JENSEN BEACH COMMUNITY SQUARES on March 8th held an Easter Hat Dance which the men also participated. Prizes were won by Marjorie Lang, the prettiest and Earl Gordon on the funniest.

We all sincerely mourn one of our dear square dancers; Henry Beck, who passed away in March. He will long be remembered. Our sympathy goes to all his family.

We are very happy to announce we now have Ed & Buelah Janison with us to cue and teach the round dances. Ed is planning to have a round dance class in the fall. We start our dances with a work shop the first hour with our caller, Dale McClary, so why not come join us and dance to one of the finest callers in the southeast. O.F. Field

CROSSTRAILERS Deerfield Beach proudly celebrated their fifteen anniversary on Sat. April 13th with a memorable celebration and an attendance of 200 happy people dancing to the exuberant calling of Pete Sanson and Ted Mack. Prior to the dance members past and present enjoyed a pot luck supper. Such a bountiful feast was hard to believe in these days of food problems and high prices. We were happy to have present two of the four couples who were charter members 15 years ago. They were Carl & Teresa Reinsch and Al & Sis Bierman. Visiting caller, Chuck Leamon also called a fine tip. A visiting club, the Modernaires carried away our banner, which we hope to retrieve in the near future. The round dances were cued by Ted & Lois Mack. We welcomed other round dance teachers in the persons of the Blisses, the Careys and the Mandels. Pat and Bill Bliss demonstrated their new round dance You're The Reason, which was well received and promises to be popular. The entire evening was a huge success and we are looking forward to number sixteen in, 1975. Our current class will be graduating at the end of April and we hope to see all of them at our regular dances. S. & R. Martin

ROUNDING WITH THE LEACHES has been interesting this month. At Easter time there were little baskets of eggs decorating the tables and a real good chocolate Easter cake and lots of dancing. Fred & Emily also sponsored a picnic at Phillippe Park in April with rounds and squares. The Sunday dance had a nice attendance. Mae Bello

THE LOVELACES have been teaching Near You and Marie Elena, plus reviewing the currently popular rounds. The Lovelaces are scheduled at Fontana during the State Convention at Orlando and we will miss them.

STARLIGHTERS CAROUSEL R/D of Venice are now in their third year dancing with Vicki & John Laverty - that is, we're dancing with them when they're home. February found them in Pennsylvania for two weeks. A Caribbean cruise took them off in April, and May to Fontana as staff members for the week of Accent on Rounds. Twenty-four or more of the club and others near by are registered for this week in Fontana and all are looking forward to a fun filled time of dancing to Carl & Pat Smith and the Lavertys, as well as other guest callers.

Our Sunday dances in Sarasota with the Gilberts of Largo and the Heiss of Ft Myers are off to a good start, having been initiated in October of last year. For an afternoon of dancing and fellowship, we invite you to join us in Sarasota. Don & Maxine Roe

WE CARRY ALL SQUARE DANCE LABELS, DEALERS INQUIRIES INVITED

LEFT ALLEMANDERS of Seminole enjoyed a lovely family picnic at Seminole Park this month. The wind almost blew little Mae Ford away, but a good time was had by everyone. The Ford's do a great job of tending the desk and greeting all our friends. Abig, big hand for them. We have several camping square dance families. Honored to have the President of the Sunshine State Chapter 018 NSDCA, Joe & Ruth Plankey in our club. You are all welcome to come and dance with some really good callers in our air conditioned hall.

SOUTHEAST FLA S/R DANCE ASSOCIATION - Seven Hundred!!! We boasted of More in '74 and can now report that our membership has exceed 700. At our last meeting and clinic held in the Holiday Park Social Annex, Harry & Maria Taylor of the Hollywood squares were honored as being registrant number 700, at which time they were introduced to the members and presented with flowers. A surprise event at our last meeting was a drawing of those members who arrived early enough to attend the meeting and a prize was awarded. The Assoc. wishes to thank the Orange Blossoms for hosting the April meeting. Because of an over-crowded calendar which includes both the State and National conventions, the bus trip to Key West for the June Meeting has been cancelled and an attempt will be made to reschedule it later in the year. The June meeting will be held instead at Hagen Hall in Wilton Manors.

Everyone is talked out about the Flavia trip and it is recognized to be one of the most successful events the Assoc. has sponsored. Just ask anyone who went on the trip. Special recognition and appreciation is due callers, Jay Fenimore, Vern Johnson and Oscar Erwin and round dancer cuers Phil Carey and vacationing Bill Beattie. Super salesperson Irene McElhaneey deserves the accolades she received for putting so much of herself into the planning of this trip. Now!!! Plan for a sequel to this event - the tentative date is in March and details will be announced later. A.&B. Ashcroft

DIXIE TWIRLERS made three official visitations in April. We followed our new policy of pinning our club badge on the banner of the club we are visiting, instead of stealing the banner. This idea seems to be meeting with general approval and some of the other clubs are adopting this method of saying "We were here", too. Our first visit saw 14 of us riding from a campout at the Fijian to Eau Gallie. Johnny Walter called for the Central Fla. Assoc. dance and took us along. We "pinned" them and then renewed acquaintances with people we've met at dances all over the state. After our own Assoc. meeting, we stayed in Ft Lauderdale for our dinner and then visited the Orange Blossom to 'pin' them. These two in one trips, with car pooling too, gets more of us to more places without gas worries. And the togetherness makes it all most enjoyable. The visit to the Hollywood Squares saw two of our new couples along for their first post-graduation dance. They had the First Time Flutters but survived and loved it.

