**BOOTS & BOWS** - Wilton Manors  
We were well represented at Knot-  
head Konvention in Clearwater and  
all who went had a good time. With  
new classes starting everywhere  
I think the following is well worth  
reading and remembering:

Recipe For Happy Square Dancing  
To three cups of Love and two  
cups of Understanding, add four  
tbsp. Courage and two tsp. each of  
Thoughtfulness and Helpfulness  
sift together thoroughly then stir in  
equal amounts of Work & Play, add  
three tsbp. of Responsibility. Sea-  
son to taste with Study and Culture.

Place in a pan well-greased with  
Respect and Personality. Sprinkle  
lightly with a Sense of Humor. Al-  
low to set in an atmosphere of Dem-  
ocratic Planning and a Mutual Shar-  
ing.

Bake in a moderate oven. When  
well done, remove and serve on a  
platter of Friendliness, garnish with  
Smiles. Vi Anderson

**KISS-A-MEE SQUARES** With all thoughts  
on Knothead fun; we are pretty busy these  
days, but we still have some other plans  
for square dance fun. Our club has a be-  
ginner class scheduled to begin in Sept.  
on Thurs, nights at the Youth Center.  
Bill Price will be our teacher caller a-  
gain for these classes; send your pros-  
pective square dancers.

We are getting the finishing touches  
for our annual riverboat dance on the  
Queenetue, we've planned a beautiful  
night for you. Casual clothes will be ap-  
propriate since crinolines sort of limit  
your movements on the boat. Join Saun-  
ders will be calling this.

We have gotten a busy seamstress real-  
ly in stitches as she sews up club dress-  
es for the ladies. We are all looking for-  
ward to wearing these new creations.

Some of our members are away for the  
summer at this time; we expect to be-  
gin welcoming them back really soon.

**YELL-O-ROCKERS** of Zephyrhills have had a good summer of dancing, with good turnouts. A large crowd danced to the calls of Roger Chapman with the Martins cueing the rounds. The Lake Wales club claimed our banner and nine couples from Left Allemanders retrieved theirs. Vacations kept our dancers from visiting area clubs, but with the fall we will be ready again to dance with all you nice people.

Plans are in the making for some interesting dances and callers in the coming season. Bill Ford and his lovely wife will be with us in September. Good fellowship, fun and food are key words at our club. Try us! Edith Peterson

**STOMPIN' STUMP JUMPERS** The Knot head was great, we enjoyed dancing with you all and hope to see you again soon.

By the time you read this our 1st Annual Teen Jamboree will be over, and from all reports we will be having a great time.

We will be starting a new class in Oct. for information see any club member.

With vacations over and school starting our busy days have started again. We hope to be dancing on week ends at your clubs. Melissa Petrauskas

The WESTERNAIRES of Miami are early birds this year in that they have made plans for their annual New Year's Eve dance to be held in the Center, tickets will be on sale shortly for members and a limited number of guests Judging from from our past experience, we will be able to accomodate only from those who reserve early.

At our last dance our new officers were introduced, as follows: Ginny Roberts, President (our first women president), Elwood Gaines Vice President, Nita Shelton, Sec. Robin Cook, Treas., Gladys Vega, Refreshments, Doris Slenski, Sunshine Girl, Hal & Jean Qyincy, Decorations.

Among our outgoing officers, all of whom performed very well, special reconition is due Mary & Stan Moe for the way refreshments were planned and served, and to Mae & Richard Bennett for the originality and flair in their decorations.

