CENTRAL FLA. S/R DANCE ASSOC. The Starlight Promenaders hosted our last Assoc. Dance Nov. 30 in Sanford. Roger Chapman had 23 squares on the floor and Joe Augenblick about 20 couples on the rounds. What a nice opportunity it was to see everybody before getting busy for the holidays. We hope you all have a peaceful Christmas and start the New Square Dance Year appropriately at one of the many New Years Dances. We are looking forward to being back together in January with Jim Coppinger and the Trulocks at Orlando Mun. Aud. Also mark your calendar to attend our next assoc. meeting Jan. 12 at Ben White Raceway.
Rita Wilkins

CRESTEPPERS of West Palm Beach and their instructors, Helen & Wally Jacobs, extend to the editors and readers of our informative magazine a very happy and healthy new year. We thank the editors for the space allotted us in Bow & Swing this past year. Our three classes look forward to every issue. We're grateful. A great dancing year has passed with many fond memories of friends from far and near who share our dancing sessions. Year after year our "snow shovelers" visit with us to resume happy relationships. The first snow flakes brought in the Lamons, Links, Heggens, Dohertys, and the Zoricks. In Nov. we were exposed to those excellent teachers and composers, Viola & Ken Zufelt from Detroit, Mich. who joined us for a visit and "tore the house down" with their exciting Spaghetti Rag. A recent letter to the Jacobs from one of our faithful dancing couples, Margaret & Wilder Weeks, made us reflect on our blessings. In part the Weeks wrote: "Now that the 100 mile trip to the Cresteppers seem to much to face.. and as much as we have enjoyed the years dancing with you, and the many kindnesses you showed us and the pleasure of being with the club, we feel the time has come to quit. While we still dance within a 30 mile radius there is no dancing that compares with you". We will miss the kindly and friendly manner of the Weeks and wish them God speed. We remember them well. Memory is a blessing that graces our mind's storehouse. How poignantly the Weeks expressed their memories of happy round dancing days with us. How trite that steps are missed, routines forgotten, or that partners glare at each other in the light of the blessings of the Supreme Caller who cues our destinies and privileges and brings us together to share ourselves and to enjoy the pleasure that round dancing gives us. We look forward to 1975 with hope for good health and to continue to store a treasure of happy memories.

VENICE ISLE PROMENADERS wish square dancers everywhere, Happy New Year! Dance and stay alive in '75! Large crowds have been frequenting the dances at the spacious new club house. The early evening workshop is much appreciated and as many as 192 dancers have been present in one evening for the workshop and the dance which follows. Our callers for January are Jack Harris, Chuck Kessler and Singin' Sam Mitchell. Hal Neitzel will call the rounds. Charlotte Promenaders which sponsor our club dance in Port Charlotte. Roger Chapman will be calling for them in January and this will be a "finger food" dance and then Tom Bean will call on Founder's Night. Also looking forward to Chuck Kessler, Dick Reisinger and Bob Norton. Helen King

PROMENADERS of Cresthaven So endeth 1974 and a very successful one it was. At no dance was there room on the floor to toss a Yo-Yo. When you see our line up of callers for 1975 you'll be lucky if you have enough room to bring a Yo-Yo. The great "L" connection expands with HeLen and WaLLy Jacobs on the rounds for &75. My Ouija board spells out more great L's for 75. They are, and fasten your seat belts, LaSry, RaLph - SherLey - HinkeL - WaLter - BedeLL and last but not least FLenimore and BLurdick - scuz pleez, last two Chineez connection. In any event no one leaves our hall dissatisfied. Glad to have the Beavers and the Koks back, hope they stay. Also glad to see the Williams back after a long jaunt to visit Scotland. Don't forget your Heart Fund Check at our special dance. Peg Schaefer

SANDY SHOES STEPPERS of Ft Pierce have been having good attendances at their regular night dance since the return of many of our Snow Birds. Bertie & Milton Sage are leaving for a South America & Orient Tour to celebrate their 48th Wedding Anniversary, also our publicity secretary Dick & Ruth Moore will be gone on Tour in the U.S. for a few weeks, may they have fun. Betty Bojack has been on the sick list for awhile, hurry and get well Betty we all miss you. Edward Cook

MID FLORIDA SQUARES We look back on the year 1974 with a feeling of gratitude for the many accomplishments and the amount of happiness implemented by the various Committees of our dance groups. Beginning with a Valentine's Party, St Pat's Party, Graduation in April, two picnics, a dance featuring the Cloggers and a Christmas party in Dec. the club membership was given a variable pattern of entertainment. Eight squares of beginners, under the able tutelage of Jim Coppinger, are rapidly showing signs of becoming accomplished dancers. The Board of Directors, influenced by the wishes of the majority of club members, changed the requirements of members bringing food for the social hour. The club now furnishes punch and cookies and coffee served during the dance. This change has met with much favorable reaction by all. The various committees have dove-tailed their duties all year so all club activities have been consummated successfully. We are proud of them! Our esteemed callers, John Saunders and Jim Deeter have been much appreciated by us all! Happy New Year Vi Anderson

SANDY SHOES STEPPERS of Ft Pierce are stepping along for another season. Our winter visitors and members seemed to be returning earlier. We're glad to see old friends and dance with them again. It's been fun swapping summer experiences. We still dance every week come see us if you are in the neighborhood. Ruth Moore

COVERED BRIDGE SQUARES The Southeast area dance was such a lot of fun; and we are very proud of the C.B.S. members who helped put the skit together. Thank you gang! The Halloween dance was attended by many strange looking people! All the costumes were terrific. Three prizes were awarded: Barb & Bob Given; Loretta & Dick Mac Elderry and Beery & Sandy Ray. Congratulations on a job well done. Milt & Evelyn Adler acted as judges and did a super job considering how difficult it was to choose winners from such a great selection. We held our general elections last month. Our new officers are: Pres. Luella & Tuffy Rainbow; V.P. Loretta & Dick Mac Elderry, Sec. Connie & Bill Harvey; Treas. Shirley & Al Bierman; Historian, Marilyn & Jim Koeper. Good luck in all your endeavors during the coming year! The Covered Bridge Squares hopes that all our Sq. Dancing Friends enjoyed a Happy Holiday Season!

