GOLD COAST SWINGERS of Deerfield Beach We are very proud of our caller, Jerry Seeley who attended the Callerlab Conference in Kansas City Callerlab is responsible for the Standardization of the basics and advanced calls etc. Upon Jerry's return to Deerfield the club members were impressed with the enthusiasm and stimulation conveyed by him. It was very evident that the conference was a big success and well worthwhile. The beginner class was the only class Jerry missed that week but that was beautifully conducted by Bob Greene and his wife Mary (our Head Angels) They had helped with some singing calls and tapes Jerry had prepared before he went to Kansas City. Sunday afternoon April 17 a couple squares danced for the patients in the Fountain Nursing Home in Boca Raton. During a short intermission Amanda & Joe Shepard distributed gifts to each patient. The gifts were purchased with money donated by club members in lieu of a Christmas Party. Later on that same afternoon the same group put on a square dance demonstration at Boca Raton Chamber of Commerce Annual Bar-B-Que.

The Arenanders
STARLIGHT PROMENADERS Debarry The Summer Surprise Special Dance in April was abig success. Picture all the men sitting on one side of the hall, with one shoe off. All the taws on the other side, with the men's shoes piled in the center. Wait a scramble as the gals picked a shoe and then tried to find the owner to claim as their partner for the next dance. All this on a full stomach after eating all those goodies. Anne & Jim Harney, Lee & Marion Hambleton and Charlie & Joan Brown are the nominating committee to pick the new officers for the coming year. Our sympathy goes to Dorothy Schauer who lost her daughter recently. We are glad Jim Whitford is recovering at home after his surgery. It is good to have Ramona Simmons back to visit us even if she was on crutches. Hope she improves soon. Come join us for our party night in May. It will be a special KK (Kisson' Kuzzin) dance with Nostalgic songs and lots of Kissing'. Anyone can earn their KK badge, all you have to do is hold your pucker. By the way there is an old law that says, "In Alabama a husband is accountable for his wife's misbehavior and he has the legal right to chastise her with a stick no bigger than the thumb". Well we did say this is an old law and it is in Alabama, It is also illegal to dance cheek to cheek in Compton, California. Lets all have a honor the Ladies Night!

FLAMINGO SQUARES Ox-Bow, Pinellas Park had a scrumptious pot luck supper in March at the home of Pres. Murl & Sally Herbert. We all left heavier but happier! The April Fool Lunatic Dance was certainly loony. Highlight of the evening was the Easter Egg Hunt. In one egg was a super prize won by Dottie & Jack Foulks, a weekend trip to Clearwater Bch with the finest accomodations the City Park has to offer. A superbly decorated sheet cake turned out to be a cardboard box, which fooled us all. Friends, that is just the beginning! Speaking of good times, we've all enjoyed the monthly Fun Badge Night. I enjoyed dancing in the dark with flashlights for the Gloworm Badge. But I was glad the lights were on when we earned the Shirt Stealer Badge. I wouldn't have wanted to miss the expression on caller Earle Steele's face! Join us for more good times at the Country Hoedown in June and also another Fun Badge Night.

HITCH 'N' GO, Chapter 082, NSDCA Another group of camper/dancers spent a jousous week end at Kampers Kove for our April Camporee. There were 25 rigs registered for the Sat. W/s and dance. What beautiful people these dancers are, too. Everyone is so willing to help share the workload that is ever present at these affairs. Once again the Sat. Eve Smorgasbord was a fest. Such delicious food prepared by the ladies of the Chapter. Also, a great big thanks to the strong armed men for the furniture moving and delectable breakfast, and to our Host & Hostess. Howard & Jan Bircher, who done a fine job of making dancers welcome and for helping with all the chores. Pat Russell is showing us how to make Palmetto Decorations and it is keeping many hands busy weaving. The hot pads made out of '6 pak' plastic rings are another great project, thanks to Ruth Crowley. Save your plastic rings, men, and bring them to the next camporee. Ed & Jackie Newton will be away for a few months, due to out-of-state calling dates. We will miss the "Rebel Yell". (How did a gal from Maine acquire such a load "Rebel" yell?). Wayne & Lois Kimbrough will be off will be leaving on a trip thru the northern U.S. & Canada. We will miss you all and will be anxiously awaiting your safe return in Sept. John & Sarah Bowen have two new additions to the family. A cute little puppy and a nice new Pla-Mor 15' trailer. May you have many happy hours with both. Hope to see evryone at Haines City Central Park in May. Thanks, 082 members. You are a great bunch of people and we love you all. Red & Freda Ekas

BAREFOOT BAY TWIRLERS of Barefoot Bay Country Club Community, Micco April 18 was a red letter day for the club. A class of 38 students graduated and were initiated into the club. A lovely candlelight ceremony, and the reading of the Square Dance Creed, by caller Colin Walton made it an impressive event for the graduates. A beautiful decorated cake, sandwiches and coffee were served to the new club members, the many guests and the 'Ole Timers'. Anne & Bill Essig did an outstanding job arranging the ceremony and refreshments, assisted by Lydia & Lester Hawk, Phyllis & Frank Hoher and Dottie Mayer. Monday April 18 also initiated the change of club dance nights. We welcome all club level square dancers to join us each week for an evening of square dance calling by our own Little Lymie Colin Walton and Phyllis Plimpton "Q"ing the rounds. Paula Higgins

NATIONAL ROUND DANCE BOARD OF REVIEW (continued from last month) To help provide a type of guidance program, twenty-five highly qualified and experienced couples have pledged to work together to offer assistance to the round dance movement as a whole. This group have been named "National Round Dance Board Of Review". The goal of the board is to study all avenues of the round dance activity and set standards to help all phases of round dancing, such as: (1) Establish what constitutes the easy or 1st, 2nd, 3rd, & 4th levels of round dancing and help set up standards for teaching for each (2) Provide a reference manual which may be used by all teachers and dancers. (3) Establish standards for cueing basics. (4) Set up teacher classification guidelines to help teachers understand the knowledge and training necessary for the various levels of dance teaching. (5) Assist choreographers to improve their cue sheets (6) Dance publications will cover information pertaining to the items evaluated by the Board. Many couples who are qualified are not included in the present Board, as it is impossible to include all leaders in the first Board, and it is intended that others will be added as membership is rotated. Included in this Board are two couples from Florida; Frank & Iris Gilbert, Largo and Jim & Norma Trulock Winter Park.

IN MEMORY OF JOE MIESZALSKI

President of Southeast Square & Round Dance Association.

Joe passed away Tuesday, April 12th, after four months stay in the hospital due to Cancer. Joe was also a delegate to the Florida Federation of Square Dancers, a member of the Palm Swingers Club, and a member of the Southeast Stars Exhibition Group.

