STRAWBERRY STROLLERS of Plant City have had an excellent summer of dancing with our visitors, with so many of our members away on vacation, sometimes it looks like a visitors dance.

Several of our members traveled to Brandon Fri. Aug. 24, to retrieve our banner. What an evening of fun and dancing with Jack Harris and Marty Martin with eleven squares in attendance.

We're glad to welcome back our president and all the others who have been on vacation.. Watch for our special dances in the coming months. There will be tickets sold by our members, prior to these dances, at various dances in this area. S. Moore

**O-BAR 8 BALLS**-Well it has been a hot summer as usual and squares are smaller throughout the area. Our little club has survived it though. Being only a two square club at present, and three quarters of one square gone most of the summer its been a tough pull. Our many thanks to our caller, Bill Price & law Mary. Also a special thanks to our pres. Don Lott & wife Pat, treasurer Ann & Stan Anthony and not to forget our neighbor club Wagon Wheels. Without all these people we would have had to close down for the summer. We will graduate our class next Thurs. and will begin a new one. We are a small but enthusiastic group as this letter proves, thanks again folks. Dorris & Luther Keene

**NEWS FROM 9th ANNUAL JEKYLL ISLAND JAMBOREE** We got off to a good start with Gov. Jimmy Carter and Vivian Bennett, Rod Blaylock and Mrs Carter and Mr & Mrs McDonald, Pres., Ga. State Square Dance Assn lead the Grand March. Governor & Mrs Carter along with Mr & Mrs Bob Anderson, Manager of Jekyll Island (Retired) were introduced before the welcome address by the Gov. The weather was beautiful and the crowd came to dance. Rod Blaylock and Bob Bennett along with the many attending callers did all the sessions and Rod & Bob featured the Sat. nite dance. Audie & Clare Lowe, Quitman, Ga did their usual grand job with a wonderful round dance program. The Carriage Inn was a great host and furnished coffee and donuts for the hash sessions. On Fri. nite after party had some wonderful routines. Misses Terry & Debbie Bennett (Country Belles) did a great job in a clogging routine and Janice Lowe did a wonderful job in presenting the roaring twenties with a Charleston routine and Bob & Debbie did a little ehlarging machine routine. On Sat nite at the after party Mr Jerry Armstrong and staff, a professional Guitarist, did a round the world routine in Spanish, Western, Country, Modern Jazz, Rock, Country Rock, Sentimental and Modern. They were later joined by Tony Bullington and Son, Macon, Ga. Bobby Hollis, Macon and Bob Bennett Valdosta in some good ole down to earth Country Music Picking and the crowd just loved it. We want to thank everyone for helping this to be the greatest one yet. The folks left with great anticipation for next year's Jamboree. We are especially looking forward to this as it will be our Tenth Anniversary. We were represented with eleven states and Guam.

**OCALA SQUARE DANCE CLUB** We plan to start our Fall class for beginning square dancers early in Oct. We hope to be back in the newly renovated Civic Auditorium by then.

A new concept in teaching will be tried this year. Our tentative plans call for 12 two and a half hour lessons to be given by Howard Rohrbacher who represents the City of Ocala Rec. Dept. Mr Rohrbacher has many years of teaching experience and has graduated many fine dancers. After learning the basics the class will enter into Phase 11 This will consist of a one hour workshop with our caller Bob Rust prior to our regular club dance. They then will be invited to attend the club dance and square up at the designated times with the regular members and visitors. Phase 11 will also be available to anyone who has knowledge of the basics and feels the need of a refresher course. This will give added confidence to the class members because we feel that many square dancers are lost in that transition from graduation to attending club dances though: much is said about helping, many feel unwanted after being discouraged by the cold stares of Experience Dancers who have forgotten their own learning experiences We plan to place emphasis on square-dancing being fun and will make every effort to see that our new class enjoys square dancing. So y'all come and have fun dancing with us.

**ROUNDLEERS** Jacksonville- Upon returning from a square dance where rounds were were done between tips, the thought occurred to me that round dancers think we are really put on trial. so to speak, each time we get on the floor to do a round. Who does the judging? Why, the square dancers who don't do the rounds, of course. Unfair you say! How can they know the time, exasperation and sometime frustration that we put in that "cute" dance?? Well, fair or not, if we intend to Round dance outside of our club we are the subject to any praise or criticism hopped on us by our square dancer contemporaries, Lets go one step further, how do we react, knowing that we are watched. Well round dancers being people, and hopefully normal ones at that, will react in a couple of predictable ways. Those couples that really know the dance will leap to the chance getting on with the evolution.

Moving down the scale just a little, we may find the couple where one partner knows, likes and wants to dance, but the other partner for some reason the other partner is not to enthralled with the idea of letting non-dancers see the problem at hand. Now believe it or not, this is the time the Jury really enjoys. First this is a prospect of a Discussion along the sidelines, and if they decide to dance there is always the prospect of a push-pull contest on the floor and some great facial expressions as the dance goes on.

