CANAVERAL SQUARES Rockledge "Bump, bump, crunch, crunch" thats the sound you hear at our club as we all do the "Bump" when we weave the ring. Tweetie Pie Frye is in fine voice these days as he calls terrific and fun full dances for members and guests, his workshop tips are really the best as he has us doing, Turnover, Wind the Bobbin, Trac 2, Crossfire and a pretty little thing called Make 2 Stars Like Venus And Mars. Our pot luck dinner in May was really another delightful night with everyone adding a few more pounds, our club sure does have some good cooks. Some of us brought in old pictures (at least 20 years old) we had not changed that much, so guess that is what square dancing is doing for you, keeps you looking young, right! A Big 10-4 Good Buddy. Our club welcomes the newest members with a Big Yellow Rock and you don't have to erase it. They are John MacLay, Betty Hicks, the Reams and the Swetts. The Little Taw has dreamed up a Funny Hat Night and Pie Night together, first time thing. Everyone is suppose to make a hat and wear it. Caller, Bob Frye and taw took a square to Kissimmee and retrieved our banner. That was indeed a fun trip. We have not had any sexy couples that Rip & Snort first in a long time. So Marge, from the Swinging Elks will be giving a 10 min. workshop on Sex, once in Cocoa and once in Melbourne. Try to attend, should be very interesting. Have a nice fun time where ever you go..

KISS-A-ME SQUARES Kissimmee hosted the benefit dance in May for the Muscular Dystrophy fund which was a smashing success. Chrissy Hayes, the 4 year old 1977 Florida poster child, was guest of honor in her pretty red square dance dress. She said everyone looked like they were having so much fun, that when she got better she wanted to learn to square dance too. Thank you, all who came to help show this little girl that we do care. IT'S GREAT TO BE A SQUARE & ROUND DANCER Here we go again! Back from the State Convention, and on to the Nationals in the Great Ole Atlantic City, down by the boardwalk. What could be more exciting and romantic? It is like old home week, everyone looking up old friends of years past. I know that you all will report that this was the greatest and long to be remembered. While those who are dancing away from home we in Ft Myers will still be dancing every nite. Those who are interested in learning to square dance and round, classes are being planned now to start again in the early fall. Call me for more information (see my ad, Bizarre Bazaar). Bang, Bang, The Star Spangled Holiday promises to be much fun at Lehigh Acres, so who needs to travel out of the state! Art Springer, Jack Livingston, Tom Trainor and the Beatties, how's that for real calling! The Swingers at the Teen Club with caller Harold Sauls are still having a workshop before the dance. Why not come and join the fun and also learn. Lets all keep swinging!

CASTOFFS of Ft Walton Beach hosted the Grand Opening of the new Playground Area Sq. and Rd. Dance Council's New Building on April 30th. Guest caller was Mac McDaniels of Valdosta, Ga. who conducted an excellent workshop and a very entertaining evening dance. Rounds were cued by Kit Waldorf of Pensacola. The evening dance was opened by the Grand March, followed by an Invocation by the Rev. J. Couey and presentations by Ft Walton Beach Mayor Gene Smith and Okaloosa County School Superintendent Max Bruner. M.C. was Ernie "Hoss" Waldorf. On May 1st PASARDA hosted a local callers dance which was also a great success. The building is unique because it was erected entirely by the area square dancers from the foundation up. It is fully air conditioned with floating hardwood floor accommodating 25 to 30 squares and kitchen facilities. Ample parking is available including space for campers. The whole project took five months to complete. All square dancers visiting the Ft Walton Beach area are invited to come dance with the area clubs.

FRIENDLY SQUARES of High Point located 8 miles west of Brooksville will start their summer schedule work shop dances in June, July and August. We also have a Sing-A-Long dance one dance night a month. Our caller is Jim Taylor. Everyone is welcome.

TITUSVILLE SPACE ROUNDERS continue to enjoy dancing every week at the Sandrift Rec. Center. We graduated a class into the club and we keep learning new dances and movements. Our latest is the beautiful waltz, Mexacali Rose. We invite other dancers to join us for early rounds and workshops.

HIALEAH COUNTRY CORNERS Thirteen lucky squares had fun Saturday night at our 18 Wheeler Dance that was set up by our new Presidents, Art & Mary Jo Shelmandine. We really had a stomping good time dancing inside a new Tractor Trailer Rig. Our thanks go out to Tom Tworoger of Kenworth of South Florida and Utility Trailer Sales of Miami, both of whom made the 18 Wheeler Badge Dance a fulfilled reality. Our club is now working toward our 2nd Anniversary Dance. We are looking forward to another good time in June with our Grand Square Caller Bobby Andrews. The City of Hialeah has just refurbished our dance facilities. We have new paint, new airconditioning, and a new PA system that will make square dancing in Hialeah more fun than ever. Looking forward to seeing you .. L & H Ward

CIRCLE EIGHTERS of Vero Beach has bid farewell to its snowbirds and wished them a happy and safe summer. We will be waiting to welcome each and everyone of them back in the fall. We are holding our weekly dances throughout the summer and will be delighted to have you join us. Members are urged to attend the semi-annual meeting coming up in Sept. The Club was well represented at both State and National conventions where our banner was proudly carried in the grand marches. We'll have to distribute Rover Badges to our 82dabouts who are ever increasing in number. Sadie

SQUARE DANCE CENTER of the Palm Beaches We had quite a variety of callers this past month. Pete Sansom called May 6 and Vin Corona and his law were here the next nite. Vin also called the second Friday too and John Saunders drew a tremendous crowd that Sat. Art Springer called the 20 and Ed Vieira called the next nite, and they both averaged more than 12 squares. Of course, the 27 & 28 there will be no dance because of State Convention which all the clubs plan to attend. In the month of June we plan to have Chuck Leamon, Vin Corona and Pete Sansom and I must not forget Johnny Walter. Sunday Vin Corona and law Val, will be doing the rounds. Check our ad for the happenings all week long here at the Square Dance Center. Come dance with us, we would love to have you! Isy Wolfe HOLLYWOOD SQUARES of Miramar wished all who attended National Convention had a real good time and renewed old acquaintances. Sunday, May 22 at the Round Up a Benefit Dance was held in honor of the S.E. Assoc. Pres. Joe Mieszalski, who passed away recently. Proceeds to the widow to help defray hospital expences. State Convention was a lot of fun for all at Lakeland with dancing and whoppee. Dance at Sea with the Hollywood Squares in Aug. on the Emerald Seas. Edna McGinley

PALM BEACH SWINGERS Another month has rolled around and we are very busy at the club. We accepted quite a few new couples and some singles into the club the early part of the month. They have proved to be very enjoyable to dance with already and only several weeks have past! The club members have voted on a new club costume. The girls' dresses are of a white background and an orange flower with green leaves. It has a square neck with a pumpkin orange ruffle on it and has the same color cummerbund with an orange sash. The bottom has a single ruffle of pumpkin too. The men are wearing a white shirt with the same colored yoke as the dresses with a little braid to set it off. They wear white trousers and orange ties. Doesn't that sound yummy? We think so!! The New & Now Generation has the same color dress for the girls plus another costume of a blue and white pinafore or red & white according to the team they represent. They and all the club members plan to wear all this new finery to the State Convention!

