They are shown with club treasurer chest at the Pirates Ball held in Orlando in May. Kayo & Phyllis Williams are the round dance leaders.

**SPINNING WHEELS** of Tampa - Hello dancers, wow - what a convention, wasn't it great. Sure was nice to see friends everywhere you went - some old, some new! Weren't the callers (all) great? And the round dancer cuers as well. Every minute was filled with joy and excitement! And all those after parties and initiations into different "clubs". And best of all our young people who square dance as well as clogg. Oh, what energy! We hope all of our friends and visitors keep visiting us during these summer vacation months - and remember our special dance in July (see our ad) with Barry Medford from Houston, Texas a real winner. Be sure to get your tickets and lets dance together again. We hope to make this an annual dance with good callers from all over, with your support we may make it. Please remember our club is an open club and all dancers are welcome. We will be looking forward to seeing you.

**TAVARES SQUARES** I'm certain you've all heard the expression "all ears". Perhaps I could have used a few extra ones during the first meeting of the new officers. Pres. Schmotzer and all the new committees were bursting forth with so many fun ideas for the new season, that I'm afraid I might have missed some. Although the program dates aren't final as yet, I'll let you in on some of the suggestions. There was a Sweetheart dance, a Jim Dandy, Anniversary & Appreciation dance for our caller Danny Robinson, also Thanksgiving and Holiday dance party and even as far ahead as St Patrick's Day. A date in Nov was picked for our annual Boys Ranch benefit dance, with George Hinkel. Doesn't that sound like a happy, fun packed year ahead? You should see what a couple of months workshop has done for our newly graduated members. Thanks to our teacher Bill Shelland the cooperation of some of the old (I don't like that word) lets say a trifle more experienced club members they are ready to try their wings at the convention. You are welcome to join us in our square dancing fun.

**SAILFISH SQUARES** have been fortunate to have Ed & Beula Janason come and teach round dancing basics from 7 to 8 P.M. and then cue the rounds for the dance that follows. We are hoping that our favorite round dancers will come down to our dance at our new location in Stuart. The club has decided not to have dances while their caller Jack Hosken is away on vacation getting acquainted with his grandchildren, so our dancing will resume again in July. Three of our couples went to the Fun Fest at Fontana Village after the State Convention in Orlando. This we had 10 couples at the Convention all wearing their Sailfish outfits. Everyone had a super time especially those who were having their first big convention experience.

**CAPE CORAL SQUARES** We are all pleased that our Directors have voted to continue our regular club level dancing each week during the summer months (rumors to the contrary are unfounded). Our beginners class in round dancing is progressing nicely; many of the new members now join the club dancers in selected portions of the early rounds. The club and the class thank Chris and his law "Butch" for their fine work with this new group. Commencing the later part of September the club will sponsor and Chris will teach, a beginners class in square dancing; lessons will be given from 6 to 7:30 Monday evenings at the Yacht & Racquet Club, Cape Coral. We were saddened by the news of the recent death of one of our newer members, Joe Geruntho, who came to us from Grand Squares, Whippany, N.J. Joe's ready smile and friendly, gracious manner will be missed by our members and all others who knew him, on or off the floor. Bill Hart

**ALLEMANDERS** of Satellite Beach are enjoying the summer dance schedule of regular dancing every other week. We do have our regular workshop night during the summer. This is taught by our own Colin Walton and his law, Peggy. These sessions are not only fun, but very beneficial. It keeps us in shape for the coming fall sessions. In addition we are trying to keep up with all the latest dance figures. Anyone interested just join us. A really big time is planned for the July week end at Lake Okechobee. There will be dancing and picnicing for the adults and small fry. Many are planning to attend, so we expect to have a very enjoyable time. We are also planning a special Knothead trip during July. We want to get as many dancers qualified as possible for the Knothead Convention in Sept. in Clearwater. Let's all turn out and make this trip a memorable one. The registration is limited, so get your bids in early! We are enjoying all the new members. Do keep on dancing - even the Summer months are fun. Bob & Mary Lewis

**KISS-A-MEE SQUARES** congratulates Rebert & Mary Jones - best dressed couple at the Pirates Ball. Several couples traveled to North Port Charlotte to earn their Knothead badge and our thanks to the host chapter for such a good time. We have an enthusiastic group in class now, with Bill Shell instructing and we're looking forward to having them as club members.

**PIRATES BALL & DANCE** Orlando - Hi Ho all you Pirates who attended this dance early in May. The log book is finally complete. 50 squares were on board ship at the Municipal Aud. with their beards styled and ladies in colorful gowns & shiny jewelry. Before boarding ship 30 squares were initiated into the cave of Jolly Ho-Ho and walked the gang plank to the fine calling of Buccaneer Danny Robinson and Elmer Sheffield. Chief Pirate Len Bernard, Bill McAdams & Suz Somerman along with the chief gunnery mate Pee Wee Stewart really livened things up in a Bluebeard fashion with hoisting the Jolly Roger flag. So mark your calendar for your passport in '75 in May. Join the seagoing crew.

**DIXIE SQUARES** of Daytona Beach We have elected new officers for the coming year. For president, Roland & Joyce Dion (re-elected), V.P. Henry & Carol Murphy (re-elected), Secretary Frank & Marie Lisle (re-elected) Treasurer J.J. & Dallas Graves (new). A big thanks to Glenn & Mildred Bryan who served for the past four years as treasurer. Now you two can square up the very first tip. On April 18th we celebrated our 15 Anniversary with a country-western dance. The costumes were colorful and the calling was enjoyed by all, was by our Pistol Packin' Chuck Durant. Pat Heric is cueing the rds. between each tip. Round dancing is on the upswing in these parts. Recently we had twenty two couples on the floor. May the ninth was our class graduation. Bresford

**GOLD COAST SWINGERS** are still swinging. Our club and class drove over to Golden Gate Inn at Naples to earn their Knothead badge so we could all attend the Konvention in September. We were joined by Norm Daumbaugh and his people, and we made sweet music (and dancing) together. A return trip is being planned later this year. We graduated sixteen from our class the middle of May and some of them, together with some club members went to the state convention. We are mourning the passing of one of our members, Myrtle Smith. She will be missed. The winter visitors are heading back north but we will be swinging at Deerfield Beach all summer. Please join us. K. Custer

