HARBOR CITY SQUARES Melbourne - Another great month of square and round dancing has gone by the wayside. All the big annual affairs are over for another year and now we are back to more relaxed dancing. With the onset of nicer weather up north and the spring season bursting out all over, we will be losing some of our Northern friends for a few months. Many of them are already making plans to start traveling. We had a big Free Appreciation dance March 19. Bill Shell called the squares and Stan Jaynes cued the rounds. The floor full of square dancers and double circles were the order for the round dancers. Everyone seemed to have such a good time. There are so many round dancers now that the class is about to graduate and it is real nice to see them up with the rest of us. Our square dance class is also about to graduate. Election of club officers takes place this month. To the retiring officers we thank you for a job well done. We have had a year of wonderful dancing. To the new officers, we offer our support in any way needed to make your term successful with plenty of fine fellowship, happy dancing and lots of hard work. Many new members received their badges on March 26. May each of you have a long association with all of us. There have been a number of our members on the sick list this month. We hope they will soon be back dancing with us and feeling hale and hearty. With the advent of so many newly graduates, I would like to sign off with one question, "Didn't someone help you?" That's all for now.

SUNRISE SQUARES What a busy month March was! The Orange Blossoms visited us with their caller and lovely tow. They took our banner and now it is hanging in the new Ponderosa Square Dance Center. The Southeast Dancers Assoc. also visited us. Among them were Anita & Jack Lascola, Pres. Joe & Ann Mizazalski, V.P.; Hazel & Mike Folk, Sec.; and Jackie & Clare Shigler, Alterates. The latter joined us for our St Patricks Day Dance. Our club anniversary Blast was terrific. We had gods of visitors and our club went all out to make them feel welcome. The refreshments were great, thanks club! There will be no dance on May 28 because of the State Convention. Don't forget the Mitchell's Anniversary Bash in June, 23 years of love is pretty important we think, so y'all come and help celebrate. Y'hear? We graduated our class April 9. Now our Sunday afternoon class is becoming more and more anxious as they approach their half way mark. Our caller and his tow are participating in the Bicentennial Review program on Sunday night after the dance at the state convention. This will be depicting the history of square dancing. It'll be lots of laughs with a serious undertone. This is you, the dancers chance to see the callers as dancers. Don't forget to look for us at the state convention. We'll be looking for you! Happy square dancing.

SUN SQUARES Deerfield Beach - At this writing Spring will have Sprung, as the old saying goes! We have had many months of enjoyable square and round dancing sessions. We enjoyed having the guests visit us. We know many are going north for the summer, including some of our members. Have a safe trip back, and enjoy dancing where you may be. The class at Boca Raton will be graduating the latter part of April or the first week in May. We are awaiting the arrival of our second Sun Square baby. Jeannette & Mark Wilcox are expecting theirs within the next few months. We are happy to have Tony & Mary LaRusso with us again. Welcome back.
Rose Lang

SUNCOAST CALLERS ASSOCIATION - SPIRIT OF '76 BICENTENNIAL DANCE March 28th at Largo was a successful dance. We had 30 squares at the afternoon dance and 40 squares in the evening session. It was very colorful with the Callers wearing "Uncle Sam" hats and the dancers in red, white and blue outfits. We had 9 callers Sunday afternoon and 10 callers Sunday evening. Don Rand called the rounds in the afternoon and Fred Leach called in the evening. We expect to make this an Annual Dance every year. Our thanks to all who participated.

CAPE CORAL SQUARES bade the Snowbirds farewell on March 15 at a festive party enjoyed by 17 squares at the Cape Coral Yacht Club. Green & white were the colors glimpsed as the dancers swirled to the calls of "Chris" Christopher, and green & white were the decorations cleverly dreamed up by Flora Trapp with the assistance of Sally Hopkins and entertainment chairman Sara McKinney. Especially creative were the bobby-pinned snowbirds given to each member as tokens - tiny strawbodied creatures with mobile white-ribbed wings and tails. Bowls of fruit punch were set at side tables, and finger food in gay and delicious abundance appeared at 9:00. After the honoring of first time visitors, birthday and wedding anniversaries were applauded. President Benny Crossno urged all to register for the Cape Coral Bicentennial Extravaganza to be held in July (check our ad) Callers will be "Chris" Christopher and Roger Chapman. The members were happy to greet Charles & Gerry Francisco, now of New Port Richey and to learn that Jessie Little has returned from the hospital and is feeling much better,

Edith Juhel

GAMBLERS Deerfield Beach - We have been busy, as usual, and would like to say thank you to all our guests this past month, especially to the Boynton Beach Castoffs who retrieved their travel banner so quickly. And a warm welcome to our newest club members Sam & Miriam Boggess. We look forward to dancing with you. Also, just a brief reminder of our Easter Parade of Hats in April, husbands get busy making those bonnets! During the past few months, many of the club have become C.B. enthusiasts; and over the weekend of March 5th, the Atlantic Coast C.B. Club held a Break at the Deerfield Rest Area on I-95 in order to raise funds for the family of slain FHP Trooper Phillil Black. We'd like to extend a very special thank you to all our club members who donated their time to provide some entertainment. The Break was a tremendous success, and over \$3,400 was collected. And now we are going to back 'em down and say 3's to 'ya. The Gamblers are 10-10 on the side.

Georgia Mills

BUTTONS & BOWS - Mulberry - Isn't it fun to introduce square dancing to others? We had two squares dance to Danny Coflin's calling at a Pionette Bosses' Night in Lakeland and soon had a big group up "dancing" and wanting to know where and when they could take lessons. George Hinkel and Art Springer called our two March dances. Inez Watson did a beautiful job decorating for St Patricks Day. Spinning Wheels came for their banner and we stole Gator Promenader's at their anniversary dance. M. Steele

TWIN BILL CAMP OUT For those of you who haven't heard let me bend your ear and tell you of the wonderful time we shared. There were eighteen lucky squares and several of them campers who enjoyed the weekend of very fine dancing to the calls given by Bill Shell and Bill Ford. The rounds were cued by Jim Trulock and his wonderful humor. The workshops went over big and we all learned some new figures. The final touch to the end of a perfect week end was a sing-a-long around the campfire; singing all the old time familiar tunes we all knew and loved. This event takes place twice a year and the next one will be in Nov. at a campgrounds.

