FROM THE LOFT

Another New Year! Time keeps moving along faster and faster. Linda and I wish all a very happy and prosperous 1997! Remember, this is the year of the National Square Dance Convention in Orlando, Florida. Let's keep working to make it a very successful convention.

We wish to thank all for the great outpouring of sympathy you all shared with us at the passing of my Dad. Over 125 cards were received here in Florida alone. We also collected \$1800.00 to put towards Dad's Memorial. We will give a complete accounting of monies spent as work proceeds. All monies will be used to make your dancing at THE BARN more enjoyable. To date we have spent the following:

Licensed Contractor to draw sealed plans.	\$450.00
Application for permit - Impact fees	262.00
Duplication of drawings to submit to Vera (14 sets)	58.00
Payment to Licensed contractor to pull building permit	200.00

As you can see, the money will be spent and we have not started building yet. You can be assured that we will build the memorial.

Our friend Don Harvey died December 13th. Linda and I will always appreciate what Don and Thelma did for us. We were new dancers and Don and Thelma made us feel so welcomed. They went out of their way to get in our square. We certainly appreciated their friendliness and the wonderful way they treated us. Don and Thelma Harvey did what is best for square dancing. They loved the activity and loved the people involved. We will truly miss him and the square dancing world will be poorer with Don's passing. Our heartfelt sympathy is with Thelma and the whole Harvey family.

THE BARN's float was entered in the Christmas Parade in Melbourne. It was decorated under the supervision of Roz Mestre. Again, Dale and Beth Young were the leaders in seeing the success of the endeavor. A special thanks to all the dancers from the Promenaders, Yellow Rockers, Grand Squares, Silver Squares and THE BARN DANCERS for their time and effort. A real good time was had by all. We are already planning for the July 4th Parade. The Christmas Parade saw the start of the YOUTH DANCERS at THE BARN. A complete square performed on the Float. A great big thank you to Colin and Peggy Walton for their contribution of their calling talents. How he called for 2 hrs. straight is a wonder. Again, Thanks to all!

JANUARY NEWS FROM CANAVERAL SQUARES

ROCKLEDGE...Canaveral Squares is starting out the new year dancing off all of the weight we gained during the holidays, so that means quite a few of us will be dancing almost every night of the year.

We will be having Open House with free lessons on January 10th and January 17th for anyone interested in learning what square dancing is all about, and the class lessons will start on January 24th. If you know anyone who lives in our area and would like to learn to square dance, let us know. We would love to have them come and join us.

The Canaveral Squares have elected new officers for the year. They are, President - Jean and Cecil Faulk, Vice-President-- Chris and Terry Zack, Secretary- Laurie and Chris Sally, Treasurer-- Sharon Calvert, Class Coordinator-- Jim and Jane Hart, Alternate Class Coordinator- Dino and Bruce Sawhill.

Joan Cleland

What a time we had at the Thanksgiving Dinner Dance. Mr. Joe Fioretti was our guest caller and he was in top form, as always. He and our own great caller, Skip Cleland, and his lovely wife, Jennifer did duets and trios. They really kept us on our toes. Our round dance Cues for the evening was Mr. Vince Furtado. They danced to such great music and the dancers looked so beautiful on the dance floor. All of the Canaveral Squares dancers would like to take this time to thank the members, and their families who participated in the preparation of the dinner. It was absolutely great. Special thanks go to Jean Faulk. She did an excellent job of coordinating the dinner.

We are happy to be dancing with some of our friends from the north again this winter. It is always a pleasure to have them with us.

Our dances are held on Friday nights. The class will be from 7:00 p.m. till 8:30 PM. Club dance is from 8:30 PM till 10:30 PM ending with a Hot Hash tip at the McLarty Recreation Center in Rockledge on Barton Ave.

WAYNE GUICE is the new Round Dance Cuer with the Palm Bay Promenaders on Thursday Night here at "THE BARN". Wayne also cues with the Ocean Waves every other Friday in Flagler Beach and has cued numerous one night stands and benefit dances throughout the Central Florida area.

