FROM THE LOFT

The busy time of square and round dancing is upon us. The barn's display racks of dances in the area are full. One can select any night of the week to attend a special fun-filled dance. Many clubs are having guest callers for their special dances.

We just concluded our Appreciation Dance for Colin and Peggy Walton. It was a very good dance with every tip called by a different caller. We danced over three hours with very good callers and cuers. We are very happy to report that this was a very successful dance and over \$400 was given to Colin and Peggy. For all they have done for square dancing over the last 49 years, we were very happy to have had a part in this dance. Thank you, Colin and Peggy Walton, and a thank you to all the dancers, callers and cuers that made this dance a great success.

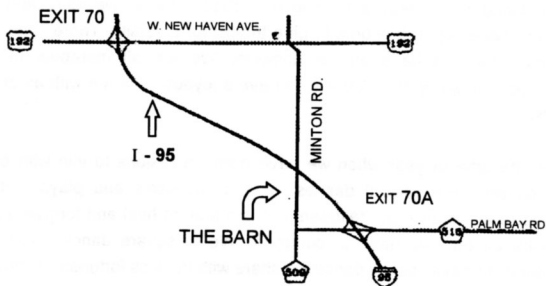

Square dance lessons are underway at the area clubs, or will be beginning very soon. So far the turnout has not been great. One club had to delay the start of their lessons until January due to low turnout. I do not know of any club that has four squares of new dancers for their new dancer class. We just have to keep on keeping on! Support your new classes as if your club's life depended on them - it does, you know!

This is the start of the Holidays. Thanksgiving, Christmas and New Years. What a great time of the year. It will be a hectic time and a good time. A time for remembrances and a time of celebration. We do not want to forget the friends we have of other faiths. There are many holidays coming up for them too. We rejoice in all of these special days and trust that each one of us will find renewed hope and faith in all of these events.

I want to thank some special people who have supported the activities of THE BARN over the years. Stan Crowhurst and Margaret Bonneville have contributed so much and the last contribution of \$50.00 to The Barn Owl was much appreciated. Look around the walls of THE BARN and you will find the many plaques acknowledging dancers who have contributed so much. Cabinets, speakers, air conditioners and many more items have been donated. We especially want to thank Connie Plummer for taking over the Missing Links in Memorial Hall and having a beautiful plaque made to replace the paper one and also for adding the names to the plaque. We can not forget Mel and Rita Grenier for their contributions and their faithfulness to the new classes. We do not want to leave anyone out and would like to name each and everyone of you. There are simply too many to name, but you can see their plaques on the walls at THE BARN. Thank you, each and every one.

WORD STUDY OF THE WORD

HOLIDAY

hol-i-day *n.* 1. A day on which custom or the law dictates a halting of general business activity to commemorate or celebrate a particular event. 2. A religious feast day; a holy day. 3. A day free from work that one may spend at leisure; a day off.

2287 - To move in a circle, to march in a procession, to observe a festival, to be giddy, to celebrate, dance, to keep or hold a feast or holiday.

We are entering the Holiday season. There are feasts and customs that are observed by all religions at this time of the year. All have a central theme of peace and goodwill.

Psalm 42:4 "When I remember these things, I pour out my soul in me; for I had gone with the multitude, I went with them to the house of God, with the voice of joy and praise, with the multitude that kept the holyday."

This is the time of the year that we remember. We remember the good that has come our way during the past year. We remember the love that we have given and received. It is a time to rejoice and be glad. It is a time to share with one another. It is a time to be with our family and friends, a time to embrace each other. It is a time of celebration. It is the time of inclusion.

Thanksgiving is certainly a time to give thanks for all we have and the freedoms we enjoy. It is a time to give thanks for diversity. There is no one who can claim to have all the answers. We are all members of the 'multitude' who go up to celebrate; to have a joyous occasion with all of our friends.

This is the time of year when we have many occasions to join with each other as we have special dances, dinners, musicals and plays that all emphasize joy, praise and fellowship. It is a time to heal and forgive as we celebrate all that we have in common. We in square dancing use this opportunity to have special dances to share with the less fortunate by having "Angel" & "Toy's For Tots" dances. Please support all these events.

