February 1, 2009 – Deadline for Extra Mile award nominations.

To show appreciation to both Callers and Cuers who go beyond the norm in giving freely of their time and talents to the square dance activity. Nominee must be a member of the Florida Callers Association or the Round Dance Council of Florida. For info: pe.miller@mchsi.com

January 15, 2009 – Deadline for Florida Square Dance Hall of Fame Nominations –

Nominees must have a minimum of 10 years **statewide** involvement in the Florida Square and Round Dance activity. Their contributions must encompass the entire state of Florida, not just 1 or 2 areas. This should require unselfish dedication of time and labor. **Being an Area president, Federation president, Caller/Cuer Association president and/or State Convention chairman is not enough.** The Hall of Fame is seeking individuals or couples whose efforts have affected the

majority of the State of Florida. The fact that one is nominated is a very high honor, whether or not they enter the Hall of Fame. For info: Dave & Shirley Nihart dsnihart@comcast.com.

From the Editor

2009! It has to be much better than last year!

Be sure to check out the class list below. There is another round of classes starting this week. If you know anyone that missed the classes that started in the Fall, be sure to let them know about these classes. The first three weeks are always open to new students, and then we have to close the classes so that the new dancers can move ahead. Don't forget that these classes need your help as angels. If you have friends attending the classes, show your support to them by going with them.

There are also a lot of clubs starting their dance seasons in south Florida. If you live in the Ft. Myers area, you will want to check out those dances.

Don't forget our next West Coast Membership Dance on Sunday the 11th at Bahr's Mobile Home Park in Zephyrhills. Bob Barnes will be the emcee and the area callers and cuers will be there to keep you dancing for the afternoon. Callers and cuers, if you have dances scheduled in the area for that afternoon, please show your support by cancelling your dances and

encouraging your dancers to attend the membership dance with you.

If you aren't a member of the West Association, you can join that afternoon and get into the dance for FREE. You can also take care of your renewals that afternoon.

Health Updates

Penny Green will be having a rhizotomy Monday morning, January 5th, which is burning the nerve endings in the lower back. This is the third step of the facet blocks I have already received.

Ann Milan – Wife of retired caller Eddie Milan – is in Baptist Hospital in Jacksonville with congestive heart failure, a weak heart, blood clots in the lungs and colon cancer. Please keep Ann and Eddie in your prayers. I did not receive an address for cards.

Sharon Roberts – cuer in the West Coast area – I had reported a few months ago that she was in a motorcycle accident. I found out today that she has returned to her Lakeland home and that she is doing fine.

Support the Local Associations

There are many types of associations in the area – for dancers, callers and cuers. If you dance, call or cue in this area for any length of time, wouldn't it make sense to support the association for the area where you reside?

Callers and cuers: Belonging to the local professional associations gives you several benefits, such as

- the opportunity to network with other callers and cuers in the area
- the opportunity to take advantage of the educational seminars provided by these associations
- the opportunity for you to become familiar with the "lay of the land" so

to speak of how things are done in Florida.

- It might also bring you some business!

In addition to these benefits, you would be promoting square and round dancing.

The state of Florida is divided into five regional associations – Central, Northeast, Northwest, Southeast and West Coast (us). Each association has a different dues structure. Since the target audience of the DANCERgram is West Coast, I am only addressing the West Coast Association. If you would like information on any of the other associations, please contact me and I will put you in touch with that president.

I have provided the dues information previously, but it is listed below along with the benefits.

A new membership is \$12 per person (which includes the badge); a renewal is \$6 per person, which gives you a year bar to hang from your badge. How can you beat that price when you consider the benefits?

- Blood Bank
- USDA Square Dance Insurance (100% club participation required)
- Six FREE issues of the *West Coast Dancer*
- Sunshine – we remember our members in time of sickness and death with cards
- County Representatives to assist in any way.
- Eight FREE Membership Dances each year. When you receive your badge and attend one free dance, you've received your membership dues back!

Callers and Cuers, did you know you can also join the West Coast Association even if you only live in Florida a few months out of the year? For just \$12 per person and FREE renewals, you can also be a member of the West Coast Association and show your support of square and round dancing on the west coast of Florida.

Florida Callers Association

If you are calling in the state of Florida, why not support the Florida Callers Association with your membership? Did you know that you have to be a member of the FCA to call at the Florida State Convention?

To join, you need to complete a membership application, have it signed by three sponsors and submit it along with a \$10 application fee to the association president, Ellis Lindsey. Upon acceptance, you will be notified of the amount of the dues, which is dependent upon the time of year you join the FCA.

The Florida Callers Association has a Callers' Clinic once a year in October. They also program the callers for each of the state conventions and receive a portion of the proceeds from the convention.

For information on the Florida Callers Association, please contact their president, Ellis Lindsey at lalecl@aol.com.

