CIRCLE EIGHTERS Vero Beach Mid summer finds us still dancing every week. All though our regular caller, George Hinkel will be on his annual New England tour through Oct 15 we will have Dale McClary, Pete Sansom, T.G. Bean, and Jim Deeter as guest callers, so won't you all come and join us. On Aug 7 we had the pleasure of welcoming four new members to the club Ken & June Adams and Bob & Joyce Traenker. They had graduated the night before from a class under the instruction of George Hinkel. at Hollywood Estates and are truly a credit to his teaching. We are indeed proud to have them join our club. Charles Morgan is recuperating at his daughter's in Virginia, having had a pacemaker inserted. Bonnie, his wife, reports that he is doing very well and that they expect to be home soon. Also, Grant Wortman had an operation and is home recuperating. We wish both Charlie and Grant a speedy recovery and hope they'll be back dancing soon.

The Letourneaus

MIAMI BEACH OCEAN WAVES still aglow with thoughts of their 13th Annual EXTRA-VANZA at the Miami Beach Hyatt House. One word heard most often from hundreds of dancers and over 170 spectators who saw what our beloved activity is all about - that word as SUPER. The callers, Beatties, Bedell and Lasry - Super - the facility, floor, sound, air conditioning - Super - the workshops and big dance levels - Super - the Grand March and our girls in their new 1975 club dress from the magic fingers of Chez Beau-Super! A stunning gown to complement a winner of a week end. All in all, we are grateful to our Florida dancers, to the gang that put it over under the dance chairmanship of Doc & Judy Shapiro, to Bow & Swing for its support and results, to the Miami Herald for its fine coverage. And from all the noise and laughter going on after mid-night Saturday we'd have to rate the after parties as the super list too. Thanks, everybody - looking forward to the same togetherness at our 14th Bicentennial Extravaganza.

MID FLORIDA SQUARES Summer passed very quickly with good dancing with John Saunders and Jim Deeter. August brought guest callers Jim Coppinger and Ed Newton. Two squares from the Shootin' Stars of St Petersburg visited for their initiation as Knot heads. Master Initiator, Bill Lund, did the honors and a great time was had by all. Firehouse Squares from Orlando visited and stole our banner but very soon had to relinquish it when we visited there to retrieve it. The fall and winter dancing season promises to be a good one for openers, a sit down dinner is planned for October. tickets are available at our regular dances. All the happy travelers should be back by then and the dance following the dinner back at MFL clubhouse promises to be a real swing-in' time. Come dance with us. We dance twice a week with rounds between tips, we'll be looking for you.

WESTERNAIRES of Miami would like to chat a spell and tell you of our doings and up coming good times. We traveled to Golden Gate Inn, Naples for a mini-Knothead with Bob Cook's graduates. We were so nice, we help graduate them and then we Knotheaded the poor dears. They just don't know what to expect at the Knothead Konvention. The pool chicken fight was won by Norma Davis Terri Tommy team. Yeah team!! Sorry new ones, there'll be another trip. And Harrydo you really think we would have Betty do what your face told us you were thinking? Especially in front of about 100 frinds including Seeley's group. We want to keep them as our dear friends. The tennis courts worked over time, the pool is none the worse for the workout it received. A person just couldn't get thru the pool gates without a wet bear-hug. (That is if you had street clothes on!) Tissue mummified Bob Cook called to the dancers delight and lemon puckered Jerry Seeley did alright with the lemon square in front of him. Oh yes, he also had a glass under his nose for a mellower tone. Pres. Espy Ward just beamed and his taw Kathy looks great since they got back from their vacation. Our cloggers gave us entertainment after only five lessons and did us proud. Our Luau was grand with swaying gals, delicious refreshments with the Hawaiiin flavor and decorations adding the right touch. Bob called a swaying good square dance. Enjoyed having Bob & Ethel Bland with their Davie Dudes & Dolls club members visiting us and pinning our banner. Thank you Fred & Louise Hornung for cueing the rounds. We enjoyed them and also enjoyed you two. Nice talking at cha!

CRESTHAVEN SQUARES are going to do it again. Our first Jamboree Sept. 21 was a kicked off by a dance for Muscular Dystrophy. Knowing our Jamborees this will be a huge success. We are back in full swing again with our own Tom O'Brien and his ever lovely and helpful Inez. Our friendly members make it a great way to spend an evening for all and guests. Coffee Klatch at 9 PM give everyone a time to re-new and re-acquaint old and new relationships.

SQUARE-EM UP SAMs, local chapter of the Good Sams, held their monthly meeting Aug. 15-17 at Indian Creek Park Campground on San Carlos Blvd. There was an informal get together on Friday night of games and dancing. On Sat. there was a business meeting in the morning, in the afternoon there was a workshop for round and square dancing. The wives of the campers supplied a delicious pot luck dinner after which there were squares & rounds and an informal after party. On Sun Morning a continental breakfast was provided by the Wagon Masters. We broke camp before noon after another happy weekend. Future meetings will be held each month and anyone interested in attending the camp out or wish to become members of the group please contact Mrs. Mildred Roberts, President, telephone 542-1824.