Hubert & Marguerite Brown

SOUTHEAST FLORIDA S/R DANCE ASSOC. The March meeting was held at the Andre's Hall in Miami on March 14. It was a very nice meeting with a good turn out of members, held in a surroundings reminisce of the old Olympic Theater in Miami. The dancers enjoyed a very nice clinic after the meeting to callers Jay Fenimore, Bob Bland, Tom O'Brien, Bob Cook and rounds cued by Fred Hornung. Our visitations for the month included a visit to the Sunrise Squares with caller Bob Mitchell on the 23th and Bill Roundtree's graduation class on the 20th. Now that spring is here our thoughts are turning to the 23rd Florida State Convention in May. We are looking forward to seeing amny old friends and meeting many new ones. Not to mention the grand time we are sure to have at this fine convention. **HELP!** We need extra help in putting together our 4W new letter. If you feel like donating a little of time on the evening of May 14th come out and help us. If you can make it give Jo Coile a call so she can expect you.

Whiddon Benefit dance started out to be a Heart Fund dance, but in as much as one of their own was in need, they decided to give all proceeds to the Whiddon family. Chester has not been able to work regular for five years. He and his wife Johnnie have five children. Checks may be made to the Chester Whiddon Benefit, and mailed to Elmer Sheffield, 3765 Lakeview Dr., Tall, 32304.

CRESTHAVEN SQUARES did it again on March 15 we had a pre-St Patricks dance and it was a gala dance with Bob Frye our guest caller, with our own Tom O'Brien making it a real swinging dance. Our refreshments, green punch was really full of blarney. We were hosts for the S.E. Fla. Callers Clinic and they came to Cresthaven as our guests. We sponsored a gala square and round dance for the Mental Health Assoc. of Palm Beach County, March 21th. For the first time in Palm Beach County two dance halls were used. One for mainstream dancers and one for beginners now in class who will be graduating this Spring. Area callers volunteering their talents were Ernie Bass, Ralph Otis, Pete Sanson, with Tom Trainor and Ed Currar handling the MC. duties. Herb & Harriet Gerry and Max & Ruth Mandel, both instructors at Cresthaven did a great job in cueing the rounds in each hall. The highlight of the day was an exhibition in percision dancing featuring the New & Now Generation, a group of exciting young dancers trained by Pete Sansom, who called for them. This excellent team is headed for the Nationals at Anaheim, Ca. where they will perform. Over 50 squares danced for this worthy cause. Anne Levy

STARLIGHT PROMENADERS Debary A great time was had by all at our Kiss of Spring dance, April 21. With a man size bunny in the crowd who could help but have fun. As he led the Grand March and the dancers formed lines of eight, the Bunny kissed the end person and the kiss was passed around the line. Many of the club members will soon be wearing their Kissin Kuzzin badge. Many thanks was given to the committees working on this special dance. Thanks went to Ginny & Willard Burnnett who makes the coffee every week and to those folks who just pitch in where needed. At a recent dance we welcomed a visiting caller Ike Jules Jr. from Wisconsin. In a back issue of the Bow & Swing we found, as many as six clubs, in one issue, supporting local charities. A notice read, "with so many dances on the same night, make a point of attending a dance with a worthy cause". We have discussed this at a recent Board Meeting. Result? Positive or negative perhaps a seed has been sown. Lets add a new dimension to our dancing (feet). A happy heart through helping a worthy cause. Mark & Thelma Rhine

SHIRTS & SKIRTS Ft Lauderdale - Hello to all dancers! Another busy month has quickly slipped by and we dance into another. A very speedy recovery for club members George Lappierre and Ellabelle Hayes who have been hospitalized. And many other members who have been on the sick list, get well fast, we miss you! Some of the winter folks left or will be leaving soon for their northern homes for the summer. A safe trip there and back to us. A beach breakfast is being planned, more on this later. The Florida Frolic at Lehigh was a great weekend and it will be long remembered by all attending. Art Springer from Tampa, Tom Trainor and Vern Johnson doing their greatest calling with Phil & Dot Carey doing their lovely rounds. A terrific weekend of beautiful dancing. The JSDC will hold its graduation April 26, a very nice class of new dancers and we welcome the opportunity to dance with them. The workshops on two nights are a great help in making better dancers, and to get in a lot of good dancing, and meeting dancers from other areas and states. Keep dancing and come dance with us.

SPINNING WHEELS of Tampa look forward to a great month of dancing this month with our Anniversary dance and Dick Barker from Ga., will call at the other special dance. The new dancers who graduated in April will be seen at all the dances, hopefully. Please treat them kindly. They are scared, mostly that they will make mistakes and displease the more experienced dancers. Remember?? Our deepest sympathy to Bob & Carol Campbell on the loss of his father. And a genuine "hurry back" to those who had the "punies". Come dance with us.

SHERWOOD SHUFFLERS of Sherwood Forest, Kissimmee had a busy month, first our trip to the Shamrock Swing in Melbourne. A candlelite service for our graduating class, with games, plenty of refreshments which included a beautiful cake made by L.I. Strasser a member of the class. Next we celebrated March 17 at Sherwood with friends and visitors, where each dancer was decked out in something green and the club house decorated for this special occasion. Then on to Gainesville to the Knothead Dance where club members and friends were formally initiated by Cher Vetter. Our many thanks to our caller Ed Newton & Taw. Come dance with us and do the Sherwood Bump. H.B. Obitz

SQUARE EM UP SAMS held their March camp out at the America Outdoors Campground on U.S. 41 on March 19-21. We had 15 recreational vehicles and 36 in attendance. The visitors were Guy & Tessie Arahart, Ken & Dottie Golden, Clyde & Arlene Harting and Jane Davenport. New members were Oakly & Dorothy Dickey. There was much laughter during our Friday night games. Saturday we had our business meeting, round & square dance workshops. At 5:30 the wagon masters and their wives put on a pot luck dinner featuring spaghetti. Then we square and round danced. There was a sort after party of songs, etc. On Sunday after our continental breakfast we broke camp and returned to our homes. The next meeting will be in April at Indian Creek Campgrounds. Anyone who has completed their 50 basics square dance steps is welcome to join. Leroy Corcoran

