

Cue Sheets by Judy Barnhill

We frequently need a good love song at a dance to celebrate a wedding or anniversary and "Forever I Do" is it. The dance is a beautiful Phase II waltz that most dancers can perform. This song is choreographed by Yuka Hayami from Japan. The music is "I Do" by Derek Ryan and I purchased it from iTunes. The artist Derek Ryan is described as Ireland's "Golden Boy" and I believe it when I listen to him sing. The full cue sheet is available on Roundalab. Enjoy this dance for many years to come.