The club was well represented at the Knothead Konvention and the ever-open hospitality room of Ginny & George Roberts was much appreciated and well used by all of us. — B=r: Ashcroft

**EIGHT ANNUAL JEKYLL ISLAND JAMBOREE** As usual there were many friends from the past and many new faces that we enjoyed very much seeing. Our success is always from your attending and we do appreciate it very much. We had a wonderful group both Friday and Saturday nights at the Aquarama and the Carriage Inn for the Hash sessions. We had and believe that everyone enjoyed the after parties and we wish to thank all those for participating in the talent and after parties. They were just wonderful and we will be looking forward to our Ninth Jamboree next year. Remember, it's always the Third week-end in August. We want to thank the Florida Timee Union for their great coverage on both nights and the Bow & Swing for their great interest and coverage. There is no way to give all the thanks and appreciation to all of you for what you have done for, Rod Blaylock Audie & Clara Lowe and yours truly, Bob Bennett for making Jekyll the Georgia Show Place for square dancing. We want to tkae this opportunity to thank all the callers for participating in the program and hope them great success in their future.

**THE WONDERFUL WORLD OF SQUARE DANCING** - Our chartered Greyhound bus was to leave Miami at 6:30 AM on the 19th of August; but since everyone was in their seat, we left at 6:15 and to the surprise of their guests the Palm Swingers served doughnuts to all.

The ride up was great - what with the games and the group singing, it seemed we had just boarded the bus when we were told that we were almost there, so we arrived much earlier than expected.

Susan Adams and her mother Betty Lee met us and after we put our bags away the group headed into Disney World, Each and everyone of us became kids again as enjoyed the rides and exhibits.

The magic hour of 8 arrived and the dancers in their square dancing clothes were seen heading towards the ballroom and upon entering the door, were sprinkled with Pixie Dust. The caller for the evening was Pete Sansom and he was no where to be found; but alas, Chip & Dale came to our rescue and brought him into the hall.

This like all good things had to come to  
cont'd next col.

an end. Thirty-eight tired dancers waved good-bye as the bus left the park and headed home. We would like to thank the Palm Swingers, and especially their committee Jack & Nita Lascola, Joe & Ann Mieszalski, Mac & Lila Rose, for planning a wonderful trip! We don't know who decided that the game we were to play on the way home was called S-I-E-E-P, but we all did it.

Our driver (LeeWorley) was just great not only a comedian, but as he said, Leave the driving to us, and we did!

Boots & George Oglesby

Wagon Wheels cont'd

cation this month but we sure did have a wonderful replacement in Bill Shell. We appreciate his coming over and hope he will come again for everyone enjoyed him very much.

We are planning on a Black Cat badge dance for our anniversary dance, if you have not bought your tickets yet be sure to as this is a limited ticket dance see our ad for all the information.

**WAGON WHEELS**, St Cloud - Action was the word for the month of August.

Something continues to bring us visitors from all over from St Petersburg - Orlando-Kissimmee-Satellite Beach & Melbourne. The Sunshine Sqs. visited one week and gave us a superbe clogging exhibition, we enjoyed having them as well as the many other people who came to see us during such a hot season. Please come back often and bring your friends with you.

Everyone missed Peggy Smith and Doris Stout while they visited the hospital repairing their dancing legs. The report is that they are both doing fine and we hope to see them back real soon.

Knothead time arrived in August when we were visited by a large group from

Left Allemanders, driving all the way just to make a Knothead badge, but we hope also to enjoy dancing with us. Good ole President Lane & Paula furnished their beautiful bus to haul a full load over to St Petersburg to qualify for Knothead. They already had theirs but seemed to have a good time along with all the common people, even if they didn't get much sleep that night.

Two sqs. took a trip over to River Ranch during the month to recover our banner which was on a camp out. We did get our banner back and all had a good time dancing in a real square dancing looking hall. We just can't seem to keep our banner at home, but that is the way we like it anyway.