NATURAL ALTERNATIVES TO OVER THE COUNTER AND PRESCRIPTION DRUGS

WHAT TO DO IF YOU'VE HAD BYPASS SURGERY

Heart surgery does not cure you. Heart surgery, at the best, gives you a chance to take charge of your health. It affords you the time to heal your heart. This is a life long project. There are no "immediate" cures or "magic" bullets. There have been numerous studies showing that heart surgery is bad for you. The heart surgeon did not save your life. At the best, he gave you time to save yourself.

For over 20 years it has been known that heart surgery does not cure heart disease. A study, called Coronary Artery Surgery Study (CASS), showed that there is virtually no difference in survival rates between patients who had surgery and those who were treated with medicine only. In fact, people who have had bypass surgery experience more rapid progression of atherosclerosis. Bypass surgery has been shown to reduce the formation of collateral circulation, the spontaneous growth of blood vessels which naturally "bypass" clogged arteries.

If you have had a bypass and you do have a heart attack, you're likely to fare worse than someone who has not had bypass before a heart attack. Therefore, it is even more important for those of us who have had bypass surgery to take charge of our own health!

These are the things you should do:

1. Take a good high-potency, antioxidant-rich multivitamin and mineral regimen.
2. Take supplements of omega-3 fatty acids to reduce the risk of clot formations.
3. Take plenty of B-complex vitamins.

WHY SUPPORT NEW DANCERS

November 1997

**Jerry & Del
Reed**

Do you remember when you were going through your first square dance class? The feeling that all eyes are on you and that every mistake is your fault? Many of us who have been dancing for some time tend to forget these early days and the feelings that we had. How about going to your first "big" dance? I still remember going to a "JAMBOREE" in the Philippines. Fortunately there were many square dancing friends there to help us through that first dance. I thank each of those "angels". They were there to help us through each class session and then with our transition to the club.

Have any of you had this same experience? At one time we were all "new dancers". That is the only way to become a square dancer. Now

it is our turn to help the new dancers coming into the activity. I have always had the highest regard for the club members who help with the class. There are instructors who do not encourage angels to attend and help. I have always encouraged all club members to help with the class. I see many benefits in this. One major benefit is the fact that the new dancers get to know the club members. Then, when graduation comes along and it is time to join the club, the new dancers are joining their friends, not a group of strangers. Another benefit is the camaraderie and good feelings which can be formed between the club and class members.

There are many members who are able and willing to attend the classes and to help out. Some of these great people are there almost every class. Others come whenever they can. Unfortunately, there are some who do not attend at all. Some perhaps can not make it to the class as early as we start. Others may not feel welcome at the class. Still others may feel they are "too good" to attend and help with the class.

Do you help with the new dancer classes? Do you go to new dancer dances? I would like to invite each of you to come to the Yellow Rockers class to help out. If you are coming to the club to dance, why not come a little early and join the class? If you do come in while the class is going on, why not join in and fill in a square, or start a new square? The new dancers will be thrilled

NOVEMBER GRAND SQUARES

The Western Jubilee Dance co-sponsored by the Grand Squares was a big success Colin Walton is a master at teaching a variety of dances in which everyone is able to participate and some of us even learned some round dancing. Those of you who did not attend missed out on a very great evening and we look forward to the next one on December 27.

The 50th Anniversary Celebration Dance held in honor of Colin and Peggy Walton on October 12 was wonderful. Callers from everywhere entertained with wonderful little bits and bobs of history about the Waltons. Many many friends and former students enjoyed the reminiscing and fun dancing. This was a very special dance for Peggy as she always had a partner until the last tip. What a tremendous evening!!

The Grand Squares will be changing its program and format. Look for the exciting news in the next issue.

that you are joining them, rather than making them feel like they are "on display".

