Patriots Day. 9-11 Has again Come and Gone. We remembered; shed tears for Three Thousand valiant donors, gave thanks for the twenty-five thousand escapees; remembered and thanked those giving their lives and futures to defend the democratic principals of ours. Thanks you all and Godspeed.

Happy Holidays Ahead. We once again are entering the fall of the Year and the Holiday period. Let us all enjoy our families, mom, dads, sons, daughters, grandchildren, in-laws and outlaws alike, our extended families of square dancer, round dancers, callers and cuers, and, especially those who have so little but hope so much.

Light Hearted Recap of the 2003 Presidents' Ball

The Annual Meeting of the Central Florida Association of Square and Round Dancers happened at Whirl n Twirl Hall, August 30 past. Presidents Dan & Anna Foust called the meeting to order as the clock struck the bewitching hour of 3:00 PM. There were no fireworks, nor were there any live demonstrations. Business was the call of the day. Ailene Pichecko told of our meeting last month. Donna Hendricks told us we weren't broke. Terri Little told us we really had some members. Jim McConnaha, a real thorn among them roses, told us he had some blood to give away if needed. Carole Poole pitched the insurance program. Judy Frye told us she collects our pictures.. Other interested parties reported on the "state of square and round dancing" for their geographical areas. Bruce Morgan thanked all dancers supporting the Special Stepper attendance. Then he made a pitch for the 2004 Convention. At meeting's end, the Nominating Committee announced all incumbents had chosen to remain another year. They were all "inducted" by Randy and Carole Poole under the "power of the Candles". Each couple was called forward to take the oath and light their candle. The horde then stood sat or otherwise perched for the cover picture. The meeting then dissolved into a normal square dance feast. We didn't even have a food fight, but it was close. From there a dance broke out, Danny Robinson and Joanne Helton to the rescue, they restored order, called and cued their way into our hearts and gave a performance enjoyed by all. In fact, Danny, pulled one of his guns on two dancers in the back square. I heard one was Richard Douget and my failing memory pleads no contest. Good Dance!

Presidents' Message

October begins another year for the CFA, I would like to thank our 2002-

2003 Board members, your efforts on behalf of square dancing contributed to a very successful year. Thank ya' all who kicked off for our 50th State Convention. The kickoff was wonderful. Now we work to promote next years convention.

Membership reached 400, a goal we met after four years hard work. Renew your membership for 2003-2004 and continue to grow our organization, the best Association in Florida.

The 2003 PRESIDENTS BALL was Aug. 29th. Sixteen squares enjoyed Danny Robinson & Joanne Helton at Whirl & Twirl Hall. Nine past presidents attended. Before the dance was the General Meeting. The 2003-2004 Board was elected. New to the board this year are: George & Shirley Knapp (Area Vice President), Vinnie Dalman & Richard Douget (Area Director South Brevard/Indian River), Dick & Dorothy Jarvis (Area Director South Lake/West Orange).

Last years 5th Saturday dances were well attended fun filled events. Next years dances will be even bigger and better — a great way for central Florida clubs to get together.

Saturday Nov. 22 at Whirl & Twirl Hall, Florida Federation will host a fund raiser for the 50th Convention at Lakeland Center, Memorial Day Weekend 2004. Meet the Federation Delegates and enjoy the energies of Joe Fioretti.

The following weekend sees our next 5th Saturday dance at Travis Recreation Center Cocoa Nov. 29. A special thanks for our Space Tracker hosts. Whit Brown and Phyllis Williams will be there for our dancing pleasure.

Betty Lee Talmadge published the "DANCIN NEWS" for thirteen years. We are sorry that the next issue will be her last. Thank you Betty Lee for all you've done for square dancing. We look forward to seeing you at all the area dances.

Support our remaining square/round dance publications—subscribe, place ads, send articles and pictures. Who's your club publicity person?

See you in a square

THE IMPORTANCE OF INDEMNIFICATION

During the recent United Square Dancers of America, Inc. Annual Meeting in Oklahoma City, June 25, 2003 the Board of Directors enacted an Amendment to their Bylaws incorporating a new article addressing the Indemnification of its Officers and Directors. This action was necessary to protect those volunteers who serve on the Executive Committee and Board of Directors from potentially being a party to a suit or proceeding because they are or were acting on behalf of USDA.