Johnny Walter's birthday party this year will take awhile to top. Louise hosted with cake and ice cream, which was lovely. But announcement time was just too much! As we sat listening, out of the back, thru the hall, and out the back again ran a streaker! Between his cowboy boots and his head was a great expanse of pink. We haven't gotten over laughing yet. Have we set a record as the first Square Dance Club to be 'streaked'? Wow! Could it happen again? Could we take it if it did??

In a more sedate vein, our current class graduated. All of the ladies graduating were provided with corages by Neil & Dorothy Pressly, who also provided a beautiful floral centerpiece for the table. All the club ladies brought the refreshments. Johnny brought his special graduation ceremony and we had some solemn moments along with the fun ones. All of we older dancers were reminded that the basic aim of Square Dancing is friendship and enjoyment for everyone; a beautiful idea which we sometimes tend to overlook. Herb & Mary Lazarus got a big Thanks for their help to the class thru the weekly tape dances, held on their patio. Most of the class joined the club, so there are many new names to the list of membership and we Welcome each of them. We are delighted to have you.

YELL-O-ROCKERS of Zephyrhills will be dancing all summer so all you happy dancers plan to come and dance in our air conditioned hall to some good callers. The floor has been improved for your dancing pleasure. A square of the members danced for the patients at the Zephyr Nursing Home recently to records furnished by Buz Nocera. They were warmly received and enjoyed by all. Our members are always ready to dance for a worthy occasion. A large group plans to attend the State Convention and the gals have been sewing up a storm in new dresses. Jim Baker will be calling our June dance with the Martins on the rounds. Attending at the door will be Tom & Lee Caviness with Ben and Hazel Hamilton refreshment chairmen. Hope to see all our friends at Orlando.

MOBILE MAVERICKS a square dance camping group wound up their season with a bang up good time. Eleven squares at the Sat night dance showed how popular this recreation has become. Watch for the fall and another fun season.
Gladys & Jules Broe

FRANK BEDELL WORKSHOP had a good season and all the dancers are grateful to Frank and his law Connie for making this weekly trip even when gas was hard to get. Now Frank is on tour and we are lucky to have Tom Trainor step in and take over this dance. This is the only club level workshop in the area of Boynton Beach so if the local dancers will continue to support this it will continue throughout the summer. A.R.

STARLIGHT PROMENADERS of Sanford have elected new officers for the coming year. They are as follows: President Bill & Helen Stripp, Vice President John & Ramona Simmons, Treasurer Earl & Polly Moxley and Secretary Willard & Ginny Burtnett. Elected to the Board of Directors were Del & Jean Witt and Dick & Zoe Collins.

SQUARE DANCERS - The Message Is - push your Congressman and both Senators for action and support by the 93rd Congress of the three identical resolutions for a National Folk Dance, the 320 year old American Square Dance. Do not allow these resolutions to die in committee as occurred in the 92nd Congress! It will take everyone's letter to help push this resolution through.

SKIRTS - N - SHIRTS of Ft Lauderdale Saturday April 20, Vern Johnson's latest class, six squares strong were graduated at a fun filled party. Vern & Wanetta wish to express their thanks for the gift from the class. The next day 25 couples gathered for a picnic at Hagen Hall and we had a ball and a delicious potluck supper, thanks to the excellent planning and hard work of the committee headed by Jessie & Ben Hirschy. Our gratitude to Gene Montana and her lovely talented daughter, Theresa as well as the men who performed the hula and all who participated in the entertainment.

We all extend our sympathy to Grace Statt whose husband Bud passed away April 25. On the weekend of April 27-28 a large group, totaling 17 squares, gathered at the Remuda Ranch in Naples to dance to Vern and Pete Sansom with Phil Carey on the rounds. A marvelous time was had by all and we were sorry to hear the Weilanders and Kelemens had an accident on the return trip, thankfully no one was seriously injured. Reservations are being made for club members going to the state convention to stay as a group at the Padiimment House in Orlando with plans for a late Saturday night party. Y'all come, now. Don't forget to get your reservations in early for the campout and dance at the Fijian in June. We expect to have a big crowd and a grand time with Vern calling and Phil on the rounds. Anyone interested in beginning rounds is invited to Phil Carey's new class starting June 1.

SAILFISH SQUARES have moved from Windmill Village to St Joseph Catholic Church in Stuart. for the summer. The dance will still be called by Jack Hosken at the Social Hall. Visitors who are in the area are welcome to come and dance with us. In the May issue new members, Lou & Dot Harvey were omitted from our list. We have many new members who are now year round residents of the area. We also have a good size group going to the State Convention at Orlando with their blue and white sailfish outfits. Jack Hosken is now calling for a group in Port St Lucie) give us a call and find out more about this dance with a workshop and regular dance.