MODERNAIRES It's good to have the vacationers drifting back. Every week more familiar faces appear. We had our annual Family Picnic at the Snyder Park this year. It was fun to relax for a few hours with good friends. Our back to school dance brought forth an interesting assortment of bobby sox, saddle shoes, pony tails hairdos, and Orphan Annie lunch boxes. Most of the Kids were recovering from Chuck's All-nighter dance and home-cooked pancakes & sausage breakfast. We're making plans for a Hobo dance in Sept. and are looking forward to having T.G. Bean call for us in Oct. T.G. is a charter member of our club. Hope to see you!

Betty Pancoast

FIREHOUSE SQUARES Orlando dance twice a month. August 2 a bus was hired and with all seats filled, dancers drove to Jacksonville to visit the Rockin' Robbins Club to make Knothead, including the bus driver! We are looking forward in Sept. to our big Computer dance. Come 'round and see what it's like, we love company.

HICH-N-GO N.S.D.C.A Chapter 082 met at Outdoor Resorts for their August Camp-A-Ree. We were pleased to have many of our members back with us from vacations, illness, etc. The Midgley's returned this month after Laura's being in the hospital for foot surgery. We were happy to see that she is recovering nicely. Also, Ed & Pat Russell came by to visit us Sat evening, which we were all surprised to see. Ed looked real well and seemed to be recovering slowly from the serious operation he just had. Although he is still unable to dance as yet, we were real happy to see him up and around. Welcome back! Our Friendship award for the coming month was awarded to Tom & Dolores Waltz. Congratulations!! Due to numerous un-invited guests namely (The Gnats) we held our Country Breakfast inside the Rec. Hall Sun Morn, where we had another great breakfast with lots of Food and Fellowship. Ole Big Biscuit McClary must have still been trying to get even with Flapjack Newton, as he offered to relieve Ed of cooking the Blueberry pancakes for a spell and ended up Scrambling them! Not sure if it was on purpose or he really is that bad of a cook. Keep smiling, Dale. Good Ole Snoopy Sue gave us a real nice length report on her Tales about the members this month. Better keep a tight lip when she's around, everyone! We had a real good workshop and dances which were very well attended, however the air conditioning was a bit un-desirable. We aploogize and hope to get that corrected before our next Camp-A-Ree there. We had more couples join our membership again this month. Welcome to our Chapter. Jackie Newton

**WEST COAST S/R DANCE ASSOCIATION** By the time this goes to press we will have had the election of officers for the year '75-'76. We the officers of this year want to thank Ernie & Sally Powell for their good job as Pres., thanks again Sally & Ernie. We had a good dance with Jim Baker and the Martins in Lakeland on Aug 2 As always good dancing, thanks to Jim & Marty. Don't forget the big dance in Nov. in Lakeland also, the Renewal dance in Dec. and our Callers Clinic dance in Oct. Charles & Jo Wilson **PLANTATION SQUARES** had good dancing in August with Jim Coppinger and Art Springer. The Davidson, Dollins, Hutchinsons and Manes visited the Forresters at Lake Mary and retrieved our traveling banner. Jim Coppinger called for both Sept. dances and Fred Christopher for the other. We enjoy all of our visitors and hope to keep our dancing good so they will enjoy dancing with us. See you across the square, H. & M. **BUTTONS AND BOWS** of Mulberry August & September were great months for us, so many of our friends are back from vacation and dancing with us at the upper floor of the Center. We hope everyone will come and join us for the fun during the months to come. We all had a marvelous time at the Knothead Convention in Tampa. Did you see all of those club outfits, just beautiful! Most of the club stayed at the Riverside Hilton and had a fabulous time up to all hours of the night!! Sept. 27 our club gave an exhibition dance at the Lakeland Mall. We were very proud and pleased that the spectators seemed to enjoy our performance! Our dances this month will have Art Springer for the first dance with Marty Martin cueing the rounds. Our Hobo dance which we all look forward to will have Bill Shell calling. You come and dance with our friendly group.

## HELP! WE NEED TO REACH MORE SQUARE DANCERS PASS YOUR COPY AROUND FOR OTHERS TO SEE!

GRACEFUL GATORS Mid Florida Lakes It's been a long hot summer but not so hot that we have missed a dance or a beat all season. Many of our members did take a holiday north but they are coming back, more and more each week, and is it ever good to see them all again. There's a busy fall and winter planned with good dancing every week. Jim & Norma Trulock have a workshop before the dance for any who, after the summer hiatus, want to brush up before the full fling of fall. A new Round Dance class is now forming to begin Sept. 28. If you are interested, come watch us and sign up for the new class. Most of us, too, are planning on Jim's Rusty Hinge dance in Eustis; so any, (many?) who feel they want to do a little catching up - see you there. We're an open, friendly, E Z level club, lots of sun and sociability. Come one, come all the more the merrier.

