ORANGE BLOSSOM SQUARES A planning committee meeting has been held for the future year. Much enthusiasm was entailed and if we are able to follow thru on all the special events in the planning stages it looks as if the coming year will be busy and fun filled. June 30 will be our Centennial Dance, with the members coming in top hats, bonnets and old time clostho to fit the occasion. Prior to the dance will be an old fashion pot luck supper. July will find the committee starting their planning meetings for our annual Luau. This is one event, I think perhaps which requires the most work and planning of all, but in which the most satisfaction is received as the final results of creating the hall into a typical Luau setting complete with a fabulous Polenesian dinner. Chairmen of the committee is Bud & Della Lucius and the Luau will be in Oct. On July 27 Vickie Decker, daughter of our caller Gary will try to do as her sister did last year and win the local Soap Box Derby, hopefully to go on to Akron, Ohio to race at the Derby Downs. Come out and give Vickie a real big vistory cheering squad. During August Gary and family will be on vacation but we will have Jack Lasry and John Sherley calling for him. Bob & Dottie Kunde have made round dancing so much fun that we now have a large participating group. They are truly an asset to the club. This brings us to the Knothead Konvention with many of our members already receiving their ribbons so we will see you there? Betty Jones

OCALA SQUARE DANCE CLUB is having their very special Sweet Sixteen Anniversary Dance and by the time you read this it will be over, but we know it will be a most wonderful, successful dance, in which we hope to see many of our very dear old friends and dancers. May was a very busy month with many events happening last but not least was our beloved caller, Bob Rust's birthday party, and at the same time we also honored his lovely wife Lou. Our refreshments & entertainment committees did an outstanding job at all of the Special Events, and at this time we would like to extend our thanks to them, and all of the ladies for their very delicious food. Come dance with us. C.B.Price

DIXIE TWIRLER membership certainly is full of surprises! In April we survived the Streaker. Now in June we hosted a Hurricane. A whole season's worth of Hurricanes, in fact, when 16 of the Hurricane Squares headed by Edna & Gordon Blaum, visited us to pin our club banner and dance up a storm. It was a delight having them. We hope that they will come back again soon. We've been doing a bit of visiting ourselves. The new club members got together with Johnny & Louise and some of the older members for a trip to Naples and an evening of Knothead Knonsense. They qualified for their Knothead badges and spent the evening dancing with the Sunshine Shufflers. Those who stayed overnight got in quite a bit of after-partying too. Now they are all ready for the Convention, where they can help each other survive initiation. Our next trip was a short one just across the causeway. Twelve intrepid Twirlers took themselves to Miami Beach to pin the Ocean Waves. We've danced with this club so often in so many different places it is like being at a family reunion to go and visit their club. We can relax and concentrate on having a good time. We had a good time at our own Chili & Hot Dog dance, with that and all the other good things to eat. All of our hostesses have outdone themselves this month. And let us not forget our host. One of our male singles took a turn at the refreshment stint, and a fine job he did, too. Another fine job by one of our male members was the beautiful hand made Dixie Twirler wall plaque which Sid Tough presented to the club. He made it to take to the State Convention as a club campsite marker. Having served its purpose there it will now hang in the hall at the Fijian campgrounds, as a King Size Pin to show that the Twirlers were there too. Johnny is talking of extending this privilege to any club that brings two squares to camp and dance at the Fijian. We are happy to be able to say that we were first to be 'hung'.

BAY AREA TWIRLERS of Tampa had our Luau Dance June 8. The committee did a great job decorating. The spread of food pertaining to a Luau was so decorative. Most of the dancers were dressed Hawaiian and the colors were beautiful. We will be having lots of fun dances coming up in the future. Our crowds are good which we owe some credit to Frank DuBois on calling the rounds. We are looking forward to Jack Lasry calling for us in July.

encouraged Hank to go out on his own. Hank started teaching a Beginner Class in the Oak Crest Mobile Home Park in Largo. After the first class graduated they formed a club. They are teaching a new class every fall. Dancing goes on the year around there and they are having large turnouts. Hank also has a club in Springwood and two in Pinellas Park. Hank is a member of the Florida Callers Assoc. and the Suncoast Callers Assoc. and have supported and called at two State Conventions and also went to the Callers School sponsored by the Florida Callers Assoc. that was conducted by Jack Lasry and Danny Robinson which was very helpful in learning to call and do it properly. Hank has a workshop dance for graduate dancers to get them ready for club level dancing in the fall. Hank & Frances say, you meet the nicest people in square dancing and they believe that Square Dancing is Friendship set to music. They have a son and daughter that are married and four grandchildren that are living in Toledo, Ohio.