Indemnification means if a person is a director or officer of the Corporation or is serving on behalf of the organization, and is a party to a suit or proceeding because they are or were acting on behalf of the organization, the Corporation may protect the person against expenses, judgments and fines if the person acted in good faith and in the best interest of the Corporation. This action is, in part, generated by new liability issues that have arisen since the September 11th 2001 attacks on New York City's World Trade Center.

As the result of consultations with USDA legal counsel, Jim Hyden of the firm Hyden, Miron and Foster, PLLC of Little Rock, Arkansas (USDA is incorporated in the State of Arkansas) Mr. Hyden indicated that it is now common for voluntary non-profits to include such provisions. He further suggested that the affiliates of USDA should also add an indemnification section to their Bylaws. Mr. Hyden advised that the affiliates take back to their organizations a copy of the Amendment adopted at the Annual Meeting and check with their organization's attorneys. He was concerned that some of the affiliates may not be incorporated, but he felt that they would be well served to incorporate.

Should any of the affiliates need further information regarding Indemnification, or need to have an electronic version of this Indemnification clause they are welcome to contact USDA Parliamentarian Jim Maczko – usda.parliamentarian@usda.org – Post Office Box 712918, San Diego, California 92171-2918 – (619) 295-2635.

ARE YOU DANCING UNINSURED

Every square dance organization needs General Liability and Accident Medical Expense coverage while conducting and sponsoring dance activities. As closely as safety rules are followed, accidents can and will happen. This insurance program, especially designed for USDA dance groups, provides Accident Medical insurance, which helps protect club members from financial loss due to a covered accidental bodily injury, and Liability insurance, which protects the club and its members and association officials from financial loss due to unforeseen incidents which may develop into litigation against members and dance organizations.

LIABILITY INSURANCE

Limits of protection: \$1,000,000 combined single limit of liability for bodily injury and property damage per occurrence (subject to a \$100 property damage deductible per claim) while participating in scheduled and sponsored dancing activities. \$100,000 limit for damage to premises rented to you.

Who is covered: The club and its members while participating in club or organization sponsored and supervised dancing activities. Liability coverage applies in the U.S., its territories or possessions, and Canada.

ACCIDENT AND MEDICAL INSURANCE

Limits of Coverage

\$10,000 Usual and Customary Accident Medical Expense, including Dental

\$10,000 Accidental Death Benefit

\$10,000 Accidental Dismemberment Benefit (loss of both hands, both feet, sight of both eyes, or any combination thereof)

\$5,000 Accidental Dismemberment Benefit (loss of one hand, one foot, sight of one eye)

Note: Coverage is excess to any other valid and collectible medical insurance covering the same accident. Coverage provided for covered medical expenses incurred within 52 weeks of the accident up to \$10,000 for all eligible expenses as stated in the Policy.

Who is covered: Club members will be insured while participating in any regularly scheduled and sponsored dancing activity worldwide, including group travel (10 or more club members) in a vehicle commercially licensed for transportation of passengers and operated by a person holding a valid operators license for such vehicle, while being transported to or from a covered dancing activity.

What is covered: Accidental bodily injury sustained by an insured person while participating in dancing activities sponsored and supervised by a recognized club or organization.

Period of Coverage: The insurance year is January 1 through December 31. Coverage becomes effective for individual clubs under the policy on the day the application and premium for insurance is received by the USDA National Insurance Coordinator. There is no pro-rata provision. This is necessary due to the large administrative expense of maintaining different policy dates.

Editor's Note: Probably the absolute best benefit of belonging to the CFA is the Blood Bank; probably the best benefit of belonging to the USDA is the insurance package for both clubs and dancers. The cost is about \$ 3.00 annually paid by your club and the benefits are described above. The club is responsible for any liabilities suffered during their dances—liability coverage sure can help, the officers are also held accountable unless they are indemnified by the club. Make sure you and your club are covered. Ascertain your club officers are indemnified. We wouldn't want anyone to sue the officers and the club over an insured accident now would we.

