STRAWBERRY STROLLERS of Plant City If you were among the 13 squares at our special dance on June 27th, you know that our guest caller, Bill Ford, did his usual great job. Since it was Party Night, there was plenty of good food and serving as hosts with the Carters were the McEwens, Bastons and Batemans. Emma Jean Parker cued rounds for the many round dancers present. Recently we surprised our caller, Howard Parrish and his law Evelyn with a big anniversary cake for their 38th and were glad to have visitors including Gene Upton and his family to help us celebrate. The round dancers danced the Anniversary "Manita" waltz in honor of the occasion. A square went to dance with the Spinning Wheels but their banner was missing. Also we went to visit Buttons & Bows who celebrated their 20th anniversary where Mel Clark called a lot of oldies. Some of us missed Jack Cloe at Zephyrhills because of the state convention so we made a special effort to attend the special dance in Tampa June 4. We welcome visitors so come and join us at the Planteen soon.

Mary & Alton Steele

BAY AREA TWIRLERS of Tampa invites all to our dances. We even go so far as to give free ticket each dance to one of our guest couples. Come and join the fun. Try us you'll like us!

We sponsored a new class last January and graduated them in May and we are proud to say we have 14 new members. We welcome them into the wonderful world of square dancing and hope they enjoy the fellowship that square dancing offers for many years to come.

We are planning our next business meeting aboard the Tom Sawyer excursion boat.

The **YELL-O-ROCKERS** of Zephyrhills will have Roger Chapman as caller for their End of Summer dance. The Martins will cue the rounds. We invite all our friends to dance with us before getting ready for the Knothead Konvention.

We had Mel Clark as our caller at our June dance and bid him happy retirement as this was his last dance as a caller after eighteen years at the mike. Now he is going to enjoy dancing instead of being on stage. The Spinning Wheels and Bay Area Twirlers of Tampa retrieved their banners. A Happy Birthday was sung to Betty Spence from Tanglefoots who is a July 1st baby.

Emogene Parker cued the rounds in the absence of the Martins who were on vacation. Refreshments were served by Willard & Joan Barrentine and Ben & Hazel Hamilton from a prettied table decorated in red, white and blue as was various points throughout the hall - done by our clever Joan Barrentine.

PROMENADERS of Lake Worth new officers are Hank Vandeputte, pres.; Reece Bickerton, treasurer and Harry Stockfeder caller chairman,

As the air conditioner got weaker, the singing of Frank Bedell and the stomping of the Promenaders and their guests got stronger during the June 17 dance. Frank gave a repeat performance of his show-stopping song from the State Convention, Help Me Make It Thru the Nite. He also sang Flat Footin' It and a contender for a place with Put Your Hands in the Hand, namely Waiting for the Light to Shine. A good crowd enjoyed workshopping Diamond Circulate.

Jay Fenimore, a regular favorite, got great results from his singing call, Slo-Poke and his workshop of Square Chain the Top.

New couples welcomed to the club are the Jim Luckeys, the Jim Burns and the Luke Dolezal.

The Smi-Lon squares of Melbourne, the Sandy Shoe Steppers of Ft. Pierce and the Merri Twirlers of Merritt Island accompanied a caravan of George Hinkel dancers to Lake Worth for a Knothead dance, a marvelous evening for new and old Knotheads. Initiation of new members was conducted by Ernie Bass, visiting caller from the Roadrunners, who tapped heads with a plastic hammer from the wall of Carpenters Hall. The origin of Yellow Rock, an original ode written by Tony Husted, was portrayed by Jack Drsey, assisted by small, medium and large ladies (Mary McKinney, Dee Dorsey, & Connie Konrady). Hit of the evening was Richard Konrady with his belly dance this time introduced by a military band of Anita Aner and Alice McCabe. George put the group through their paces with a double couple dance.

The heat of the summer has not dampened the enthusiasm of the dancers who also enjoyed Pete Sansom and Ralph Otis during the merry month. Alice McCabe

SNAPPEROO CLUB Old friends and new have enjoyed dancing to Spencer Yates, club caller. We may be new - but - look out we intend to grow fast. During the Sneak Preview workshop one hour before each dance, Spencer has turned up something new and something old just to keep us on our toes. and listening.

The June Joiners really put the squeeze on Spencer as he kept ordering those Free Badges. If you missed out, he's the winner!

Taped rounds are in use at the present but Spencer is sure to turn up a good round dance couple real soon, possibly by the end of July. Helen Abell

BOOTS AND BOWS of Wilton Manors
 The month of June was another busy one,
 with our visiting clubs and also being
 visited by them.

June 10th our caller, Vern Johnson, called for the Pioneers in Miami and a group accompanied him for an enjoyable evening of dancinh with them. Also a group of our camping enthusiasts enjoyed a week-end of dancing with the Week-End Warriors at Jensen Beach.

While our caller was away on a well earned vacation he left us in the capable hands of Les Linn and Johnny Walter. They are both excellent callers and we enjoyed dancing to them. Our caller and taw and a number of club members attended Nationals and from all the reports a good time was had by all and all are now looking forward to next year.

Dennis, we all missed you while you were in the hospital having an operation on your knee and although you will have to sit on the sidelines and watch for a while, it is good to have you back again with us.