CRESTHAVEN SQUARES West Palm Beach A group of 86 dancers, will be kicking their heels with Christmas spirit and paying for the privilege when the group hosts its Toys for Tots benefit dance. About 200 dancers are expected for the annual event according to Tom O'Brien, spokesman for the group and the caller. "No organization has been chosen to help distribute these toys, since we don't want to duplicate any effort, and we will welcome requests from any legitimate Palm Beach County Charity wishing to help provide needy youngsters with these toys," O'Brien said. Although admission is limited to 200 persons, interested spectators often visit the Emory clubhouse in Cresthaven Villas and contribute toys. The second Cresthaven-based dance group, The Promenaders also have announced a charity dance. This square dance is already sold out. There is standing room only for spectators, who, like the dancers, will be asked to pay the price of admission with a contribution to the Heart Fund of Palm Beach. A highlight of this evening is the planned appearance of the Cloggers, two squares from the Orlando area who will introduce and demonstrate the newest enthusiasm of square dancing youngsters dancing to a clog beat. Cresthaven Enterprises, Inc. along with the clubs is hosts for the dances providing clubhouse facilities. "We are especially happy to be able to make the facilities available when these groups turn their attention to such worthwhile efforts as toys for the children during the holidays and the Heart Fund", said David Yorra, pres. of the developing company,

FLORIDA FEDERATION OF SQUARE DANCERS - A BRIEF HISTORY

Who knows where and when it began? The first recorded evidence is about an organization meeting in Jacksonville probably in the fall of 1957. The first regular meeting was held in Melbourne on January 12, 1958. Those in attendance were Chairman, Harry Moore from Miami Beach; Vice Chairman, Carl Heath from Winter Haven; Secretary, Al Cody from Kissimmee and Treasurer, Tom Egleston from Jacksonville. Delegates were Harry Edwards, Harley Sanderson and L.T. Hatcher with Gene Baylis as Liaison from the Fla. Callers Assoc. Also in attendance were Helen Moore, Ruby Heath, Dot Cody, Susie Edwards, Margaret Sanderson, Anne Hatcher, Ethel Perry and several members of the Melbourne Allemanders and their caller Bob & Mrs. Stone. The charter was ratified and filed in Osceola County on March 19, 1958.

Out of this beginning came the National Convention to Miami Beach four and half years later. The original motion was for the approval to bid on the Nationals for 1960 (a brash young crew). As it turned out it would take three bids before Florida did get it for 1962 at the 1960 Convention in Des Moines. Those presenting the bid were Harry Moore, bid chairman supported by Bart Bartley, President of the Florida Callers Assoc. and Tom Smith from the Miami Convention Bureau.

With that out of the way the callers would be asked to let the dancers have the State convention in 1959 as this was a prerequisite for the National, a federation of dancers capable of conducting a convention. Prior to this the convention had been called the Fla. Square Dance Festival sponsored by the Fla. Square and Folk Dance Callers and Teachers Association formed in 1953.

STIRLING CATCH ALL 8'S from an enthusiastic group which started to dance together last July, Hank Schmakael organized this new club. Hank had a Catch All 8's club in Toledo, Ohio, and likes to refer to this club as his "southern division". We dance every week in Dunedin with Hank Schmakael calling the squares and Don Rand on Rounds. Don also has a beginner class in rounds at another time. The hall is owned by the Upper Coast Dog Obedience Club where dog owners are taught how to train their dogs. Eva Cisar, the dog club's president, prepares luscious refreshments for the dancers. Eva, together with several other dog club members have joined Hank's beginner class. We have heard of a square dance group on horses, and one in wheel chairs- who knows, some day we may have a square dance group with bow-wows. Rose Sloan

S.E. FLORIDA S/R DANCE ASSOC. Oops forgot to put in my last article about our one and only Len & Birdell Levitt from Southeast being nominated to Chairman for the State Federation, Congratulations to you both. It was good to have our president Ray McElhaney back on the stand after being out sick. Joe Mieszalski is still on the sick list but hopes to be back dancing soon. We are looking forward to our picnic meeting in Jan., it will be a First for S.E. Hope all our members turn out and don't forget it is a Pot Luck. Our thanks to the Castoffs in Boynton Beach for hosting our last meeting. Many thanks to Tom Trainor for filling in for our caller Jay Fenimore who could not be there. Many local callers were there and called a tip for us. The Castoffs did an outstanding job on refreshments which everybody enjoyed. J & A Mieszalski

KISS-A-ME SQUARES Thanks to the hospitality of Jack & Joan Fugatt, our last club meeting was enjoyed by all. Although it was too cool to make use of the pool, the covered dish dinner was delicious. Officers elected at this meeting were: Pres. John & Lucy Harper; Vice Pres. George & Pearl Mann; Sec. Charlie & Betty Ferguson; Treas. Don & Eleanor Peterson; Rec. Paul & Beth Egleston. It was also announced that Clarence & Marie Steinhoff will be Assoc. representatives while Suz & Tina Sommerman will serve as Council representatives; historians are Gary & Yolanda Gornto. The Halloween Fun Badge Nite was enjoyed by all. Fun badges earned were lemon tease, black out, Venus, costume and jack-o-lantern. Tom & Charlene Babcock came dressed as Raggedy Ann & Andy to win the costume prize. We have another class going 22 couples. Ed Newton is teaching and doing a great job. We are making plans for our annual Rodeo Dance with Johnny Creele so make your plans to attend. Club members have been doing some visiting - matter of fact, we have a couple of banners which need reclaiming. Come see us. Egleston's

part (no matter how great or small) in making someone else happy. The badge or plaque or having your name mentioned isn't of any great importance - it is the feeling you get inside that counts, being able to go to bed at night with a smile on your face and the elated feeling of doing good for others and being able to say "God, thanks for the opportunity to help make life a little better and more enjoyable for others". TRY IT - YOU'LL LIKE IT!

