## Florida Callers Association

• SQUARE DANCING IS FUN •

Have you ever considered the mechanics of a square dance convention? They don't just happen! Each state convention has been in the planning stage for a minimum of two years. During the convention it would seem that the callers and cuers are making it go, and so they are. But there are myriads of other chores and jobs "behind the scenes" that have and are taking place: Renting of convention halls, planning the program, working with vendors, security, logistics of every sort, publicity, decorations, convention costumes, just to name a few.

Even when you are part of the convention committee it is hard to estimate how many people are involved. These dedicated people are spending their *time and money* to attend meetings, planning, etc., so that you can enjoy a weekend of square dancing. These people are not paid. Neither are the callers and cuers. The only pay they receive is from you who attend the convention and they hope that you enjoy their efforts. If you see any person identified as part of the convention committee, callers and cuers, thank them for their efforts expended the past two years. That will be the frosting on their cake!!

# FLORIDA FEDERATION of SQUARE DANCERS

## PRESIDENT'S MESSAGE

Convention time is fast approaching. First, there is our Florida State Convention May 25-27 in Lakeland. We hope to see all you dancers there. Your Florida outfits should be worn on Friday night. We have ours and they are

beautiful. We've worn them to several dances, among them the Chipley "Spring Fling" the end of March and have received many favorable comments.

National Convention in Baltimore takes place June 28-30. We will be wearing our permanent outfits on Saturday night in the "Parade of States". Our "Showcase of Ideas" for this convention is now taking shape. The theme for this year's display is to be "Come Dance Under the Palms", and it will be carried out in an unusual and creative way. If you have any materials which might be suitable, please contact Leo & Mary Richardson, 2407 Anastasia Avenue, South Daytona, FL 32019, phone; 904/767-1717. Those of you who plan to attend the National Convention are needed to help at the Showcase. Contact Leo & Mary and volunteer an hour of your time. It's fun to be there, and you are helping to promote square dancing and your state.

In the works for distribution to each area and dissemination to all new square and round dance graduates, is a handsome handbook which is being put together by the Education and Services Committee of the Federation. This handbook should be completed and ready for distribution in the not too distant future.

Recently we have received further correspondence from the National Folk Dance Committee. They are requesting that we continue our efforts in behalf of HR 1706, the bill which would permanently designate square dancing as the National Folk Dance of the United States. Most representatives in Florida are already cosponsors of the bill, if yours is not, continue to write him.

All Florida dancers should send letters and petitions to Katie Hall, Chairwoman Subcommittee on Census and Population and to William Ford, Chairman Post Office and Civil Service Committee, 309 Cannon House Office Building, Washington, D.C. 20515. Express a desire for them to expedite Committee Consideration of HR 1706-S 1448 for a permanent designation and report it to the House for a vote as soon as possible. Each communication received will help to bring our bill to their attention and will further a *Permanent Designation*, so let's keep the mail pouring in up there.

Sincerely,

*Conrad & Belle Bishop*

# ASSOCIATION NEWS

## SOUTHEAST

The Southeast was recently hosted by The Diamond T's for the Wearing of the Green. Refreshments were a-plenty and green could be seen as far as the eye could see. We always draw a crowd at this affair.

Frank & Nan Habersberger have been busy preparing for the 1985 Kickoff for the State Convention. These are our Chairmen for the Southeast Area hosting the Convention for 1985.

March 25 drew a big crowd of dancers to the Palm Beaches where the annual charity dance given by The Cresthaven Squares and the Wheel N' Dealers was held. All monies taken in at this dance were given to The Multiple Sclerosis Society. On behalf of the Southeast Florida Square & Round Dance Association we were able to give a donation to The Multiple Sclerosis fund.

We are looking forward to our April 8th Clinic hosted by the Coconut Squares in Coconut Creek. Our special guests will be Frank & Frances Smith, the Chairman of the 1984 Convention.

Are you attending the National Convention in Baltimore? If so we need volunteers to man the Florida Federation Showcase of Ideas. If you can contribute just one hour of your time please see me at one of the clinics to sign up. We do need 6 couples from South Florida to do this little task.

The Official Florida State Outfit is now ready to be made. I as President of the Southeast, now have patterns ready to give to all dancers. Anyone wanting a copy of the pattern can contact me or Boots Oglesby as told in the most recent issue of the WHO, WHAT, WHEN, and WHERE. The Florida dress is to worn on Friday night at the State Convention in Lakeland and on Saturday nite in the Parade of States in Baltimore at the 1984 National Convention.

If you man the Showcase of Ideas, wear your Florida Outfit while on duty. When the outfits are ready the Federation has asked that we wear them as soon as possible in order to publicize them in Florida.

## WEST COAST

It sure is nice to see the colorful flowers and green grass and trees again, after our long and cold winter.

Someone that was nice to see again was Irene McKown. She was at the West Coast Membership Dance at Naples. Irene was presented a special honor at the Pageant of Light Dance. She sure is a special person. We all think a lot of her. She is county Vice President for Lee County and has been for many years. She has done a very good job for the West Coast. Now we want to thank her for all she has done and thanks for the little gifts she sends us. It is rumored that she once danced with Thomas Edison.

The West Coast Dancer is going computer. The Dance Calender, workshops and specials are printed in a computer. It helps printing the magazine faster and easier. It also looks neater too.

We continue to have donations given to us at our membership dances.

It is May and State Convention time is here. Hope everyone has their dangle. If you don't have them you will be missing a good time and a lot of fun, unless you get them at the door.

All of the West Coast Square and Round Dance Association Officers and County Vice Presidents are wearing the New Fall Fun Fest Dance Ribbons. Remember the FFF Dance is being held on November 9 & 10, 1984. Hope to see you there.

*Gerald & Dolores Ault*

# '84 CONVENTION NEWS

*Northeast Square & Round Dance Assn. - Host*

Just one month from now until State Convention. We have been traveling as much as we can the last two months and will be on the road the next three week-ends. We look forward to seeing as many of you as we can

The registrations are really beginning to come in fast now. If you have not made yours yet, do so now. There are still some rooms available in Lakeland. Contact the Chamber

of Commerce for information.

We have a fine program for squares, rounds and cloggers. We especially invite the new dancers to come and enjoy dancing and meeting many new friends. Let us, the older dancers, welcome you new dancers into the square dance activity.

Come one, Come all and enjoy this week-end with us - May 25, 26, 27.

*Frank & Frances Smith*

## ORLANDO SINGLES

ORLANDO . . . It is with deep sadness that we report the death of one of our devoted members. Jane Kaminsky passed away in March after a lengthy illness. Jane was a dear person and will be missed by all of us.

We are now dancing 4 Fridays a month, (not the 5th) George & Rita Deschambeau will continue to call on the 1st & 3rd and guest callers on the 2nd & 4th. Come dance with us.

We're looking forward to the Dance-A-Rama to be held at the Sheraton Twin Towers in Orlando over Labor Day Weekend. FASSRD is the host and many of our members are deeply involved in the planning.

*Harriet Young*

## BELLES & BEAUX

GEORGETOWN . . . On Friday the 13th of April our club will unite with the Salt Spring Squares of Salt Springs to graduate our combined classes of the year. Black cats will decorate the walls but our only bad luck will be that the "Salty Squares" can't visit us every Friday having either to swim the St. John's river or drive all the way around to reach us. After graduation a workshop will continue on Friday nites for the Graduates and we are happy to have them wearing "Belles & Beaux" badges from here on.

A Crazy Hat dance on April 27th will round out our month with some really original "Toppers".

*The Country Couple*

## SALT SPRING SQUARES

SALT SPRINGS . . . We look forward to our visit to the Belles & Beaux of Georgetown for our combined Graduation.

Hopefully it will be their turn to visit us at our VFW hall over here some Tuesday evening. Y'all come too!

*OLD SALT*

## FOUR TOWNE SQUARES

DELTONA . . . The Four Towne Squares had a fashion show to select a new club costume. Kings Kid Corral presented the fashions with club members as models.