CASTOFFS of Boynton Beach have been seeing very good turnouts & enthusiastic dancers, plus no-no goodies to eat! We have guest callers and they really have been the pick of the crop. Cliff Brodure and Ron Libby calling in this area for the first time & what great callers they are. We've been very fortunate to have Tom Trainor, a Nationally known travelling caller who moved to this area, with us. We had a nice Outdoor Welcome Dance March 3 for Tom at the Civic center parking lot. Tom loves Florida weather and asked for an outdoor dance. Those who missed it really missed a great dance. Max Mandell cued rounds on the asphalt too that nite. With the gas shortage we have been thrilled to have a good crowd every week. A group from Pistols & Petticoats with their caller Chuck Leamon and taw surprised us and left with our banner. Due to the energy crisis we have had some cancellations so Tom Trainor has offered to call for us on those nites. April 5th we celebrated our 11th anniversary with George Hinkel as our caller and the ever faithful Mandells cueing the rounds. We are sorry he will be taking a few months off for the summer but maybe we can use some of his tapes to keep our dancers dancing. Our Pres. and taw Mike & Sharon Strickland moved into a darling home of their own and a house warming was had by the club. A quiet evening with what Sharon & Mike thought was going to be a square dancing one with a couple of tips by Tom Trainor, turned into a gala evening with club members and a few friends having a kitchen shower to warm up their new house. The ladies furnished the goodies and a great time was had by all. Good luck to your new home Mike & Sharon and girls. Our class, which Jerry Seeley taught, graduated on May 19 and a good group we had. Some went on the Knothead trip to Naples and earned some fun badges. They are also looking forward to the State Convention. When we get back from State we will have a work shop night with Tom Trainor which will be for the new dancers for a polishing up so you can shine at any club dance, contact our members for the details A.R.

ROUND DANCE INSTRUCTORS Howard & Norma Smoyer had their first introduction to round dancing in 1958 when Bert & Thelma Burris moved to Tallahassee from California. The Burris's had danced with Frank & Carolyn Hamilton and assisted them with classes, and Bert helped the Hamiltons in editing the first publication of their famous "American Round Dancing", a very important manual for the teachers and dancers. The Smoyers were students in the first basic class conducted in Tallahassee by Bert & Thelma, who were exceptionally qualified by training and ability. When a change of jobs took the Burris's to another part of Florida, the round dance records accumulated during their two year stay were turned over to the two who had pestered them the most with questions on how, why, etc. - Smoyers, of course. Howard & Norma have carried the R/D records ever since - to beginner classes they have taught, to the club square dances, and to the round dance group

Howard & Norma Smoyer that has met weekly ever since that time.

Subsequent contacts with Frank & Carolyn Hamilton and Manning & Nita Smith at Kirkwood Lodge provided further inspiration and knowledge for both teaching and dancing. Annual vacations at Kirkwood Lodge have provided exposure to the techniques of many outstanding round dance leaders, the most recent being John & Wanda Winter of Garland, Texas, a delightful couple. Attendance at the Smith Institute in Stillwater, Oklahoma, provided further knowledge and training.

Howard & Norma have taught many basic round dance classes and have enjoyed meeting with a regular group of dancers weekly, where current dances are taught and old dances reviewed regularly. They feel greatly indebted to their many friends who have assisted and supported them over their years of teaching and dancing.

The Smoyers have been responsible for the rounds at TSARDA (an area organization of S/R Dancers) events; they have been programed at the Georgia State Convention in Macon each year; and at many dances sponsored by the Dixie Federation of S/Ders.

They handled the round dance program at the Pensacola 21st S/R Dance Festival in '73 and for the past three years at the annual Panama City S/D Festival.

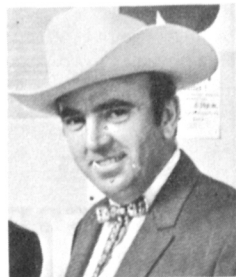

They are associate members of the Round Dance Council of Florida and the Dixie R/D Council, and hope to become full members of the Florida organization as soon as eligible.

BUTTONS & BOWS of Lakeland started off with our annual Strawberry Shortcake Dance on the 13th and we had approximately twenty squares enjoying our dance and our caller was Bob Rust and he did a fantastic job of calling for us. On the 20th, our club held a Luau at the home of Carol & Buddy Ireland and it was a fairyland of flowers and lights. When you arrived, they gave you a lei with a kiss and you entered a Hawaiian village with an authentic grass hut, which was made especially for the occasion by several of our members. Our tables were decorated with candles and flowers and it took the committee over two weeks to gather all the materials together and then set the scene for our party. Our food was delicious and practically all was made Hawaiian style. We also were delighted to have our own Hawaiian dancer, Miss Thompson from Plant City honored us with several dances and then she had several of the husbands up and taught them the hula. Later in the evening we did the limbo and several Hawaiian games. It was a wonderful evening and one will be talking about it for a long time.

Our caller for the dance on the 27th was Bill Bishop, who has called for us several times in the past and we always have a wonderful evening of dancing and this dance was no exception. Our callers for June will be Wade Driver and Art Springer who them will be calling for us for the balance of the year. We welcome one and all to come and join us at San Lan.

Vance & Miriam Bateman

LEINER & HAY AT RIDGEWOOD had a nice treat for us Easter Sunday. The tables were decorated and there was a nice variety of refreshments, but someone forgot to plug in the coffee and while we were waiting we had a chance to watch the Easter Egg Hunt outside with a real live Mr & Mrs Peter Rabbit to help the tiny kids find pretty eggs, so we rested and enjoyed the coffee break and dancing so much, on one seemed hungry later at the Driftwood Cafeteria where about 22 dancers gathered. We enjoy our dancing days and reviews at Largo where the password is 'Dance'

