## PRESIDENT'S MESSAGE

By the time this goes to press, the 1992 Florida State Convention will be over. All the plans, practices and hard work of the '93 Convention Kick-Off will have been presented to the dancers of Florida in CFA's "Show of Shows." The work of the '93 State Convention has been put into action, the many committees necessary to accomplish a "great" convention, move forward in their endeavors! There will be the "Best Ever" when the 40th moves to center stage! CFA wishes to congratulate the West Coast Association for their fine presentation of the 39th Convention. Cheers!

This will be our last President's Message in Keepin' Posted. Our new Presidents, Randy & Carol Poole will be bringing you the news and happenings of the Central Florida Association. We have had an interesting two years, but are ready to turn the reins over to the incoming presidents. We truly appreciated the cooperation of our board members. The regular CFA dances and the benefit dances have topped our expectations. Thanks to all who have helped make our two years successful.

The "Big Push" for the National Bid For '97 has kept Central Florida dancers busy. A BIG Thanks to PeeWee and Mary Stewart for their many hours of time and funding of their own way in traveling the country on behalf of the "Bid" process and in the handling of car ticket distribution for the fund raising give-away.

Also, a BIG Thanks to Mary Richardson and Duke and Doris McCleskey, together with ALL those who "Chair" committees and are helping carry out the workings for the '93 Convention.

And a Special Thanks to McCleskeys, Knapps, and Pooles, who have kept Keepin' Posted alive and flourishing as they publish the news of the Central Florida area.

We can't begin to name everyone who has been so helpful these past two years, but we would be remiss if we did not say thank you again, to one and all, who have made our task easier with your help and guidance.

The Fellowship Squares of Port Orange will not be dancing on Tuesday, July 7th. The Fellowship Hall will be used that week for Vacation Bible School. The regular schedule will continue after that date.

With the recent graduations, many new dancers will be joining our Clubs. We congratulate each new dancer and encourage them to join in the fun and fellowship of the Central Florida Association. Let us all remember to be an "Angel" as we welcome them into our midst. Kindness goes a long way! All graduates are receiving a complimentary copy of this issue of Keepin' Posted.

Summer months are upon us. Attendance at clubs drops a little as our dancers head out for vacation. Have you tried planning some special treats or entertainment to perk up your lagging attendance?

Have you remembered to renew your CFA membership? The new year begins July 1st and you will not want to miss any of the special dances. Our next CFA dance will be August 29, 1992. Watch for flyers for more information.

We are looking forward to the National Convention in Cincinnati. Hope to see and visit with many of you there. Don't forget to wear your "Florida Outfit" to the Bid Session on Friday, June 26th. Also, Florida Dancers will host an After Party for all Convention go'ers on Saturday, June 27th from 11 pm to 1 am, in the Convention Center West Hall, first level. Lots and lots of National Callers for your dancing pleasures! Plan now to attend this fun party at the 41st National. Ya'll come.

Have fun filled summer. Happy dancing to all.

Chuck and Annabell Johnson

**Minutes of Board of Director's Meeting**  
**CENTRAL FLORIDA ASSOCIATION**  
**February 9, 1992**

The meeting of the CFA board of Directors was held at the DeLand Lion's Club. The meeting was called to order by President Chuck Johnson at 2:10 pm. Mary Richardson gave the invocation. There were 38 officers and directors present.

**SECRETARY'S REPORT:** (Carol Poole) The reading of the November 17, 1991 minutes were dispensed with since everyone had a written copy.

**TREASURER'S REPORT:** (Buena Beis) The Treasurer reported a balance on hand of \$2,494.31. CFA also has a CD on deposit with Barnett Bank for \$3,605.29. The CD becomes due in April. It was decided to let it roll over.

**CORRESPONDENCE:** (Carol Poole) The Secretary read a letter from James W. Willits, Fire Services Director of Volusia County, acknowledging the thank you letter from CFA to Mr. Tom Kelly for the use of the DeBary Fire Hall for the Handicapable Benefit Dance in November.

**AREA DIRECTORS' REPORTS:** Reports were given by the Taylors, McCleskeys, Schirmers, George Knopf, Herolds, Barnharts, Grimms, and the Lackeys. Highlights from the Area Directors' reports. The clubs have been asked to send the names of the graduates to the Keepin' Posted Editor. The clubs have been notified of the Kick-Off Practice in Cocoa and the 5th Saturday dance. Convention applications and hotel registrations have been made available.

**AREA VICE PRESIDENT'S REPORT:** (Gale & Laura Boak) Laura reminded the Area Directors to be sure and contact the round dance clubs with flyers and information. She suggested if you cannot get to a round dance club, at least get to the leaders. Be sure and get the lists of graduates (names and addresses) and the dates of the graduations and give it to her.

**INSURANCE REPORT:** (Roger Chapin) Reported a total of 30 clubs (1708 dancers) enrolled in the program so far this year.

**KEEPIN' POSTED:** (Duke McCleskey) Duke reported the March issue will be ready for mailing and should be delivered in time to announce the February 29 dance. This issue contains much information on the "Slumber in the Woods" weekend, plus '93 Convention updating concerning the Kick-Off practices. We regret that ONLY 10 clubs decided to send in news of their happenings. This is a missed opportunity for FREE publicity. The Consortium restates one of their goals for this year... We will print all news fit to print. IF the Club Editors take the time to send us a write-up. The June issue will be published the first of June and will contain the names of all Class Graduates, both square and round IF the clubs send us a listing of the NAMES along with their MAILING ADDRESSES. These class listings must reach P.O. Box 372633, Satellite Beach, Florida 32937 by the 1st of May, 1992, if they are to be included. Better early than late! The June issue will also feature the CFA 1992 Kick-Off and MUCH publicity on the upcoming 1993 CFA sponsored State Convention.

