**BUTTONS & BOWS** of Lakeland - Sorry we had to make a hurried trip to Pennsylvania missed out on some delightful calling of Ken Cuore and James Maxey. We also missed the state convention while away, we did attend several dances there and danced to Johnny LeClaire and Dick Jones and several of the local callers. We also went to the 14th Annual Cannonaders Roundup in Gettysburg, Penna.

We arrived home in time to make our 21st Anniversary Dinner and Dance. We had pleasure of listening to Mel & Cora Bell Clark tell about the early dances and problems. They have been retired for one year, having been our caller for 18 years. We danced to the always enchanting calling of Bob Bennett of Valdosta, Ga. We gave away several door prizes and had a most enjoyable evening. Our callers for August will be Gordon Lentz and Fred Christopher. Vance & Miriam Bateman

**CROSSTRAILERS** of Deerfield Beach have recently graduated a new class of dancers who were enthused with the teaching and calling of Pete Sansom. Most of the new class graduates accompanied Pete to Naples week-end and those who have joined our club are enthusiastic about visiting other clubs and getting some of our outstanding banners back and bringing in some of theirs. Fluss Banks is the new Captain of this Traveling Squad and he and his wife Nina and many club members are now active in club visitations. Our recently elected officers are as follows: Pres.-George Spencer, V.P.-Fred Neuman, Sec.-Pauline Barrell, & Treas.-Betty Sharpe. Our guest callers are shown in our ad, so we hope you will check it and come on out and dance with us whenever you get a chance. Early rounds with Wally & Helen Jacobs start at 7:30, so we hope you will be dancing with you soon. George Spencer

**DIXIE TWIRLERS** are still receiving compliments on the dance exhibition presented at the State Convention. Johnny and the dancers are already making plans for the Orlando convention in '74.

We are very proud to welcome into the club as members, Glen & Sharon Carpenter, Bob & Pilar Thornton, Ted & Nancy Bridges, Wen & Rae Rohlf, Sheldon & Linda Winick, Sandra Geisenberg, Denny Zelman and Bill Youmans. They are busy getting their club costumes made, and plans are for the Twirlers to attend the August 12th assoc. dance at Andre's Hall.

The weekend Warrior camp out dance has come and gone and with amny asking for another. Plans are underway for October.

It is always hard to lose members, but when you have to say good bye to special people it's worse. John & Lucille Kelly have moved to Lake Placid. John has retired and they will live in a beautiful mobile home estates. We had a farewell dance for them on June 21, and the club presented a trophy for remembrance. Bill & Evelyn Kunde hosted a special dance for the Kelley's on Fri night. Johnny Walter called and many old friends joined in the festivities on the 28th. We dedicated that dance to Frank & Margaret Colboch who will be living in Eustis. They have been members for 13 years and many of the old members were there to wish them good luck in their new home. A plaque was presented to commemorate their membership. We will look forward to visits from the Kelleys and Colbachs when they are in our area.

Happy birthdays were sung to Howard Koepka, Mike Barlean, Mark Narin, Mary Lazarus, Bob Thornton, and Ellen Sibole. Don't know how it happened but we don't have any June brides.

Receiving their garters this month were Glen Carpenter, Jules Goller and Bill Youmans.

Many of our Twirlers are taking vacations, have fun, but hurry home we miss you.

**BJTTONS AND BOWS**, Englewood has its first dance of the year in October with Sam Allison calling and Wayne Russell on the rounds. Our club meets in October to April. Our callers are Fred Christopher, Sam Allison, George Jabbusch and Art Springer alternately each week.

## ART SPRINGER

President of the FCA

I would like to remind everyone to mark their calendars for the Fall Clinic in October, third weekend that is. Were having Bill Peters from California this should be a worthwhile clinic. From all indications it will be held in the Orlando area. In traveling throughout the state I'm still receiving comments on the outstanding and well organized convention that was held in Tampa. This is a direct reflection on the amount of work put forth by the various committees in achieving their goals.

**PRESIDENT'S CORNER** On June 17th I was honored to attend a banquet held during the first Callers College sponsored by the F.C.A. A total of 22 eager callers, some experienced and some were beginners, were in attendance. The whole curriculum was geared to use all the time available for instructions, coaching and even individual help where needed. In talking with more than half of the attending class, they all expressed great satisfaction in attending this college. They all indicated they received much more help and professional instructions than they had anticipated. They expressed their feeling of hope that this college would be a continuing project of the F.C.A. I feel they way too. I think this can be one of the greatest tools in helping our fellow Square Dance callers and bettering the Square Dance picture. In behalf of the attending class and the F.C.A. I would like to extend our congratulations to Jack Lasry and Danny Robinson for the fine professional manner this college was organized and conducted. Now

**PISTOLS AND PETTICOATS** of Pompano Beach had a super ball at the convention in Tampa. It is every club that dances on the bridge over Tampa River at 2:30 am! Believe it or not, two full squares, and our caller Chuck Leamon with his darling wife trekked out on the bridge and danced before the sleep-eyed bridge keeper. Six couples followed this up, by hi-jacking an elevator in the hotel, taking it to the basement and danced in it while Chuck called. And the hotel was accusing the kids of playing in the elevators! Oh well, our newer members earned a lot of unusual badges on that trip.

Chuck has been teaching us the Grand Colonel Spin and we are pleased that we can do it without a hitch. We also learned Peel the Top which is a new movement. Although our membership is not large, we have some really good level dancers, and each month we experiment with some of the newer movements, before the regular dance.