**SHOOTIN' STARS** of St Petersburg We have 16 more Knotheads in our club. Two squares went to Mid Florida Squares and friendlier dancers you won't find any place. Their park is simply beautiful and they had a funny Knothead program for us. We were especially proud of our new teenage Knotheads Dayna, Karen, Glenn and Bill. If you want to see wall to wall dancers having alot of fun, come see our class. One square has a grandmother, a grandson, an uncle and a cousin, so you all come and bring the whole family; you know the family that plays together stays together. . . . Anny Vogter

**SMILE-A-ROUNDS** of Vero Beach Here Ye! Here Ye! After a layoff of five weeks we are back dancing again in our very fine air conditioned hall. We are delighted to see some of our good friends who spent the summer up North returning to us, and are anxiously looking forward to the time when all of them will once more be dancing with the club, so welcome back for a fun season of some real-good round dancing. Dance to some old ones, some of the best Classics and many of the new rounds coming out each month. The Club is indeed fortunate to have Stan & Ruth Jaynes as our round dance callers as they are tops and no Club could ask for better. So come and join us and have fun dancing with the Smile-A-Rounds! **MERRY TWIRLERS** Wilton Manors Many of our club members attended their first Knot-head Konvention and all had a great time. Our club is now holding monthly pot luck dinners and all friends and visitors are invited, just bring your favorite dish, or your husbands favorite. Our new fall classes started this month and we had a wonderful time on our boat trip and we thank each and all of the dancers and callers who co-operated to make it a success. Come visit us, we square and round.

**TAVARES SQUARES** The stay-at-home members have enjoyed an excellent summer of dancing. The enthusiasm of those present has more than made up for the lesser members. Our Snowbirds are returning now and Dick Crider president, predicts we will have a banner year. Our guest caller for August was Bill Ford and as usual he did an excellent job. Everyone enjoyed his "We've got the Lines" tip. October will be a busy month with our annual Boys Ranch Benefit dance with Jim Coppinger calling. All proceeds from this affair go to the Lake County Boys Ranch at Altoons. Dale McClary will call our Halloween dance for us. Danny Robinson is our club caller and we dance every week so come dance with us. You will find a friendly welcome awaiting you.

S. E. FLA S/R DANCE ASSOCIATION August meeting was held at the Hollywood Rec. Center Aug. 10. Our Renewal Dance will be held in Oct. at Jack Lasry's Trails End Hall and what a task we have set for ourselves, 1006 membership in '76! However with the co-operation we have been getting from our callers and members this can be accomplished. Tickets for the Tird Annual Area Dance are now scarce, have noted a few around but you must look for them. Should be a great dance with Vaughn Parrish on the squares and Bob Kunde on the rounds. One of the highlights of our meeting was the presentation of a life membership to Ray & Irene McElhaney our retiring President, by our new President Jack & Nita Lascola.

Mike & Hazel Folk

STRAWBERRY STROLLERS Plant City sent six couples over to the Gandy Dancers, Tampa to recapture our flag. I understand that they had a great time with those Gandy people. We also enjoyed the company this past month of the Brandon Squares. Yell-O-Rockers and the Gator Promenaders. We certainly hope that you all come back and visit us real soon again. We didn't have a dance Sept. 2, there were too many suffering from Knothead Legs. Sept. 10 was the kick off for a new class on square dancing. Anyone interested might check to see if they can still get in these classes. Hope to see you all at our dances.

Don & Pat McKenzie

CHARLOTTE PROMENADERS are rearing to get the Fall Season into full swing once again and have programmed a really great year for Square Dancers in our area, with such fine callers as Art Springer, Bob Norton, Roger Chapman, Chuck Kessler, Jack Harris, Tom Bean, Frank Bedell and Jack Cloe, among others. We will again be dancing in an air conditioned hall every week beginning Oct 2. Several special activities are in the the planning but two very special Specials have already firmed up. First, a Turkey Trot in Nov with Jack Lasry as the caller, and second a Sweetheart Ball in Feb. More about these later but keep them in mind! Many of us have been dancing both locally and while vacationing in other parts of the country this summer but are looking forward to getting our own dance Swnging once again. Ya'all come and have Fun with us. J.Reynolds

**MESSAGE FROM THE CHAIRMAN OF THE FLORIDA FEDERATION OF S/R DANCERS**

**BIRDELL & LEN LEVITT**

The time for election and seating of new officers for the Florida Federation Of Square Dancers is fast approaching, which means I will be stepping down as Chairman and others will move into the new positions and assume new responsibilities. To those I wish the best of everything and as I join the group of Past Chairmen, as all that have gone before me, offer my support and help in every way possible. To my officers, delegates, and co-workers, all I can say is "thanks for a good year and a job well done". I'll never forget all of you. The Federation has help bring square dancing up to what it is today, but there is still much that can and will be done. As Winston Churchill once said, "It's not enough that we do our best; sometimes we have to do what's required". As many of you know, my Law and I have been appointed Chairman of the 1976 Florida State Convention. In that position we have surrounded ourselves with a fantastic committee and group of helpers. Great plans have been formed and are being made for your dancing pleasure. The Southeast Association with our square dance callers and round dance leaders are going all out to make '76 the greatest ever and all feel that is what it will be. We are doing our best and much more than that is required. Now we need you - your attendance - and early registration to make one phase of our work easier. Greater Miami's Official American Revolution Bicentennial Organization "Third Century U.S.A." has supplied advice and guidance and like your committees, want to make our convention a memorable one. Everything possible will be done to make it the greatest ever. So remember our slogan, "Dancing Feet To The '76 Beat" and join us next year in Miami Beach. Len Levitt