**CAMPING WEEKEND:** (Carol Poole) We have reserved the Riverforest Group Campground for March 20 and 21. The flyers have been printed and some distributed. Others will be given out today. The Schmidts have agreed to do a Golden Nut Initiation following the Saturday night dance. There will be time for some skits while they are setting up if anyone is interested in entertaining. We still plan to work on the floats for the Saturday morning and afternoon activity. The games will be set up as before-- horseshoes, croquet, etc. There was some discussion about the clubs wanting to keep their float a secret. Carol said they would come up with another craft or work on flowers for floats, but not the float itself.

**CFA HOTEL '92 CONVENTION:** (Howard Wilson) We only have 63 rooms rented. We need to encourage people to reserve their rooms before we lose them. Remind the dancers that this is where the after party will be.

**'97 GATORS:** (Vivian Wilson) Vivian reported the Gators are out but the money is slow coming in. Money has been turned over to the treasurer. There is about \$100 profit now. More Gators are available for selling.

'93 STATE CONVENTION: (Mary Richardson) Mary expressed appreciation to Duke and Doris McCleskey for doing most of the work during and after Leo's illness. She is back dancing now and will be taking a more active roll, along with Duke and Doris. Mary requested Committee Chairmen to inform her of when and where the committee meets. She will try to attend. She thanked the Area Directors for all of their publicity and reported the Rose Report written by Duke is keeping everyone up to date. She stressed the rehearsal times for the Kick-Off: Saturday, February 29, 4 pm at Travis Recreation Center, Cocoa; Sunday, March 29, 3 pm at DeLand Middle School, DeLand; Sunday, April 25, 3 pm at Central Florida Fairgrounds, Orlando; and Sunday, May 24, 8:30 am at Lakeland Civic Center, Lakeland. The float escorts only need to attend the May 24 practice. After the Kick-Off, Mary would like everyone to wear the raspberry rose dress as much as possible to dances to help publicize the convention. She needs the dates of all special dances in the Central Florida area from June until May of 93. She requests a calendar of events from every club. She would like to have a group in raspberry rose at every big dance. Duke played just a little bit of the Kick-off music. He stressed that dancers must attend the practices to be part of the Kick-Off, especially the April 25 and May 24 practices. Dancers must have the raspberry rose dress to be part of the Kick-Off. Please remind others not to wear the raspberry rose dress before the Kick-Off. Please limit the number of people with the floats to two couples. With too many around the float, the float wouldn't be seen. They plan to use everyone with the raspberry rose dress in the Kick-Off that wants to be in the Kick-Off. Also, take a picture of your float for an album. There are two photographers on staff and plans are to video the show. There is more fabric available. Duke will work on a place to store the floats for the two days prior to the Kick-Off.

FFSD HISTORIAN: (Jack & Zonie Taylor) In 1990, Jack and Zonie started an album for each state convention. Everything pertaining to the convention is placed in this album. In 1993, he wants a thick album for Central. His completed albums will be on display at the State Convention.

1997 NATIONAL CONVENTION BID: (PeeWee Stewart) The Stewarts, McCleskeys, and the Hendricks from CFA met with the National Executive Committee (NEC) in Orlando on December 13-14. Ernie Stone, President of the NEC, gave us a good report but we do have competition from Indianapolis. PeeWee wants it understood that NO ONE on the Bid Committee is paid for anything they do. Flo and Loren Long, NEC member from Florida, have donated their services. The survey people are paid and expenses for Ernie Stone were roughly \$600. We have another survey in October. The Ford ticket sales have been improving since the first of the year. CFA has turned in \$2200 and have 1000 tickets outstanding. The Orlando Convention Center will cost approximately \$98,000. We need to get this figure down or come up with substantial funds or both before May 24. Our Bid Committee will be attending prebid meetings in St. Louis during March 10-15th. The Nation will be a shot in the arm for the clubs. Class attendance should pick up after all the publicity and excitement of a convention in Central Florida. Suggest to Area Directors to talk to club presidents and set up a table and sell Ford tickets. Rich Herold sold car tickets at the Rodeo Dance and held drawings throughout the evening for donated prizes. He suggests we set up tables with Gators and Ford tickets; also tickets can be given with 50/50 splits. Mary Stewart is selling license plates with "Grandparents at Play" and "Square Dancers" printed on them. They cost her \$6 and she sells them for \$8.

#### NEW BUSINESS:

CFA MAY 30 DANCE: There will be a General Membership Meeting and election of officers on May 30 at 2 pm at the DeBary Community Center, DeBary, followed by a covered dish dinner. This is followed by the President's Ball, our regular 5th Saturday Dance.

YEAR BARS: It was voted to use raspberry rose and white for the 92-93 year bars.

The next CFA Board Meeting will be held at the Lions Club in DeLand at 2:00 pm, May 17, 1992.

The meeting was adjourned at 4:15 pm.

Respectively submitted,  
Randy & Carol Poole  
Secretary

## HAPPY HOEDOWNERS

Leesburg

The Happy Hoedowners installed new Officers at their Annual Meeting, held at Vic's Embers Supper Club on April 4th. The new Officers are: Bud and Norma Horton, President; Al and Bernice Meyer, Vice President; George and Midge Taylor, Secretary; Harry and Doris Baker, Treasurer; George and Helen Kuhn, Immediate Past President. Our Directors are: Bill and Blondene Epling, Leo Hall, Nita Strickland, Alex and Ruth Carbon, Vivian Beemer, and Millie Dunk. Our thanks go to the retiring Officers for a job well done and we are looking forward to another good year.

