Letter From the EDITOR'S

This publication, "KEEPIN' POSTED", which is the official newsletter of the Central Florida Square and Round Dancers Association, is YOUR publication! By this we mean; as a member of the Central Florida Association, or a member of a square or round dance club in the nine counties served by this association, Keepin' Posted is an outlet for information for Central Florida dancers.

The only way this publication can be; of the dancer, for the dancer & by the dancer, is through your cooperation. You will note that very few clubs send in their news item or announcements of special events.

As a Past President of Central Florida Association, we can share with you the problem you face when you need to furnish news items for several publications. On many occasions we burned the "mid-night oil" to come up with an article for either Keepin' Posted, Bow & Swing, or The Square Dance Bulletin.

Throughout Florida, the five area publications face the same problem as we do. In the Northwest they have THE PANHANDLE PRESS, in the Northeast there is THE GRAPEVINE, over on the West Coast you will find THE WEST COAST DANCER, and down in the Southeast we have THE 4 W'S. Each publication receives a copy of the other four newsletters. In this way we can compare ours with theirs.

Now, we the Editors, challenge you the dancer, club or individual, to help us make Keepin' Posted the best area publication in the state. Sharpen your pencil, oil the typewriter, and put on your thinking cap. Send us an article of the things going on in your part of the world or what you have encountered as you travel around the country. Please accept our appreciation for all you do to promote square/round dancing. Let us hear from you!

Your Editor's, Leo & Mary Richardson

CALLERLAB

Red Bates, Chairman of the Special Committee established to review the Mainstream and Plus Programs to develop a 25-Week Learn to Dance Program, is pleased to announce the completion of the committee's work. It has been a monumental task involving many iterations of ideas back and forth within the USA and Canada. The results reflect the surveys and thinking of many leaders and are offered to those callers and clubs who wish to try an experimental program. This program is designed for those areas and clubs who have requested a 25-Week Learn to Dance Program using the most popular calls from the Mainstream and Plus Programs.

This program was developed over a period of time subsequent to a resolution made at the 1986 Baltimore Convention of CALLERLAB. The listing of calls reflects the same numbering scheme used on the existing Mainstream Program and all Plus calls which are included are identified with a (*Plus) following.

Calls from the Mainstream or Plus lists, which are not included in this 25-Week Program, should be taught through workshops following the formal instruction period. This program is designed as a "feeder" program for Plus clubs. Individual modifications to suit local conditions are anticipated. No effort should be made to pressure anyone into teaching with this experimental program unless the sponsoring organization makes that decision.

Generally speaking, only standard and the more common formations and arrangements are recommended. If one tries to use all allowable formations and arrangements for each call, this program CANNOT be completed in 25 weeks.

We urge any callers and clubs who use this program to document their experiences so that CALLERLAB can review and consider any proposed changes prior to formal adoption. Any questions, write to, CALLERLAB, Box 679, Pocono Pines PA 18350.

STARLIGHT PROMENADERS - Debary

DIXIE SQUARES - Daytona

The Starlight Promenaders had a number of outstanding activities these past few months, but by far the most enjoyable was our "Old McDonald's Farm" and the "Halloween Dance".

This has been a great fall for the DIXIE'S. In September the annual Luau was enjoyed by all. Special credit for its success goes to all who volunteered their help and especially Tom Minchew and Betty Belsky, chairmen. Another "happening" in Sept. was the Ichetucknee Springs Camping Weekend. Dixie Square club members also participated in the Joe Braun's benefit dance.

Our Halloween Dance was a "scream" to say the least! There was a large assortment of clowns, witches, wizards, Harem Girls, sheiks, "bag people", brides, ghosts, and Rambo's, etc. Prizes were given for the best costumes. A game was played by a number of willing participants, in which, each was given a bag of clothes to dress up in. The prizes were very original also; a chain saw (a hacksaw, with a chain for a blade) and an electric can-opener (a regular hand-held can-opener with an electric cord attached). Donuts and apple cider was served to 44 couples, and a good time was had by all!

During the first week of October, many dancers from the Dixie's and from all over Florida attended the FALL FESTIVAL in Fontana, NC. An "Open House" was held October 9th and classes began on the 16th. The Halloween Weekend at Oleano Park and the club Halloween costume party rounded out the month.

Our dances, at Plus level, are held each Wednesday at 8 PM in the Debary Community Hall, with caller Oscar Erwin and round dance cuer, Bill Beattie.

November brought on the Volusia County Fair in Deland and the return of many winter visitors.

Christmas is coming! The Dixie's plan to participate in two Christmas parades, Holly Hill and South Daytona. Everyone is invited to the Christmas Party scheduled for December 11th.

