The **SNAPPEROO Club** of St. Petersburg had a great beginning on Saturday, June 3rd. Spencer Yates, club caller, brought out the best in all the dancers with his style and fun. Most of us agreed that The Sides won on the memory contest. Heads will have a second chance the next dance. Don't forget - join in June & your badge is free. Spencer will have brush-up workshop for one hour prior to the beginning of each dance. Come early and get a sneak preview of the evening's dance.

**NEWS RELEASE No. 1**

Greetings from the West Coast, Now as only pleasant memories remain in our minds of the 19th Annual State Square & Round Dance Convention we look forward to the future 20th Annual Convention. If you missed that lovely vacation in Hollywood, you can now plan to attend a West Coast Spree in '73 in Tampa at the Cirtus Hixon Convention Center in May. We will have our headquarters at the Manger Hotel which is about a block away and also the Holiday Inn which is only two blocks in the other direction. We already have over eager dancers registered and their ture will appear in this magazine.

Ron and Mary Lee Van Valkenburg are the Chairmen for this exciting event with Ben and Hazel Hamilton as Co-Chairmen. They have been planning and working out the details already for many months.

The convention center has a HUGE hall with many chairs along the back and also bleacher chairs for the spectators so you can bring your non dancing friends and they will be able to watch the fun and beauty of Square Dancing.

**SHIRTS-N-SKIRTS** We wish to welcome the following new members Al & Grace Bland, Bob & Darice Dambrowski, Ben & Jessie Hirschy, Darwin & Sharon Whitehead. A beach breakfast is planned for in July across from Bahia Mar and everyone is welcome, bring your own food and join us.

**POMPANADERS** Pompano Beach - Our May Pole dance was well attended. With the usual skill of the decorating committee did a beautiful job of making the hall look very festive in our club colors of blue and yellow.

We all danced around the May Pole with special calls from our caller, Ralph Otis. With lightning speed our men dismantled the May Pole and our regular dancing went on. Phil Carey cued the rounds.

Some of our new members were in the exhibition dance at the Coral Ridge shopping center with Jerry Seeley.

Feeling it is not too early to remind folks about getting into class this fall so they can have fun and wonderful exercise for body and brain.

We were pleased to have seven squares step lively to the workshop and calling of T.G. Bean, June 2nd.

Our president Margurite Manning stopped the show several times to pull something out of the hat. Why not come and see what she does, you might be the lucky one!

## PRESIDENT OF THE R/D COUNCIL

**FOOTS & JOAN REYNOLDS**

Fooths feels most honored for being asked and having the privilege of serving as the president of the Round Dance Council of Florida. Some of its most rewarding moments have been the close association it has brought him with other members of the council as well as square dance leaders and officers. He feels when you work along with people you really get to know them, he is thankful for the sincere and dedicated people.

Now there is one point that does concern him, he and his wife have been square and round dancing for 11 years and it has provided a great amount of joy and happiness as they travel over the state to the various conventions meeting new friends and visiting old acquaintances but why when this is the most wonderful social activity that a family could engage in has it not grown more? In his opinion it has not nearly reached its potential IF only we leaders, teachers, callers and etc. would forget petty differences and work closer together for the common goal.

Fooths & Joan feel strongly that this would yield rich rewards and minimize many unpleasant situations.

**ROUND DANCE COUNCIL NEWS** We are sorry to report that two of our members were stricken with heart attacks at the end of May. Our vice president Chuck Heiss of Bonita Springs and a member Joe Zahorka of New Port Richey. Although both have been in the hospital since their attacks they are both coming along nicely and looking forward to coming home. If you would like to send a card their address are: Chuck Heiss - Rt 1 - Box 65A - Bonita Springs, Fla. 33923 and Joe Zahorka - 12 Bonita Drive - New Port Richey, Fla. 33552.

**8th ANNUAL JEKYLL IS JAMBOREE** in August is not very far away and we are hoping there are lots of you making plans to attend. We are going to have a good time as usual and need your support. We especially like to urge you to join in the talent contest, all of us are amateur and there to relax and have a good time. Won't you join in with us in this special event, rather than have an idiots party? We feel this will be something different and changes the routine. Rod, Bob and Audie invite you. Try it, you may like it!

**MIAMI BEACH OCEAN WAVES** new president Manny Lorber reports tickets moving briskly for the club's big 10th Anniversary Extravaganza, scheduled for the Playboy Plaza on Miami Beach in Aug. (see ad for date) The program features an afternoon workshop by Jack Lasry, a big Saturday night dance with Lasry, Bedell and Beattie, and an afternoon dance by Bedell. Plus hot hash sessions, skits and fun. In addition, the club has made arrangements with the hotel for a special rate for the week end.

