## Presidents Message

We extend our greatest sympathy to Ann Robinson and family on the death of Danny Robinson, February 24 2006. Our square dance community will miss Danny very much. He called for 56 years; 42 of them with Whirl & Twirl in Orlando.

We spent a great week with our Marion, Sumter, and Lake Counties Square Dance Family: thirteen dances in six days, found some clubs we didn't know about; and, and we located some we weren't real sure about where they danced. We met lots of great dancers and callers. Thanks to all of you for inviting us in with open arms. We enjoyed dancing with all of you.

The 6<sup>th</sup> Annual Shamrock Swing is now history. Our ticket sales reflect we had 30 squares, but we didn't have that many at any one time. Richard and Jeanne Lysobey led the charge in the kitchen and with the help of the Starlight Promenaders the food was flowing at all times. Job WELL DONE! A big THANK YOU goes to Jim and Jan McConaha and their committee for giving us a great dance.

Saturday evening the Couple of the Year Award was awarded to Kenly and Alice Spilman. They dance with the Dixie Squares and Granada Squares in Volusia County. Congratulations to a very deserving couple.

This month we have a fifth Saturday dance. The dance will be held in Leesburg at the Masonic Hall, 200 Richey Road. Don and Loretta Hanhurst will be the caller and cuer. The Sunshine Promenaders are hosting the dance for us.

Next month is the State Convention. All dancers can participate and you should. It is a great weekend of dancing, shopping, and getting acquainted with dancers from all over the state. We have wonderful callers and cuers in the state of Florida, so come to Lakeland over Memorial weekend and have a good time.

Happy Dancing

Jack and Barbara Hoffman  
Presidents CFA

## 2006 COUPLE OF THE YEAR

This couple was married Sept 22, 1956 in Governor NY. They have 5 children, 3 boy and 2 girls, and 2 grandsons.

They moved to Florida in 1992 and graduated from Square dancing in 1993. They are members of the Dixie Squares and Granada Squares, and have been treasurer and president of both clubs, at one time or another. At the present time they are treasurers of the Dixie Squares. They became CFA Representatives for the East Volusia area in 2000 and have held the position ever since. They worked on the Tour Committee for the 1997 National Convention. This past year they were on the Florida Federations Hall Search Committee, trying to see if a new place for the State Convention was feasible.

I'm sure by now most of you know we are talking about Alice and Kenly Spilman .

Alice has held recycle sales and garage sales for the Dixie's and Granada Squares. Also been in charge of dinners when needed. As they say she never says no even though she is very busy volunteering at the Lady of Hope Thrift Shop and as the School Nurse at The Sacred Heart School in New Smyrna. In her spare time she sews, knits and does crafts. Kenly also likes to keep busy. He works part time at the LPGA Golf Course and is a member of the Florida Senior Golf Association. He has held the office of president for this organization also. He belongs to the Knights of Columbus and Alice to the Columbettes. Kenly was Grand Knight when they lived in Governor NY.

They both are always willing to do when asked, and seem to enjoy helping wherever they needed.

Congratulation on your selection as Central Florida Associations' Couple of the Year for 2006.

**CENTRAL FLORIDA SQUARE & ROUND  
DANCERS ASSOCIATION  
BOARD MEETING  
BRUCE & COLLEEN MORGAN'S HOME  
January 15, 2006 Minutes**

**CALL TO ORDER:** Presidents Jack & Barbara Hoffman called the meeting to order at 3:05 PM. Judy Frye gave the Invocation, which was followed by the Pledge of Allegiance. Presidents Jack & Barbara Hoffman welcomed everyone. There were no guests.

**ROLL CALL** by Ailene Picheco.

**SECRETARY'S REPORT:** Dewey Hendricks moved to accept the minutes of the October 9, 2005 Board Meeting; Jan McConnaha second; Motion passed.

**TREASURERS REPORT:** Donna Hendricks distributed the treasurer's report to all members present. Jack Hoffman filed the report for audit.

**CORRESPONDENCE:** There was no correspondence.

**AREA REPORTS:**

**Area Vice President** Bruce & Colleen Morgan reported Club information is out of date; update forms may be found on the website - do not confuse the update form with the map data information. The Florida Federation voted to purchase a website (ad free) [www.floridasquaredance.com](http://www.floridasquaredance.com). Contact Bruce if you want your website transferred to this new website. Along with this website, there will be a map to look up any club in Florida.