Chuck had planned a trip for the club over to Naples the end of June, so that we can earn our Knothead badges. We will dance as guests of the Sunshine Shufflers, and I know we will have a great time. All the members who have not left for the summer vacations are looking forward to this event.

Sharon & John Hope have been doing a wonderful job of teaching us the fundamentals of round dancing before our regular club dance. They also cue the rounds for those members that already round dance, and it makes for an interesting evening for all of us. They are a swell addition to the club.

We now have almost a full square of high-level teenage dancers with Chuck & Carol's three children, and Harold & Jeanine Riley's three teens. They danced with us once this month and did a really great job. We are hoping to fill out the kid's square when the Wednesday night class graduates.

From all of us to all of you "Keep the smiles in square dancing!" Jeanine Riley  
**ROADRUNNERS** of West Palm Beach - The girls are still struggling with new club dresses and the way things are going I will have to advance the target date from next Easter to next Christmas (1974). New club members welcomed are Archie & Zoe Juris. Surprise visitors to our dances are popular caller Ralph Otis and his lovely wife, Lucille. With the State Convention behind us, we are now looking forward to attending the Shin-Dig in July. Most interesting of the new calls by Emie Bass was "push open the gate" and "step, spin and clover". Wally Jacobs EZ Round of the month taught was Abilene.

**WAGON WHEELS** St Cloud There has just got to be something special about our banner (traveling) or maybe it's the pants (bloomers) that we use for an extra. Anyway in June our banners were moving so fast that our stealing group only had time for retrieving and did not have time to steal a single new banner during the entire month. We like it just as well one way as the other tho' just so we have plenty of visitors and have the opportunity for our people to visit around.

Frank Potter, one of our charter members suffered a heart attack early this month. His many friends over Central Florida will be happy to learn that he doing fine tho it will be a month or so before he will be dancing again. The club is missing you Frank so hurry back.

On June 1st the club held a Krogulski appreciation night for Lane & Paula. Chairmen for this affair were new members Roger & Sue Hendrin who did a superb job. It was a surprise for the Krogulskies who seemed to have a good time along with the club and a number of out of town visitors who had heard of the affair.

Congratulations to two of our single club members who were married during June. Robert Mottesheard and Rachel Butler so it will now be just plain B& Rachel - We wish them many good years together.

Thanks are in order to Jim & Peggy Smith who now joined our past Presidents list & to the officers who helped them direct the club for the past six months. they completed their term this month. Sorry we cannot announce our new president just now since we have just elected our new board of directors who will take over July 1st and they will elect a president from among the group of directors. We will announce the name in our next newsletter.

Please count yourself among our honored visitors during July and trat yourself to a night of fun dancing to the singing calls of the one and only Bill Shell our regular caller.  
Ralph & Stasia Foster

**NAUTICAL WHEELERS** Key West - June was a happy month for the club, with the addition of our soon-to-be graduate students to the squares. One June 15 we had a pot-luck supper featuring every ladies speciality, and our caller Jack Stevens presented an interesting evening of patter and singing calls to the five squares on the floor. Bob Taggart, Leo De Rosier and Chris Bethel were presented with their Caller's Haulers badges. It has been good to have Ken & Lillie Waycaster back dance with us. Square dancing is such good therapy that Lillie's doctor recommended it to help strengthen her feet after her recent foot surgery. On June 9th, we joined with the Marathon Key Hoppers in dancing to Frank Bedell at the brand new Outdoor Resorts of America, Inc. recreation hall, on Long Key. We are happy to report that the Key Hoppers brought their banner back to Key West to redeem not only their I.O.U., but their genial president Walter Shone's trousers! Our students are scheduled to graduate on July 14, and we are already hoping to take a large group up to the Knothead Konvention. We plan to continue our club dances even during the summer, with informal dress being appropriate until Oct. Visiting dancers and spectators are always welcome. Eileen M. Nolte

**ROUNDLEERS** Round dance club of Jacksonville - Have you ever given any thought to what your club would do if faced with the fact that your caller or instructor was going to resign. Up to a few months ago this type of thinking didn't cross too many dancers minds but then, a couple of the local square dance clubs were faced with this situation. Now we find we are in the same fix! Helen Ruis, our instructor, reluctantly, handed in her resignation effective June 13th. It seems her and husband Buzz were offered a position at Fontana, N.C. which they could not turn down. So it really happened, we are a club without an instructor. One of our members has made a sound system and his collection of all current and classic records available to the club, so while we decide what will be next this is the way we will go. So you can see we fully intend to carry on. Certainly we are going to miss Helen Greatly, but we are not going to roll over and play dead. We believe that we have lost one of the top round dance instructors in the nation, and in tribute to what she has imparted to the club, we feel we can and will carry on in a manner that will make her proud of us anytime she walks into our dance.

Roundleers held a goodbye/good luck shipmate dinner/dance for Helen on June 13th, and thanks to the participation of the Rhythaires, the evening was an outstanding success. Len Kaufman

**LAKELAND ROUNDETTES** It doesn't pay to go away because we missed so many dances taught by Byrdie & Marty Martin. We left early May and they taught Tenny Waltz, Call Me Lonesome, My Abilene, Sweet & Sassy, Goodnight Dreamer. They also taught Bill & Pat Bliss's latest dance Love is a Beautiful Song. This was also taught to the intermediate class as well as Green Mask Tango.

