SANLAN SQUARES Lakeland has been having good attendance in spite of the flu. We hope those who have been sick have fully recovered and will soon be back with us. Bob Barnes, our caller, has really had a spell of it and still he showed his square dance spirit by coming to teach rounds when Jim was out of town and also do his workshop. He had a friend from Michigan who was vacationing here to call for the dance that night. Thank you Gib Matson for helping Bob when he wasn't well. We really enjoyed your calling do come back back to see us again sometime. We are proud of our dancers and have another couple who celebrated their 50th anniversary in January congratulations to Art & Edna Stein. We wish for those having birthdays and anniversaries in February much happiness. Do come and dance with us any Tuesday and remember our party night is the first of each month. Glad Jim & Jennie are back with us after their trip.

CANAVERAL SQUARES Rockledge 'Something great for 1978', that's our slogan, for our club this year. And it has already happened, for the month of January we have had some really fantastic dances along with some really good workshops. And the round dances are really nice too. One time our caller, Bob Frye, forgot his round dance records, but we forgive you we still had a fine time dancing. Our club had the honor of having Buster & Stacy Vickers join our club in Jan. this really fine and delightful couple have been dancing up north in Titusville town for years and all of a sudden decided to come south. Hope they enjoy dancing with us much as we enjoy the pleasure of having them with us. Our caller & taw took 2 squares with them to St Pete for a calling engagement at the Ox-Bow, and all had a fine time. Our birthday Boys for Jan. were Bob Weed, Carl Jarvis, Ray Waters, they all received plenty of Yellow Rocks and Ray is still collecting his and Jan. is almost over, oh well. One of our members John 'Singin' Mac' McNeill made his first calling debut on Jan. 17th at our club. He really sounded good, even though his taw Mardell said she had used a lot of cotton in the gears while he was practicing. Feb is Valentine month and our club will have another Pie Night and the little taw and girl members will have a special surprise Valentine for all to see. Sure nice to see Bill & Merle Stephenson back dancing also Ray Clift and Jim Johnson. Cleo & Phoenix sure look good doing Frenchie Brown. Our Bionic Girl is back after being real sick. Watch her when she does a left allemande with B.A. So nice to have the Allemanders visit us in Jan. hope to see them at the Shamrock Swing. See you next issue, Be nice to your caller, you might need him!

**RAINBOW SQUARES** Want to invite you all to come and dance with us. Had a real good time at our Valentine Dance. Coming up in March is Green Night, so be wearing your color. Hope you all can come.

**CAPE CORAL SQUARES** have begun the new year enjoying a 19 square attendance, with Earle Kaster calling rounds and Johnny Walter, the squares. January was a month of many birthdays and wedding anniversaries. In fact, one couple celebrated both. Northern visitors, even one from Alaska, added a touch of gaiety to finger food night as well as to ping pong circulations and hour glass progressions. The Club is looking forward to having some special dances while the sno-birds are here.

SPINNING WHEELS Tampa The February dances were good especially the Pirate's Initiation dance with all the swashbucklers and their swashbuckle-ladies dancing to Art Springer and Marty Martin. The Red Dog Bus Co. were skitting and funnin' their way to laughs & joy at the Fla. Sunshine Festival. You'll be seeing and hearing more of them at future funs. A note of loss to the club was Ed Hall, a charter member. We are sorry and our thoughts will be with his family for a long time. Our dances continue to be one of the top M/S dances in the Tampa area. In March Art Springer will once again "Sock It To Us" and also Joe "ST Pat" Prystupa will be a setting the rhythm for a pleaser evening. Come join us again.

S.E. FLA. S/R DANCE ASSOC The January meeting was held at TY Park, Hollywood. This is our Annual Picnic and a great time was had by all. As usual, the ladies outdid themselves in preparing the Pot Luck Dinner. After everyone thought their dinner had finally settled down the games started. The newest delegates to the Southeast, Dennis & Sharon Selle, were in charge of the games and prizes and did an outstanding job. They are surely a welcome addition. Still on the lighter side, Harry Taylor (V.P.) does not make a very good wheel barrow or maybe it, was the other Taylor pushing the wheelbarrow, anyway, the wheel collapsed and Harry had dirt for dessert. It was announced at the picnic that the Southeast now has seven pints of blood in our brand new Blood Bank. It takes 10 pints to become established and we hope that as of this writing this quota will have been met. Any member of the Southeast Assoc. interested in the blood bank, please contact any officer for additional information. Remember, it's too late when you need blood. Do it Now! Our visitation for this month was at the Hollywood Squares on January 13th. It is always a pleasure to dance with these friendly folks and this time was no exception. The word in the Southeast now is, "Watch For S.O.S." Be sure to make it to the next clinic and get the details. You're gonna love it! Hope to see each of you at the next meeting & Clinic. Don't miss this one.