Joe and Ann graduated from Frank Bedell's square dance class in Dec. 1970 and there was no holding them back after that. They danced all over Broward and Palm Beach Counties, visiting other clubs and soon became well known by many dancers in those areas. Because of this they were asked to be delegates to Southeast Assn. & Joe good-naturedly took a lot of kidding when he was introduced as Joe "Smith" because people couldn't pronounce his name. In the beginning Joe (normally a very quiet man) didn't have too much to say & would sit quietly and listen when others discussed the politics of square dancing. Then he went to the National Convention at Salt Lake City and attended meetings, forums and workshops and really became enthused about pushing square dancing more and working for it to try to give others some of the enjoyment he got out of it. All of a sudden he became of age, politically, and declared that he wasn't going to just sit back and say nothing anymore, that he was going to speak up also when he had an idea or felt things were not being done the right way. Joe and Ann worked hard, going from delegate on up the ladder from Secretary, Treasurer, Vice President and to President. By this time Joe had been fighting a battle with Cancer for a couple of years or more, but was determined to do all he could for S/Ding right up to the last. During his stay in the hospital he would tell all who would listen about the wonders of square dancing and try to recruit the nurses into getting involved in it.

At times he was in a great deal of pain you could ask Joe how he felt and he would just give that big grin of his and say "fine". One such time was at the Knothead Konvention last year when the Southeast Stars were lining up backstage for their performance. Joe looked like he was in a lot of pain and someone suggested that he sit down till it was time to start. His answer was that if he got down he would never get up because of his hip and leg were bothering him so. He was proud to be part of the group and he went out and performed beautifully, smiling all the time. As recently as three weeks before his death, Joe expressed the wish to at least get strong enough to perform in the Stars again, even if he couldn't square dance as much as he used to. He also requested that Ann finish out his term of President if he was unable to and he felt she would be capable of doing it for him.

Joe was a worker when it came to putting the 4 W's together. He was always one of the first there and the last to leave, usually taking stacks of papers to deliver up the road to other Clubs.

Joe was so thankful for square dancing and all the friends and enjoyment it had brought him and the chance to travel and see other parts of the country that he would not have seen otherwise.

Joe in a lot of ways was a simple and uncomplicated man and one of his recent requests of Ann was that his funeral services be simple with a square dancer friend saying a prayer. His services were simple, but eloquent, with the eulogy being delivered in part by his oldest son, Joey; a square dancers friend, Len Levitt, and caller friend, Tom Trainor, ending with a prayer.

We will all miss Joe's quiet smile and hard work in behalf of square dancing and our sympathy goes out to Ann and her family.

MIAMI BEACH OCEAN WAVES report a fine year going, club caller Jack Lewis doing a splendid job, with attendance and visitor count up well for the season. Jack's expertise has spelled some swell dance evenings, with fine Mainstream, extended and experiential programming. Pres. Dave Lipman is herewith announcing a change of date for the club's 15 annual Extravaganza; it will avoid date conflict with the annual Knothead Konvention. The date will be in November (watch for our ad) at the Konover Hotel, Miami Beach, with the same great staff, the Beatties, Frank Bedell and Jack Lasry. Our 15th annual Installation Banquet will be held in June with program committee chaired by Irene Lewis.

HAPPY TWIRLERS ROUND DANCE CLUB, Miramar Oh, have we had a great time lately! When Fred & Louise Hornung were doing the rounds at the Fijian Campground, several of us from the club and from Fred's two classes joined them on a bus trip to the Campgrounds. After the square and round dance workshop in the afternoon, we sat down to a delicious steak dinner. Caller Dale Eddy put us through the paces at the evening dance and Fred cued the early rounds and rounds between tips. Then came the hilarious Fijian Rose initiation, a weiner roast and the bus trip back to Ft Lauderdale. Our thanks to the folks at the Fijian for a wonderful, wonderful time. Next came the graduations. When Fred & Louise graduate a class, they do not charge anyone and they really go all out to let the dancers know that they, the dancers, are VIP's. Two graduations in one week meant a lot of work for the Hornungs yet it was obvious that it was a labor of love. Fred handled the scheduling and the programming of the city of Wilton Manors 30th Birthday celebration. He gave demonstration teaches, cued rounds for the experienced dancers amongst us and most of all, he showed those present just what round dancing really is. Good music, good companionship and lots of FUN.

ROCKIN' RHYTHM CLOGGERS of Clearwater are getting back into the swing of things. We have been busy clogging and practicing. Our routines show that we are all getting use to it. We all enjoyed Shootin Stars Anniversary dance and their beautiful club outfits! Congratulations to them. We hope they enjoyed us half as much. One of our original members Blanche Roberts has left us because of health reasons. We hope she will return to us soon. All our prayers are with her. We welcome two new members this month. Marie Pierson and son Richard. They are both becoming great cloggers. We are always looking for new cloggers, if anyone is interested, please let us know. We have designed this clogging group for just fun and we want to share it with everyone! Thanks to everyone for giving us their support. See you dancing!

OCEAN WAVES of Merritt Island have again been on the camping trail. In excess of twenty families signed up for another weekend which was held at Camptown recently, for camping & dancing. If, in the future, you are aware of a camping trip being planned by our club and you wish to attend feel free to contact our caller, the Marquis of Swing, Bill Marquis. We are always ready to put out the welcome mat to other dancers, not only at our regular dance night, but at any club sponsored activity. In early May our first annual Neptune Frolic was held and lots of fun for all. More about it next month. We have had and will continue for several more weeks with an excellent, work-shop that has been well attended and thoroughly enjoyed by club members and visitors alike. We have had the opportunity to try some of the more complex movements and decide how danceable we feel they really are. Some of the names are enough to scare off even the diehards, however. It has been fun and does fulfill that ever present urge to learn more than we have time for in the workshop tip at the club dance. Bill will be calling in Naples in June for all you west coast dancers. A number of our members will be at the state convention this month. Our big concern at this point is how we can cover all the various dance groups. The program sounds fantastic, but will we have the stamina to handle it all? Happy dancing to all.

THE SQUARE DANCE CENTER of the Palm Beaches. Last month we had Vin Corona and his law calling several workshops. They are both such smooth dancers when it comes to round dancing! We are saddened by the death of Joe Mieszalski. He was Pres. of the S.E. Fla. S/R Dance Assoc. Our deepest sympathy to his lovely wife, Ann and family. We had a benefit dance for him and it was a huge success with lots of his friends coming up from Miami. Pete Sansom is calling the first workshop this month. Always a delightful time is had by all. John Saunders, a Central Fla. caller, will be here the middle of the month. Expecting a great crowd for he is so well liked in this area. Art Springer, another Fla. caller, will be here also, he is certainly a big asset to square dancing around here. Isy Wolfe CIRCLE EIGHTERS of Vero Beach will continue dancing throughout the summer months with George Hinkel calling with only one exception. We will have Bob Rust as our guest caller, so all you Century Badge seekers, here's your chance to add another new signature to your collection. Don't forget to bring your Century Badge books with you! Our banner was finally retrieved from the Allemanders by a group of six members and still another venturesome group earned their Golden Nuts at Cocoa Beach. And have you heard that J.C. made the Bombardiers with his legs crossed? Ther is a first time for everything!
Sadie

SPINNING WHEELS of Tampa (represented by Pres. Peggy Rose, Joyce Todd, and Frances Scaglione), proudly accepted a Certificate of Appreciation from the Florida Department of Health and Rehabilitative Services at the Volunteer Awards Program, held at Tampa Bay Mall recently. This is in appreciation for the Toys For Tots donated at Christmas by all our square dancing friends and club members. They are distributed by HRS to children who otherwise would not receive gifts; also the canned goods donated at our Horn-O-Plenty dances are well received. Isabelle Ratliff had surgery again, but she is recovering beautifully, and we hope to see her dancing again real soon. Come join us this month as we welcome back Frank Bedell and Joe Prystupa for the first time. Please welcome the new dancers who have just graduated, they need the self confidence generated by our encouragement. See you at the State Convention!