**BOB BLAND**

**CALLER OF THE MONTH BOB BLAND** - Miramar - In 1960 Bob & his law Ethel learned to square dance with Earl Anderson at Hunter AFB, Savannah, Georgia. After graduation they became officers of the Hunter Hoedowners and under their guidance as President the club became known as "the friendliest club in Savannah"! Out of the 22 clubs in the city, that was a pretty good reputation! Bob decided to try his hand at calling in 1962 and taught his first class that fall. They started with 90 teenagers and graduated 45. He still sees some of them at conventions. He also was at this time editor of "Square Talk" magazine which is still being published. He remembers receiving complimentary copies of Bow & Swing in '63 Bob & Ethel were transferred to Little Rock AFB, Arkansas. The caller for the base club was retiring and they had no prospects for a caller. So they fell heir to a class and club and again every Saturday nite Bob packed them in at the Base Recreation Center and this club acquired the same reputation, "the friendliest club in the Little Rock area". Bob helped to establish the Arkansas Callers Association, writing the Constitution and By-Laws. He participated in most of the area and state square dance functions. When he retired from the Air Force, Bob and his wife moved to Orlando. The late Jo Curtis and the then FCA president Joe Johnson sponsored him for membership in the FCA. After about a year he and his bride of 27 years moved to Southeast Fla, where they built their home in Miramar. Bob has called on area, state and national programs. Since Bob has been in this area he has helped several callers get started. He was recently elected Treasurer of the Southeast Florida Callers Association. He currently is teaching a class and shares calling for the Merry Twirlers with Bill Roundtree. Bob is always working toward the cultivation of the Square Dance movement. In his words, "It is amazing what can be achieved if you don't care who gets the credit!"

**S E FLA CALLERS ASSOC.** meeting was called to order by Pres. John Sherley at 2 P.M. May 19 at Holiday Social Annex in Ft Lauderdale. Jay Fenimore made a report on the history of the Florida State Convention. A discussion on programming of callers at the convention was held. Quite a few felt that the old system was better than the one being used this year. It was agreed, however, to wait until after the convention before attempting to judge the merits of using two callers on the night program. Dancers Assoc. representative reported advance registrations were ahead any convention to date and we could expect the largest convention ever. Two new figures were presented at the workshop section of the meeting by Chuck Leamon. The figures presented were Go Next Door and File To A Line. After the workshop it was decided to use File To A Line for next month.

**CASTOFFS** We have had a busy month. On the 10th of May we held an initiation Dance for our new club caller, Tom Trainor. Tom certainly called a great dance. He continued to call undaunted, as we wrapped him like a mummy, had him arrested, thrown in jail, bailed him out of jail, accompanied his singing call with bicycle horns, sat a tip out on the floor and put frogs in his coffee cup. Tom will be calling for us twice a month. Max Mandel added to the evening by cueing the rounds. On May 19 our beginners class, taught by Jerry Seeley, graduated. A pot luck dinner preceded the festivities. On May 29th we took the class on their first mystery trip to Pistols & Petticoats class, taught by Chuck Leamon. A great time was had by all there. Many of the club went to State Convention, so our dance was cancelled. We are all looking forward to the coming months. We have several events coming up including a special events on Dec. 28th. Watch for more details. We cordially invite you to come and dance with us and hear our new club caller. We think he's great. Mike & Sharon

**LEFT ALLAMANDERS** St Petersburg We had a very good representation from our club at the State Convention. Nothing but favorable comments from the dancers. All had a great time. We have voted in three more couples, Joan & Paul Messenger, Jim & Ann Shroyer and Marge & Bill Schmalzriedt. Welcome! Very happy to have you join us. May was another good month of dancing. Fine attendance in both squares and rounds. Another VIP couple in our midst Earl & Betty Williams named Vice President of Pinellas County West Coast Assoc. Jane & Milt Amsrud

**YELL-O-ROCKERS** of Zephyrhillis are planning a Gay Ninety's Party for their July dance when Chuck Leamon will be calling. Get out your straw toppers, sleeve bands and high shoes, maybe an old fashioned bathing suit or two and come and join the fun. A lot of preparation and planning is being done by Willard & Joan Barrentine. The Martins will cue the rounds. A lot of us attended the State Convention and vote it out standing convention from the camping arrangements, dances and after party skits through to the final farewells! You'll come to Zephyrhillis for fun dancing, friendly fellowship and good food.

Howard Rohrbacher (center, rear), caller & teacher for the Ocala Recreation Dept., poses proudly with his May 13 beginners graduating class. This is the third largest class in the sixteen year history of square dancing in Ocala.

**JENSEN BEACH COMMUNITY S/D** held their March 8 dance an Easter Bonnet Competition which the men also participated. Prizes were given to Marjorie Lang the prettiest and Earl Gordon the funniest. We are very happy to announce we now have Ed & Buleah Janason with us to cue and teach rounds. They pain to have a class in the fall. Don't forget our Cal Golden dance, he is an internationaly known recording artist and caller from Arkansas. Our regular caller, Dale McClary continues to shine with his ever popular zesty club level calling as is evidenced by the good turn out of the enthusiastic dancers.

Olive Fifield

**CROSS TRAILER** Deerfield Beach We graduated a new class of 27 graduates on April 21. A pot luck supper started the evening off and it was typical club feast from start to finish. Many of the graduates and members brought their children and we had several children in the graduating class also. It was a most enjoyable evening. Pete Sansom worked hard on this class and their danding showed that they were good pupils. Pete brought as his guests, Julia & Dave Smyth from London, England. Julia is a well known square dance caller in London and the new graduates danced their first dance as graduates to Julia's calling. All the members joined in and Julia proved to be an outstanding caller with a wonderful timing beat. You have never danced Flutter Wheel until you have heard Julia call it. Amazing. The club's thanks go to Floyd & Nila Banks, our new president, for the excellent work they have done for the club not only in connection with the new class, but in the manner which they have taken over since the election. They are also hard working in securing cooperation from members to arrange traveling groups to dance with other local and distant clubs. Rex & Mary Moss produced a quantity of minature club banners by the silk screen process and one of these was taken back to England by the Smyths. We hope that some of our members get a chance to dance under the banner in London in the near future.

**TAMIAMI STEPPERS** Bonita Springs are swinging into summer sessions with a lot of enthusiasm. Mothers Day was celebrated with pie and ice cream, and, would you believe? Nine pies and a gallon and a half of ice cream were consumed by this group of forty five dancers. And we were still able to enjoy the dancing! The following week being party night all May birthdays and anniversaries were recognized, and naturally, we had some delicious cakes for refreshments. We were honored and pleased to have Elva & Walt Blythe, instructors from Abscon, N.J. with us on three occasions, and happy to have their teach on that cute little dance Hello Polka. They are a delightful couple and we hope they can come back to visit us again. Six couples accompanied the Kastners, our instructors, to the State Convention in Orlando, and we really had a "Ball". It was so nice to meet and dance with so many of our friends from all around our area. The 28th was our Business meeting and we decided on a July date for our anniversary dance. Committees were appointed for the decorations and refreshments. Also it was decided to participate in the July 4th Parade in Bonita Springs, and a donation for the Bonita Springs Jaycees who are sponsoring the festivities. Elie Bowden is in charge of plans for the Parade entry.