CASTOFFS of Boynton Beach had a surprise visit on Feb. 27th by two squares from the Gamblers along with their caller Norm Dumbaugh and tow Evie. The girls wore their beautiful new club dresses, red, white and black with playing cards silk screened on them by Norm. They also stole our banner. Jerry Benoit called a real swinging dance that night for over 11 squares, which was good attendance in view of the Lakeland Festival. On March 5th we had a very successful Bicentennial Benefit Dance with over 20 squares of dancers allemanding left to Tom Trainor's calling. Pres. Harry Olson gave \$300 check to Jim O'Meara, Chairman of the Boynton Beach Bicentennial Committee to purchase a copy of the film "History of Boynton Beach" to be shown to school children. On March 12th Ron Libby called a dandy dance for our Shamrock Shuffle. Everyone looked so pretty in their various shades of green. The dance hall was decorated to fit the occasion and we even had a green cake and green punch. March 19th six of Pete Sansom's New & Now Generations Dancers came to dance with us, and those children are great. We sure wish them well in all of their fund raising enterprises to help them to Anaheim. See you at the State Convention. Come dance with us we would love to have you join us. M. Olson

MIAMI • MAY 28,29,30,1976 •

DIXIE TWIRLERS of Miami are wondering what manner of man our Johnny Walter is - can he really control the weather?? Eleven couples went to Okeechobee on Feb. 28 for the Annual Speckled Perch Festival. All day long, while the paraders paraded, sellers sold, and speakers spoke, rain threatened. At the end of the day it looked even more threatening. As the square dancers prepared to dance, Johnny assured the apprehensive audience Don't worry! It never rains on square dancers. And it didn't! But fifteen minutes after they finished came the deluge. Happily for all concerned it was the end of the Day's Festivities, and everyone could flee home knowing they had not missed a single event of the well planned day. All of us who went enjoyed the whole schedule immensely. We especially want to thank the Brahmans & Belles who graciously shared their lovely parade float with us. They worked very hard to create it, and we greatly appreciated riding the length of the parade route with them. Frank & Dorothy Rose along with Marvin & Helen Godwin earned their TV badge while participating with Joe Sweeney's Country Squares on the program Showcase which was shown on March 13 by WCKT-TV Channel 7, Miami. We are planning on seeing you all at the State convention here in Miami. Lois & Dorothy WESTERNAIRES of Miami are congratulating a new President! Phil Dorsey has taken over the reins from Espy Ward who has served as our Pres. for the past year. A very heartfelt thanks to Espy and all of his Board Members who served with him to make the past year a very memorable and enjoyable year of dancing. Phil and Board Members serving with him have already been working on new ideas to make every dance a Special dance for you. Have you noticed our decorations lately? Give those Hogue's some new material to work with and their creative ability takes off - all to our advantage. A hearty welcome to George & Beverly Porter who proudly accepted their Westernaires badges at our St Patricks dance. Lots of hard work is going on around here, State Convention is getting closer you know, which means busy, busy so many of our group. Rehearsals have really gotten into high gear for a skit that promises to catch your eye and tickle your funny bone. Can't hardly wait! Our next two dances have no special theme, just lots of fun, good dancing, good calling by our own Bob Cook and friendly people who look forward to seeing you in our square.

CHARLOTTE PROMENADERS, Port Charlotte - We are well launched into another year of happy square dancing after our annual Club Dinner and business meeting, with election of officers for the '76-'77 season. Herman & Helen King, our dynamo of action (can not even get Herman stopped long enuf to get a sandwich) graciously consented to pilot us thru another year, and with Leon & Ada Harbaugh as V.P.'s, Ted & Mary Rossberg, 2nd V.P.'s Ora & Laoma Miller, Treas. and Mildred Stackhouse, Sec., how can we lose?? 92 members enjoyed the scrumptious meal, catered by Buffalo Bill and served by Kermit Reynolds and his able committee. Thanks Kermit, for a job well done. There were even some goodies left over for refreshments latter in the evening. It was an evening of treats, for we all had a grand time dancing to the calling of yodeling of Jack Cloe, our guest caller. We decided we would like some more of him. Am very sorry to have to report the sad news of the death of our good member Oscar Hoffman who didn't make it after a severe heart attack. He will be greatly missed and the sincere sympathy of each member goes out to you, Flo. Flash, we are dancing thru the month of May this year. Come join us. J. Reynolds TITUSVILLE TWIRL-A-WAYS have been very busy these past few weeks, with Past Officers Appreciation Night and our St Patrick's dance, chaired by Art & Mary Lou Roeder. Our plans for the year include an effort to start a round dance class. Jim & Norma Trulock come over and danced an exhibition to help in promoting a class. Other plans include a joint dance with the Harbor City Squares, with John Saunders sharing the calling with our own Chuck Durant. June will be our annual Luau with fun, food and dancing. KATCH ALL -8'S of Dunedin sponsored the Bonnie Friendship dance Friday, March 26, and it was a huge success. We had 33 squares in the hall and was sorry that some of the dancers could not get in. We had former members of the Friendship Squares and the Sun-coast Cardinals besides our own members. We were glad to have Cliff Hendrick, who called for the Friendships and Cardinals, to do some singing calls. He retired from calling 2 years ago. The Bonnie Friendship doll was given to Walter McCaslin's daughter. The Piersons from Bow & Swing came and took pictures which will be in the Bow & Swing in the future. We plan on having another reunion Dance next year. It was so nice to see so many familiar faces that danced at Belleair with Cliff. I know that Cliff & Loraine were pleased. Thanks so much. We are graduating our two beginner classes of 17 squares in April. Then on April 25th we are taking two bus loads to Maitland to dance with the Whirl & Twirl club with Danny Robinson calling, so they can get their Knothead badges. We are having good turnouts for our weekly dances and our workshop and dance, so some time in the future for Fun & Fellowship come dance with us with Hank Schmackel on the squares and Don Rand on the rounds.