There are several new dancer dances coming up soon. Please plan to attend one or more of these dances. The new dancers will appreciate the support and you may enjoy yourself too. The enthusiasm of the new dancers is one of the things I enjoy very much about teaching square dancing. We have a very fine class this year and are looking forward to some fun nights and great dancing during our class sessions. We are also looking forward to the new dancer dances and to having you join us.

Bye for now and see ya in a square!!!

Hello everyone! You missed something if you weren't dancing with us in September and October. By cracky, we had a rip roaring time September 19th at our Hill Billy Dance. Everyone came dressed in their farm duds — long underwear, bib overalls, dog patch costumes, boots and straw hats. The Yellow Rockers moseyed on by for the fun - taking our banner to boot! Out guest caller, Susan Elaine Packer and cuer, Vince Furtado, kept us all howling and swinging to their melodies and we ended our night with a great Hot Hash Tip.

On September 26th, the Allemanders came for birthday celebrating, raiding and a great night of dancing. The word got out that it was Skip's birthday so the Allemanders emphasized it with mathematical equation sheets pinned on their backs marking Skip's celebration. Marvel escaped her age equation on their signs but they both enjoyed Yellow Rocks on their birthdays. With all our banners in other dance halls, the Allemanders rubbed salt in Skip's wound when they took off our caller's trousers as their banner. Yes, Skip's black pants are hanging in the Allemanders' dance hall.

By the time this goes to print we will have had another great Halloween Dance and Fall evenings twirling and dancing to more great melodies provided by Skip and Jennifer Cleland and Vince Furtado.

Remember Vida in your prayers. She appreciates your cards, calls and prayers. Jean & Cecil greatly appreciate the member support they've received this fall.

LOOKING AHEAD SPECIAL DANCES

We're looking forward to our Thanksgiving Dance on November 21st. Demands for the trio again this year, our guest caller, Joe Fioretti, will join Skip and Jennifer for some great crooning. If you are a round dancer you won't want to sit out the songs being cued by Vince Furtado. Luscious dishes are all being coordinated by Jean Faulk again this year to tantalize your taste buds. Pick up your ribbons soon!! There is no dance on November 28th. Check the flyer for unwrapped gift ideas to get ready for the Christmas Angel Dance, December 12th, to benefit the Washington Square Home in Titusville.

SPACE TRACKERS

**Duke & Doris
McCleskey**

Aw Autumn - the skies have that blue, blue tint, while the early mornings are refreshingly cooler. One of the best times of the year are upon us, as we approach that season of many celebrations. Plans are in the making for the 'fun times' of Thanksgiving, Hanukkah, Christmas and a New Year, BUT what really makes this a special time of the year is the return of our part time neighbors from the north, often times affectionately referred to as "Snow Birds! They add much to our Fun and Fellowship dances. Welcome back!!

The Space Trackers held a great special dance in the format of the Annual Fall Fling. Jack and Miki Krimmel, the Chairmen, outdid their usual excellence, in presenting a memorable and enjoyable Fun extravaganza this year. October 25th was a very special night with Mac McCall letting those in attendance enjoy his selection of Calls and Choreography while perky Phyllis Williams cued rounds, around and round! The After Party, under the guidance of Griff and Shirley Crippen, was one whopping funtime enjoyed by all. Our special thanks to our Chairman and all those who make 1997 Fall Fling an event to remember. Next years Chairmen will be 'hard pressed' to exceed this years presentation. Congratulations, one and all!

Halloween was a Scary, spine tingling evening. As usual Space Trackers and their guests really dressed for the occasion. Although there was no "severed head" at the door, there were still lots and lots of fun moments for everyone.

Remember to make your reservations for the Thanksgiving Festival, so there will be a turkey leg, some dressing and all the trimmings awaiting your arrival on Saturday evening November 22nd. Be sure to bring your "fighting tools", a plate and a covered dish to serve several. As usual, the Club will furnish the turkey, mashed potatoes (with an 'e') and drink.

Our lone Banner Raid the past two months was on September 25th to the Dixie Squares up Daytona Beach way, where we enjoyed their 'sock-hop' and root beer floats. One of the highlights of the evening was John Barrett's sockies. Remember to have FUN and enjoy the Fellowship of those privileged to dance in your square!