MESSAGE FROM THE CHAIRMAN What's it all about? How come there are those that volunteer for committee; take on the projects of the clubs, associations and accept offices in their organizations and federations; are willing to give more of themselves than is necessary; look for things to do to try and better the square dance movement at all levels; spend their own time and money outside of their club dances; go to meetings, attend seminars, conferences and are always searching for ways and means to improve what we already have?

They are selfish, in a way, because they enjoy the feelings within themselves of knowing they have done their best; that they have helped supply enjoyment to others; have had a

NORTH OF THE BORDER NEWS Summer's gone, winter's coming on and the Belles and Beaux has a nice new square dance class in process. We have six squares and are moving along fine with them. The Recreation Department has been a great help in the publicity and square dancing is on the upswing in our area. We visited the Smith Nursing Home in Nov. at Hahira, Ga. and had a wonderful time with the senior citizens. We graduated a new class in Sept. of five squares and they are really enjoying themselves. One of our Nov. dances was called by Rod Blaylock Albany, Ga. and we really did enjoy his calling. Christmas and New Year will be come and gone, but we wish all the best of everything then and in the coming years. Happy New Year to all of you.

The Winter Dance of GSSDA will be held in Valdosta and we are expecting a very large turnout. We are also having the Ga. Callers Clinic here at the Holiday Inn for three days and those callers from Fla. wishing to take part may do so by paying a small fee of \$10 for the entire weekend. The Callers Clinic is Jan. 10-12 and the dance is at the same time. We had another fine Dixie Federation dance in Tallahassee on the 29 of Nov. at the Elks Club and had a wonderful group attend. The new officers are asking everyone's cooperation in the coming year to help square dancing grow in our area.

CALLER OF THE MONTH - Who is Singin' Sam?

Singin' Sam Mitchell has been referred to as a "high level" caller with a "beat". He is 6 feet 4 inches tall, which accounts for the "high level" and he is a former Policeman (10 years in K.C. Mo.) so that accounts for the "beat". After moving from Missouri to Arizonz in 1957 to avoid cold winters, Sam and his wife Betty joined a square dance class in Tucson, Ariz. In less than a year Sam was devoting full time to Calling and teaching beginner classes and has not stopped since. The exposure in Tucson good and as the winter travelers went home they had their clubs write to hire him and he began his traveling. Soon he was gone from home more than he was there so in 1962 the family moved to Lansing, Michigan, a more central location with a very good school for the special education of their blind daughter. While in Michigan Sam called for 7 clubs and still travelled over 80,000 miles a year. He earned his 100,000 miler air card

from United Airlines long ago. By 1973 he had driven over one million miles for square dancers. In April 1972 he suffered a severe heart attack. He was a lucky survivor, and only limitations the Dr. put on him was to get plenty of rest and lots of exercise. The cold winters seemed longer and colder and drove the Mitchell's to seek a warm climate again where Sam could get his exercise on his days off and enjoy life more .. so they moved to Holiday, Fla. in Aug. 1973.

Along with the 55 miles a hour driving law, the gasoline shortage of last winter and the high cost of living on the road were the major factors in changing Sam from a Full time Professional Traveling Caller to a full time Callers who travels the state and flies out on week ends. Sam calls for 4 regular clubs and many festival dates. He has called in all but three states (Washington, S.C. and Alaska) He has called for over 200 Festivals 80 week-end Institutes, 8 State Conventions, 5 National Conventions, Numerous Callers Classes and Clinic W/S Groups. He has been calling on the staff for Kirkwood Lodge for 12 years, Washington D.C. Festival for 9 years, Cherry Ridge Campgrounds 5 years, Atwood Lake Lodge 4 years, Boyne Highlands 5 years and many others. He has recorded for the following record labels; Dash, Kalox, Windsor, Grenn, J Bar K, Elite and is currently on Thunderbird. He has cut 25 single records and 2 L.P.'s albums.

Sam & Betty have three grown children and five grand children. He is a member of the Callerlab and the Fla. Callers Assoc. Sam got the tag of "Singin' Sam" because he sounded deep rich like the old Barbasol man "Singin' Sam" of years ago. (Ironically the son of the original S.S. is George Hinkel, another Fla. Caller) Betty gave him the nickname and its stuck altho his love is hash.

