## Florida Callers Association

• SQUARE DANCING IS FUN •

Florida Callers Association Members:

I hope that by the time you read this, the amendments to our Articles of Incorporation are ready to be mailed to the membership. Remember, you will need your copy of the Articles of Incorporation so that you can compare the existing version to the proposed version. If you do not have, or cannot locate your copy, contact the Secretary, Harry Taylor, *NOW*.

Along with your copy of the proposed amendments you will also receive a ballot and a stamped, self-addressed envelope. At your *very earliest* convenience, study them, mark and sign your ballot (unsigned ballots cannot be counted), and drop it in the mail. Your vote is very important, and, in fact, may be essential to make the mail ballot valid. Send in your ballot whether you vote for or against the proposed amendments. We require a 3/5 majority of the full members by mail ballot to carry, unlike the simple majority of the members present at a regular meeting. If we do not get the required number of votes by mail, we will have to bring the amendments to the May Meeting.

The State Convention is approaching rapidly! In case you have forgotten, the Callers who will be workshopping Quarterly Selections will be notified by mail which QS to workshop. That will come after the CALLERLAB Convention in April. We want to see what CALLERLAB does to the QS List before we plan to workshop them. We don't want to plan to workshop those that were removed from the list (if any).

In closing, a reminder — If your name is no longer listed in the Florida Callers Association Directory in the *BOW & SWING*, you will also lose your calling assignment(s) at the State Convention unless you obtain reinstatement. Write me.

Keep the Fun in Dancing,

Earl Steele

# FLORIDA FEDERATION of SQUARE DANCERS

## PRESIDENT'S MESSAGE

Several years ago, Jack Lasry wrote an article for *Square Dancing Magazine* called "Don't Get Caught in a Speed Trap". We wanted to write on that theme, and obtained Jack's permission to use his article. The article is so well done that we

felt we could not improve on it, so we are presenting it just as it was written:

"As we travel to and from our square dances, many of us are keenly aware of the conditions of the road and must be aware of the potential speed traps. Now this article is not designed to preach to you about how you drive except to say that we wish you to be careful since we hate to lose dancers. However, I ask you to consider the similarities of the conditions of the road for automobiles and the square dance activity.

"When we look at square dancing, we see that many of us got our learner's permit when we first attended beginner's classes. We received our driver's permit when we "graduated" from class. We traveled down the square dance highway by visiting other clubs, and we had many opportunities to get the small parking violations etc. when we would goof a call or two. We made new friends and several of them had been "driving" longer than we had and they were showing us the thrills of some of the more scenic drives and perhaps even high speed driving. We accepted the bait and we began our own brand of experimentation.

"We began driving faster and faster by learning more and more calls from more and more lists. We could handle anything that our local "official" could toss at us. We had "mastered" the Mainstream Lists, the Quarterly Selections, and the Plus Lists. True, we had occasional warning signs, perhaps even a flat tire or a blowout, but we were undaunted. We still wanted to go faster and achieve more thrills. Along came a "Super Highway" called Advanced and beyond that the very limited access road called Challenge.

"Many of you (dancers and callers) are really caught up in this speed trap. We sometimes think that because the road is there, we must drive on it. Might it not be better if we, as individuals, learned to handle the various road conditions along the way? Can we not enjoy the scenic routes in our own neighborhoods? Can we not enjoy the beauty of the secondary road and perhaps even the first four lane highway? Do we all have to travel on the divided highway? Must we all pass everyone on the road?

"We talk about the scenic highways and byways and yet in square dancing the scenic portions have to be the people and the friendships established. Just as the forests, the flowers and the shrubs are the scenic roadside attractions and the waterfalls add serenity, so do the friendships and people in square dancing accomplish the same things for us in our pursuit of this leisure time activity. We should take the time to enhance these friendships. We should take the time to smell the roses. We should make the effort to be especially friendly to the strangers who attend our club dances. We should enjoy the scenic route for what it has to offer.

"Let us all take stock of ourselves and review where we are and where we would like to go. Let us not get caught up in the "Speed trap" of square dancing."

Until next time, Happy Dancing !!!

# ASSOCIATION NEWS

## CENTRAL

We're hoping for a big turnout at our March 2nd Spring Fling to be held at the new Central Florida Square Dance Center.

We held a dinner meeting at Quincy's on January 26th to make plans for the revival of our Newsletter, which had come upon hard times due to a variety of problems. We now have high hopes for this publication, and are actively seeking volunteers in any capacity to help make it "go"—editorial, reporting, typing, etc.

*Mary Richardson*

## NORTHWEST

Northwest Association began 1985 with more individual members than ever before. Three additional clubs have also joined for the coming year.

The January meeting was held in Panama City in connection with their 27th Annual Festival. Dancers enjoyed the calling of Elmer Sheffield and Gary Shoemake. Jerry & Barbara Pierce cued the rounds.

The Association is proud that their Honorary Members, the Pensacola Special Steppers, will be performing at the State Convention in Lakeland, and is sending them a check to help defray their expenses.

The '85 Roundup plans are just about complete. It will feature Paul Marcum and Darryl McMillan on squares and Earl & Marge Bagwell on rounds. Flyers for the Roundup are being distributed throughout the area.

Northwest is encouraging its clubs and councils to sponsor membership dances and will help to finance these events.

Great plans are in the works for a spectacular Kickoff at the State Convention, according to 1986 Convention Chairman, Frank McCallister.

Our next meeting will be on March 16th in Bonifay, hosted by the Swinging Pairs and Spares, who are holding a St. Patrick's Day dance.

*Belle Bishop*

## SOUTHEAST

It's a pleasure to announce that the five buses going to Key West on Saturday, March 2 have already been filled. We are looking forward to lots of fun on the trip down and back as well as dinner and dancing with our Key West friends, riding the conch train, and general sightseeing. If you missed making a reservation in time, then we look forward to having you along next year.

Our annual picnic on Sunday the 12th, always held in lieu of the January meeting, was an event to remember! The setting was lush Tree Top Park in Davie and was attended by 300 association members, family, and friends. Early arrivals came in time for coffee and donuts and helped set up for the event. A large variety and amount of food filled the tables for a scrumptious buffet style lunch. Entertainment included square dancing, special sports events, songs, and general camaraderie. We owe a big hand of thanks to our vice presidents, Jim & Rosemary Davis, for another exceptional event.