Traditionally, this has been a very successful event, with the added color this year of a program that is to cap the clubs "Decade of Dancing Fun".

**LAKELAND ROUNDETTES** We had a lovely surprise birthday party on Thurs. May 18th, Roy Gaul and Floyd McHenry were surprised during intermission when their wives brought out a huge beautiful cake for them. They are slightly over 21.

Something new has been added to our Party Nite which you know falls on the last of each month and all the ladies bring the goodies. Marty & Byrdie review the latest dance taught the week before and then we have requests and try to dance as many of the over 50 dances that have been taught this past year. Our favorite at the moment is Street Fair with a polka beat. Byrdie & Marty taught this at state convention and your reporters heard it was well received and was one of the highlights of the new dances taught.

Vance & Miriam Bateman

**BUTTONS AND BOWS** of Lakeland had only one dance in May since the convention fell the week-end of our other dance, but as usual we enjoyed dancing to our caller, Mel Clark. Our club was delighted to have so many dancers from other clubs visiting us including the Yell-O-Rockers of Zephyrhills who stole our banner.

On Fri. May 20th we went to Zephyrhills and had a enjoyable evening dancing to Jack Cloe and his yodeling. We retrieved our banner at that time. Several of our members joined Mel & Cora Bell at the convention and they all reported to have had a good time.

**BAY AREA TWIRLERS** of Tampa hope that you didn't miss the annual luau because this reporter forgot to mention it. It has become a happy yearly event and our business meetings are more like social affairs - food and fun, this past time at the home of Emogene & Ron Parker, we're thankful for the hospitality, twas fun. Recovery was quick after the convention and we've all been dancing at every chance - and already our club is helping with plans for next year's meeting here in Tampa. Don't let the summer get you down - dancing's good with the Twirlers. Ida & Ted Polmenteer

The **WESTERNAIRES** of Miami were well represented at the State Convention and the female members in their newly made red & white checkered dresses were a standout.

We offered our skit at the skit time on Saturday night following the regular dance time. With our caller Bob Cook acting as narrator, the club girls in various stages of undress, and the men similarly unattired, the club presented "The Night Miss Nancy Ann's Hotel for Single Girls Burned Down". The chorus of the original popular recording was used. There was a wonderful display of lingerie and legs, as well as half dressed men, as the hotel burned away. We believed the audience enjoyed it as much as the club enjoyed presenting it. Skit director Nita Shelton deserves a big hand for her diligence in getting this on the stage.

Our after party held in the Moe's room & Stan Moe's telling stories capped the evening.

Watch for our future ads for our new dance location which has not yet been established.

## MESSAGE FROM CHET

Items appearing recently in state Square Dance publications. Jack Harris graduates 56 young folks, 21 graduate in St. Cloud. Art Springer graduates a large class including a number of young dancers. Three callers in Jacksonville start a teen club. I am sure that through out the state the theme can be repeated. Over the last couple of years we have been attracting more and more young people to our activity, thus having it become truly a family affair.

Over the last several years the Gainesville dancers have encouraged the participation of the young in Round as well as Square Dancing and have been fully rewarded with a very active group. This group has full membership and responsibilities in either club they desire to join. They dance regularly with 441 and have not been told of the following, which I am rather proud to acknowledge statewide. 441 averages about 500 visitors a year and most of them have complimented us about our young dancers but just recently one of our visitors made it a point to look me up and I quote "Let your young people know they are the most considerate and courteous group of teen-agers have ever seen".

The point of this is, let's encourage these young people, let's get them involved, give the responsibilities. Your reward will be ample. They live up a dance, they get their friends who in turn bring in their parents and keep them in and bless them they make excellent material for selling square dancing to the public.

Naturally this will not work in all clubs but to those that can "Try it, you will like it".

Chet & Julia Vetter

**SPINNING WHEELS** of Tampa are into their third year of dancing and growing and are looking forward to the summer. The club went to the state convention, nearly 100%, and weren't the Cloggers a credit to all! Some of us are going to the National Convention in Des Moines and some to the National Square Dance Campers Convention in Michigan, these people get around.

But, on to the summer dancing here, usual good calling, square and round, and in air-conditioned comfort. Y'll come.