**SMILE-A-ROUNDS** Vero Beach Round dancing with the Jaynes is a sure way of spending a relaxed fun evening. For the past several months Stan & Ruth have been conducting a workshop (one half hour) before the dance on the Classics and requests by the dancers of the old but still popular rounds. During the regular dance the club dances the top ten of the month, requests by members and are taught the current rounds of the month. On Sunday, May 5th, the club had a most enjoyable day at the beach of swimming, games and an ever so good picnic lunch. We will be dancing all summer in the air conditioned Civic Center, you all come for we know you'll enjoy a real fun evening of round dancing.  
Andy & Evelyn West

**O-BAR 8 BALLS** Kissimmee Just getting rested up from Orange City Campout, which was a lot of fun as usual. The callers were telling us Sunday if we keep getting crowds like the ones they are now we will have to have a limited ticket dance. So that shows you how the dancing, campers love it. The Pirates Ball is now in the past for another year. Our club received two trophies at this dance. Percentage and best chest. We were all thrilled as our club loves this dance. Thanks to Clovice & Gloria for fixing up the treasure chest. The state convention is the next big one for us. Hope to see you all there.

**NAUTICAL WHEELERS** Fifteen club members were among the enthusiastic crowd at the state convention in Orlando. Everyone approved of the idea of two National callers, and thought Bob Yerington and Jack Lasry were outstanding, and their use of the 75 Basics unusual and interesting. The exhibition tips were good and the skits hilarious, and everyone had a ball. Leo De Rosier played the genial host on the eighth floor, with a buffet of gourmet items and his usual ample supply of peanuts and everyone had the catch phrase on their lips "I didn't know that!". The club have introduced two new groups to the wonderful world of square dancing this month. On May 18, two squares were the guests of the N.A.S. Officers' Wives Club, at a covered dish buffet and square dance on the ocean-front patio at Ft Taylor, and the group were most enthusiastic over their introduction by caller Jack Stevens to some of the basic movements of modern western square dancing. On May 21, the club was invited to the State Convention of the Order of Pochontas, to the Annual banquet. After several exhibition tips to the calling of Jack Stevens, and dancing the graceful rounds. Eileen M. Nolte

**FLUTTER WHEELS** of Lake Placid were well represented at the state convention in Orlando. We enjoyed the fine dancing, excellent exhibitions and wonderful fellowship. Each week we enjoy dancing to T.G. "Tom" Bean and his exciting tips. We always like to see our friends and visitors. Dancers from Sebring and Lake Wales are helping make our dances an excellent intermediate level dance. Anyone in the Lake Placid area is welcome to join as at the Tropical Harbor recreation hall. John Kelley

**SANDY SHOES STEPPERS** of Ft Pierce had their last dance of the season on May 11. Our group was small since many dancers had left for the north but our enthusiasm was great. Our first dance of the new season will be Oct. 5th, mark that on your calendar. Approximately two squares from our club attended the state convention in Orlando. Conventions are fun and this was no exception. Agnes & Frank Kohler, officers of our club, were married 39 years on June 3rd. They are one grand couple and do so much for our club and for square and round dancing in general. Warmest wishes to both of you for many more happy years together. By way of celebrating, they invited one and all to a Sunday afternoon dance on June 2nd. They made all the arrangements for securing the Paul Cornelli Hall at Bel-Aire Estates, including square dance tapes. All they asked that each couple bring a covered dish. Dancing from 2-5 and the pot luck supper followed. Thank you Agnes & Frank, for a wonderful afternoon. Ruth Moore

These dances will continue throughout the summer at that location and plans are under way for a series of winter dances there. Dancers at this beautiful and spacious new clubhouse will be called V.I.P.s - not only very important people but Venice Isles Promenaders. Chuck Kessler, Jack Harris and Don Rich will be the callers for the summer dances.

**ORANGE BLOSSOM SQUARES** did not dance the Sunday night of the State Convention. As our dance resumes next Sunday night, topics of conversation will be on travels. Our members have been traveling North, South, East & West. Those returning from Convention speak of good dancing, well organization and fun parties. Congratulations to the Committee members and callers Bob Yerington and Jack Lasry. Many members enjoyed the Square Dance Festivals at Fontana, N.C. and also report it was one of the best Festivals they've ever attended. Most enjoyed is dancing to live music and challenging calling. Gary's class members (now new club members) have experienced many pleasant surprises of late. The graduation ceremony was one of our better ones yet. A new addition was the black light which everyone said was a surprise and quite impressive. Those participating in the black light dance were the Preisers, Wietzlers, myself & hubby, the Jones and Tom Glison and Della Lucius. We regret and miss our former Sweetheart, Pat Gilson. Although Pat regularly attends the dances, she has been unable to dance since Nov. We pray your leg will soon be all well Pat, meantime we keep Tom Busy taking turns dancing with him. Our sympathy, love & prayers go out to Grace Statt. Her beloved husband Bud and a member of the club passed away in April. He will be missed by all the square dancers and his many friends. B. Jones

**ROUNDETTES** of Lakeland had a very busy month, with learning new dances and going over those which were being called at the Convention. Byrdie & Marty Martin were extra busy with their duties for the convention and they also had house guests for a week before, Charlie & Marge Carter, and what a wonderful week it was for them and for us, the club members. It was a joy and a pleasure to watch them dance. We had almost 100% attendance at the convention of the club members and we enjoyed the teaching of the new dances taught by the Carters. Byrdie & Marty held a party on Friday night after the dance in honor of their guests. The dances for the month were Dancing on a Cloud, Red Rose Tango and we practiced many of those previously taught which had been forgotten. Our final dance for the month, was held on the 30th and it was just as though the convention had continued as it was our party night.