We had our Spring covered dish picnic at Minute Maid Park in Leesburg. The members outdid themselves in bringing a variety of tasty foods and then participating in games and dancing, some earning "grass-hopper" and other such dangles.

In April, two squares of Hoedowners raided the Ocala Squares for their banner. Joe Fioretti called a great dance, including "Venus & Mars," which was a first for most of us. We retrieved our banner from the Orange Blossom Squares where Larry

Patton was calling. The banner raiding will continue all summer with George and Helen Kuhn as Leaders. Several of our members have acquired 600 Red Raider points, with many others not far behind.

May was graduation for our Class. There were 24 new dancers, which we welcomed into the Happy Hoedowners following the ceremony! Our Plus Workshops started May 28th and will continue all summer, on Thursday evenings, to help our new members become top-notch dancers. The Workshops are open to all dancers who wish to attend.

We had our Ice Cream Dance in May and everyone seemed to enjoy the "cream on toppins." Our Club members seem to enjoy this special dance each year.

We have missed a few members because of illness. Don and Ethel Currie are greatly missed, as well as Helen Powers. We hope they will be able to return to dancing soon.

For those of you leaving on vacation, we hope you have a safe and a happy trip. We look forward to visiting and dancing with you upon your return.

Thanks, Central Florida, for a great Kick-Off. It was certainly enjoyed by all those attending on Sunday night. Convention time is the Fun and Fellowship event of the year!

## MELON SQUARES

Oxford

The Melon Squares held election for our 1992-93 Officers who are: Perley and Winona Churchill, President; David and Ann Orum, Vice President; Chuck and Jeanne Taylor, Secretary-Treasurer. The Directors are Merle and Eva Rhimes.

The Club, under the direction and guidance of the Churchills, as President, and Merle and Eva Rhimes, avid Banner Thieves, continues to grow. Jeanne Taylor does a super job as Caller Coordinator; we have danced to some really great ones! Our hats are off to each of the Officers and Club Members, together with all the visitors for making the 91-92 year so successful.

Worley LaShoma, Past Vice President, broke a foot recently. His side-kick, Elaine, tells us he is improving nicely and should be able to be back dancing soon.

In as much as I have relocated in Pinellas County, it is with tears welling in my eyes that I give my heartfelt thanks to all my friends and fellow members of the Melon Squares and the Central Florida Association a fond farewell! I will look for you in a square at the State Conventions, or the West Coast Fall Fun Fest. May I take this opportunity to especially congratulate Perley and Winona Churchill, the new Area Representatives to CFA for Sumter County. They are avid square dancers, hard workers, and will serve CFA in any way possible and a step beyond.

## SPACE TRACKERS

Rockledge

On March 21st, the Space Trackers elected their new Board of Directors for the 1992-93 year. Those honored for a "working" position were: Tony and Pat Courtney, Woody and Mary Lou Coyle, Giff and Shirley Crippen, Andy and Esther Folley, Carl and Lorraine Hawkins, Carolyn Hearle, Jack and Barbara Hoffman, George and Jean Smith, Elizabeth Steinbaugh, Byers Thompson and Jack and Pearl Vogel. Following an election among the Board Members on April 1st, the "gavel" was passed from Jim and Jan McConaha, along

with good wishes for a successful reign, to our new Presidents, Carl and Lorraine Hawkins. Additionally, our new Officers are: Vice Presidents, Andy and Esther Folley; Secretary, Elizabeth Steinbaugh; Treasurer, Jack and Barbara Hoffman; Assistant Treasurer, Giff and Shirley Crippen. The Executive Committee, in addition to the Officers, are: Past President, Jim and Jan McConaha; Tony and Pat Courtney, and Carolyn Hearle. The Club pledged their support as these new Officers assumed the "mantle" of leadership.

If you haven't heard (a pun), the Space Tracker Club has purchased several "hearing assistance" devices, which are available for use by members and guests. These hearing assist devices allow the individual dancer to hear the directions of the caller and cuer without all the background "goings-on." One of our dancers was so impressed that he decided to purchase one of his own. If you're dancing our way, be sure and try one of these on your next visit. You, too, may be impressed by this little aid. Just sign in for one at the Treasurer's Table.

We're looking forward to our Class Graduation comes June 6th. All 85 new dancers have been enjoying our third Saturday night dances these past three months, as their caller/teacher, Whit Brown, alternates tips with Mainstream/-Plus, thus giving our latest fledglings the opportunity of experiencing a "real-live" dance! Graduation night, which commences at 6:30 is always an impressive ceremony. Our Class also enjoyed the Bow & Swing Subscription Dance, where we made up 21 squares and had a most delightful evening. Just a side accolade...These are the same Class members who served as Host & Hostess for the February 29th CFA Dance at Travis, when the Space Trackers hosted the 5th Saturday occasion!

On March 21st, "El Poo Poo," the world renowned elephant, under the guidance and direction of our own Giff Crippen, came to entertain and show the new dancers just how much fun we Space Trackers enjoy (jocularity?): just another reason for their eagerness to join with us following graduation. Maybe they have heard too much of

our plans for the annual pilgrimage on the occupants of "the Hanging Moss" comes each Halloween! Oh well, more jocularity! Last year's class joined 100% with the Space Trackers, which increased our membership to the second largest club in Central Florida. Who knows what will happen if all 85 of this year's group come? The 1992 Graduation Ball is set for Saturday evening, June 20th. By-the-by, another happy note: June is also a joyous time for Judy Anderson and Bob Frye, as they look to their wedding day on June 27th. Our Best Wishes go out to Bob and Judy!

