January 15, 2009 – Deadline for Florida Square Dance Hall of Fame Nominations –

For info: Dave & Shirley Nihart

From the Editor

The new year is almost upon us and if you haven't done so already, please forward me your 2009 dance schedule so I can add it to my master calendar for inclusion in future issues of the

DANCERgram.

If you have special/themed dances, let me know so I can include that information. These types of dances seem to draw more dancers, especially when they can dress to fit the theme. Many clubs plan their banner raids/retrievals around these types of dances so it is a good idea to get this

December 31, 2008 – Deadline for submissions to the February/March 2009 issue of the West Coast Dancer.

information out early so banner chairmen can plan ahead.

Some clubs are still listing their callers as "Guest Callers". Please send me the names of these guest callers. Many dancers follow certain callers and cuers and if their "favorites" guest call somewhere, they follow them so we need to give them this information. Then some dancers like to try out new callers and cuers so they will visit clubs just to try out a new one.

The more information we can get out there to the dancers to entice them to your dance the better.

The dancers also appreciate being notified when there is a change in schedule, staff, location, etc. instead of showing up and finding out then.

I have been asked on occasion how many people are on my distribution list so I just took a few minutes to count them and I just added the 405th name. Plus there are several people on my list who then forward the DANCERgram on to their club members and miscellaneous other dancers. And then the DANCERgram is also posted on the Florida Dance Web. The editors of the Northwest Association's *Panhandle Press*, Northeast Association's *Grapevine*, Central Association's *Keepin' Posted* and the *Bow & Swing* (the state square dance publication) are also on my distribution list. I also take printed copies of the DANCERgram to dances with me to put on the flyer table and hope that you are doing the same at your clubs. So your dance information is

being disseminated to large group of people! It's quick, timely and it's delivered right to their in box so they receive it even if they don't make it to a dance or if they are traveling. And it's not costing you a cent! Why not take advantage of this free advertising by ensuring that current and accurate information is always provided to me so that it can be added to the DANCERgram?

Regarding the Health & Sympathy Updates Section...

I would love to be able to list health and sympathy reports on every dancer (and former dancer) in the west coast area of Florida; however, that would make this newsletter even longer than it is already. At the present time I am limiting this section to West Coast officers (and former officers), County Reps, Federation officers (and former officers) callers and cuers (and retired). Occasionally, I will include someone else because they were known for something spectacular about them i.e. Fred Hdlak (sp?) who danced until his late 90's when he passed.

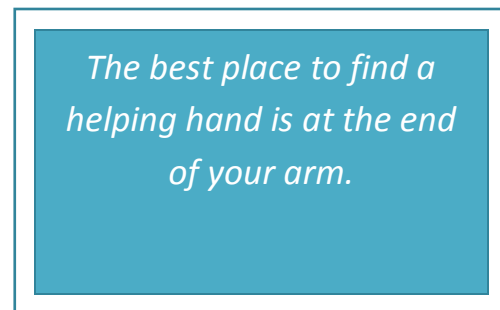

I am contemplating having my own website so I can "break down" the DANCERgram and not have to re-send some parts of it every week but it would be posted on the website. It is possible that when I have a website established, that I can re-think who I am including in the Health & Sympathy Updates Section. I will keep updated on this little project.

Do you Support the Local Associations?

There are many types of associations in the area – for dancers, callers and cuers. If you dance in this area for any length of time, wouldn't it make sense to support the association for the area you are dancing in? Callers and Cuers, if you are calling and cueing in the area for any length of time (three months, six months, a year), wouldn't it make sense to belong to the Florida Callers Association and/or the Round Dance Council of Florida.

You ask why you should belong to any of these associations?

The number one answer would be to promote dancing. If you're promoting dancing here, you're also promoting it back home.

The second reason would be networking; get to know the other dancers, callers and

cuers in the area; learn how things are done in this area, etc. (“when in Rome, do as...”).

And third, education; the professional associations have at least one educational weekend per year and sometimes more. You’ll want to take advantage of those.

The state of Florida is divided into five regional associations – Central, Northeast, Northwest, Southeast and West Coast (us). Each association has a different dues structure. Since the target audience of the DANCERgram is West Coast, I am only addressing the West Coast Association.

I have provided the dues information previously, but I will provide it again, along with the benefits.

A new membership is \$12 per person (includes the badge); a renewal is \$6 per person. How can you beat that price when you consider the benefits?

- Blood Bank
- USDA Square Dance Insurance (100% club participation required)
- Six FREE issues of the *West Coast Dancer*
- Sunshine – we remember our members in time of sickness and death with cards
- County Representatives to assist in any way.
- Eight FREE Membership Dances each year. When you receive your badge and attend one free dance, you’ve received your membership dues back!

Callers and Cuers, did you know you can also join the West Coast Association even if you only live in Florida a few months out

of the year? For just \$12 per person and FREE renewals, you can also be a member of the West Coast Association and show your support of the square and round dancing on the west coast of Florida.

Did you know that the West Coast Association is the largest association in the state of Florida, covering 16 counties? You would assume that would be an awful lot of dancers, but unfortunately, they are not all members of the West Coast Association! What a shame since we all want to keep square dancing alive!