**PROMENADERS** of Lake Worth have discovered a great new caller, Jack Hosken, a new resident of Stuart, who calls with zest. The former Cleve' 'd, Ohio resident, tickled many dancers with his promenade rhythm, "Chicken in the bread pan pekin' up dough". He has an enthusiastic beginners class going at Hobe Sound.

Jay Fenimore, another favorite of ours put on his usual good show - calling No. 32 as requested - for the Mothers Day Dance. Tony Husted read an original poem dedicated to square dance mothers. The dance was attended by two squares of Vern Johnson's Boots & Bows of Ft. Lauderdale, who recaptured their traveling

cont'd next column

Promenaders cont'd banner and added a lot of fun to a good evening with their campers enthusiasm. Vern called a guest tip after a grand introduction by Jay. To prepare thr group for state convention, Jay workshopped Revolving Teacup Chain and he was so smooth with Green River and Close All the HonkyTonks singing calls. With most of the Yanks returned home, we wondered about a signature of Bill & Dolly Ennis which claimed home as 'Open Road, USA' Turned out they'd been staying nearby in Riviera Beach but hoped to meet some other Open Road trailer people.

Members Lester & Gladys Pepe are back in Fremont, Ind. for the summer. Leon & Florence Thorson and Harry & Elsie Stockfeder are heading for the Nationals in Des Moines - that's home area for the Thorsons. Stockfedeers will continue in their mini-home to Cal. Marge & Tony Husted are also vacationing with their children in Okla., La., etc. Nice to have the Noels back from the west coast.

Remake the Wave seem to stump several when Pete Sansom called. But he was forgiven for that toughie when he revived his version of Boots and belted out False Hearted Girl. John Sherley and his Sun Squares of Deerfield showed up and stole our traveling banner. Dieting John, with his clear voice pleased everyone with his Lonesome Me sing along dance as well as Blue Lady.

Castoffs had a thieving square but all they could take home was Tony's calling chairman's badge. This was snatched back by a bunch who raided the Cast-offs when the Rebel Devils called.

Nice to hear from Helen & Wes Frazer, back in their Mass. home.

Nine of our couples went to Hollywood for State Convention. Alice McCabe

**WESTERNAIRES** of Jacksonville, our bi-annual club and class family picnic at Gold Head State Park was a huge success with plenty of food, games, swimming and dancing.

Graduation is set for Saturday, June 17th at our regular club dance. After they have all been properly initiated, diplomas will be awarded to the following: Patti & Victor Bland, Ann & Donald Blizzard, Donna Pollard and Bill Culpepper, Kathy & Curt Dahl, Bonnie & Ray Despres, Audrey & Bill Farley, Darleen & Carroll Johnson, Marg & Jim Joy, Glenna & Pete McClain, Roberta & Ed Peacock, Rosalie & Harley Privette, Betty & George Rider, JoAnn & Bill Roth, Nadine & L.D. Skinner, Fay & Ralph Weaver and Edna & Keith Rabb Jr. We extend a big welcome to this enthusiastic group and Thank You for joining the club.

**CLOVERLEAF SQUARES** of Clearwater The 19th Annual State Conv. was an extravaganza with 1800 registrations at the time of the Trail dance held at the Sheraton, Miami Beach. The dance then turned to the Diplomat complex at Hollywood with three ball rooms constantly packed. The main ballroom for squares, a ballroom for workshop and the other for rounds. Excellent callers for both squares and rounds kept the colorful clad dancers in constant attendance.

The president of the Callers Assn., Clif Hendricks, who is our club caller, was MC for the convention and conducted his responsibilities with efficiency and dispatch. We are all proud of his efforts and success. This convention is deeply indebted to the Florida Southeast workers who gave freely of their time, and effort. Each caller has a unique style and the melodious voice of Frank Bedell was prominent. We were glad to see so many from the West

## ROUND DANCE INSTRUCTOR

**BOBBIE DILLON & JOHN GUDOR**

Bobbie and Johnny have been folk dancing and ball room dancing long before they started to square dance. Bobbie started in 1957 with Geo. Campbell where she learned both square and rounds. Johnny started the same year with friends in Ft. Lauderdale. Later he joined the Silver Spurs S/D Club which Bobbie already was a member, Hazel Bennet & Bill Casio were teaching rounds at the Hayloft (their hall) at that time. When Bill & Hazel left the Spurs they were asked to take care of the rounds at the dances, they did and found themselves involved in teaching this fine group of dancers. The Silver Spurs being a challenge S/D Club also wanted the more difficult rounds so they found themselves teaching high intermediate & challenge rounds. They also belonged to The Sunshine Steppers with Gene & Ima Baylis, when Gene & Ima retired Bobbie and John kept the name of their club because most of the dancers belonged to both clubs. They taught at the Hayloft for about nine years when George Campbell moved to the Wagon Wheel they moved their club there too. Now they dance at Tom Sasso Recreation Park, in the fall they expect to start a new club at a new hall which they will announce later. They have taught at Festivals and Conventions and at Wildwood when it was in operation. They have been members of the Round Dance Council nearly 10 yrs.