SUN SQUARES of Deerfield Beach, after a full summer, look forward to another fun filled year. On Sept. 13, our own Canadian Commando, Wally Conkie and his wife Lorraine, hosted a cook out and dance at their home. Meanwhile, the Les Joneses and George Gearys traveled to Kentucky Lake for the Septemberfest and the Duane Stuarts and Lou Wiseleys enjoyed the festivities at Fontana Lake. John will begin a new class at the Boca Raton Community Center on Oct. 1. Invite your non-dancing friends to come and join the fun. Don't forget club dress on the first dance night of each month. INFORMATION CENTER FOR VISITING SQUARE DANCERS

All Roads Lead To:

DIXIE SQUARES of Daytona Beach have been enjoying a great summer time dancing with many guests and out of state visitors. Sept. 11 will be open house so that we might introduce the art of square dancing to our friends. Lessons start Sept. 18 at 7:30 with Chuck Durant, teacher-caller. On Aug 21 we had a real Hawaiian Luau and Dance complete with yummy food, beautiful decorations and colorful native dresses and shirts. The entertainment was great. Six couples of Dancing Shadows, Virginia and Pat Herics Round Dance Club performed the Hawaiian skit and dance Ho-Tai, we are fortunate to have such talent in our club. Come dance with us. Ruth Brelsford HARBOR CITY SQUARES had a wonderful dance and turn out at the Holy Trinity Episcopal Church, for our joint dance with the Titusville Twirlaways. Calling was John Saunders and Chuck Durant, with an unexpected threesome with guest Colin Walton from the Allemanders, and lots of their club members joined us. Photographers were from the newspaper taking lots of pictures and asking questions to put in Sept. 14 Sunrise. Hope everyone enjoyed the rounds cued by Phyllis Williams. We thank all the lovely ladies that prepared and brought that wonderful food and snacks. Our square dance lessons had been changed to an earlier date. For those that may have been looking forward to going we hope you weren't inconvenienced. Jack Seib has made arrangements to have a Western & Folk Street Dance at Eau Gallie Civic Center in Oct. to help celebrate the Bicentennial. Our Club's contribution of \$50 to the Bicentennial Committee is to help aid towards the beautification of Melbourne. See you all there.

**CALLERLAB** - Quarterly Movements Committee has announced that two movements have been selected for the Mainstream Workshops and Dances for October, November and December, 1975. The selections are: **Pass the Ocean** and **Ferris Wheel**. The committee feels that the selections should prove popular as both figures have been high on the pulse polls of various square dance magazines and were strong in the voting committee. It is the Committee's hope that all callers will include in their mainstream dance programs for complete evaluation by dancers everywhere. In addition to these two, the Committee suggests continue usage of its last selection, **Transfer the Column**. Here are the descriptions and drills for the Quarterly Movements selections:

### Pass The Ocean - Homer Hudspeth

The action in **Pass the Ocean** starts with facing couples. The dancers pass thru, then turn to face their partners and step into an ocean wave. The figure is smooth and easily used to set up a desired ocean wave. When used by facing couples in lines of four the square ends into two parallel ocean waves and when started from an eight chain thru position the set ends with the ocean waves end to end in what has been referred to as a "tidal" wave. If the dancers are in normal boy-girl couples then the action of a **Pass the Ocean** equals a star thru and step into a wave.

Girls trade - swing thru

Tun thru - left alle.

Examples

Right & left thru - dive thru

### Ferris Wheel - Don Beck

The action starts from two parallel, two faced lines such as those resulting when dancers in an eight chain thru position do a swing thru and centers run. The couple facing out in each two-faced line will do a normal wheel and deal action for that position and when the figure is completed will be the trailing couple in a double pass thru formation. The couples facing in, in the two-faced line, will move forward to a couples 1/2 a circulate position and for a moment from a new two-faced line in the center of the set; then the center two-faced line will wheel and deal and the center couples will end as the lead couples in a double pass thru formation.

As you all know Jim Baker is our caller, both he and Caroline welcome anyone who wishes to dance with us, I know nobody has to be told that has ever come to camp and dance with our group that they are always welcome by the members. Jules & Gladys Broe

**CRESTEPPERS** West Palm Beach June, July and August were traveling days for many of our dancers from our three classes. The Goers were sent off with fond Adios, Au Revoir, Aufwiedersehn expressions and the Returners soon found themselves in the Arms of Love. The postal cards and letters shortened the distance between us and engendered that Dream Awhile Feelin'. Peg Schaefer, the fun-gal of our advanced level class, returned from California with the best news of all. A most intricate eye operation, performed by an internationally renowned surgeon, was a complete success and Peg is back with all her verve and Those Flirting Eyes. Helen & Wally Jacobs left on a motor trip through New York State and many points in between for a much needed respite from their teaching. These teachers had not missed a single session during this past year. Edna & John Rumball had taken over the advanced level class and we were grateful to have stepped into High Society and to have enjoyed Slipping To Each His Own. Rocky Russo pinch hit at the Easy Level Class and Hilde and this reporter carried on with the Intermediate Level. And while it's on The Tips of My Fingers an expression of thanks must be accorded Elsie and Harry Stockfeder, who during the past year workshopped the Easy Level Class in perfecting basics and 21 dances. Lou Hichens and Rocky Russo, pres, of their classes, are due grateful recognition for their untiring efforts with their leadership and arrangements with our social affairs.