Our St. Patrick's dance was a big success with decorations of green hats, shilelachs, clovers, and best of all, a Blarney stone. The dancers enjoyed the Slaunch to Donegal contra and MacNamaras Band.

We'll be looking forward to seeing all our friends throughout the state at the state convention.

# Florida Square and Round Dance HALL OF FAME

As the result of balloting by the 15 member Selection Committee of the Hall of Fame, five couples will be inducted into the Hall of Fame. The ceremony will take place at 7PM in the Lakeland Civic Center Arena on May 26 during the State Convention.

Those being inducted are Don and Marie Armstrong, Hudson; Jimmy and Elizabeth Clossin, Orlando; Bart and Ruth Bartley, Gainesville; Harry and Helen Moore, Miami Beach and Al and Dot Cody, Kissimmee.

The Armstrongs were instrumental in forming the Florida Callers Association and the first two State Square Dance Conventions. The Clossins moved to Orlando in 1950 and this nationally known caller and publisher became active with caller and dancer seminars throughout the state. The Bartleys along with Moores and Blaums worked several years to bring the National to

Florida. Both were heavily involved with the Callers Association and Ruth also with Round Dance Council. The Moores were involved with establishing the Florida Federation of Square Dancers serving as first president as well as General Chairman of the National Convention in Miami Beach. The Codys along with the Moores were involved in the forming of the Federation and in 1957 and 1958 assumed responsibility as editor and publisher of "Bow & Swing".

The inductees or their representatives will be presented with a smaller version of the plaque to be mounted in the Hall of Fame at Strawberry Square. They will also be honored at the Hall of Fame Dance which will be held at Strawberry Square on Sunday afternoon November 4, 1984.

## DO YOU BELONG?

*By Hugh & Jean Fultz*

Dancing, even on an irregular basis, identifies one as a square dancer. It follows that pleasure is derived from our association with the others who make up this vast fraternity. You may be a dancer, even at a high level and a high frequency, but *Do You Belong?* You have enjoyed the camaraderie, benefited from the exercise and the mental stimulation, but what have you contributed to the movement? Do you belong to a club? Are you willing to serve as an officer in a club or association? Are you a mover and a shaker, or are you a sitter and a taker?

Many times when I have asked for cooperation I have been told, "I didn't retire to do anything." In other words, Go away and let me quickly die in peace!" There is an old adage which says "One derives pleasure

or satisfaction from an activity in direct proportion to his contribution to that activity." So, what have you contributed to the growth of square dancing?

The word clique raises its head in all organizations composed of those who simply sit and criticize. It is true that most organizations are run by a precious few who recognize the need for willing workers. The best way to thwart the clique is to become a part of that clique. They will welcome you. Become active, join a club, become an officer, join the association, be willing to put something back into the movement which has given you so much.

Jerry Schatzer, Chairman of the CALLERLAB Plus Quarterly Selection Committee, has announced that the Plus Quarterly Selection for the second quarter of 1984 (beginning April 1, 1984) is **CHASE THE TAG** (Right, Left, In, Out). The definition, timing and dancing examples for this call are as follows:

### CHASE THE TAG (Right, Left, In, Out)

From couples back-to-back, right-side dancers right-face U-Turn Back, left-side dancers Fold. All finish as in Tag the Line, then take the facing command (Right, Left, In, Out) if one is given. Variations would include: Chase the Half Tag, Chase the 3/4 Tag. Note that if no facing direction is given, the movement ends as in Tag the Line, with dancers in single file awaiting the next command.

Timing: 6 Beats

## BANNER STEALING

There have been some requests recently for the rules for Banner Stealing. First of all, we hasten to mention that there have been no official rules set forth by any state association, and that certain areas have their own local customs concerning banners.

In South Florida, banners are "pinned", and if anyone would like to supply **BOW & SWING** with the "rules" for this practice, they will be printed in a forthcoming issue.

most clubs for banner "stealing":

One square (8 paying club members) or more must attend a club's regular dance to steal or retrieve a banner. This is to be no stealing or retrieving at special ticket dances. It takes one visit to steal and another to retrieve.

In the event your banner is not available, a club token will be given to the bandit club (such as the caller's or club president's pants, or taw's petti pants).

## THE PLUS PROGRAM

SOME VARIETY WITH TRIPLE TRADE . . . What I have done with this idea is to set up a tidal wave and work the center four into a two faced line while leaving the ends in mini waves and from this setup use a TRIPLE TRADE ACTION . . .

*Zero Line: Dosado to a Tidal Wave...Grand Swing Thru... Center Wave...Recycle & Veer Left...(centers now have a two faced line ends are in mini waves)...Triple Trade...Centers Wheel & Deal & Square Thru Four...Outside boys run right then bend to face in... Dosado to a Wave...Recycle...Pass Thru...Trade By...Left Alle....*

*Zero Line: Pass the Ocean...Fan the Top...Very Center Boys Trade Then Run Right...Triple Trade...Girls 1/2 Tag...Boys Single Hinge... (check columns) Single File Circulate...Center Four Walk & Dodge... Outside Girls U Turn Back...All Star Thru...All Slide Thru...Left Alle....*

*Zero Box: Spin the Top to a Tidal Wave...Center Wave Only Swing Thru... Center Boys Run Right...Triple Trade...Center Four Crossfire... To a Follow Your Neighbor & Spread...Outside Boys Run Right then Bend to face in...Ping Pong Circulate...Recycle...Swing Thru...Turn Thru...Left Alle....*

The above should provide you with a few ideas to build upon...easy to follow by the dancers yet with a different flavor.

## POINT TO POINT DIAMONDS

I have been asked about the use of POINT TO POINT DIAMONDS as part of the Plus program. I do not use point to point diamonds as part of my regular plus dance program. We have many visitors and I would have to workshop the call every time I wanted to use it. It does make for a better understanding of the total diamond family so if you need a workshop idea some time, select point to point diamonds.

*Zero Line: Dosado to a Tidal Wave...Grand Swing Thru...Boys Run Right... Girls Hinge...Diamond Circulate...Flip the Point to Point Diamonds...Recycle... Sweep 1/4...Left Alle....(zero box)*

The key to recognizing the POINT TO POINT diamond formation is the dancers understanding that the centers of the diamond are the pair with the hands touching and the points, who would "flip in" on the call *flip the diamond* are not touching any other dancer. A good idea is to work with a single diamond and emphasize the centers are the hand holders.

## PEEL THE TOP

In looking back through my mail I find that I have several letters in my files asking about "Peel the Top" and most of them stating that the Callers don't seem to feel that there is much you can do with it. I have, as I always do, answered each letter that I receive, but since there might be other Callers with that feeling, I am going to show examples this month, showing that there are many things you can do. I will begin each of this series by having Heads Square Thru, then end by bringing the dancers back to Zero, where they would be after the Heads Square Thru -

**One and Three will Square Thru  
Swing Thru with the outside two  
Now the men run to the right -  
Wheel & Deal - Veer to the Left -  
Girls Hinge - Diamond Circulate -  
Flip the Diamond and Swing Thru -  
Girls Trade - Girls Fold -  
Peel the Top - Boys Move Up -  
Right & Left Thru - Turn your Sue  
And then - Star Thru -**

That last Right & Left Thru is needed to get them back to the point of Zero. That is, Men facing their original Corner Lady, in an "Eight Chain Thru" position, after Heads do the Square Thru. However, as I have said many, many times before, you can add that Right & Left Thru at any point in the figure. Try something like this one,

**One and Three will Square Thru  
Right & Left Thru the outside two  
Turn your girl and - Swing Thru -  
And the Men run to the right -  
Wheel & Deal - Veer to the Left -  
Girls Hinge - Diamond Circulate -  
Flip the Diamond and - Swing Thru -**

**Girls Trade - Boys  
Trade - Girls Fold  
Peel the Top - The  
boys move up -  
Right & left Thru -  
Turn your Sue -  
Flutter Wheel now  
and - Star Thru -  
Right & Left Thru -  
Turn your Gal -**

Now they are back to that Zero point again. You will note that we did have the dancers do a Right & left Thru after the Heads did the Square Thru, then later on, before ending the sequence we had them do another Right & left Thru. That last one was simply used to cancel out the first one, meaning that you could leave both of them out if you want to. And don't forget that "Girls Trade, Boys Trade", from an Ocean Wave, is equivalent to a Right & Left Thru. So actually the field is wide open as far as "Peel the Top" is concerned.