THE GOLD NUT REUNION and Initiation at the recent April Fools Frolic, proved true, a statement made by Manning Smith that square dancing is only an excuse to get together and have a good time. The whole weekend was filled with good dancing and many laughs. Singing Sam Mitchell and John Saunders took care of the good dancing, and the Gold Nut Initiation, April Fools Costume Party, Dr. Lite Foot, and Uga Buga Boo furnished many laughs. Friday night's after party, saw 57 couples, initiated into the Golden Nut Club, by the Howells and the Schmidts. The group was cooperative and hilarious. The Crazy Costume after party highlighted the Saturday festivities, with the crowning of the King and Queen of Fools. The King & Queen were chosen for having the best costumes. Earl Frontz was crowned King, and Fran Stevens was crowned Queen. They will return next year if possible in their same costumes to defend their titles of King & Queen of the Fools. Betty Mitchell did a superb job, carrying out the Nutty theme in decorations, crowns and prizes. The round dancers enjoyed an excellent round dance program with Stan & Ruth Jaynes. They taught Crazy, Crazy, Puppy Love, and Mockingbird Hill. Stan & Ruth came to the costume party dressed as two nuts and if you have ever had the pleasure of their company you will agree they were aptly dressed. If you missed this first affair plan now to attend next years, held at Lehigh Acres in March & April. Dot Schmidt

DAVIE DUDES 'N' DOLLS Plans for Knothead, State & National conventions are much in evidence now, come on let's make it the best year ever. Our caller Bob Bland & wife Ethel attended the Callerlab Convention and vacationed a short time after. We were pleased and enjoyed having Vern Johnson and Don Fackler call for Bob. Thank you both from all of us. April has been a busy month with graduations and a special IRS Blues Night, a trip to Fiesta Key over one week end, out-of-town visitors as well as local ones, and as is custom return visits from us. Our club continues to be great fun and growing, why not with our cap-16 le caller, Bob? Come on over to the Round Up and join us. Della & Bill Carpender

KANE KUTTERS Clewiston Sorry you haven't heard from us for awhile, but we've been kinda busy the last two months. We had the Hendry County Fair Parade to get ready for and another graduation on April 9th. We're very proud to have been able to graduate two more squares of dancers. We also are proud of the third class of freshmen that have started square dancing with us. We are sorry to say that our beautiful hall burned last Thursday, April 14, but this does not mean that any of our dances will be cancelled. The community has consented to let use the Youth Center on Osceola Ave. behind Clewiston Inn for our dances. Air conditioners have been donated by club members and the Clewiston Volunteer Fire Deptment so that the center will be air conditioned. We have three camp grounds around town for those of you who will camp and about nine motels for those of you who don't. So we hope to see you visiting us soon. Plans are now being finalized for a new building, which will have a wood floor if these plans are approved. The club is sponsoring the building fund for the new auditorium. The United States Sugar Coroporation has pledged matching funds in the ratio of 2 to 1 for every dollar we raise and our goal is \$50,000. All donations towards this fund are income tax deductible. The Weekend Warriors dance on April 20-30 will be held at the Clewiston Middle School. Hope to see you there. Until next time,

WEST COAST S/R DANCE ASSOC. Everyone had a really great time at our Renewal Dance, April 30, at North Blvd. Our thanks to Chuck Kessler and Don Rand for great calling and making this such a big success. At press time for his June issue, the state convention is just a few days away. We know that about the time you receive this, most of you will be ready to head to Lakeland to have fun, Fun, FUN at the best convention this State's ever had. We'll see you all there! Looking ahead we will be having a Members half price dabce 18 July.

CASTOFFS Boynton Beach We celebrated our anniversary twice. On April 13 we had a private dinner dance at the Lantana New England Oyster House. 105 club members were in attendance. Tom Trainor called the squares and Dick & Darlene Nordine cued the rounds. The food was delicious and we all had a super good time. Friday, April 15 we held our usual dance at the Civic Center and again celebrated our 14th Anniversary with Tom Trainor calling and Fred & Louise Hornung cueing the rounds. The ladies wore their new club outfit for the first time publically at the open dance, and the dresses made a beautiful picture. We had all kinds of finger foods and cup cakes with a 14 on them. The food was plentiful and delicious. Tom called a great dance, no workshopping at all. The dancers said they had an enjoyable time. Now, we are all looking forward to the 15 Anniversary. Winners of door prizes were Dorothy Murtha, owner of Belles & Beaux Square Dance Shop, John Forte, and Max Klinger, congratulations to all. At our April's Fool dance Fred & Louise Hornung did a special round dance for us, and were headlined as Frog & Lousey Trippers, they were quite entertaining. April 22, Art Springer called a real good dance for us, the dancers can not wait till he comes back again. Martha, his tax was with him and looked pretty as ever, an her delightful personality was enjoyed by all. They are a beautiful twosome. April 29 we look forward to George Hinkel, after a long absence from the calling schedule of the club. See the June schedule in this magazine for our caller line up. We invite you to come and dance with us for a pleasurable evening.

TITUSVILLE TWIRL-A-WAYS will have graduated a large class by the time this appears, and escorted them to an unknown destination on a Knothead trip. This is a fine group and we welcome them as new members of our club. At the Indian River Festival we participated in the parade and held a free dance in the parking lot of one of our banks. Preparations are being made for our Seventh Annual Luau in June (see our ad) where everyone has lots of fun, not to mention food. In June we will have rounds by the Williams two times. The Luces WAGON WHEEL SQUARES, Chapter 094, and the Roadrunner Square Dance Club had a combined picnic Sunday April 17th, at Sunset Ridge Park, Lake Worth. A great time was had by all. A camping trip is planned for the weekend of May 13th through the 15th at Safari Camp Grounds.

SHOOTIN STARS St Petersburg Our president George isn't he the greatest, always doing something nice. With his own hands he made awards to all the outgoing officers and presented it to them at our regular night Gail & Bob Eberhart dance. Thank you Dena & George they are beautiful. We are sorry to lose Gail & Bob but we all wish them the very best in Georgia and we thank them for all the work they did for our club. Two and a half squares went to Bay Area Twirlers and had a great time dancing to Jack Lasry and we stole their banner too. Just wait until we launch our club outfits then you will really know we are there. Happy Dancing.

Anny Vogter
T.N.T Chapter 081 had a very successful weekend in April. Friday night dance was great with Sam Allison calling. After was a big bon fire with lots of fun games. Sat. morning 16 canoes started up the Peace River for a great trip. There were several spills to the laughter of all. We had 58 around our pot luck table Sat. night. Another bonfire with the Blue Grass band for singing and lots of fun. The President of the State Assoc. and the Chairman of the State Camporee were present to enjoy our weekend of fun. Our next campout in 20ne will be at Shady Acres Campground. George Jabbusch called the Sat. night dance.