**Brevard/Indian River** Woody & Marylou Coyle reported they hadn't been to many of the clubs except Palm Bay Promenaders and the Space Trackers. The Promenad-

ers are having a dance to celebrate Stan Crowhurst's 103rd birthday on January 26th . WOW! what a great time that will be. The Space Trackers had a Mexican Fiesta Dance last night and in February there will be a Sweet-heart dance. (Bring in pictures from all your weddings. Or your only wedding.) Judy is really doing a fine job of setting up these special dances! The Allemanders are having a Luau on February 18 and on April 1st they will be celebrating their 50th Anniversary. The Run\_a\_Rounds are going strong. Beverly Landwehr is doing a great job cueing. She has some new dancers, around 20 at last count. They had a New Years Eve dance which was well attended. There were around 7-8 squares. Jack & Zonie Taylor were there. Nice buffet. Dale McClary was the caller and he also did a good job. He is still having some problems with his leg, from the motorcycle accident. It will take time to heal.

The Canaveral Squares are planning their 46th Anniversary dance, April 4th. It will be a Cinderella Ball, with guest caller, Tim Tyl. The Palm Bay Promenaders have started a beginners class before their dance on Thursday nights.

**South Lake & West Orange** Vacancy. No Report.

**North Lake & Sumter** Bob & Jennie Courter. No Report.

**Marion** Vacancy. No report.

**East Orange & Seminole** Ian & Sandy Ogilvie sent their report. The Hoedowners remain very active with a good program, thanks mostly to the direction of Eleanore Weston, and a core of dedicated people, including caller, Gene McCullough, cuers Dick and Darlene Nordine, and some line dance instruction by Norma Newton. They continue to get 4 to 6 squares out to the Casselberry Senior Center almost every Sunday, and have a lot of club social events in their program. New officers for the upcoming year have just been installed, and the roster is identical to last year. The Orlando Singles have been struggling

with declining attendance recently. They had two squares at each of their Christmas 'Eve Eve' and New Year's 'Eve Eve' dances, and continue to try to re-establish their core group of singles with or without partners and other couples. The previously shared leadership responsibilities have been undertaken entirely by Virginia Barnes, throughout most of this past year. We have been assured that the club is busy making plans for more spring events, and we're told to look for some innovative "mixers". Whit Brown calls some great square dances, and of course, Phyllis Williams also does a great job on rounds. Whirl & Twirl has had a busy Christmas season, with well-attended dances, and New Year's Eve dinner/dance/bedtime story, courtesy of Colleen Morgan. Wednesday and Friday dance attendance is typically 6 to 10 squares. Pete and Jan Shankle's round dance program is also gaining momentum with several new members, and now boast their own badge, "Whirl-a-Rounds" designed by George Knapp. The club is actively planning upcoming fund raising activities, including Casino night in February, and a Cowpattie Bingo in the spring. However, the most exciting event currently being planned is the mortgage burning party which is almost an entire weekend of festivities put on by and for club members. As a result, there will be no regular Friday night dance April 28th. A new beginner square dance program is scheduled to begin on February 28th.

**Osceola Howard & Thelma Bitler.** No report.

**East Volusia** Kenly Spilman reported Dixie Squares had a great New Years Eve dance. Elections held January 12, 2006. Stan & Alice Brittingham, Presidents; Joanne Engum, Vice President; Delores Browning, Secretary; Kenly & Alice Spliman, Treasurers; Paul and Joy Barnes, Banner Chairman; Glenn & Jacquie Stafford, Board Member; Fred & Julie Zanak, Board Member. Installation of officers will be January 27, 2006. Board meeting on January 14, 2006. Planning calendar and discussion on

permanent caller. Hope to have one March 1st. Granada Squares had a successful silent auction and recycle sale. The snowbirds are back.

Flagler Ocean Waves are going to try starting a class this week. Spindrifters seem to be active with about 7 squares. John Saunders is work-shopping and dancing from 7:30 \_ 9:30 p.m. The Yellow Rock Dance Benefit will be the 3rd Saturday of March at City Island Rec Center. Various callers and cuers.

**West Volusia** \_ Roland & Linda Morin reported classes are continuing and students are moving along nicely at both the Starlight Promenaders and Honey Bees square dance clubs. Banner raids continue to bring welcome visitors to the dances, as well as getting our members out to other clubs and callers. Starlight Promenaders installed their new board this month and it looks to be a good year ahead.

**MEMBERSHIP:** Terri Little compared last two year memberships:

	2006	2005
TOTAL	193	305
New Members:	29	37
Renewals:	164	268

Each Area Representative has an updated list of dancers in their area, which club they belong to, and their membership status. If any of the reps or the clubs in their areas would like to hold a "membership" dance, please contact me at (321) 427-7950 or email islandmom74@cfl.rr.com . I would be happy to attend the dance and set up a table for DFA membership...either renewals or new. We need to encourage membership...we are down in membership by about 50% since 2003, which was our peak at 409 members.