Still further down our scale are those round dancers who know the particular but think the whole crowd is watching just them with cue sheet in hand, ready to boo and hiss on their first miscue. End results, they set out all the rounds.

Well, what am I driving up to? First, challenge rounds have no place at a square dance. Certainly non-dancers enjoy watching a well executed dance, but not all evening by a select group. Rounds geared to the majority of dancers should be programmed. Conversely, dances known by the dancers should be danced. If the right dances are selected all round dancers should be on the floor.

Recognize the fact that we all make mistakes, instructors included, and enjoy, enjoy. Our enthusiasm will rub off on the Jury who in turn will want to part of the activity.

The answer is Ken Anderson - the question - who will call the Roundleers Anniversary Dance? Happy dancing, y'all. Len Kaufman

**TAMIAMI STEPPERS** Bonita Springs This has been a busy month. 16 couples came visiting from the St Pete Clearwater, Largo area. A pleasant surprise was the arrival of Oscar & Fran Schwartz, who so graciously demonstrated their latest dance, Happy Dancing, which was followed by a teach on the same dance by our instructors Earle & Lee Kastner. Some of our visitors had come down to qualify for their Knothead badges, so we enjoyed the calling of Fred Leach and Jack Evanson a couple square dance tips between rounds. Something different wouldn't you say? Frank & Iris Gilbert gave a demo of their dance, Carousel and later did the 12th Street Rag for our enjoyment. Beautiful dancers! Five couples from our club, wearing their club outfits, with the addition of straw hats with pink bands for the men (and black paper mustaches designed by Henry Wright) and large pink net bows with sparkles for the ladies hair, and each carrying pink, black tipped canes, did a little skit called Carolina. The Goeldners decorated the hall, Minnie doing the tables with her usual originality, and Otto with a clever sign Welcome Knotheads. A goodly assortment of finger food furnished by the club members and naturally Otto's famous non-alcoholic punch, was consumed during the coffee break. On the 13 we visited the Beacon Nursing Home to entertain with round dances and our Carolina skit for approx. 35 patients and their nurses. The 19, our party night, we had chicken B-B-Que prepared by Chefs Jim & Myra Robertson, aided by the Bowdwns, Wicks and Krauses. The salads, vegetables and desserts were furnished by the members. Attractive table decorations by the committee were painted pine cones and pine needles centered on streamers of colorful wall paper. 46 members and two guests, the Belchers from Okla. enjoyed the dinner and dancing that followed. Aug 22 we guests at the Beth El Temple in Cape Coral and gave a demonstration of round dancing for their entertainment. After partaking of their delicious refreshments, we persuaded some of our spectators to join in with us on a mixer Clap Happy. Many were interested in joining a basic round dance class after this jolly introduction to round dancing. We love to promote round dancing and find this is one successful method of doing so. Naturally the enthusiasm of our instructors, Earle & Lee Knaster, along with our own evident enjoyment does a lot towards inspiring converts.

**PROMENADERS** of Lake Worth We lost our club reporter when Alice & John McCabe moved to Atlanta. Taking advantage of the absence of Leon & Florence who were away for several weeks, the club voted them in as new reporters. We are now dancing in our new hall and it is a good place to dance. Good acoustics, good floor and well air conditioned. Our many friends from Stuart to Miami have come to dance with us in our new hall. We have a budding caller in our club, Ernie Arner, one of our teenage dancers called a singing call, Martha Ella Jenkins, and received thunderous applause for his efforts. We hope to hear more from this young man. We dance every week with guest callers and we would be happy to have you come and dance with us. Thorson

**SUN SQUARES** of Deerfield Beach were happy to welcome back our wonderful caller's wife, Dawn Sherley, after three week absence due to minor surgery performed near the first of Aug. The club just isn't the same when Dawn is away. We were also happy to welcome Joan Couden back, who was away for two months for major surgery. She's a sparkling gal who loves to dance and is fun to be with.

We have had many visitors this month and we have enjoyed them all. With have had many clubs visit us but the Pistols & Petticoats left with our banner. We paid a visit to the Modernaires and came home with their traveling banner.

Our club members have really been on the go this month. The Fernalds spent 3 weeks in Tallahassee, and while there managed to go square dancing about 3 times a week! They brought back a traveling door for us which they obtained when dancing at the Tallahassee Twirlers club. The door measures 2 by 3 ft and has on it the emblems the club which have at some time, had possession of it. Some emblems are as far away as Ohio. See come over and visit us and see this unique trophy that we would love to pass along.

**FITUSVILLE TWIRL-A-WAYS** journeyed to Eau Gallie on Aug 31st for the Exchange dance with the Harbot City Squares. Our club looks forward to this dance every year, and we always have a real good time. Wedding bells rang out in our club for Jess Round and Eleanor Free. They were married Aug. 25th. Congratulations and best wishes Jess and Eleanor. We are happy to report that our club was well represented at the Knothead Konvention. Sept. looks like a busy month for us all, with our Mall Dance, Open House and Fall Classes beginning thereafter. That's all the news from here, if you are visiting in the area we would like to have you come and dance with us.