ITS GREAT TO BE A SQUARE & ROUND DANCER What could be more fun than to pick up your Bow & Swing and see so many wonderful activities going on right here in your own territory! Just look what is happening at Lehigh Acres in their beautiful auditorium (one of the finest in the state). Tom Trainor, Jack Livingston, Art Springer & the Beatties in the Star Spangled Holiday, doesn't that sound great? Just wait! Another big event at Lehigh Summer Fling with Gordon Blaum, Ernie Bass and the Beatties. These outstanding events are right in our front door but look at the other promising events coming up. One door never closes on a well planned successful event before another door opens for another. The Fall Fun Fest committee have already started going and working hard on their second annual event, get in there and register early. This too is a wonderful event (while you are having fun) and helps promote the Free West Coast Dancer. Ft Myers is still swinging, our crowds at Orange Harbor are lots of fun. The Swingers at the Teen Club all come to get that extra workshop that is so helpful, Harold Sauls is doing a wonderful job. Round dancing is more popular than ever. Many go square dancing just for the rounds. Lets keep dancing and helping. Our wheel chair dancers are a happy group under the leadership of Maurice Williams. Just heard that the Kane Cutters (Clewiston) disaster, a fire destroyed their dance hall. Good comes out of this as the community is going to build a bigger and better dance hall with a special dance floor for the dancers. Good luck to them. Irene

IN MEMORY OF HARRY CASTNER

Caller - Member of Florida Caller's Assn., & Southeast Caller's Assn.

Harry Castner died on December 19th 1976 from a heart attack. He had his first on Oct.13 was in the hospital from then on.

Harry was a member of the Florida Caller's Association and a member of the S.E Callers Association.

Harry and Betty were introduced to Square Dancing in 1966 by a fellow Churchgoer. We have been grateful ever since. In 1967 Harry thought the challenge of S/D Calling interested him and accordingly set up shop on his patio and had free workshops for the current learners. Taught by another caller also and this went on for some time until he obtained a hall in Deerfield Beach. The learners dance was held once a week consisting of the basics and workshops on those that were bothersome. The dance certainly helped not only the learners but the instructor (Harry) in experience.

In 1968 Harry and Betty attended Ed Gilmores Caller's College in Glenwood Springs, Col. At this college they met many fine callers and their wives from all over the country.

In 1970 at the request of S/D friends, a S/D Club was formed in Deerfield Beach, The Sun Squares, where he is fondly remembered.

From 1968 to 1970 Harry taught classes in Pompano Beach (Senior Citizens Broward Co.) for the Deerfield Beach Recreation Dept - for Boca Raton Recreation Dept. and for the Delray Beach Recreation Dept. for all ages from 10 to 70.

Harry and Betty believed teaching teenagers & One night stands was the most gratifying facets of Square Dance Instruction.

At the end of 1970 Harry and Betty moved to Titusville. They turned there Sun Squares over to John & Dawn Sherley. In Titusville Harry started the Sun Dancers. These dancers also have fond memories of Harry & Betty.

Harry will be missed by everyone who knew him, and our expressed sympathy goes out to Betty and her family

SQUARE 'EM UP SAMS chapter of southwest Florida met at the Swan Lake Travel Trailer Park in North Ft Myers on April 15-17. Mr & Mrs Scott Huffman of N. Ft Meyers were wagon masters. Sat. A.M. a sausage, eggs, & grits breakfast was enjoyed by the occupants the 18 rigs.

BRANDON SQUARES extends a warm welcome to all, come dance with us. June will find us dancing in the Community Center, we will have more room for all our guests. Our callers for June will be George Hinkel and Earle Steel. Our class will graduate this month, so a special welcome to all new dancers. Have you met our 'Nashville' celebrity? You never know what dance she will be at next!

RAIN, RAIN, RAIN (It sure did) Well another **RAIN DANCE** has come and gone and it was a sell out. We had 36 squares, 136 campers. There were 23 clubs represented from around the state. Seems as though we get bigger and better every year. Bob Frye, Bill Ford and Steve Brissette were at their best. We've never had better dancing. There were two guest callers Jerry Seeley and Bob Parkhurst for the after Parties which lasted until three A.M. Of course the camp fires glowed and everyone shared. Past history of the Rain Dance was told, stories were exchanged, songs were sung. If you have never attended one of the camp outs you've missed one of the greatest thrills of your lifetime in Square Dancing. The w/s were great; some new calls were introduced and worked; even had a workshop for clogging instructions by Perry Barnes. He was great! Now that the Rain Dance has out grown their facilities we are looking for a new location. Be sure to watch Bow & Swing, Fliers and listen to your fellow square dancers as to the new location, time and date in October.

Watch, Look, Listen for the October Rain Dance! Happy Dancing Hubert & Maggie Brown **CAPE CORAL SQUARES** continue to have fun as they twirl to the capable calling of Fred Christopher. They are maintaining a post-Sno-bird average of twelve squares and are exploring many new steps, including "load the bases" and "centrifuge". President Web & Kay Webster report that plans for summer entertainment are in the making. Edith Juhel

CRESTHAVEN SQUARES held a Jamboree sponsored by our generous Mr David Yorra and it was a gala turnout. As usual we have been dancing to capacity crowds and one night due to Tom O'Brien's absence, Ralph Otis called for us in his usual good form. All in all April was a good month, with only one sad note. Our genial Henry Lippincott, who cues and teaches the rounds has to undergo surgery. All of our members wishes him and his lovely wife Grace the best of luck. May was a very busy month. First of all we had our traditional May Pot Luck Supper with the club providing the delicious fried chicken and all our great taws bringing the yummy go-alongs. As it was a post-Mother's Day affair all the Dudes pitched in and they did a terrific job. A lot of snow birds have left but we are still dancing to a nice crowd of faithful members and some new comers. Have a wonderful summer (Glad to report that Henry had his surgery and he is recovering from a very serious surgery procedure.)

ROADRUNNERS of West Palm Beach along with Wagon Wheel Squares enjoyed a combined picnic April 17 at Lake Worth for a really terrific afternoon of good food and fellowship, that square dancers are noted for. A big thanks to our picnic committee the Jarrell's, Adler's, Otis's and Swett's. Congratulations to our club caller Ernie Bass on becoming a member of the Callerlab, Ernie and his Helen attended the Callerlab Convention in Kansas City and really enjoyed their trip. Thanks again to Ralph Otis for guest calling in Ernie's absence, Our club visited the Castoffs of Boynton Beach and retrieved our banner, isn't it fun to visit other clubs? We welcome into our club new members Hank & Ed Marshall. It sure is good to see Fred & Mildred Powell back and dancing some, Fred was in the hospital for an operation, but is back on his feet and ready for dancing. It's good to see round dancers enjoy themselves, even if some do seem to have two left feet, (hang in there Frank, Grace is determined) and with the superb teaching of Harry & Elsie Stockfeder you'll make it yet. Why 24 come by for some really good square and round dancing. Doris Jarrell

LEFT ALLAMANDERS of St Petersburg wish to congratulate Walter Stoltz and his working committee from the West Coast Association for their innumerable hours of work in planning and producing the most successful state convention ever. 15 couples from our club report that they have never attended a better one. Earlier, the Knothead trip earned badges for forty dancers, with Bob & Marge Frye and their Swinging Elks of Melbourne the gracious host. A surprise feature was the opportunity to earn Donkey badges, also arranged by the Frye's. A hearty welcome to all new graduates into the wonderful world of square dancing. We dance all summer and are eager to see you in our midst. Hugh & Jean Fultz

CALLING IN PANAMA-Nationally known caller, Elmer Sheffield of Tallahassee, Fla. poses with a Panamanian beauty wearing the national folk dancing costume, the pollera during his recent visit to the Isthmus of Panama. Elmer was invited by the square dancers of the Canal Zone to be the principal caller at the fifth annual jamboree, which was held at the Panama Hilton Hotel. While there he was the houseguest of caller Dr. Bill Bailey and his wife Jean.