HIGHLAND SQUARES It has been busy, busy, busy for local Squares. We've been doing enough visiting to bring back some Bacon - pants from the South Orlando Squares, a plaque from the O-Bar Eight Balls anniversary dance, and a Happy Hoedowner banner. We have also had representatives at the Firehouse Squares and Sanlan Ranch Camp Grounds recently. A hearty thank you to Bill Darling and Dick Stutler for their constant and devoted efforts as Prexy and Treasurer for '73-'74 year. They and their wives were always available and most helpful to the club and its members. At the helm for '74-'75 will be Mike Ferguson Pres. and Bill Kozicki Treas. Clif Bailey and Delores Walker who ably have been serving as 1st V.P. and Sec. have agreed to serve again. A "Bill & Elva Ford Appreciation Dance" was given by our club April 25th. Our very surprised club caller provided a fun evening of dancing for nine squares of club members and visitors from Kissimmee, Orlando, Leesburg & Brooksville. Pat McCaffrey

WESTERNAIRES of Miami enjoyed the recent visits of groups from many of the area clubs. Joe DiNatie brought a large delegation from the Hollywood Squares and the same night we had groups from the Palm Swingers, Florida Crackers, Smile-S-Whiles and the Sun Squares from far-a-way Deerfield Beach. Club visitors and visiting callers had a great deal to an evening's fun. A delegation from the club on successive nights pinned our badge on the banner of Palm Swingers and Hollywood Squares.

In addition to excellent support of our club, the members have been strongly supporting other square dancing events. Most of the members have registered for the State Convention. As always, we expect a fun filled weekend involving both club members and our friends. At such events we realize the importance of belonging to an active club. Caller Bob Cook's new beginner's class is progressing very well and he has plans for a Knothead weekend at the Golden Gate Inn June 15. The ranks maybe swelled by other groups who want to make Knothead at the same time.

We will be losing Don & Joanne Prince for two years but we all envy them their new assignment. Don's job with Eastern Airlines now takes him to Nairobi, Kenya, Africa. We are maintaining a full summer schedule, as you will note from our ad and the Calendar of events. Mark your calendar accordingly. Bert Ashcroft

PROMENADERS of Cresthaven-With the world in such a state of upheaval, it is nothing short of fantastic, to see so many happy beautiful people dancing, laughing and Yellow Rockin' in fun. The secret is being Young at Heart. Age is unimportant on the dance floor. I dug through my little file of rhymes the other day and found this, it is titled Take Time. Take time to dance it is the secret of youth, take time to laugh, it helps to lift life's load, take time for friendship, it is the source of happiness and most of all Take Time for God, it is life's only lasting investment. All these attributes are found in the majority of dancers, so there it's not a secret anymore. If it is National callers you like, we go one better, we have World Wide callers every week. As a matter of fact all our callers are 'out of this world', come dance with us. Peg Schaefer

WAGON WHEELS St Cloud April was another busy month and unfortunately for us it was the last month Dick & Norma Reisinger will be with us until November. April 19th was a special treat for us, Dick Reisinger came as Yo Yo the Clown! He did a fine job calling for us, as usual. What a treat to have a caller who is a real clown. Bill & Elva Ford continue to do a real fine job for our club. It is a real treat to dance to such a fine caller. Some of us went to Clermont April 25, to join the Highland Squares in paying tribute to Bill & Elva. Our hats go off to this fine couple who bring so much joy to all of us. Two of our dance nights we will be having guest callers thru out the summer and we are very happy that our community house is air conditioned now so we feel that a good summer of dancing is ahead for us all. Come join us for a nice evening of dancing. See you round the square Lane & Paula Krogulski

SPINNING WHEELS of Tampa celebrated their fourth anniversary, time sure passes fast when your having fun. We sure hope everyone enjoyed themselves. We are looking forward to another excellent year of square and round dancing. I'm sure everyone had a great time at the convention and can hardly wait till Nationals. So keep smiling and keep dancing.

TAVARES SQUARES Changing of the guards ceremony is due for the club. Thanks to our retiring officers for a job well done and best wishes to the enthusiastic group of new officers. They are Bob & Min Schmotzer Pres., Dick & Elsie Crider Vice Pres., Neil & Sally Barton Sec. and Roscoe & Gen Shepherd Treas. The new Directors are Al & Bernice Meyer, Rod & Romayne Ihrig, Art & Mimi Fox and Ralph & Edith Banning. Ten squares danced up a storm to Danny Robinson toe tapping rythm and witnessed the impressive candle light installation ceremony with our supper star Glenn Bryce as installing officer. Give that man a microphone and words flow like music to the ears. Thanks to Pbbly Bryce for the lovely rose corages presented to the ladies and thanks to Rod & Romayne Ihrig and their committee for the special cake and beautiful table. March 23rd we graduated nearly seven squares under the direction of John Deeter with Mimi & Art Fox as coordinators and we are proud and happy to accept them as club members. Come dance with us.

OCALA SQUARE DANCE CLUB are looking forward to it's Sweet Sixteen Dance as that will be when the club will mark sixteen years of uninterrupted dancing (check our ad for details). It was on May 6, 1958 that the club was organized. As a matter of fact, Lola and Myron Pierce, charter members of the club still dance regularly. Also, Marijohn Williams and Evelyn & George Jordon who were early club members. Principal caller in the early days was Don Armstrong of Daytona Beach. Square dancing has come along way in the past sixteen years. It is an old form of group dancing and could be called a bit of Americana. Many people associate square dancing with a fiddler standing on a bale of hay at a barn dance playing Turkey In The Straw and a good neighbor calling directions for the dancers to follow. Simple calls like 'allemand left'-'swing your partner'-'sashay to your gal' have been replaced with a myriad of complex figures. I, for one, feel that sometimes square dancing is becoming too intricate and we are losing sight of the purpose of square dancing and that is to have fun. No w, I am not against progress. Were it not for new figures being introduced and tried over the years square dancing would not to at the point it is today. However, niether do I enjoy attending dances where sqs. are continually broken down due to the introduction of something new all evening. We, here in Ocala try to keep abreast of all the new goodies and our club caller Bob Rust will workshop us when necessary. Bob & taw Lou, have been with the club for about fifteen years and they both are very popular with the members. Hope to see many of you at the Anniversary Dance.