All of the club members extend their condolence to Gwen Perno in the death of her husband Mike. He shall be missed but not forgotten. Vi Anderson

The **DISNEY WORLD DANCERS** are busy as mice, all working to make their Wonderful World of Square Dancing in Aug. ae exciting as possible.

For those planning on attending, and needing directions, follow any of the routes to Central Florida (#192 or #1-4) and get off at the Disney World exit. As you approach the parking gate area, follow the Hotel Quests signs, staying on the far right. Parking fee is 50¢ per car. Follow the signs to the Hotel parking area. The Contemporary Resort Hotel is not in the Magic Kingdom, but is a quarter mile away. The Magic Kingdom is open from 8:00 am till 12:00 pm. Main Street USA opens at 7:00 am for the early birds. If you plan to visit the Magic Kingdom, you amy park at the Hotel, go into the Hotel, to the 4th floor, purchase your ticket books and ride the monorail around to the Magic Kingdom. You may park in the regular parking lot, but this would necessitate going to the main parking lot, getting your car, and then comover to the hotel, wasting precious time. Your admission to the dance will not admit you to Magic Kingdom, unfortunately.

Our caller will be Pete Sansom from West Palm Beach and Bill Beattie from the same area will be cuing the rounds. We hear that Pete is bringing almost his entire club to Disney by bus. This might be interesting for other clubs to do.

LARGO OPEN SQUARES meets at the new Largo Recreation Complex and is an progressive type workshop program where their caller Fred Christopher shows the dancers the new experimental square dance movements plus the many variations of the existing basics. The program is open to all dancers who have completed not less than thirty weeks of basic lessons plus some open club experience. This is the only program of this kind in the county and we feel many more dancers will be taking advantage of the program as word gets around. We would like to extent an invitation to all square dancers to come and dance with us. Fun is the name of the game.

C.F.S./R.D. ASSN. Voice of President Pee Wee Stewart; Record attendance of the July 9th Assn. meeting. Most important it was voted on that the assn. would act as a clearing house for all new clubs selecting club names. In order to eliminate duplication of club names in Central Florida.

Proclamation was received from Mayor Carl Langford City of Orlando declaring Sept. 18th through Sept. 24th as Square Dance Week.

Jack Tucker, 1974 State Square Dance Chairman received 100% pledge from all clubs in Central Florida for their support.

TAMIAMI STEPPERS Bonita Springs Our 2nd. Anniversary Dance was attended by 32 members on June 27th with a Pot Lick supper. The tables were beautifully decorated by Minnie Goeldner with Otto furnishing his famous non-alcoholic Punch and thanks to Myrna Johnson for supervision of the food. Such variety and so good! We have some wonderful cooks! Our instructors, Earle & Lee Kastner, were presented with an Anniversary present as a token of our appreciation for their hard work and patience this past year. In turn, they presented all members with a supplement for our 1 Year Books depicting the High Lights of the activities of the club during the Year 1971-72, and membership cards for all paid-up members.

During this anniversary week we wore our Tamiami Steppers outfits and danced our Anniversary waltz The Mannita Waltz at all the Club Dances in the area.

In spite of the absence of our Snowbirds we still have a nice attendance at our Sunday night dances. We welcome all visitors, so stop in and dance with us when you are in the area.

West Coast Spree in '73" State Convention Tampa Fl

TWIRL-A-WAYS of Titusville have just started a new year with Lee & Dora Ross as President, Dick & Dot Proctor as V. Pres., Huck & Pat Clawson as Treasurer, and Joe & Cecile Johnston as Sec. Many thanks to the out going officers for a year well completed.

May 19th, the night so many couples had been waiting for, was graduation night and we are very proud of our graduating class of 16 couples. Chuck Durant is to be commended for the excellent job he did teaching the class. We are so pleased to have these new members and extend a very warm welcome to them.

On Friday, June 2nd, 21 couples boarded a bus for a knothead trip, destination unknown. After a real fun ride over they arrived in Bartow for a fine dance with the Circle Eights. On the way home, the would-be idiots roused out of bed Harry Castner for a moon light square dance in his back yard.

Jess Round hosted a cover-dish picnic dance Saturday afternoon, June 24th. As usual the covered dishes were delicious and even though we had a little rain and had to move into an old fashion fish house we all enjoyed the dancing and visiting between tips. Harry Castner called for us and so much fun was had that we hope to have many more of these dance-picnics. Our thanks to Jess for the first one.

August 11th the Twirl-A-Ways will be dancing away from home as we journey to Melbourne for an exchange dance with the Harbor City Squares.

Hope you will stop in soon and dance with us.
Joe & Cecile Johnston

MESSAGE FROM CHET

Chairman, Fla. Federation of Sq. Dancers

Let's declare a moratorium! Let's stop having memory courses, is it necessary to combine six or seven basics into one call? Unfortunately too many of the new so-called directional calls combining a number of basics are too active for the caller to call and the dancer respond. Let's give the caller and dancer time to work out varied sequences and routines with the calls we have now without having to devote time and effort learning and teaching some new Bucket of Worms.

Some of the most interesting AND challenging dances are those in which the caller has taken the time to work out various known calls bringing you into a right & left grand, allemand etc. I have seen a caller break a floor down in three calls using nothing but square thru. When dancers break down with these known calls they can laugh and enjoy it. If they spend an evening breaking down on some of the six or seven basics and in many cases sound alike calls they become frustrated and say "who needs this" and are gone for good.