Byrdie & Marty also taught Love is a Beautiful Song at the National Convention and they were well received, so if you notice a certain lilt in our dancing, it is just that we are so proud of our Teachers and friends. Vance & Miriam Bateman

**MODERNAIRES** of Ft Lauderdale will have a new caller in September. Tom Bean having moved out of the area to a new business opportunity asked to be relieved of his duties. Tom was a former member of our club and replaced Jim Baker as caller a year ago. Our members and many of our faithful guests will miss his clear and melodious voice, as well as his vivacious law Earlene. Don't miss our turn over dance in Sept at which Tom will turn over the mike to our new caller Chuck Leamon, another young and very popular caller.

Summertime is when we think of picnics, so the Modernaires had a family picnic in June at Holiday Park. Games, sports and dancing were enjoyed by all. We also learned of their ability to eat as well as dance.

The first dance of each month we invite another club to be our guests. The Sun Squares of Deerfield were our July guests.

We are happy to welcome as members Dick & Pat Calhoun of Plantation. J. Wilkenson

**PROMENADERS** of Lake Worth - Leading off our guest callers for June was Bobby Andrews of Homestead, who is really back in stride after a long hitch in the armed services. He kept us moving with interesting and novel combinations of calls, including one called "follow your neighbor". Our next caller was the ever popular Ralph Otis who also presided over Knothead rites for four squares of visitors from the Merritt Island Merri-Twirlers. Their caller Ernie Anderson called a great tip and also participated, along with Len Greenwood, Vern Stark and Bill Andrews with a skit entitled Telephone Service. There were some other skits and games and a fun-time was had by all. The following week's dance was enlivened by caller Jack Hoskens and a group from his Sailfish Squares, who helped inaugurate our new quarters graciously furnished by St Luke's Catholic Church of Lake Worth. To say that the Good Lord was instrumental in helping us obtain their social hall would be the understatement of the year. Our 23rd Ernie Bass called his usual competent dance in his well-known smooth manner. The month's dances closed out with Johnny Walter making his debut at our club to a packed house. He introduced us to Peel the Top and interesting variations of Switcheroo. It appeared that Johnny enjoyed calling as much as we enjoyed the dancing and you can be sure that we will see a lot of Johnny in the future. New officers elected were Jim Burns as President and Luke Dolezal as Treasurer.  
Harry Stockfeder

**ALLEMANDERS** of Satellite Beach are enjoying the summer schedule of having a regular dance every other week to give us more time for summer activities. Ten couples of our members took advantage of the off-dance night of June 23rd to have a camp-out in Rockledge. Much fun and fellowship was had, along with wet weather. On July 21st, another night with no scheduled dance, we have a Knothead trip planned to Lake Worth.

Our new class will be starting on September 20th, and will be held at Satellite Beach Civic Center every Thursday from 8-10:30 pm, with Cofin Walton as instructor. Be sure to get your non-dancing friends to join the class so they can have as much fun as you do. We'll need square angels, too!

We've had lots of nice visitors lately and appreciate everyone of them. Come and dance with us again soon.  
Bud & Micki Baader

**BAY AREA TWIRLERS** Greetings and Happy Dancing - Nine couples traveled 140 miles to visit us on June 9th from Harbor City Squares in Melbourne to become full fledged Knotheads. What fun! Our club is always willing to give Knothead initiations, so if your club is interested, drop us a line - 6026 West Jean St, Tampa, Fla 33614. We held our business meeting coupled with a picnic at Phillippi Park, anyone leaving hungry, well.... We have as new members Roxanna & Roger Dubrulle and look forward to squaring up with them. If you missed our luau on June 23rd., you missed a colorful fun filled evening. Even the table of food was abeauty! Our club has also started a history and scrap book about the Twirlers. Anyone having any information about our club, please forward to Art Fuxon, 3013 Sabal Rd., Tampa 33614. It is hard to obtain information as we have no original members left. See you all at Knothead! Don & Betty Hamilton

Graduates of Bob Cook's recent class

Graduates & Westernaires members at party

**WESTERNAIRES** of Miami's rejuvenation program is apparently working. Our newest badge holder, Debbie Potts, brings youth, attractiveness and competent dancing to the club. Her enthusiasm convinced her mother and father to attend and graduate from Bob Cook's recent class.

Speaking of graduation, we gave the royal treatment to Bob's latest graduating class of new square dancers. Certificates were presented to 34 of the 37 graduates and a special honorary award was given to Mrs Emma Beyer, grandmother of Debbie Potts, and mother of Delores & Bus Potts, new graduates. Mrs Beyer sat through all of the classes and earned the tribute so thoughtfully provided by Bob & Marilyn Cook.

With the enthusiastic support of the class and club more than 40 couples traveled with Bob to the Golden Gate Inn on June 30th for a Knothead weekend. Many of this same group and a great many of friends will be together in Clearwater for the Knothead Convention.

Shake out your grass skirts, resurrect your leis and use your ingenuity to look Polynesian for our annual Luau in August. Keep your hands clean; we may serve two ringer poi again. This promises to be a lulu of a Luau.

There are no college dropouts in the Westernaires. Our own George Roberts attended the Florida Callers College in Orlando and, as he tells it, it was a work session from morning till night. But, on the other hand, when he and Charlie Selle (Palm Swinger member who also attended) talk about their experiences in the kindergarten class there must have been some fun in conjunction with the work. Joe DiNatale was an upper classman in this college since he is an experienced caller. Taws Ginny, Rene and Theresa went along to lend moral support to the boys.

Mae & Richard Bennett are back on the disabled list after their most recent accident. We would like to wish them both a complete return to good health and square dancing. Misfortune doesn't seem to dampen their spirits; they haven't lost their cheerfulness yet.

Bert Ashcroft.