I noticed in each letter that every Caller mentioned a very easy Basic "Peel the Top" but wanted information on other things and places it can be used.

The basic one mentioned is,

**Heads Square Thru - Swing Thru -  
Girls Fold - Peel the Top.**

You might try it like so,

**Heads right and circle to a line  
Pass the Ocean - Swing Thru -  
Girls Fold - Peel the Top -  
Boys move up - Right & Left Thru  
Turn your girl and Cross-Trail Thru  
and find Corner, Left Allemande. . .**

## LEFT ALLAMANDERS

ST. PETERSBURG . . . Our Mini-Snowbird dance was great and rated four stars for fun, fellowship, food, and frolicking. . . Summer is almost upon us and we have been bidding adieu to our winter guests as they head north. Some of our paths will cross as many of our members are planning summer journeys. Now is the time to interact with local clubs by stealing and retrieving banners.

We are happy to report that Leonard Peck and Sid Mitchell are recuperating after their recent illnesses.

*Millie Ehrlich*

## HA-LO GONDOLIERS

VENICE . . . Delicious finger food March 29th celebrated "Boo Hoo" Night when we sadly bid fond adieu to many dancers we will not see until next Fall. . . Monday night classes will continue at the Venice Community Center throughout the summer. Thursday night classes at the Venice Ranch will be discontinued at the end of this month until further notice.

*Elsa & Connie Chedister*

## FAIRWAYS SWINGERS

ORLANDO . . . It was a "fun" night and enthusiasm reigned supreme on April 30th as a beginners class was led through a traditional "secret" Graduation Initiation Ceremony. Those that "survived" the ceremony were invited to join the club and were greeted with open arms.

Though many club members leave for other climes during the summer, we have a full program during those months and member participation is high.

*Sam & Laurene Jackson*

## TEMPLE TWIRLERS

TAMPA . . . Thanks to all callers, cuers, and dancers who helped make our 4th Annual Benefit Dance for the Crippled Children's Hospital Fund a huge success!

On March 14th, three squares of Twirlers put on an exhibition dance before the monthly Shrine meeting. Club member Mimi Edwards presented a check, in a sizeable amount, to the Potentate, representing the amount received from all you

nice people for the Hospital Fund.

Club member Edna Harris is suffering from cancer. Our prayers are with her and her husband, Claude, for a return to good health.

*Joe & Mary Ann Yusas*

## SHOOTIN' STARS

. . . *Shootin' Stars - Shining Bright  
Rounds & Squares - Such Delight*

Our "goody bag" of things on our agenda, picnic at Fort DeSota, a Spanking new slate of officers, one we all look forward to for many great things.

*Rose Krause*

## WAGON WHEEL SQUARES

ST. CLOUD . . . Most of our club showed up to steal the Kiss-A-Mee Squares' banner on March 10th. . . The 16th was a special night for our caller, Dale McClary and Caroline. They celebrated their 24th Wedding Anniversary. Cake was enjoyed by all and served by Caroline.

20 new dancers went through a candlelight ceremony read by Georgia Blackburn, and diplomas were given out by Jean Gaskins, class instructor. As they were lined up, the club members took them into squares to give them moral support. We're looking forward to having them join us on Friday nights.

*Bev Whitney*

## CHARLOTTE PROMENADERS

PORT CHARLOTTE . . . Our 1983-84 season will end with the finale May 31st, and we will resume dancing in October. New officers take over in April and we wish them well. To those retiring, "Thank you—well done." A safe and happy summer to all.

Is square dancing good for you as well as fun? Ask Glen & Alma Boyd. They celebrated their 59th Wedding Anniversary and his 89th birthday in March, and they dance several times a week.

*Wayne & Eddie Tennant*

## MERRY MAVERICKS

JACKSONVILLE . . . The 9th Annual Presidents Ball will be held May 11th at Forrest High. To all our dancing friends we bid you welcome.

## AZALEA SQUARES

... We are busy these days! While a group went on a cruise to Hawaii, the ones who were here danced one night to the calling of Earl Steele then the next week to Lee Kopman. Now this week Mac & Hazel will be back and we will celebrate birthdays and anniversaries. So come on out and join us for a good time. See you in a square.

*Granny*

## RIDGE SQUARES

LAKE WALES . . . Our club's 7th Anniversary is history now, but what a tremendous party that was! Lots of good food, good dancing and door prizes. Carl & Carol thank everyone who helped in setting up, providing the beautiful floral arrangements, and for other duties too numerous to list. It took many hands to do such a fine job.

Our new schedule is as follows: Wednesdays at Lake Wales - 6 PM to 6:45-EZ Rounds; 7:30-8-Intermediate Rounds; 7:30-8-Plus Workshop; 8:00-10-Plus dancing.

To all Northerners leaving, we'll see you next fall. Have a nice summer.

*Della Maier*

## GULFSIDE SQUARES

VENICE . . . We are so happy to welcome Carol back swinging again after her hospital trek. I'm sure Joe is glad to have her company on the long trip from New Port Richey to Venice each week.

*Elsa & Connie Chedister*

## SWEET ART SQUARES

YULEE . . . 17 members traveled with Art & Lucille Wilson to the Veteran's Hospital in Lake City March 4th to dance for the patients. The fellows did some skits and Glenn Parson played his guitar and sang. . . The club was invited by the American Legion and VFW in Fernandina Beach. . . Thanks to Linda & Docky Blake for the fish fry at Pirate's Wood. Everyone brought a covered dish to go with the fish and Docky also cooked a big pot of grits.

Our class graduates April 10th. On April 27th we are all going to Neptune Beach to visit and dance with the Seaside Stompers. May 11th & 12th are the dates for our

Spring Festival in Fernandina Beach at the Rec. Center.

*Pat & Don Piper*

## INVERNESS SQUARES

INVERNESS . . . We have been busy this month. On March 17th we danced for residents of the Crystal River Geriatrics Center and on March 24-25 we helped entertain "under the Big Top" at the Crystal River Home and Outdoor Show at the Crystal River High School. We hope the folks who watched enjoyed it as much as we did!

*E. R. Cramer*

## DRIFT AROUND SQUARES

... We are surely living up to our name. In February we drifted to Pacetti's and had a super campout—good food, fellowship, weather, and dancing. The engineering crew (men) worked on fish cookers while the ladies did their thing with crochet hooks. If there was a record for the fastest crocheter, Joyce Perez would surely win. Next time, bring your yarn and join the fun.

Congratulations to our artist, Billie Kline who won a 1st place ribbon and best of show in the Woman's Club Art Show.

Hugh Butner's friend drove his camper in from Texas, so he is now recuperating at home and very glad to be back in Florida.

*Wally & Jean Miller*

## KISS-A-ME SQUARES

KISSIMMEE . . . We will have an installation dance on May 12th to honor our incoming officers for the 84-85 season. We also will be saying goodbye to our "snow-bird" friends and fellow members as they head back north, while we "natives" settle into summer's slow and easy schedule.

*Grace & Sam Lite*

## NOTICE

Please check your address label on this issue of **BOW & SWING**. Many of you have been issued new zip code numbers, but you have not notified **BOW & SWING** of this change as yet. The Postal Service has a deadline when they will not forward mail from the old zip code.