Our own Mary Kinzer has been busier than Santa's elves at Christmas time. She completed 1993 Convention Outfits for over 40 couples, not to mention that she is in the process of completing Space Tracker Club dresses in time for the big graduation. Way to go, Mary! You are well loved for your talents and your happy self!

How did you enjoy the Kick-Off? What a spectacular Show! We congratulate Central Florida on "Everything's Coming Up Roses In '93." The Rose Parade of club floats and the dancing (great works of the Callers, John Barrett and John Saunders, not to mention the real talents, Moe and Linda; together with the moves put forth in the artistic cueing of Sunni and Jerry Thomas and Roy and Donna Lee Brown) got the 1993 Florida State Convention off with a great "Show of Shows." We eagerly look forward to the 40th in May of '93!

Carolyn Hearle

### ALLEMANDERS

Satellite Beach

The Allemanders of Satellite Beach are enjoying a good year, with many visitors and a whole lotta banner raiding.

New Officers for the year 1992-93 were elected and installed on May 9th, namely: Dick and Elaine Paul, President; Leonard and Rita Duncan, Vice President; Dick and Donna Noeske, Secretary; John and Mary Louise Cattaneo, Treasurer. We look ahead to another fine year under our new leadership team.

A lot of appreciation goes to our outgoing Officers for all of the time and talents they have contributed. Our "Pasts" are: Bob and Carol Aumann, President; Alfred and Angelika Domshke, Vice President; Douglas and Lona Burnett, Secretary; and Joe and Dodie Neves, Treasurer. Thanks to you all.

Our Graduating Class of 1992, consisting of 34 students, graduated on May 9th. All joined the Allemanders, and what a pleasure it is to have them dancing with us. We extend congratulations to all as we welcome the new dancers into the "Wonderful World of Square Dancing."

On April 27th we enjoyed a real old fashioned fish fry, complete with all the trimmings and fixings. Our own dedicated fishermen, Nubar Najarian and Joe Neves, caught and cleaned all the sea creatures. They were assisted by Woody and Mary Lou Coyle, and Ruth Najarian. A great time was had by all and we extend our sincere Thanks to our Host and Hostess.

We have enjoyed all the Clubs who came to banner raid. We love them all, and we look forward to raiding a few clubs ourselves in the very near future.

We invite all to come dance with the Allemanders on the first three Saturday evenings in each month. Early Rounds are at 7:30 and Squares are 8:00 to 10:00 in the Satellite Beach Civic Center. Colin Walton is our Caller and Vince Furtado does the Cueing. You will be welcomed!

Leah Goodhue

Accolades to Pat and Bob Grimm for a job well done. Our new banner chairmen will be Tom and Bobbie McKinney, who will do an equally commendable job.

On St. Patrick's Day we were joined by the Honey Bees from DeLand. April 21st was Badge Nite, just "name the badge" and it was there. Opportunity to earn a few badges was also available.

Put on your most imaginative hat and join us on May 21st for "Crazy Hat Nite" then for a change of pace, come for pizza on June 16th. If you are still in the area, put on your Red, White, and Blue and join us for a "Patriotic Nite" on July 14th.

There will be no dance on July 7th. We look forward to dancing with you on any Tuesday night. Hope you enjoyed all the fun at the 39th State Convention. We're certainly looking forward to CFA's 40th, come next May.

Filling the key position of Banner Raid Chairman will be Marilyn and Ron Duteau. The Neals (Carolyn and Tom) will continue as Publicity Chairmen.

The class which Don Furnish has been teaching since last September graduated on May 19th. (Ed: No listing of graduates in K/P.) The graduates will be honored at a May 31st picnic at Ormond Beach by the Sea Bicentennial Park, off A1A, between Rizocean and Sandra Drives (about 6 miles north of Rte 40 on A1A). You are invited to join us for feasting and dancing. Call 904-441-2600 for details.

Tom and Carolyn Neal

### **F & F ROUNDS**

Rockledge

Hi, Central Florida! We would like to introduce ourselves to all Round Dancers. As far as we know, F & F Rounds is the newest Club in CFA, having formed on April 7th, 1992. We dance at McLarty Recreational Center in Rockledge on Tuesday evenings from 7:15 to 8:45. The F & F Rounds evolved from the first Round Dance Basic Class taught by Tom Fontaine and Sybil Largent. We are certainly happy to become a Fun Club in the Central Florida area, and we extend you each and everyone an invitation to come dance with us!

Tom and Sybil

### **HONEY BEES**

DeLand

February was a busy month for the Honey Bees. The Hearts and Flowers Dance was held on the 10th. The Valentine Royalty, Harry Connett and Kardyne Stacy, were crowned "King and Queen of Hearts!" Howard Wilson and Harriett Dupler were the "Prince and Princess." The following Monday night we observed "Cherry Pie Night," with a great array of Cherry Pies and Cherry Cheese Cakes!

If February was a "red" month, March was certainly a "green" one, with a special Leprechaun Dance on March 17th. There was an impressive display of imaginative green refreshments.

April 4th many of our Class members went to the Spring Fling in Apopka. We've been told they were a credit to their instructor, R. J. Hogan!

The final night of the month is "Club Colors" night and we honor birthdays and anniversaries. April 6th turned out to be a little different from our usual celebration. Jim and Harriett Dupler observed their 50th Anniversary and wanted to celebrate it with their Honey Bee friends. They were really surprised, when their three daughters, two from Virginia and one from Germany just "happened" to arrive at the dance with corsages and cameras. What a night to remember!

The April 20th Recycle Sale was a huge success!!! The Honey Bees gave two demonstrations in March. March 2nd we danced at the Mardi Gras at the All Souls Church in Sanford, and on March 20th a large group of Class and Club members participated in a Fun Level Dance at a World War II Veterans Reunion. On April 10th the Honey Bees danced for the Council on Aging at Orange City.