Chris an Dot Christian

**TAVARES SQUARES** Fall - When the leaves fall and the winds grow chill, the snow birds come south, where summer is still! Hello to our happy wanderer - Welcome home to our returning flocks. We have a great list of callers for the next few months along with Danny Robinson, we will have Jim Bates, John Saunders, Bill Shell Elmer Sheffield and Chuck Durant. We also have John & Ginny Iannone and their assistants Vinnie & Mary Ferriero on the rounds. Lets make a good showing for our regular and guest callers.

This month we have three free dances to be held in Tavares for the benefit of those who might be interested in learning square dancing and getting a good preview of what it is like and participating in some dances with us. Our square dance class is scheduled to start Oct 23 at the Civic Center, Tavares with Jim Deeder, a fine capable caller will be our instructor.

On Aug 10, a group of our dancers, with larceny in their hearts, buckled on their best Western belts and ventured forth to capture the banner from Plantation Squares. Now we invite them to come steal it back Happy Dancing Ginny Iannone

**FLORIDA SQUARE DANCERS** were sorry to hear of the passing of Jack Woody, Recreation Director for the city of Miami Beach, recently. Jack was one of the square dancing's greatest boosters. He is considered by many callers and dancers responsible for the start of this activity in this area. For years he featured square dancing at 10 St. Auditorium; he started the class a dozen years ago that became the Miami Beach Ocean Waves club.

**MCDERNAIRES** of Ft Lauderdale have been very busy traveling to attend the many special dances which have been available. Many of us attended the Extravaganza at the Playboy Plaza, the Florida Knothead Konvention and the Family Fun Night at Disney World. These special dances are such a wonderful time to meet old friends whom you seldom see otherwise.

Some of us had a real fun time when we joined the Covered Bridge Squares and Chuck Leamon to get our jail bird badge in Coral Springs.

We are very happy to have Russ & Marion Bean back with us, they have been in Vermont these past three weeks. We have welcomed two more couples as members the Sewells and the Morgans. Our invited guests for Sept. were the Westernaires, a fun group whom we enjoyed very much. Visitors are welcome at anytime at our Friendly Club. Come and dance with us and our new caller Chuck Leamon. Jeanette Wilkinson

**DIXIE TWIRLERS** became the first club to hold 100% membership for the 1974 in the Southeast Assn. The badge was presented to Johnny & Louise Walter, and Ray & Louise Carpenter at the August meeting by Joe & Anne Mieszalski. This was the first dance our newest members attended in club costume, and as usual the gals looked lovely and the men very handsome.

We helped Johnny graduate his Sun class with the traditional shenanigans that take place on such a night. The club members furnished a delicious buffet. The new dancers received their diplomas, and an invitation to join the Dixie Twirlers club.

A trip to steal a banner and become Knotheads took four squares to dance with the Sunshine Shufflers at Naples. Several of the group stayed all night, with five couples going over with Johnny & Louise in the motor home. An after party was held at poolside at the motel and we had a chance to earn some fun badges.

Happy birthdays were sung to Gerry Vandenberg and Sharon Carpenter. The anniversary waltz was danced by the Carpenters, the Barlean, the Gollers, the Kempners, and the Winicks. Refreshments for the month were provided by Helen Godwin, Lois Tait, Kay Koepka and Ann Barlean, we have some excellent cooks in the club.

One of the nicest things to happen to the club, we have a new place to dance, we are at the Clark Building, at Grapeland Hights, 1650 N.W. 37th Ave. Miami, and the air conditioning is the greatest.

**PALM SWINGERS** Hallandale-Hollywood area Pete Sansom, our caller back from Merry England with four albums of beautiful pictures to show that the Sansom's did not just sit around but were on the go. Welcome back Pete & June.

Joe DiNatie, who calls for the Hollywood Squares was our guest caller one Saturday many thanks Joe for a good night of dancing.

We held our club meeting, coupled with a pool party and dinner at Shirley & John Gouthros home in Hollywood. Anyone leaving hungry Well - refreshments were furnished by the club committee. It was a most wonderful day. Many thanks to Shirley & John for being so gracious.. At the meeting the following activities were planned, Barn dance and pie social, An all nighter (dance till the wee hours) family picnic at Haulover Park, and of course our usual Christmas party, also club visitation for banner stealing etc.

We will not be dancing at our club the night of Oct 20th as we are all attending the Area Dance in order that all Florida Callers are free to attend the Callers Clinic in Orlando. Dev drop in and dance with us - You all, Dorothy Garoff

**LAKELAND ROUNDETTES** Vacation time is over and we are all eager to dance. Our hall was overflowing even without our winter members. We started off with a review of those taught prior to Nationals and then were taught many new ones. On the 30th we held our party night and since it was the night before Knothead, it was a good beginning to a wonderful week end of dancing.