WAGON WHEELS St Cloud We had many visitors this month and appreciate each and everyone of them. Flying 8's came for our banner and so did the O-Bar 8 Balls. We sure enjoyed their visit. A group from Satillite Beach came over when Colin Walton called for us and we had a great time. A group from our club went to retrieve our banner from the O-Bar 8 Balls the next time they danced and we all had a great time. We also went to visit the Citrus Cut-Ups to get their banner. They are a great group and we always have lots of fun when we visit them. A group went to the Flying 8's last Sat. to retrieve our bloomers and they had a great time and sorry we didn't get to go. This will be our last correspondence as someone else will be filling you in on our good times. See you around the square.

THE NEW ERA SQUARES of Clearwater Beach are helping our caller, Fred Christopher celebrate his 38th year as a caller (and he just made about age 56) and this month is celebrating 17 years as a caller for the Recreation Department. Even with all that time to get bored Chris still calls for us an enthusiastic Club Level dance. His personal enthusiasm leads the pack; it is so infectious, we all love the guy. The fact that Chris moves the couples around from time to time keeps us well reminded of no made up squares. We particularly love his workshop tips. We learn calls that we can use elsewhere and not only the gimmicks. We learn them first and we learn them well. Chris not only teaches the movements from the standard positions but all variations, including "arky". No one leaves the floor frustrated. Chris' patience and experience guarantee a learning experience that gives us instant recall and execution as well as confidence when we hear the call elsewhere. Thanks Chris. Our dance is an open dance where we not only expect visitors but welcome them. We have beautiful air conditioning so come on down and dance with us, you'll have a ball. Louise Weller

PALM SWINGERS The club had a surprise birthday party and steak dinner at the Black Angus for our caller's wife, June Sansom but reasons beyond their control Pete & June could not make it at the last minute, but the club enjoyed their steak dinner anyway. A good time was had by all. The outgoing committee had a pot luck supper and introduced the new committee to the club for the next six months. It was the first pot luck in a long time and as usual the food was out done by all, we ate so much that when Pete called the first tip we could hardly dance. All the club who attended the State Convention stayed at the Jamaica Inn and had a real ball - Jack Lascola hosted the club to a party in his room. See you all on the dance floor.* Ann Mieszalski

GEORGIA STATE NEWS The Georgia State Square Dancers Assoc. and the Callers Assoc. had a joint meeting June 9 in Macon and things are being wrapped up for the 3 Annual Georgia State Convention. We hope to fill the floor in '74 and we are looking forward to all the states visiting us. Those who visited and danced at the Fla. State Convention were enthused with the entertainment and fellowship offered by the Fla. folks.

DIXIE FEDERATION CALLERS ASSOC. had their meeting Sunday May 26, with a good turn out and some mighty good cooperation. We always enjoy the workshops help at the meetings and enjoy just visiting and discussing new materials, records and dancing.

GEORGIA CALLERS ASSOC. met on Sunday June 9 and they had a good turn out and some fine discussing on how to improve our association and how to improve our standardization and teach new callers the proper techniques and listen to a good discussion with Dick Barker concerning the Callers-Lab held in St Louis.

ALLEMANDERS of Satellite Beach are having a great time this summer. It is warm, but we are dancing and enjoying it. This will be old news by the time you read this, but I must tell you how much we enjoyed having the Strawberry Strollers of Plant City visit us for their Knothead trip the first of June. There were 18 guests, 12 of whom made Knothead. We certainly enjoyed the Show and hope they did. We chartered a big bus to take us to Lakeland for our Knothead trip on the 22 of June. There were 46 of us on the bus, 24 of whom made Knothead. Until you have ridden a bus loaded with square dancers going over 100 miles to dance, you really haven't known the fun and frolic that goes on. Our own caller Colin Walton and his taw, Peggy, went along to lend an air of dignity to the affair. Colin led us in singing songs of years gone-by, but I do wish some one would supply the words to Salty Dog. We would like to thank Buttons and Bows for their wonderful hospitality and to Art Springer for calling his usual excellent fashion. Buttons & Bows, we do hope you will take us up on our invitation to visit us. Thank you Elva & Sid George for arranging the trip. I am sure the new Knothead's will never forget it. Skip Smith was scheduled to call for us in August, but unfortunately, he had to cancel. We have managed to get Dale McClary to take his place. We invite any of you who would like to enjoy an evening of fun and dancing, come out to hear Dale. He is reasonable new in the area, but already he has established himself as a really good caller. And now for a last bit of Old news many of the club went to Harbor City Squares June 21 to dance to the exciting calling of Singin' Sam Mitchell. I can assure you that all of us spent a most enjoyable evening, thanks to Singin' Sam. B & M Lewis

CASTOFFS It doesn't seem possible that a month has passed since State Convention. We all had a great time but it ended too soon. We started the month with our new club caller Tom Trainor. Tom called a great dance. We were delighted to welcome John Sherley and his club Sun Squares, their hall was in use that night so they traveled up to visit us. Great to have them. On June 14 Jack Cloe, nationally known caller from Missouri called to fifteen squares with Max Mandel calling the rounds as only he can. Max and his lovely wife Ruth are on a leave of absence for the summer but graciously cued for our special dances and we are looking forward to the fall when they will be back with us weekly. Also on hand were Chuck Leamon and his wife Carol and many of their dancers. They left taking our traveling banner with them. We were delighted to have so many dancers visiting that night as we also made it a going away party for three of our members Dorothy, Ken & LaVetrice Trey. We really have been lucky having them this past year and we wish them the best as they return home to New Edinbury, Arkansas. Our New Graduate Workshop is going great guns as Tom is a terrific teacher. This workshop will continue until the end of August. To top of the month we have really enjoyed the calling of Johnny Walter and Bill Marquis, they always do a great job. In closing we all extend a warm invitation to come dance with us. We have a great callers schedule, our refreshments are Yummy thanks to our great cooks, and our air conditioning is tops. Love to see you here.