May 18th was Graduation Night for our Class of 31 members. Many of our new dancers enjoyed themselves at the State Convention, and we are all looking forward to Central Florida's presentation of the 40th next May. By the way, Shannon Graham was our Guest Cuer for the May 18th dance.

There will be a Firecracker Dance on July 6th and an Ice Cream Social on July 27th. On August 24th, dancers can keep their cool by wearing shorts and eating cold watermelon!

The Honey Bees dance at the Activity Center in Earl Brown Park in DeLand every Monday night. Class is from 6:30 to 8:00, followed by our regular dance from 8:00 to 10:00 pm with Rounds between tips. Our Club Caller is R. J. Hogan and our Cuer is Jim Cowen. We invite you to join us! You can call 904-985-5341 for additional information.

## SPINNERS OF BAREFOOT BAY

Did you know that the Barefoot Bay Spinners is the ONLY MAINSTREAM Club in all of Central Florida? It must be a great way to go, since we had a very busy season, with lots and lots of Fun!

Our 10th Anniversary Party was shared with many of our Past Presidents, as dancers both past and present, joined together in celebration. Our President, Bill Huber, turned things around when he announced at New Year's Eve Dance and Party for the middle of January. We all wore our outfits "backwards" to commemorate the "late" happening!

A large contingent of Spinners attended Harbor City Squares' Presidents Ball. We had a wonderful time dancing to the Caller Mack McCall. He sure kept everyone "moving" for the entire evening.

Our February Special was the "Miss Spinners" Contest which everyone enjoys so much. All the ladies were lovely in their red and white dresses. The "judging" was so honest that the winners' names were placed in a "safe" which was opened by Price-Waterhouse (alias Pinter and Kornbrath). The finalists were brought to the stage and interviewed by Pres. Bill Huber. The winners were: 2nd runner up, Peggy Pinter; 1st runner up, Pat Priore; and our Miss Spinner of 1992 is Pat Grimm. Roses were presented to the winners and a crown for our Queen. A whole lotta fun, and of course, cake and goodies for all.

Our "Love Boat" is still sailing. Another union, as we wish much happiness to Delores Blake and Earl Vierling, on their "tying of the knot." Ah, romance!

We extend an invitation to all dancers to join with us in Barefoot Bay on Thursday AFTERNOONS, from 12:45 to 2:45. Early Rounds are at 12:15. Our great Caller is Dale McClary and our Cuer is Harold Wiles.

Pat Priore

## DIXIE SQUARES

Daytona Beach

Doc Hixon held the installation of the 1992-93 officers on April 16th. Our newly installed are: Chuck and Maisie Kennelly, President; Bob and Betsy Neerland, Vice President; Harold and Betty Carrow, Treasurer; and Mary Jane Sheppard, Secretary. Board of Director members are: Bruce and Rita Woods, Bob and Pat Grimm, Ed and Marcia Roush, Kathy Moran, and Chris Van Cleef. Jim and Beverly Carter will serve as Banner Raid Chairmen. The new officers and board were challenged to continue the fine job that the retiring slate had maintained. The Club congratulates the outgoing officers for their "job well done." Bruce Woods, retiring President was overheard to say, "This is the day I've waited all year for."

We were host to the Kiss-A-Mee Squares on April 9th for a Banner Raid. That darling group of dancers boarded a bus for an unknown destination of over 50 miles to participate in a "Mystery Trip." Even the bus driver seemed to have a good time.

On April 14th we raided the Granada Squares. We hooped it up and laughed at ourselves while their Caller, Don Furnish, attempted to teach us the difference between Ah-So and Oh-Yea!

We attended our first Banner Raid with our new Chairmen, Jim and Beverly Carter, on April 25th, as the Dixies "hit upon" the Sun State Singles.

Our Class Graduation, on May 14th, inducted 62 into the Fun and Fellowship of our "Dancing World." We are certainly proud of our new graduates and look forward to them dancing with us!

How 'bout that Kick-Off Show on Sunday evening of the 39th State Convention? Sure looking forward to "Everything's Coming Up Roses in '93." Lakeland in May (28th, 29th, and 30th) of '93, will be the "place to be!"

Mary Jane Sheppard

## WHIRL AND TWIRL

Orlando

The Whirl and Twirl Club has sponsored two fund raisers recently, adding \$1500 to our building fund. (We're going to have that building yet!)

The First Annual Whirl and Twirl Beauty Contest was a smash hit fund raiser. It was a Saturday Night Special, no dancing, rather, a Chili Supper and Beauty Pageant. Frank and Gloria Hatcher provided several members with their superb chili recipe, and after several pots were consumed, the wildest, craziest, beauty pageant ever followed. Gene Nardi was the MC and he was nothing less than spectacular. Our contestants were Gene Shockley, Jacques Saumier, Bill Cobb, Tom Ratliff, Roy Meador, and John Nau-mann. They appeared in drag in swimsuit, evening gown, and finally performed their talent portion. The audience voted Roy Meador as the winner, but it was a difficult choice, believe me.

The other fund raiser was our 'Bama Fling. At the 1991 State Convention, George Knapp won a door prize which was a night of calling at our club by a Northwest Caller, Ben Williams, from Alabama. Arrangements were made for Ben and his wife, Betty, to come call for us May 16. It was an excellent dance; our own Roy Brown donated an evening of cueing. Thanks to Vivienne Garapic for pulling it all together.