Brydie & Marty have started a new beginners class at the Planteen in Plant City, if you are interested join us there or call eith the Martins or this reporter. M. Bateman

**MID FLORIDA SQUARES** With the leisurely pace of summer over, fall plans are beginning to formulate. We greet old friends and welcome new ones, anticipating a new class of ten squares. We're looking forward to dancing at Disney on Sept 22 as a prelude to our fall schedule. Our one nighter on Oct 8th, club dance the following with John Saunders caller, and Jim Deters instructing our new class beginning Oct 15, will have us off on our shuffling gait for three nights a week at our clubhouse. Bill Lund also has a couple of groups of Gals and Pals going and we enjoy having them join us to 'brush up'. Kind of confusin' when they aren't in uniform, no telling the gals from the gals. Bill and his Trudy returned from a vacation in the Smokies with that "I should have stood at home" look. Don't we all wear it returning to the Sunshine State? Other vacationers straggle back to join the club in singing Happy Birthday to Dot Groat and Dick Burnham. While still in voice we sang an anniversary chorus to Ros and Gen Sheperd. Hope you all had a happy summer and have your dancing shoes on for a Fun Fall.

ALLEMANDERS of Satellite Beach put on an outdoor demonstration at the Satellite Beach Founders Day Celebration on Aug 11 which was enjoyed by the local residence. Skip Smith, our guest caller that night was great. Thanks, Colin, for recommending him. We were happy to again have Mayor and Mrs Reginald Leonard dancing with us.

Colin, Peggy and Wendy Walton were welcomed home from England an Aug. 23 by four squares of Allemanders dancing at the Melbourne airport.

A general membership meeting was held prior to our regular dance on Aug. 25. It was good to have Colin back with us again.

Our traveling banners are all back home now - just waiting for you out-of-town dancers to come and get them. But come and dance with us even if you are not after our banner, as we love to have visitors.

**SOUTHEAST FLA S/R DANCE ASSOCIATION** at its Aug. meeting installed the following new officers: Buddy & Nita Shelton, Pres., Ray & Irene McElhaney, V.P., Jack & Nita Lascola, Treas., Alan & Bertha Ashcroft, Sec. and Joe & Ann Mieszalski, Membership Chairmen. Delegates appointed were Adrien & Meda Levesque, Ray & Louise Carpenter, Vin & Barbara Malone, Bob & Harriet Randall and John & Nancy Hurley.

Outgoing president John & Kathy Zell received the thanks of the association for their efforts in '72-'73 and were presented with gifts on behalf of the association. They were also presented with 1974 hang bars which served notice that renewal bars were on sale now.

Our officers, through visitations to clubs, publicity, flyers, etc. have asked all area clubs and dancers to support the first annual Area Dance to be held at the Deauville Hotel on Miami Beach. National caller Singing Sam Mitchell will do the square dancing calls and Bob Kunde will cue the rounds. The package plan will include hotel accommodations, dancing, plus many other attractions, should prove very interesting. The purpose of this dance is to allow the local callers to attend the Caller's Clinic in Orlando.

All of the association members and other dancers who through the years have enjoyed dancing to Jay Fenimore can show their appreciation by attending the Jay Fenimore Appreciation Dance Nov 18 at the North Miami Armory. Your officers and delegates have information on this affair.

**PAXON PRANCERS** Jacksonville- About all we hear lately is Watergate, Dog Days, etc. It's about time we started to talk about People Days and things happening all around us. Let's look at the calendar for Fall happenings. So many nice dances are scheduled. Why not check your calendar now and post these dates for attendance.

Our vacationers are beginning to return home and we are glad they are back. Also our visitors who come week after week. We feel like they belong to us and they are always welcome.

A group from our club and the Rythmaires and Fun and Frolics with Jack Griffith calling, entertained the Psychiatric Unit at the University Hospital with square and round dancing. The idea was to interest them in Square Dancing for recreation. They appeared to enjoy every minute and invited us back next month.

In closing we wish to say that our caller, Bob Rust, is workshoping new calls and reviving old ones, so you had better not stay away else you will miss them. B & M Pangle

**FRIENDLY FROLICS** Jacksonville- With so many members during August we still had eight squares at our dance and Bill Bishop sure kept everyone hopping. We had the Chambers from Ga. visiting with us, also Chet & Julia Vetter from Gainesville and also visitors from the Jubileers and Ocean Waves.

Joe & Betty Smith were in Gatlinburg for a few days of square and rounds dancing. The Lakeland Citrusland Round-Up weekend had a lot of our members there.

Our sound system is greatly improved since Joe Brandt went out and got us material to cover the windows and walss, thanks Joe. a Job well done as usual. It is so nice to see our new members so eager and active in our club functions. We should all take lessons from John Lucas who was willing to take on three jobs.