MODERNAIRES of Ft Lauderdale Congratulations to our newly elected officers for the coming six months term and we feel confident that they will apply themselves towards guiding our club to months of successful fun-filled activities as we enjoyed during Pres. Vehar's reign. Unanimously voted into office are, Bob Manley, Pres., Don Scott, V.P., Steve Miko, Sec. and Jerry Zmudzinski, Treas. As new business at our election meeting, a Hospitality Committee was formed to welcome and entertain our out-of-state callers, engaged for special events. Shirts-N-Skirts of Ft Lauderdale was our guest club of the month invited to dance with us to enjoy Chuck Leamon's ever zesty tips. Chuck conscientiously puts us through the current new figures recommended by the Callers Assoc, making our dances ever interesting as well as fun. Come join us and see for yourself. For the last Sat of the month a pavilion was reserved at T.Y. Park for our annual picnic. The men showed their skills in cooking breakfasts to barbecue dinners for their families. After horse-shoe pitching, volley ball, swimming, boating and other sports, as well as squaring up to Chuck Leamon's calls, we were a happy tired bunch at the end of the day.

FRIENDLY WHIRL-A-WAYS R/D Jacksonville - It's vacation time and the natives were getting restless, sooo away they went. Bill & I left for Fontana Rebel Roundup and Roy Bailey and Betty Porter are enjoying the Swap Shop this week. By the time you read this they will all be back home. Have you missed someone around here lately? Yes, the Armstrongs. It was April in Paris for Bob & Irene. They hopped across the Atlantic with 188 of the State Farm group. It will take weeks to debrief the lucky vacationers and catch up with all they did. Our instructor Edith Reisen, is a doer and her calendar is packed with activities. But she always finds time to keep up with the new dances. We are currently working on You are the Only Girl and Shirley. We regret that we were forced to cancel the Gloria Roth Dance. She flew back from Europe to her home in Nova Scotia, stricken with pneumonia, but she notified us that as soon as she recovers she plans a visit here and at that time the dance will be rescheduled. So many are making plans to attend the State Convention and from the program presented in the Bow & Swing, it looks like a lively time is anticipated.
Mabel Pangle

MIAMI BEACH OCEAN WAVES feel, in all due modesty, their annual Extravaganza represents America's greatest value in square and round dancing week end festivals. Picture this, for the 12th Annual Extravaganza at the Playboy Plaza in August (check our ad) all rounds will be live by the Beatties, an afternoon workshop by the master himself, Jack Lasry; a big night dance wingding with Lasry Bedell and Beattie topped by their famous annual 11 P.M. to Midnight Hot Hash; a morning round dance workshop by the Beatties, and a fantastic afternoon get-away square dance by the fabulous Frank Bedell - and all included in the price of one ticket. That's living! That's square and round dance fun! That's what makes sell-outs! So, enough said. The Ocean Waves want you on the Extravaganza floor in 1974! Special hotel rates have been arranged. Dance is limited to 75 squares.

NAUTICAL WHEELERS Key West April has been another busy month for the club, with two nights of exhibition dancing to acquaint others with the fun and friendship of square dancing. Or April 29th we joined in a Fish Fry for the newly arrived members of the Naval Aviation Engineering Service Unit at Boca Chica N.A.S. On April 29 the club performed for the over 259 delegates to the Florida Mosquito Control meeting. Many of our snow birds have gone back north and we will miss them and look forward to having them back again next year. The new group of Round Dancers have selected Cayo Huese Rounders as their name, and are busy polishing up their prowess in Pearly Shells and starting in on Flip Side. Many registration ribbons for the State Convention in Orlando are being worn, and we are all looking forward to seeing friends from all over the State there. There are even a few ribbons from the coming National Convention in Texas. Jack Stevens recently gifted many of the members with very professional Nautical Wheeler bumper signs. See you all at the convention.

CENTRAL FLA S/R DANCE ASSOC. is busy with last minute arrangements for the Fla State Convention. We are ready for all you square and round dancers and intend to make this one of your biggest weekends ever. After the convention we are looking forward to another successful year for the Association. In June we will have another Assoc. dance and the annual meeting for the election of officers will be held and a pot luck dinner. The dinner will be held at 6 P.M. at the Eustis Community Center. All dancers please bring a generous covered dish. Stay and dance with John Robbins and the Augenblicks to work off the food. This will be a get acquainted dance for the new members of the Assoc. and a renewal dance for old members. So join us or renew your membership. This fall the Assoc. is planning a Seminar for new club officers to help them do their job better & be informed. Watch for details and have your club officers attend this informative Seminar. May everyone of you enjoy the convention as much as those who have enjoyed planning and organizing it, but only your attendance makes it a success. See you there.