*Millie Griffin*

## WEST COAST

We are really getting into the dance year now with a full slate of membership dances, two in March and more to come. Each dance we have seems more successful and more fun than the last.

Our Sebring dance on January 20th was great. We had 17 squares, with Lefty Tidd calling and Carma Heuring handling the rounds. They were super!

Incidentally, Chuck Leamon was scheduled but came down with a virus. We trust he is back in good shape by now. Al & Ginni Kester, our county vice presidents, handled all the arrangements. A great job by all! And we just beat the frigid weather by an hour or so!!

Watch for our ads for the West Coast Association's Fall Fun Fest in Lakeland November 8 and 9.

# '85 STATE CONVENTION

MAY 24, 25, 26, 1985

Hosted by  
Southeast Florida  
Square & Round Dance Association

What a great time we had at the Sunshine Festival in Lakeland! We were glad to see so many of you there. Most of the Convention Committee attended and many convention plans were finalized. Hope that you have made your reservations for a place to stay for the May convention. Many took advantage of being in Lakeland and made theirs then. You will get a complete list of motels and campgrounds when you send for your convention ribbons. They are now \$9.50 each but will be \$11.00 at the Convention box office.

Frank and Nan Habersberger met with Sue & Tom Toor, Clogging Coordinators for the convention, and were happy with the clogging program. It is a full program, and cloggers will find themselves with very little rest time over that weekend.

The evening entertainment programs are

complete and there are a variety of offerings for everyone's pleasure, including a demonstration by the Pensacola Special Steppers.

The Sewing Clinic Brochure is ready to go to press, and offers so many items to make that we can hardly wait for time to get the materials to work with ourselves.

We know that many others are making plans for the convention too. After parties are being arranged. The 1986 Committee has great plans for their Kickoff on Sunday evening.

We are all going to have a wonderful time at the 1985 Florida Square and Round Dance Convention. Prepare to join us. Get your registrations and reservations in soon.

*Jim & Rosemary Davis*

# Florida Square and Round Dance HALL OF FAME

The Florida Square and Round Dance Hall of Fame 15 member Selection Committee has selected Jack & Carolyn Lasry, Jay & Mike Fenimore, and Gordon & Edna Blaum as inductees into the Hall of Fame for 1985.

The ceremonies will take place during the Florida State Square and Round Dance Convention in the theater of the Lakeland Civic Center. The time will be between 1:00 and 1:30 PM Sunday, May 26, immediately following the Fashion Show.

These three will be joining Jim and Helen Galloway, Ed and Kay Mack, Gene and Ima Baylis, Bart and Ruth Bartley, Don and Marie Armstrong, Harry and Helen Moore, Jimmy and Elizabeth Clossin and Al and Dot Cody, already members of the Hall of Fame.

The Hall of Fame Committee received and sent out 5 resumes for selection, plus 2 from last year who had failed by one or two votes to be selected.

The committee receives suggestions and resumes throughout the year. Those on hand the last of December go out to the Selection Committee in January. If you believe someone should be in the Hall of Fame, send in their resume. The criteria is 10 or more years involvement in the Florida activity; actions as a dancer, caller, cuer, teacher, organizer or promoter which have had a significant effect statewide; have supported the fundamental principles of square and round dancing.

*Chet Vetter, Secretary  
Hall of Fame Operation Committee*

# SUN SHINES BRIGHT ON FLORIDA SUNSHINE FESTIVAL

Twenty seven hundred square and round dancers were present to help us celebrate the 10th Anniversary of our Florida Sunshine Festival.

Our "Sunshine Boys" and round dance leaders were in rare form as was evident by the exclamations of: "great calling"!, "Beautiful dancing"!, "Best festival in the country"!, and "We'll be back"!

During the festivities many door prizes were awarded—too numerous to mention here. However, we would like to announce that the winners of our four free dance packages for the 1986 festival were: Earl & Ethel Wilhide, Donald & Karen Bailey, Stan & Louise Mergott, and Kenneth & Connie Drury. Also, we congratulate the Selmecys of Linden, N. J. who won the Copecrest vacation. Martha Springer was worried that a Dolly Parton look-alike would be the winner of Art Springer for one day. Frank & Florence De Nardo are the lucky couple who won that prize. It will be interesting to see how they collect.

The members of our staff and their wives would like to extend their sympathy to Ethel Seitz whose husband Kerlin passed away while attending our festival.

Our round dance staff received accolades for their beautifully executed exhibitions. Many thanks to Frank DuBois and Joyce Stewart and Wayne and Barbara Blackford for helping to make our festival such a memorable experience.

Our nationally acclaimed round dance leaders, Charlie and Madeline Lovelace, were amused. During a break in the Challenge Hall they were observed having a difficult time practicing a tricky routine of their exhibition round dance. Not realizing the identity of the struggling round dance couple, one of the square dancers commented to them: "You know what our callers tell us, if you can't handle it, drop down to the next level."

We were happy to have Stan Burdick, editor of *American Square Dance* magazine visiting from frozen Sandusky, Ohio.

We're going to order some more of that glorious sunshine in which our visitors from the frigid north were basking for next year's festival. So, don't forget to mark your calendars with our 1986 festival dates, January 30, 31 and February 1.

# Charlie's

## Round Dance Corner

Charlie Lovelace - Tampa

Round Dancers:

In this column I last described what I felt was the most important one single thing a dancer could learn to improve his or her dancing, and that was "Proper Balance". In this article, I would like to go into another subject that is very important and not generally talked about—and that is "Attitude".

How many times we see one of the dance partners merely going through the motions while the other one is really trying to improve his or her dancing. *Attitude* affects how easily we learn a new skill, especially in dancing, where we are really expressing ourselves to the music. Seldom are both partners equally interested. But with a little effort, the one who is only "going along" can change the overall appearance, as well as increasing the amount of pleasure derived from knowing you have put forth your best effort. Combining the two items of *Balance* and *Attitude*, the dancer is now ready to really begin to enjoy dancing of the figures and the routines.

In the next column I will start on the actual dance figures themselves.

## CALLERLAB EMPHASIS ON BASICS FOR MAINSTREAM

*Fan the Top* and *Peel Off* have been selected by the CALLERLAB Mainstream Committee for all Mainstream dancers for this quarter. It seems that these two calls have been selected several times in the past, which leads me to wonder if they are really used enough to be part of the Mainstream program!