**BLOOD BANK:** Jim & Jan McConnaha reported as of the first of the year, our Blood Bank Account # 54 had 821

units available. Of course, this does not mean that there are 821 bottles of blood on the shelf with our account number on them. This indicates that we have on the books 821 units that we can use for our members without having to pay for them. It is a paper accounting only. The Blood Bank advised that transferring units between accounts would not benefit the other account and we should keep building up our account.

Since the last report, we have had three members draw on the account for a total usage of nine credits. It does pay to belong to the CFA—this is one benefit! If you have any questions or need to make a withdrawal, contact the CFA Blood Bank Vice President, Jim & Jan McConnaha at Phone: (321) 636-6841 or E-mail: jim-jan@juno.com .

**INSURANCE:** Randy Poole reported the Insurance Account Balances for the period. Twenty one clubs insured for 2006 with 1088 members enrolled Six accidents were reported last year. Only one claim was filed. One claim is pending.

Please thank your club for getting their renewals in so promptly.

We have one new club insured, one club disbanded and one club returned to NE Association.

**KEEPIN" POSTED:** Tom & Eivor Brown reported Keepin' Posted made it through another year in spite of our efforts. Changing faces in many of our clubs have changed the interfaces to the publications and the nature of Keepin' Posted as well. Many of our reporters have changed. Their writing styles have changed. We still have plenty of room for club news and we would especially like to see spotlight articles on our special club members. A very senior management person once told me that when you take care of the people, the people will take care of the mission for you. Boy, is that ever so

true. Micromanagement has gotten so many in so much trouble. Highlight that person by taking out your pen or keyboard, interview him or her and pass it along to us. We'll tell all the clubs in the Association about your very, very special person who has given so much to your club. We'll appreciate it and I'm sure the person will beam with pride and do ever so much more for you. And the spirit is infectious, too. One gives it to another. Remember, those Publicly spoken Positive words foster a greater collective attitude. Club Presidents, keep up the good work.

**HISTORIAN:** Judy Frye reported she had worked diligently to completely get all the miscellaneous pictures given to me in their proper places, year wise and event wise. Some were very hard to place, going back as far as 1978 and many were from the 1993 "Everything's Coming Up Roses" Convention. Also, during the months of November and December I did go through all the pictures that I have taken and made some 70 reprints (maybe more) for the Florida Federation CFA Scrapbook, the States History Scrapbook. These were mailed to Manny and Sherry Gonzales, Florida State Historians, earlier this month and a thank you card has been received from them which I have here with me today, if anyone is interested. It will be submitted to the Presidents, if they want to keep it. Almost every event I have attended was included, such as CFA Installations, Benefit Dances for Tim Hoffman, Joe Fioretti and John Swindle, special Teddy Bear dances, Toys for Tots and so on. At each 5th Saturday dance I always take pictures of the callers and cuers, these were also submitted, so the CFA should have a good representation in pictures at this years State Convention that shows the CFA is an active group. Be sure to check it out. The only ones missing are from the 50th Anniversary Convention but Manny is to hold a place for them. So if your club wants to be included in the

Florida Federation's Scrapbook, send me two copies of your pictures. One for our own CFA Book and one for the Federations's. Thank you.

**FLORIDA FEDERATION:** Randy Poole reported Hurricane Wilma caused the November 6th meeting relocation to Lake City. Many of the delegates attended the Saturday night dinner and dance at the O'Leno State Park where they collected \$120.00 for the Southeast hurricane victims and some anonymous donor matched the amount. The money was given to the Federation. The Federation voted to donate all monies collected for hurricane Katrina to Southeast Florida Association for distribution to dancers in their area which included Central's \$200.00. This is the last year for the Sunshine Festival as we know it. Tony Oxendine and Square Dance Inc. will be the new sponsors and it will have a new name. Tony has offered the Federation an opportunity to be involved. The Executive Board voted to give it a try. The working weekend will be held in conjunction with the Shamrock Swing. Several of the CFA delegates may have to miss some of the afternoon dance segment. All dancers are invited to attend the 9:00 a.m. meetings Saturday and Sunday morning at the La Quinta Hotel on Lee Road & I\_4. This is the host hotel for the Shamrock Swing.

### **OLD BUSINESS**

**Shamrock Swing 2006** - Jim & Jan McConnaha reported the 6th Annual Shamrock Swing is fast approaching and at least at this time everything appear under control. We had a slight problem with the hotel; last year's and this year's hotel notified us that they had been sold and would be closed for remodeling for the next year. As it turned out this might have been a blessing. Our Housing Chairman, Randy & Carol Poole, got right on it and made arrangements with the La Quinta Hotel on Lee Road.