For those who desire the most up-to-date calls most areas have clubs and callers to satisfy their needs. Which ever floor your dancing on or calling to let's make sure we keep fun and not frustration in Square Dancing.

Chet & Julia Vetter

TAVARES SQUARES had their installation of new officers - Pres. Bill & Elsie Elmore, Vice Pres. Ralph & Edith Banning, Sec. George & Agnes Curreri, Treas. Ted & Vera Proper.

We invite our neighbor clubs as guests for an evening, so far we have had the Hoedowners and the Mid Florida Squares. We will be inviting more in the near future.

A surprise party dance was given Ralph Woods in honor of his wife's seventieth birthday. Grace really was surprised and very pleased that so many of her friends come to share her day with her. We all wish you many more, Grace.

ORANGE BLOSSOM SQUARES - For the vacationers that are down in the Ft. Lauderdale area or those of you that are just looking for a place for good dancing, caller Gary Decker and the Orange Blossom Squares invite you to come and dance with us and join the fun.

Besides our usual weekly dancing, we are now in full swing into our summer activities. Our Luau will be coming up, this will include a Polynesian decor and dinner, entertainment with a surprise sprinkled here and there. (Hey fellows, perhaps a Hula Girl, or two.) Sorry because of our increased membership and limited space the dinner will be limited to members only, but we would like to extend an invitation to the dance that will follow beginning with 7:30 workshop. All are expected to wear Hawaiian attire. Chairman for this event is Bud and Della Lucius, Co-chairman is Joe and Betty Jones, Food - Ernie and Hope Braun, Gary and Dee Decker and Tom and Pat Gibson, Menues - Howard and Muriel Paulson, Decorations - Bill and Babe Glasser, John and Ruth Kirsher.

We are having our back to school night in Aug. and what would be more apropos than including an amateur night into this special night. We'll begin with a pot luck supper, then follow through with our dance called by all our eager, but nervous amateurs. Come join our fun who knows, one of these amateurs may be a future caller. This is a costume dance so come in your version of back to school clothes.

Because the majority of membership will be attending the Knothead Konvention there will be no dance Sept. 3rd.

The **KISS-A-MEE SQUARES** are keeping active this summer with regular dances and a few banner raids, and in some cases some retrieving raids, as we had lost some pants as well as banners!

We are looking forward to having Fred Christopher and also Harry Castner calling for us.

A business meeting held recently led to plans for a new class in the early fall. We will let you know about this later as we pave the way; we will be happy to have your friends join us for classes or Square Angeling.

We are also making arrangements for our annual Que-nee-tue Dance on the paddle-

STAN & RUTH JAYNES

Stan and Ruth moved to Vero Beach from
Akron, Ohio where Stan showed no interest
whatsoever in dancing of any form. A
friend of theirs invited them to take sq.
dance lessons with the Circle Eights
Square Dance Club which they became
members of in 1963.

While at one of the dances they became
interested in watching the round dancers.
They asked some of the dancers where
and how you learned this type of dancing
they were told there was a club in Ft.
Pierce but it was not for beginners. They
were in luck, the people they asked were
dedicated round dancers plus being friends,
they told them they would come out
on their back porch and they taught them
the current dances so they could catch
up with the club. In 1965 they were ready
to try their wings with a round dance
club.

In 1967 they were invited to dance with
the Mel-Rounders in Melbourne, which
they enjoyed immensely and just completed
their fifth year.

With lots of help from John & Betty Jones
In 1970 they started their own club,
known as the Smile-A-Rounds and have
many enthusiastic members.

Stan has been cueing for the Harbor City
Squares since 1970, this has given him a
chance to work with a lot of top callers
like the Frank Lane dance plus the Sweet-
hearts Ball with Al Brundage. He also
cues for the Circle Eights and special
dances at the Sandy Shoe Steppers and
Smi-lon Squares.

In 1971 they were asked to join the Round
Dance Council and are now associate
members.

In February they will be assisting Ruth
& George Hinkel on a Caribbean tour.

The last summer has been a busy one.
they had two of their children who were
square dancers married within two weeks
of each other just leaving one son at
home. They also enjoy camping when
they can find time, they go camping with
square and round dancing friends that also
enjoy this past time.

The ROUND DANCE COUNCIL of Fla. has selected a committee composed of Chuck Heiss, Charles Lovelace, and Bill Freshman to plan the Council's Fall Festival of Rounds which will be held in Miami Beach in October (check the ad). The Committee has been busy with the preliminary plans since late in March and has announced in advance that each of the 15 Classic Dances selected nationwide for 1972 will be danced also each of the 24 Florida ROM's (EZI [INT-CH]) for the months of Nov. 1971 to Oct. 1972, inclusive, will be featured. Also programmed will be an additional 25 or 30 popular dances which are currently being determined by a new survey method now in progress on a statewide basis. Watch future issues of the Bow & Swing for further details, or ask your Round Dance Leader. Chuck Heiss

WHIRL AND TWIRL Club of Orlando celebrated their tenth anniversary on June 30th. A crowd of about fifteen squares had a very enjoyable night of dancing.