**MESSAGE FROM WARREN** We sure had a wonderful State Convention, didn't we? Helen & I gave a champagne party after the Saturday night dance with better than 300 dancers and callers stopping by.

The Florida Federation of Square Dancers next meeting will be at Knothead Konvention in Clearwater, Labor Day weekend.

There is a special committee consisting of delegates from the Federation of Square Dancers, callers from the Callers Assn. and round dance instructors from the Fla. Council R/D. This committee's function is to bring a new format to our State Convention. There plans are told in the Open Letter to the Dancers in this magazine.

Warren & Helen Hyland Please take notice and plan to co-operate with what they ask of you. A working committee of this type, I am sure, has nothing but good to come of it. See you all at Knothead.

Warren & Helen

21st ANNUAL FLORIDA STATE S/R DANCE CONVENTION COMMITTEE would like to know how many trailer, motor homes and camper owners would like to stay together at the same trailer park. We must have 100 to 150 trailers to get some good reduced rates. There will be no trailer parking at the convention site. Please contact immediately; Jim Ewer, 312 Turnbull Ave., Altamonte Springs, Fla. 32701.

For '74 convention, if any group or club wishes to be together in the same hotel, on the same floor, please mail all registrations together, stapled together, in one envelope with an attached request to be put on the same floor in adjoining rooms. These registrations must be sent in early, in order to fulfill these requests.

**PAXON PRANCERS** of Jacksonville - Friendliness, co-operation and mutual aid, what a marvelous combination for a community friendship. Other factors play a part of course, but this formula really works. The greatest rewards in Square dancing are the hundreds of friendships one forms. We don't always remember the names, but never forget the smiling faces, and it erases the memories of late hours, long drives and tired mornings.

It seems that no one has more fun than new dancers in the class. They are learning very well and we are proud of them.

Bob Rust, our caller, is getting entirely too popular. He was asked to serve on the staff at Fontana twice this spring. While he was away last time, Oscar Irwin was at our mike and there was some smooth dancing.

Roy Bailey surely likes Fontana. We note he has attended two festivals this spring. It just might be there is some other attraction up there besides square dancing.

Helen Ruis, our loss and Fontana's gain. She has been with us so long we felt she was a permanent fixture. We have enjoyed her round dance instruction and regret to see her go, but wish her and Buzz the best of everything.

We have reports from the picknickers having a wonderful time at Kingsley's beach on Saturday the 9th. There was boating, swimming and of course the usual delicious food which everyone put away. Those who were unable to go really missed a good time.

southern Ill. & Ind. before he became a carpenter.

Ben & Lee and family moved to Florida in 1955 after being without work and none in sight. Now they say they don't know why they waited so long. They settled in a trail park in Largo for nearly four years before they bought their own lot in Dunedin.

Square dancing came back into the picture when their neighbors invited them to go to a class sponsored by Left Allemanders of St Petersburg, where Dewey Barfield of the Coast Guard was teaching. He was a hard taskmaster but a good teacher. After graduation they joined Left Allemanders and tried to contribute to square dancing in the Bay Area. By the calling bug when the club had an amature night. Ben bought some records and started practicing and studying. He got his first opportunity to try teaching when the social director at Goodwill Rehabilitation Center in St Pete was looking for someone to have a dance for the kids and one of the club members knew Ben was interested in getting started. In the 1 1/2 years they worked there they felt they learned more than they taught. In teaching Ben follows the Sets-in-Order teaching manuals and is a nut on styling. Ben has taken a course with Will Orlick and since joining the F.C.A. he hasn't missed a Fall Clinic and attended the Caller's College in Orlando. Ben has taught a class every year for the past three years and really gets a lot of satisfaction from seeing the people whom he helped enjoying themselves at the various dances in the area.

Dancing is his first love so they try to go at least once a week, more if they can, and this year they have been attending round dance classes, teaching a class and Ben is managing a men's soft ball team.

**CRESTHAVEN SQUARES** West Palm Beach accompanied their caller, Tom O'Brien to Kings Point Villas, Delray Beach June 7 to officially open the new recreation center at this beautiful condominium set up. Seventy square dancers from Cresthaven were joined by ten couples of the Early Birds of Boynton Beach with their round dance teachers, Herb & Harriet Gerry. Such a turnout was unbelievable considering the rain storm that hit the vicinity that night. Vilma Troy Recreational Director of Kings Point, welcomed all the dancers and the residents were all acquainted with the fun of square & round dancing. Tom & Inez O'Brien will start teaching square dancing there in October. The Gerys will start their round dance class July 13th.

June 25th was a big night for celebrating, it was Max & Ruth Mandels 36th wedding anniversary as well as Tom's birthday. The O'Briens are leaving for the summer for a trip to New England where Tom will be on the staff at Abnaki Square Dance Camp, Skowbegan, Maine for three weeks. Later Tom & Inez will attend the Brundage, Johnson, Lasry Callers School at Troy, New Hampshire. Ralph Otis will take over for the 10 weeks while Tom is gone. The popular Mandels will continue to cue the rounds at the Monday nite dances as well as teach the latest in easy rounds. New square dance class will start at Cresthaven Tues. Oct 2. The next Jamboree will be in Sept. at Crosley Hall This is a free dance sponsored by the Cresthaven management and all dancers are invited. Free refreshments.