ROUND DANCE COUNCIL OF FLA. has announced that for the third consecutive year it has selected the DiLido Hotel in Miami for the site of the Fall Festival of Rounds. The Gala 15th Anniversary Festival will be held in Ost. with a Welcome Dance on Friday. The excellent wooden floor of the ballroom, the fine room accommodations, the reasonable special room rates, the complete cooperation of the hotel management and the courteous treatment by its staff in the previous years and the convenient location of the hotel to many fine and reasonably priced restaurants, all contribute to the Council's decision to select the DiLido Hotel, an oceanfront hotel with its beautiful beach and private pool. If you don't use the regular hotel reservation form to make your reservations, be sure to mention the name of the Round Dance Council in order to get the special rates.

SHUFFLIN SHOES of Ft Lauderdale will remember and talk about the State Convention for a long time. Congratulations to the Orlando Committee for hosting a fine convention. We Guys were very proud of the Girls from our Club when they appeared on the floor in their elegant new powder blue dresses. We were all set and looking forward to the G and March but all we got was a slow shuffle from the back to the front of the hall. That first tip looked and felt like a can of squares-up sardines - that was quite a crowd. Our club members are still wondering who arranged for the visit of the two Orlando City Officials to our Motel to welcome us to the City and to check on whether we were having a good time and enjoying ourselves. I am sure not every club had that kind of welcome. There just might have been a connection between this visit and the gift wrapping that Facklers car got the next morning. I understand that Betty just unwrapped the car, kept that paper, and plans to use it as needed. Someone from our club owns a police whistle and at the Saturday dance just following the convention this whistle signaled a mass walkout with everyone turning in their club badge. One of the few times we have seen Don & Betty speechless. Of course it was all in fun until those that walked out returned and then Don wouldn't give them back their badge. We are sorry to report the passing of Paul Crocker. Paul had been sick for some time but he had progressed to the point where he thought he might be able to return to dancing in a few weeks. It was all very sudden. Three squares tried to surprise Jerry Seeley and his Gold Coast Swingers at one of their regular dances this month but I guess the word got out and the refreshments committee and all the club members were waiting for us. We had a nice evening of dancing and the last tip of the night was everything goes with three callers alternating on the mike. Talk about mixed up dancers - the callers were just a little more than mixed up themselves. Ann & Harvey Erp have finally made their move to Ocala after months of planning. We will miss them down here and some club at that way better grab them quickly. They are good workers and fine dancers and really contribute a lot to the club. We wish them good luck in their new home and business. Come have a good time and dance with us, we will make you welcome. The Kirks

ROADRUNNERS with Ernie Bass calling the squares and Wally Jacobs on the rounds have moved to a large, new, air conditioned hall in the Holiday Inn. We have changed our dancing night (check our listing) and guests are always welcome.

WOODCHIPS of the Ox-Bow in Pinellas Park had a well attended and delicious Pot Luck supper June 5, honoring Bob & Catherine's approaching marriage and Hugh & Jan's departure. An enormous cake, appropriately decorated, was provided by our talented Amel Dunbar. Jack Cloe Yodelled to a most receptive crowd for our June 12 special. Electrical storms have been playing games at a couple of our dances of late, one Sat. eve we danced the last half hour by candle-light, (romantic, eh). Then a freakish lightning bolt zoomed in on George's amplifier just as his Sun. night class was starting one evening. The Ox-Bow is getting a bit of a face lift in the form of a new ceiling with the help of many hours of skilled labor from the dancers, chief among them being Ed Olive & Don Rand who both worked daily with George during the latter's vacation. Square dancers are the Greatest!