MERI-TWIRLERS Merritt Island - Our members have really been busy, stealing banner, visiting other clubs, putting on exhibition dances and just having a great time square dancing to our caller "Singing Barber" Ernie Anderson. Recently we went to Titusville and stole their banner, while there, the Sundancers came and retrieved theirs, everybody having a super fantastic time. We have been learning Trac 1 & Trac 2, believe he has been watching too much Star Track on TV, but it is fun to learn. All looking forward to the State Convention. The Flu Season has a lot of members sick, sure hope they will hurry and get well. So come over and join us, we would like to square up with you. Bill & Connie Andrus
SALTY DAWGS of Miami want to thank all of our friends who joined us on our mystery trip to a Luau sponsored by the Florida Crackers. What a great party, great club, and scrumptious food. Our new Activities Committee has all kinds of fun festivities planned for the summer, such as an Easter Parade with a prize awarded to the Man with the nicest bonnet. A possible Strawberry Festival, Shipwreck Party, etc. Keep in touch for the announcements. We dance every week with the first half hour devoted to workshop. Wa'all Come!N.Hurley

DAVE DUDES 'N' DOLLS Hollywood - A busy and exciting month was March this year. Our St Patricks Day Dance was all green and a bit o' the Irish was in, all of us that evening. The Crawfords and the Cahills furnished refreshments and planned the activities. On March 11th we visited the Circle Eight club with Frank Bedell calling and our own Bob Bland adding to the enjoyment. On March 20th we visited the Palm Swingers and pinned their banner. Pete Sansom called with Fred Hornung on the rounds. Pete calls with a British accent laced with humor making the evening one not to be forgotten. Everyone is looking forward to the 23rd Florida State Convention in Miami Beach in May. For many of us this is the first big one. Come on down and dance with us and let us extend our hospitality. KRISS KROSS SQUARES Ft Myers - We are back at our usual place for the summer. Oh how sweet it is! After a wonderful season of dancing with our Snowbirds, we will stay down here where the "summer breezes blow" wishing that you'd soon be flying back. Joe has worked hard getting us places to dance while our crowds were so large, all of April we were at the Exhibition Hall. No matter we are at they are able to find us, thats because we have such good callers. It was such a pleasure having Larry Prior, he was everything that we'd heard he was, and our regulars (Mitchell, Chapman, Cloe & Springer) can't be beat. Lee asked me to have a pre-Easter Fashion Show for their round dancers. She picked the models, they were all just lovely. With a flare of '76 Bicentennial and flower garden chiffons, Myrna Johnson did a great job narrating, she looked lovely in her yellow hand screened dacron voile. Lee was lush! A beautiful dress for a beautiful dancer. All the girls looked so lovely like a Breath of Spring. And oh, Minnie, how gorgeous, a beautiful imported aqua blue lace embroidered in silver. A special dress for a special girl, for that special occasion. It was really a party night, finer food and all the goodies. I would like to describe all the dresses on my beautiful models, it was a picture to see! And that Minnie did a super job on her Easter decorations. Bunnies hopping all around, just another Breath of Spring. Everyone is getting excited about the State Convention, in that beautiful Convention town, Miami Beach, hope to make it and see you all there. Irene

HIGHLAND SQUARES Clermont - The first Lake County Square & Round Dance Roundup put on by the four clubs of the county was a big success. We hope to make it an annual event. Everyone enjoyed dancing to Jack Lasry. There was good dancing and good eating. Good luck to our in coming officers: Andy & Barbara Anderson, Pres.; Gene & Ann Campbell, V.P.; Boots & Wanda Sexton, Treas.: Good Luck! Thanks to Bob & Delores Walker who have been Sec. and have agreed to take another year. Our thanks to jobs well done to outgoing officers Mike & Carol Ferguson, Don & Pat McCaffrey, & Dick & Ruth Pilkington. Our club is really growing but there is always room for company. We would love to dance with you so come see us. Besides our regular dance nights we also have a workshop night. Bill & Mary Ann Kozicki

TALLAHASSEE TWIRLERS In April it was nice to have our regular caller, Elmer Sheffield, Jr., home calling our workshop, and to call our club dances. Darryl McMillian filled for us, while Elmer was in Ohio. Elmer was in Chicago for the Callerlab in April and reported a successful convention of the callers. April 3rd several couples attended the 2nd Spanish Trail Festival, in Crestview, Elmer was the featured caller. April 16, 17 quite a few of us attended the Dixie Federation Jamboree in Albany, Ga. with Dick Barker calling. Some of our dances have been cancelled in May so make sure to check with us if you are planning to make a visit. We would love to have you come and dance with us.

SKYLINE SWINGING SQUARES of Jensen Beach have had a most successful winter season, so much so that they need a larger hall for their dances. During the winter several parties were held to celebrate special occasions and at Christmas a pot luck luncheon for the Beginners Class and the Intermediate Group was enjoyed by the 150 present. The Beginners Class will graduate April 3. There are 60 in this group who will receive diplomas, with appropriate ceremonies. Another class will start in the fall. The Intermediate group will hold their last session April 3 and April 17 will start a workshop for those who wish to get additional practice. This class will begin at the 75 basic level and progress into the extended and experimental figures. Dale McClary is the instructor and caller for these sessions and it is open to all dancers.

WHIRL & TWIRL Orlando was out in great numbers for the Rodeo dance at Kissimmee and won the trophy for the highest attendance. We have won it for the past 8 years. We had 130 people when we were told "no need to sign in anymore". It was estimated that we had around 150 in attendance. Congratulations are in order for the wonderful way that our club supports this event each year. Jim Coppinger was our guest caller March 5th and called the best dance we have had in some time. He had a little different way of putting the figures together that made us think and was very interesting. Thank you Jim for a good job and we are looking forward to having you with us again next month. March 17, St Patty's dance was a lively evening. The dancers dressed up in their green outfits and put their best "faces" forward and packed the hall with some 20 squares. Our answer to the Rockettes; Kay Frey, Becky Hamilton, Rosmary Burgoyne, Marguerite Simmons and Linda Brown, did an Irish jig. Two squares of adult cloggers did an exhibition dance and both groups gave a good performance. Danny supplied appropriate music to round out the evening and make all the little leprechauns happy. March 19th twelve couples were "kicked" up to our Friday night intermediate level. We welcome them with the usual ceremony and trust that none of them are sore from the boost they were given to help them on their way. All done in fun, of course. Their enthusiastic dancing is refreshing. The last of the month was a badge dance for all the new members to acquire enough badges to make a breastplate if they so desire. Those not interested in all that many badges still had fun doing the different things to qualify. Aline Radcliffe was in charge and as usual did her best, which is terrific. We are all looking forward to our next big dinner and dance with a Luau theme coming up real soon. Happy dancing everyone.