We had our annual Spring Picnic in April at the Stromberg-Carlson picnic facility. Again this year, we thank John Reese for arranging the facility and we extend our gratitude to our Special Events Director, Dick and Helen Baltzell, for a wonderful time. The Recycle Sale was one highlight of the picnic, as was the horseshoe and volleyball matches.

Our banner raiders have been very busy this year, both the Mainstream and the Plus groups. Whirl and Twirl always has a wonderful time when we visit Central Florida clubs and we are especially happy when raiders and retrievers visit our club.

Special Thanks to Jess and Fay Baker for taking charge of the Club Float for the Rose Parade at the '93 Convention Kick-Off. They and their committee did a lovely job putting it together.

New officers will be installed for 1992-93 on June 6th. They are: Dick and Helen Baltzell, President; Dick and Marcella Brandeberry, Vice President; Dick and Evelyn McKenna, Secretary; Ted and Trudy Mader, Treasurer; Barry and Adriana Walker, Special Events Director; Stan and Barbara Halterman, Building Director; Wayne and Lola Norwood, Tenderfoot Director; Ken and Mo Engel, Tenderfoot Vice President; and Don and Buffy Nyholm, Tenderfoot Cashiers. Our support and good wishes go with these hard-working, dedicated members throughout the coming year.

Whirl and Twirl extends an invitation to all dancers to join with us for Mainstream dancing Wednesday evenings and Plus dancing Friday evenings. Both dances are 8:00 to 10:30 and feature Danny Robinson calling. Roy Brown cues Early Rounds at 7:30 Friday evenings and between tips.

Shirley Knapp

This is the month when we bid a fond farewell to our "snow bird" members and wish them a safe trip and happy and healthy weeks up North. However, since the majority of the Promenaders are year-round residents, we expect to be dancing with a full house all summer.

Our four squares of enthusiastic class members will be joining the Club this month, and we look forward to dancing with them all evening long instead of just the first tip. As they've been invited to participate in all of our "special" parties, they've had a taste of what fun it is to be a Promenader. Several of the class couples participated in a Fashion Show sponsored by Faye of King's Kid Corral. Faye also gave them tips of coordinating a dance wardrobe.

The Valentine dance in February was a fun filled evening with "Romance in the Air and Hearts and Flowers" everywhere. Virgene Harder of the Promenaders and George Taylor of Happy Hoedowners were crowned King and Queen of Hearts and led 17 squares in a Grand March. Another highlight was a special tribute to those who have been married the longest time and the shortest time: Bill and Jean Peters (61 years) and Mel and Phyllis Lungren (5 months). Congratulations!

Irish eyes (and some not so Irish) were smiling and green and white balloons and shamrocks decorated the hall as we celebrated St. Patrick's Day. An Irish jig was led by Bill Beattie and St. Patrick, portrayed by Henry LaCouture, make his annual appearance.

Michael and Joan Altman, dressed as convicts, chaired the Riches to Rags party in April to commemorate good old I.R.S. day and Carmen and Ann Puglisi made a delicious stew. Ummm! Members were dressed in ragged clothes, bathrobes and boxes; however, there were a few "swells" wearing minks and diamonds, and Carol Poole was sporting a "flower" of dollar bills in her hair!!! Even the Tax Collector, Frank Huegele was wearing a TUXEDO!! Speaking of Frank, he and Ginny Lanphaer have announced their engagement. Congratula-

tions! Square dancing: Bringing people together!!

Bob Montana has led us on several raids and we have exchanged banners with the Bass Capitol Squares, Happy Hoedowners, Granada Squares, Honey Bees, Pirates, Swingin' Stars, Swingin' Bears, Whirl and Twirl, and the Sundancers (NOWWW!). Special Promenader Raider bars have been awarded also: Promenader Raider X-L (Excel) bars went to Bill and Claire Poole and Gil and Doris Skinner for 40 raids; Prestige bars for 30 raids went to Elsie and Roger Chapin, Roy and Dot Higgins, and Evelyn Waite; Super bars went to Adrian and Vi Daigle and Bill and Frieda Otten for 20 raids; and Ed Cromie and Sue Sullivan received their Raider bars for 10 raids. To Bob Montana went the Club's first CENTURY bar for 100 visits to other clubs. A hearty thanks to these people who proudly support our Club.

Gale and Laura Boak chaired several work parties for the Promenader float for the Rose Parade at the '93 Convention Kick-Off. It sure is a beauty. We are so proud of these talented members; they also designed and made the Banner which will lead the Rose Parade. Spectacular!!

In June, Don Furnish will be visiting his folks in Colorado, but he has made arrangements for Bill Chestnut to call for us on the 10th and John Barrett on the 17th and 24th. On June 10th, we will also be serving WATERMELON! (Wear your shorts.)

On July 1st, our theme will be Patriots Night in celebration of Independence Day, so wear your red, white, and blue. On the 15th, we will enjoy delicious pies made by our ladies (and gentlemen).

On August 12th, there will be a BANANA DANCE chaired by our own "devilish" Don. Wear your shorts and come and find out what a BANANA DANCE is!

An A-1 tip at 10 pm follows the regular Plus dancing every Wednesday night. Party night, with all sorts of finger food, is always the last Wednesday of the month. Plus workshops will be held during the summer. Don Furnish is our Caller and Bill Beattie cues the rounds. Call the Chapins at 407-321-4635, or the Pooles, 904-789-1365, for information.

Lou and Muriel Chabot

## ORANGE ROCKERS

DeBary

The Orange Rockers held their First Annual A-1 "Coming Out Party" last month. Four squares of dancers received their diplomas and can now boast that they know all of the A-1 calls. Of course, there is a difference between knowing the calls and responding to them without hesitation. But, we are all having fun and that's the name of the game. We have heard the A-1 level criticized for not having fun and that they take it too seriously! Not so with this group!!