FOUR TOWNE SQUARES - Deltona

SEASON'S GREETINGS! S H Brittingham

The Four Towne Squares held their 4th annual Oktoberfest on Oct. 24th at the Deltona Community Center. With the help of Four Towne members, Chairmen, Lillian and Charles Daughtery, planned and served a delicious German meal. Eleven squares enjoyed dancing to the calling of Bob Bland and the round dance cueing of Jim Cowen. Dora Anderson led the traditional Schlange Tanz and Betty LaCouture led the Chicken Dance.

JOE BRAUN BENEFIT DANCE

Square dancers from all over the east coast gathered at the Youth Center in Port Orange on Sept. 21 for a benefit dance for Joe Braun who suffered a heart attack several months ago.

On October 7th, eleven couples visited the Granada Squares and stole their banner. Then on October 10th visitors from the Tiffany Squares came and stole the Four Towne's banner.

There were about 6 callers and cuers who donated their time and talent for this event. Joe and his Law, Marty put in an appearance and Joe concented to call one tip.

Joe and Marty were most appreciative of the donation of money in addition to the prayers and get well cards they have received.

Hope to see some of you at our annual BOW & SWING subscription dance on Sat. December 6th at the Deltona Community Center.

The support demonstrated by dancer, caller, and cuer made us all proud to be a part of the square/round dance movement.

If we dont't see you then, we'll wish you a Merry Christmas and a Happy New Year!

Pat Square

THE PAST...

LEGACY
 THE FUTURE

INTERNATIONAL ASSEMBLY OF "TRUSTEES" OF THE SQUARE DANCE ACTIVITY

What do LEGACY, CALLERLAB, and ROUNDALAB have in common? Many Things. Not the least of these is the fact that they are organizations whose members are dedicated to the premise that Square Dancing in all its facets, to include rounds, contras, clogging, traditional, etc., is the greatest form of recreation there is.

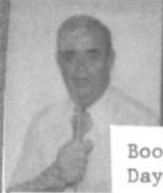

LEGACY is a non-profit international assembly of Trustees representing all facets of Square Dancing, including dancers, callers, cuers, suppliers, publishers, and special interest groups. It is a service-leadership organization interested in developing better communication among the many facets of the Square Dance activity. LEGACY probably is best known for its world-wide dancer surveys.

CALLERLAB, The International Association of Square Dance Callers, is, as the name indicates, an organization made up of callers who give of their time, talent, and resources to promote, promulgate, and improve square dancing in all its forms.

ROUNDALAB, The International Association of Round Dance Teachers, brings together round dance teachers from around the world who work to standardize steps and cues, delineate and describe various levels of round dancing, and promote and improve the activity.

In keeping with its mission to improve communication and working relationships among the various facets of Square Dancing, LEGACY instigated a meeting of the Chairpersons of these three international organizations during the National Square Dance Convention in Indianapolis. Bob and Dottie Elgin of LEGACY, Norm and Clarice Cross of CALLERLAB, and Betty and Clancy Mueller of ROUNDALAB got together to exchange information and ideas to better serve the dance activity. It was a productive meeting, and an annual get-together of the three Chair-couples is planned.

35th FLORIDA STATE SQUARE & ROUND DANCE CONVENTION

Our latest meeting was held November 2nd in Orlando at the Recreation Bldg. on Livingston Ave. at 1 P.M. with a good number of interested dancers taking part in a lively discussion that resulted in some decisive action and some important appointments.

Our slogan and logo have been chosen! We hope to have a minimum of fifty couples dressed in our Convention outfits to participate in our "Kick-Off on Sunday evening at the Lakeland Civic Center on Memorial Day Weekend in May 1987. We will have a job filling the shoes of the West Coast Association who precede us with the 34th State Convention but hopefully we shall rise to the occasion as Central did in 1983.

We are going to dedicate this 35th Convention to the memories of four of our friends who gave so much of their time and effort to help make the 30th Convention such a large success. They are: Leila Campbell; Bill & Phyllis Hall; Betsy Johnson. They helped make our activity so important to all, from the very young to our older senior citizens.

We will list our officers and those who have already agreed to chair committees so other dancers, who wish to help make Central's '88 Convention a success, will know who to contact to get involved in the part of the Convention they would most like to work with.

General Vice Chairman: Leo & Mary Richardson, So. Daytona

CAMPING RETREAT dance at River Forest on a warm October night.

On the print-out from the Central Florida Blood Bank, dated September 3, 1986, covering the period of March 1, 1986 through August 31, 1986, there was a balance of 32 units in our account. On June 12, 1986, a total of 7 units was used by a square dancer.

I wish to thank the following dancers who donated at the Heart Association dance on September 14, 1986;

BLANCHE & JR. BLEDSOE
PAUL CALVET
ANN COBB

DEWEY HENDRICKS
CAROLE POOLE
RANDALL POOLE

I'm sorry the blood mobile unit was late. Probably some of you who had planned to donate found it necessary to leave before the unit arrived. The blood bank personnel sent us a letter of apology.