GATOR PROMENADERS Lakeland Hope you all enjoyed the State Convention in Lakeland as much as we did. Begin now to make plans for the Fall Fun Fest also in Lakeland in October. It will be great! Our class graduated in April and we've welcomed 26 new members into the club. We'll be Knotheading in Naples in June and look forward to dancing with that nice club. Join us for great fun and a warm welcome.

TAMIAMI STEPPERS Bonita Springs On Sunday May 8th the club celebrated Mothers Day at a regular meeting of the club. Each lady was presented an orchid corsage made by Treva Pabuski. Ice cream and cake were served on a table beautifully decorated by Minnie and Otto Goeldner. A door prize was awarded to Jim & Myra Robinson. An evening of dancing was enjoyed under the direction of our instructors, Earl & Lee Kastner. Myrna Johnson
KEY KICKERS Key West What fabulous joyful events are occurring in the hall of the Kickers these days. Workshops have never been greater with club caller Henry Purcell at his best covering many patter and singing calls as possible during the workshop hours. Keep Busy being quite popular. To make the workshop more intriguing was an addition of the couple from Seattle, Wa., Don & Adelaide O'Brien. An interesting feature was the celebration of Helen Reylek's birthday. Flora Rueda made and served the best cake ever. A great evening May 13th dancing for the AARP at the Methodist Church in Big Pine Key, not only which the club thoroughly enjoyed but before the evening was over everyone was dancing. The club was treated with the greatest southern hospitality with the most delicious refreshments. To climax the nights events was the magnificent after party at Henry & Dottie's home. By the way the food disappeared someone must have been hungry. Fun dancing was exactly that when guest caller Bob Frye from Melbourne called a dance for us sharing the mike with Henry. Also we had Jim Runnels on the rounds who is super. A beautiful evening ended with Henry's original Grand Right Good Night around the hall with Yellow Rock.
 Edna Woodruff

FLUTTERWHEELS of Lake Placid are dancing every week. We have a guest caller on the fifth dance night of the month. Our regular caller is Tom Bean. April 29th we had the pleasure of dancing with Lefty Tidd to the enjoyment of one and all. Any group wishing to earn a Knothead badge are welcome. All we ask that we know at least 30 days in advance if possible, so that we can make other arrangements for a larger hall. Farewell to all our friends returning home for the summer months, you'll be missed. Until next month have fun

S.E. FLA S/R DANCE ASSOC. May Meeting was held on Mother's Day at Andre's Hall in South Miami. A drawing was held for two potted plants for the ladies who attended the meeting prior to the dance. The winners were Maria Taylor and Ruth Schoenfeld. Vivian Andre had the winning ticket for our 50/50 drawing. Everyone enjoyed the afternoon dance with Jay Fenimore and cuer Fred Hornung. Now that the state convention is behind us & we have recuperated, we are looking forward to our trip to Key West in July. Also many of us are hoping to see old friends and make new ones at Knothead in Tampa in Sept. Have you earned your WHO badge yet? See the 4 W's for details. Happy dancing. H & M Taylor

COVERED BRIDGE SQUARES of Coral Springs will be danceless two dates in July. However we hope to make up for all the fun we missed by having Jack Lewis, Johnny Walter and Vin Corona on the other dance nights. Many thanks to our June callers, Bob Barnes, Doc Gray and Johnny Walter. While we are on the subject of callers, when was the last time you sat down and thought about them and how much we owe them? None of us (especially those of us born with two left feet and two right hands) could have gotten into square dancing, if not for their patience and understanding. Isn't it great that they are just like finger prints, no two alike. How boring it would be if they all were the same. Think about this also. It's the caller who takes all the frowns from our faces caused by the world and puts in their place "smiles and happiness". That's quite an accomplishment, when you think about it. So . . . think about it! Before leaving your next dance, go up to your caller, look him straight in the eye and present him with a sincere "thank you". J & N Schaefer

WESTERNAIRES of Miami, like most everyone elsewhere on the way to state convention and really looking forward to it. Really looking forward to seeing friends we are able to get together with only once or twice a year. And something else to look forward to. We're sure to make new friends on this trip too. Quite a few of our members visited the graduation at the Hollywood Squares this month and had a Ball. Good luck all you new dancers. Our club had only one dance this month due to the convention. This one dance will long be remembered by all the club and friends as the Puglisi's had the great pleasure of announcing the engagement of their daughter Terry, to David Bordeleau, both members of our club. What great news! Congratulations you two! Hey folks don't forget to look at the coming events, Christmas is coming you know! We'll be talking to you next month, come see us.

CASTOFFS Boynton Beach George Hinkel called for us April 29th. It was great to see George back again at the Castoffs after such a long absence. On May 6th Norm Dumbaugh did a superb job of calling, especially on the first Friday of the month when we wear our club outfits. A square of Gamblers came along with Norm & Evie to retrieve their banner, and we really had an evening of fun. Thanks Norm for a terrific dance. May 13th Bob Frye and taw Margie gave us another fantastic evening. Bob was delighted to be back calling for the club and we were delighted to have him. He brought several dancers with him from some of the clubs he calls for. There were members from the Swinging Elks, several Sqs., and Ocean Waves. Some of them came to make Knothead, and we really initiated them. Come back again and we promise not to hurt you. Our new round dance leaders George and Mickey McCann did a beautiful job their first night of cueing. He cued a mixer that had everybody dancing and loving every minute of it. Vern Johnson called for us on May 20th and it was fun having him back again. He gave us a good workout with some of the calls we had forgotten. We look forward to his return in June. June 3rd we will have Harriet and Herb Gerry cueing our rounds for us. If you enjoy doing rounds along with square dancing, we have some great round dance leaders, so visit us and see for yourself. Check our schedule in the Bow & Swing. Come join us for our Badge night with Chuck Leamon.