Thelma Thomas

PROMENADERS of Cresthaven were well represented at the Lakeland Sunshine Festival on Feb 26-29. The convention was a huge success. It had to be with so many excellent exhibitors. It was a very lively affair. Round dancing was well represented with several exhibitions of the latest in round dancing. For those who love square and round dancing, going to a convention such as the one in Lakeland is conducive to producing better dancing. As all know, we have done our share in raising money for worthy causes such as the Heart Fund and the Cancer Fund. Last week we pitched in to help the Cresthaven Squares, another group of square dancers in Cresthaven, run a very successful dance for the benefit of Mental Health Care. Again, all visiting callers donated their time and effort. Both clubs work very well together by attending the various activities each club sponsors. The Promenaders looked very colorful in their new outfits.

SKYLINE SWINGING SQUARES has now moved to Jensen Beach. Also beginning April 17 they will sponsor a class for those who have completed a 75 basic course that wish to gain more experience and build on what they know. It will be a progressive workshop like class and will utilize Callerlab approved Mainstream movements and experimentals. It ends July 31. Now for some sad news, dancers at Jensen Beach and nearby towns have been saddened by the deaths of friends and fellow square dancers. Rosemary & Morris Hoven joined the Sandy Shoes Stepper class and never missed a lesson, until the night Morris had a fatal stroke at class. Then a loyal and beloved member of our club Joe List had a heart attack leaving his wife Frances. Just a few weeks ago Mrs Reese lost her beloved husband. We all join in sympathy for what is most difficult time for those loved ones left and will miss those who will no longer dance in our squares. We truly hope there will be no such news to report for a very long time. All are looking forward to the class graduation April 3.

SHUFFLIN SHOES of Ft Lauderdale - This was a bad month for many of our members because of sickness. A lot of our members and our regular guests were out with various maladies and even your correspondents (yes, both of us) were hospitalized for a short time. It's good to be back, however, and we wish all our friends that are still feeling a little under the weather a speedy recovery. Many of our winter friends have started to go back north to their summer homes. We will miss them but wish them a happy summer and good dancing. Our caller and his taw Don & Betty Fackler are planning their trip to Chicago to the Callerlab. We wish them a good trip. Our plans are being made for attending the State Convention in Miami Beach this year. We always have a good turn out from the club and this year a number of visitors have expressed their desire to be part of the group. Naturally, all are welcome. Just let us know and we will make all the arrangements for you. We always have a good time together and our club after parties are always enjoyable. Come and see us when ever you are in the area. We will make you welcome. The Kirks

CIRCLE EIGHTERS of Vero Beach have enjoyed welcoming more and more out of state visitors to our weekly dances as well as dancers from other clubs in the area. Our caller, George Hinkel, seems to be everybody's favorite. Our circle of round dancers also keeps growing. Under the instruction of Stan & Ruth Jaynes the beginners have really advanced to the point where they confidently get on the floor between tips and strut their stuff. We are mighty proud of them! We will continue to hold our weekly dances throughout the summer, so won't you please join us? See our schedule of guest callers in this issue. At our March meeting the nominating committee presented an entire new slate of officers which was voted upon and passed. Congratulations to Lu & Helen Finger, Pres; Bob & Shirley Ritter, V.P.; Dave & Patty Prange, Sec.; Jean Linder & John Follmer Treas. and Jerry & Louise Brey, cashiers at the door. Installation will take place April 4 at a meeting at the home of the Pranges. The Letourneaus

CANAVERAL SQUARES Rockledge - "Breaker 18, What's your 20, got a copy on you S.D. Come on, that's a big 10-4, for sure, for sure!" Square dancers really know how to put the hammer down when they came to our 16th anniversary, that was really one fine dance, the refreshments were very nice and every one seemed to have a wonderful time either talking or dancing. Mereith Smith, has been a loyal member of the club for 15 years, our caller "Twee Pie" Bob Frye and taw presented her a token of their Love & Appreciation for being such a good friend to all square dancers, Merreith received a standing "clapping ovation and evryone danced to her favorite, Loly, Lolly. Our caller & taw are busy calling for two clubs, doing guest calling and going with members to other clubs to retrieve banners. A big thanks to the Rolands for joining our club and hope that they enjoy dancing with us. Jo McBee is still doing her "Quarter More" and our Bionic Girl Square Dancer is still with us. We have another first time thing in the club, the members earned their Fire Drill badge, had a small fire at the club and danced while the firemaen put it out. Guess we really have some Red-Hot dancers. John McNeill had surgery recently, we all wish him well. Hope our North Branch are all feeling well now. See ya at the Convention, Have fun square dancing.
Bill & Connie Andrus

COVERED BRIDGE SQUARES We would like to welcome new members Karen & Robert Ellinghausen and Kathy & Ted Shaw to our club. Glad to have you dancing with us. Bill and Connie Harvey, John & Sharon Hope, Phil & Lucille Levine, and Al & Betty Landman attended the Sunshine Festival in Lakeland. According to all reports, everyone had a super time. May should be a very busy month for us with Jack Lewis's class of five squares graduating. This is really a great class and we are looking forward to dancing with them. Also, we will be entering a float in the Coral Springs 13th Anniversary parade. It takes a lot of hard work, but fun is had by all. Due to an error in the Feb issue, we would like to clarify that Eric & Pat Froden are Pres. and Phil & Thelma Ritchie are V.P. We have had some great calling by Pete Sansom, Ron Libby, and Sam Mitchell. This month we are forward to Pete Sansom, Gary Decker and Sam Mitchell, so why don't you come and join us?
Lesley Chambers

LEFT ALLAMENDERS of St Petersburg - We have had a lot of fun promoting our new class with exhibition dances at various malls. And we danced at St Pete Beach in a Founders Day Celebration. 3 squares had a great time dancing and eating. The West Coast Dance in Sarasota drew two squares of Left Allamenders. We are delighted to welcome the Browns & the Whites as new members. Our next business meeting is going to be in the form of a picnic. That should draw them out! Come dance with us.