**RIDGE ROLL AWAYS** Sebring January has been a real good month for us. Thanks to all our winter visitors. Our mid-winter dance on Jan. 22 was a huge success with everyone enjoying a nice lunch as well as dancing. This is our last writing and we want to thank everyone for their cooperation. Especially John & Lucille Bray who took over in summer while we were in Wisconsin. Good luck to the new Club Officers. Nelson & Ursula Jeniquin  
**MIAMI BEACH OCEAN WAVES** 3rd annual Holiday Party was a huge success and enjoyed by all. The girls outdid themselves as the table was loaded with luscious enticing food, fit for square dancers. The dessert table was a gourmet's delight and all abandoned diets for the evening. Our caller, Jackie Lewis, has a 1/2 hour workshop before each dance for anyone wishing to improve their dancing. Many of our dancers have registrations for the Florida Sunshine Festival.  
Bess Lipman

**GANDY DANCERS** of Tampa had an interesting Hard Times, bean soup party with great dancing. The Valentine party was a sweet evening. March blows into suggest "wearing of the green". The various manners of wearing it makes a get acquainted conversation. By the time you have danced in a new square each tip you will know the Irish dancers who have kissed that blarney stone. Chuck Kessler, our caller gives us a great workshop and uses the movements in calls during the evening and they soon become familiar. We wish you joy, beqorrah, in dancing with us.

TUESDAY 7:45 to 10:30

SKYLINE SWINGING SQUARES Pinelake Village, Jensen Beach are swinging right along with all the winter visitors back and a good crowd at every dance. One night in January Jerry & Becky Cope from Andy's Trout Farm, Dillard, Ga. were guests. Between tips they showed colored slides of their Square Dance Inn & Campground and made it sound so interesting that we'd all like to go there. Dale McClary, our caller, will call there one week in September. Jerry also called a tip for us. We enjoyed his calling so much we hope he will come back again and are not surprised that he is so popular in his territory. Visitors are always welcome at all our dances.

Margaret Weeks  
SUNDANCERS of Titusville were able through the Recreation Dept. to get permission to use Sandrift Center for the First Annual New Years Eve Dance. Emie Anderson and Bob Frye joined their clubs and their terrific calling for a really successful welcome to 1978. Best \$4.50 admission ticket we've bought in a long time! We're planning a Valentine pot luck with our class, who now dance a tip with the club each week. They're a good group!

**PLANTATION SQUARES** Orlando Come dance the Anniversary Dance with our club we promise you a good time and all the latest news on the 1978 State Convention, which will be here before you know it. Now is a good time to visit our club and let your ideas be known and help John & Esther Lane, as chairmans for the big event, make this 25th Anniversary the best ever. If you haven't registered for the convention please do so now, remember this cold weather will be gone and what a better time, than the month of May to kick up your heels at the State Convention in Orlando. All our members along with every dancer in Orlando area send our best wishes for a speedy recovery to Jim Barbour who underwent surgery in Jan., both Jim & June are so very special to all of us. The Club's nominating committee consisting of John & Melba Best, John & Esther Lane and Jim & June Barbour will meet in the near future to select nominees for the new officers for the coming year. The club had the honoring of selecting Tim McKenna as honorary president. Tim has been under the weather lately, we are so fortunate to have Tim & Barbara as members and miss them when they are not there. Food For Thought: When Spring has Sprung; and the grass 10 riz - Orlando's where the convention is! Don't miss it. Mary Sheumaker

**FONTANA VILLAGE, N.C.** For the fiftieth time, square dancers will gather at Fontana Village Resort, alongside the Southern edge of the Great Smoky Mountains National Park, to cavort to the lively music of the Fontana Ramblers. This venerable institution, known as Swap Shop, is a weeklong square dance festival, the Grande Dame of the family of square dance festivals which are held spring and fall at Fontana Village. Fontana, self proclaimed as the square dance 'ACapitol of the World', has been hosting these dances since the fall of 1953, when Swap Shop began. "We have making this claim for many years and it has not been disputed" stated R.J. Immel, General Manager of the mountain resort. John Brendle, Rec. Dir. at Fontana in 1953, conceived the idea of square dance festivals as a marketing tool to develop increased occupancy during off season. He invited some of his square dance caller friends to come to Fontana for a week end, urging them to bring along a few square dance friends. Many of them came and soon they were "Swapping calls" for the dancers. In this manner Swap Shop was named. By 1954, Spring Swap Shop came about, and instead of a week end the dancers came for a full week. Within a year, some 400 dancers were attending on a regular basis. Three of the original callers are still on the Swap Shop staff: Fred Goodner of Athens Tenn.; Helen Pate of Anderson, S.C.; and Lib Williams Hubbard Atlanta, Ga. Fred Goodner was the first caller on the stage the night Swap Shop began. Joe Mays of Fairfield, Ala. helped John Brendle organize the first dance festival. Tex Brownlee, the long time Rec. Dir. of Fontana Village Resort and Jean his wife act as host. Tex, as he called by his friends is one of the best known callers in the United States, he made regular tours until 1976 when his duties at the Resort precluded this activity. Check our ad in this issue for dates and callers.

KNOTHEAD PARTIES WELCOME

ROCKIN' RHYTHMS of Clearwater are growing. We are starting a beginner class Feb. 1st. We are real excited about adding a few more people to our group. We are doing about one exhibition a week at all kinds of organizations. We seem to just get a routine down pat and then we have another one to learn. We practice every week and we have a surprise coming in March, you will have to look for us hard because we may seem different! The group really enjoys clogging and I enjoy seeing it grow around the state because when I started there were only two groups in the state and now you meet cloggers everywhere. It is really wonderful! Happy Clogging & Dancing