CHARLOTTE PROMENADERS of Port Charlotte have planned a fine schedule of dances for the summer. These dances will be held at the Center with callers Chuck Kessler, Jack Harris and Don Rich who will assure dancers of the area a lot of square dance fun throughout the summer months. The club's first annual Square Dance Jamboree will be held in June with Singin' Sam Mitchell. Chuck Kessler will be there for added pleasure for the dancers. Round dancers are assured round dance fun with Lee & Earle Kastner on this special evening.

CAROUSELS of Largo have Frank & Iris Gilbert teaching intermediate to advanced numbers, assisted by George & Bobbie Stone. This month we learned Near You and The Young Ones. The Wed. challenge group worked on Wonderland By Night. Iris declared April 20 Iris' Night Out and a group of twenty met at Baumgartner's Restaurant, the ladies looked so lovely in their long gowns, with dancing after at the Gilbert's home. We look forward to the first Sunday dance sponsored by the Carousels 1,3 & 16 with a program of 40 dances, after which we gather at a local restaurant for food and fellowship. A nice way to spend a Sunday afternoon, come out and dance with us.

WOODCHIPS of Pinellas Park enjoyed delicious food at their Pot Luck on April 17 prior to the dance. The new graduates are progressing well at the Wednesday night workshop. We are looking forward to our special dance in June when Yodelin' Jack Cloe will call for us again. Fred Leach will cue the rounds. Our Sunday night class of ten squares is now closed other than for Rusty Hinges who are looking for a brush up.

MID FLORIDA LAKES We are beginning to notice the gradual trek of our members and guest snow birds to various parts of the country. However, we are still maintaining 10 squares or more each dance night due mostly to the calling of the inimitable and newspaper publicized, John Saunders. We have had a good year, averaging at least 16 squares each dance night, and many of our guests seemed ecstatic over the caller and our hospitality. Recently, we were part of the program at Hawthorne Mobile Park in Leesburg, which in turn has inspired them to begin square dance lessons of their own. The Executive Committee is busy these days preparing for the graduation of nine sqs. of dancers on April 20; after which, Mid Florida Lakes Squares will sponsor an additional dance group with Jim Deeter calling. On May 7th there will be a Benefit Dance for the Lake County Boy's Ranch. We expect to have good representation at the State Convention of Square Dance Clubs in May in Orlando.

BEACHSIDE SQUARES A group of Dancers with their caller Oscar Erwin and other dancers from the Halifax area enjoyed a weekend (Mar 29 to April 1) in Nassau. Dancing on the open sports deck of the Flavia will always be remembered as the "falling in love with the callers dance". C.Lichtenberger

RHYTHMAIRES of Ft Lauderdale congratulate the new graduates from Ted Anderson's class and welcome them into the club. In spite of the smoke, waiting for a caller at an Alligator Alley rest area and a few mix ups in the reservations a wonderful time was had all by on the last weekend in April at Ramuda Ranch. Vern Johnson, Pete Sansom and Ted Anderson were on hand to make it an extra fun week end. our new dancers really feel ready now for the convention. Ted was happy to help the group earn their Alligator badges at the rest stop. There was quite a group waiting there for the callers. Ted was certainly a welcome sight to them. Paul & Lucy Greenwood and family spent Easter weekend at the Highlands Hammock State Park near Sebring. An extra treat was in store as the Mobile Mavaricks with Tom Bean as caller were having a square dance camping week end there at the same time. Check our ad for the new schedule. Lucy Greenwood

SUN SQUARES of Deerfield Beach enjoyed another month of extra activities. Among them was a surprise baby shower for Judy & Karl Ijams. By the time this is in print we should know if we are god parents of a girl or boy. Judy just wants a healthy baby. We enjoyed having the Modernaires with us one evening. They came to retrieve their banner. A pot luck dinner was held to celebrate the graduation of John Sherley's class. Congratulations toal of you. Most of them have joined the club. John has been putting us thru our paces learning all the new steps that will be called at the convention. So recycle your retreads. Flo Stitgen

SANDY SHOES STEPPERS of Ft Pierce find that many of their winter members and guest have returned to the north. We're always sorry to see them leave us but we know they'll return in the fall - relaxed, happy and rarin' to square dance with us again. We hope to resume our dances Sept 28th - more about that in a later issue. Ruth & Stan Jaynes, those terrific round dancers, teachers and callers, visited our club April 28th. We usually use tapes of Stan's cueing for our round dancing but on this particular night, Stan was good enough to call the rounds in person. Thanks Stan. One of our members told us about square dancing on horseback, now that's something you might want to try this summer. Can't you just see teacup chain done in this manner? Our best wishes to all of you for the summer. Ruth Moore

LAKELAND ROUNDETTES we had a busy month besides learning many new dances, we have attended many of the dances around the area. Marty & Byrdie have been teaching their Monday group, Walk Right Back, Godfather and Secret Love. Their Wednesday group have been learning Dancing Shadows. Our Thursday group have been busy learning Konticki and Walk Right Back. We have been reviewing several of the latest dances being taught in the area. We have had a few members leave us for the north and they will be missed while they are away. Vance & Miriam Bateman

MANY THANKS to all who attended the 50 Basic Dance at Barefoot Bay on March 31th called by Bob Frye (taw Margie) and myself. Many had traveled some distance to join us. Each person who came created a most enjoyable afternoon. It's always a great feeling to know that there are so many nice people in this world who most importantly enjoy being with one another! That's why square dancing is so much fun. Our thanks extends to the people in Jensen Beach for the fine dances they have made possible and to all the dancers we have been fortunate to meet where I have called since arriving in Florida where I hope to stay.

