and ends facing in...The men have changed places and the figure from normal couples equal a right & left thru and two ladies chain.....

The dancer reaction has been pretty good. The traffic pattern is all together new but easily learned.....I found that the **Flutter Wheel** dances best after a motion starting call such as a right & left thru followed by a **Flutter Wheel**.

Don said a **Flutter Wheel** is a childs toy..... Give it a try, it is a smooth flowing idea and quite danceable..As long lasting value only time will tell.....

SIMPLE EASY SQUARE DANCE PETTICOAT FROM 10 YARDS OF NYLON NET.

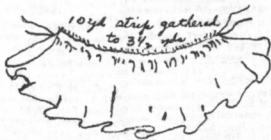

The following article was sent to us by K.O. & Phyllis Williams. K.O. is Pres. of the Round Dance Council of Fla. for this year. The article was clipped from a publication and originally submitted by Judy Ross Smith of Mass.

MATERIALS NEEDED: 10 yds. stiff Nylon Net
1 yd. matching sheath lining or other soft material.

STEP 1. Fold material to 5 yd. length leaving in one piece. Lay out on floor or large table, then fold this into four 18" widths, smoothing out wrinkles as you go along. Pin in several places to hold even & steady.

STEP 2. Trim off 1/2" on long edges to remove folds. Unpin.

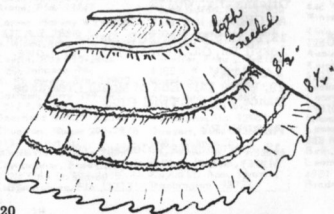

STEP 3. Fold each strip in half, long way of goods. Stitch together 1/2" from edge. Stitch all four strips individually. Use heavy duty thread and long basting stitches if hand gathering, or #50 if gathered by machine.

STEP 4. Each of the 4 strips should be gathered to a 3 1/2 yard length. Machine stitch three of the gathered strips onto the fourth piece, overlapping where they meet. This will give you your two bottom tiers. The folded edges should be toward the inside, and rough edges to the outside away from the body.

STEP 5. Top tier is done last and you should figure your length from here. Gather about 3 yds. of the lining or other material onto a waist band, then add tier #2 to the top layer, easing in as you go along. The net should be on top of the soft material so that rough edges will be away from the body.

STEP 6. Stitch up side seam of entire petticoat, allowing for side opening, starting at bottom and working up. Add hook & eye, or other type of fastener at waistband. Fine finishing is not necessary. It should take no more than 3 hrs. or less to make.

Haven't tried this myself yet, but it certainly is an easy and inexpensive way to add color & variety to your petticoat wardrobe. I know I will as soon as I have a few hours available.

Round Dance Instructor of The Month

Foots & Joan Reynolds

Foots and Joan Reynolds of Orange Park started square dancing in 1962 - at the same learning current rounds. Feeling the need for instructions in basics they attended a class taught by Ruth Bartley and Bob Waite of Gainsville. From then on they had the bug and joined the "Roundoleers" of Jacksonville. In 1967 they joined the Round Dance Council of Florida. In the past year they have formed an E/Z Round Dance Club at Orange Park, The "Klassy Kats" and teach a basic class twice a year. Foots is now Vice President of The Round Dance Council of Florida and was also appointed Round of the Month Co-ordinator and will pick one E/Z every two months and one Intermediate every month. Foots and Joan were chosen by the late By Markle to do a demonstration at the Spring Festival in Sarasota.

BEN WHITE RACEWAY - ORLANDO

As Mr. L. Rouch so ably serves Square Dancers in the Clearwater area he hears many stories about what square dancing can do. While selling a pair of shoes to Mrs. Charlotte Dailey she told them the shoes were for a couple in the Panama Canal Zone. The Daileys danced at the Y.M.C.A. at the Balboa Canal Zone when Moises & Graciela Guevara wanted to learn to Square Dancing. They knew no English and still by following others they square danced. They started in the beginners class and then was invited into the club Star in Circle this club helped these people to learn English along with square dancing, in fact the first English they heard was, "Forward two-step, one two, back one, two."

We're just catching our breath after a
hectic Dec. - "Toys for Tots" was Dec.
11 and our hall was newly decorated for
the occasion and looked so festive.
Major Lynch of the Salvation Army was
present to accept all the toys that were
brought as admission. These would
bring some brightness to less privileged
people. We had 2 beautiful trees that
were decorated by the dancers, these
were taken afterwards to Russell Home
for Under Privileged Children. It was
in the true Christmas Spirit.

Dec. 23 was our Christmas Party with
Bigdoot and Tenderfoot Clubs comined
for this event and Danny Robibson with
mistletoe in mustache was on hand to do
the calling. wow! what a night.