We sure did hate to let our caller Col-in Walton leave us for a two weeks va -

**STRAWBERRY STROLLERS** Plant City - It isn't easy to write news on the eve of Knothead Convention, by the time this appears in print, we hoped to have danced with Knotheads from all over the states. We missed seeing a lot of you at the West Coast Dance at North Blvd. We were represented by out-going officers Carters and Shannons and also by the McEwens, Shepherds and Steeles. Our members really get around, two squares had a ball at Disney World Dance and keep telling us what we missed. Dean Coker had a big hand in helping promote a special dance at Lake Parker Mall in Lakeland with our caller Howard Parrish, calling to a big crowd and Marty Martin on the rounds. We are proud to have our own Meiba & Tim Chambers as the oldest dancing couple. Our club was topped by the Tower Swingers from Lake Wales in attendance. The Gymtruks and the Greshams were hosts for our Aug. Party Nite. Welcome Shirley Moore and Jon Gaul as new members. We hope all will come to Lakeland for the Assn. Dance.

## PHANTOM SQUARES

St Cloud  
We had a ball dancing to the calling of Wayne Brooke of Gainesville. This young man has a talent for calling along with a tremendous voice. If you missed this chance to hear him call, you missed a very enjoyable evening.

Guests attended from many area clubs but it was especially nice to see Bob Frye and his gang. Our thanks to all of the Canaveral Sqs. they are true Square Dance Friends. This group has attended all of our specials since we began in 1971.

Susan Elaine, caller for the club, did a special tip, it was a sneak preview of her special number scheduled for the Wonderful World of Sq. Dancing to be held at Disney World.

Everyone rushed thru the refreshment line because all were wanting to dance every minute possible. Wayne truly kept the floor hopping.

It was nice to have Mr & Mrs Brooke (Wayne's parents) and some of his club members.

Our thanks to one and all who made our 1st Anniversary so very special. The F Hanthom's Mummy

**NAUTICAL WHEELERS** of Key West Happiness is a square dance party - and we have really had a happy month. We had a dinner dance Aug. 4, with a special guest being Ray Turcotte from N.J. On Aug. 25 we had a graduation dinner and dance for our 11 new members, Willie Haddley, Martha & Bob Taggart, Emily & Leo DeRosier, Pat & Jack Phillips, Richard & Gladys Barber and Ruby & Merrill Steffey. The evening included a candlelight ceremony inducting the new members, and an evening of dancing to Jack Stevens. Aurora Montigny and Rose Stevens came up with some hilarious stunts. Visiting during August were Bryon & Orletta Lowery and their two daughters. Bryon is remembered with affection by all square dancers of South Fla., as he was instrumental in enrolling many of us through his calling and teaching. He attended several of our round dance workshops and shared his knowledge of the

Nautical Wheelers con't

current dances with us. The family is making their home in Bedford, Mass.

We have two open houses scheduled for Oct. 2 & 9 to herald the beginning of our new square dance classes, with a new round dance class slated to begin in Nov.

**MARATHON KEY HOPPERS** start their winter season in Sept. We held a Christmas in July in Mattie & Norris Bader's new home. A covered dish supper was the menu with lots of good food and then some lively square dancing. We traveled to Key West to dance with the Nautical Wheelers at the Graduation of their newest class. A buffet supper and the graduation ceremony with some funny antics followed by a very enjoyable night of sq. dancing made a very happy group. We are looking forward to some very enjoyable dancing for the winter months and we hope visitors to the Keys will join us.

**Chairman, Fla. Federation of Sq. Dancers**

The man headed towards her was unknown and even though she had been taught that all would be the same, lately she was beginning to wonder. True Detective or Mystery Magazine? No, just part of the evolution taking place in Sq. dancing today.

Allemande left, sounds easy; do sa do, have done it many times, one of the easiest; and, how about that right & left thru. These were one of the pure and simple basics, now everyone does his own thing, Too often this ends up as a mass confusion because the other couples in the square try to do their own thing which is different from ours. To really make the evening the caller had a movement in mind but with so many different actions no matter what he called some one would be out of position. So they stand and wait to get started again and who gets the blame.

I enjoy the sight of a long slender leg as well as the other fellow but at the square dance under the swirl of a pretty dress and petticoat is more appropriate than hot pants or ragged jeans. I can sympathize with the ladies on a hot sultry evening when the sweaty hairy arm of a short sleeved shirted man is extended for some type of turn.