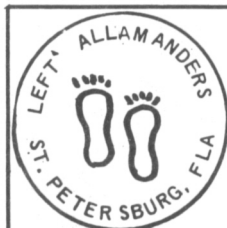

BAY AREA TWIRLERS of Tampa Wecelebrated our 11th Anniversary on Nov. 23 with 22 squares. Everyone was happy and had such a good time. Frank DuBois gave up a special week end to call our rounds for our big event. Thank you Frank. Our club caller Jack Harris is holding six squares in his new class. New officers will be taking over in Jan. We wish them lots of luck. We hope you all had a nice Holiday Season. Watch for our schedule for 1975 and plan to dance with us. Eva & Keith Kays

ROUND DANCE TEACHER It was almost a year after Jim & Norma Trulock started square dancing before they even saw a Round dance, but once they did! They just had to learn how to do the "smooth" type of dancing. They found that the Seagos in Memphis (100 miles away) were going to start a class. Not even dreaming how badly they would be Hooked, they decided to join. 2000 miles and 10 weeks later they received their graduating diploma. After a few more months of "road running" they agreed to teach their square dance friends in Jackson some of the basics and easy level round dances they had learned. This was in 1969 and until they moved to sunny Florida they continued to teach in Jackson and drive to Memphis every Sunday to dance with Jack and Sweetie Pie (Marie) Seago. Jim feels they probably

JIM & NORMA TRULOCK

hold the record for Dance Miles in Tennessee; 40,000 miles in four years, just to dance!!! Crazy?, Well, Jim does admit they sometimes wondered, but they loved dancing, and Jack & Marie; and they had made so many friends in Memphis it just seemed like a second home on the weekends. Jim & Norma were elected Presidents of the Jacks, Queens & Kings R/D Club in Memphis as well as President of the Memphis Round Dance Teachers Assoc., and cued rounds for their square dance club in Jackson. They had succeeded in having almost the entire club dancing rounds before they left and had established the Star Twirlers R/D Club in Jackson. The Trulocks moved to Orlando in 1972 and got right into the swing of things by joining the Klassy Kats and South Orlando Squares. Through Laura Bookmiller they were introduced to the Orlando Orla Vista Firehouse Squares (when there was still a firehouse!) and began cueing for that square dance club. They joined the Florida Round Dance Council and are full members in that group. Jim says he always tries to remember what Jack Seago said about round dance teaching, "Dancing and learning to dance should be fun, so it's up to the instructor to make it that way". On Sundays, at Mid-Florida Lakes, Jim & Norma have 31 couples dancing with them at the Graceful Gators R/D Club with another 25 couples coming for fall classes; and from class to club the key-note is FUN & FROLIC, along with learning and dancing. Remember Round Dancing is fun set to music.

MODERNAIRES began November by installing their Officers for the coming 6 months. In attendance was a group from the Pistols & Petticoats of Pompano Beach. The cloggers from that club also put on an exhibition that evening. The following week, the Westernaires of North Miami joined with us to help celebrate the 19th Anniversary of Caller Chuck Leamon and his lovely wife Carol. Finishing up the month we held our First Annual Turkey Trot on the night before Thanksgiving. Grand prize was a turkey which was won by club member, Russ Bean.

SUN SQUARES of Deerfield Beach held their election of committee chairmen for the next six months and yours truly is back in harness as reporter for Bow & Swing. We have had a very busy fall and winter season so far, dancing 13 or 14 squares each week. This makes for cozy dancing in our little hall. It also seems to create a desire in our callers John Sherley and Fred Hornung, to attain greater heights of perfection, but the impossible always takes a little longer. At least they are working us real hard. We were sadden to learn that one of our most active couples Ron & Millie Moitzfield were being transferred to Rochester, Minn. Our loss will be their gain in Minn. Parties, dinners and a "This is your life" program at one of our dances, sent them on their way. Good luck to both. The committee of our new club dresses have come up with some beauties. Just wait till you see us all decked out in new raiment. Our thanks to Polly Achatz, Verna Burrichter, Joanne Couden, Eunice Harris and Eloise Whyte, for all their hard work in bringing this about. Lou Wisely tried to get himself appointed to this committee but our caller John Sherley "wiely said No". Our sympathy is extended to Marilyn and her family in the loss of Marilyn's father in mid Nov. About 2/3s of our club along with several hundred other couples attended the Grand Opening of Pistol & Petticoats new home in Pompamo. We wish Chuck & Carole Leamon all the luck in the world in their new hall. It was really good to see Joe Mieszalski back attending the SE Meeting, keep up the good work Joe. The Sun Squares want to take this opportunity to wish one and all a very happy and prosperous 1975.

SAILFISH SQUARES had their second anniversary and holiday dinner at the Holiday Inn in Stuart. It was a dance for the members only with the club footing the bill (1/2) for the dinner. All wore their Sailfish outfits and it was truly a beautiful picture in blue and white including the centerpiece on the table. The dinner was hosted by the president Bill & Ann Turek. The dance was called after the delicious banquet by our club caller Jack Hosken and the rounds cued by Ed & Beulah Janason. Everybody had a wonderful time! The nominating committee has appointed Ken & Flo Jensen, Lon & Tess False and Bill & Ann Turek and have met to chose the new steering committee for the third year of this thriving club. The following new members have joined the club: Curt & Martha Chidester, Barney & Eleanor Means and Walter & Kate Miller.

HARBOR CITY SQUARES want to remind everyone about our Frankie Lane dance coming in Jan. (see our ad). We want to thank everyone for being so patient for the inconvenience that they may have gone through while we were having the new flooring put in our hall. We especially thank all the organizations that offered the use of their halls to us, while we were unable to use ours. We have had a wonderful past year of square dancing and we are looking forward to 1975 being just as good. Darlene Berkes & Margaret F.

MEL-ROUNDERS Melbourne The club is so pleased to announce that effective Dec. 4, The Brevard County Rec. & Parks Dept. will be sponsoring the Mel-Rounders. As of this date our dances will be held at Rodes Park Rec. Bldg., Minton Rd. A cordial invitation is extended to all round dancers to come and dance with us to the very fine cueing of our callers Stan & Ruth Jaynes. The club was particularly fortunate this past year to have John & Betty Jones come out of several years of retirement from round dance calling to teach a large beginners class. A graduation party will be held for this class in early Dec. and the Club is very happy to have these fine new dancers as members of the club.