By the time you read this our Beach comber dance to the calling of Charles Hill will be over and I'm sure everyone will have enjoyed the calling of Charles. D. Spivey

**NAUTICAL WHEELERS** August has meant activity for us, it started with a roof-raising party at Dorita & Chris Bethel's in Marathon. Then all roads led to Homestead where the Fla Crackers and caller Bobby Andrews held a special dance for a group anxious to qualify as Knotheads before the Konvention. On Aug 17, Honorary Sheriff Mary Herrick gave summons to all members to attend a Round-up and badge-fines party at Boca Chica N.A.S. Many Key Hoppers from Marathon attended, and a number of Key Kickers from Key West, together with Honorary Member Paul Lacey, down from Orlando, and Etta Fitch back from vacation in England. Then we paid a return visit to the Senior Citizen Plaza, for an audience participation night to the calling of Jack Stevens. That same night, the club gathered at Nick & Eileen Nolte's to qualify another group of dancers as Idiots. Now all the Idiots will live in fear of the Callers Revenge when Jack Stevens can summon them all after midnight to come as they are to a Cuckoo Party. Eileen M. Nolte

**BUTTONS AND BOWS** lakeland we have danced from the east coast to the west coast and had the most fun this past month with the following clubs; Strawberry Strollers, Sunshine Swingers, Spinning Wheels, San Land Campgrounds, Temple Terrace and the special dance with Tom Bush and the Lovelaces. Then to Lake Wales and their dedication of the new square, where we danced to the calling of Roger Chapman. On the 11th we had Gordon Lentz from Pennsylvania and it was one of our super dances, our guests are still talking about it. Then on to the Spinning Wheels and George Hinkel and on Sat. we traveled to Melbourne with Diana & Bill Kegley and their group going for their Knothead badges. We danced that evening to the calling of Bob Frye and on Sunday attended a benefit dance which was held at Barefoot Bay, Bob Frye and eight other callers did the squares and Byrdie & Marty Martin the rounds. For our second dance of the month we had Fred Christopher and he did his usual fine calling for us. We are looking forward to seeing you in Sept. and our callers will be Bill Bishop and Bud Weisen. V & MBateman

**DIXIE LOOPERS** of Holiday Twenty-four of us traveled up to Jekyll Island on Aug 22 to attend Bob Bennett's Square Dance Jamboree and enjoyed not only the dancing but also the beautiful island and beach. Hope that more of you will join us next year for this pleasant weekend. This is the month of hobogoblins and we are planning an old fashioned Hallowe'en party with costumes, tricks and treats and prizes so reserve a place on your calendar for fun and capers. We hope to start our round dance classes Oct 3, there will be an hour of instruction for beginners from 7-8 p.m. with rounds for the advanced dancers interspersing the tips. A sad note this August was the heart attack which has hospitalized our president, Harold Adams. It will be some time before he will be able to be with us. We sorely miss his leadership and enthusiasm for squaring! Our best wishes for a quick return to good health, Harold. A reminder that we are a workshop type of dance and our caller, Ken Cucore, keeps us cued on all the current figures. We are always happy to have and welcome guests. This month should see the return of vacationing members. A hearty welcome back, we have missed you! G.Thorton

**STOMPIN STUMP JUMPERS** St Petersburg have been busy planning for the 2nd Teen Jamboree in November. Everyone who went to Knothead enjoyed themselves completely and the Cloggers did a terrific job in their exhibition. Everyone enjoyed our Teen Stomp Room and we hope it will be carried on. We enjoyed watching the Spinning Wheels clog, we think they did a very good job. Remember everyone is invited to our Jamboree, see our ad for time and date.

**RHYTHMAIRES** of Ft Lauderdale are very excited about Ted Anderson's new beginner square dance class. It is progressing quite smoothly and Ted tells us he will have the class open for new entries, for a few more weeks.. As of the first of October, Bob and Dot Kunde will be with us every week on the rounds..

We are happy to announce that Alfred Leach and Lee Noyes are new members of the club. Our change of officers will be delayed this year as our president, Bob Kuhl, and his wife Kay are vacationing in Conn. Bob had been doing a marvelous job as president. He has started many new projects, one being a club news letter and he has worked very hard in the publicity department..

Our Labor Day weekend dance had alot of competition from the Knothead Konvention, the Dolphins and the weather but it was worth having as the Wakefields came in from Cleveland for the dance. Les hopes that snow comes early this year in Ohio as thats his date to come back to Florida for good. Check our ad for a great list of callers.

**FLORIDA SHOWCASE AT THE NATIONALS** A steady flow of dancers stopped by the clickers, coconuts, balloons, posters, glass slippers, area publications, Bow & Swing, and a good variety of flyers making up the Florida Showcase. The variety of offerings helped make our Showcase one of the main attractions among the fifty-one exhibitors.

In about seven months the Sogolows will be asking for material to show at San Antonio, Texas. Anything selling Florida and Square & Round Dancing in particular will do. A good supply and variety will bring back another plague to go with the one shown on the front page.