LEFT ALLEMANDERS St Petersburg The Big Rain didn't interfere with our club dancing luckily. Our sympathy to everyone affected by it though. Graduated our club sponsored class this past month. Jack Harris is to be congratulated on a fine class. Those Stomp in' Stump Jumpers put on an excellent demonstration for the class party. Had a record breaking turn out for our club business meeting at the Zelners. All you Allemanders keep up the good attendance at these meetings for our conscientious, hard working, good looking President Roy Styers. We have some great callers coming up this month, so lets all have a good time. See you at the dance. Jane & Milt Amsrud

MODERNAIRES of Ft Lauderdale returned from the State Convention a happy group. Many of us planned months ahead to make the occasion a family vacation with their children enjoying the activities too. We wish to thank our many visiting friends for joining with us in our weekly dances and hope they find it fun dancing with us as we do squaring up with them. Our caller, Chuck Leamon, really "belts them out" and how we enjoy it. He keeps us on our toes teaching the new figures and reviewing those recently mastered. Come on down! The many favorite dishes of our members were enjoyed at our Pot Luck Dinner before our regular dance June 12. Too much seemed to be the popular expressions for the spread and after the fact, too. Following last month's wedding of two of our members, Jim & Hilda Huber, we are happy to report the romance of another Modenaire square dance pair has blossomed! Terry Winchester, A June Bride to easy going Jim Schmale. it was announced at our June 26 dance. Good Luck Terry and Jim. Stephen Miko

BUTTONS & BOWS of Lakeland had a busy month of June, with our 21st Anniversary Dinner and Dance on the 8th. Our hall was decorated for the occasion and each table held a cake with twenty-one on it. During dinner, movies and slides were shown of events during the year and many of our members and guests were included. Our callers were Wade Driver and Marty Martin. During the evening, prizes were won by many of our guests and members and 21 was used as the key for the gifts and they all were live potted plants and will be a gift long remembered. On the 22, we welcomed Art Springer as our caller and we also had a Knothead group from Satellite Beach and Colin Walton, their caller. Our hall was decorated for them and we even had a tip called by their caller showing how much they learned. It was a wonderful evening and we were sorry to see it end.

Vance & Miriam Bateman

YELL-O-ROCKERS of Zephyrhills are having some fabulous dances during the summer months. In spite of the rains and the many dancers who were away on vacation and to Nationals in Texas, the end of June dance with Jim Baker calling turned out to be a real whirling, twirling fun dance. At this writing we are looking forward for a good attendance at our Gay 90's dance in July with everyone in old-fashion dress and Chuck Leamon calling. We will not have a dance in August in deference to the Knothead Convention. We are happy that our own Buz & Pat Norcege were not badly injured in the auto accident they were in on their way to a Spinning Wheel dance recently. The welcome mat is out for new members Leonard & Judy St Onge and their daughter Tracey.

STARLIGHT PROMENADERS of Sanford met at the Holiday House Restaurant for a combination 15th Anniversary & Installation of Officers Dinner. Guests were Bob and Lou Rust and Oscar and Charlotte Erwin. We would like to announce that the last dance night of every month we will have all singing calls.

KISS-A-ME SQUARES In May we surprised Clarence & Marie Steinhoff with an appreciation night. They take care of the rounds for us. Everyone keeps a secret well as the Steinhoff's knew it was a special night but not why. Wade Driver's calling made the evening all the more enjoyable. Hope everyone enjoyed our beauty contest at the State Convention - the primping that went on backstage!! We're proud all our 'gals' who took part. And - the pantomime of The Streak! Guess club president, Tom Babcock and caller Bill Shell (or Ethel as he is known now) will go all out for square dancing. On June 13 the club and class gave demonstration for the Fla. Assoc. of Court Clerks and received a delicious dinner in return. We were having such a good time that the clerks left long before we did. Fire struck the home of Tina & Suz Sommerman in June and did not leave much. They are well known and liked in square dancing circles, keep them in your thoughts. Egleston's

BAREFOOT BAY TWIRLERS of Barefoot Bay have had a very enjoyable spring and are looking forward to a good summer and many activities planned for fall and winter. On April 8, we graduated our new class of dancers and a fun time was had by all. Many games and lots of food made the evening of dancing a real pleasure. Several members are planning to attend the Carribean Cruise to Nassau & Freeport with our caller, Bob Frye and his wife Marge. This should be a real nice trip. We are in the process of planning and completing arrangements for our Annual Toys For Tots Dance in Dec. A new unwrapped toy is the only admission and a good time is had by all. Many of our local callers have volunteered their time to call for this worthwhile affair, The toys that are received are sent to a local charitable organization for the distribution to the children just before Christmas. All in all we are looking forward to a very nice summer and we are hoping to start a large group of new class members on their way to dancing in the fall. Pat Lenik

HARBOR CITY SQUARES of Melbourne will be dancing every week this summer in our air conditioned hall. We have guest callers and they have really been bringing out the crowds. Singin' Sam Mitchell called June 21 to a group totaling 17 squares which was a nice turnout for the vacation month. In August we are looking forward to our return joint dance with the Twirl-A-Ways from Titusville, with Jim Deeter calling. Guest callers for August will be Jim Deeter, Wade Driver, Bobby Keefe and Art Springer. Don't miss dancing with us.
Darlene Berkes & Margaret Fisher

SUN DANCERS of Titusville with caller Harry Castner, graduated their class on June 9. We had a wonderful time and our caller held up well, in spite of the fact he had been roused out of bed at 4:30 A.M. the night before by a whole busload of square dancers from Titusville Twirl-A-Ways who were returning from a Knothead trip to West Palm Beach. He opened up shop, music and all and called for them. So they could earn their idiot, grasshopper and moonlight badges, dancing in the backyard with and without flood lights. They also took his P.J. top off for a shirt snatcher badge and wrapped him in toilet paper for a mummy badge. If there is a badge for dancing with mosquitos they earned that too, 100%. Two squares of our dancers did an exhibition at Cape Colony Inn and the new graduates enjoyed this experience immensely.