Wayne began Round Dancing in 1989 and cueing in 1995. He is currently studying Cueing techniques with Joe and Madeline Augenblick of Orlando.

Wayne raised his family right here in Melbourne, moving here in 1957 from North Carolina and later relocating to the Orlando Area. Wayne was here way back when Eau Gallie was a separate city. He is still not real happy with the way the names were presented when it was voted to have one name for both Melbourne and Eau Gallie (you know which won).

Wayne and his partner Beverly Landwehr, have also started a new Round Dance Club. The Slip Pivot Round Dancers, on Tuesday at the "BARN".

Beginners class is from 1:00 to 2:30 P.M. and Phase II/III Dance/Workshop from 2:30 to 4:00 P.M.

Dancers wishing to learn figures and styling are invited to attend.

Wayne and Bev also have Round Dance Clubs in Orlando & Groveland, dancing Monday & Wednesday respectively,

Wayne and Bev are members of the Florida Round Dance Council, The Dixie Round Dance Council and Roundalab-The International Association of Round Dance Teachers.

The Palm Bay Promenaders are very happy and lucky to have Wayne as their cuer. In addition to being a good cuer, he was available and willing to be our cuer when Harold Wiles had to quit due to his heart problem. We thank you for stepping in Wayne.

DECEMBER GRAND SQUARES

The highlight of this month for the Grand Squares was participating in the Melbourne Christmas Light Parade using the Barn Dance Float. Everyone pitched in to help with the decorations, complete with Christmas tree, strings of lights, wreaths, ribbons and bells. Over three squares were always available for dancing, including a full square of youngsters from about 6 to 12 years of age, along with adults from the Yellow Rockers, Grand Squares, Promenaders, and Silver Squares. This is one of the biggest community events of the year, and the streets were lined from start to finish with the season's greeters. Accolades to Otis and Linda Lutz for providing the pick-up truck and chauffeur to pull the float; and to Colin and Peggy Walton for calling a rousing set of Christmas tunes that had the crowd clapping along. Colin called two hours straight - no little feat.

It was obvious this was one of the most interesting and lively entrants in a parade consisting of over eighty organizations. Sponsors of the event were Sea-Doo and the Marine Reserve, whose efforts were for the benefit of Toys For Tots.

**Dale and Beth
YOUNG**

They even provided prizes for the best floats and bands, with First Prize being \$400.

The winners were: 1st Prize Sherwood Elementary School with a beautiful recreation of the Ark. Other winners were Satellite High, LBJ School, Melbourne High and Honorable Mentions to Eau Gallie and the Sheriff's displays. Competition was fierce and our float didn't win any of the prizes but we did win a lot of recognition for the Barn. The next big event will be the Melbourne July 4th Parade, which we are in charge of organizing, and want to make as big and eventful as this Christmas Parade. We will be calling on you.

Above is the crew (minus Dell Reed who was working the night this picture was made) who worked hard to make the Tacky Tourist Dance a success. The money raised is being used to purchase a system to be used by the hearing impaired while dancing at THE BARN.

THE BARN FLOAT at the Christmas Parade.

The float was all decked out in Christmas lights with its own Christmas tree. Dale and Beth Young furnished the lights and the overall coordination of the float decorations was done by Roz Mestre. We thank all the dancers who worked on the float. A special thanks go to the Silver Squares for their support. It was a cool night and we needed all the dancers we could get. The dance was for over 2 hours - non-stop.

One of the features of the decorations was as many club banners as we could get being on the float. Many flyers were handed out and we did get Square Dancing before the public.

Please join in the July float.

LINE DANCING AT THE BARN

Bette Wityak
LINE DANCE REPORTER

Best wishes to all of you enthusiastic Line Dancers for a very Happy New Year! And, Otis, on behalf of the line dancers, we want to extend our warm wishes to you and Linda and your loving family, at this difficult time. Remember the precious moments you shared with your father through the years.