Miriam Bateman

**PROMENADERS** At Cresthaven we are still going strong, Ralph Otis, John Sherley, Chuck Leamon, our guest callers of the month, called their hearts out and had the hall really hopping. Bob and I attended the Rain Dance in Orange City and it was wonderful seeing Bill Ford, who used to be our local caller, and his grand wife Elva, also Bob Fry and Wade Driver a new caller to the area. If you get the chance to dance to this guy make sure you are on solid ground, he can shake the timbers loose. Wade is a real comer in this business. Had 35 squares of campers and did many rounds to Brydie & Marty Martin and had a ball. So happy to hear our own Vince Williams had a successful ear operation. Wally & Helen Jacobs are keeping the dancers busy with Godfather, Deep Purple and You Are the One. The state convention at Orlando was the biggest ever with over 3000 dancers, WOW! Everyone enjoyed themselves and especially enjoyed the Cloggers exhibition. See you next year at "Dip-N-Dive IN '75" Peg Schaefer

WOODCHIPS of Pinellas Park Two and a half squares of members are still reveling over the joyful time provided by the Wagon Wheels of St Cloud. We traveled there May 17th to qualify for Knothead and there were several fun games, delicious refreshments and each Woodchip was presented with a ribbon and a handcarved and inscribed wooden wheel on a rope to hang around his neck. The biggest chip (George Wood) had difficulty standing straight holding up his thirty pound wheel! A pot luck, with men doing the cooking, is schedule for our June Dancing. At this time we shall honor the approaching marriage of two members who met at our classes, Bob Leschorn and Catherine Ziegler. (Another one of the many fringe benefits of square dancing) On the same evening we shall regretfully say Adios to Hugh & Jan O'Dell who are moving to "almost heaven" (West Virginia) to become cattle ranchers. We shall miss them and their delightful children Erin & Shawn, who are progressing rapidly in our class. The class of ten squares is holding up well on the Sun. evenings and their many angels are such a help and certainly make it easier for the students to follow the callers instructions.

**CENTRAL FLA S/R DANCE ASSOC.** Well over 3000 Dancers attended one of the best State Conventions ever held: we trust, most of you were there and took part in the wonderful dancing, workshops and clinics. Everyone who worked so hard in making this convention a success was pleased and happy to see things go so smoothly. They certainly did not get to dance very much during these three busy days, always working and running, through the last tip Sunday night and the clean up on Monday. We could not possibly name all the people that deserves thanks for making this convention a big success, but Jack & Pat Tucker and Pee Wee & Mary Stewart led the pack and kept their cool all the way through. After a short rest, those of you, who cannot make the Nationals be sure to attend our first big assoc. dance for the '74-'75 season, to be held in June at the Eustis Comm. Center with John Robbins calling and Joe & Madeline Augenblick on the rounds, followed by the annual pot luck Dinner. Several dancers from the assoc. will be at Nationals. We shall think of them and hope they have as much fun and a little more leg room then we had- Coming up this fall is the Seminar for the new Club Officers, response to the idea has been great and we hope many of you officers can attend. Have a wonderful dancing summer. Rita Wilkins

DIXIE TWIRLERS haven't gotten very far away from home very often this month. We have been too busy practicing for the demonstration at the Convention. It was a great deal of work to memorize the three routines that Johnny wanted us to do, but it was very enjoyable work. We had a lot of laughs along the way and seem to have been successful at reaching our goal. We want to thank Johnny for the opportunity which he gave us, and also thank the many thoughtful people who took the time to come up and tell us how much they enjoyed watching us. They surely helped us toward a quick recovery from the "butterflies" which attacked us so strongly before we appeared. Didn't know butterflies could be so horrid. State Conventions are icing on the cake of the Square Dance year. All dancers should try to go. There is so much to do and so much to learn and so many people to renew friendships with. Our club had a large group which went up from Miami, but the number grew as ex-members from around the state joined us to dance or party. We were very glad to see all of them and hope to see them again next year in Jacksonville. Now the convention is over and we are all tired but happy, we can go back to weekly club activities. We welcome two new members the Cleins into the club just before they left for their annual northern vacation. So glad to have them as members and hope they hurry back south. Evelyn was our hostess one night this month. Roy Peck had a birthday and Jo Coile treated everyone to birthday cake in his honor. Evelyn Kunde was our third hostess for May. Thanks to all of you. You add so much to our evenings.

SKIRTS-N-SHIRTS of Ft Lauderdale, were happy to welcome the following new members: the Ruggs, Lucianis, Dudeks, Walkers, Atkins, & Wises. Many of our members have returned north for the summer but we still have a good turnout and enjoy our dances. Our dancing will continue thruout the summer. Tom Trainor will call for the workshop night in July when Vern & Wanetta will be on vacation. There will be no dance July 4th. Don't forget the round dance class with Phil & Dot Carey every Sat. during the summer. Come out and dance with us.

Hearty thanks to the outgoing officers: Jerry & Anna Bunch, Len & June Bernard, Charlie & Willie Bobo, Bill & Thelma Yates and Jack & Nancy Frost and Dean & Billie Throckmorton. Howard & Georgina MacDonald were made honorary members in thanks for their dedicated service to the club. Sincere best wishes to Jo & Cecile Trudeau on their 51st wedding anniversary! May 15 the Wednesday nighters surprised Danny Robinson with a cake baked by Wanda Peltz and a birthday check. May 29 saw 19 squares welcome the new graduation class! The O-Bar Eight Balls and the Highland Squares turned out to retrieve their banners stolen by Pat & Ed Russell and a stalwart contingent of dancers during their 23 day marathon of square dancing. Hope you other dancers will follow their lead and join us for some Whirling & Twirling in our beautiful decorated hall under the leadership of our new officers. Jacquelyn Lamberty

**PISTOLS & PETTICOATS** of Pompano Beach turned out in large numbers for the State Convention in Orlando. After some confusion, we got settled and had a super terrific time dancing. Our teen squad was the most outstanding feature, and Chuck Leamon was very proud to see them dancing in their cute new "little people" outfits. Our new class had a lovely graduation and most of them danced at the convention like old pros. We are pleased to welcome all of our new dancers into this great world of square dancing. Chuck will be having an extended basics workshop starting Monday, June 3 for all these good people and anyone else who would like to improve their positioning and styling. For the benefit of our readers, Chuck will be calling at the Fijian Campgrounds with Johnny Walter in June (check Chuck's Ad). July 4th, the members of the club will give an exhibition for the city of Pompano Beach, and feature our fabulous teen square. The show will be at the ball park from 7 till ? Come out and see us. We hope that many dancers will not leave us this summer and that the fun will continue. Yours for better and funner squaring up. Jeanine & Harold Riley