FLUTTER WHEELS of Lake Placid welcome our winter visitors. We are enjoying some mighty good dancing with Tom Bean. Lucille Kelley and Tom Bean helped to promote the first annual Western Roundup at the Lake Placid Shopping Center. A large group from the Miami area made this afternoon and the Saturday night a most successful affair. Roger "Chef" Vandenburg prepared a pot full of his famous hot dogs and Frank Colbach and Denny Dennis sold cokes. We are planning our Christmas party. Instead of exchanging gifts the club shall have a money tree, the proceeds to go to the Ridge Area Assoc. for Retarded Children. T.G. Bean has started a class which we are square angels for him. It is a most enthusiastic group and we are certain that we shall have a group of fine dancers join us. For a restful and relaxing weekend visit our area and dance with us. We send our warmest greetings to everyone for A Merry Christmas and a Happy and Healthy New Year.

SPINNING WHEELS of Tampa hope that each and everyone had a happy Thanksgiving & a Merry Christmas. We have all been busy trying to visit each club near & far. We retrieved our banner from Brandon Squares and stole the Buttons & Bows and in both cases had a very good dance and enjoyed meeting our friends. Some even ventured to Jacksonville and this weekend over to Melbourne. Those who spent the entire weekend at the Camp-O-Ree had a good dance and some of us drove up Sat. night and helped enjoy it too. Our thanks to Singin' Sam Mitchell for calling such a good dance for us. To all of our friends who have been under the weather our prayer and thoughts are always with you. Good news, Art Springer is starting a beginner class in January, sponsored by the Brandon Squares. January 9th is the date so watch more for the flyers. By the time this news goes to print we hope the flyers and ribbons will be out for the Tampa 1st Annual Spring Fling, sponsored by the Spinning Wheels. Again hope all had a Merry Christmas and here is our message to you - God gave us knowledge to do some good - God gave us faith and hope we would - God gave us hope to go ahead - God gave us charity so lets use our head So combine all these things together with Love Lets altogether give praise to our Father above.

FALL FLING 1974 (November 22) jumped to the jive jubilations of Singin' Sam Mitchell and 22 squares plus. A few brave souls (15 squares) attempted Sam's famous singing calls, Running Bear and Pickle Up A Doodle. It was a real treat. There was free style clogging and hot hash after 11 for the more energetic dancers. Jack Lasry will call the Second annual Winter Fling in the Clearwater area. We are hopping for the same place as last year where 40 squares plus enjoyed an enthusiastic Winter Fling with Jack last year. Look for our ad. March will feature the return of Wade Driver to Florida for the second annual Fun 'N Sun Square dance. Two clogging tips are planned for this big event so get your dancing shoes in shape for some more enthusiastic dancing till midnight.

SANLAN SQUARES of Lakeland We have our new badges and we are all quite proud of them they are beige and brown with the head of a horse on it. Perhaps many of you are but we dance every week with our caller Fred Christopher and his lovely wife Butch, who greets everyone as they come in. Our hall is in the campgrounds, you can come and spend a few days camping and dancing with us, a two-for-one bargain. Our group has been growing each week with the return of our winter visitors. Fred also calls rounds for those who also enjoy dancing between the square dancing. He has been teaching one almost every week and they are dances being taught all over the country, so no matter where you dance, you can join in with them. Nov. was a good month for us and we celebrated Thanksgiving with our dance on the eve, if you are ever in our area or just passing thru, we would love to have you dance with us, one of the friendliest clubs in Central Florida.

WESTERNAIRES of Miami again proved there ain't any age barrier in our club. Everyone 2 to 80 enjoyed our fall picnic. Even tho the rain fell for a few minutes spirits never did. Food and games were enjoyed by all with sore muscles the next day. Looking forward to enjoying pot luck with friends and club members on Nov. 23. Nita Shelton

DIXIE TWIRLERS started off this month with one of those unforgettable experiences... namely, a Walter, Leamon, Kunde Kaper. This is more formally known as a Fijian Campout. For those of us who have missed a campout or two recently, it was a real mindbender. It seems there is this new thing called "Fijian Initiation". The Dixie Twirlers who have been already initiated were lucky they had good, healthy laugh mechanisms or they would have never survived watching the new group go thru. Besides being zapped with initiation, the weekenders participated in workshop, regular dancing, pot lucks and hot dog roasts, and a bank grand opening. Sat. night we dressed in our club outfits and went to Okeechobee to help open the bank and show the townspeople modern square dancing. They were an enthusiastic audience and got right in and danced with us when asked. According to all the overheard conversations, there was only one drawback to the evening. Everyone seemed disappointed that the bank neglected to give out samples. Back in our own hall again, we have started a new class which includes several young people as well as the adults. Look out adults, the young ones may outdo you if you aren't on your toes. We have also had a badge dance recently. It certainly is enlightening to see what unusual things we do to earn our badges. I wonder what our children would think to see us dancing around the floor with a leamon in our mouth! However, we regained our dignity the next night. We had the largest single club representation in the group which met to put the Four W's together. Since the number of issues has been upped from 3000 to 5000, the committee can use many helpers. We were more than happy to help. Other happenings for the club was one of our members lost part of his foot to a power lawn mower just before his wife was hospitalized for an operation. They communicated and commiserated by telephone from different floors. Hope they soon will both be able to dance again. We miss them. Another of our dancers was home recuperating from a major operation when she managed to break her toe. Luckily, she is already back dancing with us a tip or two. To you three and those who still harbor flu bugs or other unpleasant germs, a speedy recovery to you all. We will become a different type of club, starting January. We are very excited about the change. Full information will be available from Johnny & Louise Walter or the club members.