Suggest you line dancers locate your May 1996 issue of THE BARN OWL, if you bought one, and review the top ten dances listed therein. They were Achy Breaky, Besamemuch, Crystal Chandelier, Drinkin Champagne, Just Loving You, King of the Road, Rock and Roll Angel, Stand By Your Man, Trashy Woman and Yankee Turnabout. Next month we will make a new list from Joe's repertoire,

for our Wednesday morning class. Meanwhile, keep practicing every day. Make that one of your New Year's resolutions that you plan to keep, and work it regularly.

Joe and Maggie will be teaching line dancing on the Ocean Breeze Cruise, out of Fort Lauderdale, which departs on St. Patrick's Day, March the 17th and returns on March the 21st. If you are interested in participating, talk to Joe and Maggie and get the details.

Glenda Ortiz informs me she'll be teaching all the latest Country Western line dances in the New Year on Thursday mornings at THE BARN. Come join in the fun!

We were sorry to hear Hannelore Woodruff's husband, George, suffered a stroke recently. We are happy to hear he is making progress in his recovery. Please keep George and Hannelore in your prayers.

Dancingly yours, Bette Wityak

Line Dancers - We would love to have you submit articles for publication. Autobiographies are appreciated. Let's share with one another. You would be surprised how others find your articles to be interesting. Please include a photograph so we can include this in your article. Thank you,
Otis & Linda Lutz

WORD STUDY OF THE WORD

HOPE

As we begin a New Year we look forward to the many blessings that it will bring. We also HOPE that the New Year will bring peace, health, happiness and prosperity to all our loved ones. We say HOPE as we know that, in this present world, there will be times of disappointment, financial hardships, discord (not only in the world, but within our family unit), and even death. It is during these times that our HOPE will be tried, that our faith will be tested. God has not only supplied our faith but has given us HOPE; a HOPE that will allow us to meet all these trials of our lives and find peace and joy in them. God has not left us hopeless. Our loss and grief is confined to the loss of company, companionship and fellowship in this life. Our eternal joy is assured by our HOPE.

TITUS 1:2 "In HOPE of eternal life, which God, that cannot lie, promised before the world began"

HOPE # 1679 and 1680 Strong's Exhaustive Concordance of the Bible. - To anticipate, with pleasure; to expect, to have, trust.

Hope, a soft voice in the darkness. Hope, a comforting word in times of sorrow. Hope, a song to make your heart rejoice. Hope, a promise of God that allows us to know that when the darkness is over, when life's tempest is done, that we will all be united in the family of God. A promise that eternal life awaits us at the end of our trials.

"Hope as an anchor so steadfast, Rends the dark veil for the soul, Whither the Master has entered, Robing the grave of its goal; Come, then, O come glad fruition, Come to my sad weary heart. Come, O thou blest hope of glory, Never, O never depart."

So, fellow sojourners in our life's trials and tribulations, have HOPE in all things. Trust the WORD as your mainstay. Romans 12: 12 "Rejoicing in HOPE, patient in tribulation." The terrible losses we all face are known by God. He has experienced all things and understands our tribulations. It is through His death that we can have the assurance of HOPE. He has not left us alone. He has not left us comfortless. God has promised us HOPE. He has given us faith. Romans 4: 21 "And being fully persuaded that, what He had promised, He was also able to perform."

HOPE not as the world hopes, but as God has given us HOPE.

CONTRA DANCING

ABOUT CONTRA DANCING IN BREVARD

The first written record of dances similar to what we now call contra-dances dates to 1650. These dances came to North America with the early English settlers. Most of the tunes came from Scotland and Ireland.

The dances are in many ways similar to old fashioned square dances. The dancers are arranged in sets; half of the couples are moving one direction, while the other half are moving in the opposite direction. This allows every dancer to meet and dance with every other dancer. Contra-dancing is very easy to learn. Most new dancers feel confident before the end of their first evening of dancing. No special costumes are worn; everyone dresses casually.

The "Second Saturday Contra Dance" brings the best of this true American folk dancing to Brevard. We try to have live music and the best of the old fashioned callers from all over the state. The band is a group of talented local musicians.