**REPORT FROM THE NATIONALS** Salt Lake City, Utah - The total registration was 17,139 with 199 from Florida; 2,949 from Calif.; 1023 from Colorado; Alaska 23; Arizona 430, this is just a few to give you an idea how it wet. There were dancers from all 50 states plus many foreign countries. There were 23 exhibition groups including the blind retarded, wheel chairs and a group of cloggers from Tenn. that will be on the Dean Martin show this summer. One of the most exciting happenings was the Parade of States on Sat. night, the dancers gathered in front of Temple Square, the streets were blocked off, and they paraded to Salt Palace. (We thank Len & Birdell Levitt for sending in this report to us)

**CENTRAL FLORIDA S/R DANCE ASSOCIATION** Dance on June 30th, despite bad weather conditions, the dance in Eau Gallie had a very good turn out. The rain kept in beat with the music all night long! 17 squares on the floor danced to Bobby Keefe and the round dancers enjoyed the rounds with Stan Jaynes. Pee Wee Stewart, Association President, introduced the officers of the association and the State delegates. Jack Tucker, chairman of the up-coming State Convention in Orlando in '74, gave a general progress report and reminded everyone of the rest of the convention meetings, the next one being July 15 at ben White Raceway in Orlando. Pre-registrations forms are available now, so be sure to get yours now! And lets have more in '74! See you all at the next association dance in Sanford, September 29th. Rita Wilkins

**MIAMI BEACH OCEAN WAVES** look forward to the most successful of all their annual week end festivals - the advance ticket sales for the Extravaganza at the Playboy Plaza in August reflect record interest in the event. The big draw is Frank Bedell, Jack Lasry and Bill & Betty Beattie; add to that a program of a Saturday afternoon workshop with Lasry, Saturday night all-caller wing-ding, Sunday am Beattie Round dance session and Sunday afternoon Bedell Get-Away dance, and you have all the mak-  
in's of what the club feels is America's biggest week-end value. And for those desiring to stay over at the hotel, a special rate has been arranged.

New President Dottie Sheffman has announced her committees for the new '73-'74 yr. and all indications point to a very active schedule ahead for the Ocean Waves.

**LEFT ALLEMANDERS** of St Petersburg Vacation time is cutting into our ranks but the old die hards say "Its never too hot to square dance!" Jack (tambourine man) Harris really gave us something to dance to, and his lovely, lively young Stompers added good vibes to the group. Jim Taylor's new dancers came out to dance with us and they did real good. Skeeter Chauvin called for us last Friday. The club meeting was held at the Maxfields (by the way last month we mentioned Mike's graduation but we neglected to say, "with honors"). In response to the interest of our guests, we decided to have rounds 2nd and 3rd Fridays for all you Rounders. We also decided not to have a dance the third Friday in October in support of the Callers Meeting & Dance which promises to be a good one, we'll remind you later. And since we are going to celebrate our anniversary soon we began making plans for our anniversary dance which will be scheduled in September, we'll remind you about that too! We're happy to note that our good friends Ken & Mae Ford and Richard & Ellen OBerry will be wearing Left Allemanders badges. Our Bountiful ladies during the month were Liz Kirkman and Martha Floro. Al substituted for Martha when she was sick (He's good with cookies) The jaunting Johnsons went to National Convention in Salt Lake City and reported it was great. We had a fun evening with our friends in Tampa, the Bay Area Twirlers. Come dance with us. Anne & Ed Ellis

**RHYTHMAIRES** are enjoying a summer of great callers and great guests. Ted Anderson recently attended Caller's College in Orlando and has come back with a lot of new ideas. Ted will teach a beginners square dance class for us starting Sept. 14th. It will be at our hall before the dance from 7:00 to 8:30 pm, our dance time will then change to 8:30 to 11:00 pm. We will have the same lineup of guest callers as always.

Dona & Les Wakefield will be missed at our club, Les has been transferred temporarily to Cleveland, they promise to be back in October.

Jezen & Wayne Shallenberger had a great barbeque for all the members. They wanted to break their new gas barbeque grill in proper fashion. With our gang and their appetities, it was no problem.

It was nice to have the Sun Squares recently as guests. John & Dawn Sherley are former members and we are always sorry we can't dance with them more often.

Please check our ad and bring some friends to Ted's class. Lucy Greenwood

**MID FLORIDA LAKES** In spite of Bill Lund trying to keep her tied down, his wife Trudy is up and about and ready to "square up" after leg surgery. Ann Fox also in excellent post-operative condition is twirling his Mimi with his usual vim and vigor. We also hope to have Myrtle Bischoff rejoin us in the fall after her nice long rest.

This being the seasons for farewells, we say "Godspeed" to our Georgia boy, Wade Driver who has been our caller on Friday night workshops, We've enjoyed him and will welcome him back in the windup of our Five Star Special the end of July. Bill Ford & Elva will be accentuating that positive tan at their Ranch for the month of July.

Bill Lund has started another class of his popular Gals & Pals, single gals only. C'mon, you men, get a square going. More fun and exercise than fishing. Bill will be playing his singing calls tapes on our July workshops.

Our Five Star Special will have as callers, Danny Robinson, John Saunders, Jim Deters and Wade Driver. Sorry to report that Oscar Erwin won't be making up the fifth point on the star due to illness. We wish him well.

Can you believe Jim & Isabelle Connolly needing special instruction in "Yellow Rock"?  
Betty Fern

**TAVARES SQUARES** Things have been happening lately to us folks here in Tavares. First our new slate of officers. Ralph & Edith as Pres. Les & Eleanor as V.P. John & Ginny as Sec. Rosco & Gen as Treas. Good luck to them.

