## association News

Greetings from the WEST COAST of Florida!

The Tampa Bay area is bustling with dancing compared to the rest of our area on the west coast of Florida. Temple Twirlers of Tampa is dancing on the second and fourth Mondays and has two to four squares each night. Robert Arias is their club caller and Sandy Sturgis has started cueing for them.

Suncoast Squares in St. Pete dances twice a week every week with J.R. St. Jean calling. Their Monday night dance is Basic through Plus and Thursday night is Plus through Challenge. Occasionally, they have a Sunday afternoon dance with a guest caller.

Promenade Squares in Pinellas Park dances Mainstream / Plus every Friday night. They also have a new dancer class on Wednesday nights with excellent angel support, and they support Project Free which is a class for special needs adults.

Palace Promenaders dances Mainstream / Plus the first, third, and fifth Fridays in Arcadia. Robert Arias is their caller and they have recorded rounds by Judy Barnhill.

Citrus Squares in Inverness dances alternating class-level Mainstream / Plus every Monday night with Charlie Pergrossi.

Shufflin' Squares in Lake Wales dances Plus / Advanced the first and third Thursday, Mainstream / Plus the second, fourth, and fifth Thursday, and Advanced / Challenge every Sunday (if there are enough dancers). Keith Stevens and Dave Muller call for these dances.

There are only four classes at this time – Lakeland, St. Pete, Lake Wales, and Pinellas Park.

Considering that the West Coast Association covers 16 counties, this isn't very much square dance activity!

The West Coast Association is hosting its 46th Annual Fall Fun Fest on October 28–29, 2022. Ted Kennedy and Bill Chesnut will be calling and Earle Collins will be cueing. We will be back at the Carver Recreation Center, 520 Idlewood Avenue South, Bartow, Florida. Dance levels will be Mainstream through Advanced. There will be Advanced dancing all weekend with computer squares in the Advanced Hall. The flyer can be found at [www.dancergram.com/Flyers/FFF2022Update.pdf](http://www.dancergram.com/Flyers/FFF2022Update.pdf).

The dancers in our area are excited about attending the 68th Florida State Square and Round Dance Convention in DeLand, Florida January 20 – 21, 2023. "Take your Date to the 68" and disco is the theme. In addition to the convention, there will be a Disco Dinner and Dance! Go to <http://floridasquaredance.com/convention/index.html> for everything

you need regarding the convention. Penny Green, President

## CUE TIPS

Selected by  
Judy Barnhill

We just can't believe it's time for Holiday Music! So, we thought why not choreograph a new Christmas dance that will start the holiday season off right. "Hangin' Around the Mistletoe" is a perfect two step for the occasion with a great beat and one that you'll enjoy dancing over and over again. Enjoy! The music is easily accessible on iTunes and the full cue sheet is on Roundalab.

In the Specialty Dance Hall

(Tommy Lawrence Arena)

## Rules & Process

Dance level will be Mainstream.

Any calls from the "Mainstream" list may and will be called during the dance.

- a. Square dancing will be fifteen (15) minutes of Patter.
- b. Each square must be in constant movement during the dance.
- c. If any "Square's Judge" finds the participants of their square have broken down, the Judge will then raise a yellow flag and give the square a count of ten (10), out loud, to the beat of the music to allow the participants the time to get back into place. If they can repair their square and resume dancing without forming lines, they can continue the dance. This will only be allowed to happen one (1) time for each square. If they cannot repair the square, the Judge will black flag the square letting them know they should leave the floor as their participation in the dance is finished.
- d. If after thirty (30) minutes, more than one square is remaining, the Fun Dance Callers will call for another fifteen (15) minutes, but will increase the difficulty level (Still at Mainstream).
- e. In the event of a tie after forty-five (45) minutes, the squares will continue for five (5) minutes with even more increased level of difficulty (Mainstream level). The first square to get a yellow flag will be 2nd place and the remaining square will be the Winner!