**OVERSEAS DANCER ASSOCIATION** - Steve & Fran Stephens - Gen'l Secretary - Report of the 13th Annual Reunion Aug 6-9 held in Las Vegas, Nev. Typically, it was a fine reunion, over 100 members attending, and was highlighted by good fellowship, renewed friendships, excellent calling of squares and cueing of rounds by ten callers and four round dance teams. Len & Elly Bergquist did an excellent job of programming the sqs. and Herb & Erna Egender did the same with the rounds. Our thanks to all who participated.

**A Special Request from Steve & Fran** - A number of you were at the 23 National Square Dance Convention held in San Antonio and you may have met some of the Japanese contingent who participated. A young caller with this group along with his wife, were very much impressed with the wheel chair dancers and decided to go home and try to get something started like this in Japan Te and Take (pronounced Tea & Tahkey) Takeda are their names. They contacted the callers for the wheel chair dancers and got all the information they could from them, and also the promise of help later when they started the project. Then, they went home and ran into a real problem. There were no handicapped people in wheel chairs. The chairs are very expensive (\$200 each) Also, by tradition the crippled were shunted to the back rooms. The families were ashamed of them. When the Takedas wrote us they were very disappointed, but we decided to do something about it. They want two squares, which mean 16 chairs, which means \$3200.00 is needed. We will try to raise \$3300.00 for them. So, we have formed the 16 Chair Club. In order to join you pay dues of \$1 per couple or \$1 per single or as much over that you can afford. When we have enough for one square (8 chairs) we will forward that amount to Te & Take so they can get started but we will continue the drive until the total amount is collected. We hope that all of you who read this story will join and that you get an envelope and send it immediately. Please don't put it off or you will forget the project. Send your dues to Steve & Fran Stephens, 151 Dryden Dr., San Antonio, Texas 78213.

**PALM SWINGERS** our thanks to both Tom Trainor and John Shirley for doing such a fine job of calling for us while our caller, Pete Sansom, was in England on tour. Pete, himself, was in rare form August 18 when he called the first dance for us after returning Home! From all accounts it sounded as though they had a terrific trip. Things are shapping up with our new committee, even though Gertrude & Bill Palmatier were a little short-handed at first, but am sure that they with the Tuckers, Perkins and Jim Greenwald are planning good things for our club.

Birdell Levitt  
T N T 081 The August camporee was held at Sherwood Forest near Disney World. A most enjoyable dance with Johnny Walters for Fri. and George Jabbusch workshop and Sat dance. The teen's of the group took charge of the skits and did a beautiful job. The pot luck supper (Mulligan Stew) was a winner. Our thanks to John Lovelace who did the after dances cooking while Red Eckels was in the hospital. Hurry back, Red - we missed you. Our next camporee will be at Winterset.

CANAVERAL SQUARES Rockledge Sure is nice to have our friends from Barefoot Bay dancing with us, that's our south branch of Canaveral Squares. Our club has been having a good turn out even though our Snowbirds are away. Our caller, Bob Frye, is still calling Fantastic dances and our refreshments are always delicious, thanks to taw, Marge. One night we decided to make our stinker badge, so when our caller Tweetie Pie Frye started to call, everyone walked off the floor and went outside, there was a lot of laughter while our caller was still calling-but he got his revenge by calling Spin Chain the Air Conditioner, Tea Cup Chain, Chain Reaction, in that order too! Really big campout coming up at Orange City in Oct. See the ad. We have all missed our members that have not been coming and we wish them well and happy and hope it won't be long before they are back dancing with us. Our north branch Squares earned their Black Sheep badge by doing the Grand Spin when our caller was calling the Grand Sweep. The Johnsons and McNeills from Titusville sure look good doing the Jessie Polka and Cotton Eye Joe. Connie Johnson does the Jessie polks really sexy like. Well thats all for now, keep dancing and be happy

Connie & Bill Andrus

NAUTICAL WHEELERS Key West Friday, Aug 22, was another red letter day in the log book as it celebrated the graduation of another class of students into the wonderful world of square dancing. Graduating were the Nadigs, Wileys, Walthes and second time around graduates Phillips. After presentation of their motorboards by their instructor and caller, Jack Phillips and tawRose, they were instructed to don rain-coats and blind folds, and a pair of flippers. They were then required to dance a tip while liberally being sprinkled from waterguns in the hands of the party committee. Bachelor of Square Dancing diplomas were then presented, climaxed by the graduation ceremony inducting them into the club. Club president Nick Nolte, assisted by his wife, Eileen, conducted the graduates in a candelight ceremony to the four corners of the square, presenting them with their club constitutions, the Ten Commandments of Square Dancing, and finally with their club badges. Honored by the club as Square Angels were Louise & Bruce Ellison, Willie & Smokey Poole and Leo De Rosier. A special little pink angel honorary graduate badge was presented to Kathy Walthes for her month old daughter, Amber Rochelle, who was born the night following Kathys last square dance lesson. The club plans a new class beginning Oct 18 and another of the popular Southernmost Mariner dances aboard a Commissioned ship during Oct.