George & Shirley Knapp

Words from Florida Federation President

October is here and we sincerely hope all clubs have a good size class of students underway. We need a regular infusion of new dancers to keep enthusiasm and vitality on our dance floors. I remember when we first began dancing and were excited about going to a square dance and executing the calls. Now it is so good to watch new dancers exhibiting the same enthusiasm. Remember, if only each of us brings one new student to class, we could fill our halls with dancers again. Don't just invite them, stay with them and give them your support while they are learning. They're "new" and need nurturing.

Association special dances start with the Northwest Roundup. The Northeast Fall Festival and West Coast Fall Fun Fest happen the same weekend, a schedule mishap. Flip a coin to see which to attend. Between these two events, the Olena Hoedown celebrates its 50th Anniversary. Special dances are the Associations' funds raisers for the year. A lot of time and effort goes into making them a great weekend for us. Let's all try to get to as many of these dances as we possibly can. We all need each other's support.

Snowbirds should soon begin returning to our state and our clubs. We have missed their smiling faces. Join us welcoming them home. Be sure to get your ribbons for the 50th State Convention. Bruce and

Colleen Morgan have assured us they will cheerfully refund the price of your ticket up to the first day of the convention should you not be able to make the Convention.

Happy Halloween and some frightful (but safe) dances to boot.
George & Shirley Knapp

Thanks Dancers!

May 3, 2003

Dear Editors:

I wish to thank all the CFA Dancers and express my sincere appreciation for all the sympathy, including cards and gifts, extended to me and my family, after the death of my husband, Howard Wilson.

CFA Dancers are special ! !

We had not danced in 10 years, but many CFA members attended the memorial service. Some helped at the service and at the dinner afterwards.

Square Dancers remain good friends for life.

I enjoy the Keepin' Posted and read every issue from cover to cover.

I congratulate you on the job you are doing!

It certainly has come a long way from the first published issue.

Vivian Wilson

Past CFA President '85-'86

Past State Convention Chair '83-'84

Editorial note: You, SQUARE DANCERS, are critical cogs in the wheels and spokes of our dancing organization. Your assistance to Mrs. Wilson was appreciated just as we appreciate your involvement. Keep up the good work with feeling. Love another is a true reward.

BOLO

Editors Note: We lost a courageous fun loving spirited dancer. Walter "Bolo" Lawless loved life; he worked hard, he played hard. He cherished the ground tread upon by his wife "Dot". But she did the same. They enjoyed people—people enjoyed being with them. Dot and Bolo

engaged Eivor and I as Space Tracker students at the fish camp on SR 520 at the St. Johns River bridge. Dot and Bolo, Helen and John Steele; Ken and Sue Wiblitzhausoer were at our table with while Bob Frye, suffering in his terminal days called a tip and showed new students the hazards of but one alcoholic drink while dancing. We learnt that lesson well. We still miss the comraderie of that day. Bolo was wound up. We enjoyed their company at the Nationals in Orlando. Bolo was struck down with "heart problems". The two, mostly Dot, pushed ahead and got their job done. Shortly after, Jim McC would break the news that Bolo had fallen to a rare form of leukemia. We were already reeling with the knowledge that a Canaveral Square, Dick Kasmarek, was borrowing CFA blood to keep life pouring forth. So too did Bolo. Both are now gone, their lives richer and lengthened; our lives enriched by knowing them, their pain and hardship and yet keeping the stiff upper lip. Both joked till the end. We miss you and love you. Bolo's testimonial follows.

Jim & Jan McConnaha
Presidents, CFA

Dear Members of CFA,

Dot and I wish to thank each of you for replacing, through the CFA Blood Bank, the many units of blood I have required (some 50 units to date) this year.

We have enjoyed over 30 years of dancing and fellowship with square and round dancers, both here and in Georgia. However, we never dreamed the friendship and caring for fellow dancers would mean, literally, the gift of life—which in my case it truly is.

So please accept our heartfelt thanks for the replacement of blood from the CFA "Blood Bank".

With Love + Gratitude,
"Bolo" + Dot Lawless

Condolences

Our condolences to Space Tracker Richard Douget and Brother Doug & Margery Douget of the Canaveral Squares on the passing of their mother at 91. Again SQAURE DANCERS responded; attended services and supported Richard and Doug. They say Thanks.

Double Check Please

All club presidents, please check out your listing on the CFA website. www.geocities.com/cenfldancer/squares.html
If you have any changes, e-mail Bruce Morgan and let him know what needs to be changed. Out of town guests will have a problem visiting your club if your information is incorrect.