The previous Friday night was "kick-up" night and fourteen couples were helped on their way to Bigfoot dancing by the senior members of the club.

The schedule for the month of July shows it to be a busy month. We start off on the 5th with election and installation of the officers for the tenderfoot dancers. Then on the 12th and 14th we will have guest callers Bob Frye of Melbourne and J. Taylor of St. Petersburg, while Danny Robinson goes up to those North Carolina hills for a big week. He will be present to call for the knothead dance of the 21st and then to round out the month the Midsummer Night Dream or Madness. This is an opportunity for those who desire to earn their goon or/and idiot badges, so expect the unexpected.

Guests are welcome at our dances so grab a partner and come out for a night of fun.

LAKELAND ROUNDETTES have been on vacation. We had our last dance on June 15th with a party night. Byrdie & Marty were headed for the Nationals where Marty was calling. Then they went on to Ontario, Canada for a visit with Shirley Moore and a card we received from them said they were having a wonderful visit. We shall have our first dance in the middle of July when the Martins return from their well earned vacation.

The SUN SQUARES of Deerfield Beach Now that the State Convention is over and we are partially recuperated, we are looking forward to the Knothead Konvention in Clearwater. At the present writing - some of our club - is attending Nationals in Iowa.

Vacations are keeping our club attendance down. Even Jawn & Dawn, our caller and his taw, went on a sudden vacation trip to Kansas. Norm Dumbaugh and Chuck Leamon, callers for the Rebel Devils, came up to call for us while John was gone on June 16th. They brought a gang of their own dancers with them and a fine time was had by all.

Anyone remember seeing the "daisy britches" worn at the convention by a member of ours? Norm Dumbaugh was so "taken" by them he dared the owners of said pants to wear them to the Rebel Devils dance. Suffice to say the dare was accepted and the visit was made. On June 13th a square of us visited them and got our banner as well as showing off the daisy britches.

We enjoy having fun and visitors too; so if you happen to be in our area; come and have fun with us.

Bob & Polly Achatz

KEY KICKERS of Key West and the Nautical Wheelers on July 1st gave a benefit dance for Glenn Moore. Glenn who makes most of the fun badges used by these two clubs (as well as many other clubs) lived in a trailer that was demolished by one of the tornadoes spawned by the recent hurricane, Agnes. The callers for both clubs, Henry Purcell of the Key Kickers and Jack Stevens of the Nautical Wheelers donated their calling talents for the evening. While the amount of money collected is only a token amount in view of Glenn's great loss, it was a way for the square dancers to show that they cared.

Our Fourth of July picnic was held at the Summerland Key home of Gene & Concha Martinez. There are spacious grounds for recreation, the ocean for swimming, a pier for sunning, barbecue pits for cooking, a porch for rocking and visiting. The club is fortunate that Gene & Concha are such generous hosts.

The STOMPIN STUMP JUMPERS have been going full steam ahead with the plans for our Teen Jamboree. Some of our members held a car wash on a hot Saturday recently in St. Petersburg and in addition to sunburned faces and tired arms we raised a fine sum for our club treasury. One of our female members who was not able to attend washed 13 cars in her own backyard. Now! That's club spirit!

We were very pleased that Art & Bertha Local traveled so far to dance with us recently. They brought their grandchildren Carol and Jimmy and we enjoyed having them and hope they will come back soon.

We are looking forward to attending some of the fine dances planned for this month in the area and hope to see you there.

Melissa Petrauskas

WESTERNAIRES of Miami have some important news for our friends, our new location at the Westside Comm. Center see our ad. We have many memories of good times at the Trails End but, being a fun loving club, we are sure our dancing at our new hall will be just as enjoyable.

At our June dance we celebrated the graduation of one of our youngest members Robin Cook, daughter of our caller Bon Cook, and prepared her for the cruel, cruel world beyond school.

Our Luau has always been one of our most popular dances and our plans this year will continue our past successes.

We see many purple ribbons being displayed by our members which forecasts a good turnout at Knothead Konvention in Clearwater.

SOUTH ORLANDO SQUARES - Hello all you new members, old members, good looking members and ugly ones - hope you all had a good fourth of July and the whole month of July was just the best for you. Our club is growing by leaps and bounds now with the Schnee's, Dennison's, Taylor's and Houck's - happy to have you all aboard, be sure and welcome them in good club, you know! Assign the refreshments to them right away, clean the hall after the dances, you know the "royal" member treatment! We are honored that Chuck & Donna Mayo will be our new president (she's the pretty redhead, remember?) he's the one with the pearly teeth and white belt. They were nominated at our annual cover dish election of officers meeting unanimously (that is a powerful word isn't it?) Our vice president is Jim Stinson & his sweet wife Wanda, we just can't get rid of them can we club! Oh, well, all clubs have their pro- We really love you, honest! And Bert & Mike Sapp for Secretary & Treasury. Our board is of course, Joe & Madge Augenblick (past president) Cutshalls, Bruce & Bea (we haven't decided how that happened yet, you just can't refuse on a full stomach) and Phyllis & Bill Schnee and Shirley & Dave Dennison - I'm sure we will have an exciting year with such a good bunch of officers. By the way we had 30 at our covered dish dinner, everything was just superb, Phyllis always does such a good job, the roast beef and all the trimmings were delicious, best bunch of cooks in town, I believe, belong to S.O.S. The travelers, Wikels, Nichols & Johnsons are still having a ball out West, they are now in Estes Park, Colorado, getting ready for the big rodeo in Cheyenne. We will be looking for you back soon, so hurry! We were sorry to hear Mary (McDonald) Stewart's Mother passed away our deepest sympathy Mary we know she was a great loss to you. Now let's see who is younger than springtime in our club in July - there is Wanda Stinson, Peg Young, Ann Strickland, Sara Mitchell, Ann Stovall and my sweet adorable wife, Bea. I'm sure lucky to have