PISTOLS & PETTICOATS of Pompano Beach are really excited and happy to see so many visitors on our dance night. We have met many talented and friendly people. It is a pleasure dancing and conversing with you. We are planning to return the compliment and getting organized through the efforts of Steve & Mary Lazar and urge all club members to give them your full cooperation and support. Elsie Maynard is still doing an excellent job of calling rounds for your dancing pleasure. Three squares from our club attended the Luau at the Florida Crackers and our very own Jerry Kurtz was the Hula Champ of the evening. It was great fun! Chuck Leamon, our caller, hasn't lost any time getting back into the Swing, since his recuperation. Just to mention a few activities, we had our All-Nighter, one night stands, The Fijian on March 27 and our night of all singing calls by popular requests. We anticipate this night especially and it is enjoyed by all. We are delighted to have Oscar & Bea Bikoff as our newest members. Several of our new class members went to the new Ponderosa Square Dance Center and are still talking about the super time and fine experience to square up on a wooden floor and to enjoy what they have learned. We have another new class that is overwhelmed about the new fun in their lives. Looking forward to seeing you at the state convention in Miami, see you there.

 MAINSTREAM EXPERIMENTAL WORKSHOP

TRACK I, II, III & IIII Dick Bayer

I held back one month on this figure until I had the opportunity to talk with the author regarding one of the Track endings, namely Track I. Some of the other note services were so anxious to publish that they just print blindly!! Dick had the same ending position for Track I and Track II while having different endings for Track II and III. The Track Figures Are Really A Tag Type Action From A Double Pass Thru Position That Is Set Up As Follows - If you have your dancers approach the Track figures as follows they will fully understand the action not just the move to a spot they think is correct. The Action starts from a Completed Double Pass Thru formation. The boys are in the left Track and the Girls in the right Track. The boys will work together in a tandem formation, the trailing boy following in behind the lead boy and the girls will do the same. The dancers will do what amounts to a tandem partner trade with the two boys walking around the girls to the right as the girls in single file turn inside the boys to end back in a Double Pass Thru Formation With The Same Lead Dancers. Now you are ready to continue into the tag portion. If the lead couple steps into a wave you have the ending Track I Formation. A wave between the outside couples facing in. Track II has the dancers move single file into 1/2 tag position ending in two parallel ocean waves. Track III moves to a 3/4 tag formation with the wave in the center and the outside couples facing out. Track IIII is a full tag ending back in the completed double pass thru formation.

For Mainstream Dancing The Track II ending in parallel ocean waves is the best, for extended dancing the Track I is nice in that you can follow with Ping Pong Circulate or Chain Reaction. Lets explore..

TRACK II 1P-2P Pass thru - wheel & deal
 Double pass thru - Track II
 (Two parallel normal waves)
 Swing thru - turn thru - left alle.

1P 2P Pass thru wheel & deal
 Double pass thru Track II
 Recycle pass thru left alle.

TRACK I 1P-2P Pass thru - wheel & deal
 Double pass thru - Track I
 Centers swing thru - turn thru - left alle.

1P 2P Pass thru wheel & deal
 Double pass thru Track I
 Centers lock it square thru four
 Swing thru turn thru - left alle.

TRACK III 1P-2P Pass thru - wheel & deal
 Double pass thru - Track III
 Centers swing thru - turn thru
 Leads partner trade - left alle.

Your completed double pass thru formation for the start of the Track figures could be made up of girls in the left track and the boys in the right track so that your ending ocean waves will have boys in the center and the girls on the ends

Kind of much all at once so keep the position stuff
 1P-2P Right & left thru - rollaway 1/2 sashay
 Pass thru - wheel & deal - double pass thru
 Track II - boys trade - turn thru - left alle.

for your workshops and advance groups
 1P-2P Pass thru - U turn back
 Pass thru - wheel & deal - double pass thru
 Track II - boys run - wheel & deal
 Pass thru - left alle.

Setting up the completed D.P.T. using tag the line
 1P-2P Pass thru - tag the line
 Track II - split circulate
 Swing thru - boys trade - turn thru - left alle.

Quarterly Movements News Release

THE CALLERLAB QUARTERLY SELECTION FOR APRIL, MAY JUNE QUARTER

Chase Right Lee Kopman

brings the girl to a facing-in position. The persons in the boys' positions will run or fold into the vacated girls' positions and then the boys circulate one position. The boys will end facing out. From normal lines of four facing out, the Chase Right call will place the square in two parallel ocean waves with the girls facing in and the boys facing out. When the action takes place with the couples back to back in a trade by formation the result is a column formation. All the flow is to the RIGHT as the dancing action takes place, thus the name Chase Right. (It is possible to Chase Left or LEFT Chase, however, for mainstream dancing the basic Chase Right is suggested.)

NOTE: A simple zero figure will allow you to easily become acquainted with the actions.

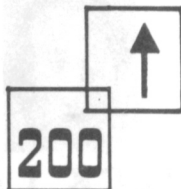

Normal Facing Couples:

- Pass thru - - Chase right
- Boys run - - Zero (Back to original starting position)

During the coming Quarter the Committee suggests the review of Dixie Style to an Ocean Wave rather than the selection of another new experimental figure. Dixie Style to a wave is part of the Mainstream program but in many areas could use a good dancing review and some attention given to how it can best fit into the club dancing program.

The action starts with facing couples in motion or in single file. The girls extend right hands and move by to extend left hands to the waiting man. The left hands are joined and as the dancers move by the left hands remain joined and the men reach to join right hands with each other causing all dancers to turn as the left handed wave is formed. The nature of the action leads to the suggestion that Dixie Style be preceded with a right and left thru or square thru ¾ courtesy turn to help lead into the starting action of the girls leading for the Dixie Style. This type of start smooths out the entry into the figure for better dancing. Here are some examples:

- Heads lead right -
- Circle to a line
- Right and left thru
- (Ladies lead) Dixie style to a wave
- Boys trade
- Boys cross run to the far end
- Swing thru - - Boys run
- Bend the line - - Left allemande

- Heads lead right -
- Circle to a line - - Square thru ¾
- Courtesy turn your partner
- (Ladies lead) Dixie style to a wave
- Boys trade - - Boys run
- Bend the line - - Box the gnat
- Right & left thru - - Crosstrail
- Left Allemande

FIREHOUSE SQUARES Orlando - Anyone who was able to make our graduation dance for our class March 23, knows what fun it was! Hopefully some of the photos taken will turn out well and be placed in our albums of club activities. Keep in mind our workshop night one week square dancing and the other round dancing basics. Many of us are looking forward to expanding our dance fun. We are all looking forward to the Rain Dance at Orange City campgrounds and we are cancelling our dance that weekend because we will all be at the Campgrounds. Keep smiling.