Even the common courtesies of yesterday are changing.

Thanks Ash, had this started but you gave me a couple of ideas. Better yet I know I am not by myself in this change in Square Dancing.

**RHYTHMAIRES** Sept. brings a change of officers and a special thanks to John & Elsie Lang for their leadership for the past six months. Thanks also goes to all the other officers and various committee chairman.

Sept. 8 we had a buffet lunch and sadly said good-bye to Jim & Carol Baker who are moving to the Tampa area. We will certainly miss them. They have been wonderful friends and club members. We only hope Jim will come back once in awhile and call for us.

We welcome new members, Louise & Fred Hornung.

We were glad to have Ted Anderson back calling for us and dancing with us after a breath taking experience at caller's school in New Hampshire.

Please check our ad for an exciting line up of callers. Lucy Greenwood

The **REBEL DEVILS** of Pompano Beach have had a very active month. The club stole two banners and lost three. We lost our banners to the Orange Blossom Sqs., Modernaires, and the Hollywood Sqs. The Hollywood Sqs. earned their Stinker badge while visiting us. Also 8 year old Anthony DiNatie called Proud Mary to the delight of our members and guests.

Now that all of the summer vacations are drawing to a close and our snowbird members are heading back to Florida the club activities will resume in full. Many things are planned for the coming months. We and our new members quite concerned over earning their donkey badges at the Knothead Konvention. Hope they all survived.

We welcomed Ralph & Dorothy Steele, Harry & Evelyn VanPelt and Dick & Jean Martin into the club.

When in this area come and join us. We are a very friendly club and you never know what our two callers, Chuck Leamon and Norm Dumbaugh are going to do.

**BUTTONS & BOWS** of Lakeland have been having the most exciting callers, if you haven't danced with us lately, you really have missed some good dancing. We started the month off with George Hinkel from Eau Gallie and he will be coming back. Then we traveled to Disney World and the end of the month we danced at Zephyrhills to their wonderful guest caller and what a delightful surprise to find our retired caller and his law, there, Mel & Cora Bell Clark. They had been away on vacation and had just returned home. Our final dance of the month was Gorden Lentz from Blue Bell near Phila. and it was a real good and fast dance with some different type calling and singing calls. We all went home tired but happy.

Carol Ireland, the law of our Vice President has been in the hospital and we all miss her smiling face, hurry and get well Carol.

Due to a severe electrical storm we were without air conditioning at our hall Aug. 12 dance. Sorry about that. We had 14 squares and boy, was it hot. However John Saunders called a great dance and everybody seemed to have a ball.

How about all those weddings? Not to be outdone, John & Phyllis Atkinson had a lovely Sunset Garden Wedding at their home for their daughter Kathy, who became Mrs Gene Dooley. Phyllis had everything perfect, as usual, even to the weather.

It appears National Square Dance Week was a large success with many local clubs participating. Lets continue the fun and promotion of square dancing.

**FIRST WONDERFUL WORLD OF SQUARE DANCING.** All of the members of the Walt Disney World S/D Club are still pinching themselves saying, Did it really happen? In seven short weeks their plans were formulated, acted upon and then they came to pass. Our caller Susan Elaine and her mother Betty Lee traveled close to 3000 miles telling everyone about this dance. Their enthusiasm bubbled over - but their dreams never saw more than maybe 300 to 400 dancers attending. These gals landed on Cloud 9 when they received the report that over 1000 dancers had traveled from all over Florida to dance here.

The festivities began when Pete & June Sansom and family arrived at the Hotel, they were given a special guided tour of the Magic Kingdom with Bill & Betty Beattie and family.

On Saturday morning a huge bus load of square dancers arrived from the Miami area. The majority of these are members of Pete's club. Shortly after this group was escorted to the monorail for their ride to the Magic Kingdom. Dancers continued to arrive all day.