**KNOTHEAD KNEWS** Just to keep you informed. Registrations for our 18th Annual Konvention are coming in. As of May 23rd, they have reached the 587 mark. Protests from members and clubs on the limitations are reaching us - (by mail, telephone, and word of mouth) and because of this we'd like to say a few words again, regarding our stand. At the time when a final decision had to be made without further delay, we were facing gasoline shortages and curtailment of energy sources, which would include airconditioning and lighting facilities. We had to settle for a controlled and limited registration. Be sure we've searched the Clearwater area since the closing of the auditorium for our last Konvention, and were it not for the energy and gasoline crisis, we might have had it made. One such possibility, the St Petersburg Junior College, Clearwater Campus, closed its large cafetorium on weekends, to conserve labor and energy, Their Words, not ours. We thank all the Knotheads for their understanding last year. But we can't expect the same understanding this year, if something had not been done about overcrowding, therefore, the limited registrations. There is concern by those of you who are working towards your year pins or bars. Because of the limited registrations a provision will be made to count the year 1974 as a year that will not break a sequence, But Only if you register the following year for the Konvention, fair enough? The Ft Harrison and the Crystal Ballroom are ample for our evening square and round dance balls, with the imposed registration. All S/D workshops will be in the Ft Harrison room. All R/D workshops in the Crystal Ballroom. On'y change of halls will be for the evening R/D Ball which will be held at the Clearwater YWCA, with another room at the Y for an overflow. Again this year, as last, the teens will have their own room and caller on the same floor at the Ft Harrison room. We hope members of the Fla. Knothead Inc. will understand and bear with us, a hall might miraculously open up, - a recreation committee might have a change of heart, Something might come up. Can you believe we are still hoping? One other item. If you write to me for information Please include your address, otherwise I can't mail answers. Thank you - See you at the Konvention.

Kay Mack, Secretary

**TOWER SWINGERS** A Miracle Happened! May we take this way of extending our clubs appreciation for the wonderful support from Dancer friends to our Benefit Dance at Bartow Civic Center on May 19th. Also our many thanks to our caller Roger Chapman and to Marty Martin for the rounds and to visiting caller Charlie & Marge Carter of Columbus, Ohio for two beautiful exhibition rounds. Our air conditioning in the Parrish House of the Episcopal Church at Lake Wales where we have danced for four years had not been functioning for about six months. He'p was needed for repair expenses and you all helped to make it happen, we are now o-o-o-l again! Let us welcome you some dance evening to enjoy more dancing to our caller Roger Chapman. **WESTERNAIRES** of Miami have finally settled down after the State Convention, where the club was heavily represented. Our caller, Bob Cook, played a big part in the success of the after-parties at the Jamaica Inn by providing his equipment and lining up the callers. Have you learned to clog? About half of the Westernaires say they have but we will believe it when they perform like the Sunshine Cloggers. We really didn't need an extra reason for a party at the convention but celebrating the birthdays of 5 Gemini members was as good reason as any. Our club has been fortunate to attract congenial and active members, the latest being Dolores & Allyn (Hank) Hankins. Welcome! Dolores Potts still carries the surprised look she acquired on the night of her 25th wedding anniversary when she walked into a surprise party engineered by daughter Debbie. Buz was a conspirator, and his acting deserves an Emmy. The club regrets the passing of one of its early members, Art Billington, on May 26. He had not been recently active but had attended an occasional dance the last year or so. Our visitation as guests of the Modernaires produced a wonderful night's dancing and we thoroughly enjoyed the hospitality and the friendly spirit in the club. Our previous weeks visit to their Mock Wedding and the performance of Pastor Leamon was also a memorable occasion. All area dancers are invited to our Christmas in July and Luau dances, both are listed in the Calendar of Events. Bert Ashcroft

**PALM SWINGERS** On May 4, '74 as you walked in the door at the Round-Up in Hollywood each member of the club was handed a copy of the History of the Palm Swingers telling us all about the club from the minute it started up to the present time. Birdell Levitt wrote the history and it was very interesting to all of us. Thank you Birdell. It started out with Born: Sept. 1959 - Place: Meeting room - Palm Springs Shopping Center, Hialeah Parents: Bert & Elizabeth Bennett - Size: Three squares. There are seven original couples along with Bert & Elizabeth Bennett that are still dancing with us, they are the Galicks, Levitts, Dales, Roses, Selles, Roberts, Carlises, and Schwartzs. The committee went all out with refreshments that night, they had two large cakes decorated with the club emblem The Swaying Palm Trees and also small sandwiches were served to everyone's delight. We also presented a club badge to our great caller and taw Pete and June Sansom. Come dance with us. Ann: Mieszalski

**WAGON WHEELS** of St Cloud May has been a big month for square dancers in Central Fla. area. Our dance was cancelled for the Pirates Ball and lots of our members went over for all the fun and excitement. On May 10th Bill Ford called a great dance for us. It is always a treat for the club when Bill & Elva are with us. On May 17th, George Wood brought a great group from the Ox-Bow in St Petersburg to make their Knothead. The club represented were the Woodchips. Daie McClarey was our caller for the evening and we all had a great time. The Woodchips can tell you all about eating "gold fish". That was part of their initiation. We take great pride in having other clubs come to our club to make Knothead. We always plan a good time. Why not bring a group from your club? Let us know in advance so we can have lots of fun planned for all. We will be having lots of guest callers this summer. In July we are having Bob Frye, Colin Walton, Wade Driver and Dale McClarey. We hope lots of you will come and dance with us. We've been on several banner stealing raids this month. We went to visit the O-Bar Eights Balls and brought home their banner. We went to Kissimmee to get our banner back. Last Monday we went to visit the Sunshine Squares. Whirl & Twirl had their banner so we got Gary's pants. It is always a treat for us to visit this great group of kids. We are looking forward to having them come dance with us. May began a great summer of dances for us with a great line of guest callers and our hall is now air conditioned and we have a wood floor so why not come and help us enjoy it. Lane & Paula Krogulski

**MERI-TWIRLERS** It was graduation time Saturday May 18, for 10 new square dancing couples. The ceremony was held at Travis Recreation Center, Cocoa and all was welcomed into our club. Stunts and gimmick dances were enjoyed. The beautifully decorated cake was delicious. Many thanks to those who were responsible for decorating the hall and preparing refreshments. A special gift of appreciation went to Bill & Connie Andrus for their assistance to Caller Ernie Anderson with the class. A new class of approximately 8 couples is well under way. A square of the club recently traveled to the Ocean Waves in Merritt Island to retrieve their banner. Janet & Ken McFarlane