Kickoff Videos

I now have the video of the Kick-off ready for duplicating. The copies will be \$10.00 each and can be purchased in three different versions. These are CD, DVD and VHS tape. If you would like to have one or more please let me know how many and of which type. I will be glad to make them and deliver them to you the next time that we are together. The 5th Saturday Dance is coming up in 2 weeks. If you give me enough notice I can have some of them by then.
The Florida Federation Meeting is coming up in November. I can have a bunch of them done by then.

Greetings, Salutations & Reminders

Greetings from the 50th Florida State Square Dance Convention Staff.

If you haven't purchased your ribbons for next year's event yet you need to consider it. October 31st is the last day to purchase tickets at \$18.00 per person. November 1st the price goes to \$20.00 per person. Buy now and save. Since a ribbon needs pinning, how about one of the 50th Pins. They are \$1.00 each and they make an ideal ribbon attachment device.

If you haven't visited the 50th Florida State Convention Web Site please do. The address is . I have recently updated it to include our

fundraisers. Find out about our raffles and all the other items we have for sale. Even a souvenir cup. Don't miss out on this item. The 50th Convention will only come once and you will want something to remind you of the great time at the convention.

Another fundraiser that is coming up real soon is the at Whirl & Twirl on Saturday, November 22nd. This is the Saturday evening prior to the Florida Federation meeting. This will be the last Federation Dance for Presidents George & Shirley Knapp. Joe Fioretti is the featured caller and Phyllis Williams will be the cuer. Don't miss this one, we will hold our Silent Auction.

Bruce and Colleen Morgan

Florida Federation Meeting

The next meeting of the Florida Federation will be at Whirl & Twirl on November 22nd starting at 9:00am. On Saturday night, just prior to the Federation Meeting, the 50th Florida State Square & Round Dance Convention is sponsoring a dance at the Whirl & Twirl. This dance will feature Joe Fioretti calling and Phyllis Williams cueing. The dance will be a plus dance and will start at 7:30 with early rounds. We will also have our famous Silent Auction for your bidding pleasure. The cost is \$4.00 per person and all proceeds will benefit the 2004 Florida State Square & Round Dance Convention. Please visit <http://www.geocities.com/cenfldancer/federationdance.html> for more information and directions to The Whirl & Twirl Square Dance Center.

Have You Signed Yet?

At many dances you saw petitions lying there waiting for you to sign. They should be sent to our US Representatives and Senators. We, the United Square Dancers of America, are attempting to make Square Dancing the Folk Dance of the United States. To accomplish this, we need the sponsorship of many congressmen and representatives. We ask each club, organization or individual person to sign a petition and forward it to your congressman or Representative. Please get involved. Only you can get this task done. Thank you,
Bruce Morgan

Bzzzz, Where's the Mosquito

Pass this on to anyone who likes sitting out in the evening or when they're having a cook out. So you don't like those pesky mosquitoes, especially now that they have the potential to carry the West Nile Virus?

Here's a tip that was given at a recent gardening forum. Put some water in a white dinner plate and add a couple drops of Lemon Fresh Joy dish detergent. Set the dish on your porch, patio, or other outdoor area. Not sure what attracts them, the lemon smell, the white plate color, or what, but mosquitoes flock to it, and drop dead shortly after drinking the Lemon Fresh Joy/water mixture, and usually within about 10 feet of the plate.

Check this out---it works just super! May seem trivial, but it may help control mosquitoes around your home, especially in the South and elsewhere where the West Nile virus is reaching epidemic proportions in mosquitoes, birds, and humans.

Happy National Friendship Week. Many people walk in and out of your life. But only true friends leave footprints in your heart.

To handle yourself, use your head; To handle others, use your heart.

Anger is only one letter short of danger.

If someone betrays you once, it is his fault; If he betrays you twice, it is your fault.

Great minds discuss ideas; Average minds discuss events; Small minds discuss people.

He, who loses money, loses much; He, who loses a friend, loses much more; He, who loses faith, loses all.

Beautiful young people are accidents of nature, Learn from the mistakes of others. You can't live long enough to make them all yourself.