SUN SQUARES of Deerfield Beach had a busy month of June. Several members enjoyed visiting the Castoffs, Pistols & Petticoats, Orange Blossom Squares and the Gamblers. These visits were organized by our club visitation committee directors, Ralph & Mary Miget. The Wednesday workshop at the Boca Raton community center has been discontinued for the summer. Our club enjoys the round dance instruction and workshop cued by caller, Fred Horning and his wife Louise. Everyone appreciates John's square dance workshop on club night - keeps us up on the very latest. Good luck to Dick and Pat Tate on their temporary assignment to Burlington, Vt. we shall look forward to their return in '75.

WESTERNAIRES of Miami turned out in masse recently to help caller Bob Cook graduate an excellent class. By the end of the evening it was difficult to tell which were the Westernaires and which were graduates. This was the start of a busy club week which ended with a blast at the Golden Gate Inn when the club members joined new graduates for a Knothead week end, with a total of 9 squares dancing. We all consider it a good omen for the future of square dancing that so many of our new graduates are in the under-thirty age bracket, but from the way our squares formed up and mixed there is positively no age barrier. At our after party we welcomed a group of Dixie Twirlers who had been dancing in nearby Naples. Bob, ably assisted by his law Marilyn, deserves our thanks for making this such a successful weekend. We discovered that the second love of many of our members and graduates is tennis because the tennis courts were crowded all afternoon. The vacation season finds the Prices and Picciolos heading out for long camping vacations. Sorry to loose them for the rest of the summer. The usual summer doldrums are not evident this year because attendance at our dances is as big now as it was during prime winter dancing time. We have had a good selection of visitors from all area clubs and individual artists such as cloggers Ray & Kay Moye. Schrafft's Motor Inn in Clearwater will be the headquarters for us and friends at the Knothead Konvention. Club Participation is excellent and we can say the same for the club's enthusiasm for the Second Annual Area Dance at the Deauville. Have you seen our round dance ring lately? It's full circle and then some. Our thanks and gratitude to Bill Beattie for encouraging so many of our members to round dance and allowing us to record and offer cued tapes. Note the Calendar of Events for Luau which, as always, will be a whopper.

S.E. FLA. S/R DANCE ASSOC. Long overdue recognition of the work of Meda & Adrien Levesque in our association was given at the June Clinic when President Bud & Nita Shelton presented them with a plaque and expressed the thanks and appreciation of the Assoc. Meda & Adrien are original members of the assoc. as now organized and the growth of the Assoc. to the present high membership results from the efforts of such delegates as these. As a further gesture of appreciation of the Assoc. named them permanent honorary delegates. Merry Twirlers did an excellent job hosting the June Clinic & Meeting and special thanks were extended to Louise & Bill Roundtree and Ethel & Bob Bland. The Assoc. is very grateful to the area clubs for hosting monthly meetings and clinics and the members attending always enjoy the many goodies provided. Sales of ribbons for admission and hotel reservations for the Second Annual Area Dance at the Deauville have picked up sharply since the State Convention. It appears that a whooping success is in the making and that our commitment of hotel rooms will be sold very quickly. The dance chairman is advocating that those who plan to attend reserve their rooms now, because a sellout is possible. Special events for the hotel guests. We know those who attended this year will be very happy with the program for hotel guests and the skits and the parties which will follow. We hear excellent reports about Bobby Hollis' calling and his skill with madolin and guitar. Our Georgia neighbors say he is tops! The Kundes, of course, have such a following in this area that they need no further introduction. It's vacation time, Happy and safe traveling to those on their way to or from vacation. Remember, Don't hurry, don't worry; and don't forget to smell the flowers !!!

PROMENADERS of Cresthaven A word for our unsung heroes, the club officers. These illustrious men are the very backbone of our dance group, and our success is due to their efforts. Our President Jim Burns and Harry Stockfegger our caller booking agent have graciously agreed to remain for another term, and our new Treasurer Bill Glassman will relieve Luke Dolezal who did an outstanding job. Mention must be given to our titleless Glave Noel, the best public relations man this side of the Mason-Dixon line. He shakes more hands than six politicians combined. Our club is also proud to have been host to 40 dancers from the Titusville Twirl-A-Ways who came down in a bus to make Knothead. It was like olden days having Jay Fenimore do Venus & Mars - real fun. Helen & Wally Jacobs still tirelessly teach us the latest rounds. Peg Schaefer