Florida Callers Association

If you are calling in the state of Florida, why not support the Florida Callers Association with your membership? Did you know that you have to be a member of the FCA to call at the Florida State Convention?

To join, you need to complete a membership application, have it signed by three sponsors and submit it along with a \$10 application fee to the association president, Ellis Lindsey. Upon acceptance, you will be notified of amount of dues, which is dependent on the time of year you join the FCA.

The Florida Callers Association has a Callers’ Clinic once a year in October. They also program the callers for each of the state convention and receive a portion of the proceeds from the convention.

For information on the Florida Callers Association, please contact their president, Ellis Lindsey at lailc@aol.com.

Round Dance Council of Florida

If you cue in Florida a minimum of three months out of the year, you are eligible to join this association. Again, you have to be a member of the Round Dance Council to cue at the Florida State Convention.

Callers, if you also cue and want to cue at the State Convention you too need to join the Round Dance Council.

The Round Dance Council has two Weekends of Rounds, which include workshops/clinics and evening dances, per year. They also program the cuers for the state convention and receive a portion of the proceeds from the convention.

For information on the Round Dance Council of Florida, please contact their president, Lisa Wall, at ljwall@comcast.com.

Suncoast Callers & Cuers Association

This is a regional callers and cuers association on the west coast of Florida.

If you are calling in any county from Levy County to the north to Lee County to the south or from Tampa Bay to the west to Polk, Highlands and Glades Counties to the east, you are encouraged to join the Suncoast Callers & Cuers Association.

The SCCA has a strong partnership with the West Coast Square Dancers' Association and donates their time to call at all of the Membership Dances. They also send representatives to the West Coast Folding/Business Meeting to assist with the folding of the *West Coast Dancer* and to give a report on their association.

For information on the SCCA, please contact their president, Clyde Stocker at stocker38@worldnet.att.net.

Your membership and support of these associations will help all of us to work together to promote square and round dancing.

Local Club Recognized in Community Newsletter

The Sun City Swingers were recently written about in the *SCC Free Press*, which is the community newsletter for Sun City Center, Florida.

Following is a reprint of the article:

“The Swingers: SCC Square Dance Club

By Lila Sanders Jomantas

The enthusiasm radiates when you walk into the SCC Community Hall on Friday night. The Swingers are truly swingin’ to the music and to the Caller, Van Coble. The pairs dance to all kinds of music, and it is more than a hoedown; it’s a well-choreographed set of over 500 calls to any type of music. Some folks anticipate the next Call, but Van surprises them and they have to be ready. In addition, there is a round dance, and most folks participate in that as well.

One of the First Clubs in SCC

There are over 100 people who belong to the organization, and on any Friday, that huge space at Community Hall seems full. Some of the people dance with the King’s Point group and like the activity so much, they seek out other square dances in the area. The same goes for the King’s Point dancers who come to the Swingers Square Dances.

This group was one of the first clubs started in SCC. Del Webb loved to square dance, so he paid for a Caller and the club got its start a few years later. This year was the 40th anniversary of the club.

A Part of American History

Square dancing is a part of American history. When the settlers first came to this country, they brought the dances of their country of origin, such as the schottische, quadrilles, reels, jigs, and minuets. Because there were people who didn’t know some of the dances, there was usually someone who called out the steps or helped others learn. That person was later termed the “Caller.” Quite often, the Caller would make up dances for four couples and that is how it came to be

called a square dance.

Square dancing almost died out when America became an industrialized country and people moved into cities. In the 1930s, with the encouragement of Henry Ford who loved square dancing, square dance was reintroduced to the American people. Today, there are millions of people all over the world who enjoy this activity. Not only for dancing, but also for the fun and fellowship it provides.

Each year at the State Fair, dancers from all over the state come in their square dance attire and dance for as many sets as they like. There is always a crowd watching and SCC is well represented.

Dancing and Fellowship

The purpose of the club is square dancing and fellowship, so if you and your mate would like to participate, you are quite welcome. The club meets at Community Hall at 7:00 p.m. The dues are a modest \$8.00 a year, and then each person chips in \$4.00, every time they come to a dance to help pay the Caller and for the refreshments. Non-members pay \$5.00.

There are classes on Wednesday nights at the same time for \$6.00 a lesson. Ron and Gail Bouverat are the ones to contact if you are interested. Their phone number is 633-1297. If you would like to read more about the Swingers Square Dance Club, go to www.floridadanceweb.com click on Sun City Center and you will see some wonderful photos and plans for the rest of the year.

Club Presidents Ron and Gail Bouverat organize the many dances and events the club sponsors. (Photos by Lila Sanders Jomantas)

Judy and Charlie Pyle have been dancing with the Swingers for ten years. She is responsible for the club's publicity.

The dancers are very comfortable with Caller Van Coble at the mic.

Dave Travis and Dotty McKenzie, both widowers and in their eighties from King's Point, love to square dance.

*Change is the law of life. And those
who look only to the past or present
are certain to miss the future.*