STUMPIN' STUMP JUMPERS PERFORMING AT ZEPHYRHILLS

STOMPIN' STUMP JUMPERS of St Petersburg have been preparing for the State Convention. We made \$37 on our Garage Sale and would like to thank everyone who contributed items for us to sell. They are now helping us on our way to State Convention. We also want to thank Jeannie Dempsy and her family for use of the Garage for the sale, Jeannie and her Mom worked hard and did a fantastic job. We would also like to thank Mrs Barlow for all the work she did at our pool party, without her I really doubt it would have come out as well as it did. We clogged at Palmetto High School April 5, we did a few square dances by record and then clogged, the students seemed to have really enjoyed it. We all enjoyed clogging there and then afterwards we had a Bar-B-Que at Vickie's farm in Palmetto. We are sorry to see one of our club members, Mike Pierson, leave for the army. We will miss him and hope he has good luck while he is gone. We had a meeting at the Fass's home and we thank them for the use of it. Remember square dancing is fun for everyone.

ALLEMANDERS Satellite Beach Our club begins the summer schedule this month dancing every other week. This means we are dancing less but enjoying it more. Thanks to the enthusiasm of the members and the wonderful calling of Colin Walton. He works hard to insure everyone's having a good time. A hearty welcome to the new members from the graduating class. You have joined an active club and one whose membership was never higher-just under 200! May you have years of dancing enjoyment.

We are happy to see Peggy Wortman, who was recently hospitalized, back dancing again. Keep up the good work, Peggy. We want the Wagon Wheels of St Cloud to know we enjoyed your visit even if it was to retrieve your banner. We want to thank the other visitors from the local clubs. We enjoy company, the more the merrier.

We are planning several camp-outs this summer that include dancing, so please make some time available. More on this later.

PALM SWINGERS Of all the nights to have car trouble Pete Sansom had to pick the night Julia of London was calling for us. He had her with him and also her husband Dave Smyth and their son Simon. With a packed hall of dancers waiting anxiously, the committee was on needles and pins. But believe me, if you knew Julie like we know Julie, she was worth waiting for. Take one cute, pixie English lassie, in a neat package of minie skirt and white knee boots, add a husky voice with a pleasing personality and that adorable English accent and you have Julie. Her calling was superb and her cute way of saying "flutter wheel" cracked everybody up. Her singing calls were songs that are done in England and they had quite a beat to them and everyone enjoyed them. We already put our bid in for her to come back and call for us if she comes to Florida again. Julia & Dave were proudly presented with Palm Swingers badges to make them honorary members of our club to the delight of everyone.

It was also our ice cream social and Rene Selle came up with her famous chocolate sauce with the rest of the trimmings for a sundie and everyone enjoyed themselves. A good time was had by all.

BUTTONS & BOWS of Lakeland started off with our annual Strawberry Shortcake Dance on the 13th and we had approximately twenty squares enjoying our dance and our caller was Bob Rust and he did a fantastic job of calling for us. On the 20th, our club held a Luau at the home of Carol & Buddy Ireland and it was a fairyland of flowers and lights. When you arrived, they gave you a lei with a kiss and you entered a Hawaiian village with an authentic grass hut, which was made especially for the occasion by several of our members. Our tables were decorated with candles and flowers and it took the committee over two weeks to gather all the materials together and then set the scene for our party. Our food was delicious and practically all was made Hawaiian style. We also were delighted to have our own Hawaiian dancer, Miss Thompson from Plant City honored us with several dances and then she had several of the husbands up and taught them the hula. Later in the evening we did the limbo and several Hawaiian games. It was a wonderful evening and one will be talking about it for a long time.

Our caller for the dance on the 27th was Bill Bishop, who has called for us several times in the past and we always have a wonderful evening of dancing and this dance was no exception. Our callers for June will be Wade Driver and Art Springer who them will be calling for us for the balance of the year. We welcome one and all to come and join us at SanLan.
Vance & Miriam Bateman

LEINER & HAY AT RIDGEWOOD had a nice treat for us Easter Sunday. The tables were decorated and there was a nice variety of refreshments, but someone forgot to plug in the coffee and while we were waiting we had a chance to watch the Easter Egg Hunt outside with a real live Mr & Mrs Peter Rabbit to help the tiny kids find pretty eggs. so we rested and enjoyed the coffee break and dancing so much, on one seemed hungry later at the Driftwood Cafeteria where about 22 dancers gathered. We enjoy our dancing days and reviews at Largo where the password is 'Dance'

FEATURE FIGURE FOR THE MONTH

THE CALLER'S CORNER

REVIEW WORKSHOP FIGURE - TRADE THE WAVE

If you analyze the trend of the past few years toward what figures are catching on with the Mainstream you will find figures like Curlique, Walk & Dodge, Scoot Back etc. These figures are not the latest new ideas but figures that were second best to the Spin Chain Thrus or Runs that became Mainstream overnight. Notice they are all short action figures that are not combinations or "memory" courses.. So with the majority of the newer experimental ideas being suited only for the advanced workshop dancers the Best Place To Look For Suitable Ideas For Use With Our Middle Ground Dancers Is From The Past. That's why we are reviewing Trade The Wave.