## NSDCA LIMONADERS

LAKELAND . . . All the members of Chapter 139 anxiously await their second Camporee April 20-21-22 at the Peace River R.V. Resort. We hope to have a lot of visitors and new members. Our dance is a good Plus dance and our rounds are a good level. Since this article will be published after our Camporee we all hope you joined us in all the fun

*Dorothy & Melvin Mouldin*

## CANAVERAL SQUARES

ROCKLEDGE - COCOA . . . Have had a lot of "SnowBirds" visit our club this year and we are all thankful they are here... We also have a lot of "T Birds" from that Big Town of Titusville, "Our George" and "Dancing Wanda" are with us just about every Tuesday. Wanda does a cute wiggle when the caller says couples up to middle and back.

Barbara Clark has been in hospital and is doing better now. Maybe it won't be long before we see her & Darryl soon. Martha Avis has been on the sick list - we miss Lee & Frank and hope it won't be long before they are back dancing.

Celebrated Valentines Day with "Our Famous Pie night" Carl Jarvis said he only likes 2 kinds of pie and that was hot and cold, but he did a good job at sampling all of them.

Two squares from the club went to the Sundancers in Titusville to retrieve our Banner and had a delightful dance. Everyone was so nice to us.

On March 6th we had a "Bunch" of Dancers visit our club from "Down South", seems like they were all working on their "Die Hard" Badge, while they were with us - "The Girls" decided to dance "Topless" - to earn their "Topless Badges".

*Bill & Connie Andrus*

## FEATHEROCKERS

BRANDON . . . We will hold our election of officers for 1984-85 May 3rd. The club will also have a club picnic at the Edward Medard Park of Saturday, May 26th. The club has been doing a lot of banner stealing this spring.

*Allan L. Wolfe*

## SOUTHERN STARS

BONITA SPRINGS. . . Our "Dancer Appreciation" night and St. Patrick Party were enjoyed by all our members and the many guests and visiting dancers. In April we plan an Easter Dance complete with jelly beans and candy eggs. Another high point of our April schedule is class graduation at the end of April. As we have all been through the rigors of lessons we can sympathize when the "We'll never learn all this stuff" look comes into their eyes. We will welcome the new dancers into the club with diplomas, special awards and gift copies of *Bow & Swing*.

*Irene*

## GRAND SQUARES

GAINSVILLE . . . Graduation time is near and we're delighted that many class members want to join our club. (We're having our graduation exercises on one of our regular club nights - April 3rd).. Lonnie is starting Plus level classes on April 12th. We're having fun at the rec center every 2nd Sat. when our caller (and several others) present "Saturday Night Fever". Catch it, if you can!

*Diane*

## GOLDEN TRIANGLE SQUARES

EUSTIS. . . May is the month of many changes and here at Golden Triangles we are no exception. . . Our new Presidents are Vernon & Eloise Cannaday; Vice-President Leon & Jean Lefler; Secretary; Bob & Lillian Sheehan; Treasurer; Walter & Vi Anderson. Directors - Gene & Nancy Grimes, Ken & Mildred Shuck, Ed & Bunny Smiley.

We follow an excellent Board who served us well. We hope their fine example will help us keep the club functioning well.

We will be dancing the first and third Thursdays through out the summer.

*Bob & Lillian Sheehan*

We all enjoyed seeing the videotape of the performance at the Ault's covered dish supper. Clint did a good job. The members are looking forward to the Bagley's Medieval Supper.

We invite all area dancers to come dance with us and enjoy great refreshments.

*Kathy & Lynn Harrison*

## SPARES 'n' PAIRS

**ST. PETERSBURG . . .** Our St. Pat's Dance sure brought out the "wearing of the green" and some good food—even green cupcakes. . . Sure hope you don't miss our Homemade Pie Night April 27th 'cause we have some mighty good bakers and we'll dance enough to burn off those extra calories. . . A fun night in store May 18th "Wine" & Cheese Party Dance—come sample some great cheeses and some unfermented grape juice. . . **NO DANCE** May 25th but we dance every Friday night except that one. . . See you in Lakeland at State Convention.

*Doris Tallon*

## CASTOFFS

**BOYNTON BEACH . . .** Our latest escapade in entertaining patients in nursing and retirement homes and hospitals was on St. Patrick's Day when we danced at a nearby health center in our Irish Green costumes and were feted with Irish Coffee as were all the patients. They loved the coffee as we did and they loved us as we did them.

We celebrate our 21st Anniversary in April with a long weekend of dancing and eating starting on April 5th when 170 of our Thursday Niters will dance and feast. Our annual Anniversary Open Dance will be on Friday and on Saturday our 21 year old club will hold a banquet and dance ending a full weekend of festivities.

Our club colors are red and white and you would be duly impressed when the entire membership dresses for the first dance of each month. Our new refreshment committee headed by Ruth & Otto Wirth (our V.P.'s) have impressed our members and

guests with the help of our weekly hosts and hostesses. See our ad for our schedule so you won't miss any of our dances.

*Herb Langmeyer*

## SANDY SHOE STEPPERS

**FORT PIERCE . . .** When Worley Carrier showed up one Saturday and announced he had the ribbons for the St. Lucie County Square Dance Festival November 16th and 17th, you should have seen the stampede he ensued!! The word is out, however, that they have many many more available. . . Didn't know we had so many Irish members, but almost half the dancers were clad in green at our St. Paddy's dance. Green punch and green and white decorations, thanks to Bill & Judy Merritt's efforts, made the evening a festive event.

We'll be graduating a super class into Mainstream dancing May 3rd. We hope they continue on into the Plus Workshop so they will be able to dance with us and dance at the Festival come this fall. Our congrats to the great class and "keep on dancing".

*Jessie Brooks*

## OKEE SWINGERS

**OKEECHOBEE . . .** Thank you! Thank you! Square Dancers from coast to coast who joined us to make our March kick-off dance a huge success. The support of so many people truly demonstrates the spirit of square dancing. With winter visitors leaving us, our dancing schedule may be reduced. Mary Childs (813/763-0888) or Dorothy Cordes (813/763-0923) have information on our summer schedule.

*Gwen Henry*

## GOLD COAST SWINGERS

**DEERFIELD BEACH . . .** The highlight for this month was a pot-luck supper. Our cooks did a super job, providing a plentiful and delicious feast. We were happy to have as guests several former members who, for one reason or another, are unable to be with us regularly. In spite of consuming so much good food, we danced with even more verve than usual.

Our club membership is growing as we welcomed several new members recently. Visitors are always welcome.

# DANCING NOTES

## NEW SQUARE DANCE HALL MAKES THE SCENE

Everett & Jennie Martin have built a new square dance hall in Arcadia which will hold 16 squares.

*The Palace Square Dance Hall* had its formal Grand Opening on March 10th, and is already the home of three clubs, the Arcadia Squares, the Palace Mavericks, and

Palace Promenaders.

In these days when square dance halls are getting harder and harder to come by, it's gratifying to see enterprising entrepreneurs creating a new facility aimed strictly at square dancing.

---

## EYES & EARS OF SQUARE DANCING

We all go square dancing to dance. What do you do if the square you are in breaks down? Do you return to your original position? We have noticed that many couples form facing lines when this happens. By doing this they are in a better position for the next call. Most times it eliminates just standing there watching the other squares dancing. Wouldn't you rather be dancing than watching?

We have also observed that occasionally after a call you wind up with another partner. When everyone scurries to return to their original partner, most times the next call is

missed. Try staying with the partner you have and keep on dancing.

If you try the aforementioned ideas and find that they are helping you to enjoy the dances more —tell a friend—and maybe they in turn will tell a friend. Our aim is for everyone to have a good time. Keep alert—keep smiling—and keep on enjoying.

*Doris Krause*

## HAPPY HOEDOWNERS

LEESBURG . . . We had another full month of activities and great dancing. On March 9th a large group did a demo dance for the benefit of the Heart Fund. Then the 2nd weekend in March 15 couples went with our Round Dance Cuers, Jack and Nell Jenkins, to St Augustine for the 3rd Annual St. Augustine Ball. Everyone had a wonderful time. For our St. Patricks Day Dance the new class came and danced with us. They sure are doing great. It was a very enjoyable evening.