In June, Don and Carole will be vacationing in Colorado, visiting his parents, so the only dance night will be on June 4th. The Club will resume its regular schedule in July.

Next fall Don will start a new A-1 class and the current "crop" will (we hope) go on into A-2.

Don Furnish, Caller, continues to call an A-1 tip at 10:00 pm following the Starlight Promenaders' regular Plus dance every Wednesday night.

The Orange Rockers dance at the DeBary Community Center on Shell Road off Highbanks every Thursday night at 7:30. For information on the class starting next Fall, call 407-330-4431.

Lou and Muriel Chabot

## HARBOR CITY SQUARES

Melbourne

We owe a BIG vote of Thanks to all our officers, who did such an "outstanding" job for the Club during the past year. SPECIAL Thanks are due Jim and Marty Perry who served as our Presidents for the past two years. They always went the extra mile, and then some! We made much progress, and had lots of fun, under their leadership.

Congratulations are in order to Loren and Floss Long, our new Presidents, and to Ted and Markie Perkins, 1st Vice Presidents; Jim and Marty Perry, 2nd Vice Presidents; Ken and Betty Lawrence, Secretary; and to our Co-Treasurers, Pat Herring and Marvin Tentenbaum. Please give these fine folks your support as they serve the members of the Harbor City Squares.

Were we ever "raided" by the Barefoot Bay Twirlers! No less than 38 colorfully garbed dancers descended upon us for a "great" evening. The Space Trackers brought their usual large number of "blue clad" raiders to attack our dance. Paul and Marguerite Winters are continuing as our "personality plus" Banner Chairmen, so no doubt we will be kept busy. Plans have been made to visit the Hollywood Squares and the Brevard Singles.

Next issue brings a new correspondent to Keepin' Posted. Charlie Foscett will be relating all the news from our Club, and we know you will enjoy hearing from him.

Hope to see you in a square, soon.

Kathleen and Wally Bayless

### **SPIN DRIFTERS**

New Smyrna Beach

Our Valentine's Day Dance on February 12th was a huge success as we had two clubs join us for the evening on their raids - the Twirl-A-Ways from Titusville and the Sun State Singles, now of New Smyrna Beach. Red and White outfits were the choice of most of the dancers and the floor was a sea of beautiful color. Our Banner Chairpersons, Bernie and Diane Moore, have really kept the Spin Drifters spinning hither and thither on banner raids and retrievals these past four months: we raided the Granada Squares of Ormond Beach on February 18th; on February 22nd, we visited the Sun State Singles at their Sadie Hawkins dance and spirited away their banner; went to DeLand and retrieved a banner from the Honey Bees on February 26th; on March 12th on the road again to Daytona

Beach to raid the Dixie Squares and help them consume a whole bunch of green pizzas at their St. Patrick's Day Dance; and to the Fellowship Squares of Port Orange on March 24th.

The Spin Drifters celebrated the Irish's day by having another fabulous pot-luck dinner with the club and hosts Lucille and Fran Page providing a scrumptious corned beef and cabbage entree. Naturally the color of the occasion was green! Our Easter Dance on April 15th was well attended and our Caller, Carl Rod, had us "looking for the Easter Bunny." The Twirl-A-Ways came to raid us on April 1st and it was no April Fool, although some squares did try a little tomfoolery! More raids to our credit were to the Twirl-A-Ways on April 3rd, the Sun Dancers on April 12th and the Honey Bees on April 27th. We always have a lot of fun visiting the other clubs and especially like to see them at our dances.

June will be ushering in some hot weather so we are planning to cool things down a bit on two occasions: one is our Root Beer Float night on June 17th and our Watermelon night on July 15th.

There will be no Spin Drifter dances on June 24th, July 1st, or the entire month of August -- vacation time. But do come and join us for our regular dances and our future special dances, which include a Chocolate Fun Night on September 16th, a Pie Night on October 21st, our annual Pot-Luck Dinner and Installation of Officers on November 18th, the annual Christmas Party on December 16th and to end the year in style, our 3rd annual New Year's Eve Dance on, YES, December 31st. Sooooo, come spin with us.

## *"Everything's Coming Up Roses in '93"*

By the time you read this the Central Florida Kick-off for the '93 State Convention will have taken place and the participants will be riding high on enthusiasm because EVERYTHING IS COMING UP ROSES. The '92 State Convention, sponsored by the West Coast Ass'n, will be over and their committee chairman will be heaving a sigh of relief and patting each other on the back for a great job well done. They will certainly deserve it!

Soooooo, now onward to 1993! Did you see Central Florida's spectacular Kick-Off for the 40th Florida State Square and Round Dance Convention? Couldn't you almost smell the roses? Did you get to see the parade passing by? Did you have a good seat to get the entire Kaleidoscope effect? How about those floats, all covered with roses? How did you like those "raspberry rose" outfits? Well if you missed the "Show of Shows" that's too bad but you may still be in luck. Watch for us, you may catch our act at major dances throughout the State during the coming year as we travel around to promote the "Greatest Show on Earth" to be held on May 28, 29 and 30, 1993.

So much goes into the planning of a State Convention that when all goes well and smoothly, unless you are intimately involved, you think "Hey, putting on a Convention is a snap." So let's talk about it. Thanks to the General Chairman, Mary Richardson; the Co-General Chairman, Duke and Doris McCleskey; the Caller Chairman, John Barrett and Cuer Chairman, Sunni Thomas; the 40th Florida State Convention promises to be the BESSSSST convention ever! They have been working, planning and meeting with other committee chairman for at least two years now. Over the next few months the particulars will be revealed to you so that you will know just what to expect. However, there will be a few surprises and you will just have to be there next May to experience them in person.