The big dance got under way at 7 PM with Bill Beattie calling the

A while later Susan called a tip Zip A Dee Do Da with even a blue bird on her shoulder. At the end of her number she introduced Mickey Mouse and Minnie. Within a few minutes a grand march was under way.

The Sunshine Sqs. of Orlando put on a fantastic performance of logging.

A big stuffed Mickey, Pluto & Winnie the Pooh were given as door prizes. Also a Mickey Mouse watch and a LP record of Disney Music. The top door prize was a \$125 movie camera projector & film was won by a couple from Indiana, a couple from Cal. received the Mickey trophy for representing their club from the farrest distance. **MID-FLORIDA SQUARES** Here we are with the summer season almost over and our snowbirds are beginning to come back from their northern home towns. Yes we are glad to see them come back to good old Mid-Florida Lake Village and there is no question about all of them being glad to return here to their winter residences. We were indeed fortunate to be able to keep a full schedule of dancing without any interruption, during the summer months. Especially during July, when when our caller Bill Ford and his lovely Elva was on a five week vacation. We managed to uphold our regular dances, as well as workshop and practice. While at times it seemed a bit discouraging, we managed to keep two separate groups of beginner pre-classes going, who attended and still coming to their weekly dance instructions. All of them are look-forward to Oct. 20th. No, this is not a graduation for them but, strange as it may seem, this will be our regular official beginner classes start and all of our pre-class members will join with the others for a 24 week course of instruction. As has been advertised, the cost per couple is \$2.00 per week, which includes weekly instruction by our caller and teacher Bill Ford, and beside the regular 3 hour instruction night, there will be a 2½ hour practice time each week at no extra charge. We feel that this procedure of conducting beginner classes, while it may work a little hard-ship on some of the members, it is indeed worthwhile. It eliminates many dropouts since the extra practice all so helps our caller-teacher, as he is able to go past the 75 basics and teach at least some of the popular figures, which

**WHIRL & TWIRL** of Orlando had a very busy summer with good attendance despite many members being away on vacation.

One of the more successful events was the Saturday Night Frolic of Sept. 23. Approximately twelve squares enjoyed a night of square and ballroom dancing. We are looking forward to another dance of this type soon.

Two big events that the club is looking forward to are the New Year's Eve Dance and the Square Dance Cruise.

The New Years Eve Dance will be held in Winter Park with Danny Robinson calling and the Cruise will be in March with Danny doing the calling.

A new group of tenderfoot dancers joined our club recently when three squares graduated from the summer class. Even though this was a smaller class than usual, they lacked nothing in their enthusiasm for dancing.

A new class is scheduled to begin Oct. 17 and expectations are high that it will be one of our largest classes. I guess the word is getting around concerning how much fun square dancers have.

**MIAMI BEACH OCEAN WAVES** Well our 10th Annual Extravaganza at the Playboy Plaza is now history. Over 500 Florida dancers will attest to the fact that this mighty Mini-Festival set a new standard for pure dancing pleasure.

Certainly Frank Bedell, Jack Lasry & Bill & Betty Beattie were never better; the workshops, dance and hot hash sessions in the handsome American ballroom overlooking the blue Atlantic made it an adventure in square dance fun.

The Grand March on Saturday night was a sight to behold, led by Miami Beach Mayor Chuck Hall, obviously most impressed by his view of 500 happy people fresh from his experiences with various non-delegate groups at the political conventions for which his city played host.

To club president Manny Lorber, his wife Esther and to the Extravaganza Manager Dr Arthur Shapiro and Judy, and their staffs go the credits for a great function perhaps the largest club dance in the South.

The Ocean Waves regret some convention-caused rooming problems beyond cont'd next col.

their control; they appreciate everyone's patience, we foresee no such problems next year, for which function the date is all set. They also particularly appreciate the great turnout by Ft Lauderdale's Orange Blossom Sqs. who came down 28 couples strong, attired in their beautiful new club attire - a great sight.