A Great Big Thank you to our outgoing President, Grady and Wanda Jones. They have done a great job for 2 years.

*Yvonne Westmoreland*

## MELODY SQUARES

BRANDON . . . We had a great Ice Cream Dance and are looking forward to Chili Night April 28 and the Mystery dance the first Saturday in May. Our Sunday Class is now dancing with the club as part of their transition to Mainstream dancing. We welcome all students who are in their last few weeks of class. The fourth Saturday of May is our Hobo Dance.

## PAIR-A-DICE SQUARES

DUNEDIN . . . You have heard of spin offs on television. Well, we have one in square dancing too. Tuesday night is a spin off of the Saturday night Pair-A-Dice dance but on the A-1 level.

The wearing of the green was much in evidence at our festive St. Patrick's dance. All dancers whether in the traditional colors or not, were given an Irish hat and a noisemaker that had been donated by Stirling Hall. Refreshments were served all during the evening.

*Clarence & Lydia Martin*

## WESTERNAIRES

NORTH MIAMI . . . Spring has finally arrived and everything is turning green which was the case at our St. Patrick's Day Dance. Almost everyone wore green even though some weren't Irish. It didn't seem to matter, though, we all got caught up in the popular Irish holiday fun wearing green derbys and feathers and Kiss me, I'm Irish

badges. The hungry dancers didn't even mind the green (?) cake served. Nita Shelton came dressed as a leprechaun and took over for new President Angela Bomford.

Spring also means coming fun events for us. In addition to our regular dances, we will have an Easter Bonnet Parade Dance with prizes for the prettiest and most original bonnet. Also our picnic is not far off, where we'll show off our non-dancing talents such as volley ball, baseball, bike-riding, horse-shoe throwing, eating and drinking, etc. We've ordered a perfectly sunny day with a zero chance of showers.

Angela and her board have made some spectacular plans for theme dances. A sneak preview includes a June Bride's Dance, an Old fashioned Ice Cream Social with a make your own sundae theme.

*Eva Fink*

## GRANADA SQUARES

ORMOND BEACH . . . "Full-House" dancing with Snow-Birds, visitors, and members may require "Rubber Walls" be installed if we continue the trend. . . Green carnations were distributed by Avis & Bill Miller at our St. Pat's Day Party. So, thanks again to two who do so much for us . . . At our general meeting, March 13th, the by-laws were amended and a new slate of officers selected. They will be installed at our April 3rd, Eighth anniversary celebration and dinner.

Incoming officers are: Presidents, Jack & Hilda Morgan; Vice Presidents, Jacob and Muriel Towers; Treasurers, Jim & Marge Huntsman; Secretaries, Marshall & Virginia DuBois.

We're eagerly anticipating many new members from the '83-'84 class and will welcome them April 24th at their graduation ceremonies.

*Chrystal & Ralph Kent*

## FRIENDSHIP SQUARES

. . . We are teaching a class of four squares of Beginners on Sunday Nites, and five squares of beginners on Thursday Afternoons. Also Our Club Dance is coming along well. We use Mainstream, Plus and Workshop.

## **TOURNAMENT OF ROSES PARADE FLOAT**

Square Dancers and friends watching the last Rose Bowl Parade must have beamed with pride as they watched the Float and the dancers in their colorful costumes progress along the parade route. No project such as this would be possible without the support of countless hundreds of volunteers who gave freely of their time to solicit donations, decorate the float and provide food and drink for the workers.

The dancers, picked by lot from applications sent in were Dick & Marilyn Varnum, Marvin & Evelyn Kelley, Herbert & Velma Groon, Chuck Popejoy & Francis Howell, Bill & Arlene Ward, and alternates Joe & Irene Miller.

"Dry-decorating" of the float was started early in October, and work continued till December 18th when a Christmas break was called. December 26th, decorating with fresh materials (flowers, leaves and petals) began. Numerous local Square Dancer Associations provided manpower and materials to accomplish the project.

Would you like to dance on the Float next January? If so, send your and your partners names, address, phone and club name, together with a photo of you and your partner and self addressed stamped envelope if you want your photo returned to:

Winners must agree (please state on your application) to pay all their own travel and motel expenses. Dancers' costumes will be supplied by Square Dancers of America.

for

Florida Federation of Square Dancers  
The Florida Callers Association  
The Round Dance Council of Florida

The '84 Convention Committee welcomes you to the 31st Annual Florida State Square and Round Dance Convention.

We have arranged a program of dancing for your pleasure that includes some of the finest callers and cuers in the state. We as chairmen of this committee wish to thank the callers and cuers organizations for their efforts in the preparation of this fine program for the dancers' enjoyment.

The cloggers are enjoying the first program prepared and presented by Doris Krevo of the F.C.C.

We extend a special welcome to the new dancers attending their first state convention. If you have any questions look up any committee member and ask them. Let us help you be welcomed into the world of square dancing.

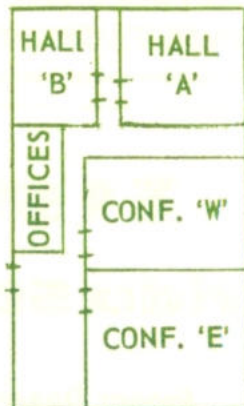

It has been a privilege and pleasure to serve as chairman this year. It has been some work but enjoyable, visiting, meeting and working with friends over the state. We thank the Florida Callers Association, the Round Dancers Council and the Florida Federation of Square Dancers.

# DANCING NOTES

## 50th ANNIVERSARY FOR LIVINGSTONS

Jack Livingston, a well-known caller from Port Charlotte, and his law, Grace, will be celebrating their 50th Wedding Anniversary in April.

The Jacks King & Queen Squares are sponsoring a Party and Dance in their honor on Sunday, April 15th at the Port Charlotte Beach Complex. A huge crowd is expected, not only their current dancers, friends, and neighbors, but also many who have danced with them in the past have already indicated that they will attend this fete.

Congratulations are certainly in order for this active couple on their Golden Anniversary.

## CONVENTION NOTE

Jack Lasry regrets that he will not be able to attend the State Convention due to additional scheduled surgery.

We all wish Jack a speedy recovery.

## CALLERS CLINIC SCHEDULED FOR STATE CONVENTION

On Saturday morning, May 26th, a Special Callers' Clinic will be held from 9 to 11 a.m.

It will be conducted by Art Springer, Frank Bedell, Johnny Walter, and Don Hanhurst, and will cover Creative Choreography, Sight Calling, Stage Presence, Music, and Business.

The location of this Clinic will be posted in the Callers' Coordinating Room at the rear of the Main Arena.

## AL COUTU BENEFIT DANCE

Bobbie & George Stone, of Longwood, sponsored a benefit dance for Al Coutu, who is in a coma in California. The dance was held at Strawberry square in Plant City. Marty & Byrdie Martin donated the use of the hall and also half the sale of strawberries and ice cream, as well as giving three merchandise gift certificates from their shop.

Teachers from all areas of Central Florida volunteered to cue the dances, including Charlie Lovelace, Frank DuBois, Lorraine Howard, Joe Augenblick, Marty Martin, and George Stone. Loveday Newby, from Canada, also cued.

More than 40 dances of all levels were enjoyed by 70 couples. All those attending signed a get well card. Names of other dancers and teachers were added who had sent money even though they were unable to attend the dance.

Bobbie & George want to thank each and every one who helped to make the benefit a success, with a special thanks to Byrdie & Marty Martin. The Stones previously sent money from tickets sold for donations to the California benefit that was held for the Coutus. Totally, the Florida dancers have been able to send over \$500.00 to the Coutu Fund.

The Coutus choreographed popular dances such as "Gypsy Eyes", "Lefty Louie", "City Slicker", and others.

## IT'S GREAT TO BE A SQUARE AND ROUND DANCER

All who have come in my new shop to wish me good luck have made me very happy with so many good wishes. This is a very old historical building and I feel it is a great asset to our little shop. Precious things come in small packages and we have lots to be thankful for, most of all my dancing friends.