### FAN THE TOP

Starting formation — Ocean Waves (two-faced lines will fit the definition).

Action: Centers of the wave will cast off  $3/4$  (arm turn  $3/4$ ) as the ends move up as in a spin the top. NOTE: A *Fan the Top* is a *Spin the Top* with the initial turn  $1/2$  on the ends of the wave excluded.

Ending formation — The action ends as it starts, in a wave. But the wave is turned 90 degrees as would a *Spin the Top* action.

NOTE: In the following examples, I will use several calls or combinations that make for a nice entry into a *Fan the Top* action:

*Zero Box Wave: Fan the Top ... Recycle ... Slide Thru ... Left Alle ...*

*Zero Box: Pass Thru ... U Turn Back ... Do Sa Do to a Wave ...*

*Fan the Top ... Boys Run ... Wheel & Deal ... Slide Thru ... Left Alle ...*

*Zero Box: Swing Thru ... Scoot Back ... Fan the Top ...*

*Recycle & Sweep 1/4 ... Pass to the Center ... Square Thru 3/4 ... Left Alle.*

*Zero Line: Pass the Ocean ... Scoot Back ... Fan the Top ... Spin the Top ...*

*Scoot Back ... Grand Right & Left ...*

*Zero Line: Right & Left Thru ... Rollaway 1/2 Sashay ... Box the Gnat ...*

*Fan the Top ... Swing Thru ... Turn Thru ... Left Alle.*

*Zero Box: Pass the Ocean ... Fan the Top ... Recycle ... Left Alle.*

*Zero Line: Pass the Ocean ... All 8 Circulate ... Fan the Top ...*

*Single Hinge ... Single File Circulate ... Boys Run ... Star Thru ...*

*Pass Thru... Wheel & Deal ... Zoom ... Square Thru 3/4 ... Left Alle.*

*Zero Line: Touch 1/4 ... Single File Circulate ... Single Hinge ... Fan the Top...*

*Girls Run ... Tag the Line Right ... Wheel & Deal ... Left Alle ...*

*Zero Line: Right & Left Thru ... Dixie Style to a Wave ... Fan the Top ...*

*Boys Run ... Bend the Line ... Grand Right & Left ...*

## CLOGGERS SPECIAL

In days gone by, not ancient but back in the early 50's, clogging was being danced in the square dance routines. There were no routines as we have them today, just each person doing their own thing. Later, when many people wanted to learn to do clogging, the instructors had to have a way to instruct, so they started working on routines for cloggers, and this would enable them to teach groups, not individuals.

When I moved to Arizona, I found that clogging is as popular here as it is down in Florida, or anywhere else. In fact, there are clogging groups in almost any area in the U.S.A. and they are very good because they have good instructors, and they are as popular here as they are in other areas. I visited one of these groups, and they asked me about clogging "in the old days", as they termed it. Most of the cloggers are teen-age and in their early 20's. They wanted some history on clogging, and this I could give them.

I explained that in the earlier days, clogging was simply a part of square dancing, just an addition. They asked if I could show them how it worked in the old days, so I explained to them that I would first have to teach them some routines that were used at that time, then they could add the clogging, if this was what they wanted.

I also explained that there would be no clogging routines, they would do *free-style* clogging—just let their imagination go wild and do whatever they felt like doing. It proved to be worthwhile. They loved it

because they could do whatever they felt like doing, as long as they did not break the timing. I tried using the "oldies" that had been proven over the years. One of their favorites was one called "Ring and a Star" which went like this:

Four little sisters form a ring  
Circle to the left and hear me sing  
Gents step in, in front of your girl  
Make a right hand star across the world  
Gents keep turning that star around  
A ring and a star, go around the town  
Girls roll out, around one man  
Come back in and circle again  
Girls roll out one more time  
Circle again, you're doing fine  
Girls roll out and here we go  
Circle again but not too slow  
Now the girls roll out, Left Allemande  
And weave the ring, go around the land.

You can pick it up here and promenade them home, or whatever. This call is directional—that's why it is so easy to teach to your clogging groups. Anyone can call it. Just use any hoedown record with a good four count beat. Each line of the call has four counts to it. The dancers have no trouble staying on the beat because that's one thing Cloggers do well—stay on the beat.

For you newer callers, this is quite an experience. If you have never tried calling to a group of cloggers, ask a group to allow

## BENEFIT SQUARE DANCE

The Happy Hoofers of Fort Lauderdale are sponsoring a benefit square dance for Florida Cystic Fibrosis on Sunday April 14 from 2-5 PM at Jack Lasry's Trails End Square Dance Center in Hollywood. Club caller Henri Arsenaault, along with Jack Lasry and Frank Bedell, will contribute their talents to guarantee an afternoon of great fun and top-notch Mainstream dancing.

## FROM SCOTLAND

We really enjoy the magazine. It's always nice to keep up with what's going on in Florida while we're overseas. My husband is in the Navy and we live in Scotland.

I started up a square dance club shortly after we got here. There are about 30 people in the club. They're really a fun-loving group. I joined the British Callers Association and the square dancers down in England were happy to hear that there was a club up in Scotland. Just hope the club will keep going after we leave. Most of the people in the club will be leaving just before we do, or right after we do. We'll just have to wait and see what happens.

If you're ever in the area, drop by and dance with us!

*Patty Ping*

## CALLER FEES

Having served on the caller committee, I feel the need to air some of my thoughts regarding the fees that callers charge for their service. Callers seem to work on the premise of *Fee For Service*. This premise is used in other vocations and professions. However, other vocation and professional groups seem to have guidelines for setting fees.

New clubs are at a loss to know what the average fee for callers should be. To obtain information from local clubs and at times from callers is hard to come by. Local clubs usually feel that what they pay for rent on halls and for caller fees is their business.

I realize that there are many variables to be considered when setting guidelines for fee

setting. Some that come to mind are as follows:

1. Distance a caller has to travel.
2. Ability of the caller.
3. Difference between fees charged by clubs that are directed by callers with support from members, and organized clubs that have guest callers.
4. Cost and upkeep of caller's equipment.

Many clubs in small towns and rural areas seem to have difficulty making ends meet, especially if they rent halls and their yearly rent increases. I know most clubs want to pay their callers a reasonable fee, but the question is "*What are reasonable Fees?*" Attendance is usually down during the summer when our snowbird friends go North, and expenses are hard to meet. Hence the need for guidelines.