HARBOR CITY SQUARES Melbourne More and more couples are coming to our dances at the Civic Center. We have been having thirty to thirty five squares each week and having a great time. Our callers have been Marquis, Chapman, Mitchell, Springer, Saunders, Gary and Coppinger. Cueing the rounds have been Jaynes and Williams. In Jan. we took eight couples into the club raising the membership to over one hundred fifty. Earl & Alma Pwlas received their five year pin at the last dance. The caller for the Sweetheart Ball is Lynn Mansell from Chattanooga, Tenn. The dance is a sell out and we are planning a great time. Feb. brings us the second annual Indian River Jubilee with all the clubs in the area dancing and celebrating for two weeks. Also the Cupid Dance Feb. 10th. We have had several out of state couples visiting the area and dancing with us. Nice to have them while their homeland is covered with snow. If you are in our fair city come dance with us the friendliest square dance club in Florida. We will not be dancing March tenth. Happy Valentine

**CASTOFFS** Boynton Beach Everything will be great in '78. Our New Years Eve dance was the best ever, how could we miss we two terrific callers, guest caller Doc Gray, who is oodles of fun besides being a good caller, and our very own club caller, Yodelling Jack Cloe. We limited the sale of tickets to 20 squares, so we had enough room to dance, and plenty of delicious food. The skits were very good too. Our Christmas dance was very good too with Bill Marquis doing the calling, so we ended 1977 very, very well. We started 1978 with Yodelling Jack Cloe and began a 45 minute workshop from 8:00 - 8:45 which will be our routine for now until further notice two weeks a month. Our round dance workshop starts at 7:30 and run until 8:00 on these two nights. When we have a guest caller, there will be no square dance workshop, but we will have a round dance workshop from 8:00-8:30. Get your tickets for our 15th Anniversary dance early and save \$.50. On April 1st the cost will be \$4.00 per couple. Our caller will be the great Jack Lasry, and the round dance leaders will be George & Mickey McCann. The number of tickets will be limited and no one will be admitted without a ticket. See our ads elsewhere in this magazine. Join us at one of our dances, you will be glad you did. Happy dancing.

SANDY SHOES STEPPERS Ft Pierce Our first dance of the New Year started out as a great dance with Chuck Leamon as caller and rounds by Stan Jaynes. The second and third weeks were a success. Fourth dance was a combined dance with Circle Eights at Vero Beach Community Center. Had seventeen squares and a great time by all with caller Art Springer from Tampa and Stan Jaynes of Vero Beach. Delicious fruit salad, cake and coffee as refreshments. Sunday was a very cold night and the coffee helped. Come dance with us at our friendly club.

**FLAMINGO SQUARES** St Petersburg The Christmas party was a smashing success at the home of our caller Earl Steele and his lovely wife, Thelma. Everyone brought delicious snacks and the house was overflowing with Flamings and good fellowship. The highlight of the evening was the gift exchange, and my, how those gifts made the rounds! In January the club invited the class members to dance with them. The tips were alternately club level and class level, with no breaks inbetween. So everyone had a full measure of dancing as well as a great time. We've enjoyed visits from the Left Allamanders and Brandon Squares and from many winter visitors and residents. We retrieved our banner from Spares n' Pairs and had a nice time there. Now we are getting ready for a pot luck Family Picnic at Lake Seminole Park and hoping for warm weather. The Banner Bandits are planning a flurry of activity too.

SWINGING EIGHTS of Clearwater We had a busy and enjoyable last two months of '77 and '78 is picking up the tempo, too. In the middle of Nov. we held our regular club dance at the home of the parents of one of our members, who happen to live on Old Tampa Bay. It was a pot luck picnic with dinner in the garage and dancing in the driveway. The mullets were jumping, and the stars were shining bright for us though it was a chilly night. But we all had a great time, and ended by singing songs and toasting marshmallows around a glowing bonfire. In Dec. we had only three regular dance nights, because there were so many parties and so much activities for Christmas. The year ended with a New Years Eve party in the club house of the Haystack Apt., where one of our member couples lives. This was a pot luck affair and a great time was had by all who attended including a young man named Phil, who know one knew, but he stayed around waiting for his date to show up and since she never did he joined our group and fitted in nicely. We cancelled our Jan 6th dance in honor of a special dance featuring one of our favorite callers Frank Lane of Colo. Many other clubs were well represented and seemed to have a good time. Our first meeting of the year was held at the Pres.'s home and plans for the next few months were discussed, which we will be sharing as soon as they are finalized. Jim Townsend, who has been calling for us several months now, has been getting some exposure lately, and we are delighted, as he is a fine young caller, and he has been devoting a great deal of his time to improving his style and his ability. Till next month, Kay Croft

HITCH 'N' GO SQUARES, CHAPTER 082 NSDCA Our 3RD Anniversary Camporee, at Capt. Kidd's Resort January 27-29, 1978 was exceptionally successful as a generous group of members and guests gathered for fun, fellowship, food and celebrating. The Fri Eve dance was held in the small hall and left much to be desired as far as sound goes. However, everyone took it in stride and had a happy evening. The workshop session on Saturday was great as Ed Newton has been giving the group very selected Callerlab Experimentals. It brings the group up to some of the other clubs in the area. Don & Eleanor Peterson and committee had a very well planned dinner, with the club furnishing the meat, cake, coffee, and various other goodies while the members and guests brought extra vegetable and dessert dishes. The cake was decorated superbly and all in all it will be a week end long remembered. So many guests were on hand it would take too much space to name them, but we hope you will come back and dance with us again for we did enjoy having you all. The highlight of the evening was the candlelight 'Installation' ceremony, performed by yours truly. The new officers are: Don & Ann Roe; Pres.; Bill & Ruth Cline, V.P.; John & Sarah Bowen, Sec.; Wayne & Lois Kimbrough, Treas. Wayne & Lois were not able to participate, due to illness, but we installed them by proxy. Congratulations to all of you, and the club will support you in any undertaking. The after party skits by the Teemleys, Clines & Petersons kept us all in stitches. Nice to know that there is so much talent in the group. Bill Cline is really a great Swami and can remove clothing without your knowing. Just ask Eleanor P.! She wasn't sure for a moment. We thank the members for the beautiful gifts and the good Lord willing we'll be with you for a long time. We love each of you and look forward to each camporee with great enthusiasm. God be with you till we meet in Okeechobee in Feb. Red & Freda Ekas