**BILL PETERS, CALLER'S CLINIC** - Originally from New York, Bill, and his wife Betty and their two children now make their home in San Jose, California where his calling activities currently average anywhere from 5 tp 7 nights per week. He calls regularly for two weekly clubs, several square dance workshops and one or two annual bigginer class as well.

Although he is based in the northern California area he enjoys considerable popularity in many other parts of the country and Canada. He tours frequently throughout Pacific Northwest and he has served as featured caller at many Festivals, Council dances, etc. including the Oregon State Festival, the Alaska State Festival, The Seattle Sea Fair Jubilee, the Spokane Salmon Festival, the Nelson, B.C. Square Dance Jamboree, the Fresno Square-Rama and the Cup-O-Gold Festival in Sonora, California.

Bill became a staff recording artist for Longhorn Records in 1963. For his first release, Two-Timin' Blues, he not only wrote the dance, but the tune as well. This may have been the first time an original melody was specifically composed for use as a square dance singing call. Since then he has recorded numerous other singing calls including his current release: Fireball Mail.

In addition, Bill is a well known square dance leader and teacher and he is considered by many to be a recognized expert in the field of caller training. He has served frequently as an instructor/teacher at caller's institutes, seminars and workshops. He has recently completed writing one of the most comprehensive and complete caller training text books in the field entitled "The Other Side of the Mike".

### LORA AND RAY BOOKMILLER

**ROUND DANCE SPECIAL** - Round The World With Round Dancing - The Bookmillers started Ballroom Dancing together in their teens in western New York State. They learned about Western Square Dance only after coming to Florida in 1950. After taking up round dancing and studying round dancing with several Florida teachers who were members of the Round Dance Council, they were recommended to Mary Stewart of the Orlando Recreation Department by John & Betty Jones as capable instructors. For the history, John & Betty were then driving from Melbourne to Orlando once a week and did for over a year first teaching at Robert S. Lee school and then being moved to the Orlando Tennis Club, Lora and Ray were faithful supporters and participants of the Round dance program. When Lora was first approached she replied, "You really don't think that we can do it?". Assured by John & Betty Jones and Mary Stewart, they started a basic beginner class for the Orlando Recreation Dept. Working hours on cue sheets, besides burning midnight oil on learning the dances to be taught, they gave hours of practice to all their students. Only the Orlando Rec. Dept. can show you the materials Lora & Ray perfected and slaved over. The Bookmillers are responsible for the largest and finest clubs, Klassey Kats in the state of Florida. Hundreds of adults and teen agers have shared their teaching and cueing. September of 1973 will close 10 long, happy, faithful years at the realm of the Klassey Kats Round Dance Club, many cueing hours to several Square Dance clubs, Central Fla S/R Dance Assoc. dances, Fla S/R dance Conventions, Charity Balls and Orlando Western Council dances.

Ray & Lora Bookmiller, now you can enjoy Round and Square dancing without the worries and responsibilities of two "Top Round Dance Teachers". The Orlando Rec. Dept. regrets the resignation of these two special individuals. We want to express our deep appreciation to you both. Lora & Ray Bookmiller are Mr. & Mrs. Round Dance in our Orlando Recreation Department memories.

**PISTOLS & PETTICOATS** of Pompano Beach have been swinging and whirling right thru August's heat. We had an old fashion ice cream social, and invited all our class members to join us. Everyone got 'loaded' on nice caloric ice cream and toppings, and those who are dedicated Weightwatchers brought dietetic ice cream so everyone was happy. Kathy Lehmann made peanut butter cookies to go along with the sundaes. The whole club and their families will picnic at Spanish River Park in Boca Raton. Everyone will bring some goodies, and we will have a ball.

Chuck Leamon, our caller has been teaching us a movement called Centers In, and Push Open the Gate! We've had lots of fun trying to learn that one! Last week, Chuck was really feeling his oats and let us have it, putting us through Relay the Deucey, Spin Chain Circulate the Gears, Follow Your Neighbor and Spread and everything else he could remember to use. We really enjoyed the evening.

We've been out doing a lot of stealing too, and we are looking forward to all the clubs coming back to retrieve their banners soon.

Our class will be graduating on the 13th of Sept. and we all hope to make this celebration to remember as this will be our very first graduating class.

Our kiddies are looking forward to that fabulous evening at Disney World. Carol, Chuck's wife has reserved two buses for this affair, so everyone will go singing merrily together. Some of those rides are really wild and I keep wondering who is going to square dance!

And so, to all our square dance friends out there, remember the family that square dances together, Lives and loves a lot better!

Jeanine Riley

**BAY AREA TWIRLERS** of Tampa held their business meeting and fish fry at Phillippe Park in Aug. The weather was miserable but the fun was fun and the fish and hush puppies were delicious. A big thank you to Charlie Wilson.