I think the local caller associations, along with some representation from various clubs around the area should get together and establish guidelines which are flexible. I suggest a base fee for callers, plus a percentage that would be a standard guideline for new clubs to follow.

These thoughts are my own and are not indicative of the clubs to which I am affiliated. Would appreciate your comments on this subject. Maybe a pro and con survey could be made.

*Evelyn Blank*

*Editor Note: O.K. Callers and club leaders. Can we give some answers to this problem?*

# DANCING NOTES

## YOUR LETTERS TO THE EDITOR PAGE

### REPLY ON HAWAII FESTIVAL

The letter to the Editor in the January issue concerning the Hawaii Aloha Square Dance Festival in October '84 prompts me to write a few lines in rebuttal.

Square Dancers in the states who are unfamiliar with our island state might be disheartened by this article. Square dancing in Hawaii is alive and growing despite intense competition from their own native Hula.

I will have to agree with some of the writer's criticisms - BUT - any square dance activity must ultimately be paid for by the square dancer. The problem begins there.

I can count the number of square dance clubs in Hawaii on my fingers, plus a couple of toes, therefore the cost of a festival must be borne by a small group of dancers or clubs, and facilities for an event of this kind are very high in Hawaii.

On the mainland we have thousands attending our festivals and conventions. Just a small local dance brings out hundreds of dancers. In Hawaii, I don't know, but I think there are not over 500 dancers total. They usually do not have an influx of hundreds of dancers for festivals.

My wife and I have danced at at least 16 clubs in Hawaii. We have always enjoyed the people we danced with.

Naaman Moorehouse calls for the Square Wheelers in Kapiolani Park every Monday and often we have found it to be an International meeting place. We have danced with dancers and callers from various parts of the world—England, Australia, New Zealand, Canada, and quite a few tours from the States.

We have just returned from a 6-week vacation in Oahu and Hilo, Hawaii, and we found very nice and friendly dancers. The Square Wheelers of Kapiolani Park invited us to their Christmas dinner and dance and we danced with the Rainbeau's and Belles on New Year's Eve. We thoroughly enjoyed the dances and the friendly people that we

met there. Most of the clubs are mainstream or plus but we did find an A-1 dance at Aloha Paradise Dancers where Erv Parrish called a very fine dance.

Any military man going to Hawaii will find a nice group of dancers at the Kilauea Military Center, Hickam or Wheeler Air Force base. We are very happy with experiences in Hawaii and plan to return there as often as possible.

*Arthur Larimer*

### CLUB REPORTERS

We are still running into the problem of club news being received without identification. If your club news is missing this month, it is because it arrived without a club name on it. To be sure of proper identification, first put these three items at the top of the page of your club news:

1. Club Name
2. City or town where the club dances.
3. Your full name and address.

If this is done first, it will eliminate the chance that one of these important items is omitted.

We will have to discontinue printing any articles with a nom de plume signature, unless your name is included elsewhere on your communication. When all criteria are met, only the nom de plume will be printed in the magazine—not your name.

Please, if possible, list changes for the "Where to Dance" section, or ads, on separate pieces of paper. All these things go into different files for processing, and when all are included on one sheet of paper, it is possible that only one part of your communication may be processed and filed away before ever reaching another department.

Some reporters feel that they must report on March dances for the April magazine as though they have already occurred. Since the deadline for the April magazine is March 1st, your editor must change the wording in these cases to make your report factual.

We sincerely hope these hints will help you.

ROCKLEDGE . . . We are busy making plans for our bus trip to the National Convention in June. We're making a week-long trip of it, leaving Monday morning, June 24th and returning Sunday, June 30.

Eighteen of us went to Whirl & Twirl

January 18th to steal their banner. We enjoyed dancing in their new building.

Our second annual Winter Whirl was a success. We were happy to see a lot of folks we hadn't seen in awhile.

Our new class is the most enthusiastic we've seen in a long time.

## COCONUT SQUARES

COCONUT CREEK . . . Our Nite in Mexico was a little different. We had tables for four at the side of the hall set patio style, each covered with a red and white checked tablecloth and a candle in the center. Dee prepared all the tacos, enchiladas, and nachos. We found out some of the dips were *H-O-T* El scorcho, but everything was so good!

We're glad to see our winter dancers back. So many of our club members have been on the sick list this month.

All you hobos are welcome to come and dance with us and have some stew on March 20 for our annual Hobo Nite.

## TRAIL BLAZERS

ORLANDO . . . Our January Weight Watchers dance went over real well. Of course everyone didn't believe that all foods brought were low-cal. But we did our bit to compensate for all the Holiday Calories and still ate good. Now in February we don't have to hold back on the goodies at our Valentine dance.

Thanks, Jim Louder for calling for us when George & Rita took a night off. You were great and we really enjoyed and appreciated your job well done.

Come join us on March 12 when we dance in the green with our own Irish born Lassie at our St. Patrick's dance.

*Betty*

## SOUTHERN STARS

BONITA SPRINGS . . . Our January Old Clothes - Hobo Party was very successful. Most of our dancers dressed in "old" clothes - patches, paint splashed jeans, mis-matched skirts and blouses, etc. Hot dogs and beans were served as our "hobo" fare. Our February plans include a Valentine Party

dance complete with a "sweetheart" tip.

We always look forward to the special events on our square dance calendar — an important part of the fun and fellowship of square dancing. Join us for a pleasant evening of dancing with friendly people.

*Irene Bartsch*

## ORLANDO SINGLES

. . . We are about to celebrate our 10th Anniversary and plan to make it a BIG event, complete with a spaghetti dinner. We're hoping all former members, whether they are still dancing or not will come and join us on March 8th for this very special occasion. You don't have to be single, or a former member to come help us celebrate.

*Peggy*

## BIG POTATO SQUARES

APOPKA . . . We had a great time at our Hobo party in January. That "hobo stew" always turns out to be delicious, although the recipe is never the same.

Our "Wearin' of the Green" Dance will be March 13th, with GREEN finger food.

## VILLAGE SQUARES

LONGWOOD . . . We're all prepared to celebrate a new year with many exciting dances planned. We're very excited about the opening of the new hall.

On March 5th we will have "The Green Fling"!! Come and join us.