Margot & Dave Bladen
DIXIE LOOPERS Holiday - What good news, we have changed our dancing place and also night of dancing. What a treat as the new hall is larger than Beacon Square. Thanks to all our winter vacationers that have been dancing with us. We must give our thanks to the kitchen detail and all our cake baking volunteers for our pleasing coffee breaks which are always a treat. MESSAGE FROM THE CHAIRMAN OF THE FLORIDA FEDERATION OF DANCERS

The 23rd Florida State Square & Round Dance Convention is only a month away - and what a gigantic program you will enjoy! Activities will begin on Friday evening, May 28 with the Trails End dance for all pre-registered dancers. Then the next days will be crammed full of workshops in both square and round dancing, and more dancing galore. Whether you recently graduated from class or have been dancing 20 years, you will find at this state convention the level you most enjoy. The range of dancing will vary from EZ level, through Intermediate, and up to challenge dancing. Our State Callers will call the Trails End dance and will conduct the square dance work shops. Evening dances will be called by two of the finest, Bob Fisk of California and John Hendron of Massachusetts.

BUNNY & JIM WHITEMAN

They are great callers and enjoy working together. Anita & Leroy Stark will come from Arizona to offer you the best in round dance workshops and styling. The Grand March begins at the Lincoln Mall and will go to the Convention Center, what a beautiful spectacular that will be! Include in the weekend activities are dances by the pool, pool parties, skits, a 2-hour working caller clinic, and on and on. The program is planned with you in mind. Shuttle buses will run between the Deauville Hotel and the convention center. No way could we cover all the fun and enjoyment to be derived from three full days, you will have to register and come see for yourselves. Follow us to Miami Beach, May 28-30 with the theme "Dancing Feet to the '76 bear".

Jim Whiteman

SAILFISH SQUARES Stuart have been having some really fun dances with many of our snow birds visiting. We are sorry to see so many leaving but are looking forward to their fall return. We will see many in Louisville, Ky. at the WBICC Rally where our caller, Jack Hosken will be calling some of the dances. We are pleased to announce that we are welcoming more new members to our group. Brad & Nancy Collins, Earl & Gert Mackey, Tookie & Wyllyne Martin-Vegue and Bill & Alice Stewart will soon be getting their badges. Ed & Beulah Janason who do the rounds at our dances have been having class so that some of our members are learning new dances. This making our rounds on dance night more interesting.

KNOTHEAD PARTIES WELCOME

WEST COAST S/R DANCERS ASSOCIATION Congratulations to the Suncoast Callers Assoc. on a very successful Spirit of '76 Bicentennial Dance at Largo in March. Also, we thank the callers for allowing us to co-sponsor the final Freshman Frolic of the season. Many experienced dancers attended to help initiate these enthusiastic graduates. George Jabbusch selected an excellent staff for our Magazine dance in Sarasota. Many thanks to these talented people who contributed, George, Fred, Caulkins, Bob Norton, Frank Michael, Hal Neitzell, Vickie Laverty, Bob Mitchell and Wayne Russell. Our deepest sympathy goes to Treasurers Hugh & Jean Fultz on the loss of her mother. Hope to see you all at Miami Beach.

Ken & Mae Ford, Secretary

MODERNAIRES Ft Lauderdale - Pete Sansom & Bill Beattie, can you ask for anything more? We are delighted and grateful to have such a perfect combination for our dances. Evidenced by the responsive turn-outs are happy people coming to enjoy with this unbeatable team. Being experts in their line, they surely have the floor rocking with enthusiasm in the squares and beautifully satisfied in the rounds. We do want to thank the many clubs that have come for our banners this month, but we have reclaimed nearly all by visitations to their dances. Nothing can compare in bringing congenial fellowship between clubs as well as a chance to sample the club's dancing program. For instance, I know we enjoyed dancing and learning with the clubs visited this month; Ron Libby, Covered Bridge, Jerry Seeley, Gold Coast Swingers, Pete Sansom, Bocaneers and Bob Cook, Westernaires. New members welcomed to the club are Vic Nassif and Marian Boyd and Elma Berryman. Stephen Miko

TAMPA TAGGERS A new kind of club has been formed with our favorite caller Chuck Kessler. We are looking forward to having a good time because this is a workshop club where we will learn as well as have fun. This has been a busy month for us. We went to Villa Curli-Q's and got their banner. We also went to the Yellow-Rockers. We had fun and enjoyed both dances.

CRESTEPPERS West Palm Beach - A very busy and cosy winter round dance session has come to a close only too soon. The days have flown by and several of our mid-western and New England friends who visited with usevery year and who bring their smiles and friendliness are now preparing to return to their northern homes. Satiated and rested? Yes, They will be missed and they will be awaited next fall to continue to enjoy our warm hospitality. Helen & Wally Jacobs and several of our dancers returned from an enjoyable Sunshine Festival in Lakeland inspired and full of new dance routines that we are now trying to master. The Jacobs combined their level three class with their very active level two class. The two groups are very compatible and the large class is enjoying the sessions. The Jacobs not only teach but run an afternoon workshop where dancers needing additional help receive individual attention. The sacrific of an extra day out of their busy schedule has endeared them th their class. The writer and his wife Hilde, were forced to relinquish this workshop due to a serious automobile accident but the Jacobs enthusiastically stepped in and the club benefited immensely from the Jacob's expertise. Lou Hichens, president of the level two class for the past year and a half stepped down after an excellent term of office. A standing ovation was accorded Lou and his lovely wife. Terry, for their warm and conscientious efforts. Rocky Russo, past president of the former level three class was installed as the new president of the combined classes.

FLUTTERWHEELS of Lake Placid have had another month of good dancing. We have been saying good bye to a lot of our northern visitors, we are going to miss them and will be looking for them again in the fall. We want to invite you all to come dance with us with our caller Tom Bean, who gives us all a good time.