Thanks is also in order for the following who have donated at blood bank centers during the latest reporting period;

S. KIMBOROUGH
ROLAND HAMEL
EARL GRAY, JR.

KATHRYN WAUGH
RHONDA MILLER

Roland Hamel deserves a standing ovation!! He has donated five (5) gallons. Now that is a lot of blood!! If any of you other donors have donated a large amount, this goes for you also.

For those who offered to give, but, were refused by the blood bank personnel, we extend to you our thanks and appreciation.

Hopefully the next drive will run smoother. If any of you have suggestions for a drive, please let me know. Until next time, your blood bank Vice-President;

BY-LAWS OF THE CENTRAL FLORIDA SQUARE AND
ROUND DANCER'S ASSOCIATION BLOOD BANK ACCOUNT

Article I - Purpose

The purpose of this blood bank account is to provide a source of blood for association members of the Central Florida Square and Round Dancer's Association in the event of need.

Article II - Eligibility

Members in good standing and their immediate family members are eligible to receive blood from the account. (Immediate family members being spouse; children; parents; grand children; sons and daughters-in-law).

Article III-- Officer

The Central Florida Square and Round Dancer's Association blood bank account will be headed by a vice-president appointed by the board of directors. Such appointment will be effective July 1. The vice-president appointed shall not serve more than two (2) consecutive years.

Article IV - Non-members

Any non-member who donates to the account will be eligible to receive blood for their use only for a period of one (1) year from date of donation.

Article V - Release of Blood

Any member in need of blood needs to contact the vice-president in charge of the blood bank account to have the needed blood released. In the event the vice-president in charge of the account cannot be reached, an alternate authority will be notified.

Dancer's Heaven

Well it's November - Our Chairman gave the last editorial, and it warrants reading again.

The schedule for the callers went out, and you can be sure Murl, Earl and the Committee have the best qualified Callers for all situations. Earl is also working with Elvin Gross on the sound. (Elvin does the sound for the Fall Fun Fest.)

Chet & Julie Vetter, Vendor Coordinators, have a good selection of vendors with all of their wares. Our Promotion Chairmen, Gerald & Dolores Ault, will present a schedule of dances for our Committee to attend.

Don & Lillian Albert, on Protocol, will make sure everybody is where they belong. They are in charge of the speaker for opening night and will have Murl & Sally Herbert on stage at the same time.

We know you will not want to let all this talent go to waste, so you have to register and come to the 34th State Square & Round Dance Convention at the Lakeland Civic Center on May 22-24, 1987. With your registration and their efforts, surely this will be a "Dancer's Heaven in '87".

Jack Pierson

36th National Square Dance Convention

Houston, Texas
June 25, 26, 27, 1987

The State of Texas, Houston, and the dancers of both await you! From the time of the award to the Texas State Federation of Square and Round Dancers of the 36th National Square Dance Convention in Louisville, Kentucky in 1983, the dancers of Texas have been planning and working toward presenting to the dancers from all parts of the world a Convention they will certainly want to attend. Early in the planning, it was decided to have the traditional program but with each facet of the program offering something unusual. We welcome you to come and see what we have in store for you. We know you will like it.

Houston itself is an unusual city. Although the city is over 150 years old and there is an older section of a few blocks near downtown, much of Houston is very new and modern. The high-rise buildings, not only in the downtown area but in the outlying parts of the city, may intrigue you. Houston has more high-rise buildings outside of its downtown area than any city in the world. The area has much to offer in the way of places to visit. There is the Johnson Space Center-NASA, the Port of Houston, the Astrodome, the Hermann Park Zoo, the Museum of Fine Arts, the Burke Baker Planetarium, the Houston Museum of Natural History, Galveston and its beaches, the San Jacinto Monument on the site of the shortest most decisive battle in history, and many others.

While on the way to or from Houston, visit the other interesting areas of Texas such as Palo Duro Canyon near Amarillo — there is a play in the amphitheater every summer; Austin — capital city — and the many caves in that area; El Paso; Dallas-Fort Worth; San Antonio with the Alamo; the many historical sites and State Parks, many of which have overnight camping facilities.

One of the unusual aspects of the Houston National will be the Saturday night After Party at Astroworld. Astroworld is a theme park and just across the highway from the Convention in the Astrodomain Complex. Astroworld offers rides of all kinds, shows, shops, and is just a great place to windup the Convention. To get to Astroworld from the Astrodomain, just take the walk bridge over the highway and you are there.

The Convention dancing, seminars, clinics, panels, exhibitions, fashion show, and exhibitors' booths will all be on one level in the air conditioned Astrohalls and Astroarena — where there is over 700,000 square feet of floor for our use. There are plans to use the Astrodome for an unusual part of the Convention.

Housing in Houston will have over 7,500 hotel/motel rooms within 20 minutes drive of Astrohalls. Campers with fully self-contained rigs may use the area on the parking lot around Astrohalls that is set aside for 1,500 units. So fill out the registration form and come see what awaits you in Houston.