**CRESTEPPERS** West Palm Beach - Over 200 round and square dancers from this area joined in a rousing Appreciation Day Jamboree as a tribute to Cresthaven Villas developer David Yorra, Sunday April 28. Cresthaven's senior round dance caller, Wally Jacobs, started things going by calling the early rounds and was joined in the rounds between tips by callers Harriet & Herb Gerry. Tom O'Brien started the grand march as well as calling squares. He was joined by callers Ernie Bass, Ed Curran, Ralph Otis, and John Sherley. Harry Stockfeder, who has written and produced many excellent Cresthaven productions, outdid himself with a nonpareil production of "roasting" guest of honor David Yorra who was accompanied by his lovely wife, Lila and daughter Lesley. Presidents Dave Aronson, Henry Lippincott and Rocky Russo, callers Wally Jacobs and Tom O'Brien really roasted David with hilarious anecdotes and in turn were equally roasted by Mr Yorra as were others on the dais who participated in the fun. Harry Stockfeder emceed the sparkling program with humor and aplomb and Cresthaven residents who joined the dancers filled the Dudley Center to overflowing. Harry not only put on a great show but accomplished that which he set out to do, entertain, honor David Yorra for his gracious generosity in opening his four recreation centers to callers and dancers from the area for the past several years, and expose round and square dancing to the residents. Two handsome plaques were presented. One by Buddy Shelton, president of the S.E. Fla. Assoc. and the other by John Sherley, secretary of the Fla. Callers Assoc. Wally Jacobs representing the Round Dance Council, read a fitting citation from that organization. The dancers using the Centers presented the guest of honor with a handsome desk set which Harry presented. Mr Yorra responded brilliantly and to sustained and spontaneous applause and standing ovations the program ended. Cresthaven's motto, Happiness Under the Sun, was surely realized on this memorable occasion

STATE CONVENTION 1974

THERE WILL BE MORE PICTURES OF THE CONVENTION IN AUGUST ISSUE

**MID FLORIDA LAKES** The proximity of the State Convention in Orlando has stirred up a tremendous interest in our two dance night groups and many of our members plan to attend part or all of the festivities offered by a convention of such proportions. Our benefit dance May 11 for the Lake County Boys' Ranch was a success and it brought out a large turnout of our own members as well as the people from Tavares and Leesburg clubs. A picnic for the entire club is being planned for June 12, at Mt Dora. This get-together will be partially a planned pot luck in that the meat and liquid refreshments will be furnished by the club. Dancing, is also being planned at the park, using tapes provided by, who else, but our own Bill Lund! If this picnic is a success, we have no doubt that it will be, another will be set up for early fall, when our snow birds have returned. We are grateful for a most enthusiastic Program Committee! Our recent graduates are beginning to leave the nest and stretch their wings, which is a good sign and indicates a further interest in their desire to become more accomplished dancers. A large number of couples are still taking round dance lessons from Jim & Norma Trulock and they have learned several dances and, when these dances were cued by tapes between tips at our last square dance night, they all surprised themselves with their new found ability.

Vi Anderson

**OPEN LETTER TO THE PALM SWINGERS** We would really like to thank you for making our friends Julia, Dave and Simon so welcomed to the club, it makes us both proud. It was really the highlight of their whole tour. After calling for such a great club they really want to come back again. Thank you so very much. It is hard for us to express the way we feel about the Palm Swingers you really did do us such a great honor welcoming us into the club as Honorary Members. To be presented with our own club badges meant so much to both of us and we will wear them with pride. Peter has been calling for you for several years and you have given us many gifts, but of all of them the fact that we were made members that night has been the greatest gift of all. Once again thank you for being the wonderful club that you are. We love you all, Pete & June Sansom

**HARBOR CITY SQUARES** Dancing this past month has been great. Guest callers visiting the club have included Bill Bishop, John Saunders, Roger Chapman and Art Springer. On April 26 a Free Dance was held. Our guest of honor were our friends at Port-A-Call. A special cake was provided. The club wished all of them a safe trip North and hoping they will return next fall. Our semi-annual Joint Dance with the Twirawaya was a great success on May 3rd. Calling for the dance were John Saunders and Chuck Durant. Our hosts at Titusville were great fun. We will return their hospitality at Melbourne on Aug the sixteenth. The new club officers were installed on May 20 and the best of luck to them in the coming year. The officers are Jack & Adreinne Seib-Pres., Red & Freda Ekas, V.P., Jack & Hazel Simpson, Traes, and Dale & Nancy Clemens, Sec. The club will be dancing and having guest callers all summer, you all come and visit us.

Greg & Alice De Blasio

**BAY AREA TWIRLERS** of Tampa - We are happy that so many of our members attended the State Convention in Orlando. The new club dresses looked great. Club dresses are noticed. As I went through the door at the Convention two persons going out; one said to the other, "Did you see how pretty all the dresses from the different clubs looked on the dance floor." We will be dancing through the summer every second and fourth Saturday nights with Jack Harris and Frank DuBois, come join us. Eva & Keith Kays

**STARLIGHTERS CAROUSEL R/D CLUB** Venice had twenty couples journey to Fontana Dam, N.C. for the May 19-25 week of Accent on Rounds, a truly fine week of dancing and fellowship. Staff members for the week were: John & Vickie Laverty (Venice), Carl and Pat Smith (Ohio), Gerald and Barbara Pierce (Ala.), The Clearwater-Largo-Venice and Ft Myers Carousel groups continue to join for the joint round dances but for the summer the location will be changed.

Don & Maxine Roe

**OCALA SQUARE DANCE CLUB** held its election of new officers on May 7th for the year '74-'75. C.B. Price was elected Pres., Earl Muffert, V.P., Mabel McMullen, Sec., and Howard Rohrbacher, Treas. Our sincere thanks go to the retiring officers for doing such a fine job last year. Howard Rohrbacher along with the club graduated nine squares of new dancers on May 13th. Class members were honored with a graduation party, complete with the Mortor Boards and tassels and also diplomas. We had a great party, with lots of dancing and fun and games, and also delicious food and punch. In all we had about fourteen squares at the dance. We hope to start an intermediate class with Dick Bishop doing the honors very soon. Remember our Sweet Sixteen Anniversary dance coming up, check our ad, and come and join us. Also we dance every week with Bob Rust doing the calling, you are always welcome.