**CONVENTION OPEN LETTER** Many thanks to everyone who helped us at the Convention. We know many of the dancers were disappointed in the way the hotel handled your rooms but you weren't nearly as disappointed as the Committee was Saturday morning. We tried to install the sound in the Chandelier Room and they were having a meeting there so into the Main Ballroom we went, and they were just starting to put up the wall. The people who were suppose to put up the booths were late getting there. Meetings were to begin at 10:00 o'clock and we weren't ready for them. It seemed there for awhile everything was going wrong at once, but things seem to have a way of smoothing themselves out.

Now that its all over and we lookback at the Convention as a whole, we think it turned out pretty nice, and we hope all the dancers feel the same way.

We had some very good help from the people who volunteered to help us out and without their help we could not have put the Convention on. Many hours were spent in the last year and a half putting it all together and now that it is all over it seems like we should be doing something else, but we still have bills to pay letters to write and tallying up the whole Convention.

In closing I want to thank everyone again dancers, callers and round dancer instructors. **MANY THANKS.**

**ROADRUNNERS** May was a great month for the club, topped off by a terrific turnout at the convention. Six squares were there and kept dancing and socializing. On the last day of the convention two squares danced in black outfits; the girls wore beautiful black velvet dresses highly ornamented in sequins and the men wore black shirts and trousers. The dresses were bought in Mexico by the Luckys and the Noels while they were on their recent camping trip to California. Too bad the trip had to be marred by the death of Jim Lucky's mother, he had to rush back for funeral. Our sincere condolences to the Lucky family. We lost two of our younger members - the Jim Basses. Jim received a job promotion which entailed a transfer to Knoxville, Tenn. Our loss - their gain. A novel twist at our Mothers' Day Dance was the posting of pictures which the members were asked to bring which were taken at an early age. Each picture was numbered and posted, the object being to guess the identity of each. At least nine members guessed that three pictures were of me and I wasn't even represented on the board. Lots of laughs and what complete changes in appearance some for the better most for the worst... The McCabes celebrated their 25th Anniversary at the Dance. On May 18th two squares came down from Ft. Pierce (The Sandy Shoe Steppers). With them Jack Hoskens who recently moved to Ft. Pierce from Cleveland. Jack is a very competent caller and honored us by calling a tip. He should be getting plenty of jobs in this area. We are looking forward to a square dance camping week end to be held in early June at a KOA campground recently opened in Lake Worth. Good luck and a pleasant trip to the Thorsens and Stockfedorers who will represent the club at Nationals in Des Moines. We miss the Tenczars who are vacationing in Conn.

Wednesday night workshop at the American Polish Club has been bringing good crowds with the attendance averaging 12 squares a night. Some of the newer figures are being taught. Frank Bedell really makes sure we know our basics well because if we don't we will have trouble executing these intermediate figures. Thanks to the Wolfs for their interest in keeping this together. Pete Sansom was gracious enough to substitute for Frank when he had a previous engagement.

Beginner class graduated on April 28th with a good crowd dancing to Johnny Walter. Graduation was held at break time with class caller Chuck Leamon performing the ceremony. Before diplomas were given, final exam was to have dancers divided into all female and all male sqs. and then dance in these positions. Wally Jacobs also cued some rounds for the club for the evening.

Come and dance with us this summer! We have a good line up of callers from all over Florida (check our ad). We have been visiting many clubs and have even stolen a few banners. These were promptly retrieved by dancers from the Promenaders and Roadrunners of Lake Worth.

New members into our club are Allan McFarland and Jo Jolly. Also glad to see the Schwarz and Tellefsons back from their trips. George Schwarz has just recently came home from the hospital after having a pacemaker operation. His doctor says he will "be out dancing just like an 18 year old very soon". We miss you George!

Something New in '72 is history and is an outstanding success story at the fabulous Diplomat complex in Hallandale, Florida.