COME ONE - COME ALL SPECIAL DANCE DESIGNED FOR NEW DANCERS

LEFT ALL AMANDERS of St Petersburg are dancing up quite a storm with club visitations, banner stealing and retrieving. The flu bug did floor a number of our dancers, the Fords, Fultz, Estes, Piersons, Christians to name a few; even yours truly. Hugh, with Doc Gray calling, had two squares give an exhibition of Western square dancing at the St Petersburg Hilton recently. For many in the audience it was their first exposure to this type of dancing. Their enjoyment was evident as quite a few ventured to actually try some of the earlier basic calls. It is always nice to interest new potential dancers. Our past President Earle Williams, is still number 1 with 5 pints of blood recorded with the Westcoast Blood Bank. We are proud of him. See you all at the Ox-Bow Hall. Pat Fiyalko

DAVIE DUDES 'N' DOLLS With our Pot Luck supper behind us, we marvel at how many good cooks our Club has. Of course its always fun to have a chance for good food, good conversation and good friends. I know many of us look forward to another evening like it. Feb. will see our club hold its Sweetheart Ball with door prizes and fun for all. The more merrier, won't you come and join us. In March we will be celebrating St Patrick's Day with the wearing of the green. Just remember it doesn't have to be a special occasion because any night is fun night at this club and you're always welcome. Hope to see you soon.

ROADRUNNERS of West Palm Beach welcome mat is out to all our Snowbird friends from the north. It is always a pleasure to have them back year after year. The club has many plans for special events this year. Feb. we will have our annual Valentine dance & box supper. The highlight of the evening will be the crowning of our King & Queen of square dancing. They are chosen from our club members. We also give recognition to our guest Sweetheart of the evening. Two squares of Roadrunners danced at the Fair and it was so cold that the smiles nearly froze on their faces. We would like to extend our condolences to Rita Adler on the loss of her beloved husband Irv. Irv was a good, faithful member of the Club and he will be missed by all of us. Our prayers and thoughts are with you Rita. The Roadrunners and Helen & Ernie would like to extend a word of praise to Ed & Anna Curran and their Happy Feet Square Dance Club for their outstanding dance to raise money for the SAVE Ambulance Co. The last we heard they raised \$850.00 for a very worthy cause. The Roadrunners and Golden Lake Squares are having a Cancer Fund dance in March or April and hope to do as well. This dance will be in memory of Sol Abel from Golden Lakes Sqs. and Irv Adler from the Roadrunners. See you next month.

**MERI-TWIRLERS** Cocoa Well our pot luck dinner was well worth waiting for an extra week wasn't it? Our caller, Ernie Anderson, had the flu and we had to cancel the dance on Jan. 28 and have our pot luck the following week. Glad to see you back Ernie, we sure missed you. Our caller is planning on a real nice workshop when this class graduates, and we are planning on attending. Sure to hope to see a good turnout in support of our caller. Till next month.

**CIRCLE EIGHTERS** of Vero Beach are happy to report that both Henry Bojack and Roger Crafts, who have been of the sick list, are back in good health. It is certainly good to see Henry dancing again and we hope it won't be long before Roger gets his Doctor's permission to do the same. Our jointly sponsored Saturday night dance with the Sandy Shoes Steppers in January drew a full house. Everyone had a wonderful time dancing to the calling of Art Springer and to the cueing of Stan Jaynes. The next jointly sponsored dance will have Joe Prystupa calling and Stan Jaynes cueing the rounds. A great number of winter visitors have been attending our dances in recent weeks. It gives us great pleasure to welcome visiting dancers and we hope they enjoy dancing with us as much as we enjoy having them. It is hoped that all club members will attend the annual meeting this month for the election of officers. Time and place to be announced by the President, Bill Keating.

DIXIE TWIRLERS of Miami have been busy polishing and provisioning their trailers and packing their dancing shoes to hit the road for our first camp out of the year. We even alerted the restaurant where we gather for our early morning breakfast. They tend to get upset when we descend on them without warning. This trip six trailer with fourteen people, pulled into their parking lot. After lots of hot food and hotter coffee to ward off the chill of the 40 degree plus weather, we really got rolling. The comparatively short run up to Clewston was made even shorter by all the CB conversation between rigs, ours and the other CBers on the road. By 10 AM we were all parked and getting ready for workshop or fixing our 'pots' for the pot luck supper. After workshop Roger Vandenberg Bar-B-Que'd steaks for supper and we had a 'real cool' feast. Several more of our dancers arrived in time to eat with us, then off to the evening dance. The Kane Cutters made up for the cold weather with a warm welcome to their Sweetest Dance. The decor was sugar cane, some of the door prizes were sugar and many of the refreshments were sweet too, not to mention our 'Sweetest' callers: Johnny Walter, Pete Sanson and Elsie Maynard. Needless to say it was a good dance. The Kane Cutters Kubs and the New & Now Generation gave demonstrations. Isn't it wonderful to see the children learn to square dance? It was a beautiful weekend. Hope to see everyone again at the next one, along with those who couldn't make this one. Happy Dancing!