NAUTICAL WHEELERS Key West - We have moved to a new home. All club activities will now be held at the Cafetorium in the Sigsbee Park School, with a new beginner class being held each Tuesday and the regular club dance at the calling of Jack Stevens every other Friday during the summer months. It has been like old home week in Key West with Byron & Orletta Lowery and their two dancing daughters, Carol & Ivy, spending their vacation here from Bedford, Mass. Byron was one of the pioneers of both square and round dancing in Key West, and is now actively engaged in teaching round dancing, and is involved in the many phases of dancing in the New England area, including folk dancing, Morris dancing and the revival of Contra dancing, as well as being an active participant with his two daughters in the many day-long festivals held in the Boston area. Ann & Bill Sitten, who were transferred to duty in Naples, Italy were in town for their son's wedding, and last but not least, ex-Nautical Wheeler president Paul Lacey was down from Orlando, Fla. Eileen M. Nolte

FLUTTER WHEELS of Lake Placid have enjoyed the visits of many dancers from Sebring, Lake Wales and the Miami area. We have been guests of the Tower Swingers in Lake Wales where Roger Chapman called a wonderful dance. We also visited with the Ridge Rollaway in Sebring. Jack Livingston put on an excellent party for us. We will attend a country western night sponsored by the Sebring Junior Women's Club. We hope to encourage more people to enter the square dance activities. We welcome all dancers to our dance in Tropical Harbor Park with Tom Bean doing the calling everyone will enjoy. He is also doing a remarkable job in making our club dances most enjoyable. Come visit us. John Kelley

MID FLORIDA SQUARES The summer program of square and round dancing is continuing unabated although somewhat lessened at Mid Florida Lakes. A picnic for club members was held at Gilbert Park on beautiful Lake Dora on June 12; 130 people attended the party- Although it was billed as a planned pot luck, the club furnished broiled steaks add liquid refreshments. Bill Lund brought taped music for round and square dancing and was emcee for the happy dancers. Interspersed conveniently throughout the evening festivities was drawing for prizes, mostly money. Everyone left the picnic with the feeling that the program committee did a marvelous job and that another party of the same type should be planned for the early fall. Round dancing lessons, tutored by Jim and Norma Trulock have captured the admiration and enthusiasm of 24 couples. Graduation exercises for those participants took place June 23. Basically, those graduating have mastered the two-step portion of round dancing and have just touched the basics of the waltz. While our illustrious caller John Saunders, is galavanting around the country taking a questionable vacation from everything but calling, his replacement Sing-in' Sam Mitchell had thrilled our club with his experienced and smooth presentations of square dance calling. Happy vacation to y'all! Vi Anderson

FRIENDLY WHIRL-A-WAYS R/D Jacksonville The summer slump is about to descend upon us due to vacations etc. but we are still alive and kicking. That's because the club gets carbonation thru a special process called loyalty, spezz and zest for learning new material. This is the season for festivals and that is usually where the fun is. going places and doing things. One of the nicest things about a festival is meeting old friends and making new ones. Reports from the State Convention where there was so much enthusiasm confirms this. It has been said in order to have a successful organization you need to "Plan Your Work" and then "Work Your Plan." And that meetings just for the sake of having meetings are not only boring, but can be hazardous to your health. Well, our meetings are never boring. The business is brief, the dancing is fun and the food is great. We meet on June 2nd for a covered dish supper. From this meeting grew plans for the summer months. Due to business pressures, Sidney Few resigned as treasurer and Bill Pangle was appointed to finish the unexpired term. Our instructor, Edith Reisen, taught Be My Honeycomb and the basic rhythm and styling of the Tango. Betty Few discovered it really takes two to tango. Mabel Pangle

ROUNDETTES of Lakeland have been busy working on many dances taught at the State Convention as well as the new ones Marty has been teaching. Many of our members are away on vacation and many more will be leaving for the Nationals and vacation as well and our group is very small at this time. Marty & Byrdie flew out to the Nationals on Sunday 23rd and will be doing some sight seeing before becoming involved in the convention.

REVIEW WORKSHOP FIGURE ZOOM - For Mainstream Dancers

Zoom is really the equivalent of a substitute or the older call "leads roll back behind those two". Both do the job however the Zoom substitute is much smoother in body flow than "substitute" and the term Zoom fits the metering and timing far better than the log warded "leads roll back etc.". If you are not using Zoom you really will find it easily taught and learned and has a place in mainstream dancing.

From any double pass thru or completed double pass thru set up the lead couple will start a peel pff motion but continue on around until they have fallen behind the trailing couples and end in the same facing direction and partner relationship as when started but will be the trailing couple. The inactive trailing couple will step forward into the vacated positions of the lead dancers so the space used is the same as when the figure was called.