PISTOLS & PETTICOATS of Pompano Beach is in the mist of recycling their energy after the 24th Annual State Convention. Some of us do-si-doed by caravan on up to Lakeland but a split circulate happened and when we again was driving the mainstream, a group of lovebugs engulfed our windshield and swallowed our cars. Nothing like a coffee break to soothe the nerves after that invasion. We sure have talented dancers in this State of Fla. Even danced with some foreigners from Ga., but that's o.k. as after all we are neighbors. It was an exciting weekend if only the weathered had cooperated a little more, but when things happen like dancing in a flood it makes the occasion a memorable one. Many badges were earned, but you never saw a more happy group of taws then those that earned the Dr. Lightfoot badge. The entire arena was perfect grace in motion with the superb calling the body as well as the mind feels the gladdening influence of the slip, slide, slip, slip. Oh what pleasure! It was a time to renew acquaintances of past conventions and to enjoy the pleasure of seeking out new exciting people. Thanks to all of the people who made the 24th possible. We of P & P thank you profusely, we enjoyed it!! We look forward to the 25th! A great big welcome to the Fields, who have recently joined P & P. Glad to have you with us. We will make this short as we are two very tired square dancers. The Beaumont CAPE CORAL SQUARES plan to continue having fun throughout the summer months. Rounds will begin at 7:00 followed by the grand march at 8:00. Fred Christopher will continue to explore many new steps with the group, who at present are "interlocking" diamonds. Coming up immediately is a gala event planned by Presidents Web & Kay Webster, a dinner dance which will be free to members. There will, of course, be the usual charge for dancing. Guests are cordially invited to join in the fun.

HITCH 'N' GO Chapter 082, NSDCA: Another great campout this month at Central Park in Haines City. We had 16 rigs but some extra Saturday visitors brought the total up to 5 squares. What was lacking in numbers was sure made up in enthusiasm. Such a nice group of happy dancers. Bill Kegley must have upset his record box for he sure came up with the oldies. Such singing calls as "Does Chewing Gum Lose Its Flavor On the Bed post Overnight", "Roly Poly", "Dem Bones" and many others. He pulled all the stops and we had one grand time. Our pot luck was grand. Just like Morrisons Cafeteria, there were so many dishes, and everyone had a delightful supper. The breakfast was well attended and about 150 pancakes, with bacon, eggs and sausage disappeared in a couple of hours. Good luck to George Michaels, who had major surgery at Gainesville. Hope to see you out dancing again very soon, George. Thanks to Lou & Sue Dougherty for the fine job as host and hostess. It was appreciated. We miss the Newtons and Kimbroughs, who are on vacation, and hope they return full of good stories and with plenty of zip left for the dancing and fun of camping and dancing. Hope to see many of you at our next campout at SanLan. Dale McClary will call for us. Have fun, keep dancing and camping and always come prepared for the pot luck dinners. Thats all for this time. Red & Freda Ekas
SWINGING ELKS Melbourne We have regular square dancing weekly 7:30-10:30 with caller Bob Frye. President Mr & Mrs Edward Farnschlager can be called for more information. Guests are welcome. Our group is a banner stealing! Recent visits to local clubs include Barefoot Bay Twirlers, Hollywood Squares and Allamanders of Satellite Beach. Beware of the Swinging Elks are on the Prowl!

PLANTATION SQUARES Orlando turned out 79 per cent strong for the State Convention in Lakeland. Each of us saw so many old friends and also made a lot of new ones. Although a little tired we all agreed it was a lot of fun and are looking forward to next year when we can help dancers from all areas to Celebrate In Seventy-Eight, in Orlando. Come join us at our dances for an evening of good dancing and good fun. Mary & Charles

WAGON WHEELS of St Cloud Heartily welcome new members the McQuagges, Kellys, Lundys, Blacks, and Paul Egleston and Lucy Hopkins. We are real glad to have you. We welcome clubs interested in bringing Knothead groups. We guarantee them a fun filled night. Talk of summer vacations already is filling the air. We have dancers heading for the mountains and the beaches. A group of dancers recently danced at Aldergate Nursing Home. They danced while pushing a resident of the home in a wheel chair. This was quite different while sq. dancing but most rewarding, not only to our dancers but it brought quite a few smiles from the rolling wheel chair patients. We look forward to our second annual amateur night scheduled during the month of July and headed up by none other than our Lou Henry, who did a magnificent job on our amateur night last year. We invite each and everyone to come and dance with Jim Trulock on rounds along with square dance callers John Saunders, Jim Coppinger and Bill Shell during July. Bill Ford will be on vacation in July. Please come and dance with us soor Happy Dancing.

SHUFFLIN SHOES of Ft Lauderdale had the pleasure of participating in the 50th Anniversary of the founding of Hallandale, Florida by joining with folk dancers representing many countries of the world at a gala celebration in the Diplomat Mall in Hallandale. The group put on a demonstration of both squares and rounds led by our caller Don Fackler. Now that Don's class has graduated they have joined with the club at the regular club dances. The workshop night has attracted new graduates from many clubs in the area all wanting to improve their dancing ability. Summer vacations have started so Don has terminated his Hallandale workshop until Fall but we still dance every week at the Womens Club. This is conveniently located in downtown Ft Lauderdale with plenty of parking in the area. Don starts early rounds at 7:30 and squaring begins at 8:00. Come see us when you are in the area and a special invitation to all those visiting in the area. The Kirks

SUNSHINE STATE CHAPTER 018, NSDCA met at Outdoor Resorts near Orlando with 47 units attending. We welcome new members Marge Berg, Leonard & Elna Platz, John & Pauline Hack and Don & Betty McDonald. John Williams was introduced as president for the new year. Our gratitude to Ragnar & Edith Peterson for preparing the beautiful new booklets. Jim Baker was kept busy with Relay the Duecy and Frank DuBois taught Sandy's Waltz. A new club dress is being planned by A. Seccar and committee. Adele Kolar

ROCKIN' RHYTHM CLOGGERS of Clearwater A fantastic time was had by us all at the State Convention. We enjoyed watching all the other beautiful clogging and felt we learned much even though we were not able to have the Clogging Clinic because of a power shut off. The room we were suppose to use was jammed with people both young and old all eager to learn more about this fun hobby. We really had a super month in May, starting out with an exhibition at the Seminole Mall with a Bluegrass band, then on to the Seminole Park where we did more exhibitions and even got our picture in the paper. Then we were asked to perform at the Honeywell Rec Hall for their Western Party also with a Bluegrass band and we sure had fun doing it and the people all seemed to enjoy watching us. Then we visited the Flamingo Squares graduation party for their class and gave an exhibition. We all love to dance and we are ready to perform whenever or wherever! We would love to have more join our group (see our ad for more information) no matter what your age, we know you will have fun too! We want to thank Perry Barnes for all his work to help keep our group together, he sure is super. Happy clogging! Vickie