The International Association
of Square Dance Callers
CALLERLAB WORKSHOP POLL
December thru February

The committee has selected one experimental figure for this quarter. The selected figure is **COORDINATE**.

COORDINATE is a smooth action figure starting from single file columns, set up by doing a curlique from facing lines, and ending in a two-faced line.

THE SET UP: Heads lead right, circle to a line, curlique

THE ACTION: On the command **COORDINATE** all will single file circulate one and a half positions. This sets up three pairs with right hands adjacent in a column formation and two men as lonesome ends facing right. (NOTE: When teaching this position, have the dancers circulate one position, then the half more to establish the set-up of three pairs and two lone ends.)

The three pairs turn half by the right, and the center pair made up of two men will step forward individually to the outside of the girls directly in front to become one end of the forming two-faced line. The lonesome man on the end of the set-up will step ahead to become the other end of the two-faced line. The two-faced line will be in normal couples circulate direction with boys on the ends and girls in the center. (NOTE: A good smooth styling assist can be made by the girls in the column. As they turn by the right one-half, the girls who come alongside of the lonesome end men can "pick them up" as they complete the turn and together they form the end of the two-faced line.)

The figure is flowing and the follow-up actions of wheel and deal, couples circulate, or bend the line will dance smoothly.

BASIC DANCING FIGURES:

Heads lead right and circle to a line
Curlique, **COORDINATE**, bend the line
Star thru, dive thru, square thru $\frac{3}{4}$
Left allemande.....

Heads lead right and circle to a line
Curlique, **COORDINATE**.
Bend the line, pass thru
Bend the line, slide thru
Left allemande.....

BELLEAIR FRIENDSHIP & SUNCOAST CARDINALS S/R DANCE CLUBS are sad to say that we are disbanding, due to circumstances beyond our control, after many years of wonderful dancing, parties and good times. At our meeting Nov. 17, the majority voted to divide all the money left in the treasury of both clubs to be shared equally between Hank Schmakel and Don Rand, our two callers who stood by and tried to keep our clubs together and dancing all thru the lean and summer months. It was also decided to store the Coffe Urn and other trays and utensils at Hank Schmakel's until further notice. A group of volunteers decided to hold a meeting as to whether to start once again and combine both clubs and choose a new time, place and callers. When a decision is made, we'll be happy to tell everyone. Good Bye for now! Sally Biggins

WOODCHIPS St Petersburg are still "kwvetching" at the Ox-Bow; maybe that is why there has been so little news of late. On Sept. 29 sixty-seven graduates attended a party and dance complete with valedictory remarks by Sandy Tennian and Susan Merthinson. Something new has been added to our dance night; Don Rand is teaching beginning rounds before the dance starts. George Wood and Don share the spotlight the rest of the evening. On Sunday afternoon, Oct. 27th, Don & George had a relaxing time of round and square dancing. Those that chose to do so stayed for a delicious potluck supper. A few die-hards even stayed in the evening to be angels in George's new beginners class that started Oct. 6th. Halloween was a night to remember with silly costumes and the special calls of Sam Mitchell.

DIXIE LOOPERS of Holiday-Hope all of you had as nice Holidays as we did and that the year 1975 will be your best ever. Our club had a busy Dec. and our Nominating Committee is hard at work on a new slate of officers who will take over later this month. However, we are never too busy to dance and welcome all visitors. Louise Gagne

YELL-O-ROCKERS of Zephyrhills will be celebrating their 8th Anniversary in January with Jack Cloe calling the squares and Marty Martin on Rounds. This is always a gala affair and we invite all to help celebrate. At this writing plans are still in the making. We also are participating in the Zephyrhills Senior Citizens celebration by holding a free street dance for all square dancers. Any club whose banner we are holding may bring a square to retrieve it at this dance. We hope your Christmas was Merry, Merry and wish you all a Happy and Healthful New Year! Edith Peterson

SUNSHINE CHAPTER 018 NSDCA We welcome the new chapters of NSDCA that are forming in Florida, now the "eager beaver" square dance campers can find a chapter to dance with every month! Our Nov. Camp-O-Ree at Holiday Travel Park, with 52 units registered was one of the best ever with a delicious turkey dinner as the highlight. We all owe a big vote of "thanks" to Herman & Esadale Geering, Dinner Chairmen, and their entire committee for a great job. There was so much food that it's a wonder we could dance afterwards to Jack Harris' fine calling. We had 20 squares at the Saturday dance including guests who regularly dance at the park. We danced the anniversary waltz for the Wrights and Harris's. Door prizes of canned nuts were won by several lucky couples. Frank & Helen DuBois taught two rounds at the workshop. At our business meeting a motion was made and passed that due to the size of our organization and in accordance with the national by-laws, that hereafter our dances will be restricted to members of NSDCA and square dance campers staying at the campground. Our membership is still open but most campgrounds have halls too small to accommodate a large crowd.

FEATURE FIGURE FOR THE MONTH

THE CALLER'S CORNER

EXPERIMENTAL IDEA - Roll and Follow - Roger Chapman

An easily learned figure that looks at the start a little like cast a shadow but not as complicated and worthy of your time. The Basic Position is a two face line and for teaching I suggest a counter clockwise circulation, set up from a Box 1-4 wave and having the boys run. The couples facing in, will circulate 1/2. The couples facing out will have the Girls roll back and take a right hand hold with the trailing girl, while the men facing out will follow his girl and end beside her as the end of the two face lines formed end to end. From this formation here are a few possibilities for follow up calls...