St. Cloud. The Snowbirds are stating to come back now, and isn't it nice to see all the familiar faces again. And I know we all enjoy the cooler weather. Several of our regulars are back now too; Tom and Ruth Barow had a great time visiting friends and touring England as did Phyllis and Bob Randall. George and Marge Newman went west instead of east, visiting family and friends in California. Royce and Carol Arter made their annual trek to Tennessee, Madeline and Harry Newcomer spent some time in the Pennsylvania area. I know we've had many gone for a couple of weeks and then popping back again.

Raids and retrievals have kept us busy too. We took almost six squares to steal the banner from Kissimmee Squares. That was certainly a fun night dancing to the calling of Steve Ekin from Vero Beach and new to many of us. Garden Patch Squares came and got one of our banners. The Pirates joined us at our Open House night to steal another banner.

The club put on several demonstration dances this fall - one at Poincianna in Sept. and two in Kissimmee in early Oct. Hopefully these showed those who watched just what fun square dancing can be.

Our caller, Dale McClary started an All Position Dancing class on Oct. 14. That can be a real challenge, especially to some of us who have enough trouble just dancing regular positions. Oct. 17 was our first night for class for new dancers and then the next day, Oct. 18, we held a big Garage/Arts and Crafts/Bake sale with demonstration dancing for those who came to buy all the Goodies. As we all know, "one man's trash is another man's treasure."

Plans are finalized for our New Year's Eve Dance, to be held at the St Cloud Sr. Center on Dec. 31st. Italian dinner will be served at 8 PM, with dancing from 9:00 till ?? Cost is only \$25 per couple; get your ribbons early. We'll be dancing to the calling of Mac McCall and Bob Barnes, with rounds by Pete and Jan Shankle.

PAT LUDWICK
Yellow Rockers Reporter

Hi again! Your loyal reporter is back! Bill & I had a great but hectic month away covering 7000 miles from East to West and back again. The first three weeks were great, but problems arose and so we came home and unfortunately did not get to complete our plans to go to Cape Cod and visit my relatives. We will plan another trip and Cape Cod will be number one on the list next time. We loved Branson, Mo. and plan to return again. The shows we saw were wonderful and they included the Osmond's, Welk' s Band, Lennon Sisters, Andy Willlams, and Bobby Vinton. Had front row seats for the Welk & Lennon group and we met and

talked to Jim Osmond (father of all the Osmonds). Passed through Eureka Springs (a Bavarian style resort) area with many beautiful inns and restaurants and several chapels as it is a well known get-a-way area for honeymooners. Next stop was at the Civil War Battle site Pea Ridge, Arkansas, where Bill did a seven mile walk all over the battle field which was very interesting. When we arrived at Bill's Mom's in Arizona we took a weeks rest and visited with three of Bill's sisters. Even went on a picnic in the Prescott Valley National Forest and Lake area. After leaving there we spent the night in the El Rancho Hotel in Gallup, New Mexico and stayed in John Wayne's room. Then it was off to the Land Of Oz in Liberal, Kansas where Bill & I walked the Yellow Brick Road and saw Dorothy's house and the big Red Barn and along the way admired the life size figures of the Cowardly Lion , the Scarecrow, the Tin Man and ToTo. That was fun and my memories of seeing that movie 10 or 12 times made me feel young again. Next we spent a couple of days at my step-dad's nephew's home in Penfield, N.Y. Then it was off to the Berkshire Mts. area to visit with Chester & Audrey Dodge. Chester has been ill with a terrible staph infection which started in one of his legs, and spread through his whole body. Chet and Audrey were quite concerned as the leg got worse. He is now improving and when the infection is cleared up then they will operate on Chester at Mass. General Hosp. and do another hernia repair. From there we decided to come home and not complete the trip as my Dad's health was deteriorating and we were all exhausted. While up in the Berkshires, the trees were changing colors and the area was ablaze with reds, gold, and orange leaves. What a sight!