Now for the anniversaries, Mary & Pee Wee Stewart, Pee Wee you are so lucky to have our Mary - Sam & Glenda Houck, happy days ahead to all of you. Well, Nick had his tractor stolen and you guys never gave it back, now cut this out! When my trailer was stolen that's the limit! Someone even run into my L&D too. Wonder what my horescope says for 1972?

Congratulations to a job well done for all old board members and past president Joe & Madge and V.P., let's see who was he? Stan & Peg Ypung as Secretary & Treasurer. You all worked beyond the cause of duty and we all surely thank you!

I have enjoyed writing this column for the club and I'm sure who ever your officers elect will get a thrill too - especially on the 5th of the month when the article is due and your mind is blank, it's really worth it all to have such an exciting bunch to write about even John Saunders makes good writing. We sure are proud to have John & Linda they really make it all worth while. While we are throwing bouquets - Ray & Lora sure keep the orund dancers on their toes with all that wonderful cuing, thanks to all!

Your curly haired reporter, Curly Cutshall

WAGON WHEELS of St. Cloud have been rolling right along this month...at our regular Sunday workshop, supper and meeting, we elected officers for the upcoming term. Lane & Paula Krogulski Pres., Jim & Dorothy McCollum, V.P., Ruth Buechel, Sec., and Bob & Angel Wooten, Treas. Lane & Paula are going into their second term as president. Since they have done and are doing so much to make this club one of the best clubs anywhere, we just couldn't allow them to leave office yet.

We were saddened by the death of one of our members Frank Butler. We hope his wife will be back with us soon.

We managed to retrieve our banner back from Foliage Squares of Apopka. This was a difficult task since they dance on our dance night. We no more than said hello to our banner and it just took another trip to Leesburg with the Happy Hoedowners. Our president is smiling again since we visited the Citrus Cut-Ups of Palm Bay and picked up his pants.

Our banner stealer chairman, Jack and Doris Stout, and helpers stole the Cler-

Wagon Wheels Cont'd

mont Highland Squares banner and the Sunshine Teenage Club banner of Orlando. Understand it was quite something to keep up with the teenage dancers. Sorry about your wig falling off, Peggie!

We didn't get to keep the Teenage banner long as they were down to recover it the following week and also entertained us with a clogging exhibition. Don't know how they keep their feet moving so fast and going in the right direction - but they did as we kept watch.

We are growing and are happy to welcome seven new members this month. Bill & Phyllis Schnee, Terry Schnee, George & Jean Bathgate, Elisa & Jim Dennison. We are sure they will make fine members for us.

A large group enjoyed a camp and cook out recently in honor of former president Tony & Doris Toner. Would you believe this was a surprise party for them and Tony barbequed his own pig before knowing what was up. The food was delicious and the dance afterward was enjoyed by all.

We welcome back Suz & Tina Sommerman who haven't been able to be with us for some time due to conflicting obligations.

Even though it is summer our attendance has been good this month. Think the word is getting out about our new caller Colin Walton. You should hear the comments by our many visitors while they are dancing to one of the finest callers of them all. Stasia Foster

BUTTONS & BOWS of Lakeland celebrated their 20th anniversary with a covered dish supper followed by a dance on June 10th. During the dance, two former Presidents were introduced, Ben Mundy (Martha couldn't attend) and Bill & Diara Kegley. Mel Clark also recalled the classes he taught, trips the club took, people they met over these many years and friendships that were made and are still flourishing. Also, how the clothes as well as the dances have changed and he called several of the old dances and what fun it was dancing to them. A good time was had by all.

Our dance of June 17th was a very busy one, the President read a letter of resignation from our caller of 18 years, Mel Clark, for business reasons. A plaque was given to Cora Bell & Mel for 11 years of devoted service to our club. They will be missed by all of us.

We elected new officers for the coming year, Jack Orluck, Pres., Buddy Ireland, V.Pres., Jim Jernigan, Treas., Miriam Bateman, Secretary.

We will be havin' guest callers in the coming months, so come and dance with us. Miriam Bateman

ROADRUNNERS of the Palm Beaches Ralph Otis and lovely wife Lucille spent a busman's holiday at the June 8 dance and a square of his Bocaneers of Boca Raton accompanied him. Welcome back from a trip to Conn. were Esther & Al Tenczar. A square of club members, dressed in black and sequins Mexican outfits, gave a demonstration at Boulevard Nursing Home, Boynton Beach.

A camping weekend at KOA Campgrounds in Lake Worth was attended by 40 people, members enjoyed a pot luck supper and then on to the Promenaders dance before returning for an after party, plus swimming pool activities including earning an Aqua Duck badge. Three squares earned Blacktop badges for dancing on the asphalt driveway. Andy Redding exhibited pictures taken at the State Convention providing lots of laughs.