CRESTHAVEN PROMENADERS have done it again. Our Fourth Annual Heart Fund Benefit Dance was the success it usually is. The dancing, refreshments and spirit were great. Since the beginning of the year, with the advent of John Serley as our regular caller, our attendance has more than doubled. The one half hour workshop preceding the regular dance is helping to bring up the level and enjoyment of the dancing. Don't miss it. New calls are reviewed each week so that they are not merely introduced and forgotten. The round dancing is keeping pace and the entire evening is thoroughly enjoyable. Round dancing starts at 7:30 PM. We are pleased to welcome Tillie & Norman Mutterperl as members of the club. Many of our dancers attended the SAVES Ambulance Benefit Dance and several of our members will be present at the Jay Fenimore Benefit Dance at Trails End Hall in Hollywood.

COVERED BRIDGE SQUARES of Coral Springs has scheduled Marv Linder from California Ken Cuore from Palm Harbor, Fla. and Ron Libby from Maine for March. Check 4W for the dates. Janet & George Alberts will be calling the rounds. Our club enjoyed a fun filled February with dances directed by Jack Lewis, Pete Sansom, Johnny Walter and Jerry Salisbury. We had our annual installation dinner at the Coral Springs Golf & Tennis Club and it was a high success including an after dinner impromptu square dance which was enjoyed by both square dancers and other guests at the club. This was an opportunity to show others the pleasures of square dancing. The 1978 officers are: Norm & Joan Schaefer, Pres.; Mike & Karen Overly, V.P.; Bob & Carol Aumann, Sec.; and Roger & Dottie West, Treas. We would like to take this opportunity to thank all our square dance friends for coming to our dances and hope they will continue to partake of our good hospitality and have a twirling good time.

CRESTHAVEN SHINDIG for the dancers now in beginners class was held Sunday Jan. 29th and what a turn out Twenty one squares of area beginners. Represented were classes from Castoffs, Boca Raton Boceneers, Palm Beach Swingers, Golden Lakes, Covered Bridge and Cresthaven Villas. This is the first of two beginners Shindigs held annually by the Cresthaven Squares. Tom & Inez O'Brien, square dance directors at Cresthaven Villas, were the organizers of this gala event. Tom had the able assistance of Pete Sansom and Bert Summers for the happy crowd. Henry & Grace Lippincott, Cresthaven's own round dance teachers, cued the rounds. The next Shindig will be in May, by that time all the classes will be graduated and a bang up dance is expected. Our thanks to all the beginnrs and their teachers who attended.

**SQUARE EM UP SAMS** The January camp out was held at Alligator Creek Park Campground in Punta Gorda on January 20-22. We had 15 recreational vehicles and 30 members attending Friday night we played various games and had refreshments. Saturday was filled with a business meeting, round and square dance workshops, a pot luck supper, and an evening of dancing with many campers from the park participating and watching. We had a gala after party with many demonstrating their talents. Chuck & Kathy Heiss favored us with a beautiful round dance exhibition and Virginia Huffman and Charlotte Miller, disguised as a horse did a hilarious dance. Our callers were Art Hacking, Larry Butzluff and Ken Logan for squares and Chuck Heiss and Peg Hacking cued the rounds. Our after party was one of our best. Lydia Balogh read a funny story. Ken Logan gave us another poem. Art Hacking gave a super fun skit as a man in a barroom. Dottie Golden as judge and Peg Hacking as court clerk gave a real funny skit on a day in court, with various members being brought in for fines. We ended our party with a few songs and retired for the night. After our continental breakfast Sunday morning, we broke camp and returned home. Our wagon masters were Ruth & Roy Corcoran and were assisted by Dav & Ruth Davenport who will be our February Wagon masters. Bob Fry, Pres. wants to compliment Roy Corcoran, in the absence of the Pres. and V.P., for doing a tremendous job of presiding at the meeting as well as being Wagon Master and also planning the entertainment. Good work, Roy! D.Fry

On Jan. 14 the Wagon Wheels came to steal our banner. We had a lively group that night. Clarence Steinhoff gives Larry Ford a periodic break while he calls the rounds. It is such a pretty group. If you do not know how come and learn. On Friday the 27th our Club went to Winter Garden to retrieve our banner from the Orange Peelers. Hope when you read this you will still be talking about the Rodeo Dance at Tupperware and what a good time you had, if you aren't you better mark your calendar in order not to miss it next year.

WESTERNAIRES of Miami hope you all had a fun month of dancing. By the way, did any of you attend the Country Western jamboree which was sponsored by the N. Miami Parks & Rec. Dept. held at Griffin Park. The Club was invited to participate in the program which turned out to be a great afternoon of dancing, music and fun for the young and old. We want to congratulate Norma Stewart and Lenora Mauer who both recently graduated from Nursing School. We are very proud of you both. Also we want to send a very warm and loving congratulations to Terry Puglisi and David Bordeleau on their recent marriage. We wish them a long and very happy life together. Come and dance with us real soon, we'd love to have you. Ann

SHOOTIN' STARS St Petersburg During Bob Bames' siege with the 'Bug' the Club carried on with Gib Mattson and Doc Gray who took their turn filling Bob's shoes. We all enjoyed their excellent calling, but it was good to see Bob back at the mike; and Dee, we know, was tickled to get him out of the house. He looks and sounds like his old self; some says he even sounds better (can that be possible???) We are all set for the state convention in May, watch out Orlando here we come! Cute, capable Carolyn Stelges gathered us all up and has already a block of 17 rooms all reserved and assigned. Talk about planning, that's it with a Capital 'P'! In spite of the flu which has laid some of low, our dances have been surprisingly well attended. Elmer Hicks' fine calling on the rounds has contributed much to these good evenings. Our class is coming right along with the angels having as much fun or more than anyone. Y'all come and see us.