**NOT ONE MAINSTREAM TYPE EXPERIMENTAL FIGURE WAS WORTH PUBLISHING THIS MONTH** - Is the tide ebbing??? It is time for your class advertising to be going full steam. Speaking of Classes, how long is the length of your class?? Are you being told by a club to graduate the class with less than the number of weeks that it really takes to learn? If this is the case with you, please start putting your foot down and show some leadership. You sure can't bring new dancers into a Mainstream Club with 15 to 20 weeks of lessons. All the clubs are interested in is the money provided by the new dancers when they pay at the door. If you are really interested in keeping your new dancers happy and keep them dancing dancing thru the difficult period of transition from class dancer to club dancer then fight for what you feel is the time necessary to prepare the dancers well. The subject comes up every Caller Clinic or School I've been part of and its about time we callers get together and let the dancer know that we cannot turn out mainstream dancers by pushing them thru a short term course.

**CALLERLAB** -- The International Association of Square Dance Callers, is still young but already it has accomplished or is in the process of accomplishing numerous forward steps for the square dance activity. Among its most significant accomplishments to date is the establishment of a special clearinghouse to screen all new movements. The clearinghouse researches and recommends, on a quarterly basis, any two (or one, or no) movements that it feels are worthy of being used in Mainstream dancing. The Committee, headed by Jack Lasry, Miami, Florida, and made up of a group of responsible caller/leaders, tests hundreds of movements each year before making its selections. The goal of the Committee has been to cut down significantly on the over-abundance of new, often awkward or non-descriptive movements that have been flooding the square dance activity in recent years. Apparently the project is accomplishing its goals for the dancers in many parts of the world have expressed their relief that such a significant step has been taken. Callerlab has 17 active committees. One of the newer ones, headed by Lee Kopman of Wantagh, New York, is setting out to determine a workable system of identifying the various levels of square dancing. Because the terms "fun" level, "low" level, "high" level, "intermediate" level, etc., mean different things to different people, it's almost impossible for traveling dancers to find a dance in a strange city that features the type of program in which they feel qualified to participate. Traveling callers, coming into an area new to them, may be told to call a "difficult" dance only to find that the area is inexperienced square dancewise, and "difficult" to them would be considered "mid-level" in most other regions of the country. And so it is that this Committee hopes to develop a method that can be adopted universally. With such a system the annual National Square Dance Convention, as an example, can label its various halls in such a way that every dancer and every caller attending knows exactly what to expect. It's a much needed program and hopefully a solution is not too far off.

While Pass to the Center (Mainstream Basic 40) accomplishes the same thing as dive thru in its standard form, it is a more versatile movement as you need not have the lady on the right (or even have a lady), and it can be called from parallel ocean waves. For example:

Fan the top - Girls trade  
Pass to the center

**PROMENADERS** of Cresthaven I would like to first of all thank all the very kind dancers for their profound wishes and deep concern over my eye surgery. I really believe their prayers were instrumental in the success of my operation. God Bless! Labor Day week end most dances were called off because of outside funtions. We hope the one that you picked was to your liking and that you had one bang up, end-up season dance. We are planning a big winter line-up of callers, so lay your plans now and plan on visiting us because we do things up brown here at Cresthaven. How many dance halls give you - the best floor for your feet, the best Air Conditioning for your comfort and health, the best punch bowl and coffee servers around, and last but not least, a real live napkin hander-outer? Well let's put it this way "Stop looking and save yourself the effort, We've got it at Cresthaven". Smile!!you may be on candid camera. Peg Schaefer

**MERI-TWIRLERS** Merritt Island Thank you Brandon Squares for choosing our club in making your Knothead badges, we all enjoyed dancing with your club and making our Crackpot, Moonlighter, Aqua Duck badges with you . We also had guests from St Cloud that stole our banner, but a few weeks later our caller & taw, Ernie Anderson, took a square over to retrieve it, they really had a fine time dancing to Bill Ford. We have missed all our regular members and hope they will come back and dance with us real soon. We are losing another fine couple Kermit & Vivin Pederson who are moving to California. Glad to see Gen Stark back dancing again. There is a couple in the area that danced on top of a mountain, would you beleive 1800 ft. high? They square danced, watched the sunrise and even had breakfast up there, their initials are DW & B W. Our caller is so busy these days, calling for our club, and now he goes to Cocoa Beach and will be calling for a club there. Also he has started more classes in both places. That's all for now. Connie & Bill Andrus