NEW LOCATION FOR CFA 2004 SHAMROCK SWING

Jack & Barbara Hoffman, 2004 Shamrock Swing General Chairman announced the 2004 dance will be held at the Senior Center, 1099 Shady Lane, Kissimmee. They said about this change of venue, "While the facility where we have been holding the dance, St. John Vianny Church in Orlando was a great facility, the church decided that having the affair in their church hall interfered with their ongoing church programs enough that they no longer wanted to host the dance. We regret their decision, but this new facility has some advantages that we lacked in the old one."

The Kissimmee Senior Center is located just south of Highway 192, between Kissimmee and St. Cloud on Shady Lane. If you went north of 192 at this intersection you would be at exit #244 of the Florida Turnpike. This location will make it much easier for dancers to get to the hall without going through all the city traffic. The facility has excellent parking, two halls (no carpet) and great acoustics.

Also, a fine Host Hotel has been chosen The Holiday Inn Express, just west of Shady Lane on Highway 192. We made arrangements for Swing attendees to get rooms at \$45.99 per night, including a continental breakfast. The hotel also has a large meeting room we will use for the Saturday morning seminar by the Callers Tony Oxendine and Whit Brown and for the after party. Make your hotel reservations by calling (407) 846-4646, using **Code CFA** and identifying yourself as a Square Dancer. You must use this code to get this rate. See one of the Shamrock Swing dance flyers at your club or one of the special dances in your area for more information.

DIXIE SQUARES

Daytona Beach...July was a special month for the Dixie's with 2 special dances held. The Indoor Picnic on July 10 was a good opportunity to wear the summer casual attire that is optional during July and August. What a great way to have a picnic, not just hot dogs and great food, but to square and round dance as well. John and Irene chose some great summer songs.

The Luau on July 31st was an extra special evening as the chairmen for the event, Jim and Karen Albright really set the scene for a Hawaiian evening. The food and the costumes worn by the dancers, complete with leis, enhanced the luau. John Barrett, our caller, and Irene Knapp, our cuer, were crowned king and queen for the evening. They surprised the dancers with some role reversal tips. Irene told John he did not need to look for another job. There were hula dancers everywhere, and lots of smiling faces.

The August 14th Ice Cream Social was crowd pleasing, with far too many toppings to choose from. A great summer treat. 9-11 was a regular dance night for the Dixie's, but the commemorative date was made a "special night" with a USA dance. The club celebrates their 44th Anniversary (in the same hall they began in) on Sept. 25th and also hosted their first Open House that evening.

I am including our calendar for the remainder of the year, so check it out and plan to attend some of those Dixie Dances.....You will be glad you did! Yellow Rocks

SPACE TRACKERS

Hi - Well, we are still looking for a hall that will allow us to get back to our regular dance schedule of every Saturday nite but at this writing that has not been determined. There are lots of halls but either the price is too steep or they are not available for our time frame. Hopefully we will be able to resolve this matter in the next month or so. In the meantime, the club is still dancing every first and third Saturday

night at McLarty Recreation Center with Whit Brown doing the honors, calling and Phyllis Williams & Vera Smith are sharing the round dance portion of the program.

Right now we are working on a special dance for October 18th. - Our annual Fall Fling and this year we are featuring Tim Marriner along with Jimmy & Carol Griffin on rounds. This dance will be held at Travis Recreation Center on Michigan Ave. in Cocoa. This is off Clear-

lake Road and next to the BCC campus. Rounds will begin at 7:30 as usual and the full program will begin at 8PM. We have lots of surprises in store with lots of door prizes being collected by Bob & Barbara Warner, sumptuous refreshments being solicited from our members and served by Liz Steinbaugh and her kitchen angels, and lots more!! This is one time of the year that we go all out to host a spectacular night of dancing and fun for all. Fall will be our theme with lots of special decorations and such. If you haven't gotten your admission ribbons yet (shame on you!) there is still time to save money by talking to one of our Board Members (the super sales crew) But if you prefer, just come and pay at the door!

Additionally our special events committee has lots of things in the works to entertain you at other dances during the fall season. Look for announcements of the Halloween Costume Party, Thanksgiving and Christmas parties. You can always check out our web site for the latest info or call one of our Board Members: Giff & Shirley Crippen, Pres., Dick & Vera Smith, V.Pres., Terri Little, Secretary to name a few.