The La Quinta is even easier to get to than last year's hotel, it has an excellent restaurant in it, a free Continental breakfast, very nice rooms and good meeting rooms for the Florida Federation meetings. The Federation's Working Weekend is in conjunction with our dance. Publicity Chairman, George & Shirley Knapp, have been getting stories in the various square dance publications. They also were able to make the changes on the flyers regarding the new hotel. Our Program Book Chairman, Bruce & Colleen Morgan, are busy contacting businesses in the area for ads. This is an important part of our income. The Lysobeys, our Refreshments Chairman, have come up with some new ideas for this important area of our dance, which we think everyone will enjoy. We have been in contact with our Callers & Cuers and are in the process of finalizing the details of the entire program. As I am sure you all realize, this is the only fund raiser that the CFA has which is devoted to funding our CFA activities. If it does not make money, we have to draw on our reserves. Please get out and sell ribbons. Plan to be there! Support your organization.

**Shamrock Swing 2007** - Bruce & Colleen Morgan. No written report. Contracts are signed by callers, Tim Marriner and Whit Brown and cuers, Jimmy & Carol Griffin. It will be at the same location.

**55th Florida State Convention 2009** - Randy Poole reported. The executive board met November 5, 2005 and we discussed the theme, badges, dress and one of the best things that came out of the meeting was Ailene Picheco volunteered to be the Ways & Means Chairman. She has selected Terri Little as her assistant. Judy Frye came up with the theme. Bruce Morgan is working on the Badge and Logo. Along with the ladies dress, the men will get a new tie. We are still over 3 years out and open to new suggestions to make the convention special.

**Internet Maps** - Bruce Morgan reported. See comments under Area Vice President.

**Club Map Books** - Barbara Hoffman reported. Most of the books have been passed out.

### **Other Old Business**

**2006 State Convention** - Bruce Morgan stated that because of Hurricane Wilma and fewer dancers, the Southeast is having a hard time raising money for their convention. There will be a fundraiser dance at Whirl & Twirl on April 1st from 7:30 to 10:00 p.m. It will be Mainstream and Plus squares with rounds. Danny Robinson will call and Pete & Jan Shankle will cue.

**Shamrock Swing 2006 Fundraiser** - Judy Frye had a beautiful afghan donated to the CFA for the Shamrock Swing. Bruce Morgan made a motion to start selling tickets before the dance at \$2.00 each or 3 for \$5.00. \_ Seconded by Jan McConnaha. Motion passed. Judy has tickets available.

### **NEW BUSINESS**

**Address Change on Membership Application** - Terri Little reported the 2007 Membership Fees have increased and the Hendricks have moved which necessitates a change in the application forms distributed to the Central Florida area. All applications and dues will go directly to the Membership Chairman to save duplication and/or confusion in payments. The Membership Chairman will make deposits and inform the Treasurer's of the amount by email and mail the deposit slips. Terri will make up a new form and make sure it is distributed.

**CFA Ad in 2006 Convention Program Book** - Woody Coyle moved we purchase a full page in the 2006 Con-

vention Program Book, second by Terri Little; motion passed. Personal ads are available at \$10.00 each.

**5th Saturday Dance, December 30th, 2006** - we will dance. Caller, cuer and place need to be coordinated.

**5th Saturday Dance, April 29th, 2006** - flyers for the 5th Saturday Dance on April 29th, 2005 which will be at the Masonic Hall in Leesburg. Don Hanhurst will be the caller. And Loretta Hanhurst will cue the rounds.

**5th Saturday Dance, July 29th, 2006** - St Cloud. No caller or cuer yet.

**5th Saturday Dance, Sept 30th, 2006** - General Meeting, Election of New Board Members and President's Ball will be held at the Ag Center in Cocoa hosted by the Space Trackers. No caller or cuer yet.

### Other New Business

**Next meeting** - Jack & Barbara's home in Merritt Island. April 9th, 2006 at 3:00 p.m. followed by a potluck dinner for those who would like to stay and visit.

**ADJOURN** -Tom Brown moved to adjourn the meeting, second Jim McConnaha, Motion passed. Meeting adjourned at 4:35 p.m.

Respectfully submitted,  
Ailene E Picheco  
Secretary

## 6<sup>th</sup> ANNUAL CFA SHAMROCK SWING

The sixth Shamrock Swing is now history. It enters the history books as a great success, sold ribbons for 30 squares, both the halls were jumping to our great callers. Between the plus tips, Jimmy & Carol Griffin had the round dancers in round dance heaven. And this was just on the first night.

On Saturday, the round dance workshops covered all phases, while the square dancers spent the day in plus workshop, a mainstream DBD workshop, a plus dance with rounds and a mainstream DBD dance.