SQUARE DANCERS FLOAT REPORT - Tournament of Roses Parade - In response to the many letters we have received the committee, on behalf of the Square Dancers of America, paid the entry fee for the 1978 Parade. The theme for the parade is The Road to Happiness and designs are already being drawn for the committees consideration. Though there is an unpaid balance of \$5,500 still owed the builder for the 1977 float, the committee feels confident that Square Dancers and Friends will get behind the drive to pay off the unpaid balance. Once that has been done the drive for the funds for the 1978 and future floats will, we hope, be a prime consideration of all square dancers and friends. If you are interested in helping in the Fund Raising Campaign write to: Square Dancers of America, P.O. Box 2, Altadena, Calif. 91001.

KRISS KROSS SQUARES Ft Myers May 12th was a fun "mixer" dance. On entering the hall each lady was given a tally. During the evening when she danced in a square with a different gentleman, he would sign her tally. Idea - which one could obtain the most names. Turned out, there were many ties, so finally twelve tallies were drawn and the lucky holders were presented the lovely plants that decorated the stage. We are dancing all summer at the Seven Lakes Aud. Bill Hopkins had a heart operation at the Community hospital, is home feeling fine and we'll be happy to see him soon back dancing. Chris & Ross Fortmyers (our manequins) attended the state convention with president Joe & Becky Klock. Many other couples from the club also were in attendance. Claribel Gray

SUNDOWNERS of Ft Lauderdale are enjoying the Florida State convention in Lakeland very much. This reporter decided to wait until she could write the news of the convention before mailing this article in so I am sitting in the motel pecking away. Being the first state convention for most of the Sundowners it has been an extra big thrill. Chuck Leamon our caller and Carole are extra busy since they are running their badge business in the convention center. All the Sundowners made it to the Saturday night exhibitions and were very impressed with the clogging and percison dancing done by the different groups. We were all very proud to have our new bright yellow checked outfits on for the grand parade of banners. Many thanks to the Bass'es for making our banner and having it ready for the convention. The frequent rain showers didn't dampen our spirits and even when the rain leaked through the roof over the dance floor everyone took it in stride. Our first dance in May was extra special since we were on refreshments and it was Bob's birthday. We were pleasantly surprised with several couples of Salty Dawgs from Miami visiting us. They are a lively group and with our own exhilarating members the dance was extra exciting. Their caller John Sherley and his taw Dawn were also there and John Called a tip for us. The Salty Dawgs had been dancing during the afternoon to raise money for installation of new air conditioning for their hall. Our club donated to their fund as we know how important it is to have adequate AC in a dance hall. We had a square of Sundowners at the last dance of the season at Paradise Squares. We wish them a happy summer and will be anxious to see them reopen in the fall. Skip & John Bruning's dancing was slightly impaired due to the fact that they had become grandparents for the first time two hours previous to club a few weeks ago. Grandson and mother are doing fine. A big welcome to our new members. Bob & Jacquie Manley

BAREFOOT BAY TWIRLERS of Barefoot Bay Country Club Community, Micco The change of our dance night has successfully increased the number of squares dancing at friendly Barefoot Bay, even though the majority of our members have gone North for the summer. Colin Walton, our club caller is conducting two workshop tips to help bring our new members and graduates up to the present club level. Very successfully I might add. Joe Dolci, our aggressive Banner Chairman and his vivacious wife Madeline, are doing an outstanding job on banner stealing. If your club is within sixty miles of us watch for us we will be out to dance and steal your traveling banner. Join us on one of our Sing Alongs in July with Colin Walton, our very own, and Dale McClary, for an afternoon of fun and friendly dancing. See our ad for all the details. Paula Higgins

SHOOTIN' STARS of St Pete A Merry month of May it was! We enjoyed going through the paces with our fine caller Bob Barnes and rounding off with Elmer Hicks. Sandy & Jack Wilson came over with a contingent of Left Allamanders and ripped off our banner. We were well represented at the state convention in Lakeland with well over four squares of Shootin Stars (percentage wise that's really somethin'). The after parties of the Beautiful Burchams and the fun-lovin' Vogters were really great. Everyone contributed to the entertainment but the featured performers were Chris Vear and our own Bob Barnes. Don't Shootin' Stars ever sleep? Our apologies to the man in 303. We closed off the month of merriment with a luscious covered dish supper. As our dear prez and first lady say, "Happiness is dancing with the Shootin' Stars!" See ya on our dance night. Anne Ellis

DIXIE TWIRLERS of Miami had their own mini-reunion, when two dozen of our Miami residents attended the Weekend Warriors' reunion campout. We found many of our former members from elsewhere in the state in attendance also. The smooth round dance style of the Colbach's and square dancing of the World's Greatest, John Kelley were immediately recognized. It was good to see everyone again. And what a dance was called for us! Walter, Bedell and Beattie were superb, vieing with each other in a one-up-man-ship battle for our enjoyment. Then came initiation for the new members, which had the whole floor tied up in knots. Bill & Betty Beattie made it look so easy; but it didn't work out that way when we tried it. There were Dixie Twirlers all over the place, doing everything but twirling. The Place (the school aud.), which substituted for the Sugarland Aud., was more than adequate. While we hope the Sugarland Aud. will be rebuilt soon, if it isn't ready for the next year's reunion we'll be quite happy to return to the school. The campground was good too. There we spent much time checking out everybody's new trailers, socializing and eating hot dogs that 'Chef' Roger Vandenberg bar-b-queed for us. Many of us left earlier than usual on Sunday to get back in time for the Rose's son's wedding. Now we are all getting packed for the state convention. Fortunately, if, in our rush, we forget our Pettipants or western ties, we can easily get more at the convention shops. See you all there.