Don't leave home without a **BOW & SWING**. It will tell you where to dance as you travel. May God Bless!

## BANNER STEALING

(Continued from Page 14)

A call to the club being visited for stealing or retrieving is always appreciated by the host club, so that they may be sure to have their banner (or a club token) on hand.

At least six months should elapse between raids on any one club.

A club that steals a banner must hold it until the owner club retrieves it or until the end of the season. At the end of the dance season, a club still holding a banner all reasonable effort should be made to return the banner to its proper club.

The banner shall be presented to the eligible club before the last tip.

Your club caller, attending as a paid dancer,

may participate in banner stealing and retrieving as part of a square.

No club shall be entitled to another club's banner when said club regularly dances on the same night as the host club.

A raiding member should have on the raiding club's badge and pay guest admission to the host club. A free ticket or pass for admission from the host club will be honored for stealing or retrieving.

As a courtesy, try not to travel more than 50 miles to steal a banner. It may be difficult for the raided club to retrieve.

**BANNER STEALING SHOULD BE FUN.** New friends are made, horizons are widened, and both the raider club and the raided club benefit.

## SPACE TRACKERS

**COCOA BEACH . . .** Our annual election took place March 24th. The following will serve as officers for 1984-85: President-Tony Courtney; Vice-President-Asa Clark; Secretary-Kitty Rawls; Treasurer-Jim Mc-Bee. Russ Foryth, Dot Terrell, K.O. Williams, Judy Loy and Past Pres. Bob Hare comprise the remaining members of the Board.

"The Tax Man Cometh" will be celebrated by *Hobo Night* April 14th.

*Marty Perry*

## BIG POTATO SQUARES

**APOPKA . . .** We had a lot of green food at our *Wearin' of the Green* dance in March - not green-spoiled - green-colored: Green eggs, green sandwich fillings, green cakes. Our class has been dancing with us regularly for the first club tip of the evening, and sometimes even joins us for the whole evening. One of those nights was when we had a surprise "Strawberry Sundae Night"

provided by our callers. Yummy!

With sadness, we bid adieu to Bob Guldenzopf, one of our favorite dancers, who passed away after a very short illness. Bob & Cecily have always provided a sparkle to our squares. Sincere condolences to Cecily.

*The Little Potato*

## WHY A PUBLICATION HAS A DEADLINE

**BOW & SWING** must start printing pages on the 1st of the month preceding month of publication in order for it to be mailed by the 25th of the month. Many operations are necessary to produce this magazine. Pages must be typeset, ads created or changed, monthly changes made on listings, photographs readied for publication, pages laid out, printing plates made. Pages must be printed, then folded, assembled, and stapled. The magazines are then trimmed before affixing your mailing label. Then the time consuming task of sorting by zip codes and bagging to conform with postal regulations.

## HONEY BEES

DE LAND . . . The first annual Bar-B-Q and picnic was held in March. A combination of perfect weather, good fellowship, good food and dancing in the fresh air and sunshine made it a huge success with club and class members and visitors. . . There was quite a bit of traveling back and forth between area clubs in March as we retrieved our banner from the Four Towne Squares and had ours stolen by the Starlight Promenaders.

Many special events are planned starting with a "Bunny Hop" in April. Visitors are always welcome. We hate to see our winter visitors heading home, but look forward to seeing them again next fall.

*Cliff & Beryl Virak*

## LAKE COUNTY TWIRLERS

EUSTIS . . . "Who & Where"? We have changed our name and place of dancing.

The R.V. Twirlers Square Dance Club of Eustis is now the Lake County Twirlers. We are dancing at the Scottish Highlands Rec. Hall on C473 off U.S. Hwy. 441 and 44 near Leesburg.

After graduation April 11th, we will have a workshop every Monday at the Scottish Highland Rec. Hall.

We wish all the Snowbirds a safe trip home and will miss them.

*Little Twirler*

## FELLOWSHIP SQUARES

PORT ORANGE . . . March 6th saw our well attended Anniversary and Installation Party. Beyond doubt, our staff of new officers, headed by Ted & Pat Lawson, will provide the club with a successful year.

We held something new in Party Nites March 27th. Dancers came dressed in the attire of their occupations, either past or present with quite a number of jobs represented. . . How time passes. Already we are saying "goodbye until fall" to our winter residents.

*Squarefellow*

## GROVELAND SQUARES

GROVELAND . . . We began a 10-week Plus Program Workshop March 5th, a

continuation of the beginners class that graduated February 28th. . . Our "Wearin' of the Green" Dance was lots of fun with more shades of green than "Patty" ever dreamed of. Even had dancers wearing Leprechaun "ears" and shoes. In keeping with the day, Al Savary kept us busy with Irish jigs and Contras.

The Demonstration square is still busy with more planned for April. Club trips included a visit to Cloverleaf Farms to dance with the Leprechauns and bring home their banner, and a class level trip to the Hernando County Fair for their Dance Festival. Come dance with us.

*March & Harry England*

## TITUSVILLE TWIRL-A-WAYS

TITUSVILLE . . . On The Road Again!! We were singing this song the weekend of March 9-11 as 19 couples attended the Bonanz-A-Rama weekend at River Ranch Resort in Lake Wales. The weather was just perfect, dancing great, and food fantastic. I think we all gained 5 lbs. over the weekend.

Shamrocks and leprechauns were in abundance at our St. Patrick's Day party. Dixie Dabney won the prize for the best Irish jig and Joan Cuellar won the "Pot O' Gold" (gold foil-covered chocolates) at the end of the rainbow.

*Karen & Al Reshel*

## STARLIGHT PROMENADERS

DE BARY . . . A St. Patrick's Dance, a banner raid on the Honey Bees of DeLand, and our "last Wednesday of the month party night" featuring a large buffet of assorted gourmet refreshments highlighted our March square and round dances. We now look forward to our Easter Dance April 11th and Class Graduation and Party Night, April 25th. . . Special events for May include a Hobo Dance, featuring Mulligan Stew, on the 9th; our annual Picnic and Election of Officers on the 20th, and our regular Party Night on the 30th.

Won't you join us and share in our fun and good fellowship.

## HIGHLAND SQUARES

CLERMONT . . . We are sorry to report that our club is disbanding. April 26th, 1983 will be our last club dance. This is to be a free dance.

We wish to thank all our friends from other square dance clubs in the area for their support and for all the good times we have shared.

*Barbara Anderson*

## BREVARD SINGLES

. . . 23 persons attended a picnic at Fox Lake, Titusville on March 25th. Everyone brought a dish to share and the club provided hot dogs, buns and soft drinks. Hattie Lamore and Dick Feltenhouse kept us well supplied with hot dogs hot off the grill. A short business meeting was held during which Maxine McSpadden displayed a badge especially designed for the group and took orders. Afterwards we all visited the Sun-Dancers for an afternoon of dancing.

The next meeting will be held at a Beach Party at 2 P.M. April 29th at Paradise Beach Park on Highway A1A, Melbourne (just south of Holiday Inn on the ocean). Eat before you come or get something at the concession stand there. Bring your bathing suits. Bathhouse available. For more information call Hattie at 723-8856.

*Bill Deason*

## VENICE STARS

VENICE . . . More graduates will enter the Wonderful World of Square Dancing by the time this *Bow & Swing* goes to press. Spencer Yates can well be proud of his latest proteges. May they all enjoy their newly acquired knowledge as we do! Square dancing is a beautiful way to exercise while having fun meeting new friends. You feel like a "youngster" again as you express yourself dancing.

All Workshops will continue on Fridays throughout the summer.

*"Pard" & Tom McDonald*

## FOXWOOD SQUARES

LAKELAND . . . We have danced at many West Coast clubs lately and recently visited Buttons and Bows of Englewood where they were having their 25th Anniversary dance

and it was mentioned they were the first club to have a numbering system for their dances. When you dance at the Kriss Kross Squares in Ft. Myers and the call is Do Sa Do you had better do it back to back. Surprisingly, the dancing becomes more gracious.