After taking timeout to eat, naturally, Saturday evening started with some beautiful early round dancing, a tip called by both callers and then a special presentation. The CFA Couple Of The Year was escorted to the stage by CFA Presidents Jack & Barbara Hoffman. Kenly & Alice Spilman of Daytona Beach were presented a beautiful plaque commemorating the occasion. Congratulation and keep up the good work.

The evening proceeded with great dancing in both the mainstream and plus halls, with rounds between plus tips. While all this fun was going on, many of us were taking a break in "Finigan's Place". This was the refreshment center that Refreshment Chairman Dick & Jeanne Lysobey had operating with the help of the Starlight Promenaders. You've never seen such a layout for two days. More food and drinks than we could ever consume in two days.

This 6<sup>th</sup> Annual Shamrock Swing had all of the things necessary to make a good weekend dance -- good facility, great callers and cuers, lots of snacks and a good crowd out to have fun. Make your plans now to attend next years 7<sup>th</sup> Shamrock Swing chaired by Bruce and Colleen Morgan, with callers Tim Marriner & Whit Brown and cuers Jimmy & Carol Griffin on March 9 & 10, 2007.

Jan & Jim McConnaha

**F A S S R D**

By the time you read this article, we will have come back from the 15<sup>th</sup> Annual Fuzzy Navel in Jekyll Island, GA. I will report on the weekend in the next issue.

I hope solos will be well represented at the 52<sup>nd</sup> Florida State Convention at the Lakeland Center in Lakeland. This convention is for all dancers and your support by attending is much appreciated. You can either mail in your registration or there are several people throughout the state who are selling ribbons. It's Memorial Day Weekend May 26<sup>th</sup> -- 28<sup>th</sup>. The ribbons are \$25 per person until April 30<sup>th</sup>; then the price increases.

National Singles Dance-A-Rama will be in Rochester, NY, Labor Day weekend August 31<sup>st</sup> to September 3<sup>rd</sup>. This is always a fun weekend dancing with dancers from all over the country, renewing friendships and making new friends.

We are pleased to let you know we have booked Sam Dunn and Phyllis Williams for the 27<sup>th</sup> Annual Single Rama at the historic Kenilworth Lodge in Sebring on October 20<sup>th</sup> and 21<sup>st</sup>. DJ's John Dean and Anne Oliver will be returning for the after parties on Friday and Saturday nights. Flyers and ribbons will be available shortly.

Keep dancing and stay safe!

## GET READY TO FOLLOW THE TRAIL - TO LAKELAND MAY 26-28, 2006

Here yee! Here yee! Here yee! Time's running out! The wagons are being loaded, the horses are being well fed and groomed (do you groom a horse before a trip??) Well, anyway, you get the picture. Time for you to start thinking about what outfits you'll need. Or maybe pack less and plan to buy some new outfits from the many vendors. Don't forget to pack the petticoats - or add a new color to your wardrobe by buying a new one!

Be sure to stop by the sewing room! You won't want to miss the various sewing and embellishment demonstrations - learn what to do to make that outfit hanging in the back of your closet seem like a new one! Rejuvenation, that's the word!! And look for the birdhouses! We have a talented gentleman who has been busy as a bee (bird would be more like it!!) building many birdhouses.

And then there's the entertainment each night! There will be a skit one night - those of you who know Bobbie and Carol Hutcheson know what fun their skits can be!! Don't miss all the fabulous entertainment each night.

And last but absolutely not least - don't miss the kickoff for next year. A secret informant says this one's going to be different from any other!

See you in a square.

**AMERICAN CALLERS' ASSOCIATION VIEWPOINTS***"Economic and Marketing Theory in Square Dancing"*

Patrick J. Demerath

The American Callers' Association in its attempt to be of service to all callers, dancers, and associations provided current, timely, and effective information on new dancer recruitment, winning ways to retain club dancers, and pitfalls to drive square dancers away for most of 2001- 2005. ACA really appreciates the positive comments, encouragement to continue, and contributions from callers and dancers all over the country and from abroad to continue these initiatives. ACA will continue to provide information that will help the square dance community recruit, retain and retrieve square dancers as well as encourage the dancers to speak out on the cumbersome dance programs.

This month's ACA Viewpoint discusses applying Micro-economic and Macroeconomic theory to marketing creating terms such as Micromarketing and Macromarketing theories to bolster square dance recruiting. Microeconomic theory relates to what a club can do to help recruit new students. Macroeconomic theory relates to the over status of square dancing throughout. The Arts Alliance is trying to use Macromarketing relating to increased promotion at the national/international level to increase square dance recruiting. Successful applications of Macromarketing are complicated and may be a long time in coming.

