

Hello Dancers,

Well, it's time for our Wednesday evening "Judy's Easy Level Rounds" at the Harold Ave., Regional Recreational Park beginning at 6:30 PM.

Thank you, dancers, for making our first dance at Harold's a success, and so much fun. This week, we have included your song/dance request from last week in the playlist attached. There're be paper & pen for your song request (dances phase II & III) to be cued next week, so don't miss your opportunity to have Judy cue your favorite dances. Also, some of you identified dance steps/figures that you would like to "workshop" including the Impetus (open & closed); telemark; fishtail; interrupted box; and serpente. We will do one figure each week, and then cue dances throughout the night that use that figure. This week, we will be giving instructions on the two-step fishtail. Oh, what a sight!

Looking forward to seeing you. Bring your own snack & drink, and masks are optional.

Judy & Dwayne

### Round Dance Program