BUTTONS & BOWS of Mulberry have been busy banner-stealing at Dade City Square Hoppers Zephyrhills Hillbillies and Gator Promenaders your club may be the next! Our own January dances were Big as usual with George Hinkel and Marty Martin and Bob Rust both calling to packed houses. We were entertained with clogging by some of our young dancers. Art & Edna Stein celebrated their 50th anniversary with a big cake. In March we'll have Marty Martin on rounds (the greatest!) and George Hinkel and John Saunders the other week.

TITUSVILLE SPACE ROUNDERS graduated a class with appropriate ceremonies and food. We sure have some excellent epicurean talent among our members. Several club members attended the Round Dance Festival at Lakeland and found the workshops very instructive and helpful. The transition of class members to club members is sometimes a problem, but with plenty of encouragement and assistance it is only a matter of a few months before it is accomplished. Some of our members were at the Central Fla. S/R Dance Assoc. dance at Merritt Island called by Colin Walton and cued by the Shankles. P.T. & Illea Luce

KANE KUTTERS of Clewiston hosted the Sweetest Dance of the year with Johnny Walter, Pete Sansom calling the squares and Elsie Maynard the rounds. What a huge success it was. Great people, great refreshments, and great fun. The New & Now Generation was there to put on a demonstration and are they super. Also, the Kane Kutter Kubs showed what they have learned with only eight weeks of lessons, and did a great job to "It's a Small World". Lethea Nall has worked so hard with these kids, and to show their appreciation they presented her with a beautiful hanging plant. Thanks to everyone who worked make this such a successful dance. OCEAN WAVES OF MERRITT ISLAND are planning ahead for a Swingin' '78 with the Marquis of Swing at the helm. Several camping trips are in the planning with at least one ready for announcement next month. In May we will hold our second annual Neptune Festival complete with an initiation for those who presently are not members of Neptune's Court. The Seahorse dangle is evident of an initiation successfully completed. We hear that keel-hauling is 'out' this year so plan to come on over and enjoy an evening of fun food and the usual terrific calling by Bill Marquis. There will be a class graduation soon and a splashing big party to celebrate. We will very likely plan another summer Knothead trip and a trip to go tubing on the 'Itchy Tuck Knee' Our recent memories of our Thanksgiving in the Country' and the Christmas and New Years Eve parties are all so pleasant that you can be sure of similar events on the 1978 agenda. A couple of evenings may be devoted to some special instruction to supplement our work shop tips each week. As you can tell every week seems to be special to the Club but it is even more special when you come to visit. Everyone is welcome at our weekly dance and certainly, at our special events both at home and away.

**PISTOLS & PETTICOATS** Pompano Beach John Sappio passed away leaving a lot of dancing friends behind. We'll miss him. Many have felt losses so take care of yourself, we want you around. If you have noted a fancier step while dancing with Chuck Leamon, you are right! If you seem to work harder, and the calls seem tougher, right again! If you feel that you need a workshop, you may be right. I dance two times each week and still find myself working harder. So if this is happening to you, don't blame the caller, that's easier than working harder, I guess, but it is kidding yourself. There's good workshops all over. Chuck even has one. How about some poetry? Slippin and a-sliding. Have you ever went a slippin and a-slidding cross the hall, then rub your shoes with soap cakes and cannot move at all? Two dances in February, the Sunshine Festival in Lakeland and our own Sweetheart Dance. See you on the floor, remember, we think so much of this dance we want to get it as the American Folk Dance (square dancing that is) Coming next month, A story about Chuck Leamon forgetting his records.  
Bill Christman

**HOLIDAY LAKE ESTATES WELCOME SQUARES** All of our committee worked hard to welcome all square and round dancers on club nights. As we look back over the first year we are pleased to have dancers tell us that they really enjoyed themselves when they attend and that they feel at home with our welcoming committee. We must be doing something right. We have a beautiful hall and good air conditioning and good callers on squares and rounds. Y'all come and enjoy the fun.

## PING PONG CIRCULATE....Don Beck.

The action starts from the 1/4 tag formation, most easily set up from a static set by having the heads or sides pass the ocean. This sets up the ocean wave thru the center and the outside couples behind the wave facing in. The Action is simply explained by telling the dancers in the wave to step thru...with the outside dancers all will pass thru...the new center dancers will step into an ocean wave while the new dancers facing out will partner trade. The action ends with a similar starting formation, with the original wave dancers as the outside couple and the original outside couple as the wave in the center.

The author sees the action as a circulating rotation into the new position. I find that you can only confuse the dancer by associating the action to a circulate....The name is no problem for the dancers, if there is a problem at all it is what to do after the Ping Pong Circulate and keep within the Mainstream program....Here are a few ideas.