Another demonstration was given at the United Methodist Church with church members participating.

A patriotic dance for July 4 featured a grand march ending with a blackout and a spotlight on the American flag while 7 squares sang God Bless America. The register for visitors especially made the evening by Clara & Robert Salley's son, Brig, who also took pictures throughout the evening. A mixer planned by the Saleys, John & Alice McCabe, Ed & Jean Sprey, and Trudy & Luke Dolezal added to the evening. Each person had to find a partner, a cannon for cannon balls, match for the firecracker, drum for the drumsticks and bell for the star.

New announcer for the next six months is Joe Miller; treasurer, Reece Bickerton; membership Jack & Dee Dorsey.

New figures taught by caller Ernie Bass in June were Spin the Acey, Revert the Tag, Party Promenade and Reverse the Pass. Wally Jacobs taught rounds including a cute new polka, Street Fair.

A group of Castoffs invaded our club to capture our banner but it was retrieved the following week.

New members include Mildred & Fred Powell, Richard & Connie Konrady. Harry Stockfeder & Alice McCabe (Hair Alice ?)

We are also very proud of T.G. as he informed us upon his return that he called five times at the Nationals. He is really doing a great job. Marion H Russ Bean also went to Nationals, then went on to Vermont for the summer.

Welcome back to Dot & Grant Morgan our very faithful visitors, after your illness; you were both missed.

NAUTICAL WHEELERS of Key West
 Welcome news has been received that
 Ray Brocote will be visiting us in Aug-
 ust and plans are being made for a gala
 reunion dinner and dancing party.

A benefit dance was held for tornado de-
 vastated Glenn Moore, who makes our sq-
 dance badges. This was under the aus-
 pices of the Key Kickers and us, with
 both Henry Purcell and Jack Stevens do-
 nating their calling talents.

The club held a family picnic at the Na-
 vel Station beach patio. On June 16 we
 celebrated our caller's taw, Rose
 Stevens birthday, with a cake and all the
 trimmings.

Informal dress is appropriate at our club
 dances during the summer Dog Days, and
 visiting dancers or spectators are always
 welcome. Come and see us and join the
 fun and friendship of square dancing.
 Eileen M. Nolte

TID-BIT NEWS For the second year in a
 row we have had the pleasure of being
 awakened by a Greyhound bus load (44
 dancers) of square dancers, about 3 AM
 returning from a trip to earn their Knot-
 head badges. Then stopping by at our
 place to pick up another badge (Idiot).
 They danced under flood lights in our
 back yard and all had a good time in-
 cluding the caller and his taw. This is
 one of the many Fun Activities so synon-
 ymous with square dancing. We are proud
 to be part of it. Harry & Betty Castner

The PHANTOM SQUARES have really
 been floating on air since the announce-
 ment of their first Anniversary Dance.
 They have as their caller, Wayne Brooke,
 from Gainesville. This will be the first
 time for him to call in this area and ev-
 eryone has a big thrill awaiting them if
 they plan to attend. You will find the

BOB ANDREWS
 CALLING

BOB ANDREWS

Bob's first contact with Square Dancing began 6 years ago while in a barber chair listening to his barber and ex-Navy buddy Jim Herndon and other square dancers talking about the good times they had Square Dancing. This led to beginners classes under the direction of Country Jim Rice. After graduation, Bob and his wife were invited to join Missile Twisters of Melbourne and within the first year were elected to the office of treasurer. Two years later Bob was elected to the office of President.

In the fall of '70 the club had a new beginners class scheduled to start. However on the first night, the club caller-instructor Colin Walton, was called out of town. When Bob was asked to help do something about filling in for Colin, he borrowed an ancient PA system, a few old hoedown records and spent the next few evenings practicing calling - Circle left, left allemande, promenade, etc. The class and the regular dancers had a ball and needless to say, Bob was bitten by the Calling Bug. The first evening of calling for the class led to encouragement from Colin Walton and friends to do something serious about calling. Bob then attended several afternoon sessions in Colin's living room learning the theories of Set-Ups and Get-Outs, Zeros and Equivalents and then he took the big plunge and bought his PA System and was on the way.

Bob started his first class and began calling for his first club at about the same time. The club was the Arky Stars which had been started by Bob Frye who turned things over to Bob in the Spring of '71. About this time Bob also started teaching his first class. They graduated that year and formed a new teenage club called the Western Swingers which has since become auxiliary to the Missile Twisters. In the fall of that same year Bob became the regular club caller for the Missile Twisters, where he still holds forth on Saturday nights. Bob was kept

busy with One Night Stands and started another class at the Morman Ranch in Osceola County. This past spring he started his third class of beginners which will be graduating this summer and forming another club called the Melairs (a Callers Club) which is a combination of the Morman group and squares from Melbourne area. Bob instigated and made the initial arrangements with the Brevard County Recreation Department to have a monthly square dance at Long Point Recreation Park which started in the winter of '71/'72. These Open Dances at Long Point are on a fun level for regular square dancers and campers alike. What started out as an occasional One Night Stand, has now mushroomed into calling for eleven Senior Citizen groups as well as numerous fraternal organizations in the Melbourne area. In addition, Bob travels the state from Miami's Gold Coast to the Panhandle calling for various clubs.