Micromarketing may be used when one evaluates the economic forces in the increase of gasoline for cars, pick up trucks and sports utility vehicles. Historically, square dancing does well as do university enrollments during periods of downturn in the economy. Although, we are in a solid economic situation nationwide, one area is weak. It costs more to heat and cooling our homes and operating our vehicles while salaries remaining constant.

The result is that people may not be able to afford many leisure activities that they enjoyed before.

Square dancing is a fun-filled activity that is extremely reasonable in cost. Perhaps, it is the most reasonable leisure activity in existence. Why not market square dancing as an inexpensive leisure activity that will make many new friends?

We can tell our friends and acquaintances about the values and the traditions of square dancing. Square dancing prospects might ask or think: "Why should I become a square dancer?" "What would I gain from square dancing?" We can communicate that square dancing is the best value for a leisure activity in existence. Point out the fun, new friends, and a variety of area places to dance; all of which are very affordable in these times of the hyperinflation of the price of gasoline. Tell them about the exercise and health benefits of square dancing which are a significant benefit of square dancing. Ask them to come to an open house and bring their families and friends. Micromarketing theory can help recruit new dancers as the rapid increase in fuels for homes and cars eliminates people from more expensive leisure activities. This would motivate people to come and try it. Church groups and home school groups are very good to invite to open houses. Try using economic theory to bolster marketing theory. If it works, tell everyone. Lets get non-dancer to focus on square dancing before focusing other activities.

Any individual, club, caller, or association who wishes to communicate his/her opinions on this subject is encouraged to contact the American Callers' Association at [Loulet@aol.com](mailto:Loulet@aol.com) or Dr. Patrick Demerath at [pdemerath@troy.edu](mailto:pdemerath@troy.edu). Until next time, Happy Dancing.

## *What A Surprise*

The Brevard County President's Council was formed in 1982 to help the local clubs communicate better and exchange information and ideas about square dancing. Because the presidents of the clubs take office at different times of the year, information about the council was not always passed on to the new president. Asa Clark, being President of several different clubs at different times, was a longtime member of the council and was an influence in the continuity of the responsibilities of the Council. When he had his accident, Tom & Eivor Brown, then Presidents of the Allemanders, stepped up and continued Asa's obligation to support the Council. Because of their dedication and support to the President's Council of Brevard County from 2002 to 2005, Tom & Eivor Brown were presented with a plaque on January 7<sup>th</sup>, 2006 at the Allemanders Square Dance Club dance. They are certainly deserving of the honor and were greatly surprised.

## **Positive Press**

Earlier this year, Allemander Maxine Robb, contacted Florida Today Newspaper in Rockledge about the forthcoming 50th Anniversary. A feature team was assigned and work started. Interviews. Field Trips. Interviews. Dances. Research. And, so much more. The process started with an evening in the home of Allemander President Ed & Laverne Miller, club members Wally & Maxine Robb, Dave & Kaye Benne, Dick & Donna Noeske, Bob & Joan Ketchum, reporter Tom Breen; and, yours truly. We informally discussed square dancing for a couple of hours. Just talking the generalities, highlighting all the things we like about it— the camaraderie, the great friendships, the activity, the thought processes, the challenges and so on.

We talked about the history how modern square dancing evolved from European folk dance with a lot of help from Henry Ford. We talked about the organization—national, state, local formal and informal. We discussed the history of the Allemanders, their involvement in the planning of the 50th Anniversary of the City of Satellite Beach in 2007 and then the discussion turned to attire. Tom Breen was utterly amazed to discover what “used” to be worn by the women years ago opposed to now. Laverne was able to locate some of the ancient wear for Tom to see. The club outfits we displayed for him as well the new and to old. We also invited him to attend our next raid to Barefoot Bay the following Thursday afternoon. I hastily add that while it sound like we were force feeding him the data we were answering his questions. We got him involved!

He sought data—we provided it—names of clubs and contacts; he called and talked to them; names of callers and cuers—again he called and talked to them; names of individuals yep he did the same thing by calling and talking to them. He got the word out.

What we did was simply let him get involved. And Tom Breen did a very good job at that. His article covered the forthcoming Allemanders Golden Anniversary while providing tons of information to the public on square dancing within the entire county.

At Barefoot Bay, he talked to more dancers and he danced. Only the first several beginners moves—but he danced and he enjoyed. He learned about yellow rocks and stacking the wood.

The article definitely shows the pride and involvement of all the dancers of Brevard County and I would like to extend a big , no, huge thank you with an accompanying yellow rock to each and every one of you!.

Let us not simply send in an article but ask for involvement of the people of the media. They do so much better at getting our word out.

Officers will be elected on the fourth Tuesday of the month. Details of the election will be given in the next issue

Now for current news. The club will be celebrating its 30th anniversary during this month. An anniversary dinner and induction of new officers will be held on Tuesday, April 4, 6:30 pm. Bring a covered dish and enjoy the fellowship. Club dance will follow the festivities.