**DAISY CHAIN SQUARES** Daisy has had a wonderful summer visiting other clubs and having parties; now it's back to school time. She will be growing through her new Thursday night class. Since little girls need a respectable bed time, Daisy will be dancing at 8 instead of 9 on Friday nigfts. She hopes more friends will be able to visit now. She'll be happy to have you visit at Margate. Fran Porter

**COVERED BRIDGE SQUARES** August was a great month for us. We enjoyed dancing to Norm Dumbaugh, Sam Mitchell and Pete Sansom. Pete brought a square of boys and girls along, and they were kind enough to put on an exhibition for us. Thank you very much kids! We had a wonderful time at the Extravaganza, congratulations to the Ocean Waves for a job well done. Our club put on an exhibition for the Welcome Wagon Club in town, and we are pleased with the results. Many who were present expressed an interest in taking lessons. We also had a one night stand with Neal Blanchard officiating. It was a huge success, many people signed up for lessons before leaving that evening. Speaking of lessons; our own Sharon & John Hope are starting Basic Round Dance lessons. Oct 5, Sunday 6-8. For more information call Sharon at 752-2652. Looking forward to dancing with all our friends this month. Connie Harvey

**KRISS KROSS SQUARES** Ft Myers have really danced the summer away. Can you believe that it is Oct.?(Fall) Where did the summer go? All our vacation people are coming back, and a few of our snowbirds too. I rode home in a cab the other day, and found one of our square dancers from Canada who had just come the night before, she said we would be getting them sooner this year. Isn't that great? Come on y'all we are ready for you. For we have lots of things planned for this season. So, watch our ads find out who is calling and where. Classes are starting up everywhere, so all you who want to join in this Wonderful World of fun and pleasure. Get into one of the classes and get your basics, you'll be glad you did. Harold Sauls is starting a class at Seven Lakes at six o'clock in Oct., Christopher has started a class at Cape Coral, so lets get going. Lee & Earle Kastner will be starting their basic round dance class Oct 3, Easy Rounds Oct 8 and Intermediate Oct 5 in Bonita Springs. Come one, come all, it's fall and just the time for us to have a ball of rounds and squares. See you - Irene

**WHIRL & TWIRL** We have had enjoyable dances this summer with the usual virtuosity of our caller Danny Robinson augmented by the guest callers Jim Coppinger, Dale McClary and Bob Frye. Many couples turned out in red, white and blue costumes to help promote square dancing at the Altamonte Mall and Interstate Mall with Danny and Country Spice. The program traced the history of square dancing and the dancers demonstrated the Paul Jones, Virginia Reel and square dancing to patter and singing calls. It was great fun for all.

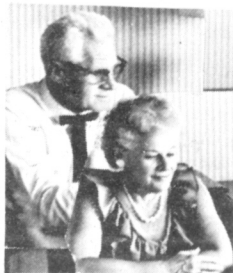

**DIXIE TWIRLERS** Vacations cut into our attendance again when several of our members attended Rainbow Lodge. They reported it was so cool and they had such a nice time they almost didn't want to come back. We're glad they returned in time for the pool party and potluck supper Johnny & Louise hosted in Plantation at Louise's sister's home. Everyone was really ready to cool off in a pool because of the heatwave we've been having. Good company, good food, and a fine time was had by all. Those who attended the Extravaganza enjoyed themselves as usual. Some of us will see some of you at Knothead, and we hope the end of Sept. we'll see you all at Disney World.

# STUFF & NONSENSE

by EMILY LEACH

An optimist is somebody who buys two life-time pens. Keep in mind that the road to success is always under construction.

When it comes to broken marriages, most husbands will split the blame.....half his wife's fault, half her mother's. You can't expect to become well-heeled unless you're on your toes.

A man doesn't live by bread alone...he needs buttering up once in a while.

Contrary to most opinions, the government really does have a plan to end unemployment. At the rate it is going, by the year 2000 everyone will be employed--by the government.

If you are blessed with a sympathetic disposition, don't waste it on yourself. We may never succeed in curing poverty but with prices and taxes the way they are, we're sure going to cure wealth.

The toughest part of a diet isn't watching what you eat, it's watching what your friends are eating.

Don't envy the man who gets ahead.....study his technique.

The cares of today are seldom those of tomorrow, and when we lie down at night we may safely say to most of our troubles, "Ye have done your worst, and we shall see you no more."

A house is built by human hands but a home is built by human hearts.

Don't you think I look younger without a bra?" simpered the aged trend-follower. "I must admit you do dear," said her spouse, "it's drawn all the wrinkles out of your face."

Perhaps the trouble with most of us is well described by what Wm. H. Taft once said: "Too many people don't care what happens as long as it doesn't happen to them."

Drivers who weave in and out of traffic often wind up in stitches.

When it comes to picking up dirt, the vacuum can't compare with the telephone.

Lots of people work themselves into a lather over a bit of soft soap.

All children need love, especially those who do not deserve it.

There are some politicians who shake your hand before an election and your confidence later.

A friend of ours took their five kids, two cats and two dogs, and spent one month vacation in their camper. And it was very economical....They saved enough to pay for the divorce.