Second, we are proud to announce, we now have round dancing regularly. Our new instructors, John & Ginny Iannone, along with their assistants Vinnie & Mary Ferriero, keep things rolling. They try to make the rounds interesting by cueing some of the latest easy rounds and some of the oldies too. They challenge everyone in the area to come out and learn. Round dancing too can be fun.

John & Ginny Iannone are planning a class of round dancing basics in November. Last but not least. We have finally decided to move! For some time we have been needing a larger hall. We have been squeezed in, at times, stepping all over each other's heels. The move will be to Eustis Community Center. A large hall, in pleasant surroundings and right on Lake Eustis. We hope to attract a lot of visitors.

With the return of our snow birds, our new graduation class the large camp grounds in Eustis, our many friends, neighboring dance clubs, other visitors, and of course our regular members, we expect to fill our new hall to capacity and have a Jolly Good time. So come on out!

Our best wishes for a speedy recovery to Roy Page, who is recovering from a serious illness in Florida Hospital in Winter Park. John & Ginny Iannone

**AN OPEN LETTER TO THE DANCERS** For almost a year the Florida Square & Round Dance Coordinating Committee has been conducting regular meetings in their effort to provide the most desirable program for the Annual State Convention. This committee comprises twelve members, four from the Florida Callers Association, four from the Florida Federation of Square Dancers and four from the Round Dance Council of Fla.

From these meetings the following program was developed for an initial trail period of one year:

For the next State Convention, one National Caller and one Florida National Caller will be booked to call the Saturday and Sunday evening programs. They will be available for afternoon clinics for the newer members of the Florida Callers Association. In addition, the Round Dance Council will book a National Round Dance couple for teaching sessions and demonstrations as part of the convention program.

The Trail dance and all daytime programming of square dancing will continue to be the responsibility of the Florida Callers Association and the Round Dance Council will handle their arrangements as previously done.

The State Area Hosting Committee will submit a short list of preferred callers - National & FCA to the Coordinating Committee, from which a final choice will be made.

In the fall, on the third weekend in October, Area Associations have been asked to schedule big area dances using out of state callers. Clubs would be asked to cancel, where possible, their weekend dances and attend the Area Jamborees, in order to release all club callers to attend the annual educational seminar of the Florida Callers Association. Proceeds from the Jamborees would be placed in a special account to be used to defray the expenses of callers attending the educational seminar.

As the new format for the State Convention will increase costs the price of the Convention ticket will need to be raised accordingly. The associations represented on the Coordinating Committee agreed to accept this proposal for a trail period of one year.

**SPINNING WHEELS** of Tampa are having a great summer. Picnicing and swimming at Lithia Springs for their meeting. The club furnished all the chicken.

We are planning to visit the Lakeland Roundetts and get our banner back and we will be wearing our new dresses. Some of our members are away at the Nationals and have a ball. Larry & Donna joined our club and we are glad to have them. You folks that come to our dances ought to think seriously about joining us. Belonging to a club is pure pleasure, and lots of fun. Our next meeting in August the club is taking all members out to a steak dinner and picking up the tab. Now don't miss this one! Way not come and join us dancing at Grant Park with Art Springer and Marty & Byrdie Martin. It is good dancing with lots of good food and friendly people - See you there. B.O'Brien

Merri-Twirlers Graduating class with Square Angels and caller Ernie Anderson

**MERI-TWIRLERS** Cocoa - The end of May signaled the end of lessons for six more couples, as graduation was held and they were accepted into the membership of our club. A pot luck supper started off the evening in the gayly decorated hall. Club member Laurie Bouchard baked and decorated a beautiful and delicious cake for the occasion. The grads received their diplomas and badges and then danced several gimmick dances, conived by caller Ernie Anderson and taw Esther.

A Knothead trip was taken in June, with eleven couples receiving badges. Four other couples accompanied the group to the Promenaders in Lake Worth.

A very popular dance with the club is Amos Moses. It was first introduced to us by George James and his wife, who were visiting from California while George worked on the Pioneer Missile at Cape Kennedy.

We enjoyed all our winter visitors and invite you all to come dance with us.

Janet & Ken McFarlane:

**NEW ERA SQUARES** of Clearwater Beach were in a festive mood this past Thursday as we all celebrated the 32nd wedding anniversary of the Christophers, Fred & Hazel, better known to all the square dancers as Cris & Butch. There were nine plus squares in attendance which included two squares from Lexington, Kentucky all dressed in matching outfits and would you believe the name of their club is the Kentucky Colonels, all excellent dancers and they brought with them their twelve year old caller who did a terrific job of calling Mississippi. Sorry, cannot remember his full name but they called him Mark.

At about nine o'clock we all took a break to feast on cake and sandwiches, Butch baked the cakes and made the sandwiches and you should have seen how beautifully the cakes were decorated and by none other than our own caller Chris. Who says callers have a one track mind.

After partaking of all that good food which was furnished by the Christophers we resumed dancing until 10:30, needless to say a good time was had by all, squares & rounds are called and cued and taught by Butch & Chris, needless to say Chris was at his best as usual, he keeps us right up to date on all the new square dance basics and round dances. All club level dancers are invited to come and dance with us every week at Clearwater Beach, Y'all come, y'hear. Olga Kirshbaum

**KISS-A-MEE SQUARES** We just finished a fine month of squaring up in Kissimmee. Our first monthly dance was called by Bill Shell; our attendance was down, as several of our regulars have gone to their homes in the north; the Frizzells will be dancing in Woodstock, Vt. until they return to their Fla. home in the fall; the Sebeks are up in Penn.; we will also be missing the Steinhoffs as they go back north for a couple of months.