C.P. Price

**MODERNAIRES** of Ft Lauderdale At our May 8 Turn-Over Dance, Tom Bean our former caller, came down from Venus, to alternate with our caller Chuck Leamon, treating us to a lively, care-free evening of dancing. Jim Huber and Hilda Chasteen, the most affable couple to be brought together via square dancing, were the principals of the really hilarious Mock Wedding ever. (Jim is from Denver and Hilda lived in Conn.) Parson Chuck Leamon, dressed in official tuxedo dress tied the knot for a life time of left allemanding and do-si-doing, even though the bridegroom's former sweetheart, clutching her infant baby girl, came streaking down the isle at the crucial moment! (Parson Chuck simply gunned her down with his water pistol and resumed the service: after another swig from his concealed home-brew bottle. Beautiful acting - consensus of the packed house! Four days later Mr & Mrs Huber were made one at an impressive church ceremony. Later they entertained their many square dance friends at their new home. The Westernaires were our invited guests and three squares traveled from north Miami to visit us and they must have been the Best of the club because they sure picked up their heels to our caller's best efforts, spreading their enthusiasm throughout the hall.

Stephen Miko

**SUN DANCERS** of Titusville with caller Harry Castner, have a very enthusiastic class of five squares. They are learning fast, and having fun and very anxious to be regular dancers. Several couples intend to attend the Convention as spectators. They will be great club members. The club will not be dancing during July and August, but in tend to start again in Sept. and also plan to start another class.

Betty

**DIXIE SQUARES** of Daytona Beach had a fun filled graduation party May 19th with 56 new dancers getting their diplomas and all joined our club. A special welcome to each of you. We have quite a large enthusiastic group making plans to attend the State Convention. If you want to add more zip to your dancing and "yellow rocking" come dance with us we still have that great caller Chuck Durant.

Bob & Ruth Brelsford

**SUN SQUARES** of Deerfield Beach proudly announce the birth of our baby girl, Joanna Lynn. Born Monday May 27, at 4 AM. She weighed in at 7 lbs. 4 oz., and her parents Judy & Karl Ijam are in tenth heaven with her. We are all happy & excited for them and will always look on little Joanna as our Sun Square baby. Our caller's wife, Dawn spent a week in Holy Cross Hospital with a serious bronchial infection, but with that good old square dance spirit she saw to it to be out of the hospital and at her husbands side at the big state convention. We were proud of the wonderful representation from our club at the convention and by all the reports everyone had a great but exhausting time. We feel an extra salute should go to our caller, John Sherley for being so active in all aspects of square dancing. He is President of the Southeast Callers Assoc. and Treasurer of the Fla Callers Assoc. He also has arranged to have the round dance caller join our group and will start round dance lessons each Friday, all interested are welcome to join us. This is my last article and our new publicity chairman are Ron & Millie Moitzfield. They will take over starting next month. It has been a real pleasure sharing our club news with you all.

Flo Stitgen

**DIXIE LOOPERS** of Holiday We are enjoying wonderful attendance at our dances. Many of Ken Cucore's new graduates have joined our club and we are happy to find them very enthusiastic and very good dancers. We also enjoy round dancing with the Filieres and a new dance is taught or an old reviewed each week. We welcome all visitors. L.Gagne

**SHUFFLIN' SHOES** of Ft Lauderdale celebrated their anniversary every May and this year was the greatest. It was big number five this year and we are fortunate to have many of the charter members still dancing with us. Many couples that have strayed away from the fold came back to visit and dance and the membership rolls increased by nine couples that joined us in the spring. The exodus of the Snowbirds has started and we wish them all a happy summer - hope they can all return in the Fall and dance with us once again. Our call, Don Facler and his law Betty keep us busy workshoping the new calls and teaching us the square dance rounds. We were happy to welcome Don's Hallandale Rec Center class to a regular dance after we all attended their graduation last month. Many of these graduates delayed their trips North just to be able to dance at this special aparty. It is good to know that Kathy Commack and Paul Crocker are both home from the hospital after long stays, we hope they will be back dancing before too long. We miss them! Everyone is looking forward to the State Convention in Orlando. Eighteen couples from the club will make the trip and all the girls will preview their new club dresses. Looking forward to renewing acquaintances with those dancers from other parts of the State as well as meeting many new dancers. If you are looking for a fun club in the Ft Lauderdale area please look us up, we will make you feel welcome.

**BUTTONS & BOWS** of Lakeland - The State Convention was the icing on the cake for a wonderful month of dancing. Our club was well represented and it was so good to see all the friends from all over the State we did miss our Georgia friends. Many of our club were campers and we want to thank Jim & Edith Ewer for a job which took many hours of hard work to accomplish. They were still at the campgrounds, saying good-bye to everyone. I hope the '75 Convention at Jacksonville will have the same type accommodations for the campers, we had over 1000 people camping and next year we may have more. Thanks again for a job well done. Our caller for May 11 was Geo. Hinkel and as always, was one of our best dances. For July our callers will be Geo. Hinkel and Art Springer. If you want a weekend away from home, come camp at the SanLan and enjoy our callers and dance with us. Vance & Miriam Bateman

**STOMPIN' STUMP JUMPERS** State Convention was fantastic! Everyone really enjoyed themselves. A few of us clogged Saturday night in a free style and Sunday night we did our performance and got everyone in our free style at the end of the performance. We all enjoyed watching Sunshine Squares clog. A lot of us earned fun badges like Aunt Fanny, pogo and many others. When we came home Monday everyone was tired and we all are already thinking about "Dip-N-Dive in 75"! We hope everyone had as much fun as we did and we would like to give a special thanks to Wade Driver and his club for the help and fun times they gave us!! Happy Square dancing Vickie Pierson

## FEATURE FIGURE FOR THE MONTH

JACK LASRY

## THE CALLER'S CORNER

### NEW IDEA - TURN & RUN AND CROSS TURN & RUN - Jack Lasry

These two new ideas can be used from a couple of set ups and each is easily taught and learned. The Turn & Run figure will always bring the dancers into a two face line while the Cross & Run will always end in an ocean wave (right hand).

**For A Starting Teach - 1P-2P line Curlique -** From the columns set up each foursome has the boys facing each other and the girls facing out of their foursome box formation. The Turn & Run action has the facing boys step ahead and catch right forearms and turn 1/2. The girls facing out of their formation will run right and become the ends of the two face line. From the columns you will end in two parallel two face lines. You can circulate the columns to set up having the two facing girls turn right and the boys run right to end in a two face line with boys on the end. The figure will easily dance and the following calls come from standard two face lines with good flow direction for wheel & deal, tags, bends and couples circulate. The same rule apply from Ocean Waves and best seen from a Box 1-4 Curlique set up with boys facing in and girls out. Ends in a long line with two face lines end to end.

### Dancing Examples From Columns with boys turning & girls running

**Cross Turn & Run** is just as acceptable or possibly more as it ends in an ocean wave with right hands held. The action is similar to turn & run except the facing in dancers step diagonally forward to catch left forearms and turn 1/2 as the dancers facing out run right to become the ends of a wave. Note of caution for the dancers facing in and who do the 1/2 turn, the 1/2 turn starts from the point where they are left shoulder to left shoulder and still facing directly forward.