The "Second-Saturday Contra-Dance" is not a "club." We do not ask anyone to join anything. You don't have to "sign-up." There are no obligations; you come when you like. You pay only when you come; there are no dues. The "Second-Saturday Contra-Dance" is not a class. There is no teacher; no one is going to give you a test, rate your proficiency, or give you a grade.

The "Second-Saturday Contra-Dance" is not a business. Everyone involved is a volunteer. We charge only enough to pay the caller, pay the band, pay the hall and provide free lemonade for the dancers. Sometimes we might not even make expenses.

The "Second-Saturday Contra-Dance" is community recreational dancing. It provides an opportunity for exercise and social contact. The environment is controlled; no alcohol or tobacco is allowed.

To learn more, go to <<http://www.rain.org/~gshapiro/contradan> on the Internet.

We are the Brevard Chapter of Friends of Florida Folk, Inc., an organization with nearly 700 members devoted to the promotion of traditional arts, crafts, and music. In accordance with the Internal Revenue Code, Friends of Florida Folk, Inc. is a Section 501(c)(3) organization and contributions are deductible as provided in Section 170.

For more information call 723-1957 or 768-9595. We invite you to dance with us. We dance at THE BARN on Minton Road, Melbourne, Florida.

Our trip to the Orient

by Paul & Phyllis Alcorn

We flew to Chicago from Orlando, had a 4 hour lay-over, then boarded a plane for Tokyo. After a 3 hour lay-over, we then boarded a plane for Beijing, China. China was indeed a culture shock. Our hotels were 5 star. Since there is no infrastructure, you could see slums everywhere, between beautiful buildings and places. Traffic is a major problem with thousands of bicycles, cars, busses and people moving with bicycles pulling carts. Pedestrians and bicycles do not have the right of way so just trying

to cross a street is like playing roulette. We went to Tiananmen Square, the Forbidden City, we climbed the Great Wall, saw the Ming Tombs, the Temple of Heaven and the Summer Palace. When we returned to the hotel, we had a Peking Duck dinner and enjoyed a show.

Then we flew to Xian, China and visited one of the world's greatest archeological discoveries, the Army of Terracotta Warriors. These Warriors were discovered in 1974 by a farmer who was drilling for water. They are life size statues of men, horses and carriages (about 7,000) guarding the tomb of the first Qin Emperor of China.

Two days later we again flew to another China city called Guilin. The plane was a Russian plane and looked like it was held together with bubble gum and tape. When the plane was coming in for a landing, the humidity was so high that what looked like smoke came pouring in through the air conditioning vents and through the roof. This caused quite a bit of concern for passengers, but we made it OK! Not only was the plane a shock, but instead of peanuts, the cabin attendants handed out pistachio nuts in the shell. Can you imagine the mess of shells all over the place?

While in Guilin we took a day cruise on the Li River with the beautiful mountains of limestone covered by what looked like green velvet. By culture shock, we saw people swimming and bathing in the river, women washing clothes and dishes, and water buffalo swimming. From Guilin we flew to

Guangzhou where we boarded a train for Hong Kong. Before we reached Hong Kong the train stopped to let off the Communist guards. They weren't allowed to leave mainland China.

Since Paul doesn't like Oriental cooking he ate a lot of watermelon, pineapple, bananas, peanuts and trail mix. Speaking of Oriental cooking, everyone sits down to a family size table with a large Lazy Susan in the middle of the table. Each person was given a dish, smaller than a saucer, and chop sticks to eat their meal. Several types of food are brought and placed on the Lazy Susan. Of course, Phyllis had to try it all. She was the only one in our group of 14 not to get sick. Breakfast each morning was included and was a huge buffet of everything under the sun, and then some that I didn't even recognize.

Hong Kong is an island off Kowloon and is due to go back to China in 1997. It is a Metropolitan city with tall buildings and Western style cooking. We went to Victoria Peak where we had a marvelous view of the city and harbor. From there we went to the floating community of Aberdeen where thousands make their homes aboard traditional sampans. We rode aboard a sampan through the community. It is also a great place to shop -- I'd like to go back to X-Mas shop!! . We stayed in Hong Kong 3 days.