At 8:45 PM the last night a couple was introduced from New Jersey whose registration made our total 2,000.

We want to express our sincere thanks to the F.C.A. Callers, Round Dance Council members, Florida Federation of Square Dancers, the Convention Committees and especially the Convention Chr. George & Boots Osglesby.

Members of all the above organizations taking part in this convention, did an outstanding job, and as a result the convention ran very smoothly, with good dancing for all the dancers.

The dancers are to be congratulated also, not only for the good dancing that they did, but for the outstanding caliber of square dance clothing, with several large clubs all dressed in colorful costumes that matched, even at the workshops there was very few improperly dressed, and after this showing I am sure this will encourage all dancers to wear proper square dance clothing at all sessions in the future.

We can now look forward to the future, West Coast Spree in '73, the 20th Annual Florida State Square & Round Dance Convention at the Curtis Hixon Convention Center in Tampa in May 1973.

HARRY CASTNER

Harry and his law Betty were introduced to Square Dancing in 1966. At the invitation of a fellow "Church-Goer" - "We have been grateful ever since".

In the latter part of 1967 Harry thought the challenge of calling interesting and accordingly Set Up Shop on his patio and had free workshop for the current learners. Taught by another caller also and this went on for some time until a hall was obtained in Deerfield Bch. Then a Learners Dance was held once a week. This dance would consist of only the basics learned to date and workshop on those that were bothersome. This dance was run for about one-half of the usual price or less, taking into the consideration the cost for lessons, & baby sitters etc. This dance certainly helped not only the learners but the instructor (Harry) in experience.

In 1968 Harry & Betty attended Ed Gilmore's Callers' College in Glenwood Springs, Colo. This was very valuable in fundamentals which are so necessary in calling and he met many fine callers and their wives from all over the country. Some of the Students were callers with ten to fifteen years experience of which proves that a caller never stops learning.

About the beginning of 1970, at the request of square dance friends, a S/D Club was formed in Deerfield Beach, The Sun Squares.

From 1968 to the end of 1970 Harry taught classes in Pompano Beach (Senior Citizens Broward County) for the Deerfield Beach Recreation Dept. - for Boca Raton Recreation Dept. and for Delray Beach Recreation Dept. for all ages from 10 years to 70 years.

Betty & Harry believe teaching teen-agers & One Night Stands are the most gratifying facets of Square Dance Instruction.

At the end of 1970 Harry & Betty moved from Deerfield Beach to Titusville (in the same state, Thank Goodness). They turned over their Sun Squares Club to John & Dawn Sherry.

Harry & Betty are taking a breather until fall and are visiting the many fine clubs in their new area. After that who knows, classes, club but you can be sure it will be in the wonderful recreation of square dancing.

**BOOTS AND BOWS** of Wilton Manors - A group of club members who have travel trailers combined a week-end of camping and square dancing by going to a camp ground on a Friday afternoon. Vern Johnson called for the Castoffs in Boynton Beach Friday night where we all went to dance. Saturday was spent pitching horse shoes, fishing, hiking and also sitting around talking and relaxing. Saturday nite we danced with the Lake Worth Promenaders and also retrieved our banner and a good time was had by all.

From all reports, I am sure the Naples trip was a howling success. We also had a good group attending the State Conv., for some it was the first time and they say they will surely go to another.

**STRAWBERRY STROLLERS** of Plant City Glad to see all you dancers at the State Convention even if it was too crowded to move at the Trails End Dance! Our club was represented by the Cokers and Steeles in addition to our caller Howard Parrish, and his law. Howard taught Timber in the Challenge Hall (no wonder he workshopped our club so much on it). Our dancers did a lot of visiting during May with the McEwens and Wallers going all the way to Estes Park to dance. The Carters and and Sheperds went to the Presidents Ball in Orlando and signed up Bill Ford to call for us at a special dance in June. We had a big graduation party with 7 new couples and 1 single going through the initiation. Melba Chambers made lovely favors for the graduating ladies and we had a bountiful buffet. We welcomed back 4 couples who are returning to square dancing so we boast of a lot of new members. Special thanks went to several Square Angels who helped with the new class each week. Our hosts for the party were the Capps and the Batemans. Want to urge other clubs to visit us this summer. Let us know you are coming and we will have a party!

Mary & Alton Steele

**LEFT ALLEMANDERS** St. Petersburg We have moved to a new hall. Starting in July all of our dances will be held at St. Savas Auditorium, 530 77th Avenue No. St Petersburg. The auditorium is located between 4th and 9th Streets, across from the Gateway Mall. We feel this new location, which is air conditioned, is more centrally located, as it is in the northern section of the city, making it closer to Clearwater and Tampa than our former location, thus we expect to see more of our friends from that area.