SKYLINE SWINGING SQUARES of Jensen Beach have a new schedule for the summer months. The club level dance will be held at Pinelake Village during June, July & August. There will be a half an hour workshop on intermediate and advanced experimental calls. The beginners class which has now graduated, will join another evening group and also meet at Pinelake Village. They will work on mainstream and callerlab calls. The afternoon workshop has been discontinued for the summer but will start again in September. On April 30 the new graduates and the afternoon group held a joint luncheon and party at the school between sessions to end their successful season. Margaret Weeks

BUTTONS AND BOWS of Englewood celebrated its 16th birthday on April 23 with a large crowd at the regular dance. Bob Mitchell calls the pre-dance rounds and those between tips. Jim Baker called the squares in his usual lively style. Some of the charter members were present to hear the reading of the secretary minutes organizing the club. Chuck Bernardo, president in 1961 expressed satisfaction that the club has grown to provide enjoyment to the dancers in our area. All guests and members enjoyed our birthday cake and a festive evening. Vera Freeman

CAPE CORAL SQUARES Ft Myers have been "Turn(ing) Over" and "Scoot(ing) Back" from a variety of positions as well as enjoying many other old and new steps called ably by Fred Christopher. Everyone was delighted by the March 21 dance in honor of the Snowbirds. Flora Trapp has skillfully woven white ribbon into miniature snowbirds which she presented to each lady and which twirled and fluttered with the swirling of the dancers. It has been a fun winter, with visitors arriving from many parts of the continent. Recently two squares from Windsor, Canada, added color to the occasion with their red maple-leaf appliques on shimmering white costumes. Spirits have been high, not even dampened by air conditioning failures. Presidents Web & Kay Webster are very grateful to the dedicated group who persisted despite all temperatures. It is refreshing to learn that "cool" has now been restored. Edith Juhel

SQUARE EM UP SAMS held their May campout at the Indian Creek Park Campground on May 20-22. Friday night we had many games. Saturday as usual was a full day. After breakfast we had our business meeting, lunch, some recreation including swimming, a round and square dance workshop, a pot luck supper and our regular round and square dance. Our last activity of the day was our after party, during which Marvin Miller presented a very informative demonstration of how a persons hand writing reveals much of his character. Ken Logan gave us another of his recitations and Art Hacking led us in singing. After a delicious continental breakfast on Sunday morning we broke camp and returned home. Our wagon masters were Marvin & Charlotte Miller. We had 19 recreation vehicles and 37 members in attendance. Our guests were Oscar & Juanita Bial, and Lou & Alice Able. L. Corcoran ROADRUNNERS of West Palm Beach are happy to welcome three new couples, John & Mae Hilly, Jay & Boots Herrman and Manny & Stella Kolsin. Happy 40th Anniversary to Fred & Mildred Powell, truly one of the most beloved couples. On May 5th we hosted the square dance class from Golden Lakes, I am sure they had lots of fun, even though a little nervous being to their first club dance, but thanks to our wonderful caller, and their teacher, Ernie Bass and taw Helen, they have a way of making smooth and good fun dancing for all, and last but not least, thanks to all our club members for making everyone welcome. Looking forward to new faces and some not so new at the conven jan in Lakeland. Join us for good dancing, good fun, with good friends all summer long. Doris Jarrell

SKYLINE SWINGING SQUARES of Jensen Beach ended the month of May by having guest caller, Chris Veer. Cris is English, called in England and Germany before coming to this country and now makes his home in Texas. In spite of his mixed dialects, which he amused us with, there was no trouble in understanding him and he called an excellent dance. At the close of the dance refreshments were served. Cris is on tour for the summer and stopped off here to visit our regular caller, Dale McClary, where he met and called with him in Germany. From here he was going on to call at the state convention and Nationals. For June, July & August we have moved to a summer location (see Dale McClary's ad) The other dance nite will remain the same, it is a mainstream and callerlab dance based on the 75 basics. M. Week TAMPA GANDY DANCERS' 3rd Anniversary Dance was a swinging time with a full house. Each dancer received a living plant of friendship as a reminder to return. Congratulations to our new president Albert Williams and taw, Laura, and all the supporting officers installed: we know a great year is coming. Our special thanks to retiring presidents, Frank & Jean Wolf and to each of their fine officers for their untiring work and enthusiasm. Welcome to new members : Nancy Flesher, Ron Rlopelle, Joe & Theresa Zorn and Pete & Alice Bessen. Everyone is welcome to come and dance with us and drive away the blues. We have Mainstream Plus workshops.

 DIXIE SQUARES Daytona Beach During a candlelight ceremony, our new officers for 1977-78 were installed. They are Dolores & LaVerne Johns, president, Sam & Polly Hodgson, V.P. Bob & Emma Hull, Treasurer, Howard & Evelyn Booth, Secretary. On party night Chuck Durants graduating class was pinned with Dixie Square badges and welcomed to the club. They surprised us with unusual entertainment. All the men danced together, blind folded and with their feet tied in paper bags. Some real funny figures and movements resulted. All the ladies danced together with brooms as partners. If a broom fell, her original partner had to call until another broom fell. Both callers and dancers did amusingly well. The whole evening was fun, with fine food, fine dancing and fine new officers. Betty Fiedler

HARBOR CITY SQUARES Melbourne Each year brings a change of Administration to our square dance club. As of May 6th the new officers are: Red & Freda Ekas, Pres., Richard & Jean Newbern, V.P., Stuart & Virginia Hopkins, Sec., Rivers Chandler and Howard Pitts, Treas. Good luck and thanks. To the outgoing officers, our thanks for the many hours spent in planning the events you have given us this year. Our dances have all been great due to the fine caller line-up. More of these callers are scheduled for the coming year, so come on out and enjoy the fine dancing and fun. Our crowds have thinned a little since many of our winter friends have departed for the north, but we still have plenty of good dancers left to have fun. Come and dance and enjoy an evening of the good fun, good sound and square dancing and good fellowship.

AIR THE COMMENTS - Comments from one of our readers to callers - Due to a bad knee unable to dance since Sept. Now to get back I must workshop for new calls. Have complained that 20-25 min. too long, at ages 71-76 we are fed up with workshops anyway. Many other dancers are too. Soon the callers will be without dancers. We want to dance for fun not work. We want dancers choice with singing calls. Fun night, keep the W/s for advance clubs. I hope someone listens to this comment. I love to dance not w/s, Kay Ayres, Hollywood