Round Dance Council of Florida

Membership as an ACTIVE member is available to those involved in round dance cueing and teaching and who are residents of Florida a minimum of six months each year. Membership as a CUER member is available to those involved in round dance

cueing and who are residents of Florida a minimum of three months each year; cueing may be in round dance groups or in conjunction with square dance groups. Application forms for membership may be obtained from any Council Executive Board member.

You have to be a member of the Round Dance Council of Florida to cue at the Florida State Convention.

Callers: if you also cue and want to cue at the State Convention you too must be a member of the Round Dance Council of Florida.

The Round Dance Council of Florida has two Weekends of Rounds, which include workshops/clinics and evening dances, per year. They also program the cuers for the state convention and receive a portion of the proceeds from the convention.

For information on the Round Dance Council of Florida, please contact their president, Lisa Wall, at ljwall@comcast.com.

Suncoast Callers & Cuers Association

There are numerous regional callers associations throughout the state of Florida; the Suncoast Callers and Cuers Association is on the west coast of Florida and has a strong partnership with the West Coast Square and Round Dancers Association. Members of their association donate their time to call and cue at the eight West Coast Membership Dances. They also send a representative to each of our six Folding/Business Meetings to report on their activities, and the West Coast

Association President is an honorary member of this association.

If you are calling or cueing in any county from Levy County to the north to Lee County to the south or from Tampa Bay to the west to Polk, Highlands and Glades Counties to the east, you are encouraged to join the Suncoast Callers & Cuers Association.

For information on the SCCA, please contact their president, Clyde Stocker at stocker38@worldnet.att.net.

Your membership and support of these associations will help all of us to work together to promote square and round dancing.

The Grapevine's **From the Editor's Desk...**

Dear Readers:

I am going to step aside for this issue and use an editorial printed in *The Grapevine* November-December Issue, 2004. The editors were Charlie and Val Newsome and their words still hold true today.

"The subject for this editorial is SUPPORT. Webster's Dictionary gives us several meanings: (1) To promote the interests or causes of; (2) To keep (something) going; (3) Assist; Help; (4) To hold up or serve as a foundation or prop for...and several others.

Let's take number 1. All of us who are in the square dance activity (including rounds, contra, lines, country western, or clogging), **MUST** support the activity or there will be no activity for us to enjoy. The healthy fun and fellowship will disappear. What will we do then?

We will have lost the vital part of our 'FELLOWSHIP' with other humans. Square dancing affords us the opportunity to make lifetime **friendships**, which can be some of the most meaningful experiences in one's life.

We've already alluded to #2, because if we don't promote the square dance community **ACTIVELY**, then #2 stops. It no longer is being kept **GOING**, instead it is **GONE!**

Number 3 tells us exactly what we can do to **SUPPORT** the activity. **ASSIST – HELP!**

SUPPORT your local clubs, callers, cuers and dancers. You ask, what do you mean assist, help? Attend other dances, make a point of dancing, helping when you can, cooperating with other clubs. You'll find there is a better spirit and the activity grows when you are cooperating and not competing with each other.

One way to accomplish this is to check with the

Calendar of Events, or call us, the editors, to make sure your special event is not on the same date of another special dance. **Cooperate – don't compete!**

*Do you know which counties are in the West Coast Assn. area? **Citrus, Collier, Charlotte, DeSoto, Glades, Hardee, Hernando, Highlands, Hillsborough, Lee, Levy, Manatee, Pasco, Pinellas, Polk, Sarasota County Reps***

Also, have you ever said, “Well I worked hard today. I don’t think I’ll go to that dance tonight.” Did you ever think how much it might have meant to the club, caller, or cuer, if you had gone? And, what it might have meant to you! You would have been among friends and the social atmosphere would have, itself, made you feel better. Who knows, you might have even felt so much better you even danced!

So, support all you can. Volunteer at your local festivals, attend the State and National Conventions, and visit other dance evenings around the state.

Once we accomplish numbers 1 – 3, number 4 will be HELD UP. It will have a FIRM FOUNDATION and the Square Dance movement will flourish and grow!”

Thank you Charlie and Val for your thoughts and words. They still hold true 5 years later!

What Love Means to a 4 – 8 Year Old...

A group of professional people posed this question to a group of 4 to 8 year olds, “What does love mean?”

- ‘When someone loves you, the way they say your name is different. You just know that your name is safe in their mouth.’ Bill – age 4

- ‘Love is what’s in the room with you at Christmas if you stop opening presents and listen.’ Bobby – age 7
- ‘If you want to learn to love better, you should start with a friend who you hate.’ Nikka – age 6
- ‘Love is what makes you smile when you’re tired.’ Terri – age 4
- The winner was a four year old child whose next door neighbor was an elderly gentleman who had recently lost his wife. Upon seeing the man cry, the little boy went into the old gentleman’s yard, climbed into his lap, and just sat there. When his mother asked what he had said to the neighbor, the little boy said, ‘Nothing, I just helped him cry.’

Recycling Soda Can Tabs

Join us in saving and recycling soda can tabs

What do you do with your pop or soda can tabs? Do you throw them away? Recycle them with the can? Or take the tabs off the cans to save? Hopefully it is the latter.