Did you get your super discounted tickets/ribbons immediately after the Kick-Off? If not, reservation forms will be appearing in the various association publications soon, fill them out and send them in as quickly as possible. Ribbons will still be greatly reduced to \$11 each until September 15, 1992.

Of course by now someone has already won the Cruise for Two on Disney's "Big Red Boat" but there are still many more fantastic prizes to be won if you purchase a full weekend ticket before the April 30, 1993 deadline. These will be given away at the Fashion Show on Sunday afternoon May 30, 1993: A Week for Two at Copecrest; A Week for Two at Fontana; a Week for Two at English Mountain; A weekend for Two at the Winter Whirl in Cocoa Beach; Dance Ribbons for Two at the September and April Myrtle Beach Balls and a \$400 Ruby Ring to commemorate the 40th State Convention. HOW ABOUT THAT?

So, buy your ribbons now and join us in Lakeland on May 28th, 29th, 30th, 1993 because EVERYTHING'S COMING UP ROSES for you and for me.

Publicity Chairman  
Lou and Muriel Chabot

## CAMPING WEEKEND - 1992

Once again the Picnic and Slumber in the Forest Camping Weekend was a totally fun time for all. If you missed it this year, then as soon as you see an announcement for it next year, reserve those dates. Mark your calendar so you don't miss out again.

The camper rigs began rolling in at noon on Friday and by dusk the camping area was full. Many non-camping dancers arrived in the afternoon just for socializing, sharing box lunches and enjoying the evening games. That night the hall was filled with groups playing cards, games, and making roses. (Will we ever be finished with those roses?) Also, many were inducted into that other golden "honor" society, much to the delight of the previously initiated members.

Then around midnight, several couples snuggled down in their sleeping bags in opposite corners of the hall. Randy was seen removing a pile of logs the next morning from the McCleskey corner. Neither Duke nor Doris would 'fess up to "sawing wood."

Saturday morning a delicious breakfast was served by the Kissimmee group: all you could eat of sausage, pancakes, and eggs. In fact, it was so good that many more came back for the Sunday breakfast this year and we ran out of sausage and coffee. We'll just have to plan to have more food for the chow hounds next year. Then again, maybe it was the ladies in those famous T-shirts that were the attraction, not the food!

Mother Nature cooperated and presented us with perfect weather on Saturday. A horse-shoe tournament was held; however, neither of the final winners came back to claim their prize (a free breakfast the next morning)! Others played croquet or cards and games or made more roses. The Hawkins ('93 Convention Decorations Chairmen) instructed us on how to make a truly beautiful rose and John Barrett ran us through a brief practice for the "Show of Shows." Once again, meatloaf (prepared by the committee) was featured for the potluck. In addition, a tremendous array of vegetables, salads, and heavenly desserts completed the buffet.

The dancing was great--Don Furnish called all fun tips and also a couple of A-1 tips. (They were fun, too.) Roy Brown cued a half-hour of early rounds and between each tip. (He is so smooooooth.) After the dance, Madame Nutcracker and King Nut performed their infamous Golden Nut Initiation. Can you believe the Kissimmee group pulled off a clever trick on the Madame? (We'll never tell!!!) This was followed by hilarious skits enacted by several different groups.

After Sunday breakfast was served by Phil Sortore and a group of Starlight Promenaders, the rigs were packed up, the supplies were packed up, and everyone bid a fond adieu--until next time!

This was the easiest and most relaxed Camping Weekend for the Chairman and Committee because so many other people signed up to help and perform the many chores necessary to make the weekend successful.

Good friends are made not only when sharing in playing, but also when sharing in working. THANK YOU to everyone who chipped in to help.

See you next year,

The Committee

Randy and Carol Poole, Lou and Muriel Chabot, Phil Sortore

# A SQUARE DANCER'S EASTER AT WALT DISNEY WORLD

SusanElaine Packer

The preparation started several weeks before Easter, when 52 square dancers were asked if they would like to be a part of the 1992 Easter Parade. They would have to memorize a dance and be in two parades, one on Good Friday and then again on Easter Sunday.

A rehearsal was held two weeks before Easter, and Disney sent their choreographer along to watch the proceedings. He loved the spontaneity of the group and their instantaneous response to the many moves that were suggested for the parade.

At 6:45 on Good Friday morning the dancers sleepily struggled from their cars. Some had driven over two hours to participate in the festivities. A Disney bus picked up everyone and took them backstage just as daylight was beginning to peek over the tops of the buildings.

Then came another rehearsal. But, we kept holding up the parade...to dance. "This just won't do," said the show director, so the steps were changed and everyone had to learn a completely different set of moves. Ah, show-life.

After one and one-half hours of rehearsal, snacks were served, then everyone sat around and talked and talked. It was a two and one-half hour wait until parade time.

You would have loved dancing with us. The music used in the Western portion of the parade was "Rocky Top" (done in triple time). No one let that bother them, we just ignored the triple time and did our thing.

The Good Friday parade was great, although there were many stops along the way as Disney was filming each group on the off-chance that it might rain Easter Sunday. Rain has not stopped too many parades since they opened 20 years ago, but Disney is like a Scout, "Always Prepared."

Then came Easter Sunday, and what a beautiful day for a parade. The dancers had a lot of fun interacting with the crowd, making lots and lots of "PR" for our FUN activity. One of the Disney stage managers stated that it would be a safe guess that in the two days of participation in the parades, at least 10,000 guests from around the world took pictures of the square dancers, not to mention the million who viewed the TV presentation. This will be one Easter we'll long remember!