1. Centers extend to a wave.
2. Centers recycle.
3. Centers Swing Thru...Turn Thru.
4. Centers spin the top
5. Centers turn thru.
6. Centers Fan the top to a square thru...

# THE Challenging Mainstream

BY GIL T. CROSBY - Gainesville

This month's material consists of two-couple zeroes which can be inserted into a dance routine at any point when couples are facing in order to extend the length of the routine. These zeroes can be used for heads or sides from a squared set, for the centers of a double pass thru or trade-by formation, or for all dancers from an eight chain thru formation or from lines of four facing. The sequences will, of course, zero out, i. e., return the dancers to their starting positions. Further, these zeroes can be used anytime two dancers are facing two other dancers, whether of the same or opposite sex.

ITS GREAT TO BE A SQUARE & ROUND DANCER No greater words have been said! I just wish that I could be more than just one person, so much fun is to be had in this wonderful world of dancing. I get phone calls from far and wide asking about where they can dance and of course, it is my greatest pleasure, to tell them of the many clubs and classes and special events. At this writing our annual Pageant of Light dance is right here. I would like to thank Lee & Earle Kastner for their untiring efforts of making this event always the greatest. The spectator tickets were sold out far in advance. Another rewarding event that quite a few of you had the pleasure of seeing, was the exhibition dance at the Edison Mall, done by the V.I.P Grand Squares (visually impaired persons) under their happy caller Maurice Williams, really wonderful and what praise they received! An exhibition of round dancing was another event done by the Kastners. So pretty to watch in their beautiful dresses and graceful movements. Squares were done by the round dancers to the calls of Bill Shell, who has just moved into the area and calling at Cape Coral. This was really a great treat and made the non-dancers interested into getting into the swing. Feb. was a short month but chocked full of a lot of goodies and so is your Bow & Swing. The pictures last month were great from the Ft Myers area. Remember there is dancing every night in our area. Come and join us, it is a busy town!

HAPPY FEET SQUARE ANCE CLUB of West Palm Beach is proud to announce that our dance for the benefit of the SAVES Ambulance Service was overwhelmingly subscribed. A total of \$825 was raised for this worthy cause. A special vote of thanks to Ernie Bass, Ralph Otis, Tom O'Brien and Ed Curran who alternated on the squares; and Wally Jacobs assisted by Rocky Russo on the rounds. Refreshments were served thru out the afternoon, and a spectacular party was held for the club members and guests after the dance. A worthwhile day for a worthwhile cause by worthwhile people. Bouquets to our club members for their splendid cooperation in making this dance the talk of the town.

BRANDON SQUARES of Brandon have had some great dances starting off 1978. We have moved to the gym of the First United Methodist Church in Brandon. Any time you are looking for a fun spot to dance, just come on out and dance with folks who love to dance. See you soon.

Our new class will graduate in March and we would like to invite everyone to come to this 'experience' for our new class and help us welcome them to the wonderful world of square dancing. Our caller, Carl Rod, and his law Carol, and a group of club members have several things planned for this unsuspecting group that they will long remember. Prior to coming to Florida, the Rods lived in several other states where Carl was also a caller, so they bring with them lots of new fun ideas for graduation. We hope you will join us. SECOND FLORIDA PALMQUIST CLINIC, LAKE LAND, FLA.

Another beautiful Florida Palmquist Clinic weekend, Jan 6,7,8, is now a happy memory.

Ninety-nine eager couples were in attendance to partake of Eddie and Audrey Palmquist's vast knowledge of International styling, comfortable Round Dancing, and beautiful figures. Thirty-two Teacher Couples, and sixty-seven Dancer Couples represented 17 States including Hawaii, Canada. Our Clinicians dwelled on Quickstep and Tango. Everyone worked hard and long on the challenging and beautiful "Tango Ole" choreographed by Roy and Phyllis Stier. Eddie and Audrey worked so diligently on this Tango that before we all parted about 40 couples were up to take this challenge without cues. It was most rewarding to be able to take home so much of the knowledge the talented Palmquists shared with us, in making difficult kfigures comfortable and a joy to dance. Suggest you pick up "Tango Ole", it is well worth the effort - Telemark 1569B or IDTA 11B Vole Guapa".

A most delightful Quickstep written by the Palmquists "Dancing Woodpecker" Windsor 4710B - we predict will take the country by storm! Beautiful music, easy flowing Quarter turns, Progressive Chasses, Quick Open Reverse, and that delightful V-6 figure will put the dancer in an optimistic mood to tackle the tricky "woodpecker" sequence in Part B. When you teach this dance, allow an extra 15 minutes on to your coffee break and sit back and enjoy your dancers as they scurry over to the corners of your hall to practice the quick 5, change points, woodpecker seq. Here again, we were amazed at the number of dancers who danced this number without cues before the weekend was over. Hope Eddie and Audrey were proud. Really, no one let down on their attention, no matter how tired they were. At the end of the five 3 hour sessions, Eddie and Audrey looked like they had just arrived to start. Fantastic couple! Request Rounds were also enjoyed by all the group and who wouldn't enjoy them with George and Bobbie Stone at the helm. As we all know, George is a wonderful Cuer and had the crowd beggin for more. A new Swing number written by the Palmquists was introduced. "Swing Away The Blues" (Windsor 4726B (Swing-A-Roo)), a great beat, restored everyone's confidence. It was the last routine and styling taught, and with all the knowledge packed into us, we had no problems. Many dancers were happy to get their first Jive number in their portfolios - after all who doesn't love to SWING IT!