Bob was born in Broadview, Ill. But Bob says, don't try to find the place, it no longer exists, but it is a part of Maywood. He joined the Navy in '46 and did 20 yrs. before retiring to the Melbourne area in '66 where he went to work for an electronics firm as Fabrication Supervisor & Planner. Bob is now with Gannett Florida Corp. publishers of three Brevard County newspapers as well as over 50 papers around the country. He says, "sure is a lot more security here than in electronics and space oriented field". Bob and his law Marie and their six sons (only 2 are at home now) are truly a Square Dancing family. They own a Coachman Fifth Wheeler Travel Trailer and do a lot of traveling around the country, calling dancing and just relaxing and enjoying the company of all the great people they meet. Bob's plans for the future include cutting a few more records while making a name in the Square Dance field hoping to someday spend their winters on the road traveling from dance to dance and their summers at home in Melbourne.

The ALLEMANDERS of Satellite Beach enjoyed another outstanding month of dancing during June. We wish to thank all the wonderful guests who traveled from far and near to dance with us. The warm weather and vacation schedules do not appear to be damping the dancing spirit.

July's activities included a variety of things; a special free dance at Florida Institute of Technology provided for the Language Institute at the school; a visit from a group of Jacksonville dancers and finally a guest appearance by Bill Bishop.

August activities will include Art Springer as guest caller in addition to our own talented caller, Colin Walton.

Come dance with us...we'd enjoy having you.

SHIRTS-N-SKIRTS Caller Vern Johnson and law Wanetta reported a very nice time was had at the Nationals in Des Moines, weather was fantastic and facilities were as good as any yet. Vern claims to have done some research so we expect some real good dancing ahead. They also reported visiting with some of our winter visitors at Nationals, they were the Speers, Holes, Raymonds, Lowders, Alton Johnson and the Grunds. They are all looking forward to being with us again next winter.

Sorry to report Dorothy Olsen and Leona Ives are still under the weather. Get well soon we miss ya.

Congratulations to Jimmy & Yvonne Robichaud our newest members, their smiling faces will be an asset to us.

Won't you come and dance with us?

PANHANDLE PROMENADERS - Sixty-four enthusiastic dancers received their diplomas the first of June from caller Bob McVey, who with the help of his law Marilyn had a bang-up party for the happy dancers.

Well over a hundred people enjoyed the games, dancing and delicious refreshment. Guests attending were from Dothan, Ala., Fort Rucker and Panama City.

During June the club visited the Trojan squares in Troy, Ala. and the Friendly Squares in Panama City, three squares visited and stole the banner and caller's shirt at the Goober Gamboleer's at Dothan, Ala. While Bob was on vacation, Horace Newberry from Dothan filled in, done a fine job calling.

We had a pretty decorated float in the Watermelon Festival Parade. Also had 4 squares doing an exhibition dance at the festival fun night.

We dance every week in Chipley and visitors are always welcome.

A large class has signed up to start in July with Bob teaching. Newly elected officers are Tom Harris, Pres. Tim French, Vice pres., Betty Marchant, Sec. John Warren, Treas., these officers are doing a good job.

For good dancing and socialable evening, you all come.
Ruth Floor

BELLES & BEAUX of Valdosta, Ga. We enjoyed Bill Frammer on May 5th while Bob was calling in Florida. Our dance on May 19th was graduation - everyone had a ball putting the new ones through their paces. We also enjoyed a fish fry (thanks to Dees) and we danced after? Every one really ate to much fish to dance. We resumed our workshop and besides our regular dances we had a special treat with Gary Shoemaker from Tulsa, Okla. calling.

A good number of us attended the callers clinic with Jack Lasry calling. So June was busy month. The Gary Shoemaker dance was considered our first dance in July as the Dixie Jamboree falls on our night. We will have our regular dance in August but our 3rd Friday dance is moved to the 2rth with Bob Wickers calling.

We also have a picnic & swimming party planned for August at Camp Tygart Methodist Church Camp. A new class is planned for the first of October. Bill Booth Quitman, Ga. has won free dues for this quarter and drawing for the next quarter on July 11 will reveal someone new. A large group of us are planning to attend the Jekyll Island Jamboree and we have been warned to get plenty of sleep before hand. We danced at the Lake Haven Nursing Home in June and as usual the Senior Citizens enjoyed this very much.

LEFT ALLEMANDERS of St. Petersburg July & August find most of our club members away on vacations, so visits to other clubs will be at the minimum, one of the many problems of a small club! We are dancing in our new hall all summer,

Congradulations to Roy & Maxine Steyers: on the birth of their son! It is good to have them back dancing again.

In August we are planning to have a paper sack social with plenty of fun dancing afterwards.

We hope George, Martha and Janice Voltzow have a wonderful time on their trip to Europe. We had a ball giving them a surprise send off from Tampa airport!

We are dancing all summer, come and dance with us. We have some very interesting callers lined up. see our ad for our line up.

Last month we had two new callers to our area for the first time, Bill Marquis and Bob Frye. Both are superb callers. Hope they will be able to be back at our club very soon. Incidentally, any caller that might like to call for our club just write and a date will worked out.

Charter member couple Bill & Louise Jones will be moving north shortly to be near their children and grandchildren. Our loss is their gain, we'll miss them. They have worked hard for the club for the past ten years. Keep dancing Bill & Louise.