# STUFF & NONSENSE

by EMILY LEACH

And why are we so anxious to conquer outer space when we haven't solved the parking one yet.

Then there was the little boy who thought boycott was a male davenport.

And who said that women know very little about parliamentary law—we know plenty of them who have been speaker of the house for years.

Then there was the woman driver who asked the mechanic if she could wait while the short circuit in her car was lengthened.

Having been told by his mother to say something nice to all the little girls he danced with, Tommy said following one number: "Mary, you sweat less than any fat little girl I ever danced with."

The Round Dance Cue-er at the "mike", the Square Dance Caller too,  
They stand up there all evening long, and tell you what to do,  
To keep up with their cues and calls, you really have to hustle,  
While they remain serene and calm, and never move a muscle.

And when the long, long evening ends, your hair is messed, you're tired,  
You drag your weary bones around, my gosh, how you've perspired,  
But those guys at the microphone, not one hair out of place,  
They look as fresh as when they came, they've led no hectic pace.

So while you stagger from the hall, and head for home and bed,  
Right now your thoughts on dancing, had better not be said,  
The Round Dance Leader, and the guy who sings the Square Dance Call;  
They want to go out on the town, they're ready for a ball..

Out walking one day, a college professor saw a sign "LAM STEW" printed on the window of a tiny restaurant. The proprietor noticed the professors smile of amusement and asked him to explain. He accepted the correction of his spelling gratefully. Next day, the professor again passed the restaurant and looked for the window sign. It read: "CLAMB CHOWDER."

The puzzled secretary finally asked her boss, "Is waterworks one word or is there a hydrant in between?"

THOUGHT FOR THE DAY: "The light that shines farthest, shines brightest nearest home."

**SUNSHINE STATE CHAPTER 018-NSDCA** -Our chapter is growing so fast that it's hard to find a hall big enough to hold us! We had 66 units registered at our May Camp-O-Ree at SanLan Ranch (Lakeland) with 11 new couples joining. We had our usual round and square workshops, craft classes, campfires, etc., and one group gathered in the Echols trailer to be inducted into the Order of the Turtle. At the Sat. dance we had five callers present in addition to our regular caller Jack Harris. Before the dance was over Byrdie and Marty Martin brought Charlie & Marge Carter (National R/D Teachers) to dance to Frank & Helen DuBois' cueing! Prizes for the hat contest were awarded to Sue Echols (most original), Margie Russell (prettiest) and Josephine Wilson (funniest). We elected the Lovelaces as delegates to the National Camp-O-Ree in Ky. with the Nesmiths as alternates. Our July Camp-O-Ree will be an ice cream social so bring your freezers.

**MIAMI BEACH OCEAN WAVES** make this important announcement: The Playboy Plaza Hotel, scene of their 12th Anniversary Extravaganza week-end, is now called the Miami Beach Hyatt House. (The famous Hyatt House national hotel chain took over May 15th) The Extravaganza square and round dance weekend is scheduled for August featuring the calling magic of Lasry, Bedell and the Beatties on Rounds. One ticket includes All, both days, plus square and round dance workshops. Dance is limited to 75 squares tickets are moving briskly - the Waves want YOU on their Extravaganza floorin' '74! Need we say more? Special hotel rates have been arranged, all details in our ad.

**TITUSVILLE TWIRLAWAYS** are so excited, we have a new baby. Patrick Ryan Annulis, born 4/21/74. Congratulations to the proud parents, Paul & Betty. A group went to Kiwanis Island to retrieve our banner from the Ocean Waves. The county newspaper was doing a special article on square dancing and the photographers were there; in corners, lying on the floor and generally everywhere. We soon forgot about them and went naturally on our way dancing and having a good time. The Vickers and Griens are chair-maning the Knothead trip which is planned for June. The destination is a big surprise. These couples are good planners with lots of clever ideas. We predict this will be a trip to remember. May 3 was our annual exchange dance with Harbor City Squares. Chuck Durant and John Saunders, our callers for the evening, were at their best. The club provided the refreshments and the long table was filled with all kinds of goodies. Our club is known for their refreshments and when a special occasion arises they really outdo themselves. Our class graduated May 17 with the usual fanfare. The initiation is always such fun. We had the Sunshine Squares demonstrate clogging for our entertainment and what a wild time we had. It's impossible to keep still while watching them dance. They are fantastic. After that we wouldn't miss the clogging clinic at the State Convention for anything. Come dance with us we love having visitors and we're friendly too!

**OAKCREST SWINGERS** of Largo Our first anniversary, and purple heart dance held the sixteenth of April was a great success. Many thanks to our guest callers, Cliff Hendricks Don Rand, George Wood, Jim Taylor all from the St Pete area. Elmer Hicks from D.C and Bob Hart from Ohio and our own Hank Schmakel. Also the delightful singing call by Francis Schmakel. There were eleven squares that evening, and for a total attendance of 103. Our beginners class has now graduated, and we welcome them to join us dancing. This summer we will have open dancing and we wish to extend an invitation to you all to join us some week.

**SOUTHEAST FLA S/R DANCE ASSOC.** State Conventions come and go but the 21st in Orlando will remain in our memories for years to come. Our Assoc. outdid themselves - after party dancing in the parking lot of the Jamaica Inn (our unofficial headquarters) till the wee hours of the morning, and continuing on in the Bongo Room of the Inn. Many friendships were renewed and new acquaintances made during this weekend. A perfect finale was the Monday morning coffee and doughnuts send off in the Bongo Room served by the Assoc. The work done by Len & Birdell Levitt, Buddy & Nita Shelton and their committees, and the cooperation of the Southeast callers was the icing on the cake. With the state convention behind us, everyone is looking forward to the Second Annual Area Dance at the Deauville Hotel in Oct. and the sales of dance registrations and hotel reservations have really started to roll in. The big delegation of Georgia square dancers we met at the convention told us we have a real winner in "Flyin'" Bobby Hollis. The round dancing, as everyone knows, is in good hands with Dot & Bob Kunde. The Pistols and Petticoats of Pompano did a beautiful job of hosting the May Mother's Day meeting and the Assoc. appreciates the wonderful support by Chuck & Carole Leamon. The Modernaires added a special touch by providing flower wrist corsages for all the ladies. Remember that July meeting will be in Hialeah followed by a pot luck supper, and everyone is invited to attend and enjoy it.