We wish all our square dance friends holiday cheer and look forward to greeting our snow birds back soon as well.

Have a great day - wish you were here in sunny Florida with us!

CANAVERAL SQUARES

Rockledge. July and August were interesting months for our club. We danced with the Pam Bay Promenaders in Mebourne, the Satellite Beach Allemanders, the Orlando Singles of Orlando, and, the Space Trackers of Rockledge with Traveling Banners flying every place. It is always great to dance and visit with other clubs.

August 7, we honored Skip Cleland, our caller, with a Covered Dish Supper. We wished him farewell and godspeed. He accepted a position with even a raise in our Nations capital, Washington DC. We wished him farewell and good fortune on his travels to the Washington, DC area on a new job opportunity. We will miss Skip after 16 years as our faithful caller, teacher, leader and source of encouragement.

We welcome Jerry and Del Reed as our new caller. Jerry and Del are well known in the Square Dancing Community and we invite all dancers to

OUR NEW DANCERS

New dancers are the most important people in square dancing.

New dancers are not dependent on us; we are dependent on them.

New dancers are not an interruption of our dance; they are the purpose of it.

New dancers do us a favor when they come in; we are not doing them a favor.

New dancers are part of our square dancing; they are not outsiders.

New dancers are human beings with feelings; they deserve to be treated with respect.

New dancers come to us with wants and needs to be filled; it is our obligation to fill them.

New dancers deserve the most courteous attention we can give them. They are the lifeblood of square dancing. Without them, we would have no square dancing.

You were once a new dancer. Don't ever forget it!

Happy Hal Petsche

visit us and help make them welcome. You WILL have fun! August 19 was "Beach Party Night" with beach attire, thongs, Beach umbrellas and chairs. A good time was had by all, especially our "THONG CLAD" caller.

We invite you to come dance with us on the first three Tuesdays. You never know what's going to happen next, thanks to our mischievous and resourceful leader, President Ailene.

Prestige 55 Squares

Ocala. If you haven't heard of us yet, it's time you did! We are a group of square dancers originally sponsored by the Munroe Regional Medical Center's Prestige 55 Program. We've been together 4 years under the direction of the Silver Fox himself, Ken Perez. Many of you know Ken and wife Joan, he's called for several years and proves each week why he's one of the best. He loves nothing more than change; up tempo a notch, throw in a new towel, drag out an oldie, keeps dancers on their tippy toes and thinking. After all thinking is a good thing! Square dancing has proven to be good exercise for body and brain; it's a simple matter of keeping track of where you are, where you should be and how the blazes do I get there. Ken is very patient; I know, I've tested frequently. That's why he is an excellent instructor. We're gonna test him again this October 7 with a new class.

We dance weekly and hold many fun events during the year. A notable one is our 5th Tuesday dinner; either pot luck or BBQ. We bring people and good food together. Our dances and dinners are open to all. Come on up and visit. Club info: PRESTIGE 55 SQUARE; dance at Villas of Spanish Oaks Community Center, 3150 NE 36th Ave.; 7:00 til 9:30; Mainstream Plus, Ken Perez calling; President Gill Herring, 352.402.9577 or 352.216.9578; e-mail: Prestige55Squares@aol.com

Porsche For Sale

A fifteen year-old boy came home with a Porsche. His parents scream, "Where did you get that car????!!!"

He calmly told them, "I bought it today." "With what money?" demanded his parents. "We know what a Porsche costs."

"Well," said the boy, "this one cost me fifteen dollars." So the parents began to yell even louder. "Who would sell a car like that for fifteen dollars?" they said "It was the lady up the street," said the boy. "I don't know her name--they just moved in. She saw me ride past on my bike and asked me if I wanted to buy a Porsche for fifteen dollars."

"Dear God," moaned the mother, "she must be a child abuser. Who knows what she will do next? John, you go right up there and see what's going on."

So the boy's father walked up the street to the house where the lady lived and found her out in the yard calmly planting petunias! He introduced himself as the father of the boy to whom she had sold a Porsche for fifteen dollars and demanded to know why she did it.

"Well," she said, "this morning I got a phone call from my husband. I thought he was on a business trip, but it seems he has run off to Hawaii with his secretary and doesn't intend to come back. He asked me to sell his new Porsche and send him the money. So I did."