NAUTICAL WHEELERS Key West It is that time of the year when we bid many of our guests and club members a fond good bye as they leave for their annual trek north for the summer. Much missed by all and will anxiously await their return in the Fall. The month of April has been a busy month with a April Fools dance the 1st, our monthly covered dish dinner the 15th and a Kangaroo Pary on the 22nd. Clyde Hughes and Sue Gilbert became Kangaroos before the one hour time limited was up. Before the party broke up a breakfast of hot biscuits, ham & eggs, coffecake and blueberry muffins was served by Pete & Ginny Brown, all was enjoyed! The class is doing great on both nights and getting closer to graduation time every week. Our workshops are geared to getting ready for the State Convention in Lakeland. Caller Jack Stevens puts us thru the paces with his wonderful singing and patter calls every week. Bryon Lowery has early rounds every week before the square dancing plus between each tip with rounds and mixers. We maybe a small club, but we sure do have fun in this wonderful world of square dancing. You are invited to come, dance with us, and 26 joy.

KRISS KROSS SQUARES Ft Myers Our dance before Easter was really an Easter Dance with lots of bunnies, chickens, baskets and colored eggs decorating the stage and serving tables. The real bunnies (Minnie Goeldner & Emily Wright) even had home made cup cakes and cookie to nibble on besides candy and crackers. Welcome to our latest new members Gibson & Mable Crampton, Haskell & Ruth Brown. Our twice a month workshop all winter has been a real success with caller Tom Trainor and Bell Shell. We feel it must have helped other clubs besides our own. On April 17th, before the last workshop until next fall, there was a delicious free pancake brunch for the members. The chief chef was our President Joe Klock with two capable assistants, George Pearson and Don Chilcote. We are already missing our winter dancers. Many have gone back north for a few months some just on a short vacation. Have a nice summer. KK has a reserved block of rooms for the State Convention and are all looking forward being together and having fun. The Special Events committee has many interesting events planned which you will hear more about later. We extend our heartfelt sympathy to Esther Barchak in the death of her husband Steve.

PLANTATION SQUARES This past weekend was a bang up one here in Orlando. We had a good turn out for the annual Pirates Ball and a ball it was. The workshops for the sq. and rd dancers was a huge success and the after parties were a heap of fun. Several couples attended the annual Rain Dance at Orange City and from what they have said it was fun from the word "Go". Also we all have been busy getting ready for the State Convention and the Association Dance which is to be held at Eustis. Remember we dance twice a month at the Ben White Raceway, our caller is Jim Coppinger is one of the best so come join us, the welcome mat is also out for those who would like to make Knothead just us know and we will be ready. DIXIE TWIRLERS of Miami took to the road again en masse when 26 of us traileered to the O.K. Corral in Okeechobee for a campout and for the St Patrick's dance at Sebring Ag. Cen. Besides St Patricks Day, we added Lucille Kelley's birthday and John & Lucille Kelley's wedding anniversary to make it a "triple-celebration" occasion. We gifted the Kelleys with a beautiful example of egg art, a large decorated egg containing a bride & groom and having a music box in the base playing the Anniversary Waltz. We've had other things to celebrate, too. We welcomed back one former member of our club, Sandi Geisenberger, who has recently returned to square dancing. She is Lois Tait's daughter, and since Sandi's daughter has just graduated from class, we can look forward to three generations in our club one day. We also happily add one new member, Dan Broadhurst. He is Ann Barlean's Dad, who surprised her by taking lessons in California and arriving here an accomplished dancer. Our list of dancing grandparents has grown by four. Sid & Lois Tough's and Bob & Pilar Thornton's daughters each presented them with a beautiful baby girl to make them picture carrying members of the grandparents set. However this new status has not affected their dancing any, as many of us observed when we attended the Florida Crackers Luau and our own club dances. Our Johnny Walter experienced a happy occasion in April when the club gave him a birthday party and a very sad occasion when he lost his mother. Our love to you, Johnny. We are looking forward to the weekend Warriors Reunion in Clewiston, even if the Sugarland Aud. did burn down. We've been promised good dancing in the school and the campground is still in fine shape. We are also making plans for the State Convention where we will have our own party room. See you all there! Happy dancing.

SUNDOWNERS Ft Lauderdale Since our last report, the members of our club have visited Pistols & Petticoats in Pompano, and had a very good time with all the nice people at that club. We also helped the Crosstrailers of Deerfield celebrate their 18th Anniversary as we danced and enjoyed the wonderful calling of Colin Walton. The club had a night off for Easter Sunday but came right back with a special dance the following week, An IRS Blues Hobo Dance which proved to be quite a costume affair with many guests. If you are in the area and want a night of good dancing and friendly company, than the place for you is at our club with Chuck & Carole Leamon, our caller and taw, and all our wonderful members guests. Happy Dancing.

The Manleys

PROMENADERS of West Palm Beach wish to report that although the winter-tourist season is over and the snow birds are on their way home, our attendance is holding up. The inevitable conclusion is that there are many more dancers in the area or that many more are finding a way to our door. Of course, our regular callers, both square and round, are doing a great job of providing good dancing. In addition, Bob Schaefer, our popular M.C., is wowing the dancers with his stories during the refreshment period. Ed Vieira filled in an open date with us in April and his calling was well received and we have been requested to get him again. Our schedule is made up for this year but he will be calling for us again in 1978. However if one of our regular callers is forced to cancel, we will make every effort to fill in with Ed Vieira. Please note that we have cancelled our dance for the state convention. The Happy Feet Square dance club of Cresthaven sponsored a dance, led by Ed Curran, for the benefit of Saves Ambulance Service. Many guest callers both square and round, were present to help this cause. Rocky Russo made his public debut as a round dance caller and his taw Joan was beaming all over the place. We will hear from Rocky in the future. Members of the Promenaders and members of the Cresthaven Squares, led by Tom O'Brien, were present to help the cause.