From Hong Kong we flew to Bangkok, Thailand. It is quite different than China, also has infrastructure problems, but they seem to have it more together than China. We took a speed boat ride to a floating market and through the canals on which many made their homes. We took a ride in the country and went to a lunch and cultural show. It was here that Paul rode an elephant. Shopping near our hotel was also great. We stayed here 3 days. From there we flew to Singapore (85 miles north of the Equator).

Singapore is a beautiful city, an island on the south end of the Malay Peninsula. The city was spotless clean with beautiful landscaping. The bathroom at a tourist spot had a sign over the toilet that indicated "\$100 fine if you do not flush the toilet". Causing any litter is a heavy fine and chewing gum is not allowed. However, they did have McDonalds, Kentucky Fried Chicken, Pizza Hut, etc. Paul was in his glory. Shopping was also great.

The trip home was long and tedious. Flying time was approximately 19 hours, but with lay overs, Immigrations and Customs, etc., it took almost 26 hours. We spent the night in Orlando and came home the next day. It took almost a week to get over the jet lag.

YELLOW ROCKERS JANUARY SUNSHINE CORNER

PAT LUDWICK
Yellow Rockers Reporter

" 'Tis the season to be jolly, fa la la la la la la la la!" It may be jolly for you, but it's hectic for me. At this writing I do not have all my cards written out, nor our tree up, but I do have all my shopping done and wrapped. Every year I manage to be early or on time but as for this year I seem more uncoordinated. As a matter of fact, my whole year has been one of uncoordination!

The Toys for Tots Dance and our Christmas dinner dance were very successful events. There were about 9 squares at each dance. There will be a lot of happy children this Christmas as our collection of toys that we collected for the Salvation Army was great!! Our Christmas Dinner Dance was held on Dec., 16th. and as always the food was delicious thanks to all the cooks.

It was great seeing Jackie & Bill Strayer there and also Bob & Edna Pritchard. Both Jackie and Edna are recuperating from the shingles, and Bob just underwent cataract surgery to one eye and will have a cataract removed on the other eye Dec. 23rd. Tellas and Jean Greene were in attendance also. They have been missed as they have not been able to be at the dances lately because Tellas has been treating and undergoing some tests for his medical problems. Hope it won't be too long till you both are back dancing again. The Greene's and the Alcorns took a much needed vacation recently. They went to Las Vegas and had a wonderful time and they all came back as winners. Emily and John McGowan returned from their week vacation to Rhode Island, Buffalo, N.Y., Columbus, Oh., and Roanoke, Va. where they visited family members and friends. Now they are resting up before their next trip in Feb. This time they'll travel to Australia on a cruise. Hey Emily & John, do you ever unpack?????

Bill & I took a short trip up to Cumming, Ga. recently and it was bedlam going through Atlanta. We think it was worth it as we went to see our newest grandchild, a boy named Sean Russell Ludwick. He is a cutie.

(Continued on page 19)

(Continued from page 18)

That makes 12 grandchildren for us and if you add the 4 step-grandchildren that brings the total up to 16 now! Don't think we'll ever catch up to Hazel Underwood's total of 29!!!! God love you Hazel. That is a bunch and a half.

The Yellow Rockers wish to extend their sympathies to Thelma Harvey and family on the death of Don, Thelma's husband. They have been great supporter of THE BARN in the past. Sure has been an unforgettably sad year for so many of our dancers. Well. if you haven't noticed lately , good "ole 1997" is just around the corner. I hope it will certainly be a good one for all of us.

Please keep the news coming, you are the ones that keep this column going and I am in DIRE need of biographies for the GIVE A HOOT COLUMN too. I can be reached at 723-7090. Thank you and do have a very happy, healthy and prosperous New Year.

ALLEMANDERS

JANUARY NEWS

Donna Noeske
Allemander Reporter

The Allemanders club members wish to extend best wishes for a joyful New Year to all. How about making a resolution to square dance more often?