We welcomed back the Starks; these lucky people had the opportunity to visit Germany in May; we missed our treasurers but are glad they had a nice vacation. On the way to Miami; they had an automobile accident, but otherwise they wouldn't have missed this trip for the world!

We had a very good turn-out for our second dance called by Wade Driver, who is a rather new resident in the Orlando area, coming from Ga. We had quite a few visitors and enjoyed a very good evening, altho we were still short on club members. The Somermans were away; also the Keenes and Carnes families are on a long vacation trip to Alaska. The Piquitation Squares showed up to claim a pair of pants; it seems that the Kiss-A-Mee Sqs. had made an unexpected raid on them. Bob & Peggie Copely

**CITRUS CUT-UPS** of Melbourne enjoyed an excellent pot luck dinner on Thursday, June 14. The event was to celebrate the graduation of our caller's (Jim Rice) spring class. There was plenty of food and everyone had a great time. Badges and diplomas were presented to graduates. We had visitors from Harbor City Squares who were there to retrieve their banner which we have had for some time. We also had visitors from the Allemanders ders from Satellite Beach.

Our club will be on vacation June 28 to July 5 but we will be back to dance July 12 and regularly thereafter. Corie and dance with us. Bob & Shirley Parrish

**DIXIE LOOPERS** Holiday This is our debut in Bow & Swing as we are a three months young club, and growing, not only do we dance in a fine, well air conditioned hall we also reap the benefit of the skillful calling of Ken Cuore who brought us from our first left allemande thru to graduation. We are 175 basics plus workshop type of dance. We are happy to welcome guests and visitors being particularly delighted with the Friendship Squares from Clearwater who danced with us June 6th. Our officers are Pres. Harold Adams and wife Edna, Rec. Sec., V.P. Genevieve Thornton and Treas. Theodore Kranz. Yours for happy dancing, Gen Thornton

**TAMIAMI STEPPERS** -Bonita Springs With our Snow-Birds gone, our attendance has dropped to about 14 to 16 couples and our instructors, Lee & Earle Kastner, are taking this opportunity to workshop some of the classics, along with the current favorites. Jun: 17th, our Party Night, we celebrated Father's Day, along with Birthdays and Anniversaries. We have made a tradition of serving Pie & Ice Cream on Father's Day, and this was no exception, with eight pies on hand for about thirty dancers! Minnie Goeldner furnished the lovely table decorations and Otto topped it all with a large sign "Welcome Fathers" as a background piece. Terry Pakuski

**WOODCHIPS** of St Petersburg are pleased that many of our members are continuing dancing during the summer and visiting other clubs and especially the West Coast Association's Jamboree Dance in June at Clearwater. Several are enrolled in round dance classes and advances square dance workshops. Two squares of Left Allemanders snatched our banner when danced with Paul Lamb when he called while George and law were away swinging in Fontana. Members of our beginner's class were fortunate to have Lou Somestake over in George's absence. The young teen agers got a bang out of doing Left Footers with the black lights on. The three generations represented by class members is no deterrent to the enthusiasm shown by the group. Our club celebrated fourth of July with a delicious pot luck supper prior to the dance and was highlighted by a huge surprise birthday cake presented to Lee Wood by her sister Mae, who is a former Stafford Stomper Conn. but now is a full fledged, hard working Woodchip.

**HARBOR CITY SQUARES** On June 22, we honored Ray & Helen Rodriguez, it was a combination Going Away & Anniversary celebration. Ray has been transferred to Seattle, Washington and will be leaving the area in July.

Our new president and wife Greg & Alice DeBlasio presented Helen with a lovely corsage and special Guest of Honor badges in the shape of the U.S. map for both. Helen & Ray were presented to the special table to view the lovely cake also decorated in the shape of the map. At refreshment time the club presented the couple with a parting gift of an electric knife. Ray & Helen were past presidents from '71 to '72. Club members and friends wish them a safe and happy trip to Washington. They will be missed by all. James Maxey called and Stan & Ruth Jaynes cued the rounds. A good time was had by all.

Bev. Garceau

**THE S.E. FLORIDA S/R DANCE ASSOCIATION** wishes to congratulate the West Coast on the marvelous job they did in sponsoring our State Convention. Everything went very smoothly from the dancers point of view and all seemed to be having a good time. We were very proud to see so many of our own members participating. The S.E. was well represented as shown in the Grand March when our members and callers marched behind our banner. We are looking forward to "More in '74". R & M: Elhaney

## THE CALLER'S CORNER

### EXPERIMENTAL WORKSHOP

#### Centers In PUSH OPEN THE GATE - Mac Parker

A novelty idea that combines several directional movements into a flowing novelty call.  
**Set Up** - From an eight chain thru box such as a Box 1-4 - Centers in and cast off 3/4 - 1 the new ends move as if to trade and star thru with the one they meet, while the centers pass thru - ending back in an eight chain thru box. The key to dancing the figure is First establish a good centers in and cast off 3/4 and having the dancers end with a line having the ends facing out and the centers facing in. From this spot the centers can easily pass thru while the ends move ahead to star thru. The figure is a two zero that is repeat it twice and you zero out. Note: You can vary the end position to a completed double pass thru set up if the end dancers upon doing their star thru end facing out not in.

#### Dancing Examples

Box 1-4 - Centers in Push Open the Gate  
Dive thru - pass thru - left alle.

1P-2P- Pass thru - Wheel & deal

Heads square thru four - sides rollaway  
1/2 sashay  
Centers in Push Open the Gate  
Centers in - cast off 3/4 - star thru  
Substitute - square thru 3/4 - left alle.