SKYLINE SWINGING SQUARES of Jensen Beach have a new schedule for the summer months. The club level dance will be held at Pinelake Village during June, July & August. There will be a half an hour workshop on intermediate and advanced experimental calls. The beginners class which has now graduated, will join another evening group and also meet at Pinelake Village. They will work on mainstream and callerlab calls. The afternoon workshop has been discontinued for the summer but will start again in September. On April 30 the new graduates and the afternoon group held a joint luncheon and party at the school between sessions to end their successful season. Margaret Weeks

BUTTONS AND BOWS of Englewood celebrated its 16th birthday on April 23 with a large crowd at the regular dance. Bob Mitchell calls the pre-dance rounds and those between tips. Jim Baker called the squares in his usual lively style. Some of the charter members were present to hear the reading of the secretary minutes organizing the club. Chuck Bernardo, president in 1961 expressed satisfaction that the club has grown to provide enjoyment to the dancers in our area. All guests and members enjoyed our birthday cake and a festive evening. Vera Freeman

CAPE CORAL SQUARES Ft Myers have been "Turn(ing) Over" and "Scoot(ing) Back" from a variety of positions as well as enjoying many other old and new steps called ably by Fred Christopher. Everyone was delighted by the March 21 dance in honor of the Snowbirds. Flora Trapp has skillfully woven white ribbon into miniature snowbirds which she presented to each lady and which twirled and fluttered with the swirling of the dancers. It has been a fun winter, with visitors arriving from many parts of the continent. Recently two squares from Windsor, Canada, added color to the occasion with their red maple-leaf appliques on shimmering white costumes. Spirits have been high, not even dampened by air conditioning failures. Presidents Web & Kay Webster are very grateful to the dedicated group who persisted despite all temperatures. It is refreshing to learn that "cool" has now been restored. Edith Juhel

MORE ABOUT CALLERLAB QUARTERLY MAINSTREAM EXPERIMENTAL CROSSFIRE . . . RON SCHNEIDER ✓

The experimental Crossfire seems like the best choice of the available experimentals when considering the Mainstream Dancer. The action can easily be mastered and the ability to use the figure from all positions is there but certainly not necessary for all our dancers. The action starts from a Two Face Line. The Teach is important so establish that the ends will Cross Fold (this is the same as a recycle ending for the ends) after the ends have completed the cross fold then teach the centers their part. The centers will trade then extend (step ahead) to join right hands with the awaiting dancer. Have the dancers walk the action two or three times separately then both starting their action at the same time. Easily mastered. From parallel two face lines you end in columns and from end to end two face lines you end in parallel ocean waves. NOTE It is important for the dancers to establish the two face line and the end of any action such as couples circulate or coordinate. The centers of the line should join right hands to establish the two face line formation. This will assist their reaction to the crossfire.

BASIC EXAMPLES . . . FROM PARALLEL TWO FACE LINES . . . BOYS AS ENDS, GIRLS AS CENTERS

- Box 1-4 Swing thru - boys run
Crossfire - trade & roll
Right & left thru - flutterwheel
Slide thru - left alle. zero Box 1-4
- Box 1-4 Swing thru - boys trade - boys run
Crossfire - 8 circulate - boys run
Do sa doe to a wave - girls trade - recycle - veer L -
Couples circulate - Crossfire
8 circulate - boys run - do sa doe to a wave
Recycle - left alle. sd Box 1-4
- 1P-2P Curlique - coordinate - couple circulate
Crossfire - girls run - pass thru - grand right & left

Examples starting from normal two face lines end to end

- 1P-2P Swing thru - boys run - Crossfire
Split circulate - boys run - crosstrail -
Left alle.
- 1P-2P Swing thru - boys run - Crossfire
Walk & dodge - chase right - boys run.
Left alle. zero 1p2p

Examples with Girls as ends and Boys as centers of two face lines

- Box 1-4 Swing thru - boys run - tag the line right
Crossfire - boys run - do sa doe to wave
Recycle - pass to the center - square thru 3/4 - left alle.
- Box 1-4 Do sa doe to a wave - girls run
Crossfire - boys run - left alle. zero
- 1P-2P Touch 1/4 - coordinate
Tag the line right - Crossfire
Boys run - dive thru
Square thru 3/4 - left alle.

Crossfire works quite well, the dancers will like it but it will remain to be seen if it has the quality to pass the test of time.

COVERED BRIDGE SQUARES of Coral Springs has scheduled Bob Barnes, Doc Gray and Johnny Walter for June. Bob & Dot Kunde will be calling the rounds. Due to the National Convention, there will be no dance the last dance night in June. Our club enjoyed a fun filled May, thanks to the Kundes, Doc Gray and Johnny Walter. Recent graduates of Jack Lewis's Beginners Class started to join the club. We hope this yearly transfusion of new blood will bring out the best in all of us and cause us to offer many "helping hands". Our club was well represented at the State Convention. Believe it or not, we even had enough time & energy to design, build, decorate & enter a float in the Flounder's Day parade in Coral Springs. Please come and join us some dance night. If you don't, you'll miss something. We'll miss something too... You!
Joan & Norm Schaefer

PISTOLS & PETTICOATS of Pompano Beach have had many visitors from up North. We all enjoyed dancing with them. Let's always make them welcome, so when they go back they will say good things about our club. Let's not forget our visitors from various clubs in the area. Make them welcome also by everyone because good times are enjoyed by all and good news travels fast. Sun Squares came to retrieve their banner from us. Let's go gang, whenever we have a visitation planned let's get behind the visitation chairman all the way, and I mean all the way. Be there in masses. See you all at the State Convention - 10-4? Congratulations to Mr & Mrs Michael Just on their recent marriage The Beaumonts

IN MEMORY OF DORIS VACCARI

Wife of President of North West Square & Round Dance Association
Editor of Panhandle Press (North West Newsletter)

All North West Florida Square and Round Dancers as well as many others throughout the State will miss Doris Vaccari who passed away April 11, 1977.

Doris, together with her husband Joe, spearheaded the effort to organize the North West Association three years ago. As the first President, he - and - she - made that organization the living growing concern it is today. Doris was Editor of the Panhandle Press, the association newsletter and spent many hours each month writing, editing, organizing and typing it, so that every family in the association would have an up to date record of Square and Round Dance activities in the area.

Doris and Joe learned to dance in their native Mobile, Alabama. They continued dancing wherever they lived - California, Melbourne, Ft Walton Beach which has been their home for a good many years.

Doris' dream of a Square Dance Building for the Playground Area became a reality this year with the grand opening having been held April 30 - May 1. Again it was Doris and Joe who pushed this effort to completion, working tirelessly to raise funds and then to lead the dancers of the area in its construction.

During their vacations they traveled to festivals all over the country and everywhere Doris made friends among dancers and callers with whom she remained in constant contact.

Joe is a officer in the Florida Federation of Square Dancers and they attended all State Meeting and Conventions. They also went to National Conventions in San Antonio, Kansas City, and Anaheim and were planning to go to Atlantic City this summer. Any proposal to further the cause of Square and Round Dancing received their active support.

The Memory of Doris will long continue to be bright in the minds and hearts of dancers here, and PASADA Hall stands as a fitting Memorial to her devotion to the betterment of Square and Round Dancing.