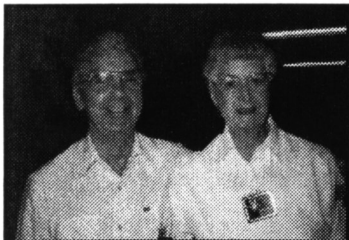

In January, we will be dancing on the 4th, 11th and 18th. January 11 is Chili Night (mild is a four-letter word!). Come sample a variety of chili, concocted by a variety of cooks!

At the January 18th dance, the Unwanted Gift Exchange will take place. If you received a gift over the holidays that simply is not "you" (especially if it is a gag gift) you can wrap it and mark for a woman or man, if it's gender-specific, bring it along to the dance and get it exchanged for something that somebody else did not want! The funnier the gift, the more fun is created.

Please come and join in the fun at these dances.

Classes continue at 6:00 on dance nights. Our caller is Ray Yon. Our Cuer is Vince Furtado. Dancing begins at 8:00 and continues until 10:30.

For further information please call Joe or Carol at 777-8962 or Doug or Lona at 773-6420.

Don and Thelma Harvey. Don is gone but not forgotten. Don was a contributor to square dancing and his enthusiasm and love for the activity will be sorely missed.

Our thoughts and prayers are with Thelma in the loss of her husband and friend.

FROM THE BARN KITCHEN

LEAH'S PUMPKIN DIP TO DIE FOR

Qty.	Measurement	Preparation	Ingredient
1	small can	pumpkin pie mix or	solid pack pumpkin
1	8 oz.	package softened (bar, not tub)	cream cheese
1	large pkg.	(make with half of the required milk)	vanilla instant pudding
1	cup		powdered sugar

Blend pumpkin and cream cheese. Add prepared pudding and confectioner's sugar.

Eat with vanilla wafers or ginger snaps (most prefer ginger snaps)

Presentation tip: serve in a small hollowed-out pumpkin shell.

The word "enzyme" is derived from the Greek word *enzymas*, which means "to ferment" or "cause a change." Enzymes are the foundation for all cellular regeneration. They play a key role in the transformation of undigested food into the nutrients that are absorbed on the cellular level. With proper digestion of these nutrients, we have the energy to most fully and energetically participate in life.

Enzymes are much more sensitive to destruction by heat or cold than vitamins and minerals. Food cooked over 118 degrees for more than half an hour will kill all naturally occurring enzymes. In the event that dry heat is used, the critical temperature for enzyme destruction is about 150 F.

An enzyme is a specialized protein structure which carries with it an energetic charge. Enzymes speed up chemical reactions that normally take place very slowly or not at all. It is the energy behind the protein structure that makes enzymes different from other protein-based substances. It is this energetic life principle, sometimes called *prana*, or *ch'i*, that animates all life forms.

The father of modern enzyme therapy, Dr. Howell, once said that enzymes emit a "kind of radiation" that can be picked up on Kirlian photographs. Howell can be singled out from other researchers because he stressed that enzymes are not merely expendable, protein based chemical catalysts that move along chemical reactions. He forcefully argued that enzymes are none other than units of life-energy that use various protein molecules as their carriers.

Well here we are beginning a brand New Year, and a lot of brand new Resolution, like losing some of those extra lbs. we added during the holidays. As we leave the old year behind we look forward to a great year for the Promenaders. A Musical Kickoff to the Forty-Sixth National Square Dance Convention

Wednesday, June 25, 1997, 6:30 - 8:00 PM
Orange County Convention Center - Orlando, Florida
Admission: \$8.00 per person
Start the Convention with an evening of entertain-
ment

"YOUTH DANCING AT THE 46TH"

If you are a square dancer under age 18, we invite you to join us in Orlando, Florida, June 25 - 28, 1996 to "Go For The Magic". The Youth Program Committee plans to start our FUN convention with a Wednesday evening trail end dance. The rest of the week will be exciting clinics, two dangle dances a day, the youth dancers leading the Parade of States, and at least two after parties. An enjoyable week for all our youth is anticipated. So don't forget, we're "Going For The Young Magic", too!!!