At Foxwood I would say our claim to fame is that we have been on Cable T.V. Our caller, Bob Barnes, who is an electronics expert (but in his modest way never mentions it), has been having us in front of a T.V. camera with instant playback on a wide screen so we can all see what a pretty picture it can be. Cannot promise this will happen all the time. However, what we are sure of - be there in time for the half-hour workshop and do not try and hide in the farthest reaches of the hall, for our Bob will still spot you with his eagle eye.

*Cris & Trudie Nissen*

## DIXIE SQUARES

DAYTONA BEACH . . . True, March is the month we celebrate St. Patrick's Day and this we did by "wearing of the green", but the highlight this month was Party Night in Honor of our Canadian Square Dancers! They sang their National Anthem "O Canada" for us, and we sang ours. Five couples from the Beaux & Belles Squares, Toronto, Ontario, contributed a cake for that night. They really do help out our Club very much and we want to say "thank you" to all of them and all of our out-of-state dancers that make our wintertime dancing great fun!

*L. & E. D.*

## FUNTYME SQUARES

TAMPA . . . Wedding bells will ring for our caller, Bill Hill, and Linda Kay Mercer on April 7th. A square dance reception will be held immediately after the ceremony. Over 200 relatives and dancers are invited. Bill and Linda will not disclose just where they will be headed for their honeymooning. I wonder why?

Guys and gals, do you want to earn your "Hussy-chaser" and "Shameless?-hussy" bar? Then come and join us at one of our fun dances.

See you at Convention.

### KRISS KROSS SQUARES

FT. MYERS . . . We have been having visiting callers and their wives from far and wide—Europe, Canada, Minnesota—not to mention a retired caller and his wife, (Roy & Olive Sprague), a Round Dance Leader from Miami, and we hear they are thinking about buying a home here - isn't that great?

Bill & Jenisue have been doing some out-of-town "good neighbor" visiting. . . We hate to see our winter visitors leaving. Hope you'll have a nice summer and we look forward to seeing you in the fall. We dance all summer in Ft. Myers. Come join us!

*Irene McKown*

### SUN DANCERS

TITUSVILLE . . . March has been great for dancing. Our St. Patrick's Dance was a huge success. . . On March 24th, 29 Sun Dancers went to Cocoa to retrieve our travel banner from the Space Trackers. . . A group of dancers from the Beachside Squares, Cross Trailers, Allemanders and the Brevard Singles visited us this month for an afternoon of dancing. Come and join us for an afternoon of fun and friendship.

We are looking forward to having a full house for our 10th Anniversary Dance on June 10th. A special invitation is issued to former members, officers and callers to attend.

*Patricia Deitz*

### DRIFTERS

NEW SMYRNA BEACH . . . We had a very successful month of March, learning many new calls in our Workshop, and having a very entertaining St. Patrick's Party. We look forward to a very interesting month of April, and many thanks to our Northern friends who have danced with us all winter.

*Butch*

### DIAMOND "T" SQUARES

NORTH MIAMI BEACH . . . Would you believe that some of our visitors this month came all the way from Michigan, Connecticut and Illinois? Not only that, they had such a good time they promised to come back. . . Our feature dance was "Mardi Gras". Everyone was throwing confetti, had paper streamers, and from the ceiling in the center of the hall hung a revolving mirrored sphere with spotlights, which gave a very gala effect. As always, our members arrived in clever and unusual costumes.

Now that spring is here we are making plans for more fun things. On our club night, which is the last Tuesday night of each month, we welcomed back three members who had been out because of illness. This in itself was a happy ending of another month. Drop in and see us.

## CLOVER LEAF LEPRECHAUNS

BROOKSVILLE . . . We participated in the Clover Leaf Farms Birthday parade and party on March 17th. Our club was awarded first prize as we had 32 dancers marching in the parade all attired in green and white dance outfits, along with two dancers dressed as Leprechauns.

Our dance season ends the last of April after a busy schedule. We start again in October with Sunday Rusty Hinge Dances. Our regular club schedule will begin the first Sunday in November and we hope to see you then. We thank each and every one of you who danced with us this year.

*Airy Jenkins*

## COCONUT SQUARES

COCONUT CREEK . . . We had a Hawaiian pot luck dinner before our Luau Dance in our beautifully decorated hall that made us feel like we were in a tropical Paradise. Earl, Ray, Orville, and Andy, our "Honolucki sisters", showed us all how to do the Hula. With their wigs, grass skirts and balloons, they had us in stitches.

We wish all the Snowbirds a safe trip home and look forward to seeing them next year. See you all at the Convention.

*The Original Coconut*

## ALLEMANDERS

SATELLITE BEACH . . . Two Pie Nights in successive months brought out a lot of

Girls Hinge - Diamond Circulate -

delicious pies and extra calories, but who counted? A great big thanks to all who helped to make our Shamrock Swing a huge success!!

Our new officers, elected in March, are Danny & Florence Clancy, President; Jack & Eugenia Freck, Vice President; Eve Miller & Bob Knapp, Treasurer; and Steve & Wendy Fernaays, Secretary.

*Tom & Norma Bartlett*

## SHIPMATES

EDGEWATER . . . The last of our winter dancers said good-bye at our last dance. seems like we just said "Hi".

We'll only have one dance in May as the Convention falls on one of our Saturdays. Look for us in the Grand March as we'll be sporting our new club dresses! On Saturday, June 2nd, we'll have a special dance for all the new dancers in the area. Hope our neighboring clubs will join us and give their new dancers a chance to get acquainted!

*Yeoman Swabby*

## DIXIE LOOPERS

. . . Club President Terry Freeman, invites all of you to come dance with us on Tuesdays in our beautiful air conditioned hall. We're so happy to see our Club Vice President Frank Berton, who has been on the sick list, as well as other members who have been ill, on the road to recovery. Hurry back—we love you and miss you.

## SANDPIPER SQUARES

PORT ST. LUCIE. . . We received a lot of compliments on our club outfits at our 2nd Spring Frolic in March. We were very happy to greet 22 couples at the Ft. Pierce Central High School. Plans are being made now for the 3rd Spring Frolic. . . We have been busy with demos to promote interest in Square Dancing. We danced at the Port St. Lucie Lutheran Church and The Randy Murray Benefit at Tropical Farms in Stuart. Future bookings include the Italian American Club at Port St. Lucie and the Polish American Club in Jensen Beach.

Our first annual meeting was held March 25. Jerry & Lynn Hollingsworth were elected President; Bill & Lila Washuta, Vice-President; and Sonny & Cathy McCartney, Treasurer. Good Luck to the new officers. Many fun things are planned for the next year. Our club dances all summer and we hope to see a lot of visitors.

*Frances Mayer*

## CITRUS SPRINGS

. . . We are having some very enjoyable dancing at Sandy Oaks RV.Park. At our Valentines day dance we had seven callers, so we had two squares with three callers for people who wanted a Purple Heart badge. On St. Patricks Day. We all had fun in our green finery amid all the shamrocks put in place by Martha Tussey. Our Northern friends visited us and we enjoyed having them—quite a few come from areas where our club members once lived.

*Art Larimer*

## VILLA CURLI Q's

. . . Our St. Patricks Day Dance was a great success and to top it all off our friends the Featherockers came out in full force to dance with us. We can't thank them enough. On Thursday night the banner raiders went out and took the Featherocker's banner-how was that for a switch.

We won't dance on April 21 because of the Easter center closing. May God Bless all of you and we hope to see you all soon.

*Emma Ketchum*

## RIDGE ROLLAWAYS

SEBRING. . . Altho late to report it, February went out with a roar as the Club

held it's first "Sadie Hawkins Day". Chuck Leamon pulled a few tricks out of his bag by squaring up all men together and ladies same, and proceeded to see who did best. He claimed - from his perch - ladies did, but to get the truth, ask one of the men! Then food to re-energize!