Many of our members are still talking about the fine time they had at the State gathering. Vacation plans are on everyone's mind right now, but we expect to have enough people around during the summer to insure a good time for all.

WHIRL & TWIRL of Orlando elected new officers on May 19 for the coming year and the club members are looking forward to the leadership of new President, Jack & Fr an McBermott; V.P. Harry & Betty Cassar; Sec. Harry & Jacquelin Lamberty; Treas. Bob & Lorraine Theander; and Directors, Frank & Jannie Alexander, Len & June Benard and Jack & Betty Hoyt as they took over the reins of the club.

At our club dance of Wednesday May 31 a large number of dancers turned out to greet and welcome the twenty couples of class dancers who were graduating that night. It was an honor to our club to have the entire graduating class join the club to continue their dancing fun.

cont'd next column

Our caller, Danny Robinson, being very energetic has announced the beginning of a new class on Tuesday, June 6th. If you are just beginning or would like to attend class, Danny would be happy to have you join. Several couples from the recently graduating class are going to going to work for their Square Angel badge and they would like to see a large turn out.

We would like to extend an invitation to all dancers to visit us any time either our fun level night or intermediate night.

Charles & Willie Bobo BELLES & BEAUX ga. We graduated our class May 19 and really had a ball. There were lots of visitors to help bring them into club activities. Several callers participated in the program and did a wonderful job. The class was made to dance around rotten eggs, blindfold and would you believe they did not step on the first egg, so no one had to clean up. They really enjoyed this fete, of course the eggs weren't live. We bought eight new couples into square dancing and they all joined the club. We held our annual fish fry at the Lowndes County High School cafeteria, with one of the club members mother doing the chores. Mr. Dees did a wonderful job along with her helpers. We have Raymond Dees and John Hightower to thank for the fish and especially for cleaning them. They were wonderful and nearly all the club participated only a few were missing and there were reasons for this. We are looking forward to our annual day out at Camp Tygart Methodist Youth for a swim party and supper.

We would like to invite all to stop in and visit with us this summer. We are having Gary Shoemaker in June, Bob Wickers in August and also C.O. Guest in Sept. As you can see this is some of the finest and we would love to have you come and join us. Bob Bennett

**STOMPIN' STUMP JUMPERS** had two squares attend the State Convention. We really did enjoy it. We are glad that Tampa will be having the next one so more of our members will be able to go.

We would like to give a special Thank You to our caller, Jack Harris. At 3 AM Jack called a few tips for us at pool side so we could earn some extra badges. Poor Jack didn't get back to bed until after 4.

Everyone is busy making plans for our Teen Jamboree to be held in Sept. We will have three of the swingiest callers in Florida, Donald Miller from Jacksonville, Wayne Brooke from Gainesville & our own Jack Harris. We will be looking for all the dancers to help make this a dance filled evening.

We held a surprise baby shower for our callers wife, Maureen. It was lot of fun and a big surprise for Maureen.

Melissa Petrauskas & Vickie Pierson

**WAGON WHEELS** of St. Cloud will be dancing every week during the summer. We are a fairly small club and would appreciate lots of visitors to make our dances a big success.

We are off to a good start. On May 26th a group from the Citrus Cut-ups came to retrieve their banner. We all had such a good time they came back again June 2 for Our banner. As we told you last month the Foliage Squares in Apopka had our banner so our president lost his pants. If you would like to see what kind of pants Our president wears go visit the Citrus Cut-ups or come to see us after we go for them.

That same night a group of banner retrievers lead by Jack & Doris Stout went to Apopka for our banner. We sure do appreciate them going for it.

We also had a group from the Happy Hoedowners in Leesburg on June 2nd, who came for their banner. We enjoyed their visit and hope to see them again soon.

We are planning along with the Allemanders of Sattelite Beach a campout in July if you would like to join us let us know and we will tell you the details.

If you find a Friday night free why not come and join us. Colin Walton does a fine job calling our dances and we feel that you will find an evening to remember.

JULY 13, 1972

Municipal Hall

Zephyrhills, Florida

The **YELL-O-ROCKERS** of Zephyrhills will hold dances all summer and have planned a double header for July with Manny Amor at a special dance and Jack Harris on our regular night. We invite all area dancers to come dance with us in our air-conditioned hall. Marty Martin cues the latest rounds.