A moment of silence at the beginning of the dance one week last month was in remembrance of Danny Robinson, well beloved caller of Whirl 'n Twirl in Orlando. Danny died of a cerebral hemorrhage suffered while preparing to call a dance.

Come visit us and see for yourself why we are one of the most fun clubs in central Florida. Come dance to our international caller, John Saunders. We dance on Tuesday nights in the Ormond Beach senior center.

## *Allemanders*

WOW, WHAT A START TO 2006!!!! In the first two months we've come roaring back. One reason is our Banner Raid Chairman, Bob Danza, had a club banner raid every dance this year so far. The Whirl and Twirl raid brought over forty visitors and the Luau packed the hall with fifteen squares on the floor. Bob Danza has scheduled a raid to Whirl and Twirl on Friday, March 10; they brought 38 on January 21 (the most we remember seeing on a banner raid). We know we can't top that, but we should certainly try to have a great showing in return.

What a Luau. Biggest and Best in Nine years. A magnificent effort by many club members! Decorating chairs, Benes and Taylors, outdid themselves. The Taylors created the Hawaiian jalopy; then were called away on family business. Benes carried on; completing the week of intense effort while they prepared to leave for Arizona the morning after the Luau. Fronds were gathered; the huts were assembled; the roof was woven; the stage front set; items transported; then others assembled with their bounty and tools to create the scenes of the evening. The club extends a sincere thank you to all who helped including the Millers, Taylors, Benes, Noeskes, Noeskes, Rowats, Browns, Blackburns, Robbs, George Ammon, Marion Kutz, Joan Ketchum, Sid George, Bob Danza, Pat Earl and Rick Benne. They brought items and, with the Benes able guidance, industriously constructed the decorations, Marion and Janet Rowat put up the stage waterfall; it gets better every year. Judith Cairnes, Roger Culbertson and Tom and Eivor Brown teamed up to greet all the visitors at the dance. Bill and Sandy Rezanka maintained order at the Treasurer's table as the crowd descended on them. Bob and Pat Earl were our Luau chairmen; Bob hobbled in fresh from surgery giving Pat support as she kept the kitchen running smoothly. And the food brought by the members, again,

surpassed last year (thankfully, as we had a large, hungry crowd). After the dance, almost the whole club stayed behind and, magically, the entire hall was back from Hawaii to Florida in less than an hour. What club cooperation! We can't thank the members enough.

Vice President Maxine Robb HAS PROMOTED and PLANNED our 50<sup>th</sup> anniversary party. She enlisted her good friend and co-president, Laverne, to help her. A "Hometown News" reporter at a January dance wrote an article featuring Sid and Elva George. Then she had 'Florida Today' Feature Writer Tom Breen stop by to interview 5 couples, and attend our banner raid at the Palm Bay Spinners. We gave Tom a lot of information; he researched a lot; he contacted many; and, authored a great article on square dancing in Brevard with all the places to dance being mentioned. Tom also promised to try to get back for our 50<sup>th</sup> on April 1<sup>st</sup>. Maxine has done a bang-up job and knowing her, she is not done yet. We were also mentioned in a recent issue of the "Satellite Beachcaster". You can't buy publicity like this.

### *Canaveral Squares*

Our Tuesday dances have been lively and entertaining with the snowbirds visiting. Jerry Reed and Phyllis Williams are always fun to dance to.

We are busy planning our Cinderella Ball (Tuesday, April 4) with Tim Tyl from White Oak, Texas and our own Phyllis Williams. It will be a lot of fun. Not only a great caller and cuer for dancing, but other surprises you won't want to miss. A lady will be crowned Cinderella and a man will be chosen as Prince Charming. It may be you!

We enjoy our quarterly "TRASH BASH" as we tidy up a mile stretch of Murrell Road to help "Keep Brevard Beautiful." This is one way we serve our community. I want to THANK all those who came out to help last Saturday morn-

ing at our Trash Bash. Dennis found \$5.00. Angie said she "wasn't picking up any dead turtles." Keith was happy to see the trash bins on wheels. Richard Douget is a pro at this now. We had to keep an eye on Nancy so she wouldn't get lost in the dense brush along the road. We missed Judy with her broken foot and Doug who was home with pneumonia. Hope they are better soon. We collected 5 bags of trash along Murrell Road. The residents thanked us as they went by. Join us next time!

We were deeply saddened by the passing of Danny Robinson. He was an icon in the square dance community. We will truly miss him.