We at Jekyll Is. Jamboree know what Rod Blaylock is doing, do you?

**ROADRUNNERS** of West Palm Bch Things are quiet while we await the return of our snowbirds expected back soon. Welcome to the new members Freida & Jack Brokstein and Doty & George Willis. Most members of the club danced an exhibition at St Luke's Church for the benefit of the younger parishoners there. It is hoped that some of the younger set will be attracted to square dancing now that they have been exposed to it. George Willis put the club thru the paces so that they could earn an Uncle Zeke Badge! Good to see Fran Schroeder back in circulation again. The Club celebrated Ernie Bass' birthday in grand style; Helen & Ernie furnished the goodies; including ice cream sundies. Condolences to Alice McCabe on the loss of her mother. Ernie's new singing call We're Gonna Raise the Roofus Tonight always gets the joint jumping. The Tenczars, Jim Besses and the Stockfeders journeyed to Disney World to dance at the first Wonderful World of Square Dancing jamboree, over 1000 dancers attended and a merry time was had. We are looking forward to a week-end of dancing and fun in Miami Beach over the Labor Day weekend. In Sept. the dance will be in the form of a Pirates Ball so shape up or ship out.

**KEY KICKERS** During the week of July 30 through August 5, nine of our couples went to Rainbow Lodge near Brevard, N.C. We were by far the largest group from one club there. The callers for that week were Ken Anderson and Dan Dedo, both of whom were excellent. The program called for two hours of workshop in the morning with dancing in the evening. Round dance instruction was available to those in the afternoon who wished it; if you did not care to dance the time was your own. Everyone who went had a good time. Proof of that being that being that most of us while there made a reservation for next year.

Even though our own dance hall is not air conditioned attendance has held remarkably well during the summer. Our neighboring club, the Nautical Wheelers, paid us a friendly visit one night and with our caller, Henry Purcell, sharing the mike with Jack Stevens, from theirs, all the dancers had a splendid time.

Our new fall class for beginners starts Friday Sept. 15. We are hoping for another enthusiastic group of people who want to enter the wonderful world of sq. dancing.

**WUNNERFUL WEDNESDAY WORKSHOP** Dance with fabulous Frank Bedell is going great guns with dancers laughing and smiling as Frank Wheels & Deals through the latest figures. This workshop is not all work and no play. Everyone cuts loose with Frank's famous singing calls. Come out and enjoy! If you, you'll like it! Currently we are working on the following figures, triple trade, mix the deal, trade the wave, and many others.

Effective November the Workshop is being changed to Invitation Only so the level may be maintained

**JACK HARRIS**

Jack Harris was born in Tolono, Illinois one of five children. He attended local schools and graduated in 1967.

At an early age Jack showed an interest in music and learned to play the guitar. He played the electric bass and sang with a local band for four years.

After four years in the Navy Jack moved to St Petersburg where he met and married his wife Maureen.

At the insistence of Maureen and her parents Jack was persuaded to attend a square dance class which was being taught by Tom Bush in St Pete. After his first lesson Jack was interested not only becoming a square dancer, but in the possibility of becoming a caller. With Tom's help he practiced several singing calls and then applied himself to the serious business of studying calling. In June of 1969 Jack graduated as a dancer. From then on he and Maureen traveled with Tom whenever possible to study his type of calling. They also went to as many other dances as they could to observe other callers at work. Then he would go home and analyze what he had seen that night, and practice it himself. In October of that year Jack called his first dance for the Spinning Wheels in Tampa. Since that time he has called all over the state from Key West to Camp O'Leno.

Jack devoted many hours to calling exhibition dancing at local nursing homes, children's hospitals, veteran hospitals and for church groups. For the past several years he has been one of the callers performing at the Fla. State Fair. Jack believes exhibitions are good for square dancing, as they interest people in wanting to learn to dance, and for non-dancers they provide great enjoyment by watching.