Over fourteen squares enjoyed the yodeling calls of Jack Cloe at the May dance. Jack and his lovely wife and family came from Missouri to call in this area for the first time and also enjoy our Florida beaches. Cecil & Louise Lucas and D.C. & Artie Taylor served at the bountiful refreshment tables.

A square of Sunshine Swingers from Auburn stole our banner, and the Tanglefoots retrieved theirs. Our dancers enjoy visiting and dancing with you'all at your clubs so you'll be seeing us from time to time. Edith Peterson

### SUNSHINE STATE CHAPTER 018, NSDCA

West Coast Area- Camp aWyle, Weekiwahee Springs will be the next camp-out site in July. The May camp-out at Sarasota was well attended with about 52 units camping. A hat contest with hats made from material available in campers was the highlight of the Saturday night dance. Prizes were awarded to the best man's and lady's and the judges were hard put to decide from the many outstanding creations.

We welcome Bob & Ginny Walther, Gillis & Shirley Metcalf, Ed & Marion Johnson,

The **DISNEY WORLD DANCERS** finally got into the swing of things this month by choosing officers. We have been designated the "royalty" of Disney World. Our officers are: Queen (pres.) Betty Lee Adams, Prince Consort (VP) Bill Straughan, Minister of History & Finance Frieda Bailey.

We would like to invite You to our first dance in August (check our ad) in the Contemporary Resort Hotel. Come and dance with Mickey, our guest of honor.

We have, as our caller, one of the men who wowed the dancers at the State Convention Pete Sansom, of West Palm Bch.

For those of you who plan to visit the Magic Kingdom during the day, we are making plans for a room for the evening so you may change to your square dance clothes. If you are interested, send an additional dollar when you send for your tickets. This will help to defray expenses for the room. If enough are interested we will get two rooms.

We are now open for charter membership. If you are interested write to Susan Elaine Adams, the caller, 716 New York Ave., St. Cloud, Fla. 32789. Charter membership will be open till the 1st of Sept.

### NAUTICAL WHEELERS

Key West, Many of our Snow-bird members have gone back North, including Selma & Arthur Chettle, Thelma & Joe Pickard, John & Ruth Little, Eulo & Perce Rowe, and we are soon to lose Bill King and Shirley & Don Smallwood. But we will keep dancing all summer - with informal dress being permitted. Francine & Woody Slagle and Jim Wallace and Cecil Black have been welcomed into club membership. We are hoping that Ray Turcotte will visit us again in August, and a gala reunion and after party is already being planned. The student class is progressing nicely on Monday evenings and the round dancers are progressing to the waltz rhythms, and we were happy to find a number of the dances they learned this spring programmed at the State Convention. Dorita Bethel has been appointed Club photographer, Sandy Ross has been appointed Refreshment committee, Cecil Black to the badge committee, Ted Hadley to the Membership committee, and Roy Ross to the Audit committee. ### ORLO-VISTA FIREHOUSE SQUARES

All you good friends of John & Frances Berger (yours truly included) will be happy to learn that Frances is out of the hospital now and doing just fine. Something called Hysterectomy. Will be about six weeks before Frances is dancing again and we're sure missing her at the dances, right, John?

What a great time all the club women had at Bill Ford's appreciation dance. Each one took a turn keeping Bill entertained all evening, even while he was calling, one stripped him of his shirt and roned it while someone combed his hair and gave him a manicure as well as a shine on his boots and pressed his pants. Believe me, he was well groomed that night. The club presented Bill with a beautiful gift, as it was his fifth year calling for us. We never forget our one and only Elva, (our great entertainer), and she was presented with a nice gift too. Were they red?

For all of you autograph hounds with those century books floating around - get ready we are having a national caller Bob Dupree in August. Would be a good chance to add another name to your list. John & Jessie Penney are working on their 2nd. book and we are at the half-way mark on our ours, Wow!

We thought we were being invaded at our

**ORANGE BLOSSOM SQUARES** July finds us involved in three special events. First will be a night beach party for our members. Larry & Lydia Dalton did such a fine job in the handling of details last year - that they again graciously accepted chairmanship. Pleasant memories of the bon fire and the singing make us anxious for the time to come.

A correction of the Soap Box Derby date. Racing day will be July 15th instead of June, with Vicki Decker driving the Orange Blossom Special to victory. (At least this is what we hope will happen) Come out to help cheer for her.