BELLES & BEAUX Valdosta, Ga. have been busy with our regular dances, helping our caller Bob Bennett with the classes, dancing at the local nursing homes, and at the college. Everyone especially enjoys dancing at the nursing homes to see the enlightenment on the folks faces. We welcomed five new squares of dancers into the club in May. The Recreation Dept. sponsored the class and at present we have four squares going thru classes. We have started a round dance class with 10 couples on the first night and things are looking up for bigger and better things in Valdosta. The rounds are taught by Audie & Clara Lowe from Quitman, Ga. We are also having workshop along with the rounds and the new class, in between their resting and it works out fine. Our club is working in the Valfestiva, in conjunction with the Arts weeks, having a square dance on June 10. The club had a nice turnout for the Tifton, Ga. Circle Eights Anniversary Dance. We have visited with the Rafter Rockers in Albany and they have a nice club. We invite all you fine folks to come join us in Valdosta and dance with us at the Garden Center.

DIXIE LOOPERS of Holiday Many of our members are away for the summer but we still have a very good attendance at our dances. We are happy that so many visitors come to our dances and join in the fun in our air conditioned hall. Ken Cucore keeps the group on its toes by bringing us up to date on new figures. The Executive Committee is busy making plans to resume full activities in the Fall when our traveling members return. We dance every week and welcome visitors, join us won't you? L. Gagne

We have secured another larfe hall - The St Petersburg Junior College, Clearwater Campus facilities for the dancing - lots of good paved parking located on Drew St in Clearwater 1/2 mile west of US 19 North. Please see the map on the program. We're giving notice at this time, that since the Konvention is again an open one, we are Withdrawing our offer of making 1974 a year that will not break a sequence. Fair enough? K. Mack

WHIRL & TWIRL of Orlando celebrated their 12 anniversary in a gala manner with a Ham & Sweets dinner supervised by Barbara Doughman on June 28. 18 squares including past-presidents Bartons, Peltzs and McDermotts enjoyed the spirited dancing which followed. Anyone interested in the details of the National Square Dance Convention can find out by asking Pete & Janet Shankle and Henry & Rita Dugan who helped represent us and Orlando at the festivities. On July 5, the Firecracker Special made up of request singing calls was a swinging affair and began the month with a bang! The tenderfoot were treated to the fun and patter of Jim Deeter and the bigfoot enjoyed the calling of Dale McClary while our caller, Danny Robinson, was practicing Sliding Rocks and enjoying mountain scenery while calling at Rainbow Lodge in N.C. Our summer dancing season is alive and well!!

THE

History of Square Dancing

BY AL CODY

IN FLORIDA

Readers of Bow & Swing in the summer of 1969 were looking forward to the fifth annual "Square Round and Folk" dance short course at the University of Florida, accommodations in the college dormitories were comfortable but a little on the spartan side. Families could be accommodated also. Harper Smith and Pete & Ann Peterman were the headliners.

The seventh Florida square dance convention in Miami Beach recorded 1076 registrations and 763 spectators in early May, biggest item of business for callers' and dancers' association meetings was planning for the hoped for 1961 National Square Dance Convention in Miami - invitation was extended at Denver in June, but Detroit was awarded the show for 1961.

Area activities include the Central Florida Association's institute at Kissimmee May 23, the seventh annual square dance fiesta at Pensacola June 26 - 27 and Les Gotcher's upcoming institute at the Mac Arthur Beach Hotel in Venice.

SOUTH ORLANDO SQUARES Orlando held their summer dinner meeting before the dance June 8, with twenty four couples attending. The food was plentiful and delicious couldn't find better at the best restaurant in town, and the tables looked so pretty in their red, white and blue. New officers were elected for '74-'75, President James & Rita Wilkins, Vice President Hank & Boots Hancock, Sec.-Treas. Larry & Doris Lamb good luck to all of you.. After dinner ten squares danced to our great club caller John Saunders, Come visit us some time and see what good fun we have.

TAMIAMI STEPPERS Bonita Springs Party Night and Father's Day brought forth forty members Sunday night, and some guests. The women were given some "fun" gifts, baby dolls and pacifiers (products of the imagination of Elle Bowden & Treva Pahuski) to present to the men as Father's Day gifts. Birthdays and Anniversaries were celebrated with song and dance, followed by refreshments of a variety of finger food furnished by the members. Honored guests for the evening were Oscar & Fran Schwartz, Round Dance Instructors from St Petersburg, who taught their latest little fun dance, Oh Me, Oh My to our group. They later gave a demo of the classic Let's Dance. We were very pleased by their compliment that they had never met a more congenial, happy and cooperative group than ours. We reciprocate with the observation that those two wonderful, fun loving people added a special sparkle and spice to our party night. We look forward to a return visit soon. Visitors are always welcome and we assure you there is never a dull moment at any of our dances.

Treva Pahuski

CENTRAL FLA S/R DANCE ASSOC. All members join hands and say Thank You to the More In '74 Chairman Jack & Pat Tucker. Everyone who worked so hard in helping them, to make the '74 Convention a huge success, have now relaxed and recuperated. The dance in Eustis Sat June 29 - 31 squares showed most all the crew in good dancing to the calling of John Robbins of Jacksonville. Prior to the dance and meeting 32 couples enjoyed a covered dish supper with all the trimmings - officers elected for the '74-'75 were Pres. Pee Wee & Mary Stewart, V.P. John & Melva Best, Sec. James & Rita Wilkins and Treas. Chuck & Donna Mayo.