Manny Amor, the "Jumping Jersey Jester" really drew a big summer crowd and kept us guessing on what he would be calling next. His workshop tip for the evening was a teach on Star the Wave.

Glad to see club secretary George & Flo Schwarz dancing with us again. George has been recovering from heart surgery and doing very well. Red Barker has also been recuperating from a bad fall he had several months ago. Red & Elizabeth have been cheering from the sidelines. All are looking forward to the time when we will see both back on the square dance floor again.

ODDS & ENDS

BY EMILY LEACH

A LAUGH A DAY, KEEPS THE GLOOMS AWAY.

An imaginative secretary in a doctor's office sent the following letter to a delinquent account: Dear Sir: After checking our records we find that we have done more for you than your mother did---we've carried you for fifteen months.

A politician who had changed his views rather radically was congratulated by a colleague. "I'm glad you've seen the light," He was told: "I didn't see the light," came the terse reply, "I felt the heat."

Some one has reported that millions of dollars are wasted each year by people leaving tons of sugar in the bottoms of tea and coffee cups. This news should cause quite a stir.

There's a new deodorant out called Vanish. After you rub it on, you disappear and nobody knows where the smell comes from.

On the menu of a western dining place called: The Feed Bag: "20,000,000 flies can't be wrong."

The pharmacist walked up to the man loitering in the store. "Please don't smoke that cigar in here," he said. "But I bought here," objected the man. "Look," said the pharmacist, "we also sell laxatives."

A very pretty girl was wearing a thin neck chain from which hung a tiny golden airplane. One of the young men in the party stared at it so long that the girl finally asked: "Do you like my little airplane?" "As a matter of fact," he replied, "I wasn't looking at it, I was really admiring the landing field."

Many serious diseases are caused by biting insects. So stop biting insects.

Middle Age: That's when, if you go all out, you end up all in.

Remember the good old days when baseball players, showered at home instead of on television.

For years the editor of a small town newspaper had a sign over his desk that read: "Obituary Editor". Recently his son took over the paper and promptly changed the sign to read: "Son of Obituary Editor."

How long since you've done something just for the pure foolish fun of it? What's the matter---getting old?

TV commercials are those few brief moments when you pay attention to your wife and kidneys.

Uncle Buckle says his wife is half Indian and half bulldog---either she's on the warpath, or she's sitting on her rear and growling at him.

Freddie," said the first grade teacher, "there's a puddle of water under your desk. You know you shouldn't do that. It isn't nice. If you want to go to the bathroom, raise your hand." "Teacher," exclaimed Freddie, "that isn't what you think it is. It's the hot in here it makes me twear. I jus twear and twear, that's twear under my desk. Teacher accepts this far out excuse and returns to her desk. Fifteen minutes later, little Aggie, sitting across from Freddie raises her hand and squeals, "Teacher---Teacher, Freddie's got his twear out again."

FEATURE FIGURE FOR THE MONTH

JACK LASRY THE CALLER'S CORNER

FEATURE EXPERIMENTAL FIGURE

Flair the Star to a Two Face Line - John Saunders

Last month sweep the flair was our experimental figure and it danced nice but as indicated last month was really mis-named as the sweep was not a true sweep... John's idea is basically the same idea except he leaves off the "sweep" and lets the figure end in a two face line from which directional calls would take over.

Start as a normal Flair the Star but the boys at the completion of the flair continue to flow into an individual left face turn, the girls keep the star turning back to their starting spots and keep the right hands together, the boys will end up beside the girls in a smoothly formed two face line.

Box 1-4 Slide thru
Flair the Star to a Two Face Line

(Note-From any normal 8 chain thru set
the above figure will zero and return you
to the starting 8 chain set up)

1P-2P Rollaway half sashay
Flair the Star to a Two Face Line
(girls flair while the boys keep the star
turning full around, end in a two face
line, the boys in the center, girls on
the end)
tag the line right-wheel & deal
star thru-(zero back to 1P-2P line)

If you have been using Flair the Star this will be a nice extension and I feel a more usable idea than last months Sweep the Flair because you have many more alternatives for follow up calls.

A Few Zeros

Facing couples rollawa-swing thru-spin the top-boys run-bend the line---Zerp
Right & left thru-flutter wheel-swing thru-turn & left thru---Zero

Advanced Workshop

The call spin chain the gears has caught on in many areas and among the "workshoppers" a few variations have provided a bit of challenge to the basic.

Spin Chain & Circulate the Gears

Start with the basic spin chain the gears but as the girls turn back they will circulate one position before the two stars are formed. The stars turn 3/4 and the girls finish their part as usual but the boys as they turn back will then add 3/4 circulate to finish in two parallel ocean waves. From your starting 8 chain thru set up a Spin Chain & Circulate the Gears equals an All Eight Circulate.

The DIXIE FEDERATION Callers Cli held by Jack Lasry, Miami, Fla. was quite a success. Jack did his usual good job directing the clinic with each caller participating and getting highlights of things that can be successful in helping him attain a higher goal. The Bebles & Beaux were host club for this event and they did a wonderful job, we want to thank them for their efforts. We had a wonderful group attend the open dance and everyone was having fun with Jack's calling.