- | | |
|--------------------------------------|--|
| 1. Wheel & Deal back to facing lines | 4. Girls trade |
| 2. Triple trade | 5. Girls cast 3/4 to a Diamond circulate |
| 3. Couples hinge | 6. Boys run to Ocean waves |

The figure only takes about two beats, and the only poorly timed spot is the boy facing out takes three beats to get into position. Once the figure is understood this is not a problem as the following calls gives him time to keep moving into the next command.

Examples - Dancing Roll and Follow

Box 1-4 Ocean wave - boys run
Roll & Follow - boys run - boys trade
Boys run - bend the line - left alle.

Box 1-4 Ocean wave - boys run
Roll & Follow - wheel & deal
Star thru - left alle. Box 1-4

Box 1-4 Wave - boys run
Couple circulate - Roll & Follow
Girls trade - bend the line
Dive thru - square thru 3/4 - left alle.

1P-2P Star thru - do sa doe to a wave
Boys run - couples circulate - boys trade
Roll & Follow - boys run - boys trade
Spin the top - 8 circulate - pass thru - left alle

Box 1-4 Wave - boys run
Roll & Follow - Triple trade
Couples hinge - bend the line
Star thru - do sa doe to a wave - 8 circulate
Girls trade - swing thru - turn thru - left alle.

The most popular workshop figure I feel continues to be Transfer and Split Transfer the Column. Here are some additional figures using Transfer and Split Transfer the Column.

1P-2P Curlique - Transfer the Column
Swing thru - cast off 3/4 - boys trade
Boys run - wheel & deal - square thru 3/4
Left alle.

1P-2P Curlique - Transfer the Column
Swing thru - cast off 3-4 - boys trade -
Spin the top
Right & left thru - crosstrail - left alle.

Split Transfer Figures

1P-2P Curlique - Split Transfer the Column
Boys run - centers box the gnat - square thru four
Ends - slide thru - do sa doe to a wave
Recycle - square thru 3/4 - left alle.

1P-2P Slide thru - Curlique
Split Transfer the Column - 8 circulate
Girls run - swing thru - 8 circulate
Girls trade - recycle - pass to the center
Square thru 3/4 - left alle. Box 1-4

Note: When using Split Transfer I find it helpful to let the dancers know that 8 will cue who turns 3/4. I also find myself saying Split Transfer and leaving off the Column so I add Girls turn 3/4 etc. It takes a little time for the dancers to react to instant recognition so a little help is often appreciated.

TAVARES SQUARES Oct 17 we had our 7th Anniversary & Appreciation dance for Danny Robinson, club caller for the past six years. After Danny called the first tip, Vice Pres. Dick Crider, gave a "This is your Life" on Danny's early life, his schooling, girlfriends, and a letter from his high school coach. After which, Minnie Schmotzer and Elsie Crider escorted Danny's Mom & Dad onto the floor. Danny couldn't believe his eyes. He jumped down from the stage and hugged his Mother & Dad, whom we'd had hidden since Wed. Our first Pres. Ralph Wood gave a history of the club and named the Charter Members; Pages, Roths, Sims, Greys, Woods, Schneppers, Sullivans, McGregors and Epplys. Al Meyers committee did a beautiful job decorating the hall in the club colors, blue & white. The anniversary cake and refreshments were outstanding. Following refreshments Danny & wife Ann did a graceful folk dance called the Chimney Sweep, after which Susan Adams called a tip while Danny caught his breath. Nov. 16 was our Lake County Boys Ranch Benefit dance with George Hinkel doing the squares and Jim Trulock cueing the rounds. Also in Nov. Dale & Mickey Smith from Jackson, Michigan called a nice dance for us. Dec. 19 our class members joined us for our Christmas dinner and dance.. Come dance with us. Sally Barton

ROYAL PALM SQUARES Ft Myers, members have been "on the go". A square plus recently visited Port Charlotte Promenaders and brought back a banner badge in recognition of our presence. Their members were most hospitable, dancing to Roger Chapman is always a joy and the ladies did themselves proud with the delicious finger food. Two squares attended the Daytona Winter Festival and had a most enjoyable week-end of rounds and squares; others took in Bill Leonard's rounds at Sarasota, while others went to Circus World on Sunday afternoon. Looking ahead in Jan we will be hearing Danny Robinson and Jack Cloe. The later is a National caller formerly of Missouri, who recently moved to the Sunshine State. Lets give him a big welcome. May the good Lord grace you with good health, happiness and peace during the new year. E. Hart

SHUFFLIN SHOES of Ft Lauderdale wish to extend to all their square dance friends warmest wishes for a healthy and prosperous New Year. Our caller Don Fackler and Taw Betty cordially invite all of you to visit with us and join in on the fun we have every dance night. If you are not too sure how to find us call Betty (check the callers Directory) and she will be happy to direct you to our hall. Don's Hallandale class now numbers nine squares of very enthusiastic newcomers. If you are looking for a workshop so you can brush up on all the newest figures (and some older ones too) come by - we have lots of dancers but we'll find room for you. Nov. was an exciting month with two special parties as well as our regular dances. We had a pot luck and a special Thanks giving Dance. Both were well attended and everyone had a lot of fun. We would like to welcome the Grassbaughs and Barretts into membership. Glad to have you dancing with us. Most of our friends from up north are back now and dancing regularly. I understand that now many clubs up north are dancing thruout the Summer months instead of cutting back. Many dancers tell us that square dancing is now more popular than ever back there. We are lucky that in Florida we notice this rise in popularity several years ago and have been having more dancers and clubs than ever before. We are lucky to have so many good callers and dancers down this way. Never danced with us before? We would like to get to know you so why not come and visit with us. Promise you a good time and a Full nite of dancing.