While in Branson a bus load of square dancers parked near us and noticed our square dance plate on the van and they invited us to come to Nashville,

Tenn. to dance with them sometime which was real nice of them. It's so nice to belong to an organization that has so many friendly and nice people. Their caller is Gary Kincade.

Kenny Lummel is back after a nice trip, where he visited Jesse James' Homestead in Kearney, Mo. and St. Joseph, Mo. where he was shot by a gang member for the reward offered by the Pinkerton Detective Agency. He also went to Grand Forks AFB to visit his daughter Kim and family and watched his grandson play ball. He also visited relatives of Donna in Akron & Warren, Ohio, and visited another daughter and his son and some square dance friends in Buffalo, Alexander, and Rochester, N.Y.

The DiCerbo's have returned after several weeks in Penn. where their daughter Jean was examined and had consultations in regard to her serious medical condition. She needs all our prayers that the doctors will find the answer and correct her medical problem. While they were away, Connie Plummer did an excellent job of filling in for them at THE BARN and also filled in as Banner Chairperson for the Pritchards who are still up North. Our hats go off to you Connie!

Jean & Tellas Greene came back after a trip to North and South Carolina but a week after their return, they had to return to the Carolinas as Jean's Mom had a bad fall and broke her left wrist in two places and is now here in Fla. at the Greene's home recuperating. Jean says they hope to be back square and round dancing by Nov.

Got a letter from Jane Radliff while I was gone telling me that Jerry was having some skin problems and went to the Dermatologist's and in examining him, he found a malignant melanoma on Jerry's right shoulder. He then saw a plastic surgeon and they removed it but had to go clear down to the mussel. The good news is that they got it all. Just after that their favorite pet, a miniature poodle age 12 yrs. had surgery for bladder stones and shortly after their dog went in to heart failure and passed away. It was not a good month for them. We hope things will soon get better.

The Boorum's have returned after a nice summer and trip to Michigan. They are now settling in at their new home on Dartmouth Ave. in Melbourne and are busy getting things in order.

I talked to Emily McGowan and she & John returned from their trip and when they got home had bad news. Their daughter had a very serious accident and her car was totaled. She had to be rushed to a trauma center in Rhode Island I believe. She had broken bones and bruises and has just been released from the hospital and is to be flown down to Fla. to the McGowan's to recuperate. Please remember their daughter and all our other people I have mentioned in

4. Take a good supplement of magnesium.
5. Take Coenzyme Q10. This is essential for anyone with heart problems. In addition to its antioxidant properties, Coq10 is involved in energy extraction and gives a boost to ailing hearts. A daily dose of 100 to 200 mg a day in divided doses taken with meals is recommended.
6. The amino acid L-carnitine plays an important role in cellular energy production, and it increases the efficiency of the heart, causing it to pump more blood with fewer beats. A recommendation of 500 mg twice a day on an empty stomach.
7. Take alfalfa pills twice daily to reduce clots. It produces the effect of aspirin with no side effects.
8. Get to your ideal weight (or close to it).

None of the above items are overly expensive. None of them produce a "magic bullet". You must have a life long commitment to taking charge of your own health. You are the one that cares most about your health. You are the one that has the most to lose.

Did you know?

"O.K." was first popularized in an 1840 Presidential campaign. Back then, everyone seemed to have a nickname, and when Martin Van Buren ran for President he was nicknamed "Old Kinderhook" after his birthplace in Columbia County, New York. His New York City supporters formed a club in his honor called The O.K. Club, and "O.K." became a rallying cry for their candidate. Van Buren lost. But 'O.K.' won, and it's the most widely used word in America.

Linda and I are the Sew and Save chairman for the 1999 State Convention and we are looking for folks to help on this project. We need all sort of talent. We need greeters, decorators, models, demonstrators and stuff I don't even know about. If you would like to be part of the 99 convention, please contact Linda Lutz. We need a good number of workers for this project. We hope that many of you will find time to help us. The SEW & SAVE clinic will have a complete hall for us to utilize.

the column in your prayers.