Mike & Carm Chapman are busy with plans for a knothead trip on July 22nd. The

Pirate's Qualification Dance last April. Three squares came dressed as pirates and made their badges that night. Even our caller and his tax made pirate also.

Well I must say, that OVFS's bunch know how to put on the dog when they want to. The red carpet was rolled out for each president of our area clubs at the Presidents Ball. A large table setting was set up and each president and his spouse were escorted down the carpet to the table and served their refreshments. We danced 16 squares and must say those decorations were really something. Thanks to Marty & Bonnie Carlson. Everyone had a ball.

Believe it or not, we journeyed to Kississimmee, May 10th to get their banner, and came away from the dance with Bob's pants instead. That's the second pair that Bob has lost as well as the banner. Seems like Joan ought to be the next one to lose something, eh Bob?

We also stole Foliage Squares banner in May, what a nice group of people to dance with.

The Lums on S. Orange Blossom Trail has been entertaining the square dancers in the area with a live band and Bill Price doing the calling. Anyone wanting to earn their Lum badge contact me, 855-2029-Happiness is square dancing.

place and details are still uncertain. Our trip last year to Key West was a huge success. Henry Purcell and the Key Kickers went all out to entertain the group.

We are proud to announce that most of our ladies are now wearing the orange & white club dresses made by Chez Bea. The mem sporting their orange & white outfits are quite handsome, we feel. We would like to thank all the people who worked to make these outfits possible.

Our sympathy goes out to Gary in the sudden death on May 29th of his father Joel Decker of Suitland, Maryland. A thanks to Johnny Walter who stepped in to call for us while Gary was away.

## FEATURE FIGURE FOR THE MONTH

### THE

JACK LASRY

CALLER'S CORNER

### REVIEW FIGURE

**FAN THE TOP** is one of the fringe basics that I feel fit into the "next 25". A well accepted call in many areas as a variation of spin the top but with nice smooth action and good choreography value. Fan The Top is best taught from an ocean wave. From normal waves the centers (girls) turn left 3/4 while the ends (boys) move up 1/4 to reform the ocean wave. You have kept the same relationship in the wave but the wave has moved clockwise 1/4. In building dancer reaction to Fan The Top I suggest you work from the already established wave first, then call a do sa doe and move into the Fan The Top without establishing the wave and last move into the call from facing couples. A hint there will be to have the couples move forward as if to pass thru, when the dancers are lined up the centers can take left forearms and turn 3/4 while the ends continue to move around and reform the ocean wave...

#### How to use Fan The Top

Heads do sa doe to a wave  
Fan The Top - swing thru  
turn thru - left alle.

Heads do sa doe to a wave  
Fan The Top - pass thru (heads lead right)  
Do so doe to a wave  
Fan The Top - cross trail - left alle.

Box 1-4 Do sa doe to a wave  
eight circulate - Fan The Top  
swing thru - boys run - bend the line  
dive thru - pass thru - left alle.

Box 1-4 Do sa doe to a wave  
eight circulate - Fan The Top  
spin the top - (balance) - boys run  
bend the line - barge thru - left alle.

Now lets put the boys in the center of the wave....

Heads rollaway 1/2 sashay -  
do sa doe to a wave  
Fan The Top - swing thru-pass thru  
left alle. box 1-4

Heads rollaway 1/2 sashay  
do sa doe to a wave  
Fan The Top - swing thru - girls run  
bend the line - box the gnat  
crosstrail - left alle.

Box 1-4 Ocean wave - scoot back  
Fan The Top - boys run  
wheel & deal  
slide thru - left alle. (zero)

1P-2P Rollaway 1/2 sashay  
do sa doe to a wave - Fan The Top  
boys run - wheel & deal  
star thru - crosstrail - left alle.

**FAN THE TOP** works very well when a casting off flow reforms new waves. Last month we talked about curlique followed by a cast off 3/4 being zero. Follow the curlique cast off 3/4 action with a Fan The Top and you can see how smooth the reforming of the wave with the centers catching left hands leads into the fan the top flow.

Example: Heads curlique - cast off 3/4 - Fan The Top - Pass thru -(equals heads lead right)

#### Dancing the popular basics

Opener -  
Head ladies chain right -  
new side ladies chain -  
heads rollaway - pass thru - cloverleaf  
sides star thru - pass thru - u turn back  
left alle. or right & left thru

1P-2P to corner  
Pass thru - tag the line - peel off (zero)  
square thru 3/4 - tag the line  
peel off - bend the line - crosstrail  
left alle.