BUTTONS AND BOWS of Lakeland We have had some great dances lately and have enjoyed meeting and dancing with the many guests who have joined us. We are looking to be having Jim Deeter and Bill Shell calling for us in Jan with Marty Martin on the rounds. So, as you recover from the holiday doings take a weekend rest and join us at the campgrounds. We are grateful for the good job done by our past officers and look forward to continue success with the new crew. They are Jim Jernigan, president; Al DeFeo, vice president; Duchess Kurucz, treasurer; and Myrt Knutson, secretary. Our thoughts and prayers are with Jim Jernigan, who is in the hospital. STUFF & NONSENSE

by EMILY LEACH

If you don't know where you're going, you may miss it when you get there.

One doesn't need to be smart to say things that do.

An illegitimate child in China is called Wat Wen Bong.

Strangely enough, spare the rod and you get a beat generation.

Fashion note: Never in the history of fashion has so little been raised so high to reveal so much that needs to be covered so badly.

It's frightening to think about the shape the world's in. If Moses came down from Mt. Sinai today he'd probably be carrying two tablets of aspirin.

Paychecks seem to have been turned into receipts for payroll deductions.

Tricks of censorship: Dedicated to the Censors who have taught us to read naughty meaning into harmless words:

A diller, a dollar, a two-o'clock scholar, what makes you-----so soon?
You used to-----at two o'clock, but now you -----at noon.

OR:

Jack and Jill went up the hill, to -----,
Jack fell down and broke his-----, and Jill came tumbling after.

Drive carefully: It's not only the cars that can be called back by their maker. Remedy for a common cold, written by a doctor in the 18th century: "To hang one's coat on the bedpost, drink from a bottle of good whiskey until two hats appear, and then get into bed and stay."

The old-time plumber was griping about coffee-breaks, featherbedding and the other usual modern interludes in today's working generation: "When I was an apprentice, we used to lay the first two lengths of pipe--then the boss would turn the water on and we'd have to stay ahead of it."

Now any letter posted before noon is delivered the following morning-----give or take a few weeks.

Follow the crowd if you desire, but why not wait until you retire;
Of you will find there is no cheer, in always looking at someone's rear.

Hangover: A torture we might devise for our worst enemy, but which we foolishly inflict on ourselves.

Science has learned to prolong life, but where is the scientist who can make the extra years worthwhile?

Men, you're getting old when you don't care where your wife goes, just so you don't have to go along.

One thing you can be sure of: You never get a second chance to make a good first impression.

Inflation is when you save long enough to buy something, you can't afford it.

It's not true that you can't get something for nothing----you can get ten years for sending nothing to Internal Revenue next April.

ROAD RUNNERS My goodness, so much has happened since our last report. Our loveable Ernie and his beautiful wife Helen have been away on their much (but missed) needed vacation. In their absence Ev Dumbaugh was sweet enough to let her swinging Norm come up from Pompano to call for us for two dances. Then that frolicking, clogging, silver-throated Ralph Otis called and his twinkled-toed Lucille danced almost every tip. (We that dance forget that the caller's wife has no partner.) We enjoyed both callers very much but we were so happy when our own Ernie returned that we dressed in our finest. All the women wore one bright colored sock and all the men wore a hat. Now, how formal can you get? To top all this off we had a Luau where all kinds of the festivities went on. Pull the string, sweat the potatoe anyway you can, pin the bra on the wahini, John Sacali chasing beautiful Marsha, wearing her Sunday-go-to-meeting grass skirt, with grass-clippers, a Chinese auction that ended in utter chaos with everybody wearing their new purchases, and would you believe an honest to goodness streaker wearing nothing but a pair of socks and his glasses. Only one person "accidentally" walked into the pool. We had promised to have Ernie's glasses checked so next year that would not happen. All this fun was topped off by the most terrific gourmet food. Oh, I almost forgot, the most important event we are back dancing on our regular nite.

Dot Thompson

FRIENDLY WHIRL-A-WAYS R/D Jacksonville Indian summer with its summer days and crisp nights is the signal for renewed activities. The NESFDA area dance called by George Wray and rounds cued by Edith Reisen was a good starter. It was a real fun dance and was well attended. Recently four couples from the Whirl-A-Ways were invited to put on an exhibition R/D at the Schriener's Scottish Rite Temple. This was part of the entertainment for the new members who were initiated into the 31st & 32nd degree. About six hundred were present. Obviously everyone enjoyed the dance. The hobgoblins, witches, the jolly green gaint and both Ewell Gibbons and Mother Nature were all out on parade Saturday night at the Chain Gang's Halloween party. These folks surely know how to have fun and make visitors welcome. Their refreshment table was loaded with food and was just lovely. We appreciate Lucious Nelson who drives from Woodbine, Ga. each week to dance with us. If we had more faithful members like this we'd have more enthusiasm. Many classes are in progress at this time and they will be graduating before too long and just a little encouragement on our part would bring many square dancers into our round dancer fold. This is still a hobby. Why not enjoy it to the fullest? It is nice to be wanted and let's help others now - tomorrow may be too late. Mabel Pangle

NAUTICAL WHEELERS have been truly busy in the last month. A Halloween party was held Oct 25 and was a huge success. We earned a Spook badge by dancing to the light of jack-o-lanterns. Prizes were awarded to club President Dave Kolhage and wife Lillie Mae for the most original costume and to caller Jack Stevens and Chris Bethel for the most comical. It certainly was a hard decision for the judges. We also had a covered dish Thanksgiving dinner Nov. 22. Our newest members Clyde & Minnie Hughes, baked and stuffed the turkey. The dinner was great and caller Jack Stevens' program topped the evening off just right.