*Sandy Spain*

## STARLIGHT PROMEANDERS

DEBARY . . . We had a great time at our New Year's Eve Dance. We served a delicious breakfast to everyone. Fran Borman was 1984 going out and Elaine Murdough was our 1985 gal coming in, skipping across the stage. . . In our Amateur Caller's night spotlight were: Bud Holmberg, Ted Levandoski, Kitty Wade, and Terry Van Ness.

We danced for the patients at the Deltona Health Center. It does your heart good to see the smiles on their faces and hear them clap their hands and stomp their feet in time with the music.

Our Valentine Dance and Ice Cream Social is coming up February 13th. On March 13th will be our St. Patrick's Day Dance - "The Wearing of the Green".

We were saddened January 15th to lose one of our dear members, Bud Dunlap who had been ill for several months. He shall be missed.

*Phil & Terry Van Ness*

## KRISS KROSS SQUARES

FT. MYERS . . . First, I would like to correct the name of our new President, Helmuth Bischel and his wife Betty; Vice President Charles Nieves and wife Olga; Chaplain Bill Fetter. We wish them a good year and best of luck.

We've had some cold weather for Florida, but it hasn't slowed dancing down. Come down and join us.

*Irene McKown*

## SUNDANCERS

TITUSVILLE . . . Our new officers have planned several special dances and activities. The officers for 1985 are: Jack & Zonie Taylor, President; Ron & Peg Kilbourne,

Vice President; Patricia Deitz, Secretary; Hugh & Esther Ross, Treasurer; Chet & Lee McCheskey and Steve & Peg Vincent, Board members.

Guests are always welcome—come join us.

*Patricia Deitz*

## SANDY SHOE STEPPERS

FT. PIERCE . . . January dancing has been great. Many old friends have returned from the north as well as many visitors and new members increasing our fun and friendship. Welcome to all! Hope to see you in a square.

*Debbie Krivan*

## GRAND SQUARES

GAINESVILLE . . . After we welcomed 1985 at a special dance, the crowd descended upon Skeeter's for a special breakfast. Bill Chesnut made a dashing looking "head waiter" in his tux and bow tie, while Jim Duncan entertained the group with his "crooning". Lon Ligon was calling squares after midnight for those who wanted to get the year off to a good start.

We have a new social director to assist with plans for special dances this year—Nancy Russell. Marie Turner is continuing as co-director.

As club reporter, my New Year's resolution is not to miss any *Bow & Swing* deadlines in 1985! Happy dancing to all.

*Diane*

## BUTTONS & BOWS

MULBERRY . . . Our dinner and show at the Mark I Theater was most enjoyable, thanks to Calvin & Pauline Whitaker. . . With all our special events, we have to raise money some time during the year. (Is this a familiar statement?) We will have a "Parking lot Sale" in early February for our "Fun Fund".

We are enjoying our extra guests, both mystery and benner stealing. We are really a fun club and like sharing our fun with others. Our presidents, Phil & Delores Vogel, always welcome a call that a group wants to come dance with us.

## HIALEAH COUNTRY CORNERS

... Even the walls vibrated with the swirling and twirling bodies of an unprecented 19 plus squares at the annual Cystic Fibrosis dance January 19th. Two tables were laden with goodies to eat and a third table was loaded with door prizes, cakes, and other items. Our esteemed president, Tom Farish, was right there between tips handing out prizes to lucky number holders. Clyde Kirk, Harry Taylor, and Henri Arsenault kept the music lively. \$745.00 was amassed to be turned over to the the Cystic Fibrosis Foundation ( a truly worthy organization).

We give special thanks to all our members for all the preparation and work required to make such an endeavor a success. Also, special thanks to all our friends who joined with us to make this a most memorable occasion. Come back again—anytime.

*Mildred Sinquefield*

## SPECIAL STEPPERS

PENSACOLA ... We traveled to the Sunland facility in Marianna in December to perform for the retarded clients who had to remain at the facility during the Holiday

season. In January, we danced an exhibition at American Legion Post #235 in support of a Special Olympics Fund-Raiser.

Future engagements include participation in the Big Bend Very Special Arts Festival March 5 at the Tallahassee-Leon County Civic Center; the Azalea Trail Festival on March 9 in Mobile, Alabama; The Florida State Square and Round Dance Convention in Lakeland in May; and the National Square Dance Convention in Birmingham, Alabama in June.

The following new officers were elected in January: President - Helen Chapman; Vice President - Ernestine Connell; Secretary - Elsie Ward; Treasurer - Terry Kellen; and Assistant Treasurer - Marie Crown.

In January, your reporter, wife Chieko, and Pensacola Special Stepper son, Ken, traveled to Las Vegas to participate in the Mid-year Board Meeting of the United Square Dancers of America. A report was made of the activities of the Committee for Handicapped Dancers and the performance of the Pensacola Special Steppers in support of the activities of the Committee.

## TIPS FOR NEWER CALLERS

(Continued from page 20)

you to call a routine for them and see what I mean. The music is not any slower for cloggers, but the cloggers are putting more into it and are not moving around the square as fast as dancers that are not clogging, so you will have to adjust to that.

I am going to give you more routines, or figures for cloggers in the April issue. Right now use that one, and while you are at it, teach them to do the Tea-Cup Chain and

then let them clog it. Don't let them clog until they know the tea-cup chain well enough to do it without you calling it. Teach it to them, let them memorize it so they do it well, then they can go ahead and clog to their hearts' delight. The cloggers here really like this type of clogging because they can get away from the routines for a change and do their own thing. Next month I'll give you more that you can add to what you already have and before you know it you will have a three or four minute routine.

## WAGON WHEEL SQUARES

ST. CLOUD . . . Pie night and all singing calls was the feature for January. Jane's peanut butter pie was a big hit with those lucky enough to get a piece. Special entertainment was provided by Pete & Jan Shankle. . . Banner raids were to Country Swingers and Angel Squares. Bob & Jane are keeping us all on our toes as Banner King & Queen. See you at the Rodeo Dance. We're working on our second trophy.

Bev Whitney

## FEATHEROCKERS

BRANDON . . . A little bit of Hawaii came to Brandon in January as we held our Hawaiian Nite. Costumes, food, and a good time was had by all.