Trade The Wave is a partner trade type figure done from ocean waves. It is very handy to move dancers from the dixie style wave which is left handed back into a normal standard wave for easier usage. So with that in mind our teaching set up is from the Dixie Style wave... **The Teach** Ask the dancers to lean forward thru the wave and "peek" at the dancer facing the same way in the wave. Now step thru the wave and trade places with the one you were "peeking" at and reform the wave. The figure is easily taught and easily cued with the "take a peek" - Trade The Wave. The figure has enough value to become Mainstream.

STUFF & NONSENSE

by EMILY LEACH

Once again the cost of living is up. Next thing you know our taxes will be a bargain.

GOSSIP:.....Ear Pollution.

A reformer is someone who wants HIS conscience to be YOUR guide.

The drawback with bucket seats is that everyone does not have same size bucket.

INFLATION.....Something that cost \$10 to buy a few years ago and now costs \$15 to repair it.

SPLIT-LEVEL HOME.....Half your's and half the bank's.

Old age is tricky, just as you get to the point where everybody agrees you've had it, you can't remember what it was you had.

If you have a basement full of stuff which is classed as junk, move it to the garage, put up a sign, and it becomes valuable merchandise.

One reason camels drink so much water is that no one offers them anything else.

Our friendly neighborhood gas station announced that if you buy a set of tumblers, you can buy some gas.

Both sexes have hair problems.....With the ladies it's tint, and with the men, tain't.

Joofy definition: MUSHROOM is not a place to make love.

Not many toasts on long life have the wisdom of this: May you live as long as you want to, and may you want to as long as you live.

Woman to traffic cop writing speeding ticket: "Make up your mind. One week you take away my license and now you want to see it."

Remember, there's a difference between good sound reasons and reasons that sound good. Nowadays, women's clothes aren't designed so much to make the girl look slim as they are to make the men look 'round.

Overheard at a round dance: "Waltz a little faster, dear, they're playing a rhumba." A lot of trouble in this world is caused by combining a narrow mind with a big, wide mouth.

It's a known fact that women live longer than men, but just how long they're "girls." Money is that stuff that talked in the thirties, whispered in the forties, and just sneaks off quietly now when you're not looking.

A leaky faucet is just a drip tease.

One of the things that has me puzzled, is why walls are so thin when you want to sleep and so thick when you want to listen.

Even though you may have no reason to smile, it's a good thing to keep in practice anyway.

Nowadays the average girl needs more beauty than brains, because the average man can see better than he can think.

The Doctor covers his mistakes, with sod of richest green,
The Architect, he covers his, with ivy, so I've seen,
The new bride covers her mistakes, with mayonnaise, so deft,
And when the Square Dance Caller goofs,
He calls an Allemande Left.

BILL KEGLEY

CALLER OF THE MONTH - Bill Kegley - Lakeland - Bill came from Holdeman, Kentucky in 1949 to Clearwater, Fla. He was in the Navy before Pearl Harbor and was in during World War II and was on the M.S. Missouri during the signing of the Peace Treaty. After the war Bill attended Morehead State Teachers College. He enjoys teaching square dancing and fun level dancing. He works on good timing and rythm. Both Bill and his lovely wife Diane enjoy go-to Nationals and try to make it every year. He also likes to M.C. and was an active member in Toastmasters before he began square dance calling. Bill is an engineer on the Seaboard Coast Line Railroad and also an insurance agent for United Life Insurance. Bill calls all around the area and also has many classes going for all ages. Bill & Diane own a Dodge Motorhome and enjoy the camping and the fellowship that goes along with camping and square danc-

ORANGE BLOSSOM SQUARES As I write this article we have been missing Gary's other half around the club (I'd like to say better half, but wouldn't dare). After a trip to the hospital for surgery, we are happy to announce Dee is progressing nicely and will soon be her busy self, and we hope feeling immensely better than before. The Easter Parade Hat Dance was a delight to all. To have been a judge would have been most difficult, as the hats ranged from the very funny and ridiculous to some very pretty and original. Finally the judging was narrowed down to four-Claudette Mears, myself- Betty Jones, Hubby, Joe Jones and Dick Wutzler. Out of these, Claudette and Joe won the prizes. Claudette's hat was made out of plastic holders for beverage cans. Joe's hat was made out of a "piece of a lawm mower and a fertilizer bag?? Now that's about as original as you can get. All in all it was a most joyous dance. We'd like to thank Dixie Twirlers for coming out with such a large group to retrieve their banner and helping to make our Easter dance even more delightful by them being there to dance with us. Also Gary's class has been invited to dance with the club the past few Sundays. Since Gary has already been teaching them the newer figures our club is really dancing. The ability of their level of dancing is surprising to those who haven't seen how well they were progressing. Congratulations to Gary Decker for all his patience and perseverance to teach so well, and the class for listening and learning well. We look forward to graduation and welcoming the new members officially as Orange Blossom's. B. Jones

O-BAR 8 BALLS Kissimmee Our anniversary dance in March was a happy time for all thanks to our many friends and area callers. Thanks again to Bill & Joyce Shell and Bill & Elva Ford for coming as guests and sharing a tip of singing calls. Bill Price & Dick Reisinger shared the regular calls. The Highland squares of Clermont won the prize for the most in attendance. We took a group of Kissimmee Square students and our own to make Knothead April 7th to North Port Charlotte. There was a group of 29 made this trip, 2 squares of prospective Knotheads. A great day was had by all. Dick Reisinger called the dance and he is always fun. Bill Shell is our new caller, any of you that haven't danced to Bill try him, you'll like him. He and Joyce are great at people plus being a good caller. All for this time. D. Keene