SUN DANCERS of Titusville During the months of June, July & August we will be dancing only one a month (check our Listing). Beginning in September we will go back to our regular dancing schedule. We dance at the Sandrift Recreation Center. Although the club is primarily a retirees club, dancers of all ages are welcome for an afternoon of fun dancing with our caller "The Singing Barber" Ernie Anderson. Ernie has just returned from the Callers Convention with all kinds of "Caller Smarts". We'll see you there. The Dryes **STARLIGHT PROMENADER'S** DeBary There were many guests at the Kissin Kussins Dance, with two clubs coming to get their banners back. Not only a special party night with loads of gaddies, but it was Bob Rust's birthday and a big beautiful birthday cake. One dance was ladies choice, another gentlemen's choice. How do you like being so popular, Harry? Bill Beattie called some rounds, the outstanding one being "Won't You Come Home Bill Beattie". The special KK dance was just going good when the lights went out, came on, then went out again. It wasn't called the Kissin Kussins dance for nothing! Our sympathy goes to Gladys & Carl Wicksell who recently lost their son and daughter-in-law. With the hot summer days upon us we can look forward to the Promenaders Summer Festival the last of June. This will be a program dance and ladies choice night. You will be hearing more about the new officers for the club, the Installation Dinner and future plans. New officers will take over July 1st. And now dear readers we want to let you know how much we have enjoyed this chance to write to you and for you. We are ending a year of doing just that and with well wishes turn this job over to someone new. As we continue having fun square dancing lets remember S/D Commandment 1. "Thou shalt square dance for the fun thou shalt find in it." And consider adding "Thou shalt always be mindful of the needs of others". Much love to ya! Mark & Thelma Rhine

PROMENADERS of Cresthaven As with many other activities, there is a drop in square dancing attendance with the coming of summer. We still have a good variety of callers and they are bringing to us the latest calls. Touch the Top and Keep Busy are two of the recent new maneuvers we have been drilling on at the club. Round dancing is kept up to date by Harry Stockfeder and George McCann. And not to be outdone, Bob Schaefer has promised (or threatened) to get a new joke book. Please bear in mind that we are dancing all summer. Chuck Leamon will be here in July with a bag of new tricks. Remember if you are not going camping, swimming or vacationing, we will be here doing business as usual. We wish those who are going on extended trips to have a good time and to come back ready, willing and able to pick up where they left off. Our callers for the month of July will be Chuck Leamon, Frank Bedell, Ralph Otis and John Sherley. If the Expos had that kind of team, they would be on top also.

FLAMINGO SQUARES Ox: Bow, St Pete Its been an eventful month for us. Earle Steele graduated our first class May 23rd, and what a good time we all had! Our congratulations go to our new square dancers and a hearty welcome into our club. A large group from the club attended the State Convention and took with them our official mascot, a large pink feathered bird marionette. Wish I could have been there to see him march with the club in the grand parade. In addition to graduation and the State Convention, we had some great dances at the Ox-Bow. We've enjoyed having all our guests, including a couple of sqs. of Left Allamanders up to visit. The Rockin' Rhythm Cloggers came to visit and gave us a rousing exhibition. Hope to see all of you back again soon. Maureen Anderson

'SPINNING WHEELS of Tampa had a grand time hosting the graduation party for Art's class. With Martha leading us, we put them through some funny stunts which were really fun to watch, especially the men wearing petti-pants and petticoats while dancing the ladies part. Club members brought delicious finger foods as usual. Our 7th Anniversary dance was a huge success. The decorating committee did a fine job with all the appropriate adornments. Thanks to O'Neal Cabeza for painting the huge anniversary banner even though he was so busy painting posters for the State Convention. We are so lucky to have such a talented member. Our sympathy to Evelyn Capps on the loss of her mother. We certainly enjoyed having Dick & Betty Barker with us recently, they are typically "friendly Southerners". Art Springer will be back to call for us this month and the Lovelaces will be filling in for the Martins. We will also have Dale McClary this month, so come join us, we welcome one and all.

MAINSTREAM PLUS EXPERIMENTAL . . . WALK OUT TO A WAVE . . . Lee Kopman
 Walk Out To A Wave came out last summer and because of a difficult "teach" it fell into the challenge level. I have found an easy way of presenting the action and I'm sure you will find it an easy Mainstream Workshop Call. The figure takes a normal column and ends in two parallel ocean waves. Set up your columns from a 1P-2P line with a Touch 1/4. Divide the column into two modules, two sets of two one as the leader the other as the follower. The dancers should recognize if they are the leader or the follower. Action is to all eight circulate double. Then the leader in each module, the girls, right about face to join hands with the trailing boy dancer who veers slightly to the left to become the ends of the wave as the girls become the centers. About the second or third walk will allow the dancers to move from the double circulate into the ocean wave. Easily learned and it times well with really no complications. The reason for the double circulate is for the motion to flow into the creation of the wave.

1P-2P Touch 1/4 - walk out to a wave
 Girls trade - swing thru
 Turn thru - left alle.

EXAMPLES

1P-2P Touch 1/4 - walk out to a wave
 Girls trade - recycle
 Pass thru - left alle.

1P-2P Curlique - walk out to a wave
 Scoot back - boys run
 Bend the line - crosstrail thru - left alle.

EXAMPLES WITH THE BOYS AS THE LEADERS IN EACH MODULE

1P-2P Right & left thru - rollaway 1/2 sashay 1P-2P Pass thru U turn back - touch 1/4
 Touch 1/4 - walk out to a wave Walk out to a wave - boys trade
 Boys run - bend the line - left alle. zero Boys run - wheel & deal
 1P-2P Pass thru - tag the line - face in
 Touch 1/4 - walk out to a wave
 Scoot back - fan the top
 Recycle - crosstrail thru - left alle.

If you experiment from standard position only you can easily change the walk thru to say 8 circulate double - girls right about face to an ocean wave. Or with boys as leaders 8 circulate boys right about face to a wave. Try this one I feel you will find it one of the better experimentals for our Mainstream workshop.

DANCING MAINSTREAM - ALL POSITIONS

Heads pass thru - around one to a line 1P-2P Centers square thru four-ends star thru
 Pass thru - wheel & deal Do sa doe to a wave - recycle
 Girls swing thru - girls recycle Star thru - couples circulate - girls trade
 Double pass thru - centers in cast off 3/4 Bend the line - grand right & left
 Pass thru - tag the line right - ferris wheel
 Zoom - square thru 3/4 - left alle.

Box 1-4 to Box 1-4 Swing thru - boys run
 Couple circulate - boys run - fan the top
 Boys run - 1/2 tag - walk & dodge
 Trade by - left alle.