Saturday Evening After Party was really very lovely, Champagne Fountain and tables and tables of appetizing food - coupled with the ever ready friendliness of happy Round Dancers made a wonderful party for all. This Party was sponsored by the Committee - Paul and Lorraine Howard, George and Bobbie Stone, Herb and Harriet Gerry, with the Lakeland Hilton Inn sharing the expenses. Accommodations and personnel at the Lakeland Hilton Inn are really very fine, they deserve a share of the credit for a wonderful weekend. We are grateful to them for their serious consideration of our needs.

Paul and Lorraine Howard who Head our Committee, have again done a superb job, and together with the Stones and the Gerrys, we have again had a successful Florida Palmquist Clinic. Happily, 1/3 of our attendance has now made paid reservations for next year's Clinic January 12, 13, 14, 1979 - same place - same fantastic weekend! Be There!

Herb and Harriet Gerry, Pub.

WHEEL N' DEALERS Cresthaven Villas, West Palm Beach are the newest dance group in this area. The need for a program to advance newly graduated dancers to club level was recognized by Tom & Inez O'Brien, Directors of Square Dancing at Cresthaven for the past nine years. At the end of graduation in May 1977, the class was continued on the same night for the balance of the summer. In September it was decided that the group needed a name. Several names were submitted and a written ballot was taken with the above name being selected. The first big affair was a Pot Luck Dinner for all charter members. The dancers provided everything but the meat course. Tom & Inez provided the chicken. 146 dancers attended and the club was off to a great start. Mainstream plus I figures were featured for the first few months. The club is now doing most of the Mainstream Plus II figures and some of the Callerlab Experimentals. To date there are 160 members in the club. With an average attendance of 16 squares. And what a happy gang they are. Dancing at the level they enjoy and at a pace acceptable to everyone. A real fun club with a big welcome mat out for all who like a relaxed Mainstream II dance. Look for the new Wheel N' Dealer green badges. It signifies a happy dancer.

**MERRY TWIRLERS** Wilton Manors Happy March winds to you all. By the time this appears our February Luau Pot Luck will have Alohaed right into March! The Club has initiated a once a month All Singing Calls dance. Come and try it out with us. We hope the flu bug bites no more, our members have had their share of it. Jerry Seeley and Ted Anderson will be calling for us this month while our caller Bill Roundtree turns his Motor home's nose northward to Callerlab. We hope he doesn't need a snow plow! Our Luau this month combined with our Valentine King & Queen selection and we'll have to wait till April's news to find out who that was. Have a good month everyone, and a better one next month!

# STUFF & NONSENSE

by EMILY LEACH

Sign on Organic Farm: "We till it like it is."  
It's tough on Josh since he gave up drinking. He's had nothing to live on but food and water.  
Confused gent, with release in hand, leaving a Mental Hospital: "For three years I was Napoleon, now I'm a nobody."  
It took a helluva lot of will power, but I've finally given up dieting.  
Sign in a delicatessen store: "If you can't smell it, we don't carry it."  
While reviewing an applicant for Relief, a social worker a bit shocked asked the woman: "Don't any of your nine children have the same father?" The woman replied: "Yassum, I believe the twins did."

The heavy celebrant, while shaving himself on New Year's morn, cut himself so often that he lost so much blood, his eyes cleared up.  
An elderly gentleman underwent surgery under Medicare. After coming out of the anesthetic, he noticed a sign propped against his bandages that read: "This is a Federal Project showing your tax dollars at work."  
Sign in a Photo Lab: "Some day your prints will come."  
I can't see why people don't want to be bill collectors. Almost everyone you contact asks you to come back again.  
The best way to forget your own problems, is to help someone solve his.  
Most people know you can't buy happiness, but they have a strong feeling that you can't rent it.  
I know a gal who claims she just can't get along with her hubby and would sue him for incompatibility----if she could only catch him at it.  
Temper is what gets most of us into trouble. Pride is what keeps us there.  
Saw a sign on a teen-ager's jalopy the other day: "Help the College of Your Choice" "Drop Out".  
I just invented a marvelous hearing aid that is quite inexpensive. It's a sign you hang around your neck that says, "Shout louder."  
If your child says he doesn't feel loved, the next time he needs a spanking---spank him with feeling.  
A man is about as big as the things that make him angry.  
In these days of unisex and matched clothing, things get so confused. I know a couple who look so much alike that if he had muscles, you'd think they were twins.  
An Appalachian couple were rocking back and forth in the front porch swing. "Rachel, he said: "we've had a wonderful 62 years together, but we're going to have to face it, pretty soon there won't be but one of us left." "Yep," she said, "and when that happens I'm a-goin to Miami Beach."  
I like to see people with plenty of get-up and go---especially people who come and visit and stay till after the 10:00 o'clock news.  
An Insurance Company got a letter from a woman who wrote, "I am glad to report that my husband who was reported missing, is dead."  
Bumper Sticker: "Help preserve wildlife." "Throw a party tonight."  
Did you hear about the Doctor's wife who was so jealous, she listened in on his stethoscope.  
Some of the movies are so violent they should be rated by blood type.  
It's a strange fact about women, they're willing to share a whole life with their husbands, but not their closet space.  
Ain't it the truth!! People who snore always fall asleep first.  
Kids today say that they just aren't goint to put up with any more baloney from the older generation. Food, clothes, allowances, cars, shelter---yes. But no baloney.