"WHAT ABOUT SHOPPING?"

Are you concerned about shopping at the 46th National Square Dance Convention? How about 237 booths with 92 vendors and a huge variety of merchandise to satisfy even the "hard to please". The vendor area will be open at 10:00 AM Thursday, June 26th for 3 full days. And the good news is that you don't have to walk far to find the action. The vendor area is located right in the center of the dance halls, all of them are "just a stone's throw" from each other!

To accommodate those who wish to try on clothing, there will be 18 women's and 6 men's dressing rooms with full length mirrors. A seating area is planned for those who wish to sit and relax while their spouse is shopping. Come join the fun of shopping in this well planned, well stocked area and add to your pleasure of attending the 46th NSDC.

"COUNTRY WESTERN LINE DANCING"

Got a cravin' to kick up yer heels while in Orlando for the 46th Nationals? We're trying to cotton to you folks, too! We have made arrangements with many Country Western Instructors from all over the world to be on staff to teach you all kinds of dances. Since we have had so many requests for Country Western dancing, we are expanding the line dancing segments of the convention to over 15 hours, along with basic Waltz, Texas 2-step, Swing and Schottische. We will also have couples dancing (Cotton Eyed Joe, Ten-Step, etc.), exhibitions and open dancing. For more info contact Dick and Shirley Shinham, Director of Country Western, 8600 29th Avenue East #245, Palmetto, FL 34221 (941) 722-6962.

family in you thoughts and prayers in this time of bereavement.

It was reported that the Toys for Tots dance was a great success with lots of fun and fellowship, and a lot Toys collected for the needy.

Please keep me informed of your news.

We at THE BARN OWL wish to thank all the contributing clubs, and especially the contributing reporters, for taking the time to make THE BARN OWL an interesting publication. We hope in the New Year that we will again receive the articles from you, the dancers, to include in our "GIVE A HOOT" series. You would be surprised to know how many people enjoy reading about YOU and your experiences.

If you have suggestions, comments or articles for THE BARN OWL, please send them to us.

Thank you for your support and a very happy and prosperous NEW YEAR to you and your loved ones. Otis & Linda Lutz

Enzymes are Necessary!

Enzymes are without a doubt the most important and most overlooked elements in nutrition today. A deficiency of but one enzyme may cause the malfunctioning of an entire metabolic chain reaction in the body, thereby preventing some vital function from unfolding.

Enzymes for Health and Longevity

- 1 Food enzymes are essential nutrients.
- 2 Because they are more fragile to the effects of heat than vitamins and minerals, food enzymes are destroyed by the high temperature of cooking.
- 3 When food is chewed and swallowed in its raw natural state, enzymes immediately go to work in the upper cardiac portion of the stomach.
- 4 Eating a low enzyme, cooked food diet may increase the size of the pancreas, a sign that this organ is being overworked. This condition may be a precursor to various forms of dysfunction such as hypoglycemia, diabetes and metabolic imbalances.
- 5 A deficiency of food enzymes in the diet may give rise to "digestive leukocytosis", (excess white cells in the digestive system and blood) which is not the case when raw, high enzyme foods are eaten.

46th National Square Dance News Release - June 25-28, 1997

The Contra Committee has put together a GREAT program GUARANTEED to satisfy all levels of CONTRA dancers from across the country! We'll have the BEST CONTRA instructors in the world available to show you how it is done. Experienced CONTRA dancers won't be disappointed as there will be tons of neat stuff for you too.

Our goal is to expose aspiring CONTRA dancers to more than the mere basics. On Thursday a 2-hr. workshop is offered to cover the basics of CONTRA dancing. There are 2-hr. workshops offered on Fri. and Sat. on all CONTRA movements. Please give it a try!

Linda and I have been working with the 6th graders at Meadowlane Elementary School. Along with our grand daughter, Kayla, we had a square of our class on the Christmas Float. We have a goal of having a youth square dance club in Brevard and hope that these young people will be the start of that group. We start teaching square dancing again in January with a new group of young people.