Plans are already in the making for our biggest and best Anniversary Dance on April 18th. This will be our seventh year and we are planning many surprises. Plan to attend and help us celebrate.

*Zero Line: Pass the Ocean ... Single Hinge ... Split Circulate ..(check wave) .. Fan the Top ... center four Fan the Top ... Recycle & Square Thru 3/4 ... Ends Single Hinge & the girls U Turn Back ... Pass Thru ... Left Alle.*

*Zero Box: Swing Thru ... Boys Run ... Tag the Line Right ... Couples Circulate ... Girls Run ... Fan the Top ... Recycle ... Sweep 1/4 ... Pass Thru ... Trade By ... Left Alle ...*

NOTE: Dancers should become acquainted with the ability to react to *Fan the Top* from facing couples as well as from the established wave. This action, like a *Swing Thru*, has the dancers, without any additional words, simply move into the action by stepping ahead into a wave and with no hesitation into the fan action.

I feel that *Fan the Top* is a GOOD Mainstream Basic, but it really could be placed into the PLUS program to shorten the teaching program of the Mainstream basics.

27th.

We will have our "members only potluck and annual meeting" February 3rd.

**RIDGE ROLLAWAYS**

**SEBRING . . .** "Meals on Wheels" was the recipient of the Ridge Rollaways Christmas donation. The New Years Eve dance, limited to 22 couples, with dancing, food and skits, was enjoyed by all.

The round dance club was host to the West Coast Round Dance Association on January 6th. Four cuers and many round dancers enjoyed the day. We have had special Sunday dances—The West Coast Association dance January 20th and Stan Burdick's Subscription Dance January

**NSDCA LIMONADERS**

**LAKELAND . . .** On February 15 & 16 we will be at Manatee Park, south of River-view. Hope we see all our "old" friends and a lot of new ones. We are always guaranteed a great weekend.

Hope all our friends and their families survived the "Alberta Freeze" and we guarantee everyone a warm and pleasant weekend at all our camporees. Maybe not the weather, since no one has control of that, but we will guarantee great fun and the friendliest atmosphere. Come join us.

## GROVELAND SQUARES

... We were host to square dance students from Lake, Orange, and Hernando Counties January 12th, who made up the 15 squares enjoying a class level dance. Our class has moved into Mainstream and we will be proud to graduate them at the end of February. Club members served as angels for the "Freshman Frolic" and provided finger food and punch.

We appreciate the Central Florida Callers Association Class Level dances and especially the Recycle Sale dance in Winter Garden.

Club activities coming up include the Rodeo Dance (to keep our trophy!) and a "Sno Bird" appreciation dance February 12th - Our Valentine Dance. Attendance indicates that cold weather does *not* slow a square dancer down! Come dance with us.

*Marge & Harry England*

## MERRY MAVERICKS

JACKSONVILLE . . . We have a new caller! Welcome to our club Jim & Sandra Duncan from Starke, Florida. Jim replaces James Maxey, who has called and instructed this club for eleven years. James has a new position as Resident Caller in Sevierville, Tennessee.

A "Roast Maxey" will be held February 27th to say "Thanks and Farewell" to a wonderful caller.

*Doris Kasnias*

## AZALEA SQUARES

PINELLAS PARK . . . We're having a great time dancing. On January 17th Granny had a surprise caller come with her to the dance from Houston, Texas (a former caller from Florida, Johnny Weade). He is to make a return visit in 3 months.

We are now thinking about our Valentine Dance in February. Everyone is enjoying Mac & Hazel being with us.

You all come and dance and eat with us.  
*Granny*

## SUNSHINE SQUARES

ORANGE CITY . . . We have been very busy. We meet every Monday morning at the home of Mert & Gladys Bromley and

spend approximately 2 hours dancing. (The only exception was January 21st, when it was too cold for dancing outside in a carport.)

We are the smallest square dance club in Florida, consisting of 11 couples. We organized 2 years ago for the purpose of bringing some sunshine into the lives of patients in the area nursing homes and retirement centers. We are all retired and range in age from 57 to 80 years old.

In December we put on an exhibition dance for the Orange City Tourist Club in the Sorosis Hall, Orange City, danced for patients of the Alliance Nursing Home in DeLand, danced at the monthly birthday party at the Lutheran Retirement Center, DeLand, at the Medical Center at John Knox Village, Orange City, and entertained patients at the University Convalescent Center East in DeLand. We are now practicing for the dance programs to be held in February.

A very important feature of these programs is visiting with the patients during intermission. These visits bring back fond memories to the patients and their comments are a blessing to the dancers.

*Mert Bromley*

## BASS CAPITAL SQUARES

GEORGETOWN . . . Our Christmas and New Year's Eve dances were really enjoyed by all. Some class members joined us for both of these dances. The class is coming along great. Our January dances were both really super - our greatest turnouts ever. At our last dance, we had 12 couples from the Dixie Squares, taking our banner over to Daytona.

Come dance with us. We have a covered dish dinner between our 4 o'clock workshop and 8 o'clock dance. Come bring a covered dish and have dinner with us at 6:00. I'm sure you'll find no one is friendlier than our club.

We are having a *BOW & SWING* Subscription Dance March 16th with at least 4 callers. We'll have our regular covered dish dinner that night too. Hope you'll join us.

## TWIRL-A-WAYS

TITUSVILLE . . . At our January 18th meeting, we elected new officers: Liz & Ted Beck were re-elected President; Alvin & Patsy Watson, Vice President; Bob & Faye Martin, Secretary; and George & Janet Southwell, Treasurer. Jim & Shirley Miller, Charmaine & Frazier Coffman, and Dick & Shirley Sweatt are our Directors. We are grateful that these couples have agreed to serve and know they will do a good job. However, all members of the club are needed to help in many ways - bringing punch, helping to decorate, cleaning up after dances, serving on committees, etc. With everyone's help, it makes a more enjoyable and successful club. We look forward to another great year.

*Karen & Al Reshel*

## SPARES 'N' PAIRS

Chapter of Bachelor & Bachelorettes

ST. PETERSBURG . . . Our annual Luau was great. We appreciate the super participation by the Shootin' Stars, Azalea Squares, Left Allemanders, and others. Sure would be nice to see you more often at our regular Friday night dances. We have fun and good dancing every week.