ORANGE BLOSSOM SQUARES At the end of the first month of dancing in our new home the Ponderosa Hall of Ft Lauderdale we entertained many visitors and had many happy hours of dancing. So you all come and see us. In groups of at least two squares we visited five clubs. The Calender of Events is shaping up nicely with trips planned throughout the state and a special club event each month. The event for March was a St Patricks Day Dance hosted by Don & Donna Swanson with refreshments by Edie & Louise Bell. The refreshments were Super! We are looking forward to our event for April, the club's 6th Anniversary Dinner & Dance celebration party. There will be aguest caller for the evening so our own caller, Gary Decker with his taw can enjoy the festivities and the fruits of their labor.

ALLEMANDERS of Satellite Beach celebrated our 20th Anniversary in April. Our remaining twenty year members are also our first presidents, Dur & Dot Cunningham. The club honored their many years of friendship and service by making them Lifetime members. We are looking forward to our annual visit from the Western Cutters of Jacksonville next month, and are planning our won Knothead trip for new Allemanders. Be sure to check our ad since our summer schedule starts next month and we won't be dancing every week. Scotts WAGON WHEELS St Cloud February 29th, a fish fry was held at Moss Park for the members of the club. About 40 people attended. With the addition of 19 new members, our club boasts a membership of 84. Eight square angel badges were given to club members in thanks for their support of the Beginners Class that just graduated. Patsy Manning ATTENTION - ROUND DANCERS - just received a note from Bob & Beth Foust, it has to do with their dance, Something Shes Got. If anyone is having trouble obtaining the record this is what she wrote. We have just received confirmation from Capital Records that it once again available. The problem has been that Buddy Alax is no longer with Capital Records however there has been enough demand from all parts of the country, they have re-released the record. Stan & Ruth Jaynes SANLAN SQUARES Lakeland - The Irish stood out in March with all the green showing up in the decorations and dress for St Patricks day. Our party table was decorated with St Patricks motifs and the goodies covered the table were delicious. Birthday and anniversaries for March were announced and appropriate music was played to those celebrating these occasions. The attendance is still great with around 12 to 14 squares each dance night. We know some of our northern friends will soon be leaving to return to their homes. We will miss them and wish for a safe journey home and will be looking forward to their return in the fall. Thanks to all who attended our dances. Our caller Chris Christopher, does a wonderful job calling squares, keeping us up on all movements sent in by the Callerlab and cueing the rounds. Everyone seems to enjoy the evening. Keep a watch out for information regarding the 4th Anniversary of the club which will be coming up soon. To those who are sick we wish a speedy recovery. "Mainstream" dancing is defined by, "CALLERLAB" as that Plateau whose dancers average one dance per week (or More) and who know & dance Basic 1 thru 75 plus 10. It is acknowledged that there are those less involved Plateaus, as well as those dancers who dance many times each week using more involved experimental material.

"Plus Pulse" reports from a state-wide survey. ALL CALLERS are requested to mail in your choice (1 thru 10) above Callerlab's (Mainstream 68) list. This month's "Plus Pulse" came from Jacksonville to Miami and from coast to coast across Fla. We believe this list is a very good realistic picture of "Plus Pulse" dancing throughout the Sunshine State.

NORTH OF THE BORDER NEWS Let me start by saying that it has been some time since entering news in the magazine, but we have been awful busy and I've been out of circulation with a major back operation, but we are doing fine and thanks for all the cards, letters and visits during my recuperation. The Belles & Beaux has changed nights of dancing but are still at the same place in Valdosta, Ga. We have been increasing slowly in our dancing in this area and things are looking rather good. We have established three new clubs in the area, the Spad-del Shufflers in Adel-Sparks, Ga., Grand Squares, Quitmen, Ga, and the Azalea City Squares in Valdosta, Ga. The Grand Squares had a graduation on the 12th of March with a wonderful group attending the dance and a lot of fun was had by all. The Spar-del Shufflers and the Valdosta Rec Dept. held a joint graduation on the 30th of March at the Mathis City Aud. We had a wonderful time and welcome all those visiting with us. The Valdosta Rec Dept. is sponsoring a club level workshop and an advance level workshop at the Mathis City Aud. We feel this will add to our level of dancing and give everyone a chance to brush up or learn more about our entertainment. We welcome anyone traveling in our area to stop by and visit us. It's always a pleasure to have you. We the staff of Jekyll Island Jamboree, would like to take this opportunity in, our Bicentennial year to wish all of you the best of health and happiness and good square dancing and that we can all grow as much in the future as we have in the past. We can double our size and the next 200 years can see square dancing take its rightful place in our society. We will be looking forward to having you at our 12 annual Jekyll Island Jamboree (check our ad) and we thank you for the support you have given in the past and look forward to your help in the future. Lets make this a great one. May God bless you and yours and happy square dancing to all of you. The Jekyll Island Jamboree Staff.

MIAMI BEACH OCEAN WAVES president Janet Richard and committee Chairman Dr. Art Shapiro announce plans are all set for the Dance of the Year-our 14th annual Extravaganza, featuring the masterful caller trio of Frank Bedell, Jack Lasry and Bill & Betty Beattie. All's included on one ticket-4 sessions, 10 hours of square dancing and round dancing fun and workshops, see our ad for dates etc. Don't miss this Bicentennial Year Biggie. For those dancers staying at the hotel, a special rate's been arranged; Its been a fine year for the club, attendance up, membership up, dance level up, thanks to our club caller Jack Lewis. Plans also now a-working for the 14th Anniversary party to be held in May, when new officers will be installed.

MERRY TWIRLERS of Wilton Manors have made recent visitations to Jerry Seeley's Gold Coast Swingers, Pot luck and Graduation. To Bocanners club in Boca Raton with Dolly Anderson setting off the fire alarm with her sure-fire cueing! Highlight of this month is our Luckey 13th club Anniversary party with Atmosphere Galore (like it was in the 1800) Our Party is complete with hayride, Bar-B-que and dance. Also our caller, Bill Rountree, is celebrating his 20th year calling. Our most recent graduation was March 20, with the graduation of many fine couples and children. We are now looking forward to our Bi-centennial braduation on May 22. Welcome to all and we hope you have as much fun in the club with us and we have had in the class with you. Incidentally writing form the March graduation is the new club reporter.
Alison Vincent