Pee Wee & Mary Stewart hosted an appreciation Supper Party for all the Committee Chairmen of the Convention Sunday June 26 at the Matinee Club at Ben White Raceway in Orlando. Jack & Pat Tucker were seated at the head of the table in honor of their great chairman leadership. Pee Wee representing the State S/D Federation, gave thanks, with "his cup runneth over to ast" to all, for a great job. He mentioned those chairman who were unable to attend and wished for their presence.

Rita Wilkins

Dick, known as that "man with the Guitar" has been calling square dances since 1952. As a tribute to his ability he is well known for his excellent timing and his concern for smoothness in dancing. As a result, he is often asked to give lectures or serve on panels at callers' clinics. Included in his repertoire are quadrilles and many traditional calls along with the contemporary Western figures. This combination, he asserts, helps to make a varied and interesting program.

Rightly referred to as one of the outstanding choreographers in the square dance field, Dick records several records every year. Two of his best known are "Mary Ann" on the Folkcraft Label and "Marina" on Top. As testimony of their popularity, they rank today as two of the biggest selling records in modern square dancing.

STUFF & NONSENSE

by EMILY LEACH

What really counts is what we learn after we know it all.
A mud pack helped my wife's looks for a few days, but then it started to flake off.
Lake didn't believe in flying saucers until he geosed a waitress.
If a person feels he has no faults, that's another one.
The first man to tear a telephone book in half was probably the father of a teen-ager.
If sex is over-rated, you can imagine where everything else stands.
A man cuts his wisdom teeth the first time he bites off more than he can chew.
A dog wins friends and influences people without reading a book.

Destiny shapes our ends, but our middles are of our own chewing.
Now and then an innocent man is sent to the Legislature.
An eclipse of the sun is like a see-thru blouse-----you know it's there, and you know it's interesting, but you're not supposed to stare at it.
Two tourists met on the street in Athens. "I've been here four days and haven't been to the Acropolis yet, admitted one." "Neither have I," said the other, "it must be the water."

In a book store: "Pardon me, Miss, I'm looking for a book called: "Man - Master of Woman." She replied: "Sir, the fiction department is on the other side of the store."
Women's clothes should express their interest. As of now, it appears that some of them are not interested in much.
Inflation means being broke with a lot of money in your pocket.

A politician is a man who says, "nice to see you again" even if he has never seen you before.
Luke was visiting a chicken farmer. He was shown a very large egg and said: "I'll bet it doesn't take very many of them to make a dozen."
Then there's the one about an out-of-town elderly man who made the mistake of trying to drive in the dense New York traffic. The oldster got on a freeway and suddenly found himself beset by roaring, missile-like automobiles. He was creeping along, much slower than the minimum speed when a police car halted him. "I suppose you know why I stopped," said the officer. "Yeah," said the oldster, "I was the only one you could catch."

Today, the girl just like the girl who married dear old dad would know better.
You get no praise for what you're gonna do next week.
Mini-skirts make it a lot easier for girls to get up stares.
Strange names are given race horses-----especially when they lose.
When you're past 55, you'd better start looking around for younger friends, so you'll be pretty certain they'll outlive you.

He was a very cautious man, who never romped or played,
He never smoked, he never drank, he never kissed a maid,
And when he up and passed away, insurance was denied,
For since he hadn't lived, they claimed, he never died.

IMPERIALS of Largo, after a relatively relaxing June we're kept exhaustingly and blissfully busy in July. We sent a square to the Citrus-Land Square-Up in Lakeland. Dancing to the calls of Roger Chapman, Harry Lackey and John Saunders sent them home with smiles on their faces. The stay at homes had a real special on a local basis. The Summer Fling at the Clearwater Campus SPJC saw us all over the floor. And Cal Golden did not let us down. We had a ball and the best snacks on the West Coast. It is certainly nice to have an enthusiastic group like the Swinging Eights around to sponsor and bring these "name Brand" callers into our area. Great show Swinging Eights. Our thanks to you and your co-sponsors the Steeple Stompers. Other than these specials we dance with Singin' Sam Mitchell at the YWCA and at Imperial Point with George Hale who knocks the edges off the figures we recently learned elsewhere, adding a few new ones of his own. Then we can be found at Belleair or the Ox-Bow and then with Fred Christopher with a choice the next night between Swinging Eights and Left Allemanders with Saturday night at home at the Ox-Bow and with the callers and the happy crowd that George & Lee Wood gather there makes the Ox-Bow a kind of special event in itself. The grass may not get cut but we do enjoy our dancing around with you all just as your attendance at our dances indicates you enjoy our enthusiastic club level style at Imperial Point, Thanks for coming and you all come back now - Y'hear?