In a general sense the size and shape and symmetry of our bodies is determined by our ancestors. The same is true of the size and capacity of our brains. But when it comes to the bigness of our hearts, that is something we determine for ourselves.

A good idea can never drop into a closed mind.

If at first you don't succeed.....well, so much for sky diving.

Be kind to your wife....and she may help you with the dishes.

They've invented an income tax cocktail. Drink a couple of them and you'll withhold nothing.

Most teachers prefer to teach in an elementary school because they know they'll have a place to park.

The Kirks

**SHIRTS-N-SKIRTS** Thanks to Tom Trainor and John Sherley for calling such great dances while Vern & Wanetta were on vacation. Also a big thank you to Sam & Wilma Freed, and Bob & Frankie Snyder for handling all the other details needed at each dance. Many of our members attended the Grand opening at the Fjgian in Okeechobee. What a big, beautiful hall and a nice place to spend a week end. We really had a ball. Vern graduated his last class Aug. 12 and now has a mainstream workshop at Boots-N-Bows each week. This is a good place to brush up. Why not come out and help yourself become a better dancer. A pot luck supper was held Sept, 18 with Ben & Jessie Hirschby in charge and as usual they did a bang up job. Vern started his new class Sept. 15 and is now in session. Now with summer gone we're looking forward to seeing our many winter visitors who will soon be heading to the sunny south from the cold north.

**CAPE CORAL SQUARES** Red, white and blue we began our 1975-1976 year on Aug. 25 with Bicentennial colors adorning dinner tables and waving from flag-festooned ropes across the ceiling of the Cape Coral Yacht & Racquet Club. It was a gala occasion for the installation of officers - a pot luck dinner with a bonus of fried chicken. The blessing was asked by Paul Sittler. Following the meal, outgoing President Lillian West thanked all who had helped during the preceding year. She then turned the chair over to Richard Cahill, who installed the previously elected members as follows: Pres. Benny & Jessie Crossno; V.P. Bill & Sally Hopkins; Sec-Treas. Clif & Mabel Smith; Board of Directors, Lillian West, immediate past president; Art & Alma Kremis; George & Sara McKinney; and Jack & Carrie Newsom. Past presidents Chales & Gerry Francisco and Richard & Alvina Cahill then joined Lillian West beside the line of newly installed officers. Unable to attend were John & Irene Zoeller. Henry Wright presented Lillian with a handsome square dance trophy in appreciation of her enthusiasm and interest during her term as president. With membership burgeoning and a beginners class in formation we are looking forward to a successful and fun-filled new year. Edith Juhel

**SPINNING WHEELS** of Tampa extend a warm welcome to one and all. Its always nice to see a new face in the crowd. Our thanks to all who came to our Luau and help make it a success, also to Buttons & Bows for the half-time entertainment, twas fun! We will be having some fun callers in the immediate future, John Saunders at our Horn-O-Plenty dance, Lets all see if we can fill the horn and give the plenty to those who need it. In Nov. a surprise caller, a clue, he would be great in the Swiss Alps! We also will be having that fine caller from Ga., Dick Baker who will keep you dancing. Our sympathy to the Hollon, Turner, Cahaiza families on the loss of their love ones. We also send our Happy Birthdays, Anniversaries, congratulations and warmest thoughts to all.

lovce Todd

ALLEMANDERS of Satellite Beach are happy to be called an official representative of Brevard Bicentennial Committee and are looking forward to the celebrations by dancing in the community. What better was to celebrate our country's birthday than to do what we love best - square dance. This month we participated in Country - Western Day in Melbourne and what a grand celebration it was. We were proud to see our club in their Vision of Gold club dress in the Sept. issue of Bow & Swing. The State convention is always a place of good dancing and fine fellowship and seeing our picture helps bring back lots of the memories. Knothead is over now too so the club is looking ahead to Miami next. Hope to see you all there in '76. Each year our Halloween dance is a highlight of the year. You have never really celebrated Halloween until you've done so with our club. It is an experience you won't soon forget. Come join us. Last month I mentioned we'd be happy when John Jones was dancing with again, well, we are happy he and Grant Wortman are both on the Recovered list and both dancing. Happy days are here again!

Joan & Bob Ketchum

MEL-ROUNDERS of Melbourne In spite of the hot weather and the fact that our building is not air conditioned, the Clubs members that did not leave the area during the summer months have supported the Club with their attendance 100%, averaging 21-22 couples each dance. This is quite a record and the Club held a free dance with refreshments on Aug 27 in appreciation of their loyalty. Most of the credit for the excellent attendance goes to the outstanding Round Dance Callers, Stan & Ruth Jaynes. They have brought much fun and enjoyment to the Club. In addition to being very good teachers, they have loads of Patience in reviewing the new Round Dances. Through their efforts the club is not only up on the current rounds but they have also managed to teach nearly all of the old classics too. So-if you are interested is some real good round dancing with a friendly Club come dance with us. The Club is sponsoring a Beginners Round Dance Class starting Oct. 20, the teachers will be John & Betty Jones who have been teaching and cueing rounds for over 15 years and are outstanding teachers. If you are interested call John or Betty at 723-7908.