APRIL 30th PETE & JUNE SANSON HELD A BENEFIT DANCE FOR JOE MIESZALSKI the late President of the S.E. Fla. S/R Dancers Assoc. at the Square Dance Center of the Palm Beaches in West Palm Beach in order to raise money to help his widow Ann with hospital expenses. All callers Vin Corona, Ed Curran, Chuck Flemming & Pete Sanson donated their talents for this event. It was a really great dance with over 18 squares turning out for this good cause. Dancers came all the way from Miami Beach and all had a great time. Pete & June wrote to all clubs and callers asking for their help and indeed it paid off. Those who were not able to attend sent donations and we would like to thank all of you for this. We did not have a moment of silence as is custom as those who knew Joe would know Joe would want everyone to keep dancing and to enjoy themselves and be happy as this was Joe's outlook on the square dancing life. We would like to thank all of you that donated and came to Joe's dance as he will be long remembered and loved by all and will be with us in our hearts always. Thank you for coming to our dance. KNOTHEAD PARTIES WELCOME

BUTTONS & BOWS of Mulberry is celebrating it's 23rd Anniversary with a special dance. As far as we know it is the oldest active club in Florida. It started in Lake in 1952 with eight couples among which were the Munday's, Williamson's, Carroll's and Peggy Brown. The longest standing members we have who are still dancing are Glen & Helen Strickland, and Dorrie & Larry Clevenger. The first caller was Howard Parrish, then Paul Noble (recently deceased) started calling with Howard and then Mel Clark and for awhile all three callers together. A few years later the club elected Mel Clark as their regular caller and he called for about 18 years. After he retired in 1972, the club started to have guest callers. We have proudly looked on as our own Marty & Byrdie Martin, long time members, progressed to become the outstanding round dance leaders they are today. The club has seen many good times and good friends over the years and also a few rough times, but during these periods has always pulled together and managed to survive. Today we are experiencing an all time peak of success. Our Strawberry Shortcake dance was a huge success and we wish to thank all those who made it possible. Especially the decorating committee & Byrdie Martin and those who helped pick the strawberries. We want to extend a big welcome to our new members; we are happy to have them dancing with us. Don't forget our Anniversary dance in June.

CANAVERAL SQUARES Rockledge "Super, Funtastic" that was the words expressed by dancers that attended the Orange City Rain Dance Campout in April. L.J. said that Titusville bunch was pretty Wild, wonder what he meant, anyway seems like L.J. & B.B. had a big smile all weekend after playing some games called "Pass the pie plate". Our Anniversary and continious Buffet and Dance was really a nice affair in April with everyone enjoying themselves. Thanks to the Little Taw and members for helping with the food and cleaning up after the dance. Our caller, Bob Frye, did a terrific job on calling that night. Well, Bill & I became grandparents for the first time, oh how nice it is! So now we have become a Swinging Gandpa & Grandma. John "Singing Mac" McNeill has become a caller for the Swinging Senior Citizens and is really doing a nice job. Another Pot Luck Dinner will be in May with everyone bringing in one of their baby pictures, will report on that next month. Swinging Elks will be having a big affair down in Melbourne sometime in June. In May will be a BLack Cat dance held in Boynton Beach with our caller and then on to the Keys for a weekend of fun camping for our members. What fun these square dancers have! So until next month we say, Adios Amigo and keep smiling when you weave the ring, it feels good. The Carter's and Burkett's earned their Venus Badge. Bill & Connie Andrus

ORANGE CITY SEMI ANN RAIN DANCE

THE Challenging Mainstream

BY GIL T. CROSBY - Gainesville

Another CALLERLAB Convention is behind us and several important resolutions were considered. Of these, perhaps the most important were those concerning Level Identification.

As you know, last year CALLERLAB established a Mainstream Plus plateau of dancing. Following a minor revision, this plateau was given permanent endorsement as the Mainstream Plus One Program. In addition, a Mainstream Plus Two Program consisting of twelve movements was established. (If you would like a copy of these programs, write me and I'll be glad to send you a list of calls involved.)

Beyond these levels, CALLERLAB has endorsed the existing lists of basics for three additional levels: Advanced Dancing, Challenge Dancing, and Extended Challenge Dancing. It is hoped that clubs and weekend festivals will use these terms only to indicate dancing involving the movements on these lists.

The Quarterly Movements list was reviewed and all but one movement was retained. Half, Tag, Trade & Roll was dropped as a movement, but the concept was kept as a combination of calls involving Roll. Roll was retained only in such combinations as result in facing the person the previous call was done with, e.g., Trade & Roll, Touch $\frac{1}{2}$ & Roll, etc. Two movements (Recycle and Coordinate) will be referred to the Mainstream Committee next year. (I would appreciate hearing from dancers and callers as to whether you feel these should be included on the Mainstream List.)

Split Circulate was added to the Circulate Family in the Mainstream Program. An important project now underway is a clarification of definitions for the Mainstream Basics. Nearly half of these movements have been published in more than one form.

Congratulations to Jack Lasry, the new Chairman of CALLERLAB.

MERI TWIRLERS Cocoa Our club has a very nice place to dance now and a ideal place to make Knothead for those dancers that live 100 miles away. So come and visit us, we are nice people because we "try harder". Sure is nice to have our caller & taw, Ernie Anderson & Esther, back with us after a 3 week vacation. Our Sexy Nancy is still in there swinging and twirling, Frank still has to help her out on that Crossfire! Thanks to all the members that help with refreshments and cleaning up after the dance. C.H. sure brings in delicious sweets for refreshments. We made our Stinker Badge the night Bob Parkhurst called -Wow! Did he looked surprised when no one danced while he was calling. So watch out, Ernie, the Twirlers will be thinking of something to do while you are calling! Oh well, what fun these square dancers have when they get together, thats what square dancing is all about. So always enjoy yourself, smile, laugh (at yourself when you goof up) and then everyone else laughs. Laughter seems to be the best medicine for everyone. Remember to turn your corner and your partner and of course the other six after a tip. So until next month, keep smiling and dancing.

Bill & Connie Andrus

WHIRL & TWIRL of Orlando had a beautiful Luau in April, sweet & sour pork with all the trimmings was served to over 200 dancers. Laura Carpenter showed us what lovely Hula hands looked like (also lovely hula hips). Break time we refreshed on what else but pineapple upside down cake! We would like to give a Yellowrock to all the fine folks who came out to paint up, clean up and fix up our hall. The new Advanced Workshop has started, we are hoping it will lead to another night of dancing! Coming attractions is a Black Cat dance and a Free Election Night Dance, come and join us. Happy dancing, B. Hamilton

CHARLOTTE PROMENADERS of Port Charlotte concluded our dance season, the 26th of May with a month of excellent dancing. With callers like Chuck Kessler, Roger Capman, Ron Schneider, Jack Lasry, Fred Christopher and with Bob & Evelyn Mitchell on the rounds, how could it be otherwise? Our new officers for the 77-78 season are: Pres. Ada & Leon Harbaugh, V.P. Jessie & Kermit Reynolds, 2nd V.P. Leora & Allen Schultz, Treas., Leora & Joe Malone, Ass't Treas., Kay & Earl Morris, Sec. Flo Winter. The year are so enthusiastic and busy making plans for another good year. Our fall season will resume in October. We were saddened by the death of one of our good members, Jerry Pelletier on March 28. Our sincere sympathy to Alice.