Members of the National Square Dance Campers Association have been collecting soda can or pop tabs for many years. Chapters are free to choose whatever project they wish to support thru the recycling of those tabs. At the International Camporee last July, **the president of Chapter #018, Sunshine State Pioneers in [Clearwater] Florida**, informed all that their chapter had donated 43 pounds of pull tabs

to their local Ronald McDonald House. Two **Florida chapters who camp & dance together, #139 Limonaders (Lakeland) and #143 (Ocala), Florida Wheelers**, turned in their 238 pounds to their local Ronald McDonald House as did Chapter #002, Pine Tree in Wisconsin, whose members donated 19 pounds to their local Ronald McDonald House.

This year the International Camporee Committee in Coldwater, Michigan designated one table in their display area for the collection of pull tabs. Soon the table was overflowing with tabs in all sorts of bags, boxes and plastic containers from the campers! By the time the 2008 International Camporee Chairman, Lloyd & Linda Catey¹ and committee finished weighing all the pop and soda tabs that had been turned in there; the grand total of all the donations was 433-1/2 pounds! The benefactor from the Michigan collection was also the local Ronald McDonald House.

Have you or your club started saving tabs yet? If not, why not? It's an easy, worthwhile project any club or person can adopt. Any Festival or Convention should also be able to generate a goodly number of tabs. ROUNDALAB saved all their tabs from their annual Convention and donated them to us. Make some signs to ask attendees to save the tabs, then put out containers for collecting and see how many pounds you can get before the end of 2009. If you have no place to recycle them, contact the NSDCA website for assistance, www.nsdca.org. Maybe you can top the NSDCA members. Keep us posted!

Get a Second Job

Excerpt from The Simple Truth newsletter, September, 2007

We can never underestimate the influence that our actions and our attitudes will have on other people. Winston Churchill said, "The price of leadership is responsibility" and part of that responsibility is to stay positive whether you feel like or not.

Managing your attitude is a very personal thing. However, for me, one of the most important factors is exercise. My attitude and my energy levels are directly tied to exercise. I can be doing everything else right, but without regular exercise I can feel my attitude "heading south".

I've got a friend who is 65 but looks like he's 55. I saw him the other day and said, "Tony, you look great." He said, "I feel great! I got a second job." I said, "A second job? I thought your import business was doing well." He said, "It is. My second job is on the treadmill from 6-7 every morning. When I started looking at it as a second job, I showed up whether I wanted to or not!" He said "The pay is lousy, but the benefits to my health and my attitude are priceless!"

Exercise, more than anything, is a "stress buster". And, don't kid yourself, stress is a killer. In fact the World Health Organization estimates that 80% of all illnesses are directly or indirectly caused by stress. Therefore, if you're not proactive in busting stress, it's very likely to come back and bust you!

Lisa's Posse Heads West

Written by Kathy McKinney

When the round dancers of First Coast Rounds heard about Lisa [Wall] being asked to cue for the Northwest Round-Up they gathered more round dancers and square dancers to band together as Lisa's Posse to head west on a mission. The Mission...support Lisa and John and to publicize our Fall Festival. We chartered a bus and headed west! We had 46 dancers decked out with Posse badges and Hawaiian leis. We found out just how much fun you can have all traveling together. The bus was very comfortable. Bridget, our driver AND companion for the weekend was outstanding. We played games and watched movies on the bus. We made a stop for lunch as well as having 3 stops to pick up dancers. Once we arrived in DeFuniak Springs, Bridget chauffeured us everywhere we wanted to go. We took a tour around the lake, stopped at an old church with a host telling of its origin and on to the historic downtown. There are always neat things to see when you take tours of the area you are visiting. Bridget chauffeured us to and from the dances and she even stayed at the dance both evenings and watched us dance! The northwest dancers, callers and cuers all welcomed us with open arms and warm hospitality. We had a wonderful time!

Our intention for writing this article is to inform dancers, callers and cuers that gathering together and traveling to dances outside your area is very rewarding, emotionally and financially. The bonding of the travelers brings everlasting memories. The financial impact to the dance you attend will never be forgotten by those

putting on the dance. In this day and time of high cost of traveling and hardship of dancers traveling alone for long distances, traveling together is a great remedy to rectify those issues.

Many dancers from the Daytona area chartered a bus and attended our Fall Festival. And guess what??? Their caller and taw, John and Linda Saunders, came with them. John is still recuperating from a broken leg and just came to enjoy fellowship with dancers! That's possibly why they are known as the King and Queen of Hugs!

As both passengers and the recipients of a bus trip we realize the value of getting a group together and supporting another dance, festival, or convention.

We look forward to traveling together again real soon. Will we be seeing you and your group arriving in Jacksonville? We hope so pardner!

[Editor's Note: And the reason I have reprint this article is to generate some interest in the West Coast Assn. area to do bus trips like this. You don't know what kind of fun you are missing by not going to these festivals!]