Mac's idea is called Push Open the Gate, in workshoping the idea we found that adding Centers In to the call we got much better starting reaction as that is really the initial action. So we then took the liberty to start calling it Centers In - Push Open the Gate. Strictly a novelty but enjoyed by the dancers.

# STUFF & NONSENSE

by EMILY LEACH

It's funny that women aren't embarrassed when they buy men's pajamas, but a guy purchasing a nightgown acts as though he was making a deal with a dope peddler.

My uncle August says he's all for longer shoulder straps on gal's formals.

Just heard they were planning a TV Series on Orphan Annie-- If they can find a girl with no pupils.

The animals in the zoo all came down with a type of flu, so to stop it from spreading, the zoo keeper decided to try a new approach. He placed medication in the ventilation system and let it be wafted to the animals. They quickly recovered. This has since become known as: "Medical air for the caged."

Introducing the guest speaker, the toastmaster listed his virtues in glowing terms. "That introduction," grinned the guest, "reminds me of the man who on Judgment Day, stuck his head out of the grave, read the epitaph on his headstone and said: "Either somebody is a terrific liar, or I'm in the wrong hole."

\*\*\*\*\*

No ma'am, you didn't send for a piano tuner, but your neighbors did.

Our way to save a lot of time is, not to resist temptation.

The way to make a big job out of a little one, is to keep putting it off.

Intuition is what enables a woman to contradict her husband before he opens his mouth.

A budget system is an orderly way of living beyond your means.

\*\*\*\*\*

Love is like a mushroom. You're never sure whether it's the real thing until it's too late.

When I look into a mirror, I admire my wife's taste. (Oh Boy!)

An old maid is a woman who will never marry a man who lies to her.

A lot of people read just enough to keep themselves mis-informed.

Inflation is a period when a man goes broke in a prosperous sort of way.

\*\*\*\*\*

My little Gal and I think alike, but she thinks first.

Some horror movies are so scary that even married couples hold hands.

It is sure is rough trying to live comfortably.

There are a lot of problem drinkers---those that never buy, for instance.

A reformer is the kind of guy who would have you believe that he gave Eve back her apple.

A good reputation could be proof that you don't have inquisitive neighbors.

\*\*\*\*\*

If you don't learn anything from your mistakes, there ain't any sense in making 'em. An intellectual is a double-domed jerk who goes into a bar for an argument instead of a drink.

A Specialist is a doctor who has trained his patients to become ill during office hours.

An intelligence test sometimes shows a man how smart he'd have been not to have taken it in the first place.

I grumbled because I had to get up early in the morning---until one morning when I couldn't get up.

\*\*\*\*\*

Laziness generally attacks every part of a man except his tongue.

The mud slinger never has clean hands.

If a man can't see why a girl wears a strapless gown---she shouldn't.

The man who pokes fun at a woman trying to drive thru a 12 ft. garage door, usually sobers up when he tries to thread a needle.

Your ship won't come in, unless you row-out to meet it.

It would take 50 persons working night and day for 200 years to make the same mistake that an electric computer could make in only two seconds.

This deodorant that "works around the clock" must be good stuff. It's been a long time since I've smelled a clock.

Liberty is the privilege of being free from doing things we don't like, in order to be slaves of things we do like.

**MORE IN 74 - ORLANDO - STATE CONVENTION**

**NATIONAL CALLERS - YARRINGTON - LASRY**

SUN SQUARES of Deerfield Beach are still doing business as usual this summer. Our attendance even with our northern friends gone has been more satisfactory, except for two weeks when our hall lost it's air conditioning. Even so the second week we had three squares of hardy souls show up altho they knew that it would be slightly "hotter" before they came. Shades of square dancing when air conditioning was the exception and not the rule. It's a wonder that to "Bow & Swing" ever got off the ground.

We are pleased to report that Joann Couden who entered the hospital right after the State Convention, is back home, and feeling much better. Hope she's back dancing by the time this is printed. Keep up the good work, tiger!

Our roaming Leaders, John & Dawn Sherley are busy as ever. John is calling five nights in a row this week, and when you consider that he also works five or six days a week in construction, you begin to wonder what he does in his spare time. This traveling has caught on in the club and two of our couples, the Duncans & Stigtens, have just returned from Spain, and Marie & Les Jones are back after attending the Minnesota square & round dance Convention in Rochester, Minn.

Mary & Tony Lorusso have returned to Florida as permanent residents after selling their former home in Rhode Island. We were happy to see them, but sorry to hear that they have decided to reside in Ft Myers. We will miss this fine couple.

We have started to work on the Knothead and have several couples already signed up. Hope we can again get more than 50% of the club to attend. It should be easy since everyone had such a good time at the State Convention.

We ended June's activities by having six couples attend the Rythmaires, Achatz, Fernalds, Gearys, Hoffmeyers, Moltzfields and Sherleys all enjoyed the fine calling of Bob Andrews of Homestead. The Rythmaires are a fine friendly club, go visit them.

**OCALA SQUARE DANCE CLUB** is getting a whole new look for the Fall. The City Auditorium, where we have been dancing over 12 years, is now being renovated by the city. Air conditioning is being installed with acoustical ceilings and walls together with a complete redesign of the building. This will be a wonderful place to dance. Target date is the middle of October. Of course we are all excited about our new look and are planning many different and special events for the coming season. So, keep a look out for the new look in Ocala and come and see us. In the meantime we have temporary facilities at Kat's Korner located at S.E. Tusawilla and Broadway in Ocala.