MERRY TWIRLERS Wilton Manors Vacation time is here and we are no exception, "everybody has 'em", like the measles! The convention was great, Lakeland is a real Danceland. Our festival weekend is looming as we write and reservations are in from north, south, east, south and west. It's going to be a fun time. And after that see some of you in Atlantic City on the Boardwalk, that's going to be homecoming week for this old New Yorker! And June, July and August at the Twirlers will be geared to the new dancer with Ted Anderson blending his talents with Bill's to give us a more vacation filled summer and by September we'll all be up to snuff again. Hey, give a smile to everyone who will take it, no one is properly clothed unless he wears a smile! Happy summer dancing.

S.E. FLORIDA S/R DANCE ASSOC. The April meeting was held the 10th at Ponderosa in Ft Lauderdale. Everyone had a good time dancing to Jay Fenimore and cuer Fred Hornung. On May 14th we visited the Westemaires of Miami and in June we are scheduled to visit the Cresthaven Squares. Hope to see you there. We were deeply saddened by the loss of our President Joe Mieszalski who died on April 12th after a long illness. We will miss Joe's quite but wonderfully friendly attitude towards his fellow dancer. He was always working hard and trying to bring others the joys of square dancing. We are all richer for having known such a good man as Joe Mieszalski. We will miss his physical presence but shall always remember him. Our prayers and thoughts are with Ann and the family.

CANAVERAL SQUARES, ROCKLEDGE, ANNIVERSARY DANCE WITH BOB FRYE

THE PRESIDENTS CORNER - PRESIDENT OF THE FLORIDA CALLERS ASSOC.

Conventions are the culmination of a lot of long hours and hard work by a group of dedicated people. In some cases, a large number of people contributed their time and efforts and in some cases not so large numbers. I like to think that every square dancer in our great state goes all out to make this annual event a success. However, there are always some people who complain about this or that or the other. Seems as if the more people involved, the lesser the complaints. Lets all get involved and have

JOHN ROBBINS more fun for everyone.

MESSAGE FROM THE CHAIRMAN OF THE FLA. FEDERATION OF SQUARE DANCERS

By the time you read this, you will be attending a great convention. If you missed this one all your friends will tell you what a time they had. The National Convention in Atlantic City should be a good one too. This is at the end of June. Many of you will be taking vacations soon and if you do some square dancing, tell those people what great dancing we have here in Florida. Election will soon be taking place in most associations. Maybe you could give of your time for your fine hobby. Check with the present officers and see how you can help-

HAPPY FEET SQUARES West Palm Beach made history on April 24th in the Emory Aud. of Cresthaven. 21 squares plus hordes of round dancers and spectators contributed to make an outstanding success in our plan to raise needed funds for our local ambulance service. Under the direction of our club caller, Ed Curran, the hall jumped with squares and rounds. Our esteemed Round Dance Master, Wally Jacobs cued the rounds with excellent assistance from Harry Stockfeder and Rocky Russo. Ed Curran was aided and abetted by the Who's Who of area callers, including Tom O'Brien, Ralph Otis, Ernie Bass and Pete Sansom. We are proud to announce that a record-breaking amount was collected for the worthy cause. The club provided a delightful array of refreshments and ended the dance with a gourmet party for club members and guests. If you were there, thank you for coming. If not, you missed a grand time. We are looking forward in May to our annual pot-luck supper honoring Ed & Ann Curran as they leave for their summer home in Rhode Island. In their absence, Tom & Inez O'Brien will take over the calling at our Happy Feet dances. Alice Friedman

GAMBLERS Deerfield Beach We would like to welcome our new class members that just graduated, we had a real great crowd for the graduation. We had our club picnic out at the Tradewinds County Park, we all had a real good time. We played horse shoes and square dance in the pavillion. Everyone brought a covered dish, then we cooked hamburgers and hot dogs out on the grill. We had a real great turnout and the food was delicious. We all hope for a speedy recovery for Poppy who is in the hospital. HURRY back, Poppy, we all miss you. We would like to thank all the guests that we have had the past couple of months. Come join us, we dance every week.

Tommy Manning

WAGON WHEELS St Cloud Seems like such a short time since our winter season started and here it is time for our fellow winter square dancers to pack up and say so long until next fall. We say Bon Voyage to you all and we wish a summer of lots of fun and happy dancing. We were happy to have Sundown Swingers visit and retrieve their banner. We were also visited by the Firehouse Squares recently and they stole our banner. Our club has been host during April for various area club square dance class members recently graduated. We invited all for a free dance as we wanted to say congratulations to them for entering the fantastic world of square dancing. We had a lovely April Fools dance this month with Jim Coppinger and Jim Trulock. Club members were treated to a Donkey Party on the 17 of April and all said, fun, fun, fun. We invite each and everyone to come dance with Jim Trulock on Rounds along with alternate square dance callers John Saunders and Bill Ford. Happy Dancing.

Stasia Foster

WESTERNAIRES of Miami have been doing their usual thing, dancing up a storm (we wish it could be a snow storm), enjoying too much refreshments (all low calorie, of course), and at the end of each dance, looking forward to the next one. Check our listing for a new Fun dance in June. Be sure and don't miss this one. Thanks to the Salty Dawgs for a great evening of dancing. We enjoyed our visitation to them as much as we always enjoy having them and all our visitors at our dances. Since April had a holiday we couldn't let it pass unnoticed. Easter, our main event was our Easter Bonnet Dance. Our ladies in the Easter Bonnet Parade gave out-of-town guests who agreed to be judges, quite a job of picking number one. Cathy Ward won the title and it was well deserved. Easter Bonnet's off to all the ladies in the parade. The Club would like to take this opportunity to express our sympathy to Ann Mieszalski. Joe's passing was a sad day for all dancers in this area. Enough now, but once again, come see us, dance with us, have fun with us, we'd love to have you.

The Taylors

HIJALEAH COUNTRY CORNERS has just completed its elections of officers for the 77-78 year. Art & Mary Jo Shelmandine, President; Lynn & Harriet Ward, Secretary; Leon & Sally Glaze, Treasurer. The club was a bee hive of activity as plans were being made for our up coming eighteen wheeler dance in May. We believe this will be a South Florida first Square dancing inside a tractor trailer rig? We are also working on our 2nd anniversary dance for the middle of June. We had a real good time last year and with Bobby Andrews calling again this year we will have a blast. The club can hardly wait until the dance. You All Come!

Lynn Ward

TAMIAMI STEPPERS ROUND DANCE CLUB of Bonita Springs gave a Snow Bird Party Sunday, April 17, in honor of our friends and club members who come to Florida for the season and take part in the club activities. Elle & Al Bowden did a splendid job decorating the hall and Minnie & Otto Goeldner decorated the tables beautifully. The tables were loaded with all kinds of goodies. We will miss our friends when they leave and we wish them a pleasant summer. We will be looking forward to their return in the fall. Earl & Lee Kastner did their usual good job of giving us an evening of pleasant dancing. M. Johnson