Plans are underway for our annual Hobo Dance with Jack Harris calling for us so its bound to be a fun filled evening. Hope to see everyone out in the worst of outfits.

To Harold Shinn our best wishes, a speedy recovery and quick return to square dancing. A big welcome to our new club members, Johnny & Betty Everett. D & B Hamilton

ORLANDO WILL HAVE "MORE IN '74"

**CRESTSTEPPERS** West Palm Beach - We bow and acknowledge to all of you and hope that all are enjoying a pleasant and rewarding summer as we are.

The four centers, their social directors, management, local sponsors and talented residents combined their efforts to produce a super-duper July 4th Spectacular. Over 200 residents participated. Over 2000 people witnessed the 7 performances, including a guest showing at Lake Clark Gardens, Lake Worth. 30 state governors sent congratulatory letters and their state flags which was used for decorations. Al Williston was the guiding genius behind this undertaking and received a large thank you from all. We were thoroughly rehearsed by our teachers, Helen & Wally Jacobs, for our dancing segment. Hedid a masterful job calling giving round dancing a great exposure!

Our Tues. class was entertained recently by the Kastners, Lee & Earle, visiting from their teaching chores. With beautiful styling they danced several beautiful dances. Dave Aronson, our popular pres., always busy welcoming guests had a pleasant task this time. Our Wed class is still dancing very much in 'closed position' with dancing visitors filling in the places of our regulars.

We hear that one of our lovelies, Marie Sponnenberg, has been honored with the social directorship of the fifth center scheduled to open in Jan. Couldn't have happened to a more qualified person and talented round dancer, who with her equally lovely partner, Terry Lentini, who has been one of our chartered members.

Also caller, Max Mandel, caller and class member, has recently written and published a round dance. Congratulations, we hope the dance gets a Gold-Record response. Here's wishing you y'all happy daze as you whirl & twirl Wally Schoff

LET ME TELL IT AS IT WAS - at the 17th Annual Florida Knothead Convention. Can you imagine any situation more frustrating than the one we were placed in (like losing one of the main halls for dancing) just three weeks before our 17th Annual Convention?

Too late to advertise - Too late to Cancel - so we did the best we could under the circumstances - provide another hall for dancing, for those who would come.

Our thanks to the Clearwater Recreation department, who helped secure the National Guard Armory for the second hall - to the Jack Tar Hotel who extended the wood floor in the main hall to accomodate more dancers.

Many thanks to Charlie & Bettye Procter who performed so beautifully at all functions and Never lost their cool, 'specially during the round dance workshops at the Armory - for two days.

To Bob Page and Bob Fisk who rotated the evening dances at the Armory - despite the dousing weather element which resulted in a small crowd in a space that could dance 60 squares at the least.

A Big Thank You to all our members of our staff for suffering through all the Extra-incinveniences, and

A grateful Thank You to members from all over the state and out-of-state - who came and danced, but registered no complaint about the conditions.

One written complaint about a noisy party was received by the directors of the Florida Knotheads, Inc. -

Another about the overcrowding. -

Knothead continued

One serious complaint from passerbys on the walks and from vehicles on the streets of Ft. Harrison, about bottles being thrown from the roof or top floors of the hotel. This did result in the police force being activated.

More seriously, the complaint seemed to be lodged against the teen-age group - mainly because they were having their own teen-age stomp on the 10th floor on the Hotel. but callers were there were constantly on the alert about keeping the younger square dancer on the floor.

We don't think our teen ager would be so destructive and so blasé about the serious implications of bodily harm to the unsuspecting public, but it was this action on the part of some unthinking person that could result in losing much needed dancing place for the teen-ager, their Own hall. We think the teen-age stomp was good for their morale and would like to show our faith in the youngster and continue reserving a hall for their S/D pleasure.

An interest note on:

The Army was the scene of the Florida Fall Ball in 1956. This ball was the kick off for the 1st of the Florida Knothead Conventions and at that time an Air Conditioned hall was an unheard of luxury, and we danced as we did now - with enthusiasm and perspiration. Not many present Florida callers were in the picture at that time.

TOTAL REGISTRATION at the 1st Konvention in 1957 -	237
2nd Konvention 1958 -	538
17th Konvention 1973 -	1923

Out of the first konvention - 26 Knotheads still attend and have received their 17 year pins. Knothead Strips and Pins - rules for those who qualify are as follows; 1st strip, called affectionally by the dancers as the 'little people' badges, may be earned by attending Five (5) consecutive konventions. The following year pins are self-explanatory, but 5 konsecutive konventions are a Must for the 1st strip, and are yours to keep, as are the 10 and 15 yr ones - All others must be turned in to receive the following yr pin.

Well - Thank You for reading, if you have gone this far, Callers for 1974 are: Bob Page and Ken Anderson - Round Dance Instructors - Wayne & Norma Wylie.

We can't say as to where the 18th will be held - but Please look for it in the Bow & Swing, our Official Voice. This is where you will read about it - as it will be in '74.