Jack started his first class in fall of 1969 and in the winter of '70 started a second class. His second class led to the forming of the Stompin' Stump Jumpers a teen club in St Petersburg with over 50 members.

Jack is club caller for the Bay Area Twirlers of Tampa, and is well known to the Kriss Kross Squares of Ft Myers and Left Allemanders of St Petersburg. In addition to these clubs he calls for many of the area clubs and teaches two classes a year.

**Jack Harris cont'd**

He is a member of the Fla. Callers Assn past Vice Pres. of the local chapter of the National Square Dance Campers, and an active supporter of the West Coast Assn.

Jack & Maureen are very active in their church, they both teach Sunday School and sing in the choir.

Jack & Maureen have three children Kevin, 11 who is an active square dancer Denise, 6 and a new baby Bryan Kyle.

Presently they are in the process of the planning of his first tour into the New England states in the summer of '73.

Jack has many ambitions yet to be fulfilled in connection with square dancing. He hopes to encourage more teen agers and young marrieds to take up this hobby. Also wants to help new callers enter the field. He is looking forward to becoming a full time caller and teacher. He enjoys the work and the fine friendships he and Maureen have made due to their square dance life.

**LEFT ALLAMANDERS**, St. Petersburg-October starts a new year for us as our anniversary dance is just a memory and we are a year older. New officers are being chosen and a new schedule of dances for the coming year is now before us. The summer and vacations are now behind us, and we look forward to renewing old acquaintances and meeting new friends.

We have had a nice response from those who have visited us at our new Hall, St. Sava's Aud. across from Gateway Mall, in St Petersburg. Check our dance schedule and if you find yourself free on the night of one of our dances, think about dancing with us. We're quite sure that you will be glad you did.

A real friend never gets in your way--unless you happen to be on your way down.

If they keep widening the freeways, it may solve our farm surplus problem.

Moderr fashions all look like they were costume made.

There are more than 5,000 racetracks in the country, not counting the expressways.

Some people are like blisters, they show up when the work is done.

The trouble with good advice is that it usually interferes with our plans.

If there wasn't any weather, a heck of a lot of conversations would never get started.

People can be divided into three groups: Those who make things happen, those who watch things happen, and those who wonder what happened.

-----  
Remember the good old days when baseball players and other athletes showered at home instead of on television.

A man went into a cafe, picked up the menu, and noticed an item that said, "Bean soup, two hundred and thirty nine beans, hand counted." He asked the waiter why, and the waiter said, "because if we put in one more bean, it would be two forty."

A mother was scolding her little son. "You're a naughty little boy. You are a very bad boy. I think it's cruel of you to fight with your little brother," and of all the mean ugly things to do, you kicked him in the stomach." The little boy said, "It wasn't my fault, he turned around."

A bridegroom brought home some sausages and asked his new bride to cook them for his breakfast. "How'll I cook them?" she asked.. "Fry them like fish," he said. The next morning when the bride served them, she remarked, "I hope you enjoy your breakfast, dear, but there's not much in these things when they're cleaned out."

### EXPERIMENTAL IDEAS

Before I get into the figures I would like to comment that both ideas are good dancing movements and flow but either can be called directionally without loss of momentum or existing terms already handle the basic situation and can be adapted to cover the desired positions. Give these a look and see if you can get some good ideas from them if you feel that we already have too many calls that can be handled directionally already, so when new names are given at least give us a new concept with it....

#### Box Turn Box - Johnnie Roth

Facing couples box the gnat, the two free inside hands are used for a left turn thru, then another box the gnat...The idea dances nicely but you can call Box the Gnat-Boys left turn thru-Box the Gnat and go on...Chances are if you can call Box Turn Box you will follow up with the directional call anyway...The idea is really very good dancing and it equals a right & left thru and two ladies chain...Flutter wheel does the same thing so you can easily call flutter wheel then Box Turn Box and have a zero...

A few examples using the term but you can adapt to directional calling...