HILLBILLIES of Zephyrhills workshops are discontinued for the summer months, but the regular dances are still being held with Bob Barnes calling the squares and cueing the rounds. The club has been real active in gathering banners from Brandon Squares, Dade City Hoppers, Strawberry Strollers and the Buttons & Bows. The Gene Kings were surprised on their 50th Wedding Anniversary during our regular dance. The Patients at the Zephyr Haven Home were delighted with the club dancing for them May 19th. Many of the club went to the state convention and had a good time. Ann French

Choreographic material often begins or ends from the familiar 1P2P (heads lead right, circle to a line) or Box 1--4 (heads square thru) formations. It is useful to know ways of moving dancers from one of these formations to the other in order to extend your figure without an allemande left when the dancers are moving well. OCEAN WAVES of Merritt Island have had a really super spring. Besides the wonderful campouts, we have had week after week of dancing that can't be beaten anywhere. We have had some guests that have livened up our spirits and have become good dancing friends. We are sorry to see so many leave for the summer. We will be looking for you all next fall. Have a happy summer of dancing up in the cool country. Who knows? We might see some of you up north this summer. On May 5 we began a tradition for the members of the club to follow in years to come. We had a fun and food filled evening at our Neptune Festival. King Neptune himself and two of his friends initiated the entire club membership and our guests for the evening into his court. If you notice some of us sporting a tiny gold sea horse on our badges, you will know that we belong to Neptune Court. Next year you can become a member. Watch for an announcement next spring. The food was provided by all the ladies with appropriate name being "imagineered" by the husbands. The judge of the most appropriately named items of food was a commander of a locally stationed vessel (probably of Davy Jones' navy) and his wife who were faced with a task that was surely greater than any faced in his long career of decision making. After a long deliberation (and maybe a taste or two) they decided the Choctopus (a chocolate octopus shaped cake), the Clam wiches (extra large macaroni shell filled with tuna salad) and Sea Treasures (very large and very real shells with tiny finger tid-bits inside) were certainly foods worthy of being included on King Neptune's private table. Prizes were awarded to Lucy Weber, Marjorie Marquis and Jo Ward for their imaginative dishes. There were so many that deserved mentioning but as usual time and space will not permit. Thanks to all who helped with the preparations for an evening we shall all long remember! The Thompsons

GOLD COAST SWINGERS of Deerfield Beach After our serious but fun filled lessons conducted by our own Jerry Seeley the beginner class had their graduation exercises on Thurs. night May 5th in Pioneer Park. We are very proud of this class as they will be good club members. The graduates are the Behrmans, Blacks, Bohos, Hopkins, Johnstons, Reiss, Tompkins, Wimmers and Woodburns. The members of the class presented Jerry with a gift to show their appreciation. Bob & Mary Greene the Head Angels who helped during the lessons were also presented with a gift from the class members. To add to the fun of the evening, Bob & Mary put on a little skit which was hilarious. John & Ann Chase were appointed Head Angels for next year. This date was the 7th anniversary of the Founding of the Gold Coast Swingers and a framed scroll with signatures of club members was presented to Jerry by Carl Arenander. Also a beautiful decorated anniversary cake was donated by Bill & Dorothy Murtha, proprietors of Belles & Beaux. The Arenanders

THE ABC'S OF ROUND DANCE PROPRIETY AND ETIQUETTE

- APPLAUD** at the completion of each dance, this signifies that you enjoyed the dance and creates a happier atmosphere.
- BOORISH** to an extreme; is he who sits out a teach merely because he has already been exposed. It is extremely rude and disconcerting to the Teacher, and disturbing to the dancers as well.
- CLIQUES** are out of place. In a social activity such as Round Dancing, every effort should be made to widen one's circle of friends and acquaintances.
- DON'T** neglect Square Dancing just because you have started Round Dancing. Square Dancing affords the fun and sociability of a spontaneous group effort; Round Dancing the satisfaction of a practiced team effort; Together they provide just about the finest recreational activity imaginable. The worst enemies of Round Dancing are Round Dancers who desert Square Dancing.
- ENTER** the circle as it is being formed. It is quite disruptive to crowd in once the dance has started and someone is forced to make allowances for your neglect.
- FORGET** the cares and worries of the day, this is the purpose of recreation. Your friendly smile or pleasant expression go a long way in helping others achieve the lifting experience our wonderful hobby affords.
- GIVE** of yourself in the many ways you can. A friendly smile, an encouraging word, a helping hand, a gracious attitude.
- HELP** discourage parasites who prey on our activity for ego satisfaction contributing nothing but division and dissention in their selfish quest to gain a feeling of importance. Avoid selfish interest groups.
- IF** the urge to compete is so strong in your nature, why not try an activity where points are scored.
- JUST** having the exposure to a great number of dances is not the significant factor of your ability as a dancer. How well you look, how well you execute dance fundamentals are far more worthwhile goals of achievement. Quality over quantity always.
- KIBITZERS** in dancing, are as obnoxious as we find them to be in other areas.
- LOYALTY** to your Teacher, Club and Friends earmark you as a person of character and win for you the respect of others.
- MEASURE** the long range effect of current trends, fads, and departure from tradition before plunging headlong into agreement with the vocal few who are constantly seeking to satisfy their restive natures.
- NEVER** risk offending others by any word, act or condition. You will be happier and more popular for it. If you do tape, use discretion and avoid distracting and disruptive conduct. Remember others present were assessed the same fee as were you.
- "ONLY** he who has the patience to do simple things perfectly ever develops the skill to do difficult things with ease". With perfection as our goal we have an endless job within ourselves.
- PUNCTUALITY** is no doubt one of the most admired of virtues. How pleasing it is to the Teacher or program chairman to start proceedings with a sizable group of enthusiastic dancers. How it sets the stage for a more successful affair. Likewise, leaving early is to be avoided if at all possible. It leaves a feeling of doubt as to whether or not one's efforts were appreciated.
- QUESTION** during the course of a teach if there are points not completely clear to you; others will benefit as a result and the teacher is better assured of a successful presentation.
- REST** if you must. No one is expected to dance them all. Do remove yourself from the proximity of the person cuing, overheard snatches of conversation can be quite distracting to him.
- SPACING** of the circle is one of the prime responsibilities assumed upon entering the circle. Should you find yourself gaining upon the couple ahead, move toward the outside of the circle. Should you find distance growing ahead, move toward the inside. Spacing should be provided at the outset of the dance, then carefully maintained throughout.

THANK the teacher before leaving, for the pleasure he has afforded you. Thank club officers and members if visiting. Thank your partner if you have exchanged a dance, and by all means escort her to her own partner and thank him also.

UNIFORMITY is an objective in group dancing such as Round Dancing happens to be. The beauty of Round Dancing lies in the symmetry achieved as each couple executes the same figure at the same time. Every effort should be made to avoid attention getting actions that would detract from the overall uniformity of the circle.