**WESTERNAIRES** of Miami deeply regret the death of member Bill Clements after a short illness. The sympathy of all the club members is extended to wife Barbara and daughter Debbie. His passing in the prime of life has been a shock to all his friends. The Clements had interests in many organizations yet they devoted a great deal of time & enthusiasm to square dancing activities. They have a multitude of friends, as was evidenced during his illness and at the funeral services, and we know that with the passing of time Barbara will want to rejoin these friends at our activities.

Club badges were presented to new members. At our dance in Aug new club officers were installed. Outgoing president Nita Shelton welcomed new president Alan Ashcroft who then announced the following officers and committees: Stan Moe, V.P. Ann Puglisi, Treas., Debbie Potts, Sec., Doris Slenski, refreshments, Terry Puglisi, reporter, and Faye Hamilton.

Nita & Buddy Shelton performed such an excellent job while in office they have been asked to act as membership committee for the next term. Our thanks to all the outgoing officers for a job well done.

We have made big plans for the fall dances and some tickets are sales now so look up a member and get your tickets now. It is always good to see visitors from other clubs and out of town. We have received many compliments about us being a friendly fun-loving group. This is what we want our image to be. **Be't Ashcroft**

**LEFT ALLEMANDERS** of St Petersburg Dancing at Seminole Jr High was at its best. As usual Jack Harris called a terrific dance. Tom Bush, a former member vacationing from California, called a truly memorable dance. We are always glad to see Tom, and hope he will come to visit us again real soon. Marty Martin treated us to a great evening of rounds. Chuck Kessler calling and Bob Walther on rounds afforded great dancing on our third dancing night. In Oct. we will be adding Frank DuBois on rounds with Jack on the first of each month. Ed & Anne Ellis are back with us and we are happy to have them home. **Rod Stvers**

**A BIG THANK YOU** to all the square dancers and callers for helping us out in our time of need. The money that was raised was great, the prayers answered were even greater. Today Wayne's walking and we hope to see you all around, Thanks again, **Wayne & Jo Ann Bruce and kids**

# STUFF & NONSENSE

by EMILY LEACH

- God made time, but man made haste.  
There's nothing so annoying as arguing with a man who knows what he's talking about.  
The high cost of health care is enough to make you sick.  
He who laughs last probably isn't too far away from retirement.

Card games can be expensive, but so can any game where you hold hands.

About the time you're important enough to take two hours for lunch, the doctor limits you to a glass of milk.

There is one protest understood the world over: The stifled yawn.

While there once were many self-made men, about all you can do on a shoestring today is trip.

\*\*\*\*\*

Money is like manure, if you spread it around, it does a lot of good. But if you pile it up in one place, it stinks like heck.

Any time you think a college freshman is a dumbbell, it is suggested you try a college entrance examination.

\*\*\*\*\*

Women's faults are many, men have only two. Everything they say, and everything they do. She is a good secretary, but she is clock-eyed.

The reason that a dollar won't do as much for people as it used to, is that people won't do as much for a dollar as they used to.

Religion doesn't fail people. It's people who fail religion.

\*\*\*\*\*

Temper is the off-spring of limited intelligence.

An egotist is one who suffers from "I" strain.

A psychiatrist is a man who doesn't need to worry as long as other people do.

Money talks as much as ever, but what it says makes much less cents, nowadays.

AMBITIOUS WIFE: The power behind the drone.

\*\*\*\*\*

"Singing is a man's bathright."

Forbidden fruit is responsible for many a bad jam.

You can depend on fat men - they will never stoop to anything low.

An expert is someone who is called in at the last minute to share the blame.

A woman's dimensions wreck man's good intentions.

\*\*\*\*\*

A girdle is a device to keep an unfortunate condition from spreading.

He who laughs last probably intended to tell the story himself.

That which constitutes a living wage depends upon whether you are giving it or getting it.

A man celebrates his birthday by taking a day off. A woman takes a year off.

Lots of people who aren't paid what they're worth should be glad of it.

\*\*\*\*\*

## SOMETHING TO REMEMBER:

Don't say the thing's impossible --  
The chances are you'll rue it,  
Because some fool who doesn't know  
Will come along and do it!

MIAMI BEACH OCEAN WAVES Sold Out - a square dance success story by our club. Our 11th annual Extravaganza held Aug. 25 & 26 at the Playboy Hotel was a complete sell out. All reports indicate that 600 dancers from through-out Florida enjoyed a spectacular week end of square and round dancing as callers Jack Lasry and Frank Bedell and the Beatties scored again with outstanding programming. We extend our thanks to all of you who came to the dances and to over 125 couples who stayed over at the Playboy for the weekend. Also, a bow of appreciation to Bow & Swing for their fine publicity support and for the fine results from our B & S ads. Dot Sheffman president, announces plans are a-working for the club's 12th annual Extravaganza next year, same place, same callers.