Newly elected officers are: Bob Frantz, President; Bertha Rankins, Vice President; Peg Burrows, Secretary; Kitty Zablocki, Treasurer. Installation is February 1st with our traditional candlelight ceremony. March 15th will be "Wearin of the Green Dance". Why not celebrate St. Patty's with us?

Our sympathy to the family of Howard Pendleton who died January 25th. Howard danced with us for many years in spite of a visual handicap. We'll miss him.

Due to poor health, Lou Tuma, (charter member) has been unable to dance. Miss him and his funny little stories. "Father Time" is catching up to many of us . . . he's a sneaky fellow. Mary Millerman (Past Pres.) and Lucy Brewer (charter member) are among those unable to dance and they are not forgotten.

*Doris Tallon*

## CIRCLE WEAVERS

LEESBURG . . . We started the New Year with a bang. Our first dance of the year was

held in our beautiful new hall at Lakes at Leesburg Mobile Home Park. Representatives from all our local clubs as well as dancers from within a radius of 50 miles attended. We thank all for helping us initiate our new hall. We love you.

Congratulations to Al & Nina Esche, two of our faithful workers and members, for winning the beautiful mobile home - a grand prize given by the Lakes at Leesburg Mobile Home Development Company to the United Fund Drive held at Lake Square Mall.

Come join the fun at our club.

*E. B.*

## SHIPMATES

EDGEWATER . . . The best way to keep warm in this typical northern weather is to keep moving, and the best way to keep moving is to keep dancing and that we're doing! Banner retrievers from Titusville and Flagler have joined us, as well as our friends from the north. One of our more enjoyable evenings was our famous "pie nite". Many thanks to all that shared their favorite recipe with us. Come join us soon.

*Yeoman Swabby*

## FOUR TOWNE SQUARES

DELTONA . . . We were saddened by the passing of one of members, Bud Dunlap. The club made a donation to the Volusia County Hospice Association in Bud's name.

We enjoyed Longwood Village Squares' visit when they stole our banner January 25th. We now have a plus workshop 2 or 3 Thursdays of each month at 7:30. We're having many visitors from the cold northland enjoying our warmer (?) climate this winter.

*Pat Squares*

## DIAMOND SQUARES

DUNEDIN . . . We are going full speed ahead. Our hall is filled with happy dancers from all over the U.S.A. and Canada. The new officers are planning an exciting year ahead. Come join our happy group on a Tuesday afternoon or Sunday evening.

## HAPPY HOOFERS

FT. LAUDERDALE . . . Hello to all. This is our first report. We are a new Mainstream club. Henri Arsenaault is our caller.

Norma Glover & Dale Edgar were guest callers at our January Singing Call Nite. February will bring changes to our regular Tuesday nite workshop. All interested are invited to join our Plus Workshop from 7 to 8 pm, one hour prior to our regular Mainstream workshop.

Note your calendar to attend the 1st Annual Cystic Fibrosis Dance sponsored by the Happy Hoofers, April 14th at Trails End Square Dance Hall. Guest callers will include Jack Lasry & Frank Bedell.

*Ron & Sandy Jones*

## GANDY DANCERS

TAMPA . . . We welcome all dancers (new and old) to come square with us. Some of our club members have been out retrieving our banners, and thanks to all who have visited other clubs. We're planning to wear 'n a bit o' green at our St. Patrick's dance on the 11th. Hope you will join us and we promise a good time for all.

*Willena & Colie Gruber*

## BAY AREA TWIRLERS

TAMPA . . . Our Valentines Dance will be special this year with a group from Ellenton expected to join us on their "Mystery Trip". Behind the scenes a bunch has been busy getting the programs, meetings, and special dances for 1985 scheduled. Committee Chairmen named were: Palmira Ferrandez, Hospitality; Nancy Taylor, Refreshments; Eunice Lusk, Publicity; Mary Correia, Telephone; Chess Hooper, Program; Arlene Rifner, Sunshine.

We're having some great dances - come join us!

*Norm & Carolyn Fowles*

## CASTOFFS

BOYNTON BEACH . . . Want to know what kind of innovative affairs we run? Ask any of the 218 dancers who attended our End of Year Bash December 30th. No one, but no one, didn't have a ball. With the cooperation of our committee consisting of our Thursday Niters as well as our Castoffs,

the bash ran with precision. Dancing, refreshments, and entertainment were all a delight.

After 2 squares demoed at a nursing home adjacent to the JFK Hospital, we all hied over to visit our treasurer, Wilma Simms, who was recuperating from knee surgery. Needless to say, she was breathless, and our club outfits mesmerized the hospital staff.

We still host to capacity at our various levels from Basics to A-2. Come visit us. See our ad for schedules of various levels. Don't miss our St. Patty's dance.

*Herb Langmeyer*

## DRIFT AROUNDS

. . . Sincerely hope everyone had a happy holiday season. Hope one of your New Year's resolutions was to be at every campout with us this year. Our March campout at Pacetti's, March 22-24.

*Wally & Jean Miller*

## ARCADIA SQUARES

ARCADIA . . . Another great quarterly meeting was held January 12th at the lovely country home of our president, Wilson Mathis. Even the uncooperative weather did not spoil our fun. In addition to having the friendliest square dancers, we also have the best cooks, adding up to a great afternoon. The day happened to be Wilson & Joanna's 37th wedding anniversary.

Even though Arcadia is a little off the beaten path, our guest list gets longer each week. If you're in our area, come join us.

*Rachel Messerschmidt*

## GOLDEN TRIANGLE SQUARES

EUSTIS . . . Hope you all have a "touch of green" ready to wear to our March 14 Shamrock Dance. Otherwise the Leprechauns might cause you to miss a cue.

We seem to have more northern visitors at our dances than ever before. We are still introducing first time dancers to our club each week. Then we watch for the golden ribbons they are presented with so that we can join them in a square. Also the driver who brings our club a first time couple is presented with a reward. Keep smiling and keep dancing!

## WESTERNAIRES

**NORTH MIAMI . . .** At our New Year's Eve bash we danced to big band music with a flashing Christmas tree in the background. M.C. John Sherley looked sumptuous in dress clothes, as did those who were only too happy to put aside the "funny clothes" for one night. As midnight approached, some crunched munchies as others enjoyed ballroom dancing and an occasional square. Angela & Doug Bomford dreamed up games for those with a taste for adventure or just a laugh or two. At midnight, "Father Time", Bill Hogue, led 1984 away as "Baby 1985". Buddy Shelton, led the way into the new year amid laughs aplenty. Lynn Ward, Picture-taker extraordinaire, table-hopped while everyone said "cheese".