1P-2P Box Turn Box-right & left thru  
flutter wheel-crosstrail-left alle.

Box 1-4 Box Turn Box-right & left thru  
flutter wheel-dive thru  
square thru 3/4-left alle.

1P-2P Rollaway half sashay  
Box Turn Box-(girls left turn thru)  
swing thru-crosstrail-left alle.

#### Zoom (and many variations) Gus Green

Gus has quite a family of Zooms in the 7 pages of information he sent. As he indicated most of it will be of interest to the challenge callers but again I say what we have basically is quite danceable but can be directional. A Zoom is the lead dancers or those directed to roll back behind the trailing dancers and take their exact position, a full 360 degree turn the same as the lead dancers did in Boomerang. The term rollback means the same thing and has been around a while. Gus goes on to apply some nice ideas by having the couple who Zoom add 1/4 more to flow and calls it a Zoomroll. One last bit is the Trailing dancers must move up into the vacated position of the Zooming dancer and can be given a second command such as in clover and anything. You can call Zoom & Partner Trade (a boomerang) or Zoom & Partner Tag...Gus goes on with a lot of complicated ideas but the flow is there and perhaps the term Zoom will catch on as long as you don't get too deep it could be a sleeper due to the directional possibilities and with lots of variation...

A Cross Zoom has the lead dancers cross paths (partner trade) in their movement to cross rollback behind the trailing two...

#### Dancing the Zoom

1P-2P Pass thru-wheel & deal  
double pass thru-Zoom  
centers in cast off 3/4  
star thru-centers swing thru-turn thru  
left alle.

1P-2P Pass thru-wheel & deal  
double pass thru- Zoom and partner trade  
swing thru-boys run-bend the line  
crosstrail-left alle.

You can substitute roll back for Zoom but the catchy title Zoom appeal for a while...  
Would appreciate your comments

**CLOVERLEAF SQUARES** of Clearwater October, the approach of the regular dance season, is here and we extend greetings to all Square and Round dancers. Our first club dance session commences in Oct. with pre-dance rounds at 7 PM followed by square dancing with a rd. between squares. Our caller, Cliff Hendricks, who has been the 1972 President of the Florida Callers Assn. has oiled up his pipes and is ready for a long season ahead and we want to all join in and get the season rolling. We want to welcome all club members, as well as previous members, to join in our activities and we promise a nite of excellent dancing, pleasant surroundings and good fellowship. A trend towards greater interest in S/R Dancing is evidenced by the constant attendance to the dances and our club, as well as the Friendship Club and the Suncoast Cardinal Club (our sister organizations) bears evidence of these facts. Cliff is starting a new class for square dancing on Saturday Oct. 14th from 12 noon to 2 PM and for those interested in this ever popular past time we urge your attendance to become involved and learn the basic steps. This is followed by a half hour of round dancing and at 2:30 intermediate square dancing.

It certainly proved another successful Knothead Konvention in Clearwater with the Procters on the Rounds and Dave Taylor & Bob Paige on the Squares, we all came out way ahead of the cost of the admission and were glad to be a participant in this most colorful event. There never was a dull moment during this Labor Day Weekend. A big salute to the officers of the Knotheads and Clearwater is very proud of this unique Konvention.

Mimi & Tom Olson

**The STARLIGHT PROMENADERS** have had a busy month. We traveled to dance with South Orlando Squares and stole their banner. Was so surprised to see them return the next week to grab it back. Then we roamed over to Titusville to retrieve our banner from them. It is really nice to visit and dance with other clubs and to return the hospitality to them. We are now looking forward to the Central Fla. Assn. dance here on Sept. 30th. Y'all come! Plans are being made for a new class beginning Oct. 4th with John Saunders leading the way to a new bunch of left allemanders. If you know someone in this area who wants to learn, point them in our direction. Classes will be every Wednesday night before the regular dance. We want to welcome new members Bill & Barbara Fitch and Ray & Myrtice Cooper.

Jean Witt