VERY few clubs would be in existence today if all dancers were to assume their obligation to be fulfilled merely by paying the fee each time they chose to attend a dance. It is only fair to say every dancer should feel conscience bound to loyally support at least one club.

WEAR clothing that is appropriate to the activity. Simply stated, avoid wearing attire conspicuously different from other dancers.

"EXPECT" no more than a pleasant few hours of dancing when starting out. Why be searching for slights to the ego or things to criticize.

YOU'LL get out of dancing just about what you put in. Give it the respect and attention it deserves and your harvest will be bountiful. Approach it as merely "something to do", and you are almost certain to find disappointment.

ZEST and enthusiasm are contagious. Were you to contribute no more, your contribution is nothing less than generous.

IT'S NICE TO BE IMPORTANT, BUT MORE IMPORTANT TO BE NICE

SWEET ART SQUARES of Yulee We dance every week at the Yulee Jr, High School. Art Wilson is our caller. We just had our First Annual Spring Festival and it was a huge success thanks to all of our workers, the callers, the crowds that helped us have a fantastic week end of dancing. Come by and dance with us when you are up our way. Looking forward to seeing you. Happy Dancing
Martha McKain

HAPPY FEET SQUARES of West Palm Beach held their pot luck dinner on Wednesday, May 25th. It was a farewell dinner for Ed & Ann Curran, club caller, before their annual trip to Rhode Island for the summer. Among the guests were nine wonderful people from the Emory section of Cresthaven who so graciously helped us with the successful benefit dance last month for the "Saves" Ambulance Service. We regret to say that Lee Bernstein and Gus Felsenstein are both on the sick list. We wish them a quick recovery. Our dancing will continue under the capable direction of Tom & Inez O'Brien through the entire summer.

MERI-TWIRLERS Cocoa Well the month of May is over and what a nice time we have been having. The Singin Barber, Ernie Anderson is really in fine voice and has been calling some terrific dances in our new dance place and also workshop tips. Our caller got us doing Turnover, Crossfire, Wind the Bobbin and our favorite Trac 2. The little taw has not been feeling well but hope by the end of June she will be much better. A big thanks to our many guests that we have had in May. Hope you all continue to come back and dance with us. A large group of members went to the state convention and really had a delightful time, camping out, after parties, the whole bit, ask Frank & Nancy and the Wolves. Rumors are flying that some of us will be making our Jailbird badges soon, so beware members our caller has a list of those who have woke him up after midnight so they could make their Idiot badge and now it is his turn to get his revenge. Looks like a new badge for us dancers, would you believe a Callers Revenge Badge? The Singin Barber says we have to dance anywhere he says. So it could be in jail, oh well. That's all for now, see you all at the Knothead convention.

TITUSVILLE TWIRL-A-WAYS graduated and initiated a large class into the club. As is our custom, we escorted them on a Knothead trip, chaired by Brooks & Lanina Humphrys. This time two bus loads journeyed to Jacksonville, where they were royally entertained by the Dixie Chain Gang. This month we will have two guest callers while Chuck Durant is on vacation.

P. T. & Ilea Luce

DAVIE DUDES 'N' DOLLS We all enjoyed the state convention in Lakeland and a very good attendance from our club. Now the excitement of the National Convention in Atlantic City, N.J. keeps us busy and happy. Also the second anniversary of our club was June 8. We are growing and had 8 new couples join this week and more applications to be voted on next exciting meeting. We are progressing under the capable guidance of our caller Bob Bland. His patience and good disposition makes for a very happy group. Wish all of you would come and dance with us.

Della & Bill Carpender

MERRY TWIRLERS of Wilton Manors program for the summer is going great with many of the new dancers visiting with us and upgrading themselves in the Mainstream dancing. Our Sebring weekend is going to be a Ball and will be all over by the time you read this, as will our Class Graduation held on June 4th with nine couples joining our club. We want to thank publicly Bill & Dorothy Murpha for the beautiful graduation cake that they brought down, this couple does so much for so many. A Happy Fourth of July to all, A Bang Up one! Keep smiling, a smile is a gentle curve that straightens out a lot of things.

PLAYGROUND AREA S/R DANCE COUNCIL Ft Walton Beach GRAND OPENING of the PASARDA Hall was a happy and joyful time for all. It was started with a square dance workshop Saturday afternoon followed by a Bar-B-Que. Then the Grand March started the evening festivities with honored guests who were presented by the Council President Pat Joyner. They were: Mayor of Ft Walton Beach, Gene Smith; Okaloosa County Superintendent of Schools, Max Bruner, Jr.; Deputy Superintendent, Pledger Sullivan; and Reverend John Couey, who lead the invocation. Mrs. Max Bruner, Jr. and Mrs. Pledger Sullivan were also special guests. Master of Ceremonies for his fun evening was "Hoss" Waldorf, who introduced caller for the evening Mac McDaniels from Valdosta, Ga. and Kit Waldorf from Pensacola calling the rounds. Spectators watched while twenty-five sqs. twirled and whirled. In dedication to Doris Vaccari the first square dance tip and rd. dance was played for her. The Cast Off's square dance club hosted this very, very special dance. Beautiful hanging wicker baskets filled with spring flowers made a colorful display along with balloons and streamers that gave our new square dance hall an air of light-hearted and happy dancing. After the dance long tables bedecked with a wide assortment of finger snacks and punch ended the evening in fine style. Sunday afternoon a square dance sponsored by the Playground Area Square and Round Dance Council featured the Northwest Fla. Callers and, setting in motion the afternoon activities was our local caller Foley Wood, who sparked the lively spirit of square dancing, followed by Archie Garlock, Pensacola; Johnny Sicuranza, Ft Walton Beach; Bill Crossen, Pensacola; Lamar Fillingham, Pensacola; Buddy Andrews, Pensacola; with Les Reider and Chuck Sample from Milton, Fla. calling the rounds. President Pat Joyner thanked the Callers and all the square dancers who helped make this grand opening a great achievement for modern square dancing in this area.

TAVARES SQUARES We're starting a new season. with newly elected officers, and a brand new schedule of callers. Our super-special club caller, Danny Robinson is schedule to call two nights a month with guest callers filling in the rest of the month. We work shop from 7:30-8:00 p. with regular dancing starting at 8 pm. A special feature of our weekly dances will be a drawing for a free dance pass, good for 8 weeks after the drawing date. Our new co-presidents, Bill & Elsie Elmore announce that there'll be special holiday dances featured throughout the year. and invite "Y'all to come on out' to Eustis Civic Center and enjoy a good time with us!"