Jerry Reed's class seems to be progressing real nicely and we are looking forward to having them dance with us before too long. Are you ready for the Halloween Dance on Oct. 27th? Better get those costumes ready and come on down to THE BARN for a fun time! Oct. 13th. was a fun time. We had a guest caller, Jim Mayo, a close friend of Jerry & Del's and Jim's wife, who was also there.

Well.....this was a long one, but I had to make up for the missing column last month somehow. Keep the news coming as that is what keeps this reporter busy. You can contact me at Tel. # 723-7090 Sincerely, Pat Ludwick

BAREFOOT BAY "SPINNER'S

DANCE SQUARE CLUB MEETS THURS. 12:45-2:45

Submitted by: Emily Bedell, Secretary

FUN-FUN-FUN! That's what the Spinners had this summer. We were happy to have two or three squares plus several guests all summer at our casual work shops.

A complete luncheon was served at one dance as well as three delicious Ice Cream Socials once a month over the Summer. We are looking forward to well attended dances during the winter months as our "Snow Bird" members return.

One of our Spinner members has displayed quiet courage for some time. Ellie Clinton has had dialysis twice a week for several years, but happily, continues to dance with us each week.

New square dance lessons start in January 1998. Two "Open House" dances will be held on Nov. 13 & 20 for prospective dancers. Hope to see you there. Come and bring a friend, or two!

We plan a "Ghostly" Halloween Party on October 30. Costumes optional.

TWIRLERS SQUARE DANCE CLUB-BAREFOOT BAY

Meeting Monday 7:15- 10 PM.

Submitted by: Roberta Ballard,
The Twirlers Square Dancers met all summer for informal "Plus-Anything Goes" workshops. We had many laughs as we tried to learn new and different calls.

Our "Snow Bird" members are gradually returning and our first Fall meeting was on October 5 at 7 PM. Rounds began Oct. 5 and will be enjoyed between tips, as usual, all seasons beginning at 7:15pm. A new slate of officers was presented at the meeting as follows:

LINE DANCING AT THE BARN

BETTE WITYAK

A loving Welcome Back to THE BARN to Joe and Maggie O'Connell! We hope you had a healthy and happy summer-time. This devoted couple will be sharing their talents with us on Mondays from 1:00 to 2:30 PM for their class. Please come and join in the afternoon fun.

Ed continues his Tuesday morning class from 10:00 to 11:30. We had a great time dancing Ghost Riders, which is new. He tells us it comes from Sidney, Australia. It has 80 steps and, I personally think we dance it quite well. We also like the old dances and Ed hopes everyone continues to enjoy themselves.

Glenda teaches on Wednesday and Thursday mornings from 10 - 11:30. She's been told that Country Rock & Roll Waltz is a favorite now of a large number of her class. What fun and exercise. This is a reminder that Glenda will be sharing her dancing talents with passengers on a 7 day Eastern Caribbean Cruise aboard the Century on March 28, 1998, departing from Ft. Lauderdale for a week at 4:30 PM. Please make your reservations, and plans for a great trip! Final payment is due January 20, 1998. If you have a loved one going on the trip, perhaps a money tree for Christmas would be appreciated. All Aboard! For further information, please contact Glenda. Flyers are available at THE BARN.

See you at THE BARN! A Blessed and Happy Thanksgiving to all!

Sincerely Yours,

Bette Wityak

FAVORITE LITTLE SAYINGS

Friends are mathematical: They divide sorrow and multiply happiness.

Blessed is he who expects nothing, for he shall not be disappointed.

It may be that your sole purpose in life is to serve as a warning to others.

Mark January 31st on your calendars. At 3:00 in Kissimmee there will be a 5th Saturday dance and the Kickoff practice for the 1999 State Convention. We invite all dancers to attend this event and to take a part in the 1999 kickoff. We can make this the best State Convention there ever has been if we all take a part in this event.

The CFA is starting a plan to help local clubs get larger square dance classes. Come, attend a meeting and learn more about what the CFA is doing. The CFA is there to serve you and the square and round dance movement. Be a part of an exciting future.