### *Clermont Squares*

Is it too late to get in a rush message? Clermont Squares finds itself about to close its doors. It was pretty much unexpected at this time, but things change. We don't know yet whether we will be able to come back next season. However, we definitely are shutting down at the end of March. It would be a shame if people showed up in April to dance and no one was home. Whit Brown may have already sent you something but it probably wouldn't have included everything that's happened in the last few days.

Bobbe

### *Whirl-N-Twirl*

While getting ready to call at the Blue-Grey Square Dance in Lake City on February 18th, Our caller, Danny Robinson, suffered a massive stroke. Airlifted to Shands Hospital in Gainesville; He remained in critical condition for 6 days. Friday afternoon, February 24th, he passed away peacefully with his family at his side.

Danny, our beloved caller for the past 42 years, was

known and admired by the square dance community around the country. His significant presence, commanding voice, and corny jokes are deeply missed at Whirl&Twirl.

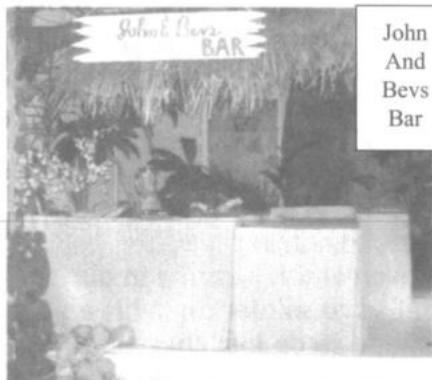

Please join us in keeping Danny's family in your thoughts and prayers. If you wish, send your cards and well wishes to his wife and family at her home: Mrs. Ann Robinson, 1910 Conifer Court, Winter Park, FL 32792.

Danny has squared up in Heaven and is dancing in our hearts. I'm sure he would want us to soldier on in his absence and, in his honor, we intend to do just that.

## EMERGENCY CALL FOR MEDICAL AID

1. When a dancer goes down, a second dancer attends to him/her.
2. Remaining couples join hands and take a step backward. This will allow the injured person and attendant air and room.
3. Raise joined hands as high as possible in the form of an arched circle.
4. On seeing this signal, the caller or hall monitor will immediately place an Emergency Call for Medical Aid.

Are you or a family member headed under the knife? Here, I think is the most important benefit of the CFA Membership  our Blood Bank.

During my brain surgery in 1998; 14 units of blood were used to remove a blood thinner from my system over three days. It also replaced blood during and after the surgery. Jim McConnaha was instrumental in coordinating the need with the blood bank.

	<b>55<sup>th</sup> National Square Dance Convention®</b>	
San Antonio, Texas June 21-24, 2006		
<i>"Circle Eight in the Lone Star State"</i> News Release		

### Welcome to the Lone Star State – Texas

Texas, from a Native American word meaning friends, invites you to attend the 55<sup>th</sup> National Square Dance Convention® in San Antonio June 21-24, 2006. We look forward to hosting our friends from around the world as they dance to the best callers, cuers, directors and prompters there are.

From the beginning Texas has been a force to be reckoned with. The people of Texas started fighting for their freedom and independence in 1836. The fight continued until Texas became the 28<sup>th</sup> state accepted into the United States of America on December 29, 1845.

Texas is the largest of the continental states. Being such a large state, Texas is a vacation destination with something for just about everyone - from working cattle ranches to the urban moccasins of our cities. We are truly a vacation destination.

San Antonio is a city of intriguing and often surprising contrasts, where you may see an 18<sup>th</sup> century Spanish mission standing alongside a modern office tower. Now the eighth largest city in the United States, the city has retained its sense of history and tradition, while carefully blending in cosmopolitan progress. The city has always been a crossroads and a meeting place. Sounds and flavors of Native Americans, Old Mexico, Germans, the Wild West, African-Americans and the Deep South mingle and merge. "Remember the Alamo" became the rallying point of the Texan revolution against Mexico. This shrine and museum is located within walking distance of the Convention Center.

Dancing, for the 55<sup>th</sup> NSDC, will be at the Henry B Gonzalez Convention Center. The convention center, nestled in the heart of historic downtown San Antonio and built as part of the 1968 HemisFair, has expanded into a beautifully decorated and spacious facility. Scenic plazas, fountains and waterfalls complement the facility making it truly a beautiful dance facility.

The Special Event "It's About to Get Western" is a country/western performer from Nashville, performing with his band. It's a show you won't want to miss and a start to a truly memorable dance experience. Register early to assure seating.

"Education Puts You A Step Ahead". Panels, Clinics, Seminars, Sew and Save, Club Leadership Certification are available to enhance your ongoing dance experience.

Registration forms are available for downloading from the convention website - [www.55thnsdc.org](http://www.55thnsdc.org), by phoning 210-521-7185 or by email to [registration@55thnsdc.org](mailto:registration@55thnsdc.org).