The new officers have established "Club Greeters" who wear very noticeable ribbons. There are 'yellow rocks' in abundance.

A large group attended the Okee Swingers' kick off dance in Okeechobee early March. This new club has been built up by people who have danced with or belonged to ours, and it was a pleasure to wish them well. Our Tuesday people enjoy their end-of-month birthday and anniversary celebration with plenty of finger foods. That intrepid group, the Vagabond Rollaways had a capacity turnout for their March campout, held at Sherwood Forest Campground in Kissimmee. Shades of Robinhood's band, complete with a Boar/Venison/Turkey Banquet Stew! Wagonmasters really outdid themselves the entire weekend: The Rollaways enjoyed assisting the Village of Lorida in a civic celebration as Chuck & Carol Leamon headed up a group to dance as entertainment. A group from The Merri-Mixers Club of Lake Wales descended upon us to retrieve their traveling banner. Banner or no, they and all are always a delight to have visiting us. Get well cards went to Past President Emma Sangry who is recuperating in the hospital, and also to Rocky Smith doing the same at home. Surprise greetings from New Zealand from Joe and Betty Powell who are well known in square dancing circles and now full time RV'ers.

*Jo Bryer*

## BAY AREA TWIRLERS

TAMPA . . . Hope you didn't miss the March dances featuring Doc's "Job opportunity" and the club's generous help in this consideration. Then came April with one dance cancelled because of "Rec. Center Policy." So the club went on a dinner cruise and a good time was had by all. Our May 12th dance is a regular fun dance; however, we are closed on the 26th for the State Convention. Have fun there! Also save your wild shirts, leis, and grass skirts for our Luau June 9th. It's always a great dance.

INTERNATIONAL ASSEMBLY OF "TRUSTEES" OF THE SQUARE DANCE ACTIVITY

## ONGOING ANALYSIS OF 1982-83 LEGACY DANCER SURVEY

How do attitudes and opinions of square dancers change as they gain experience? LEGACY'S survey committee reviewed the '83 data to see what they could learn.

All 5,481 responses were sorted by dancing experience, using 2-year groups such as a 2 & 3, 4 & 5 and so on. The results were compared with the "average" dancer and then reviewed again for significant trends. Here are a few of the facts revealed:

New and 1-year dancers averaged between 3 and 4 dances per month. The frequency increased gradually to a peak of 6 per month during the 6th and 7th years, then declined to somewhere between 4 and 5 until around 20 years. At that point the average began to rise again, possibly because of retirement.

All were asked "Of those you know who have dropped out of square dancing, what do you feel were the most significant reasons for their disappearance from our activity?" The overall responses are as shown below. Percentage points indicate the number of checks in each category compared to number of questionnaires. The percentages add up to more than 100 because some checked more than one category.

Felt rushed-inadequate learning time - 27.7%  
Were bored-not enough variety - 11.2%  
Felt pressure - toward higher dance levels - 38.2%  
Styling-rough or non-standard moves - 8.3%  
Social-not accepted by group - 20.5%  
Club-functions or responsibilities - 11.4%  
Caller-inadequate in some way - 13.0%  
Other - 34.3%

Only 20% of the new and one year dancers checked "Felt pressure". After that, the checks in that category increased gradually up to a peak of 56% for the 16-17 year group. 6-7 year dancers checked "Club - functions and responsibilities" 14% of the time, a peak in what was a rather flat tendency.

An amazing 18% of the new and 1-year

dancers had been club officers. 44% of the 2-3 year dancers suffered the same fate.

Only 1/3 of the 12-13 year dancers had attended a leadership panel or seminar.

In the "attitude" part of the survey, dancers were asked to rate various aspects of the activity using a +5 to -5 scale. Some trends were interesting. Guess which group had the lowest overall attitude score? That's right, the 6-7 year types. In general, they had poorer than average attitudes about cost, learning, club leadership, the challenge, pleasure of dancing, mixers, round dancing, clothes, contras and club activities.

The 2-3 year dancers scored "Club leadership" above average but the 4-5 and 6-7 groups scored it lowest of all. "The Challenge" was rated well above average until the 6-7 year group, where it fell below average then continued an unsteady decline. The appeal of round dancing increased steadily with square dancing experience.

In summary, it seemed dancers were being handed club responsibilities too early and few (less than one in five of the 4-5 year group) had the benefit of any leadership education in the activity. Also, there seemed to be a general disenchantment about square dancing and its related activities around 6-7 years—like the "7-year itch" attributed to some marriage problems.

The committee is now thinking about what areas the 1984-85 Survey should look towards. Some thoughts concern differences in attitudes between clubs and dancers in metropolitan areas, smaller cities and rural environments. Also of interest might be how attitudes vary with club size (is there an optimum club size?). Another benefit of determining typical club sizes in an informal dancer census using area club directories or the National Square Dance Directory. While the total count would not be accurate, it would be more accurate than the current, highly subjective (gut feeling) method and could be more useful in determining future dancer population trends. The committee would welcome ideas from the Trustees.

## The International Association of Round Dance Teachers

### FLORIDA ROUND DANCE LEADERS FEATURED IN SEMINARS AT NATIONAL CONVENTION

Irv & Betty Easterday, ROUNDALAB Education Chairman, are proud to announce that ROUNDALAB will conduct a two hour Round Dance Seminar entitled "ROUNDALAB in Action" from noon to 2 pm daily at the 33rd National Square Dance Convention in Baltimore. A fourth and extra session, has been scheduled by the Baltimore Convention Committee Thursday morning from 9-11 am to answer the question, "What is ROUNDALAB?", moderated by ROUNDALAB Chairman Don Hickman and his wife, Pete, assisted by other members of the Board of Directors.

On Thursday, June 18, Wayne & Barbara Blackford of Jacksonville, FL will interpret and give teaching techniques for the figures now defined in ROUNDALAB Phases II & III (Easy and Easy-Intermediate). Then on Friday, June 19, Charlie & Madeline Lovelace from Tampa, FL will continue on

with Phases IV & V (Intermediate and High-Intermediate). During both sessions there will be plenty of time for audience participation and questions. The series will conclude on Saturday with Bill & Carol Goss of Wilmette, IL discussing the techniques of actually teaching a round dance.

While ROUNDALAB is a professional international round dance teachers' organization open to all who are actively teaching round dancing at any level, *all these seminars are open to any teacher, dancer or square dance caller who is interested in round dancing* as a part of the overall square dance activity. Printed material will be available at each session covering the basic information to be presented.

Location of these seminars will be found in the convention program book. Posters and hand-outs will be on display and available in the round dance rooms identifying the time, place and clinician.

## UNIVERSAL ROUND DANCE COUNCIL

Another successful FIRST for U.R.D.C.!! Sixteen and a half teacher couples attended the first pilot local area Mini Teachers Seminar-Clinic which was held in Kansas City, Missouri, February 11, 1984.

The purpose of the Mini R/D Teachers Seminar-Clinic is to provide a teachers study and training session that would reach a large portion of the teachers located in a particular area at a minimum cost and such that a one-on-one type of program could be used to meet the needs of everyone in attendance.

Large groups do not give teacher couples the opportunity to actually study, with proper guidance, their particular needs. *The Mini group does.* Also, many couples cannot take the time off from work or cover the expenses involved for weekends or festivals where they get very little instruction in the art of teaching because the major function at the affair is to teach dances to a large group.

Many subjects and ideas were discussed through Frank & Iris Gilbert's presentation, and questions asked by the teachers in attendance covered teaching techniques, body mechanics from head to toe (beginners through advanced), how to train couples of various sizes to work together, when the lady is the "boss", and what to do with beginners to give the lady a feeling of confidence that they can work together so she will not be stepped on. Some thirty-six troublesome basics, from easy to advanced, were demonstrated, practiced and discussed, following the details of the U.R.D.C. R/D Manual.

When a member of the U.R.D.C. Technical Advisory Board is scheduled in an area to present such a Teachers Seminar-Clinic, it is to every Round Dance teacher's advantage to attend.