January 17th, 6 couples attended the Salty Dawgs in South Miami. On January 26th, our hall was festooned with balloons and streamers and turned into a "big top" for our Circus Dance. While popcorn girls Dottie Campbell & Marie Slauson circulated with their wares, you could spot many circus notables in the crowd, among them ringmaster Bill Hogue, and lion tamer Angela Bomford. Costume prizes were won by Bob & Jan Wells, and Tony & Joan Hein, with special recognition given to frequent visitors Dave & Kathy Kallay, who braved the cold in trapeze outfits. Caller John Sherley, recovering from laryngitis, was helped out by Alan Ashcroft.

*J. Barth*

## RIDGE SQUARES

**LAKE WALES . . .** We are in full swing for the winter season with exceptionally good crowds every Wednesday evening. We enjoy a plus workshop followed by a plus dance.

We will celebrate our 7th Anniversary in  
March. *Della Maier*

## OKEE SWINGERS

**OKEECHOBEE . . .** We had a successful and gala New Year's Eve Party. The decorating committee did a beautiful job on the hall and the pancake breakfast was enjoyed by all. There was also loads of noise and plenty of hugs and kisses. Thanks to all those who worked so hard on this event.

Art Tangen from Ionia, Iowa was guest

caller at our January 22nd special. A large crowd attended, with visitors from the Sandpiper Squares of Port St. Lucie, and Ridge Rollaways of Sebring. Art thought Florida was a great place to be in January.

*A Swinger*

## LAKE COUNTY TWIRLERS

**EUSTIS . . .** Hello again! By the time you read this we will have had our Valentine Party Dance. The students are invited also and finger food will be enjoyed.

On March 13th we will have our St. Patrick's Party, so wear something green if possible. Area square dancers are invited. (See "Where to Dance" for location.)

*Marie L. Carter*

## LEFT ALLAMANDERS

**ST. PETERSBURG . . .** Members are busy with arrangements and preparations for our *Mini-Snowbird Dance* on March 29th. Please note this is the 5th Friday of the month. We are happy to report that Gene Ehrlich & Thelma Whicher are both recovering from surgery. We look forward to their return to dancing. Please see our ad in this issue of *Bow & Swing* for our March schedule. Come join us for a fun evening.

*Ralph & Jean Hinkle*

## MELON SQUARES

**WILDWOOD . . .** Yellow rocks all around and cries of *Happy New Year* greeted 1985 at our New Year's party. The New Year was properly ushered in with one more dance tip—which also served to help shake down the delicious dinner we had just consumed. This festive occasion was a great success, thanks to the efforts of Mary Ellen & Art Elderkin and Gerald & Doris Bishop.

Our first January dance was enlivened by a banner-stealing group from Clerbrook RV Twirlers. At the next dance, black & white was predominant, as a large group of Lake County Twirlers joined us to retrieve their banner and add much gaiety to our evening.

December 31 marks the end of the 'charter' period of our club. We have more than doubled our membership and have had many good times. We look forward to an even better 1985.

*Pat Langtry*

## ACTIVITIES AT NATIONAL

This June will see the first annual meeting of ROUNDALAB to be held (Sunday, Monday, Tuesday) just prior to and in the same city as the National Square Dance Convention.

Realizing a need for a training program for Round Dance Teachers, ROUNDALAB's first Chairman, the late Wayne Wylie, presented a proposal to the ROUNDALAB Board of Directors at its 8th Annual Meeting for the establishment of clinics, in various sections of the country, to upgrade, standardize and stabilize the current trend in Round Dance teaching techniques.

The first Teacher Training Seminar will be for ROUNDALAB Members only and will be held during ROUNDALAB's Annual Meeting in Birmingham, AL in June.

ROUNDALAB will then follow up this Teacher Training Seminar with a series of 2-hour daily seminars June 27, 28, and 29 at the National Convention in Birmingham, AL. These daily seminars will be open to all — dancers and teachers. Chaired these events will be Education Chairman Irv & Betty Easterday from Boonsboro, MD.

Final tabulations and a detailed report on the ROUNDALAB round dancer's survey conducted this winter will also be the topic for one of the sessions scheduled at the ROUNDALAB convention as well as during one of the daily ROUNDALAB seminars at the National Square Dance Convention.

ROUNDALAB will also sponsor a Round Dance After Party Friday evening June 28, at the Natl. Square Dance Convention.

### Wayne Wylie

The Round Dance world lost one of its most dedicated leaders mid December, 1984, when Wayne Wylie died.

Wayne and Norma Wylie had been dancing together since high school days in St. Louis, MO. Norma, with her background in classical ballet and ice skating, and Wayne, with tap and ballroom dancing as well as

skating, taught ballroom dancing at a St. Louis studio for years before discovering square and round dancing in 1952. Six years later they began teaching round dancing. Over the years, the Wylies have been featured instructors at festivals, clinics, and schools in the United States, Canada, New Zealand, Australia and Europe. After retiring from business ten years ago they became round dance teachers in Mesa, AZ, and made it their permanent homesite.

It was only natural in 1977 when LEGACY provided the location and impetus for a gathering of dancers and leaders to help make sense out of a confused Round Dance picture, that Wayne Wylie, long active and well versed in the Round Dance activity, be selected to spearhead the project.

The response to the call for an organizational meeting which Wayne sent out was received by most in the Round Dance teaching profession with enthusiasm. Many top leaders in the activity took time from their busy schedules to attend the organizational meeting in October, 1977 in Memphis, TN.

Elected ROUNDALAB's first Chairman, Wayne, recognizing the need for standardization, quickly established committees on terminology and definitions. After serving his second term as Chairman, Wayne & Norma continued to serve on the Board of Directors and were responsible for developing an ongoing program to recognize those who have had a major impact over the years on the development of Round Dancing. At the most recent past ROUNDALAB convention, Wayne presented a detailed ROUNDALAB sponsored Teacher Training Program.

Wayne & Norma also served the square and round dance activity as LEGACY trustees and served on its Board of Directors.

All our lives are richer for having been touched by the dedication and caring of Wayne. The Square and Round Dance world extends its most sincere sympathies to Norma and their daughters.
